Public works projects.

SEC. 304. In the prosecution of military public works projects authorized by this title, the Department of the Air Force may utilize the services of either the Corps of Engineers, Department of the Army, or the Bureau of Yards and Docks, Department of the Navy, in such manner and to such extent as will promote efficiency in operation.

TITLE IV

GENERAL PROVISIONS

Acquisition of land, etc.

SEC. 401. (a) The Secretary of the Army, the Secretary of the Navy, and the Secretary of the Air Force, under the direction of the Secretary of Defense, are respectively authorized, in order to establish or develop the installations and facilities authorized by titles I, II, and III of this Act, to acquire lands and rights pertaining thereto, or other interests therein, including the temporary use thereof, by donation, purchase, exchange of Government-owned lands, or otherwise, without regard to section 3648, Revised Statutes, as amended. When necessary, construction of a public works project authorized by this Act may be commenced prior to approval of title to the underlying land by the Attorney General as required by section 355, Revised Statutes, as amended.

31 USC 529.

33 USC 733 and note.

Reimbursement of owners and tenants.

(b) The Secretary of the Army, the Secretary of the Navy, and the Secretary of the Air Force are respectively authorized, to the extent administratively determined by each to be fair and reasonable, under regulations approved by the Secretary of Defense, to reimburse the owners and tenants of land to be acquired for any public works project of the military department concerned for expenses and other losses and damages incurred by such owners and tenants, respectively, in the process and as a direct result of the moving of themselves and their families and possessions because of such acquisition of land, which reimbursement shall be in addition to, but not in duplication of, any payments in respect of such acquisition as may otherwise be authorized by law: *Provided*, That the total of such reimbursement to the owners and tenants of any parcel of land shall in no event exceed 25 per centum of the fair value of such parcel of land as determined by the Secretary of the military department concerned. No payment in reimbursement shall be made unless application therefor, supported by an itemized statement of the expenses, losses, and damages so incurred, shall have been submitted to the Secretary of the military department concerned within one year following the date of such acquisition. The authority conferred by this subsection shall be delegable by the Secretary of the military department concerned to such responsible officers or employees as he may determine. All functions performed under this subsection shall be exempt from the operation of the Administrative Procedure Act of June 11, 1946 (ch. 324, 60 Stat. 237), as amended (5 U. S. C. 1001–1011), except as to the requirements of section 3 of such Act (60 Stat. 238; 5 U. S. C. 1002). Any

Restriction.

funds appropriated pursuant to any Act authorizing civil or military public works projects for any military department, to the extent available, may be used to reimburse the owners and tenants of such acquired lands for such incurred expenses, losses, and damages. The authority for reimbursement of owners and tenants for moving costs conferred by this subsection shall be in addition to but not in duplication of authority contained in subsection 501 (b) of the Act of September 28, 1951 (65 Stat. 365) for the reimbursement to owners and tenants of land acquired pursuant to authorization contained in said Act.

Appropriations.

SEC. 402. There are hereby authorized to be appropriated such sums of money as may be necessary to accomplish the purposes of this Act, but not to exceed—

(1) for public works authorized by title I: Inside continental United States, $124,420,800; outside continental United States, $68,617,000; classified facilities, $135,010,000; or a total of $328,047,800.

(2) for public works authorized by title II: Inside continental United States, $138,183,000; outside continental United States, $32,295,000; classified facilities, $86,397,000; or a total of $256,875,000.

(3) for public works authorized by title III: Inside continental United States, $708,352,000; outside continental United States, $92,610,000; classified facilities, $1,012,398,000; or a total of $1,813,360,000.

Cost variations.

SEC. 403. Any of the approximate costs enumerated in titles I, II, and III of this Act may, in the discretion of the Secretary concerned, be varied upward 10 per centum but the total cost of all work so enumerated under each of such titles shall not exceed the total appropriations authorized in respect of such title by section 402 of this Act.

Family quarters.

SEC. 404. No family quarters shall be constructed under the authority of this Act with a net floor area in excess of one thousand two hundred and fifty square feet, and the average net floor area of all such family quarters shall not exceed one thousand and eighty square feet.

Public works projects.

SEC. 405. Appropriations made to carry out the purposes of this Act shall be available with respect to public works projects authorized by law for expenses incident to construction, including administration, overhead, planning, and supervision.

SEC. 406. Any public works project authorized by this Act may be prosecuted under direct appropriations or authority to enter into contracts in lieu of such appropriations.

SEC. 407. In the case of any public work authorized to be established or developed under the authority of section 102, 202, or 302 of this Act, the Secretary of the military department authorized to establish or develop such public work, or his designee, shall come into agreement with the Committee on Armed Services of the Senate and of the House of Representatives with respect to the cost of construction of such public work, including those real-estate actions pertaining thereto.

Director of Installations.

SEC. 408. The Secretary of Defense shall maintain direct surveillance over the planning and construction by the military departments of all public works projects. Such surveillance shall be maintained through a civilian official of the Department of Defense to be known as the Director of Installations, who shall be appointed by and directly responsible to the Secretary of Defense and who shall receive compensation at the rate of $14,800 a year. The Director of Installations shall, from time to time, make such reports directly to the Secretary of Defense with respect to public works projects under construction by the military departments as he may deem necessary to keep the

Reports.

Secretary of Defense currently and fully informed with respect to the status, progress, and cost of, and all other pertinent matters concerning, such public works project. No person shall be appointed as Director of Installations unless the Secretary of Defense is satisfied that he has had a substantial amount of experience in the construction of public works of the types constructed by the military departments. The Secretary of Defense shall provide for furnishing the Director of Installations with such engineering, clerical, stenographic, and other personnel as he may require in order adequately to perform his functions.

Contracts.

SEC. 409. Whenever—

65 Stat. 700. 41 USC 153, 254.

(a) the President determines that compliance with the requirements of Public Law 245, Eighty-second Congress in the case of contracts made pursuant to this Act with respect to the establishment or development of military installations and facilities in foreign countries would interfere with the carrying out of the provisions of this Act; and

(b) the Secretary of Defense and the Comptroller General have agreed upon alternative methods for conducting an adequate audit of such contracts,

the President is authorized to exempt such contracts from the requirements of Public Law 245, Eighty-second Congress.

Approved July 14, 1952.
