Dempsey Industrial Furnace Corporation.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Treasury is authorized and directed to pay, out of any money in the Treasury not otherwise appropriated, to the Dempsey Industrial Furnace Corporation, Springfield, Massachusetts, the sum of $1,035. Such sum represents the cost to such corporation of furnishing salt as part of the equipment of a gas-fired salt bath type furnace supplied to the United States naval air station, Pensacola, Florida, pursuant to a contract dated May 13, 1943.
