Public Law 78

AN ACT

Making appropriations for the Department of the Interior and related agencies for the fiscal year ending June 30, 1956, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the Department of the Interior and related agencies for the fiscal year ending June 30, 1956, namely:

TITLE I—DEPARTMENT OF THE INTERIOR

OFFICE OF THE SECRETARY

RESEARCH IN THE UTILIZATION OF SALINE WATER

For expenses necessary to carry out provisions of Public Law 448, approved July 3, 1952, authorizing studies of the conversion of saline water for beneficial consumptive uses, $400,000.

OIL AND GAS DIVISION

For necessary expenses to enable the Secretary to discharge his responsibilities with respect to oil and gas, including cooperation with the petroleum industry and State authorities in the production, processing, and utilization of petroleum and its products, and natural gas; and for controlling the interstate shipment of contraband oil as required by law (15 U. S. C. 715); including purchase of not to exceed two passenger motor vehicles for replacement only: $390,000.

OFFICE OF THE SOLICITOR

For necessary expenses of the Office of the Solicitor, including purchase of three passenger motor vehicles for replacement only, $2,525,000, and in addition, not to exceed $100,000 may be reimbursed or transferred to this appropriation from other accounts available to the Department of the Interior: Provided, That hearing officers appointed for Indian probate work need not be appointed pursuant to the Administrative Procedure Act (60 Stat. 237), as amended.

OFFICE OF MINERALS MOBILIZATION

For expenses necessary to enable the Secretary to discharge his responsibilities, including cooperation with the metals and minerals industry, with respect to the conservation, exploration, development, production, and utilization of mineral resources, including solid fuels, $325,000.

BUREAU OF LAND MANAGEMENT

MANAGEMENT OF LANDS AND RESOURCES

For expenses necessary for protection, use, improvement, development, disposal, cadastral surveying, classification, and performance of other functions, as authorized by law, in the management of lands and their resources under the jurisdiction of the Bureau of Land Management, including $35,000 for the operation and maintenance of access roads on the revested Oregon and California Railroad grant lands, $13,450,000: Provided, That this appropriation may be expended on a reimbursable basis for surveys of lands other than...
those under the jurisdiction of the Bureau of Land Management: Provided further, That, for the purposes of surveying federally controlled or intermingled lands and operation and maintenance of access roads, contributions toward the costs thereof may be accepted.

CONSTRUCTION

For construction of access roads on the revested Oregon and California Railroad grant lands; acquisition of rights-of-way and of existing connecting roads adjacent to such lands; and for acquisition and construction of buildings and appurtenant facilities in Alaska; to remain available until expended, $2,300,000: Provided, That the amount appropriated herein for road construction shall be transferred to the Bureau of Public Roads, Department of Commerce: Provided further, That the amount appropriated herein for construction of access roads on the revested Oregon and California Railroad grant lands and in addition, amounts available for operation and maintenance of such access roads under the appropriation “Management of lands and resources” are hereby made a reimbursable charge against the Oregon and California land-grant fund and shall be reimbursed to the general fund in the Treasury in accordance with the provisions of the second paragraph of subsection (b) of title II of the Act of August 28, 1937.

ADMINISTRATIVE PROVISIONS

Appropriations for the Bureau of Land Management shall be available for purchase of two aircraft and twenty-one passenger motor vehicles for replacement only; purchase, erection, and dismantlement of temporary structures, and alteration and maintenance of necessary buildings and appurtenant facilities to which the United States has title: Provided, That of appropriations herein made for the Bureau of Land Management expenditures in connection with the revested Oregon and California Railroad and reconveyed Coos Bay Wagon Road grant lands (other than expenditures for construction and operation and maintenance of access roads and for acquisition of rights-of-way and of existing connecting roads adjacent to such lands) shall be reimbursed from the 25 per centum referred to in section C, title II, of the Act approved August 28, 1937, of the special fund designated the “Oregon and California Land Grant Fund” and section 4 of the Act approved May 24, 1939, of the special fund designated the “Coos Bay Wagon Road Grant Fund”.

RANGE IMPROVEMENTS

For construction, purchase, and maintenance of range improvements pursuant to the provisions of sections 3 and 10 of the Act of June 28, 1934, as amended (43 U. S. C. 315), sums equal to the aggregate of all moneys received, during the current fiscal year, as range improvement fees under section 3 of said Act and of 25 per centum of all moneys received, during the current fiscal year, under section 15 of said Act, to remain available until expended.

BUREAU OF INDIAN AFFAIRS

EDUCATION AND WELFARE SERVICES

For expenses necessary to provide education and welfare services for Indians, either directly or in cooperation with States and other organizations, including payment (in advance or from date of admis-
sion), of care, tuition, assistance, and other expenses of Indians in boarding homes, institutions, or schools; grants and other assistance to needy Indians; maintenance of law and order, and payment of rewards for information or evidence concerning violations of law on Indian reservations or lands; and operation of Indian arts and crafts shops and museums; $41,764,995.

RESOURCES MANAGEMENT

For expenses necessary for management, development, improvement, and protection of resources and appurtenant facilities under the jurisdiction of the Bureau of Indian Affairs, including payment of irrigation assessments and charges; acquisition of water rights; advances for Indian industrial and business enterprises; operation of Indian arts and crafts shops and museums; and development of Indian arts and crafts as authorized by law; $12,482,000, and in addition, $200,000 of the Revolving Fund for Loans, Bureau of Indian Affairs, shall be used in connection with administering loans to Indians.

CONSTRUCTION

For construction, major repair, and improvement of irrigation and power systems, buildings, utilities, roads and trails, and other facilities; acquisition of lands and interests in lands; preparation of lands for farming; and architectural and engineering services by contract; payment to the Klamath Tribe of Indians, Oregon, as authorized by section 13c of the Act of August 13, 1954 (Public Law 887); to remain available until expended, $7,979,003, of which not to exceed $11,647 shall be available for reimbursing the city of New Town, North Dakota, for the cost of improvements to streets and appurtenant facilities adjoining property under the jurisdiction of the Bureau of Indian Affairs, and not to exceed $40,000 shall be available for assistance to the public-school district for constructing additional classroom facilities at Seligman, Arizona: Provided, That no part of the sum herein appropriated shall be used for the acquisition of land within the States of Arizona, California, Colorado, New Mexico, South Dakota, Utah, and Wyoming outside of the boundaries of existing Indian reservations: Provided further, That no part of this appropriation shall be used for the acquisition of land or water rights within the States of Nevada, Oregon, and Washington either inside or outside the boundaries of existing reservations: Provided further, That the Secretary is authorized to purchase, without regard to the prohibition against the acquisition of land or water rights contained herein, not to exceed fifteen acres of lands within the Klamath Indian Reservation, Oregon, required for the construction of two pumping plants and an equalizing basin for the Modoc Point Indian irrigation system and not to exceed four hundred acres of lands within the Colville Indian Reservation, Washington, required for the construction of Mill Creek Reservoir of the Nespelem Unit of the Colville Indian irrigation project: Provided further, That of the amount included herein for the construction of roads and trails, such part of the amount as determined by the Commissioner of Indian Affairs shall be available only for roads and trails which State and local governments agree to take over and maintain when the improvement is completed.
ROAD CONSTRUCTION AND MAINTENANCE (LIQUIDATION OF CONTRACT AUTHORIZATION)

For liquidation of obligations incurred pursuant to authority contained in section 6 of the Federal-Aid Highway Act of 1954 (68 Stat. 73), $7,000,000, to remain available until expended.

GENERAL ADMINISTRATIVE EXPENSES

For expenses necessary for the general administration of the Bureau of Indian Affairs, including such expenses in field offices, $2,600,000.

RELOCATION OF THE YANKTON SIOUX TRIBE

For necessary expenses of completing the relocation of the Yankton Sioux Tribe, South Dakota, in accordance with section 8 of the Public Law Numbered 478, Eighty-third Congress, to remain available until expended, $56,500: Provided, That said amount shall be assessed against the costs of the Fort Randall Dam and Reservoir, Missouri River Development.

ADMINISTRATIVE PROVISIONS

Appropriations for the Bureau of Indian Affairs (except the revolving fund for loans) shall be available for expenses of exhibits; purchase of not to exceed one hundred and seventy-five passenger motor vehicles for replacement only, which may be used for the transportation of Indians; advance payments for service (including services which may extend beyond the current fiscal year) under contracts executed pursuant to the Act of June 4, 1936 (25 U. S. C. 452), and legislation terminating Federal supervision over certain Indian tribes; purchase of ice for official use of employees; and expenses required by continuing or permanent treaty provisions.

TRIBAL FUNDS

In addition to the tribal funds authorized to be expended by existing law, there is hereby appropriated $3,100,000, from tribal funds not otherwise available for expenditure for the benefit of Indians and Indian tribes, including pay and travel expenses of employees; care, tuition and other assistance to Indian children attending public and private schools (which may be paid in advance or from date of admission); purchase of land and improvements on land, title to which shall be taken in the name of the United States in trust for the tribe for which purchased; lease of lands and water rights; compensation and expenses of attorneys and other persons employed by Indian tribes under approved contracts; pay, travel and other expenses of tribal officers, councils, and committees thereof, or other tribal organizations, including mileage for use of privately owned automobiles and per diem in lieu of subsistence at rates established administratively but not to exceed those applicable to civilian employees of the Government; relief of Indians, without regard to section 7 of the Act of May 27, 1930 (46 Stat. 391), including cash grants; and employment of a recreational director for the Menominee Reservation and a curator for the Osage Museum, each of whom shall be appointed with the approval of the respective tribal councils and without regard to the classification laws: Provided, That in addition to the amount appropriated herein, tribal funds may be advanced to Indian tribes during the current fiscal year for such purposes as may be designated by the governing body of the particular tribe involved and approved by the Secretary: Provided further, That not to exceed $100,000 from the funds credited to the...
Indians of California under the Act of May 18, 1928 (45 Stat. 602), for expenses of moving and relocating houses available to said Indians under the Act of August 2, 1954 (68 Stat. 590, 613), but not more than $300 may be expended for any one house; Provided, however, That no part of this appropriation or other tribal funds shall be used for the acquisition of land or water rights within the States of Nevada, Oregon, Washington, and Wyoming, either inside or outside the boundaries of existing Indian reservations, if such acquisition results in the property being exempted from local taxation.

**Geological Survey**

**Surveys, Investigations, and Research**

For expenses necessary for the Geological Survey to perform surveys, investigations, and research covering topography, geology, and the mineral and water resources of the United States, its Territories and possessions; classify lands as to mineral character and water and power resources; give engineering supervision to power permits and Federal Power Commission licenses; enforce departmental regulations applicable to oil, gas, and other mining leases, permits, licenses, and operating contracts; publish and disseminate data relative to the foregoing activities; and the preparation of plans and specifications for a building or buildings to meet the special needs of the Geological Survey in the metropolitan area of Washington, D. C.; $26,635,000, of which $4,350,000 shall be available only for cooperation with States or municipalities for water resources investigations: Provided, That no part of this appropriation shall be used to pay more than one-half the cost of any topographic mapping or water resources investigations carried on in cooperation with any State or municipality.

**Administrative Provisions**

The amount appropriated for the Geological Survey shall be available for purchase of not to exceed seventy-seven passenger motor vehicles for replacement only; reimbursement of the General Services Administration for security guard service for protection of confidential files; contracting for the furnishing of topographic maps and for the making of geophysical or other specialized surveys when it is administratively determined that such procedures are in the public interest; construction and maintenance of necessary buildings and appurtenant facilities; acquisition of lands for gaging stations; and payment of compensation and expenses of persons on the rolls of the Geological Survey appointed, as authorized by law, to represent the United States in the negotiation and administration of interstate compacts, including not to exceed $10,000 for the person appointed by the President to participate as the representative of the United States in the administration of the compact consented to by the Act of May 31, 1949 (Public Law 82): Provided, That notwithstanding the provisions of any other law, the President is authorized to appoint a retired officer as such representative, without prejudice to his status as a retired Army officer, and he shall receive such compensation and expenses in addition to his retired pay.
