number: *Provided*, That in no event shall the number of passenger-carrying vehicles which may be operated during the current fiscal year at the seat of government under any appropriation or authorization in this Act exceed 50 per centum of the number in use as of June 30, 1951.

Sec. 706. No part of any appropriation contained in this Act, except appropriations for the Public Health Service, shall be used to pay the compensation of any employee engaged in personnel work in excess of the number that would be provided by a ratio of one such employee to one hundred and five, or a part thereof, full-time, part-time, and intermittent employees of the agency concerned: *Provided*, That for purposes of this section employees shall be considered as engaged in personnel work if they spend half time or more in personnel administration consisting of direction and administration of the personnel program; employment, placement, and separation; job evaluation and classification; employee relations and services; training; committees of expert examiners and boards of civil-service examiners; wage administration; and processing, recording, and reporting.

Sec. 707. This Act may be cited as the "Labor-Federal Security Appropriation Act, 1952".

Approved August 31, 1951.

Public Law 135

AN ACT

Making appropriations for the Department of Agriculture for the fiscal year ending June 30, 1952, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the Department of Agriculture for the fiscal year ending June 30, 1952, namely:

DEPARTMENT OF AGRICULTURE

TITLE I—REGULAR ACTIVITIES

RESEARCH AND MARKETING ACT OF 1946

To enable the Secretary to improve and develop, independently or through cooperation among Federal and State agencies, and others, a sound and efficient system for the distribution and marketing of agricultural products under the provisions of titles II and III of the Act of August 14, 1946, as amended (7 U. S. C. 1621-1629), $4,750,000: *Provided*, That not less than $600,000 of this amount shall be available for contracts in accordance with the provisions of section 205 of said Act: *Provided further*, That the Secretary may make available to any bureau, office, or agency of the Department such amounts from this appropriation as may be necessary to carry out the functions for which it is made (but amounts made available to the Office of the Secretary, Office of the Solicitor, and Office of Information, shall not exceed those which the Bureau of the Budget, after a hearing thereon with representatives of the Department, shall determine), and any such amounts shall be in addition to amounts transferred or otherwise made available to other appropriation items of the Department: *Provided further*, That no part of this appropriation shall be available for work relating to fish or shellfish or any product thereof, except for the support of...
equitable transportation rates before Federal agencies concerned with such rates and for development of foreign markets.

**BUREAU OF AGRICULTURAL ECONOMICS**

For necessary expenses in carrying out the provisions of the Act establishing the Bureau of Agricultural Economics (7 U. S. C. 411) and related Acts, as follows:

Economic investigations: For conducting investigations and for acquiring and diffusing useful information among the people of the United States, relative to agricultural production, distribution, land utilization, and conservation in their broadest aspects, including farm management and practice, utilization of farm and food products, purchasing of farm supplies, farm population and rural life, farm labor, farm finance, insurance and taxation, adjustments in production to probable demand for the different farm and food products; land ownership and values, costs, prices and income in their relation to agriculture, including causes for their variations and trends, $2,150,000: Provided, that no part of the funds herein appropriated or made available to the Bureau of Agricultural Economics under the heading "Economic investigations" shall be used for State and county land-use planning, for conducting cultural surveys, or for the maintenance of regional offices.

Crop and livestock estimates: For collecting, compiling, abstracting, analyzing, summarizing, interpreting, and publishing data relating to agriculture, including crop and livestock estimates, acreage, yield, grades, staples of cotton, stocks, and value of farm crops and numbers, grades, and value of livestock and livestock products on farms, production, distribution, and consumption of turpentine and resin pursuant to the Act of August 15, 1935 (5 U. S. C. 556b), and for the collection and publication of statistics of peanuts as provided by the Act approved June 24, 1936, as amended May 12, 1938 (7 U. S. C. 951-957), $2,848,304: Provided, That no part of the funds herein appropriated shall be available for any expense incident to ascertaining, collating, or publishing a report stating the intention of farmers as to the acreage to be planted in cotton, or for estimates of apple production for other than the commercial crop.

**AGRICULTURAL RESEARCH ADMINISTRATION**

**OFFICE OF ADMINISTRATOR**

For necessary expenses of the Office of Administrator, including travel and subsistence expenses of advisory committees authorized by title III of the Act of August 14, 1946 (7 U. S. C. 1628-1629), and the maintenance, operation, and furnishing of facilities and services at the Agricultural Research Center, $541,440: Provided, That the appropriation current at the time services are rendered may be reimbursed (by advance credits or reimbursements based on estimated or actual charges) from applicable appropriations, to cover the charges, including handling and other related services, for equipment rentals (including depreciation, maintenance, and repairs); for services, supplies, equipment, and material furnished: Provided further, That of the several appropriations of the Agricultural Research Administration, not to exceed $15,000 shall be available for employment pursuant to the second sentence of section 706 (a) of the Organic Act of 1944 (5 U. S. C. 574), as amended by section 15 of the Act of August 2, 1946 (5 U. S. C. 55a): Provided further, That the several appropriations of the Agricultural Research Administration shall be available
for the construction, alteration, and repair of buildings and improvements: Provided, however, That unless otherwise provided, the cost of constructing any one building (excepting headhouses connecting greenhouses and experimental farm houses) shall not exceed $5,000, the total amount for construction of buildings costing more than $2,500 each shall be within the limits of the estimates submitted and approved therefor, and the cost of altering any one building during the fiscal year shall not exceed $2,500 or 2 per centum of the cost of the building as certified by the Research Administrator, whichever is greater, except for the alteration of one building at Greenfield, Massachusetts, at a cost not to exceed $7,500: Provided further, That not to exceed 7 per centum of the funds of any research appropriation of the Agricultural Research Administration, including the appropriation for the Office of the Administrator, may be transferred by the Administrator, with the approval of the Secretary, to any other such research appropriation in order to provide for a more effective research program: Provided, however, That no appropriation may be increased more than 7 per centum by such transfers.

**RESEARCH ON AGRICULTURAL PROBLEMS OF ALASKA**

For expenses necessary to enable the Secretary to conduct research into the basic agricultural needs and problems of the Territory of Alaska, through such agencies of the Department as he may designate, independently or in cooperation with appropriate agencies of the Territory of Alaska, $250,000.

**OFFICE OF EXPERIMENT STATIONS**

Payments to States, Hawaii, Alaska, and Puerto Rico

For payments to the States, Hawaii, Alaska, and Puerto Rico to be paid quarterly in advance where applicable, to carry into effect the provisions of the following Acts relating to agricultural experiment stations:

Hatch, Adams, Purnell, Bankhead-Jones, and related Acts: Hatch Act, the Act approved March 2, 1887 (7 U.S.C. 362, 363, 365, 368, 377–379), $720,000; Adams Act, the Act approved March 16, 1906 (7 U.S.C. 369), $720,000; Purnell Act, the Act approved February 24, 1925 (7 U.S.C. 361, 366, 370, 371, 373–376, 380, 382), $2,880,000; Bankhead-Jones Act, title I of the Act approved June 29, 1935 (7 U.S.C. 427–427g), sections 3 and 5, $2,863,708, and sections 9 and 11 of said Act as added by the Act of August 14, 1946 (7 U.S.C. 427h, 427j), including administration by the Office of Experiment Stations in the United States Department of Agriculture, $5,000,000, no part of which latter amount shall be used for beginning construction of any building costing in excess of $15,000, except that a poultry breeding house may be constructed at Purdue University at a cost to this appropriation of not to exceed $29,000; Hawaii, the Act approved May 16, 1928 (7 U.S.C. 362–362b), extending the benefits of certain Acts of Congress to the Territory of Hawaii, $90,000; Alaska, the Act approved February 28, 1929 (7 U.S.C. 386c), extending the benefits of the Hatch Act to the Territory of Alaska, $15,000, and the provisions of section 2 of the Act approved June 20, 1936, as amended (7 U.S.C. 369a, Public Law 739, approved August 29, 1950), extending the benefits of the Adams and Purnell Acts to the Territory of Alaska, $50,000; Puerto Rico, the Act approved March 4, 1931, as amended (7 U.S.C. 386d–386f), extending the benefits of certain Acts of Congress to Puerto Rico, $90,000; in all, payments to States, Hawaii, Alaska, and Puerto Rico, $12,428,708.
Salaries and Expenses

For necessary expenses in connection with administration of grants and coordination of research with States pursuant to the Acts approved March 2, 1887, March 16, 1906, February 24, 1925, May 16, 1928, February 23, 1929, March 4, 1931, and June 20, 1936, and Acts amendatory thereto (7 U.S.C. 361-363, 365-383, 386-386f), and title I of the Act approved June 29, 1935, as amended by the Act of September 21, 1944 (7 U.S.C. 427-427g), and for the administration, operation, and maintenance of an agricultural experiment station in Puerto Rico, $367,090; and the Secretary shall prescribe the form of the annual financial statement required under the above Acts, ascertain whether the expenditures are in accordance with their provisions, coordinate the research work of the State agricultural colleges and experiment stations in the lines authorized in said Acts with research of the Department in similar lines, and make report thereon to Congress.

BUREAU OF HUMAN NUTRITION AND HOME ECONOMICS

For necessary expenses in connection with conducting investigations of the relative utility and economy of agricultural products for food, clothing, and other uses in the home, with special suggestions of plans and methods for the more effective utilization of such products for these purposes, and such economic investigations, including housing and household buying, as have for their purpose the improvement of the rural home, for coordinating nutrition services made available by Federal, State, and other agencies, and for disseminating useful information on these subjects, $1,350,000.

BUREAU OF ANIMAL INDUSTRY

Salaries and Expenses

For expenses necessary to carry out the provisions of the Act, as amended, establishing a Bureau of Animal Industry, and related Acts, and for investigation concerned with the livestock and meat industries and the domestic raising of fur-bearing animals, as follows:

Animal research: For animal husbandry investigations; investigations of diseases of animals and of tuberculosis, serums, antitoxins, and analogous products; and cooperation in the administration of regulations for the improvement of poultry, poultry products, and hatcheries, as authorized by law (7 U.S.C. 429, Public Law 662, approved August 4, 1950); $3,250,000.

Animal disease control and eradication: For the control and eradication of tuberculosis and paratuberculosis of animals, avian tuberculosis, Bang's disease of cattle, scabies in sheep and cattle, southern cattle ticks, hog cholera and related swine diseases, and disease in horses, and other inspection and quarantine work authorized by law; for supervision of the transportation of livestock, including administration of the twenty-eight-hour law; for inspection of vessels; and for carrying out the provisions of the Act of March 4, 1913 (21 U.S.C. 151-158), relating to veterinary biological products, $7,731,022, including $30,000 for the acquisition of land and construction of buildings for inspection of livestock at Canadian border ports of entry: Provided, That no payment hereunder as compensation for any cattle condemned for slaughter for tuberculosis, paratuberculosis, or Bang's disease shall exceed (1) $25 for any grade animal or $50 for any pure bred animal, (2) one-third of the difference between the

appraised value and the value of salvage thereof, or (3) the amount paid or to be paid by the State or other cooperating agency, and no payment hereunder shall be made for any animal if at the time of test or condemnation it shall belong to or be upon the premises of any person, firm, or corporation to which it has been sold, shipped, or delivered for slaughter.

Marketing agreements, hog cholera virus and serum: For carrying into effect sections 56 to 60, inclusive, of the Act approved August 24, 1935 (7 U.S.C. 851–855) regulating the marketing of anti-hog-cholera serum and hog-cholera virus, $47,906.

Meat inspection: For carrying out the provisions of laws relating to Federal inspection of meat and meat-food products, including the purchase of one passenger motor vehicle for replacement only, $12,800,000: Provided, That hereafter reimbursement may be made by any person, firm, or organization for the expenses of meat inspection in excess of those which can be met from the amount appropriated for such purposes each year.

**BUREAU OF DAIRY INDUSTRY**

For necessary expenses in carrying out the provisions of the Act of May 29, 1924 (7 U.S.C. 401–404), including investigations, experiments, and demonstrations in dairy industry, the applicable provisions of the Act of May 9, 1902 (26 U.S.C. 2325, 2326 (c)), relating to process or renovated butter, as amended, and the Act of May 28, 1908 (21 U.S.C. 94 (a)), insofar as it relates to the exportation of process or renovated butter, $1,475,000.

**BUREAU OF AGRICULTURAL AND INDUSTRIAL CHEMISTRY**

For expenses necessary for investigations, experiments, and demonstrations established under the provisions of section 202 (a) to 202 (e), inclusive, of title II of the Agricultural Adjustment Act of 1938 (7 U.S.C. 1292) ; for the development of new and extended food, feed, and industrial uses for agricultural commodities, both plant and animal, and potential replacement crops, and processing, biological, chemical, physical, pharmacological, toxicological, and technological investigation thereof, $7,250,000.

**BUREAU OF PLANT INDUSTRY, SOILS, AND AGRICULTURAL ENGINEERING**

Plant, soil, and agricultural engineering research: For expenses necessary for investigations, experiments, and demonstrations concerning plants, soils, and agricultural engineering, including those related to the production, improvement, handling, processing, transportation, and storage of farm and other crops; control of weeds, plant diseases, and nematodes; discovery and introduction of new and useful plants, both foreign and native; soil and water management to improve soil productivity; the relation of soils to plant, animal, and human nutrition; classification and mapping of soils; fertilizers, liming materials, and soil amendments; farm machinery and processing equipment; farm buildings, and farm electrification; and for the operation and maintenance of airplanes; $10,589,730, including not to exceed $275,000 for the construction of a laboratory at Orlando, Florida.

National Arboretum: For the maintenance and development of the National Arboretum established under the provisions of the Act approved March 4, 1927 (20 U.S.C. 191–194), $136,920.
For expenses necessary for investigations, experiments, demonstrations, and surveys for the promotion of economic entomology, for investigating and ascertaining the best means of destroying insects and related pests injurious to agriculture, for importing useful and beneficial insects and bacterial, fungal, and other diseases of insects and related pests, for investigating and ascertaining the best means of destroying insects affecting man and animals, and the best ways of utilizing beneficial insects, for carrying into effect the provisions of the Plant Quarantine Act of August 20, 1912, as amended (7 U. S. C. 151-167), the Honey Bee Act (7 U. S. C. 281-283), the Insect Pest Act (7 U. S. C. 141-144), the Mexican Border Act (7 U. S. C. 149), and the Organic Act of 1944 (7 U. S. C. 147a), as amended, authorizing the eradication, control, and prevention of spread of injurious insects and plant pests; including the operation and maintenance of airplanes and the purchase of not to exceed two, as follows:

Insect investigations: For the investigation of insects affecting fruits, grapes, nuts, trees, shrubs, forests and forest products, truck and garden crops, cereal, forage and range crops, cotton, tobacco, sugar plants, ornamental and other plants and agricultural products, household possessions, and man and animals; for bee culture and apiary management; for classifying, identifying, and collecting information to determine the distribution and abundance of insects; for investigations in connection with introduction of natural enemies of injurious insects and related pests and for the exchange with other countries of useful and beneficial insects and other arthropods; for developing methods, equipment, and apparatus to aid in enforcing plant quarantines and in the eradication and control of insect pests and plant diseases; and for investigations of insecticides and fungicides, including methods of their manufacture and use and the effects of their application, $3,650,000: Provided, That of the amount allotted for oriental fruitfly, not to exceed $250,000 may be used for contracts with public or private agencies for research in accordance with section 10 (a) of the Act of August 14, 1946 (7 U. S. C. 4271), and the amounts obligated for contract research shall remain available until expended.

Insect and plant-disease control: For carrying out operations or measures to eradicate, suppress, control, or to prevent or retard the spread of Japanese beetle, sweetpotato weevil, Mexican fruitflies, phony peach and peach mosaic, cereal rusts, pink bollworm and Thurberia weevil, golden nematode, citrus blackfly, golden nematode, citrus blackfly, white-fringed beetle, Hall scale, and gypsy and brown-tail moths, including the enforcement of quarantine regulations and cooperation with States to enforce plant quarantines as authorized by the Plant Quarantine Act of August 20, 1912, as amended (7 U. S. C. 151-167), and including the establishment of such cotton-free areas as may be necessary to stamp out any infestation of the pink bollworm as authorized by the Act of February 8, 1930 (46 Stat. 67), and for cooperation with States in the compensation of growers for losses resulting from the destruction of or for not planting potatoes and tomatoes on lands infested or exposed to infestations of the golden nematode for the purpose authorized by the Golden Nematode Act (Public Law 645, approved June 15, 1948), $4,600,000: Provided, That no part of this appropriation shall be used to pay the cost or value of trees, farm animals, farm crops, or other property injured or destroyed, except potatoes and tomatoes as authorized under the Golden Nematode Act: Provided further, That, in the discretion of the Secretary, no part of this appropriation shall be expended for
the control of sweetpotato weevil in any State until such State has provided cooperation necessary to accomplish this purpose, or for barberry eradication until a sum or sums at least equal to such expenditures shall have been appropriated, subscribed, or contributed by States, counties, or local authorities, or by individuals or organizations for the accomplishment of this purpose, or with respect to the golden nematode except as prescribed in section 4 of the Golden Nematode Act.

Plant quarantines: For operations against the introduction of insect pests or plant diseases into the United States, including the enforcement of foreign-plant quarantines and regulations promulgated under sections 5 and 7 of the Plant Quarantine Act of August 20, 1912, as amended (7 U. S. C. 151-167), the Insect Pest Act of 1905 (7 U. S. C. 141-144), and the Mexican Border Act of 1942 (7 U. S. C. 149), for enforcement of domestic-plant quarantines as they pertain to Territories and districts of the United States, for the enforcement of plant quarantines through inspection in transit, including the interception and disposition of materials found to have been transported in violation of Federal plant quarantine laws or regulations, and operations under the Terminal Inspection Act (7 U. S. C. 166) and enforcement of regulations governing the movement of plants into and from the District of Columbia promulgated under section 15 of the Plant Quarantine Act of August 20, 1912, as amended, and for inspection and certification of plants and plant products to meet the sanitary requirements of foreign countries, as authorized in section 102 of the Organic Act of 1944 (7 U. S. C. 147a), $2,600,000.

Control of Emergency Outbreaks of Insects and Plant Diseases

For expenses necessary to carry out the provisions of the joint resolution approved May 9, 1938 (7 U. S. C. 148-148e), including the operation and maintenance of airplanes and the purchase of not to exceed two, and surveys and control operations in Canada in cooperation with the Canadian Government or local Canadian authorities, and the employment of Canadian citizens, $1,800,000, of which $1,000,000 shall be apportioned for use pursuant to section 3679 of the Revised Statutes, as amended, for the purposes of said joint resolution only to the extent that the Secretary, with the approval of the Bureau of the Budget, finds necessary to meet emergency conditions.

CONTROL OF FOREST PESTS

For expenses necessary for carrying out operations, measures, or surveys necessary to eradicate, suppress, control, or to prevent or retard the spread of insects or diseases which endanger forest trees on any lands in the United States, and for such quarantine measures relating thereto as may be necessary pursuant to the Plant Quarantine Act of August 20, 1912, as amended (7 U. S. C. 151-167), including the purchase (not to exceed two) and operation and maintenance of airplanes, and construction and alteration of necessary buildings: Provided, That the cost of constructing or altering any one building during the fiscal year shall not exceed $2,500, as follows:

Forest Pest Control Act: For carrying out the provisions of the Act approved June 25, 1947 (16 U. S. C., Supp. I, 594-1-594-5), $2,700,000, of which $500,000 shall be apportioned for use pursuant to section 3679 of the Revised Statutes, as amended, for the purposes of said Act only to the extent that the Secretary, with the approval of the Bureau of the Budget, finds necessary to meet emergency conditions.
Availability of funds. White pine blister rust: White pine blister rust, pursuant to the Act of April 26, 1940 (16 U. S. C. 594a), $3,300,000, of which $505,000 shall be available to the Department of the Interior for the control of white pine blister rust on or endangering Federal lands under the jurisdiction of that Department or lands of Indian tribes which are under the jurisdiction of or retained under restrictions of the United States; $1,750,000 to the Forest Service for the control of white pine blister rust on or endangering lands under its jurisdiction; and $1,045,000 to the Bureau of Entomology and Plant Quarantine for leadership and general coordination of the entire program, method development, and for operations conducted under its direction for such control, including, but not confined to, the control of white pine blister rust on or endangering State and privately owned lands.

FOREST SERVICE

SALARIES AND EXPENSES

For expenses necessary, including not to exceed $10,000 for employment pursuant to the second sentence of section 706 (a) of the Organic Act of 1944 (5 U. S. C. 574), as amended by section 15 of the Act of August 2, 1946 (5 U. S. C. 55a); to experiment and make investigations and report on forestry, national forests, forest fires, and lumbering, but no part of this appropriation shall be used for any experiment or test made outside the jurisdiction of the United States; to advise the owners of woodlands as to the proper care of the same; to investigate and test American timber and timber trees and their uses, and methods for the preservative treatment of timber; to seek, through investigations and the planting of native and foreign species, suitable trees for the treeless regions; to erect necessary buildings: Provided, That the cost of any building purchased, erected, or as improved, exclusive of the cost (not to exceed $1,000) of constructing a water-supply or sanitary system and of connecting the same with any such building, and exclusive of the cost of any tower upon which a lookout house may be erected, shall not exceed $15,000, with the exception that any building erected, purchased, or acquired, the cost of which was $15,000 or more, may be improved out of the appropriations made under this Act for the Forest Service by an amount not to exceed 2 per centum of the cost of such building as certified by the Chief of the Forest Service; to protect, administer, and improve the national forests, including tree planting and other measures to prevent erosion, drift, surface wash, soil waste, and the formation of floods, and to conserve water; to ascertain the natural conditions upon and utilize the national forests, to transport and care for fish and game supplied to stock the national forests or the waters therein; to collate, digest, report, and illustrate the results of experiments and investigations made by the Forest Service, as follows:

National forest protection and management: For the administration, protection, use, maintenance, improvement, and development of the national forests, including the establishment and maintenance of forest tree nurseries, including the procurement of tree seed and nursery stock by purchase, production, or otherwise, seeding and tree planting and the care of plantations and young growth; the operation and maintenance of aircraft and the purchase of not to exceed three; the maintenance of roads and trails and the construction and maintenance of all other improvements necessary for the proper and economical administration, protection, development, and use of the national forests, including experimental areas under Forest Service administration, except that where direct purchases will be more economical than construction, improvements may be purchased; the construction
(not to exceed $15,000 for any one structure), equipment, and maintenance of sanitary and recreational facilities; timber cultural operations; development and application of fish and game management plans; propagation and transplanting of plants suitable for planting on semiarid portions of the national forests; estimating and appraising of timber and other resources and development and application of plans for their effective management, sale, and use; expenses of the National Forest Reservation Commission as authorized by section 14 of the Act of March 1, 1911 (16 U. S. C. 514); examination, classification, surveying, and appraisal of land incident to effecting exchanges authorized by law and of lands within the boundaries of the national forests that may be opened to homestead settlement and entry under the Act of June 11, 1906, and the Act of August 10, 1912 (16 U. S. C. 506-509), as provided by the Act of March 4, 1913 (16 U. S. C. 512); investigation and establishment of water rights, including the purchase thereof or of lands or interests in lands or rights-of-way for use and protection of water rights necessary or beneficial in connection with the administration and public use of the national forests; and all expenses necessary for the use, maintenance, improvement, protection, and general administration of the national forests, $27,322,025, of which not to exceed $75,000 shall be available for the purchase of three nursery sites.

Fighting forest fires: For fighting and preventing forest fires on or threatening lands under Forest Service administration, including lands under contract for purchase or in process of condemnation for Forest Service purposes, and for liquidation of obligations incurred in the preceding fiscal year for such purpose, $6,000,000, of which $2,500,000 shall be apportioned for use, pursuant to section 3679 of the Revised Statutes, as amended, only to the extent that the Secretary, with the approval of the Bureau of the Budget, finds necessary to meet emergency conditions.

Forest research: For forest research at forest or range experiment stations, the Forest Products Laboratory, or elsewhere, in accordance with the provisions of sections 1, 2, 7, 8, 9, and 10 of the Act approved May 22, 1928, as amended (16 U. S. C. 581, 581a, 581f-581i); including the construction and maintenance of improvements; fire, silvicultural, watershed, and other forest investigations and experiments; investigations and experiments to develop improved methods of management of forest and other ranges; experiments, investigations, and tests of forest products; a comprehensive forest survey; and investigations in forest economics; $5,108,603: Provided, That hereafter funds may be received from any State, other political subdivision, organization, or individual for the purpose of establishing or operating any forest research facility located within the United States, its Territories, or possessions.

FOREST DEVELOPMENT ROADS AND TRAILS

For expenses necessary for carrying out the provisions of section 23 of the Federal Highway Act approved November 9, 1921, as amended (23 U. S. C. 23, 23a), relating to forest development roads and trails, including the construction, reconstruction, and maintenance of roads and trails on experimental areas under Forest Service administration, $13,000,000, which sum is authorized to be appropriated by the Acts of June 29, 1948 (Public Law 834), and September 7, 1950 (Public Law 769), to remain available until expended: Provided, That this appropriation shall be available for the rental, purchase, construction, or alteration of buildings necessary for the storage and repair of equipment and supplies used for road and trail construction and maintenance, but the total cost of any such building purchased, altered, or constructed under this authorization shall not
ACQUISITION OF LANDS FOR NATIONAL FORESTS

Weeks Act

For the acquisition of forest lands under the provisions of the Act approved March 1, 1911, as amended (16 U. S. C. 513-519, 521), $75,000, to be available only for payment toward the purchase price of any lands acquired, including the cost of surveys in connection with such acquisition: Provided, That no part of such funds shall be used for the purchase of lands in the counties of Adair, Cherokee, and Sequoyah, in the State of Oklahoma, without the specific approval of the Board of County Commissioners of the county in which such lands are situated.

Superior National Forest

For the acquisition of forest land within the Superior National Forest, Minnesota, under the provisions of the Act approved June 22, 1948 (Public Law 733), $125,000, to remain available until expended.

Special Acts

For the acquisition of land to facilitate the control of soil erosion and flood damage originating within the exterior boundaries of the following national forests, in accordance with the provisions of the following Acts authorizing annual appropriations of forest receipts for such purposes, and in not to exceed the following amounts from such receipts: Uinta and Wasatch National Forests, Utah, Act of August 26, 1935 (Public Law 337), as amended, $39,830; Cache National Forest, Utah, Act of May 11, 1938 (Public Law 506), as amended, $10,000; San Bernardino and Cleveland National Forests, Riverside County, California, Act of June 15, 1938 (Public Law 634), as amended, $22,000; Nevada and Toiyabe National Forests, Nevada, Act of June 23, 1938 (Public Law 748), as amended, $10,000; Angeles National Forest, California, Act of June 11, 1940 (Public Law 591), $20,000; Cleveland National Forest, San Diego County, California, Act of June 11, 1940 (Public Law 589), $5,000; Sequoia National Forest, California, Act of June 17, 1940 (Public Law 637), $84,850; in all $141,680.

STATE AND PRIVATE FORESTRY COOPERATION

For expenses necessary for cooperation with the various States in forest-fire prevention and suppression, in forest tree planting, in forest management and processing, and in farm forestry extension, pursuant to the Act of August 25, 1950 (Public Law 729), and sections 1, 2, 3, 4, and 5 of the Act of June 7, 1924 (16 U. S. C. 564-568a), and Acts supplementary thereto; advising timberland owners, associations, and other appropriate agencies in the application of forest management principles to federally owned lands leased to States and to private forest lands, and advising wood-using industries in processing of forest products, so as to attain sustained-yield management, the conservation of the timber resources, the productivity of forest lands, and the stabilization of employment and economic continuance of forest industries: $10,750,000.
For artificial revegetation, construction, and maintenance of range improvements, control of rodents, and eradication of poisonous and noxious plants on national forests, as authorized by section 12 of the Act of April 24, 1950 (Public Law 478), $700,000, to remain available until expended: Provided, That no part of this appropriation shall be available in any national forest in excess of three times the amount available for such forest from sources (including claims recognized by the Act of December 22, 1950, and receipts under 16 U. S. C. 500) other than Federal sources.

FLOOD CONTROL

For expenses necessary, in accordance with the Flood Control Act, approved June 22, 1936 (Public Law 738), as amended and supplemented, to make preliminary examinations and surveys, and to perform works of improvement, and to plan the agricultural phases of the development of the Columbia Basin area, the Arkansas-White-Red River area, and the New England-New York area, in accordance with the provisions of laws relating to the activities of the Department, including not to exceed $100,000 for employment pursuant to the second sentence of section 706 (a) of the Organic Act of 1944 (5 U. S. C. 574), as amended by section 15 of the Act of August 2, 1946 (5 U. S. C. 55a), to remain available until expended, $6,372,800, with which shall be merged the unexpended balances of funds heretofore appropriated or transferred to the Department for flood-control purposes: Provided, That no part of such funds shall be used for the purchase of lands in the Yazoo and Little Tallahatchie watersheds without specific approval of the county board of supervisors of the county in which such lands are situated, nor shall any part of such funds be used for the purchase of lands in the counties of Adair, Cherokee, and Sequoyah, in the State of Oklahoma, without the specific approval of the Board of County Commissioners of the county in which such lands are situated: Provided further, That of the funds available herein, not in excess of $6,000,000 (with which shall be merged the unexpended balance of funds heretofore made available for these purposes) may be expended for watersheds heretofore authorized by section 13 of the Flood Control Act of December 22, 1944, for necessary gully control, floodwater detention, and floodway structures in areas other than those over which the Department of the Army has jurisdiction and responsibility.

SOIL CONSERVATION SERVICE

SALARIES AND EXPENSES

For necessary expenses for carrying out the provisions of the Act of April 27, 1935 (16 U. S. C. 590a-590f), title III of the Act of July 22, 1937 (7 U. S. C. 1010-1012), and the Act of August 11, 1945 (7 U. S. C. 1011 note), including research and investigations into the character, cause, extent, history, and effects of erosion, soil and moisture depletion, and methods of soil and water conservation (including the construction and hydrologic phases of farm irrigation and land drainage, and the construction, operation, and maintenance of experimental watersheds, stations, laboratories, plots, and installations); making conservation surveys and plans and establishing measures to conserve soil and water (including farm irrigation and land drainage and such special measures as may be necessary to prevent floods and the siltation of reservoirs); establishment and operation of conservation nurseries; development and management of land utilization project lands and facilities; dissemination of information; purchase and
erected or alteration of permanent buildings; operation and maintenance of aircraft; and furnishing of subsistence to employees; $53,474,991: Provided, That the cost of any permanent building purchased, erected, or as improved, exclusive of the cost of constructing a water supply or sanitary system and connecting the same to any such building and with the exception of buildings acquired in conjunction with land being purchased for other purposes, shall not exceed $2,500, except for eight buildings to be constructed or improved at a cost not to exceed $15,000 per building and except that alterations or improvements to other existing permanent buildings costing $2,500 or more may be made in any fiscal year in an amount not to exceed $500 per building: Provided further, That no part of this appropriation shall be available for the construction of any such building on land not owned by the Government: Provided further, That in the State of Missouri, where the State has established a central State agency authorized to enter into agreements with the United States or any of its agencies on policies and general programs for the saving of its soil by the extension of Federal aid to any soil conservation district in such State, the agreements made by or on behalf of the United States with any such soil conservation district shall have the prior approval of such central State agency before they shall become effective as to such district: Provided further, That no part of this appropriation may be expended for soil and water conservation operations under the Act of April 27, 1935 (16 U. S. C. 590a–590f), in demonstration projects: Provided further, That not to exceed $5,000 may be used for employment pursuant to the second sentence of section 706 (a) of the Organic Act of 1944 (5 U. S. C. 574), as amended by section 15 of the Act of August 2, 1946 (5 U. S. C. 55a): Provided further, That not to exceed $265,000 of funds authorized for fiscal year 1951 for development of land utilization projects may remain available until expended: Provided further, That qualified local engineers may be temporarily employed at per diem rates to perform the technical planning work of the service.

WATER CONSERVATION AND UTILIZATION PROJECTS

For expenses necessary to carry into effect the functions of the Department under the Acts of May 10, 1939 (53 Stat. 685, 719), October 14, 1940 (16 U. S. C. 590y–z–10), as amended and supplemented, June 28, 1949 (Public Law 132), and September 6, 1950 (Public Law 760), relating to water conservation and utilization projects, to remain available until December 31 of the next succeeding fiscal year for compliance with the program of soil-building practices and soil- and water-conserving practices authorized under this head in the Department of Agriculture Appropriation Act, 1951, carried out during the period July 1, 1950, to December 31, 1951, inclusive: Provided,
That not to exceed $25,250,000 of the total sum provided under this head shall be available during the current fiscal year for salaries and other administrative expenses for carrying out such program, the cost of aerial photographs, however, not to be charged to such limitation; but not more than $4,966,000 shall be transferred to the appropriation account, “Administrative expenses, section 392, Agricultural Adjustment Act of 1938”:

Provided further, That payments to claimants hereunder may be made upon the certificate of the claimant, which certificate shall be in such form as the Secretary may prescribe, that he has carried out the conservation practice or practices and has complied with all other requirements as conditions for such payments and that the statements and information contained in the application for payment are correct and true, to the best of his knowledge and belief, under the penalties of title 18, United States Code: Provided further, That none of the funds herein appropriated or made available for the functions assigned to the Agricultural Adjustment Agency pursuant to the Executive Order Numbered 9069, of February 23, 1942, shall be used to pay the salaries or expenses of any regional information employees or any State information employees, but this shall not preclude the answering of inquiries or supplying of information at the county level to individual farmers: Provided further, That such amount shall be available for salaries and other administrative expenses in connection with the formulation and administration of the 1952 program of soil-building practices and soil- and water-conserving practices, under the Act of February 29, 1936, as amended (amounting to $256,500,000, including administration, and formulated on the basis of a distribution of the funds available for payments and grants among the several States in accordance with their conservation needs as determined by the Secretary, except that the proportion allocated to any State shall not be reduced more than 15 per centum from the distribution for the next preceding program year, and no participant shall receive more than $2,500); but the payments or grants under such programs shall be conditioned upon the utilization of land with respect to which such payments or grants are to be made in conformity with farming practices which will encourage and provide for soil-building and soil- and water-conserving practices in the most practical and effective manner and adapted to conditions in the several States, as determined and approved by the State committees appointed pursuant to section 8 (b) of the Soil Conservation and Domestic Allotment Act, as amended (16 U. S. C. 590g (b)), for the respective States: Provided further, That not to exceed 5 per centum of the allocation for the agricultural conservation program for any county may, on the recommendation of such county committee and approval of the State committee, be withheld and allotted to the Soil Conservation Service for services of its technicians in formulating and carrying out the agricultural conservation program in the participating counties, and the funds so allotted may be placed in a single account for each State, and shall not be utilized by the Soil Conservation Service for any purpose other than technical and other assistance in such counties: Provided further, That such amounts shall be available for the purchase of seeds, fertilizers, lime, trees, or any other farming materials, or any soil-terracing services, and making grants thereof to agricultural producers to aid them in carrying out farming practices approved by the Secretary under programs provided for herein: Provided further, That no part of any funds available to the Department, or any bureau, office, corporation, or other agency constituting a part of such Department, shall be used in the current fiscal year for the payment of salary or travel expenses of any person who has been convicted of violating the Act entitled
“An Act to prevent pernicious political activities”, approved August 2, 1939, as amended, or who has been found in accordance with the provisions of title 18, United States Code, section 1913, to have violated or attempted to violate such section which prohibits the use of Federal appropriations for the payment of personal services or other expenses designed to influence in any manner a Member of Congress to favor or oppose any legislation or appropriation by Congress except upon request of any Member or through the proper official channels.

AGRICULTURAL PRODUCTION PROGRAMS

To enable the Secretary to formulate and carry out acreage allotment and marketing quota programs pursuant to provisions of title III of the Agricultural Adjustment Act of 1938, as amended (7 U.S.C. 1301-1393), including the measurement of the acreage planted to cotton on the farms whether or not marketing quotas are in effect, providing that not more than $1,000,000 shall be available for this purpose, and to provide assistance in obtaining equipment, materials, and facilities necessary to attain needed production of agricultural commodities, $10,000,000, of which not more than $2,800,000 shall be transferred to the appropriation account "Administrative expenses, section 392, Agricultural Adjustment Act of 1938".

SUGAR ACT PROGRAM

To enable the Secretary to carry into effect the provisions of the Sugar Act of 1948 (7 U.S.C. 1101-1160), $70,000,000, to remain available until June 30 of the next succeeding fiscal year: Provided, That expenditures (including transfers) from this appropriation for other than payments to sugar producers shall not exceed $1,500,000.

NATIONAL SCHOOL LUNCH PROGRAM

To enable the Secretary to carry out the provisions of the National School Lunch Act (42 U.S.C. 1751-1760), $83,367,491: Provided, That no part of this appropriation shall be used for nonfood assistance under section 5 of said Act.

MARKETING SERVICES

For expenses necessary for acquiring and diffusing market information on agricultural commodities, food products and by-products, the standardization, classification, grading, handling, storage and marketing thereof, including the demonstration and promotion of the use of uniform standards of classification of American farm and food products throughout the world, the analysis of cotton fiber, the classing of cotton for producer members of cotton quality improvement groups, the establishment of classification standards and maintenance of an inspection service for tobacco (7 U.S.C. 471-476, 501-508, 511-511q); for investigating and certifying, in one or more jurisdictions, to shippers and other interested parties the class, quality, and condition of any agricultural commodity or food product, whether raw or processed, and any product containing an agricultural commodity or derivative thereof when offered for interstate shipment or when received at such important central markets as the Secretary may from time to time designate, or at points which may be conveniently reached therefrom under such rules and regulations as he may prescribe,
including the collection of such fees as are reasonable and as nearly as may cover the cost of the service rendered; for performing the duties imposed upon the Secretary by chapter 14 of the Internal Revenue Code relating to cotton futures (26 U. S. C. 1920–1935); and for carrying into effect the United States Cotton Standards Act (7 U. S. C. 51–65), the United States Grain Standards Act (7 U. S. C. 71–87), the Naval Stores Act (7 U. S. C. 91–99), section 201 (a) to 201 (d), inclusive, of title II of the Agricultural Adjustment Act of 1938 (7 U. S. C. 1291), including not to exceed $25,000 for employment at rates not to exceed $100 per diem, pursuant to the second sentence of section 706 (a), of the Organic Act of 1944 (5 U. S. C. 574), as amended by section 15 of the Act of August 2, 1946 (5 U. S. C. 55a), the Acts to provide standards for containers for fruits and vegetables (15 U. S. C. 251–257i), the United States Warehouse Act (7 U. S. C. 241–273), the Federal Seed Act (7 U. S. C. 1551–1610), the Packers and Stockyards Act (7 U. S. C. 181–229), the Federal Insecticide, Fungicide, and Rodenticide Act (7 U. S. C. 135–135k), and the Tobacco Plant and Seed Exportation Act (7 U. S. C. 516), $10,800,000; Provided, That hereafter there may be transferred to appropriations available for classing or grading any agricultural commodity without charge to the producers thereof such sums from nonadministrative funds of the Commodity Credit Corporation as may be necessary in addition to other funds available for these purposes, such transfers to be reimbursed from subsequent appropriations therefor.

**Commodity Exchange Authority**

To enable the Secretary to carry into effect the provisions of the Commodity Exchange Act, as amended (7 U. S. C. 1–17a), $650,000.

**Federal Crop Insurance Corporation**

For operating and administrative expenses, $7,949,911.

**Rural Electrification Administration**

To carry into effect the provisions of the Rural Electrification Act of 1936, as amended (7 U. S. C. 901–924), as follows:

**Loan Authorizations**

For loans in accordance with said Act, and for carrying out the provisions of section 7 thereof, to be borrowed from the Secretary of the Treasury in accordance with the provisions of section 3 (a) of said Act as follows: Rural electrification program, $100,000,000; and rural telephone program, $9,000,000; and additional amounts, not to exceed $75,000,000, may be borrowed for the rural electrification program, and $25,000,000 for the rural telephone program, under the same terms and conditions to the extent that such additional amounts are required during the fiscal year 1952, under the then existing conditions, for the expeditious and orderly development of the program.

**Salaries and Expenses**

For administrative expenses, including not to exceed $500 for financial and credit reports, and not to exceed $150,000 for employment pursuant to the second sentence of section 706 (a) of the Organic Act of 1944 (5 U. S. C. 574), as amended by section 15 of the Act of August 2, 1946 (5 U. S. C. 55a), $7,750,000.
Farmers' Home Administration

LOAN AUTHORIZATION

For loans (including payments in lieu of taxes and taxes under section 50 of the Bankhead-Jones Farm Tenant Act, as amended, and advances incident to the acquisition and preservation of security of obligations under the foregoing several authorities): Title I and section 43 of title IV of the Bankhead-Jones Farm Tenant Act, as amended, and title V of the Housing Act of 1949 (except grants under 504 (a)) $38,000,000, of which not to exceed $5,000,000 of the amount available for the purposes of title I and section 43 of the Bankhead-Jones Farm Tenant Act, as amended, may be distributed to States and Territories without regard to farm population and prevalence of tenancy, in addition to the amount otherwise distributed thereto, for loans in reclamation projects and to entry men on unpatented public land (sums available for loans under title V of the Housing Act of 1949 to remain available until expended); title II of the Bankhead-Jones Farm Tenant Act, as amended, $110,000,000; the Act of August 28, 1937, as amended, $5,000,000: Provided, That not to exceed the foregoing several amounts shall be borrowed in one account from the Secretary of the Treasury, and, hereafter, such sums annually for the purposes of this paragraph as the Congress may determine by provision in appropriation acts, on the request of the Secretary of Agriculture, at such rate of interest as may be determined by the Secretary of the Treasury, but not in excess of 3 per centum per annum; and the Secretary of the Treasury is hereby authorized and directed to lend such sums to the Secretary upon the security of any obligations of borrowers from the Secretary under the provisions of said Acts: Provided further, That the Secretary may utilize proceeds from payments of principal and interest under such Acts to repay the Secretary of the Treasury the amounts borrowed therefrom for the purposes of such Acts: Provided further, That for the purpose of making loans pursuant to the foregoing authority, the Secretary of the Treasury is authorized to use as a public-debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as amended, and the purposes for which securities may be issued under that Act are extended to include such loans to the Secretary: Provided further, That repayments to the Secretary of the Treasury on such loans shall be treated as a public-debt transaction.

SALARIES AND EXPENSES

For the making, servicing, and collecting of loans and insured mortgages, the servicing and collecting of loans made under prior authority, the liquidation of assets transferred to Farmers' Home
Administration pursuant to the Farmers' Home Administration Act of 1946, the extension of financial assistance under the Housing Act of 1949, and the administration of assets transferred under subsection 2 (f) of the Act of May 3, 1950, $27,825,000. TITLE II—SPECIAL ACTIVITIES

RESEARCH ON STRATEGIC AND CRITICAL AGRICULTURAL MATERIALS

For expenses necessary to enable the Secretary to carry out his responsibilities under section 7 (b) of the Strategic and Critical Materials Stock Piling Act of July 23, 1946 (50 U. S. C. 98f), $550,000: Provided, That this appropriation shall be subject to applicable provisions contained in the item “Office of Administrator, Agricultural Research Administration”.

Eradication of Foot-and-Mouth Disease and Other Contagious Diseases of Animals and Poultry, Agricultural Research Administration

For expenses necessary in the arrest and eradication of foot-and-mouth disease, rinderpest, contagious pleuropneumonia, or other contagious or infectious diseases of animals, or European fowl pest and similar diseases in poultry, including the payment of claims growing out of past and future purchases and destruction of animals (including poultry) affected by or exposed to, or of materials, contaminated by or exposed to, any such disease, wherever found and irrespective of ownership, under like or substantially similar circumstances, when such owner has complied with all lawful quarantine regulations; and for foot-and-mouth disease and rinderpest programs undertaken pursuant to the provisions of the Act of February 28, 1947, and the Act of May 29, 1884, as amended (7 U. S. C. 391; 21 U. S. C. 111–122), including expenses in accordance with section 2 of said Act of February 28, 1947, the Secretary may transfer from other appropriations or funds available to the bureaus, corporations, or agencies of the Department such sums as he may deem necessary, to be available only in an emergency which threatens the livestock or poultry industry of the country, and any unexpended balances of funds transferred under this head in the next preceding fiscal year shall be merged with such transferred amounts: Provided, That, except for payments made pursuant to said Act of February 28, 1947, the payment for such animals hereafter purchased may be made on appraisement based on the meat, egg-production, dairy, or breeding value, but in case of
appraisal based on breeding value no appraisement of any such animal shall exceed three times its meat, egg-production, or dairy value, and, except in case of an extraordinary emergency, to be determined by the Secretary, the payment by the United States Government for any such animals shall not exceed one-half of any such appraisements: Provided further, That poultry may be appraised in groups when the basis for appraisal is the same for each bird: Provided further, That this appropriation shall be subject to applicable provisions contained in the item “Office of Administrator, Agricultural Research Administration”: Provided further, That the Secretary of the Treasury is hereby authorized and directed to discharge indebtedness of the Commodity Credit Corporation to the Secretary of the Treasury by canceling notes issued by the Corporation to the Secretary of the Treasury in the amount of $32,700,000 for funds transferred and expenses incurred under this head through fiscal year 1950 pursuant to authority granted in the Department of Agriculture Appropriation Act, 1950.

INTERNATIONAL WHEAT AGREEMENT

To discharge indebtedness of the Commodity Credit Corporation to the Secretary of the Treasury for the net costs during the fiscal year 1950 under the International Wheat Agreement Act of 1949 (7 U. S. C. 1641-1642), $76,808,000.

TITLE III—CORPORATIONS

The following corporations and agencies are hereby authorized to make such expenditures, within the limits of funds and borrowing authority available to each such corporation or agency and in accord with law, and to make such contracts and commitments without regard to fiscal year limitations as provided by section 104 of the Government Corporation Control Act, as amended, as may be necessary in carrying out the programs set forth in the budget for the fiscal year 1952 for such corporation or agency, except as hereinafter provided:

Federal Crop Insurance Corporation.

Commodity Credit Corporation: Nothing in this Act shall be so construed as to prevent the Commodity Credit Corporation from carrying out any activity or any program authorized by law: Provided, That not to exceed $16,500,000 (and the amount in the last proviso in this paragraph is increased to $2,500,000) shall be available for administrative expenses of the Corporation: Provided further, That all necessary expenses (including legal and special services performed on a contract or fee basis, but not including other personal services) in connection with the acquisition, operation, maintenance, improvement, or disposition of any real or personal property belonging to the Corporation or in which it has an interest, including expenses of collections of pledged collateral, shall be considered as nonadministrative expenses for the purposes hereof: Provided further, That the Secretary of the Treasury is hereby authorized and directed to discharge indebtedness of the Commodity Credit Corporation to the Secretary of the Treasury by canceling notes issued by the Corporation to the Secretary of the Treasury in the amount of the capital impairment determined by the appraisal of June 30, 1950 (but not to exceed $427,000,000), pursuant to sections 1 and 4 of the Act of March 8, 1938, as amended (15 U. S. C. 713a–1, 4): Provided further, That $1,000,000 of this appropriation shall be placed in reserve, to be apportioned for use pursuant to section 3679 of the Revised Statutes, as amended, only in such amounts and at such times as may become necessary due to the existence of substantial surpluses of the basic commodities requiring mandatory price support.
Federal Farm Mortgage Corporation: Not to exceed $1,100,000 (to be computed on an accrual basis) of the funds of the Corporation shall be available for administrative expenses, including employment on a contract or fee basis of persons, firms, and corporations for the performance of special services, including legal services, and the use of the services and facilities of Federal land banks, national farm loan associations, Federal Reserve banks, and agencies of the Government as authorized by the Act of January 31, 1934 (12 U. S. C. 1020-1020h); and said total sum shall be exclusive of services and facilities furnished and examinations made by the Farm Credit Administration central office, interest expense, and expenses in connection with the acquisition, operation, maintenance, improvement, protection, or disposition of real or personal property belonging to the Corporation or in which it has an interest: Provided, That promptly after June 30 of each fiscal year all cash funds in excess of the estimated operating requirements for the current fiscal year shall be declared as dividends and paid into the general fund of the Treasury: Provided further, That the aggregate amount of bonds the Corporation may issue and have outstanding at any one time shall not exceed $500,000,000.

Federal intermediate credit banks: Not to exceed $1,496,000 (to be computed on an accrual basis) of the funds of the banks shall be available for administrative expenses and services performed for the banks by other Government agencies (except services and facilities furnished and examinations made by the Farm Credit Administration central office, and services performed by any Federal Reserve bank and by the United States Treasury in connection with the financial transactions of the banks); and said total sum shall be exclusive of interest expense, legal and special services performed on a contract or fee basis, and expenses in connection with the acquisition, operation, maintenance, improvement, protection, or disposition of real or personal property belonging to the banks or in which they have an interest.

Production credit corporations: Not to exceed $1,358,000 (to be computed on an accrual basis) of the funds of the corporations shall be available for administrative expenses and services performed for the corporations by other Government agencies (except services and facilities furnished and examinations made by the Farm Credit Administration central office); and said total sum shall be exclusive of interest expense, legal and special services performed on a contract or fee basis, and expenses in connection with the acquisition, operation, maintenance, improvement, protection, or disposition of real or personal property belonging to the corporations or in which they have an interest.

TITLE IV—GENERAL PROVISIONS

Sec. 401. Within the unit limit of cost fixed by law, the lump-sum appropriations and authorizations made for the Department under this Act shall be available for the purchase, in addition to those specifically provided for, of not to exceed 350 passenger motor vehicles for replacement only, and for the hire of such vehicles, necessary in the conduct of the work of the Department outside the District of Columbia.

Sec. 402. Provisions of law prohibiting or restricting the employment of aliens shall not apply to (1) the temporary employment of translators when competent citizen translators are not available; (2) employment in cases of emergency of persons in the field service of the Department for periods of not more than sixty days; and (3) employment under the appropriation for the Office of Foreign Agricultural Relations.

of property, the payment of salary or wages may be made to such persons from applicable appropriations for services rendered in such emergency without execution of the affidavit contemplated by this section.

No part of any appropriation contained in this Act or of the funds available for expenditure by any corporation or agency included in this Act shall be used for publicity or propaganda purposes to support or defeat legislation pending before the Congress.

Sec. 409. No part of any appropriation or authorization contained in this Act shall be used to pay the compensation of any incumbent appointed to any civil office or position which may become vacant during the fiscal year beginning on July 1, 1951: Provided, That this inhibition shall not apply—

(a) to not to exceed 25 per centum of all vacancies;
(b) to positions filled from within the department;
(c) to offices or positions required by law to be filled by appointment of the President by and with the advice and consent of the Senate;
(d) to seasonal and casual workers;
(e) to meat inspectors;
(f) to field employees of the Soil Conservation Service and Production and Marketing Administration who provide conservation assistance to farmers and ranchers;
(g) to field operating and research employees engaged in work of county offices and other field locations;
(h) to employees of the crop and livestock reporting service:

Provided further, That with the exception of the agencies and functions listed in (a) to (h) above, not more than 90 per centum of the amounts shown in the budget estimates for personal services shall be available for such purpose: Provided further, That when the total number of personnel subject to this section has been reduced to 90 per centum of the total provided for in the budget estimates for 1952, this section may cease to apply: Provided further, That in addition to the funds otherwise allowed under this section, the following agencies shall be allowed additional sums for personnel as follows: Commodity Exchange Authority, $58,928; Extension Service, salaries and expenses, $31,327; Office of the Secretary, $32,832; Office of Foreign Agricultural Relations, $26,946.

Sec. 410. No part of any appropriation or authorization contained in this Act shall be used to pay the compensation of any employee engaged in personnel work in excess of the number that would be provided by a ratio of one such employee to one hundred and fifteen, or a part thereof, full-time, part-time, and intermittent employees of the Department and its instrumentalities, cooperators and collaborators receiving personnel services from the Department: Provided, That for purposes of this section employees shall be considered as engaged in personnel work if they spend half-time or more in personnel administration consisting of direction and administration of the personnel program; employment, placement, and separation; job evaluation and classification; employee relations and services; training; committees of expert examiners and boards of civil service examiners; wage administration; and processing, recording, and reporting: Provided further, That nothing contained in this section shall be construed as permitting any increase whatever in personnel officers over and above the number otherwise provided for in this Act.

Sec. 411. Except for the car officially assigned to the Secretary of Agriculture, no part of any appropriation contained in this Act shall be used to pay the compensation of any civilian employee of the Government whose principal duties consist of acting as chauffeur of any Government-owned passenger motor vehicle (other than a bus or
ambulance), unless such appropriation is specifically authorized to be used for paying the compensation of employees performing such duties.

Sec. 412. No part of the money appropriated for the Department of Agriculture by this Act or made available for expenditure by any corporation by this Act which is in excess of 75 per centum of the amount required to pay the compensation of all persons the budget estimates for personal services heretofore submitted to the Congress for the fiscal year 1952 contemplated would be employed by the Department of Agriculture or by such corporation, respectively, during such fiscal year in the performance of—

(1) functions performed by a person designated as an information specialist, information and editorial specialist, publications and information coordinator, press relations officer or counsel, photographer, radio expert, television expert, motion-picture expert, or publicity expert, or designated by any similar title, or

(2) functions performed by persons who assist persons performing the functions described in (1) in drafting, preparing, editing, typing, duplicating, or disseminating public information publications or releases, radio or television scripts, magazine articles, photographs, motion pictures, and similar material, shall be available to pay the compensation of persons performing the functions described in (1) or (2): Provided, That this section shall not apply to personnel engaged in the preparation and distribution of technical agricultural publications and farmers bulletins, and the Agriculture Yearbook, the reporting and dissemination of the results of research and investigations, the preparation and broadcasting of the “Farm and Home Hour” and similar radio programs, and other work required to carry out the duties and responsibilities of the Department imposed by law other than work intended primarily for press, radio and television services, and popular publications.

Sec. 413. This Act may be cited as the “Department of Agriculture Appropriation Act, 1952”.

Approved August 31, 1951.
