"SEC. 902. There is hereby created a National Defense Housing Insurance Fund which shall be used by the Commissioner as a revolving fund for carrying out the provisions of this title, and mortgages insured under this title shall be known and referred to as 'national defense housing insured mortgages'. The Commissioner is hereby authorized and directed to transfer to such fund the sum of \$10,000,000 from the War Housing Insurance Fund established pursuant to the provisions of section 602 of this Act. General expenses of operation of the Federal Housing Administration under this title may be charged to the National Defense Housing Insurance Fund: *Provided*, That no moneys in said fund shall be expended for administrative expenses of the Federal Housing Administration under this title except pursuant to such specific authorization therefor as may hereafter be enacted by the Congress.

"SEC. 903. (a) This title is designed to supplement systems of mortgage insurance under other provisions of the National Housing Act in order to assist in providing adequate housing in areas which the President, pursuant to section 101 of the Defense Housing and Community Facilities and Services Act of 1951, shall have determined to be critical defense housing areas. The Commissioner is authorized, upon application by the mortgagee, to insure under this section or section 908 as hereinafter provided any mortgage which is eligible for insurance as hereinafter provided and upon such terms as the Commissioner may prescribe to make commitments for the insuring of such mortgages prior to the date of their execution or disbursement thereon: *Provided*, That the property covered by the mortgage is in an area which the President, pursuant to section 101 of the Defense Housing and Community Facilities and Services Act of 1951, shall have determined to be a critical defense housing area, and that the total number of dwelling units in properties covered by mortgages insured under this title in any such area does not exceed the number authorized by the Housing and Home Finance Administrator from time to time as needed in such area for defense purposes and to be insured pursuant to this title: *Provided further*, That the aggregate amount of principal obligations of all mortgages insured under this title shall not exceed such sum as may be authorized by the President from time to time for the purposes of this title pursuant to his authority under section 217 hereof: *Provided further*, That the Commissioner shall have power to require properties covered by mortgages insured under this title to be held for rental for such periods of time and at such rentals or other charges as he may prescribe; and, with respect to such properties being held for rental, (1) to require that the property be held by a mortgagor approved by him, and (2) to prescribe such requirements as he deems to be reasonable governing the method of operation and prohibiting or restricting sales of such properties or interests therein or agreements relating to such sales: *And provided further*, That no mortgage shall be insured under this title unless the mortgagor certifies under oath that in selecting tenants for any property covered by the mortgage he will not discriminate against any family by reason of the fact that there are children in the family, and that he will not sell the property while the insurance is in effect unless the purchaser so certifies, such certification to be filed with the Commissioner. Violation of any such certification shall be a misdemeanor punishable by a fine of not to exceed \$500.

"(b) To be eligible for insurance under this section a mortgagee shall—

"(1) have been made to, and be held by, a mortgagee approved by the Commissioner as responsible and able to service the mortgage properly;

“(2) involve a principal obligation (including such initial service charges, appraisal, inspection, and other fees as the Commissioner shall approve) in an amount not to exceed 90 per centum of the appraised value (as of the date the mortgage is accepted for insurance) of a property, urban, suburban, or rural, upon which there is located a dwelling designed principally for residential use for not more than two families in the aggregate, which is approved for mortgage insurance prior to the beginning of construction, the construction of which is begun after the date of enactment of this title. The principal obligation of such mortgage shall not, however, exceed \$8,100 if such dwelling is designed for a single-family residence, or \$15,000 if such dwelling is designed for a two-family residence except that the Commissioner may by regulation increase these amounts to not to exceed \$9,000 and \$16,000, respectively, in any geographical area where he finds that cost levels so require: *Provided*, That if the Commissioner finds that it is not feasible within the aforesaid dollar amount limitations to construct dwellings containing three or four bedrooms per family unit without sacrifice of sound standards of construction, design, and livability, he may increase such dollar amount limitations by not exceeding \$1,080 for each additional bedroom (as defined by the Commissioner) in excess of two contained in such family unit if he finds that such unit meets sound standards of livability as a three-bedroom or a four-bedroom unit, as the case may be;

Principal obligation.

“(3) have a maturity satisfactory to the Commissioner but not to exceed thirty years from the date of the insurance of the mortgage;

Maturity.

“(4) contain complete amortization provisions satisfactory to the Commissioner;

Amortization.

“(5) bear interest (exclusive of premium charges for insurance) at not to exceed $4\frac{1}{2}$ per centum per annum on the amount of the principal obligation outstanding at any time;

Interest.

“(6) provide, in a manner satisfactory to the Commissioner, for the application of the mortgagor's periodic payments (exclusive of the amount allocated to interest and to the premium charge which is required for mortgage insurance as herein provided) to amortization of the principal of the mortgage; and

Periodic payments.

“(7) contain such terms and provisions with respect to insurance, repairs, alterations, payment of taxes, default reserves, delinquency charges, foreclosure proceedings, anticipation of maturity, additional and secondary liens, and other matters as the Commissioner may in his discretion prescribe.

“(c) The Commissioner is authorized to fix a premium charge for the insurance of mortgages under this title but in the case of any mortgage such charge shall not be less than an amount equivalent to one-half of 1 per centum per annum nor more than an amount equivalent to $1\frac{1}{2}$ per centum per annum of the amount of the principal obligation of the mortgage outstanding at any time, without taking into account delinquent payments or prepayments. Such premium charges shall be payable by the mortgagee, either in cash or in debentures issued by the Commissioner under this title at par plus accrued interest, in such manner as may be prescribed by the Commissioner: *Provided*, That the Commissioner may require the payment of one or more such premium charges at the time the mortgage is insured, at such discount rate as he may prescribe not in excess of the interest rate specified in the mortgage. If the Commissioner finds upon the presentation of a mortgage for insurance and the tender of the initial premium charge or charges so required that the mortgage complies

Premium charges.

Initial payment.

Acceptable risk.	with the provisions of this title, such mortgage may be accepted for insurance by endorsement or otherwise as the Commissioner may prescribe; but no mortgage shall be accepted for insurance under this title unless the Commissioner finds that the project with respect to which the mortgage is executed is an acceptable risk in view of the needs of national defense. In the event that the principal obligation of any mortgage accepted for insurance under this title is paid in full prior to the maturity date, the Commissioner is further authorized in his discretion to require the payment by the mortgagee of an adjusted premium charge in such amount as the Commissioner determines to be equitable, but not in excess of the aggregate amount of the premium charges that the mortgagee would otherwise have been required to pay if the mortgage had continued to be insured under this title until such maturity date; and in the event that the principal obligation is paid in full as herein set forth the Commissioner is authorized to refund to the mortgagee for the account of the mortgagor all, or such portion as he shall determine to be equitable, of the current unearned premium charges theretofore paid.
Adjusted premium charge.	
Refund of unearned premium charges.	
Priority to purchase or rent.	“(d) Notwithstanding any other provisions of this or any other Act, except provisions of law enacted hereafter expressly referring to this paragraph (d), the Commissioner, with the approval of the Housing and Home Finance Administrator, is further authorized to prescribe such procedures as are necessary to secure to persons engaged or to be engaged in national defense activities preference or priority of opportunity to purchase or rent properties, or interests therein, covered by mortgages insured under this title.
Validity of contract.	“(e) Any contract of insurance heretofore or hereafter executed by the Commissioner under this title shall be conclusive evidence of the eligibility of the mortgage for insurance, and the validity of any contract of insurance so executed shall be incontestable in the hands of an approved mortgagee from the date of the execution of such contract, except for fraud or misrepresentation on the part of such approved mortgagee.
Foreclosures; mortgage insurance benefits.	“SEC. 904. (a) In any case in which the mortgagee under a mortgage insured under section 903 shall have foreclosed and taken possession of the mortgaged property, in accordance with regulations of, and within a period to be determined by, the Commissioner, or shall, with the consent of the Commissioner, have otherwise acquired such property from the mortgagor after default, the mortgagee shall be entitled to receive the benefit of the insurance as hereinafter provided, upon (1) the prompt conveyance to the Commissioner of title to the property which meets the requirements of rules and regulations of the Commissioner in force at the time the mortgage was insured, and which is evidenced in the manner prescribed by such rules and regulations; and (2) the assignment to him of all claims of the mortgagee against the mortgagor or others, arising out of the mortgage transaction or foreclosure proceedings, except such claims as may have been released with the consent of the Commissioner. Upon such conveyance and assignment the obligation of the mortgagee to pay the premium charges for insurance shall cease and the Commissioner shall, subject to the cash adjustment hereinafter provided, issue to the mortgagee debentures having a total face value equal to the value of the mortgage and a certificate of claim, as hereinafter provided. For the purposes of this subsection, the value of the mortgage shall be determined, in accordance with rules and regulations prescribed by the Commissioner, by adding to the amount of the original principal obligation of the mortgage which was unpaid on the date of the institution of foreclosure proceedings, or on the date of the acquisition of the property after default other than by foreclosure, the amount of all payments which have been made by the
Determination of mortgage value.

Inclusion of foreclosure cost in debentures.

“(1) not in excess of 2 per centum of the unpaid principal of the mortgage as of the date of the institution of foreclosure proceedings and not in excess of \$75; or

“(2) not in excess of two-thirds of such cost, whichever is the greater: *And provided further*, That with respect to mortgages to which the provisions of sections 302 and 306 of the Soldiers' and Sailors' Civil Relief Act of 1940, as now or hereafter amended, apply and which are insured under section 903, and subject to such regulations and conditions as the Commissioner may prescribe, there shall be included in the debentures an amount which the Commissioner finds to be sufficient to compensate the mortgagee for any loss which it may have sustained on account of interest on debentures and the payment of insurance premiums by reason of its having postponed the institution of foreclosure proceedings or the acquisition of the property by other means during any part or all of the period of such military service and three months thereafter.

Release of mortgagor from liability.

“(c) Debentures issued under this title shall be in such form and denominations in multiples of \$50, shall be subject to such terms and conditions, and shall include such provisions for redemption, if any, as may be prescribed by the Commissioner with the approval of the Secretary of the Treasury, and may be in coupon or registered form. Any difference between the amount of debentures to which the mortgagee is entitled under this section or section 908 of this Act and the aggregate face value of the debentures issued, not to exceed \$50, shall be adjusted by the payment of cash by the Commissioner to the mortgagee from the National Defense Housing Insurance Fund.

Debentures.

“(d) The debentures issued under this section to any mortgagee shall be executed in the name of the National Defense Housing Insurance Fund as obligor, shall be signed by the Commissioner by either his written or engraved signature, and shall be negotiable. All such debentures shall be dated as of the date foreclosure proceedings were instituted, or the property was otherwise acquired by the mortgagee after default, and shall bear interest from such date at a rate determined by the Commissioner, with the approval of the Secretary of the Treasury, at the time the mortgage was accepted for insurance, but not to exceed 3 per centum per annum, payable semiannually on the 1st day of January and the 1st day of July of each year. Debentures so purchased shall be canceled and not reissued.

Purchase of debentures by Commissioner.

“(b) Premium charges, adjusted premium charges, and appraisal and other fees, received on account of the insurance of any mortgage insured under this title, the receipts derived from any such mortgage or claim assigned to the Commissioner and from any property acquired by the Commissioner, and all earnings on the assets of the National Defense Housing Insurance Fund, shall be credited to the National Defense Housing Insurance Fund. “(b) To be eligible for insurance under this section a mortgage shall meet the following conditions:

The Commissioner may make such contracts with, and acquire for not to exceed \$100 stock or interest in any such mortgagor, as the Commissioner may deem necessary to render effective such restriction or regulation. Such stock or interest shall be paid for out of the National Defense Housing Insurance Fund, and shall be redeemed by the mortgagor at par upon the termination of all obligations of the Commissioner under the insurance.

“(2) The mortgage shall involve a principal obligation in an amount—

Principal obligation, limitations.

“(A) not to exceed \$5,000,000; and

“(B) not to exceed 90 per centum of the amount which the Commissioner estimates will be the value of the property or project when the proposed improvements are completed: *Provided*, That such mortgage shall not in any event exceed the amount which the Commissioner estimates will be the cost of the completed physical improvements on the property or project exclusive of off-site public utilities and streets and organization and legal expenses; and

- “(C) not to exceed \$8,100 per family unit (or \$7,200 per family unit if the number of rooms in such property or project does not equal or exceed four per family unit) for such part of such property or project as may be attributable to dwelling use: *Provided*, That the Commissioner may by regulation increase such dollar amount limitations by not exceeding \$900 in any geographical area where he finds that cost levels so require.

Certification and payment. “(3) The mortgagor shall agree (i) to certify, upon completion of the physical improvements on the mortgaged property or project and prior to final endorsement of the mortgage, either (a) that the amount of the actual cost of said physical improvements (exclusive of off-site public utilities and streets and of organization and legal expenses) equaled or exceeded the proceeds of the mortgage loan or (b) the amount by which the proceeds of the mortgage loan exceeded the actual cost of said physical improvements (exclusive of off-site public utilities and streets and of organization and legal expenses), as the case may be, and (ii) to pay, within sixty days after such certification, to the mortgagee, for application to the reduction of the principal obligation of such mortgage, the amount, if any, so certified to be in excess of such actual cost. The Commissioner shall construe the term ‘actual cost’ in such a manner as to reduce same by the amount of any kick-backs, rebates, and normal trade discounts received in connection with the construction of the said physical improvements, and to include only the actual amounts paid for labor and materials and necessary services in connection therewith.
- “Actual cost.” “The mortgage shall provide for complete amortization by periodic payments within such term as the Commissioner shall prescribe, and shall bear interest (exclusive of premium charges for insurance) at not to exceed 4 per centum per annum on the amount of the principal obligation outstanding at any time. The Commissioner may consent to the release of a part or parts of the mortgaged property from the lien of the mortgage upon such terms and conditions as he may prescribe and the mortgage may provide for such release.
- Amortization and interest. “(c) The mortgagee shall be entitled to receive debentures in connection with mortgages insured under this section in the amount and under the conditions specified in subsection (g) of section 207 of this Act, and the references in said subsection (g) to the cash adjustment provided for in subsection (j) of section 207 and to the certificate of claim provided for in subsection (h) of section 207 shall be deemed to refer respectively to the cash adjustment provided for in subsection (c) of section 904 of this Act and to the certificate of claim provided for in subsection (d) of this section.
- Partial release from lien. “(d) The certificate of claim issued by the Commissioner to any mortgagee under this section shall be for an amount determined in accordance with, and shall contain provisions and shall be paid in accordance with, the provisions of section 207 (h) of this Act, except that the reference in section 207 (h) to ‘the Housing Insurance Fund’ shall be deemed for the purposes of this section to be a reference to the National Defense Housing Insurance Fund.
- Receipt of debentures by mortgagee. “(e) Debentures issued under this section shall be issued in accordance with the provisions of section 904 (c) and (d) except that such debentures shall be dated as of the date of default as determined in subsection (c) of this section, and shall bear interest from such date.

SEC. 301. Subject to the provisions and limitations of title I hereof and subject to the provisions and limitations of this title, the Housing and Home Finance Administrator (hereinafter referred to as the “Administrator”) is authorized to provide housing in any areas (subject to the provisions of section 101 hereof) needed for defense workers or military personnel or to extend assistance for the provision of, or to provide, community facilities or services required in connection with national defense activities in any area which the President, pursuant to the authority contained in section 101 hereof, has determined to be a critical defense housing area.

Authority to provide defense housing, etc.

Ante, p. 293.

SEC. 302. (a) Consistent with other requirements of national defense, any permanent housing constructed pursuant to the authority of this title shall consist of one- to four-family dwelling structures

One- to four-family structures.

(including row houses) so arranged that they may be offered for separate sale. All housing of permanent construction which is constructed or acquired under the authority of this title shall be sold as expeditiously as possible and in the public interest taking into consideration the continuation of the need for such housing by persons engaged in national defense activities. All dwelling structures of permanent construction designed for occupancy by not more than four families (including row houses) shall be offered for sale, and preference in the purchase of any such dwelling structure shall be granted to occupants and to veterans over other prospective purchasers. As among veterans, preference in the purchase of any such dwelling structure shall be given to disabled veterans whose disability has been determined by the Veterans' Administration to be service-connected. All dwelling structures of permanent construction in any housing project which are designed for occupancy by more than four families (and other structures in such project which are not sold separately) shall be sold as an entity. On such sales first preference shall be given for such period not less than ninety days nor more than six months from the date of the initial offering of such project as the Administrator may determine, to groups of veterans organized on a mutual ownership or cooperative basis (provided that any such group shall accept as a member of its organization, on the same terms, subject to the same conditions, and with the same privileges and responsibilities, required of, and extended to, other members of the group any tenant occupying a dwelling unit in such project, at any time during such period as the Administrator shall deem appropriate, starting on the date of the announcement by the Administrator of the availability of such project). The Administrator shall provide an equitable method of selecting the purchasers when preferred purchasers (or groups of preferred purchasers) in the same preference class or containing members in the same preference class compete with each other. Sales pursuant to this section shall be for cash or credit, upon such terms as the Administrator shall determine, and at the fair value of the property as determined by him: *Provided*, That full payment to the Government for the property sold shall be required within a period of not exceeding twenty-five years with interest on unpaid balances at not less than 4 per centum per annum.

(b) Where it is necessary to provide housing under this title in locations where, in the determination of the Administrator, there appears to be no need for such housing beyond the period during which it is needed for housing persons engaged in national defense activities, the provisions of section 102 hereof shall not be applicable and temporary housing which is of a mobile or portable character or which is otherwise constructed so as to be available for reuse at other locations shall be provided. All housing constructed pursuant to the authority contained in this title which is of a temporary character, as determined by the Administrator, shall be disposed of by the Administrator not later than the date, and subject to the conditions and requirements, hereafter prescribed by the Congress: *Provided*, That nothing in this sentence shall be construed as prohibiting the Administrator from removing any such housing by demolition or otherwise prior to the enactment of such legislation.

(c) When the Administrator determines that any housing provided under this title is no longer required for persons engaged in national defense activities, preference in admission to occupancy thereof shall be given to veterans pending its ultimate sale or disposition in accordance with the provisions of this title. As among veterans, preference in admission to occupancy shall be given to disabled veterans whose disability has been determined by the Veterans' Administration to be service-connected.

SEC. 304. In furtherance of the purposes of this title and subject to the provisions hereof, the Administrator may make loans or grants, or other payments, to public and nonprofit agencies for the provision, or for the operation and maintenance, of community facilities and equipment therefor, or for the provision of community services, upon such terms and in such amounts as the Administrator may consider to be in the public interest: *Provided*, That grants under this title to any local agency for hospital construction may be made only after such action by the local agency to secure assistance under Public Law 725, Seventy-ninth Congress, approved August 13, 1946, as amended, or Public Law 380, Eighty-first Congress, approved October 25, 1949, as is determined to be reasonable under the circumstances, and only to the extent that the required assistance is not available to such local agency under said Public Law 725, or said Public Law 380, as the case may be: *Provided further*, That grants or payments for the provision, or for the maintenance and operation, of community facilities or services under this section shall not exceed the portion of the cost of the provision, or the maintenance and operation, of such facilities or services which the Administrator estimates to be attributable to the national defense activities in the area and not to be recovered by the public or nonprofit agency from other sources, including payments by the United States under any other provisions of this Act or any other law: *And provided further*, That any such continuing grant or payment shall be reexamined and adjusted annually upon the basis of the ability of the agency to bear a greater portion of the cost of such maintenance, operation, or services as a result of increased revenues made possible by such facility or by such defense activities.

In any condemnation proceeding instituted pursuant to this title or title IV, the court shall not order the party in possession to surrender possession in advance of final judgment unless a declaration of taking has been filed, and a deposit of the amount estimated to be just compensation has been made, under the first section of the Act of February 26, 1931 (46 Stat. 1421), providing for such declarations. Unless title is in dispute, the court, upon application, shall promptly pay to the owner at least 75 per centum of the amount so deposited, but such payment shall be made without prejudice to any party to the proceeding.

(c) If any real property acquired under this title or title IV is retained after June 30, 1953, without having been used for the purposes of this Act, the Administrator shall, if the original owner desires the property and pays the fair value thereof, return such property to the owner. In the event the Administrator and the original owner do not agree as to the fair value of the property, the fair value shall be determined by three appraisers, one of whom shall be chosen by the Administrator, one by the original owner, and the third by the first two appraisers; the expenses of such determination shall be paid in equal shares by the Government and the original owner.

Transfer of property by Federal agencies.

SEC. 306. Any Federal agency may, upon request of the Administrator, transfer to his jurisdiction without reimbursement any lands, improved or unimproved, or other property real or personal, considered by the Administrator to be needed or useful for housing or community facilities, or both, to be provided under this title, and the Administrator is authorized to accept any such transfers. The Administrator may also utilize any other real or personal property under his jurisdiction for the purpose of this title without adjustment of the appropriations or funds involved. Any property so transferred or utilized, and any funds in connection therewith, shall be subject only to the authorizations and limitations of this title. The Administrator may,

in his discretion, upon request of the Secretary of Defense or his designee, transfer to the jurisdiction of the Department of Defense without reimbursement any land, improvements, housing, or community facilities constructed or acquired under the provisions of this title and considered by the Department of Defense to be required for the purposes of the said Department. Upon the transfer of any such property to the jurisdiction of the Department of Defense, the laws, rules, and regulations relating to property of the Department of Defense shall be applicable to the property so transferred, and the provisions of this title and the rules and regulations issued thereunder shall no longer apply.

SEC. 307. Notwithstanding any other provisions of law, the acquisition by the United States of any real property pursuant to this title or title IV of this Act shall not deprive any State or political subdivision thereof of its civil or criminal jurisdiction in and over such property, or impair the civil or other rights under the State or local law of the inhabitants of such property. Any proceedings by the United States for the recovery of possession of any property or project acquired, developed, or constructed under this title or title IV of this Act may be brought in the courts of the States having jurisdiction of such causes.
