improving navigation, regulating the flow of the South Fork of the Flathead River, for the generation of electric energy, and for other beneficial uses primarily in the State of Montana but also in downstream areas, the Secretary of the Interior is authorized and directed to proceed as soon as practicable with the construction, operation, and maintenance of the proposed Hungry Horse Dam (including facilities for generating electric energy) on the South Fork of the Flathead River, Flathead County, Montana, to such a height as may be necessary to impound not less than one million acre-feet of water.

Completion of construction.

SEC. 2. The Secretary of the Interior is authorized to complete, as soon as the necessary additional material is available, the construction of the Hungry Horse Dam so as to provide a storage reservoir of the maximum usable and feasible capacity.

Additional irrigational works.

43 U. S. C. § 372 *et seq.*

Prerequisites to undertaking.

SEC. 3. The Secretary of the Interior is authorized to construct, operate, and maintain under the provisions of the Federal reclamation laws (Act of June 17, 1902, 32 Stat. 388 and Acts amendatory thereof or supplementary thereto), such additional works as he may deem necessary for irrigation purposes. Such irrigation works may be undertaken only after a report and findings thereon have been made by the Secretary of the Interior as provided in such Federal reclamation laws; and, within the limits of the water users' repayment ability, such report may be predicated on allocation to irrigation of an appropriate portion of the cost of constructing said dam and reservoir. Said dam and reservoir and said irrigation works may be utilized for irrigation purposes only pursuant to the provisions of said Federal reclamation laws.

Utilization for irrigation purposes.

Appropriation authorized.

SEC. 4. There are authorized to be appropriated such sums as may be necessary to carry out the purposes of this Act.

Approved June 5, 1944.
