"(3) Any numbered mineral section which is surveyed on or after the date of the enactment of this subsection, and on which there is outstanding at the time of such survey a lease or leases entered into by the United States, shall (unless excluded from the provisions of this section by subsection (c) for a reason other than the existence of an outstanding lease) be granted to the State concerned immediately upon completion of such survey; and the State shall succeed to the position of the United States as lessor under such lease or leases.

"(4) The Secretary of the Interior shall, upon application by a State, issue patents to the State for the lands granted by this Act, in accordance with the Act of June 12, 1934 (48 Stat. 1185, 43 U. S. C. sec. 871a). Such patent shall include a statement that the State succeeded to the position of the United States as lessor at the time the title vested in the State.

"(5) Where, at the time rents, royalties, and bonuses accrue, the lands or deposits covered by a single lease are owned in part by the State and in part by the United States, the rents, royalties, and bonuses shall be allocated between them in proportion to the acreage in said lease owned by each."

SEC. 2. Subsection (c) of such Act, as amended, is amended by striking out "That" and by inserting in lieu thereof the following: "Except as provided in subsection (d),".
