[CHAPTER 10]

JOINT RESOLUTION

March 7, 1947
[S. J. Res. 60]
[Public Law 10]

To authorize the San Carlos Irrigation and Drainage District, Arizona, to drill, equip, and acquire wells for use on the San Carlos irrigation project.

San Carlos irrigation project, Ariz.

Whereas the San Carlos irrigation project, Arizona, has been constructed under authority of the Act of June 7, 1924 (43 Stat. 475), as supplemented and amended; and

Whereas a contract has been executed pursuant to such legislative authority between the Secretary of the Interior and the San Carlos Irrigation and Drainage District providing for the repayment of the proper share of the cost of project irrigation works by the San Carlos Irrigation and Drainage District on behalf of project lands in private and public ownership; and

Whereas, at the beginning of the 1947 irrigation season, due to extended drought, there is virtually a complete lack of surface and reservoir water supply on the project for the irrigation of the lands of the district and the Pima Indians of the Gila River Indian Reservation, thus creating an emergency: Now, therefore, be it

Extension authorized.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That there is hereby authorized to be constructed an extension of the system of wells and pumping works of the San Carlos irrigation project, including the enlargement, rehabilitation, and repair of the present pumping and drainage works of the said project, and in order to expedite and assist the accomplishment thereof, the San Carlos Irrigation and Drainage District, is hereby authorized, (1) to develop underground water within and without the area of the San Carlos irrigation project exclusively for use as a part of the common stored and pumped water supply of said project; (2) to drill irrigation wells within and without the project area necessary for making underground waters available exclusively for use on all lands of the project, and equip the same with pumping facilities and equipment, including the deepening, replacement, and repair of existing project wells and equipment; and (3) to purchase with the consent of and under agreement with the
