SEC. 203. The Governor of the Canal Zone is authorized to employ services as authorized by section 15 of the Act of August 2, 1946 (5 U. S. C. 55a), in an amount not exceeding $15,000: Provided, That the rates for individuals shall not exceed $100 per diem.

SEC. 205. The Governor of the Canal Zone and the President of the Panama Canal Company, in computing allowances for the cost of travel on home leave for persons who elect at their expense to take other than the lowest first-class travel to the United States, shall take into account as the cost to the United States the actual cost, as computed by the General Accounting Office, of travel by United States owned and operated vessels rather than a reduced fare rate which is available for such employees when traveling on their own account.

SEC. 206. Notwithstanding the provisions of any other law, the Officer of the Army now serving as Governor of the Canal Zone shall, effective upon the day preceding his retirement, be considered to hold
the grade of major general for all purposes, without regard to any
limitations on the number of officers in that grade, and shall receive the
pay and allowances of an officer of that grade and his length of service,
and when retired under any provision of law shall be advanced on the
retired list to such grade and shall receive the retired or retirement pay
at the rate prescribed by law computed on the basis of the basic pay
which he would receive if serving on active duty in such grade.
