Public Law 654 CHAPTER 512

July 3, 1956
[H. R. 7641]

AN ACT

To authorize the Secretary of the Interior to cooperate with Federal and non-Federal agencies in the prevention of waterfowl depredations, and for other purposes.

Waterfowl crop damage, prevention.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That, for the purpose of preventing crop damage by migratory waterfowl, the Commodity Credit Corporation shall make available to the Secretary of the Interior such wheat, corn, or other grains, acquired through price support operations and certified by the Commodity Credit Corporation to be available for purposes of this Act or in such condition through spoilage or deterioration as not to be desirable for human consumption, as the Secretary of the Interior shall requisition pursuant to section 2 hereof. With respect to any grain thus made available, the Commodity Credit Corporation may pay packaging, transporting, handling, and other charges up to the time of delivery to one or more designated locations in each State.

SEC. 2. Upon a finding by the Secretary of the Interior that any area in the United States is threatened with damage to farmers' crops by migratory waterfowl, whether or not during the open season for such migratory waterfowl, the Secretary of the Interior is hereby authorized and directed to requisition from the Commodity Credit Corporation and to make available to Federal, State, or local governmental bodies or officials, or to private organizations or persons, such grain acquired by the Commodity Credit Corporation through price-support operations in such quantities and subject to such regulations as the Secretary determines will most effectively lure migratory waterfowl away from crop depredations and at the same time not expose such migratory waterfowl to shooting over areas to which the waterfowl have been lured by such feeding programs.

SEC. 3. With respect to all grain made available pursuant to section 2, the Commodity Credit Corporation shall be reimbursed by the Secretary of the Interior for its expenses in packaging and transporting such grain for purposes of this Act.

Appropriation.

SEC. 4. There are hereby authorized to be appropriated such sums as may be necessary to reimburse the Commodity Credit Corporation for its investment in the grain transferred pursuant to this Act.

SEC. 5. No grain shall be made available by the Commodity Credit Corporation under this Act after the expiration of three years following its enactment.

Approved July 3, 1956.
