To provide for the termination of Federal supervision over the property of certain tribes and bands of Indians located in western Oregon and the individual members thereof, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the purpose of this Act is to provide for the termination of Federal supervision over the trust and restricted property of certain tribes and bands of Indians located in western Oregon and the individual members thereof, for the disposition of federally owned property acquired or withdrawn for the administration of the affairs of such Indians, and for a termination of Federal services furnished such Indians because of their status as Indians.

SEC. 2. For the purposes of this Act:
(a) "Tribe" means any of the tribes, bands, groups, or communities of Indians located west of the Cascade Mountains in Oregon, including the following: Confederated Tribes of the Grand Ronde Community, Confederated Tribes of Siletz Indians, Alsea, Applegate Creek, Calapooya, Chaftan, Chempho, Chetco, Chetlessington, Chinook, Clackamas, Clatskanie, Clatsop, Clowwewalla, Coos, Cow Creek, Enchees, Galic Creek, Grave, Joshua, Karok, Kathlamet, Kusotony, Kwatami or Sixes, Lakmiut, Long Tom Creek, Lower Coquille, Lower Umpqua, Maddy, Mackanotin, Mary's River, Multnomah, Munsel Creek, Naltunetunne, Nehalem, Nestucca, Northern Molalla, Port Orford, Pudding River, Rogue River, Salmon River, Santiam, Scotton, Shasta, Shasta Costa, Siletz, Siuslaw, Skiloot, Southern Molalla, Takelman, Tillamook, Tolowa, Tualatin, Tututui, Upper Coquille, Upper Umpqua, Willamette Tumwater, Yamhill, Yaquina, and Yoncalla;
(b) "Secretary" means the Secretary of the Interior;
(c) "Lands" means real property, interest therein, or improvements thereon, and includes water rights;
(d) "Tribal property" means any real or personal property, including water rights, or any interest in real or personal property, that belongs to the tribe and either is held by the United States in trust for the tribe or is subject to a restriction against alienation imposed by the United States.

SEC. 3. Within ninety days after the date of this Act, the Secretary shall publish in the Federal Register (1) a list of those tribes for which membership rolls will be required for the purposes of this Act, and (2) a list of those tribes for which no membership rolls will be required for the purposes of this Act. Each tribe on each list shall have a period of six months from the date of publication of the notice in which to prepare and submit to the Secretary a proposed roll of the members of the tribe living on the date of this Act, which shall be published in the Federal Register. In the absence of applicable law, or eligibility requirements in an approved constitution, bylaws, or membership ordinance, eligibility for enrollment shall be determined under such rules and regulations as the Secretary may prescribe. No person shall be enrolled on more than one tribal roll prepared pursuant to this Act. If a tribe on list one fails to submit such roll within the time specified in this section, the Secretary shall prepare a proposed roll for the tribe, which shall be published in the Federal Register. Any person claiming membership rights in the tribe or an interest in its assets, or a representative of the Secretary on behalf of any such person, may, within ninety days from the date of publication of the proposed roll, file an appeal with the Secretary contesting the inclusion or omission of the name of any person on or from such roll.
The Secretary shall review such appeals and his decisions thereon shall be final and conclusive. After disposition of all such appeals the roll of the tribe shall be published in the Federal Register and such roll shall be final for the purposes of this Act.

Sec. 4. Upon publication in the Federal Register of the final roll as provided in section 3 of this Act, the rights or beneficial interests in tribal property of each person whose name appears on the roll shall constitute personal property which may be inherited or bequeathed, but shall not otherwise be subject to alienation or encumbrance before the transfer of title to such tribal property as provided in section 5 of this Act without the approval of the Secretary. Any contract made in violation of this section shall be null and void.

Sec. 5. (a) Upon request of a tribe, the Secretary is authorized within two years from the date of this Act to transfer to a corporation or other legal entity organized by the tribe in a form satisfactory to the Secretary title to all or any part of the tribal property, real and personal, or to transfer to one or more trustees designated by the tribe and approved by the Secretary, title to all or any part of such property to be held in trust for management or liquidation purposes under such terms and conditions as may be specified by the tribe and approved by the Secretary, or to sell all or any part of such property and make a pro rata distribution of the proceeds of sale among the members of the tribe after deducting, in his discretion, reasonable costs of sale and distribution.

(b) Title to any tribal property that is not transferred in accordance with the provisions of subsection (a) of this section shall be transferred by the Secretary to one or more trustees designated by him for the liquidation and distribution of assets among the members of the tribe under such terms and conditions as the Secretary may prescribe: Provided, That the trust agreement shall provide for the termination of the trust not more than three years from the date of such transfer unless the term of the trust is extended by order of a judge of a court of record designated in the trust agreement: Provided further, That the trust agreement shall provide that at any time before the sale of tribal property by the trustees the tribe may notify the trustees that it elects to retain such property and to transfer title thereto to a corporation, other legal entity, or trustee in accordance with the provisions of subsection (a) of this section, and that the trustees shall transfer title to such property in accordance with the notice from the tribe if it is approved by the Secretary.

(c) The Secretary shall not approve any form of organization pursuant to subsection (a) of this section that provides for the transfer of stock or an undivided share in corporate assets as compensation for the services of agents or attorneys unless such transfer is based upon an appraisal of tribal assets that is satisfactory to the Secretary.

(d) When approving or disapproving the selection of trustees in accordance with the provisions of subsection (a) of this section, and when designating trustees pursuant to subsection (b) of this section, the Secretary shall give due regard to the laws of the State of Oregon that relate to the selection of trustees.

Sec. 6. (a) The Secretary is authorized and directed to transfer within two years after the date of this Act to each member of each tribe unrestricted control of funds or other personal property held in trust for such member by the United States.

(b) All restrictions on the sale or encumbrance of trust or restricted land owned by members of the tribes (including allottees, purchasers, heirs, and devisees, either adult or minor) are hereby removed two years after the date of this Act and the patents or deeds under which titles are then held shall pass the titles in fee simple, subject to any

valid encumbrance. The titles to all interests in trust or restricted land acquired by members of the tribes by devise or inheritance two years or more after the date of this Act shall vest in such members in fee simple, subject to any valid encumbrance.

(c) Prior to the time provided in subsection (d) of this section for the removal of restrictions on land owned by more than one member of a tribe, the Secretary may—

(1) upon request of any of the owners, partition the land and issue to each owner a patent or deed for his individual share that shall become unrestricted two years from the date of this Act;
(2) upon request of any of the owners and a finding by the Secretary that partition of all or any part of the land is not practicable, cause all or any part of the land to be sold at not less than the appraised value thereof and distribute the proceeds of sale to the owners: Provided, That any one or more of the owners may elect before a sale to purchase the other interests in the land at not less than the appraised value thereof, and the purchaser shall receive an unrestricted patent or deed to the land; and
(3) if the whereabouts of none of the owners can be ascertained, cause such lands to be sold and deposit the proceeds of sale in the Treasury of the United States for safekeeping.

Sec. 7. (a) The Act of June 25, 1910 (36 Stat. 555), the Act of February 14, 1913 (37 Stat. 678), and other Acts amendatory thereto shall not apply to the probate of the trust and restricted property of the members of the tribes who die six months or more after the date of this Act.

(b) The laws of the several States, Territories, possessions, and the District of Columbia with respect to the probate of wills, the determination of heirs, and the administration of decedents' estates shall apply to the individual property of members of the tribes who die six months or more after the date of this Act.

Sec. 8. The Secretary is authorized, in his discretion, to transfer to any tribe or any member or group of members thereof any federally owned property acquired, withdrawn, or used for the administration of the affairs of the tribes subject to this Act which he deems necessary for Indian use, or to transfer to a public or nonprofit body any such property which he deems necessary for public use and from which members of the tribes will derive benefits.

Sec. 9. No property distributed under the provisions of this Act shall at the time of distribution be subject to Federal or State income tax. Following any distribution of property made under the provisions of this Act, such property and any income derived therefrom by the individual, corporation, or other legal entity shall be subject to the same taxes, State and Federal, as in the case of non-Indians: Provided, That for the purpose of capital gains or losses the base value of the property shall be the value of the property when distributed to the individual, corporation, or other legal entity.

Sec. 10. Prior to the transfer of title to, or the removal of restrictions from, property in accordance with the provisions of this Act, the Secretary shall protect the rights of members of the tribes who are minors, non compos mentis, or in the opinion of the Secretary in need of assistance in conducting their affairs by causing the appointment of guardians for such members in courts of competent jurisdiction, or by such other means as he may deem adequate.

Sec. 11. Pending the completion of the property dispositions provided for in this Act, the funds now on deposit, or hereafter deposited in the Treasury of the United States to the credit of a tribe shall be available for advance to the tribe, or for expenditure, for such purposes
as may be designated by the governing body of the tribe and approved by the Secretary.

Sec. 12. The Secretary shall have authority to execute such patents, deeds, assignments, releases, certificates, contracts, and other instruments as may be necessary or appropriate to carry out the provisions of this Act, or to establish a marketable and recordable title to any property disposed of pursuant to this Act.

Sec. 13. (a) Upon removal of Federal restrictions on the property of each tribe and individual members thereof, the Secretary shall publish in the Federal Register a proclamation declaring that the Federal trust relationship to the affairs of the tribe and its members has terminated. Thereafter individual members of the tribe shall not be entitled to any of the services performed by the United States for Indians because of their status as Indians, all statutes of the United States which affect Indians because of their status as Indians, excluding statutes that specifically refer to the tribe and its members, shall no longer be applicable to the members of the tribe, and the laws of the several States shall apply to the tribe and its members in the same manner as they apply to other citizens or persons within their jurisdiction.

(b) Nothing in this Act shall affect the status of the members of a tribe as citizens of the United States.

(c) Prior to the issuance of a proclamation in accordance with the provisions of this section, the Secretary is authorized to undertake, within the limits of available appropriations, a special program of education and training designed to help the members of the tribe to earn a livelihood, to conduct their own affairs, and to assume their responsibilities as citizens without special services because of their status as Indians. Such program may include language training, orientation in non-Indian community customs and living standards, vocational training and related subjects, transportation to the place of training or instruction, and subsistence during the course of training or instruction. For the purposes of such program the Secretary is authorized to enter into contracts or agreements with any Federal, State, or local governmental agency, corporation, association, or person. Nothing in this section shall preclude any Federal agency from undertaking any other program for the education and training of Indians with funds appropriated to it.

Sec. 14. (a) Effective on the date of the proclamation provided for in section 13 of this Act, the corporate charter of the Confederated Tribes of the Grand Ronde Community, Oregon, issued pursuant to the Act of June 18, 1934 (48 Stat. 984), as amended, and ratified by the Community on August 22, 1936, is hereby revoked.

(b) Effective on the date of the proclamation provided for in section 13 of this Act, all powers of the Secretary or other officer of the United States to take, review, or approve any action under the constitution and bylaws of the tribe are hereby terminated. Any powers conferred upon the tribe by such constitution which are inconsistent with the provisions of the Act are hereby terminated. Such termination shall not affect the power of the tribe to take any action under its constitution and bylaws that is consistent with this Act without the participation of the Secretary or other officer of the United States.

Sec. 15. The Secretary is authorized to set off against any indebtedness payable to the tribe or to the United States by an individual member of the tribe, or payable to the United States by the tribe, any funds payable to such individual or tribe under this Act and to deposit the amount set off to the credit of the tribe or the United States as the case may be.

Sec. 16. Nothing in this Act shall affect any claim heretofore filed against the United States by any tribe.
SEC. 17. Nothing in this Act shall abrogate any valid lease, permit, license, right-of-way, lien, or other contract heretofore approved. Whenever any such instrument places in or reserves to the Secretary any powers, duties, or other functions with respect to the property subject thereto, the Secretary may transfer such functions, in whole or in part, to any Federal agency with the consent of such agency.

SEC. 18. The Secretary is authorized to issue rules and regulations necessary to effectuate the purposes of this Act, and may in his discretion provide for tribal referenda on matters pertaining to management or disposition of tribal assets.

SEC. 19. All Acts or parts of Acts inconsistent with this Act are hereby repealed insofar as they affect a tribe or its members. The Act of June 18, 1934 (48 Stat. 948), as amended by the Act of June 15, 1935 (49 Stat. 378), shall not apply to a tribe and its members after the date of the proclamation provided for in section 13 of this Act.

SEC. 20. If any provision of this Act, or the application thereof to any person or circumstance, is held invalid, the remainder of the Act and the application of such provision to other persons or circumstances shall not be affected thereby.

Approved August 13, 1954.

AN ACT

To provide for the compensation of certain persons whose lands have been flooded and damaged by reason of fluctuations in the water level of the Lake of the Woods.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Army is authorized and directed to investigate, as soon as practicable, all claims filed within six months from the date of the enactment of this Act for losses and damages caused after August 26, 1937, to inhabitants of the United States by fluctuations in the water level of the Lake of the Woods due to artificial obstructions placed in the outlets of such lake pursuant to the convention (signed at Washington on February 24, 1925) between the Governments of the United States and Great Britain providing for the regulation of the level of such lake.

SEC. 2. The Secretary of the Army, after due notice and opportunity for hearing, shall ascertain and determine the loss or damage, if any, that may have been sustained by the respective claimants, and to report to the Congress for its consideration the amount or amounts which he finds to be equitably due such claimants, together with a statement in each case of the substantial facts upon which the conclusion is based. The amounts found to be due the respective claimants for such loss or damage may be based upon any flooding exceeding elevation one thousand and sixty-four sea-level datum, and upon any flooding between elevations one thousand sixty-two and five-tenths and one thousand and sixty-four sea-level datum unaffected by winds, as provided in the convention (signed at Washington on February 24, 1925) between the Governments of the United States and Great Britain providing for the regulation of the level of such lake.
