Public Law 1027 CHAPTER 1039

August 8, 1956
[S. 2379]

AN ACT

To promote the fishing industry in the United States and its Territories by providing for the training of needed personnel for such industry.

Fishing industry.
Personnel training grants.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) the Secretary of the Interior is authorized to make grants, out of funds appropriated for the purposes of this section, to public and nonprofit private universities and colleges in the several States and Territories of the United States for such purposes as may be necessary to promote the education and training of professionally trained personnel (including scientists, technicians, and teachers) needed in the field of commercial fishing. Any amount appropriated for the purposes of this section shall be apportioned on an equitable basis, as determined by the Secretary of the Interior, among the several States and Territories for the purpose of making grants within each such State and Territory. In making such apportionment the Secretary of the Interior shall take into account the extent of the fishing industry within each State and Territory as compared with the total fishing industry of the United States (including Territories), and such other factors as may be relevant in view of the purposes of this section.

Appropriation.

(b) There are authorized to be appropriated not in excess of $550,000 for the fiscal year beginning on July 1, 1955, and for each fiscal year thereafter for the purposes of this section.

Regulations.

(c) The Secretary of the Interior may establish such regulations as may be necessary to carry out the provisions of this section.

60 Stat. 775.
20 USC 15j.

SEC. 2. (a) Section 3 (a) of the Vocational Education Act of 1946 is amended by inserting after paragraph (4) the following new paragraph:

Appropriation.

"(5) $375,000 for vocational education in the fishery trades and industry and distributive occupations therein, to be apportioned for expenditure in the several States and Territories on an equitable basis, as determined by the United States Commissioner of Education after consultation with the Secretary of the Interior, taking into account the extent of the fishing industry of each State and Territory as compared with the total fishing industry of the United States (including Territories)."

(b) Section 3 (b) of such Act is amended by striking out "paragraphs (1) to (4)" and inserting in lieu thereof "paragraphs (1) to (5)".

Approved August 8, 1956.
