Travel expenses.

18 U. S. C. § 4124.
Recreational director
and curator, Osage
Museum.

Restriction.

In addition to the tribal funds authorized to be expended by existing law, there is hereby appropriated \$2,109,000 from tribal funds not otherwise available for expenditure for the benefit of Indians and Indian tribes, including pay and travel expenses of employees; care, tuition and other assistance to Indian children attending public and private schools (which may be paid in advance or from date of admission); purchase of land and improvements on land, title to which shall be taken in the name of the United States in trust for the tribe for which purchased; lease of lands and water rights; compensation and expenses of attorneys and other persons employed by Indian tribes under approved contracts; pay, travel and other expenses of tribal officers, councils, and committees thereof, or other tribal organizations, including mileage for use of privately owned automobiles and per diem in lieu of subsistence at rates established administratively but not to exceed those applicable to civilian employees of the Government; relief of Indians, without regard to section 7 of the Act of May 27, 1930 (46 Stat. 391), including cash grants; and employment of a recreational director for the Menominee Reservation and a curator for the Osage Museum, each of whom shall be appointed with the approval of the respective tribal councils and without regard to the classification laws: *Provided*, That in addition to the amount appropriated herein, tribal funds may be advanced to Indian tribes during the current fiscal year for such purposes as may be designated by the governing body of the particular tribe involved and approved by the Secretary: *Provided, however*, That no part of this appropriation or other tribal funds shall be used for the acquisition of land or water rights within the States of Nevada, Oregon, Washington, and Wyoming, either inside or outside the boundaries of existing Indian reservations.

BUREAU OF RECLAMATION

43 U. S. C. § 372 *et seq.*

For carrying out the functions of the Bureau of Reclamation as provided in the Federal reclamation laws (Act of June 17, 1902, 32 Stat. 388, and Acts amendatory thereof or supplementary thereto) and other Acts applicable to that Bureau, as follows:

GENERAL INVESTIGATIONS

For engineering and economic investigations of proposed Federal reclamation projects and studies of water conservation and development plans; engineering and economic investigations, as a basis for legislation, and for reports thereon to Congress, relating to projects for the development and utilization of the water resources of Alaska; formulating plans and preparing designs and specifications for authorized Federal reclamation projects or parts thereof prior to appropriations for construction of such projects or parts; and activities preliminary to the reconstruction, rehabilitation and betterment, financial adjustment, or extension of existing projects; to remain available until expended, \$4,500,000, of which not to exceed \$4,234,553 shall be available for personal services, and of which \$3,810,000 shall be derived from the reclamation fund and \$500,000 shall be derived from the Colorado River development fund: *Provided*, That the expenditure of any sums from this appropriation for investigations of any nature requested by States, municipalities, or other interests shall be upon the basis of the State, municipality, or other interest advancing at least 50 per centum of the estimated cost of such investigations: *Provided further*, That, except as herein expressly provided with respect to investigations in Alaska, no part of this appropriation shall be expended in the conduct of activities which are not authorized by law.

Reports to Congress.

CONSTRUCTION AND REHABILITATION

For construction and rehabilitation of authorized reclamation projects or parts thereof (including power transmission facilities and including a final payment of not to exceed \$282,275 to the Grand Coulee School District, Washington, to be made for school facilities, in accordance with the agreement between the Bureau of Reclamation and the Grand Coulee School District, based on enrollment of dependents of Bureau of Reclamation and contractor employees, such payment to constitute full and final discharge of all Federal responsibility arising out of enrollment of dependents of employees of the Bureau of Reclamation and its contractors) and for other related activities, as authorized by law, to remain available until expended, \$202,767,725, of which not to exceed \$38,104,672 shall be available for personal services, and of which \$28,972,650 shall be derived from the reclamation fund: *Provided*, That no part of this appropriation shall be used to initiate the construction of transmission facilities within those areas covered by power wheeling service contracts which include provision for service to Federal establishments and preferred customers, except those transmission facilities for which construction funds have been heretofore appropriated, those facilities which are necessary to carry out the terms of such contracts or those facilities for which the Secretary of the Interior finds the wheeling agency is unable or unwilling to provide for the integration of Federal projects or for service to a Federal establishment or preferred customer: *Provided further*, That in order to promote agreement among the States of Nebraska, Wyoming, and Colorado, and to avoid any possible alteration of existing vested water rights, no part of this or of any prior appropriation shall be used for construction or for further commitment for construction of the Glendo unit or any feature thereof, until a definite plan report thereon has been completed, reviewed by the States of Nebraska, Wyoming, and Colorado, and approved by Congress: *Provided further*, That no part of this or prior appropriations shall be used for construction, nor for further commitments to construction of Moorhead Dam and Reservoir, Montana, or any feature thereof until a definite plan report thereon has been completed, reviewed by the States of Wyoming and Montana, and approved by the Congress.

Grand Coulee
School District, Wash.

Restrictions.

63 Stat. 783.

Of the amount appropriated under the preceding paragraph, \$1,000,000 is for partial liquidation of the contract authority granted under the appropriation "General fund, construction, Missouri River Basin", in the Interior Department Appropriation Act, 1950.

OPERATION AND MAINTENANCE

For operation and maintenance of reclamation projects or parts thereof and of other facilities, as authorized by law; and for a soil and moisture conservation program on lands under the jurisdiction of the Bureau of Reclamation, pursuant to law, \$15,977,594, of which \$12,476,494 shall be derived from the reclamation fund and \$1,671,000 shall be derived from the Colorado River dam fund, and of which not to exceed \$10,698,514 shall be available for personal services: *Provided*, That funds advanced for operation and maintenance of reclamation projects or parts thereof shall be deposited to the credit of this appropriation and may be expended for the same objects and in the same manner as sums appropriated herein may be expended, and the unexpended balances of such advances shall be credited to the appropriation for the next succeeding fiscal year.

GENERAL ADMINISTRATIVE EXPENSES

59 Stat. 54.

For necessary expenses of general administration and related functions in the offices of the Commissioner of Reclamation and in the regional offices of the Bureau of Reclamation, \$5,478,203, of which not to exceed \$4,696,178 shall be available for personal services, to be derived from the reclamation fund and to be nonreimbursable pursuant to the Act of April 19, 1945 (43 U. S. C. 377): *Provided*, That no part of any other appropriation in this Act shall be available for activities or functions budgeted for the current fiscal year as general administrative expenses: *Provided further*, That not exceeding \$150,000 of funds available for expenditure under this appropriation shall be used for salaries and expenses in connection with information work.

EMERGENCY FUND

62 Stat. 1052.

For an additional amount for the emergency fund as authorized by the Act of June 26, 1948 (43 U. S. C. 502), \$400,000, to be derived from the Reclamation fund, special fund, and to remain available until expended for the purposes specified in said Act.

TRANSFER OF CERTAIN FACILITIES, FORT PECK PROJECT, MONTANA

The Secretary of the Army is hereby authorized to transfer to the Department of the Interior without exchange of funds, all of the right, title, and interest of the Department of the Army in and to the following facilities, including rights-of-way (except that portion of the rights-of-way within the Fort Peck Reservoir area), but there shall be reserved the right to use the power facilities for the purpose of transmitting power to the Fort Peck project during emergency periods when the Fort Peck power plant is not functioning: (a) the Fort Peck-Rainbow (Great Falls) 161 kilovolt transmission line; (b) the Rainbow (Great Falls) terminal facilities; and (c) the Fort Peck-Whatley 50 kilovolt transmission line and substation.

SPECIAL FUNDS

Sums herein referred to as being derived from the reclamation fund, the Colorado River dam fund, or the Colorado River development

fund, are appropriated from the special funds in the Treasury created by the Act of June 17, 1902 (43 U. S. C. 391), the Act of December 21, 1928 (43 U. S. C. 617a), and the Act of July 19, 1940 (43 U. S. C. 618a), respectively. Such sums shall be transferred, upon request of the Secretary, to be merged with and expended under the heads herein specified; and the unexpended balances of sums transferred for expenditure under the heads "Operation and maintenance" and "General administrative expenses" shall revert and be credited to the special fund from which derived.

32 Stat. 388.
45 Stat. 1057.
54 Stat. 774.

ADMINISTRATIVE PROVISIONS

Appropriations to the Bureau of Reclamation shall be available for purchase of not to exceed one hundred passenger motor vehicles for replacement only; not to exceed \$50,000 for services as authorized by section 15 of the Act of August 2, 1946 (5 U. S. C. 55a), including such services at rates for individuals not to exceed \$100 per day, when authorized by the Secretary; payment of claims for damage to or loss of property, personal injury, or death arising out of activities of the Bureau of Reclamation; payment, except as otherwise provided for, of compensation and expense of persons on the rolls of the Bureau of Reclamation appointed as authorized by law to represent the United States in the negotiation and administration of interstate compacts without reimbursement or return under the reclamation laws; rewards for information or evidence concerning violations of law involving property under the jurisdiction of the Bureau of Reclamation; performance of the functions specified under the head "Operation and Maintenance Administration", Bureau of Reclamation, in the Interior Department Appropriation Act, 1945; preparation and dissemination of useful information including recordings, photographs, and photographic prints; and studies of recreational uses of reservoir areas, and investigation and recovery of archeological and paleontological remains in such areas in the same manner as provided for in the Act of August 21, 1935 (16 U. S. C. 461-467): *Provided*, That no part of any appropriation made herein shall be available pursuant to the Act of April 19, 1945 (43 U. S. C. 377), for expenses other than those incurred on behalf of specific reclamation projects except "General Administrative Expenses" and amounts provided for reconnaissance, basin surveys, and general engineering and research under the head "General Investigations."

49 Stat. 666.

59 Stat. 54.

Allotments to the Missouri River Basin project from the appropriation under the head "Construction and rehabilitation" shall be available additionally for said project for those functions of the Bureau of Reclamation provided for under the head "General investigations" (but this authorization shall not preclude use of the appropriation under said head within that area), and for the continuation of investigations by agencies of the Department on a general plan for the development of the Missouri River Basin. Such allotments may be expended through or in cooperation with State and other Federal agencies, and advances to such agencies are hereby authorized.

Missouri River
Basin.

Sums appropriated herein which are expended in the performance of functions of the Bureau of Reclamation shall be reimbursable or returnable to the extent and in the manner provided by law.

Any agency of the United States Government having title thereto is authorized to transfer to the Bureau of Reclamation, without reimbursement, parts, equipment and supplies for aircraft excess to its needs.

Transfer of aircraft
parts, etc.

No part of any appropriation for the Bureau of Reclamation, contained in this Act or in any prior Act, which represents amounts earned under the terms of a contract but remaining unpaid, shall be obligated for any other purpose, regardless of when such amounts are to be paid: *Provided*, That the incurring of any obligation prohibited by this paragraph shall be deemed a violation of section 665 of title 31 of the United States Code.

Restrictions.

No funds appropriated to the Bureau of Reclamation for operation and maintenance, except those derived from advances by water users, shall be used for the particular benefit of lands (a) within the boundaries of an irrigation district, (b) of any member of a water users' organization, or (c) of any individual, when such district, organization, or individual is in arrears for more than twelve months in the payment of charges due under a contract entered into with the United States pursuant to laws administered by the Bureau of Reclamation.

Not to exceed \$2,783,000 of the appropriation herein made for "Construction and rehabilitation, Bureau of Reclamation" shall be expended for completion of construction of the Coachella division of the All-American Canal system, Boulder Canyon project: *Provided*, That any sums thereof so expended in excess of the amount required to be repaid under the existing contract between the Coachella Valley County Water District and the United States shall be repayable by said district to the United States unless said district shall be judicially determined by a court of competent jurisdiction to be not liable therefor.

Construction work
by force account, etc.

Not to exceed 12 per centum of the construction allotment made by the Bureau of Reclamation for any project from the appropriation "Construction and Rehabilitation" contained in this Act shall be available for construction work by force account or on a hired-labor basis; except that not to exceed \$225,000 may on approval of the Commissioner be expended for construction work by force account on any one project or Missouri Basin unit when the work is unsuitable for contract or when excessive bids are received; and except in cases of emergencies local in character, so declared by the Commissioner.

TITLE III—GENERAL PROVISIONS

Informational and
editorial functions.

SEC. 301. No part of the money appropriated by this Act or by it made available for expenditure by the Virgin Islands Corporation which is in excess of 75 per centum of the amount required to pay the compensation of all persons which the budget estimates for personal services heretofore submitted to the Congress for the fiscal year 1952 contemplated would be employed by the Department of the Interior or the Virgin Islands Corporation during such fiscal year in the performance of—

(1) functions performed by a person designated as an information specialist, information and editorial specialist, publications and information coordinator, press relations officer or counsel, photographer, radio expert, television expert, motion-picture expert, or publicity expert, or designated by any similar title, or

(2) functions performed by persons who assist persons performing the functions described in (1) in drafting, preparing, editing, typing, duplicating, or disseminating public information publications or releases, radio or television scripts, magazine articles, photographs, motion pictures, and similar material,

Maps, etc.

shall be available to pay the compensation of persons performing the functions described in (1) or (2): *Provided*, That this section shall not be construed as having application to the preparation for publication of reports and maps resulting from authorized scientific and engineering investigations and surveys, to photography incident to the compilation and reproduction of maps and reports, or to photocopying of permanent records for preservation.

Chauffeurs.

SEC. 302. No part of any appropriation contained in this Act shall be used to pay the compensation of any civilian employee of the Government in the District of Columbia whose duties consist of acting as chauffeur of any Government-owned passenger motor vehicle (other than a bus or ambulance and two passenger motor vehicles assigned one to the Secretary and one to the Under Secretary), unless such appropriation is specifically authorized to be used for paying the compensation of employees performing such duties.

Employees engaged
in personnel work.

SEC. 303. No part of any appropriation contained in this Act shall be used to pay the compensation of any employee engaged in personnel work in excess of the number that would be provided by a ratio of one such employee to one hundred and ten, or a part thereof, full-time, part-time, and intermittent employees of the agency concerned: *Provided*, That for purposes of this section employees shall be considered as engaged in personnel work if they spend half time or more in personnel administration consisting of direction and administration of the personnel program; employment, placement, and separation; job evaluation and classification; employee relations and services; training; committees of expert examiners and boards

of civil-service examiners; wage administration; and processing, recording, and reporting.

SEC. 304. No part of any appropriation contained in this Act, or of the funds available for expenditure by any corporation included in this Act, shall be used to pay the salary or wages of any person who engages in a strike against the Government of the United States or who is a member of an organization of Government employees that asserts the right to strike against the Government of the United States, or who advocates, or is a member of an organization that advocates, the overthrow of the Government of the United States by force or violence: *Provided*, That for the purposes hereof an affidavit shall be considered prima facie evidence that the person making the affidavit has not contrary to the provisions of this section engaged in a strike against the Government of the United States, is not a member of an organization of Government employees that asserts the right to strike against the Government of the United States, or that such person does not advocate, and is not a member of an organization that advocates, the overthrow of the Government of the United States by force or violence: *Provided further*, That any person who engages in a strike against the Government of the United States or who is a member of an organization of Government employees that asserts the right to strike against the Government of the United States, or who advocates, or who is a member of an organization that advocates, the overthrow of the Government of the United States by force or violence, and accepts employment the salary or wages for which are paid from any appropriation or fund contained in this Act shall be guilty of a felony and, upon conviction, shall be fined not more than \$1,000 or imprisoned for not more than one year, or both: *Provided further*, That the above penalty clause shall be in addition to, and not in substitution for, any other provisions of existing law: *Provided further*, That in cases of emergency, caused by fire, flood, storm, act of God, or sabotage, persons may be employed for periods of not more than thirty days and be paid salaries and wages without the necessity of inquiring into their membership in any organization.

SEC. 305. No part of any appropriation or authorization contained in this Act shall be used to pay the compensation of any incumbent appointed to any civil office or position which may become vacant during the fiscal year beginning on July 1, 1951: *Provided*, That this inhibition shall not apply—

- (a) to not to exceed 25 per centum of all vacancies;
- (b) to positions filled from within the department;
- (c) to offices or positions required by law to be filled by appointment of the President by and with the advice and consent of the Senate;
- (d) to positions the personnel of which are engaged in health and safety, law enforcement, operation and maintenance, soil and moisture, and forestry activities in the field, exclusive of administrative personnel not directly connected with the operation of any such specific activity;
- (e) to seasonal and casual workers:

Provided further, That with the exception of the agencies and functions listed in (b) through (e) above, not more than 90 per centum of the amounts shown in the budget estimates for personal services shall be available for such purpose: *Provided further*, That when the total number of personnel subject to this section has been reduced to 90 per centum of the total provided for in the budget estimates for 1952, this section may cease to apply.

This Act may be cited as the "Interior Department Appropriation Act, 1952."
