August 7, 1946
[S. 1477]
[Public Law 657]

To authorize relief in certain cases where work, supplies, or services have been furnished for the Government under contracts during the war.

Government con-
tracts.
Settlement of
claims.

55 Stat. 839.
50 U. S. C., Supp.
V, app. § 611.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That where work, supplies, or services have been furnished between September 16, 1940, and August 14, 1945, under a contract or subcontract, for any department or agency of the Government which prior to the latter date was authorized to enter into contracts and amendments or modifications of contracts under section 201 of the First War Powers Act, 1941 (50 U. S. C., Supp. IV, app., sec. 611), such departments and agencies are hereby authorized, in accordance with regulations to be prescribed by the President within sixty days after the date of approval of this Act, to consider, adjust, and settle equitable claims of contractors, including subcontractors and materialmen performing work or furnishing supplies or services to the contractor or another subcontractor, for losses (not including diminution of anticipated profits) incurred between September 16, 1940, and August 14, 1945, without fault or negligence on their part in the performance of such contracts or subcontracts. Settlement of such claims shall be made or approved in each case by the head of the department or agency concerned or by a central authority therein designated by such head.

Amounts not allow-
able.

56 Stat. 245.
50 U. S. C., Supp.
V, app. § 1191.
58 Stat. 649.
41 U. S. C., Supp.
V, §§ 101-125.
Supra.

SEC. 2. (a) In arriving at a fair and equitable settlement of claims under this Act, the respective departments and agencies shall not allow any amount in excess of the amount of the net loss (less the amount of any relief granted subsequent to the establishment of such loss) on all contracts and subcontracts held by the claimant under which work, supplies, or services were furnished for the Government between September 16, 1940, and August 14, 1945, and shall consider with respect to such contracts and subcontracts (1) action taken under the Renegotiation Act (50 U. S. C., Supp. IV, app., sec. 1191), the Contract Settlement Act of 1944 (41 U. S. C., Supp. IV, sec. 101-125), or similar legislation; (2) relief granted under section 201 of the First War Powers Act, 1941, or otherwise; and (3) relief proposed to be granted by any other department or agency under this Act. Wherever a department or agency considering a claim under this Act finds that losses under any such contract or subcontract affected the computation of the amount of excessive profits determined in a renegotiation

agreement or order, and to the extent that the department or agency finds such amount was thereby reduced, claims for such losses shall not be allowed under this Act.

(b) Every claimant under this Act shall furnish to the department or agency concerned any evidence within the possession of such claimant bearing upon the matters referred to in subsection (a) of this section.

SEC. 3. Claims for losses shall not be considered unless filed with the department or agency concerned within six months after the date of approval of this Act, and shall be limited to losses with respect to which a written request for relief was filed with such department or agency on or before August 14, 1945, but a previous settlement under the First War Powers Act, 1941, or the Contract Settlement Act of 1944 shall not operate to preclude further relief otherwise allowable under this Act.

SEC. 4. Appropriations or funds available for work, supplies, or services of the character involved in the respective claims at the time of settlement thereof shall be available for payment of the settlements: *Provided*, That where no such appropriations are available, appropriations for payment of such settlements are hereby authorized.

SEC. 5. Each department and agency shall report to the Congress quarterly the name of each claimant to whom relief has been granted under this Act, together with the amount of such relief and a brief statement of the facts and the administrative decision.

SEC. 6. Whenever any claimant under this Act is dissatisfied with the action of a department or agency of the Government in either granting or denying his claim, such claimant shall have the right within six months to file a petition with any Federal district court of competent jurisdiction, asking a determination by the court of the equities involved in such claim; and upon the filing of such a petition, the court, sitting as a court of equity, shall have jurisdiction to determine the amount, if any, to which such claimant and petitioner may be equitably entitled (not exceeding the amount which might have been allowed by the department or agency concerned under the terms of this Act) and to enter an order directing such department or agency to settle the claim in accordance with the finding of the court; and thereafter either party may appeal from the decision of the court as in other equity cases.
