(d) Under such regulations as the Secretary concerned may prescribe, any qualified Reserve may, upon his request, be placed in the Ready Reserve.

(e) Except in time of war or of national emergency declared by Congress, a Reserve who is not on active duty, or who is on active duty for training, shall, upon his request, be transferred to the Standby Reserve for the rest of his term of service, if—

(b) An inactive status list shall be maintained in the Standby Reserve. Whenever an authority designated by the Secretary concerned considers that it is in the best interest of the armed force concerned, a member in the Standby Reserve who is not required to remain a Reserve, and who cannot participate in prescribed training, may, if qualified, be transferred to the inactive status list under regulations to be prescribed by the Secretary concerned. These regulations shall fix the conditions under which such a member is entitled to be returned to an active status.

(b) In this section "partial mobilization" means the mobilization resulting from action by Congress or the President, under any law, to bring units of any reserve component, and members not assigned to units organized to serve as units, to active duty for a limited expansion of the active armed forces.

The Secretary of Defense shall require the complete and current dissemination, to all Reserves and to the public, of information of interest to the reserve components.

§ 280. Regulations

Subject to standards, policies, and procedures prescribed by the Secretary of Defense, the Secretary of each military department shall prescribe such regulations as he considers necessary to carry out chapters 11, 35, 39, and 59, and sections 715, 1003, 1004, 1032, 1376, 2001, 2511, 3077, 3079, 3221, 3224, 3259, 3260, 3261, 3351, 3352, 3353, 3495, 3498, 3685, 3686, 5251, 5252, 5456, 5597, 6150, 6327, 6483, 7225, 7226, 7854, 8077, 8079, 8221, 8224, 8259, 8260, 8261, 8351, 8352, 8353, 8495, 8498, 8685, and 8686 of this title. The Secretary of the Treasury, with the concurrence of the Secretary of the Navy, shall prescribe such regulations as he considers necessary to carry out chapters 11, 35, 39, and 59, and sections 513, 715, 742, 1003, 1004, 1032, 1376, 2001, and 2511 of this title, so far as they relate to the Coast Guard, except when the Coast Guard is operating as a service in the Navy. So far as practicable, regulations for all reserve components shall be uniform.

312. Militia duty: exemptions.

§ 311. Militia: composition and classes

(a) The militia of the United States consists of all able-bodied males at least 17 years of age and, except as provided in section 313 of title 32, under 45 years of age who are, or who have made a declaration of intention to become, citizens of the United States.

(b) The classes of the militia are—

(1) the organized militia, which consists of the National Guard and the Naval Militia; and
(2) the unorganized militia, which consists of the members of the militia who are not members of the National Guard or the Naval Militia.
§ 312. Militia duty: exemptions

(a) The following persons are exempt from militia duty:

(1) The Vice President.
(2) The judicial and executive officers of the United States, the several States and Territories, Puerto Rico, and the Canal Zone.

However, such a person is not exempt from militia duty that the President determines to be noncombatant.

CHAPTER 15.—INSURRECTION

§ 331. Federal aid for State governments

Whenever there is an insurrection in any State against its government, the President may, upon the request of its legislature or of its governor if the legislature cannot be convened, call into Federal service such of the militia of the other States, in the number requested by that State, and use such of the armed forces, as he considers necessary to suppress the insurrection.

§ 332. Use of militia and armed forces to enforce Federal authority

Whenever the President considers that unlawful obstructions, combinations, or assemblages, or rebellion against the authority of the United States, make it impracticable to enforce the laws of the United States in any State or Territory by the ordinary course of judicial proceedings, he may call into Federal service such of the militia of any State, and use such of the armed forces, as he considers necessary to enforce those laws or to suppress the rebellion.

§ 333. Interference with State and Federal law

The President, by using the militia or the armed forces, or both, or by any other means, shall take such measures as he considers necessary to suppress, in a State, any insurrection, domestic violence, unlawful combination, or conspiracy, if it—

(1) so hinders the execution of the laws of that State, and of the United States within the State, that any part or class of its
people is deprived of a right, privilege, immunity, or protection named in the Constitution and secured by law, and the constituted authorities of that State are unable, fail, or refuse to protect that right, privilege, or immunity, or to give that protection; or

(2) opposes or obstructs the execution of the laws of the United States or impedes the course of justice under those laws.

In any situation covered by clause (1), the State shall be considered to have denied the equal protection of the laws secured by the Constitution.

§ 334. Proclamation to disperse

Whenever the President considers it necessary to use the militia or the armed forces under this chapter, he shall, by proclamation, immediately order the insurgents to disperse and retire peaceably to their abodes within a limited time.

(b) This section applies during a war and at any other time when the President determines that the security of the United States is threatened by the application, or the imminent danger of application, of physical force by any foreign government or agency against the United States, its citizens, the property of its citizens, or their commercial interests.

(c) Section 463 of title 22 does not apply to vessels armed under this section.

CHAPTER 31.—ENLISTMENTS

§ 501. Enlistment oath: who may administer.

Each person enlisting in an armed force shall take the following oath:

"I, ________________ do solemnly swear (or affirm) that I will bear true faith and allegiance to the United States of America; that I will serve them honestly and faithfully against all their enemies whomsoever; and that I will obey the orders of the President of the United States and the orders of the officers appointed over me, according to regulations and the Uniform Code of Military Justice."

The oath may be taken before any commissioned officer of any armed force.

§ 510. Reserve components: qualifications.

(a) To become an enlisted member of a reserve component a person must be enlisted as a Reserve of an armed force and subscribe to the oath prescribed by section 501 of this title, or be transferred to that component according to law. In addition, to become an enlisted member of the Army National Guard of the United States or the Air National Guard of the United States, he must meet the requirements of section 3261 or 8261 of this title.

(b) Except as otherwise provided by law, the Secretary concerned shall prescribe physical, mental, moral, professional, and age qualifications for the enlistment of persons as Reserves of the armed forces under his jurisdiction. However, no person may be enlisted as a Reserve unless—

(1) he is, or has made a declaration of intention to become, a citizen of the United States or of a possession thereof; or
(2) he has previously served in the armed forces or in the National Security Training Corps.

(c) Women may be enlisted as Reserves of the armed forces for service in the Army Reserve, Naval Reserve, Air Force Reserve, Marine Corps Reserve, and Coast Guard Reserve. Women are enlisted in the grades and ratings authorized for enlisted women of the regular component of the armed force concerned. Any female former enlisted member of an armed force may, if otherwise qualified, be enlisted as a Reserve of that armed force in the highest grade or rating in which she previously served satisfactorily on active duty (other than for training).
(d) A person who is otherwise qualified, but who has a physical
defect that the Secretary concerned determines will not interfere
with the performance of the duties to which that person may be
assigned, may be enlisted as a Reserve of any armed force under the
jurisdiction of that Secretary.

§ 511. Reserve components: terms

(a) Except as otherwise prescribed by law, enlistments as Reserves
are for terms prescribed by the Secretary concerned. However, an
enlistment that is in effect at the beginning of a war or of a national
emergency declared by Congress, or entered into during such a war or
emergency, and that would otherwise expire, continues in effect until
the expiration of six months after the end of that war or emergency,
whichever is later, unless sooner terminated by the Secretary concerned.

(b) In time of war or of national emergency declared by Congress
the term of service of an enlisted member transferred to a reserve
component according to law, that would otherwise expire, continues
until the expiration of six months after the end of that war or emer­
gency, whichever is later, unless sooner terminated by the Secretary
concerned.

§ 512. Reserve components: transfers

(a) A person who would otherwise be required to be transferred to
a reserve component under section 651 of this title or under sections
451-473 of title 50, appendix, is entitled, if he is qualified and accepted,
to be enlisted in any armed force that he chooses and to participate in
the programs authorized for that armed force. However, unless the
two Secretaries concerned consent, he may not be enlisted as a Reserve
of an armed force other than that from which he is transferred.
All periods of his participation shall be credited against the total
period of service required of him under section 651 of this title or
under sections 451-473 of title 50, appendix. However, no period
may be credited more than once.

(b) A person covered by subsection (a) shall perform the rest of
his required term of service in the armed force in which he is so
enlisted or in any other armed force in which he is later enlisted or
appointed.

(c) This section does not change any term of service under an
appointment, enlistment, or agreement, including an agreement made
before or at the time when the member entered upon a program
authorized by an armed force.

§ 513. Reserve components: promotions

The Secretary concerned shall establish an adequate and equitable
system for promoting enlisted members of the reserve components
under his jurisdiction who are in an active status. So far as prac­
ticable, each promotion system shall be similar to that for members of
the regular component of the armed force concerned. Each promo­
tion system shall provide for forced attrition to the extent necessary
to maintain vigorous reserve forces, encourage necessary leadership,
and provide a steady flow of promotions.
§ 514. Bounties prohibited; substitutes prohibited
(a) No bounty may be paid to induce any person to enlist in an armed force. A clothing allowance or enlistment bonus authorized by law is not a bounty for the purposes of this subsection.
(b) No person liable for active duty in an armed force under this subtitle may furnish a substitute for that active duty. No person may be enlisted or appointed in an armed force as a substitute for another person.

§ 515. Reenlistment after discharge as warrant officer
A person who has been discharged from a regular component of an armed force under section 1165 or 1166 of this title may, upon his request and in the discretion of the Secretary concerned, be enlisted in that armed force in the grade prescribed by the Secretary. However, a person discharged under section 1165 of this title may not be enlisted in a grade lower than the grade that he held immediately before appointment as a warrant officer.

CHAPTER 33.—APPOINTMENTS IN REGULAR COMPONENTS

§ 541. Graduates of the United States Military, Naval, and Air Force Academies
(a) Notwithstanding any other provision of law, each cadet at the United States Military Academy or the United States Air Force Academy, and each midshipman at the United States Naval Academy, is entitled, before graduating from that Academy, to state his preference for appointment, upon graduation, as a commissioned officer in either the Army, Navy, Air Force, or Marine Corps.
(b) With the consent of the Secretary of the military department administering the Academy from which the cadet or midshipman is to be graduated, and of the Secretary of the military department having jurisdiction over the armed force for which that graduate stated his preference, the graduate is entitled to be accepted for appointment in that armed force. However, not more than 121/2 percent of any graduating class at an Academy may be appointed in armed forces not under the jurisdiction of the military department administering that Academy.
(c) The Secretary of Defense shall, by regulation, provide for the equitable distribution of appointments in cases where more than 121/2 percent of the graduating class of any Academy request appointment in armed forces not under the jurisdiction of the military department administering that Academy.

§ 555. Warrant officers: grades

(a) The regular warrant officer grades in each armed force corresponding to the pay grades prescribed for warrant officers by section 232 (a) of title 37 are as follows:

<table>
<thead>
<tr>
<th>Warrant officer grade:</th>
<th>Pay Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>Chief warrant officer, W-4</td>
<td>W-4</td>
</tr>
<tr>
<td>Chief warrant officer, W-3</td>
<td>W-3</td>
</tr>
<tr>
<td>Chief warrant officer, W-2</td>
<td>W-2</td>
</tr>
<tr>
<td>Warrant officer, W-1</td>
<td>W-1</td>
</tr>
</tbody>
</table>

(b) Appointments of regular chief warrant officers of the Army and the Air Force shall be made by warrant by the Secretary concerned. Permanent appointments of regular chief warrant officers of the Navy, Marine Corps, and Coast Guard shall be made by commission by the President, by and with the advice and consent of the Senate. Permanent appointments of regular warrant officers, W-1, shall be made by warrant by the Secretary concerned.

§ 556. Warrant officers: original appointment; service credit

For the purposes of promotion, persons originally appointed in regular warrant officer grades under section 555 of this title shall be credited with such service as the Secretary concerned may prescribe. However, such a person may not be credited with a period of service greater than the period of active service performed in the grade, or pay grade corresponding to the grade, in which so appointed, or in any higher grade or pay grade.

§ 557. Warrant officers: promotion; qualifications

(a) The promotion of permanent regular warrant officers to permanent regular warrant officer grades shall be governed by such regulations relating to physical, moral, and professional qualifications as the Secretary concerned may prescribe. However, the physical qualifications for promotion must be the same as those prescribed for retention on active duty.

(b) A regular warrant officer who is selected for promotion to the next higher regular warrant officer grade under this chapter, but who, within such time as may be prescribed by the Secretary concerned, fails to meet the moral and professional qualifications prescribed by the Secretary under subsection (a), shall be treated as if he had twice failed of selection for promotion.

§ 558. Warrant officers: promotion; selection boards

(a) Whenever the Secretary concerned determines that the needs of the service so require, but at least once a year, he shall appoint selection boards to consider permanent regular warrant officers for promotion to permanent regular warrant officer grades. Each board shall be composed of at least five officers of the armed force concerned who hold a permanent regular grade above major or lieutenant commander.
(b) No officer may serve on two consecutive boards under this section, if the second board considers any warrant officer who was considered by the first board.

(c) The Secretary concerned shall prescribe all other matters relating to the functions and duties of the boards, including the number of members constituting a quorum.

§ 559. Warrant officers: eligibility for promotion

Each permanent regular warrant officer shall be considered by a selection board for promotion to the next higher permanent regular warrant officer grade far enough in advance of the date upon which he will complete (1) three years of service in his permanent regular warrant officer grade, if he is in the grade of warrant officer, W-1, or (2) six years of service in his permanent regular warrant officer grade, if he is in the grade of chief warrant officer, W-2, or chief warrant officer, W-3, so that he may be promoted as of the day after the date on which he will complete that service.

§ 560. Warrant officers: promotion; selection procedure

(a) The Secretary concerned shall furnish each selection board a list of all permanent regular warrant officers, in order of seniority in permanent regular grade, who are eligible to be considered for promotion to the next higher permanent regular warrant officer grade.

(b) From the list of warrant officers, W-1, the selection board shall select those whom it considers fully qualified for promotion. It shall also report the names of those whom it recommends for termination under section 1164 of this title.

(c) The Secretary concerned shall prescribe the number of warrant officers who may be selected under this section for promotion to each of the grades of chief warrant officer, W-3, and chief warrant officer, W-4. The number so prescribed by him for a grade may not be less than 80 percent of the number of warrant officers who are being considered for the first time for promotion to that grade.

(d) From the list of chief warrant officers, W-2, and chief warrant officers, W-3, the selection board shall select for promotion to the next higher permanent regular warrant officer grade those whom it considers best qualified for promotion, but not more than the number specified by the Secretary.

(e) Under such regulations as the Secretary may prescribe, the selection board shall report the names of those chief warrant officers considered by it whose records and reports establish, in its opinion, their unfitness or unsatisfactory performance in their permanent regular grades. A warrant officer whose name is so reported shall be retired, enlisted, or separated under section 1165 or 1166 of this title.

(f) The names of warrant officers selected for promotion under this section shall be arranged in the board's report in order of seniority in permanent regular grade.

(g) The report of the selection board shall be submitted to the Secretary concerned. The Secretary may approve or disapprove all or part of the report.
§ 561. Warrant officers: effect of failure of selection for promotion

A regular warrant officer who has been considered by a selection board for promotion under section 559 of this title, but not selected, shall be considered for promotion by each later selection board that considers officers in his permanent regular grade, until he is retired, separated, or selected for promotion.

§ 562. Warrant officers: disapproval of promotion by Secretary concerned, President, or Senate

(a) If the Secretary concerned, the President, or the Senate disapproves the promotion of a permanent regular warrant officer before it takes effect, his name shall be removed from the list of those selected for the promotion and he continues to be eligible for consideration for promotion.

(b) If the next selection board selects that warrant officer for promotion, his name shall be replaced without prejudice on the list from which it was removed. If he is promoted, his date of appointment is the date it would have been had his name not been removed.

(c) If the next selection board does not select him for promotion, or if his name is again removed under subsection (a) from the list of officers selected by the next selection board, he shall be treated as if he had twice failed of selection for promotion.

§ 563. Warrant officers: promotion; effective date

(a) A permanent regular warrant officer who is selected for promotion to the next higher permanent regular warrant officer grade by the first selection board that considered him for promotion to that grade, and who is qualified under section 557 (a) of this title, shall be promoted to that grade. His date of appointment in that grade is the day after he completes the service prescribed in section 559 of this title.

(b) A permanent regular warrant officer who is selected for promotion to the next higher permanent regular warrant officer grade after having previously failed of selection for promotion to that grade, and who is qualified under section 557 (a) of this title, shall be promoted to that grade. His date of appointment in that grade is the earlier of the following dates:

(1) One year after the date upon which his promotion would have been effective had he been selected by the last selection board that failed to select him.

(2) The earliest date upon which any warrant officer who did not fail of selection, and whose name follows his on the list submitted to the Secretary under section 560 (g) of this title, is promoted to that grade.

§ 564. Warrant officers: effect of second failure of promotion

(a) Unless retired or separated under some other provision of law, a permanent regular warrant officer who has twice failed of selection for promotion to the next higher permanent regular warrant officer grade shall—
(1) if he has more than 20 years of active service that could be credited to him under section 311 of title 37 on (A) the date when the Secretary concerned approves the report of the board under section 560 (g) of this title, (B) the date when his name was removed from the recommended list under section 563 (a) of this title, or (C) the date prescribed by the Secretary concerned under section 557 (b) of this title, whichever applies, be retired 60 days after that date, except as provided by section 47a of title 5, with retired pay computed under section 1401 of this title;

(2) if he has at least 18 but not more than 20 years of such active service on (A) the date when the Secretary concerned approves the report of the board under section 560 (g) of this title, (B) the date when his name was removed from the recommended list under section 562 (a) of this title, or (C) the date prescribed by the Secretary concerned under section 557 (b) of this title, whichever applies, be retired 60 days after the date upon which he completes 20 years of active service, except as provided by section 47a of title 5, with retired pay computed under section 1401 of this title, unless he is selected for promotion to the next higher permanent regular grade before that date; or

(3) if he has less than 18 years of such active service on (A) the date when the Secretary concerned approves the report of the board under section 560 (g) of this title, (B) the date when his name was removed from the recommended list under section 562 (a) of this title, or (C) the date prescribed by the Secretary concerned under section 557 (b) of this title, whichever applies, be separated 60 days after that date with severance pay computed under section 1167 of this title, unless—

(A) upon his request and in the discretion of the Secretary concerned, he is enlisted in the grade prescribed by the Secretary; or

(B) he is serving on active duty in a grade above chief warrant officer, W-4, and elects, with the consent of the Secretary concerned, to remain on active duty in that status.

(b) The Secretary concerned may defer, for not more than four months, the retirement or separation under this section of any warrant officer if, because of unavoidable circumstances, evaluation of his physical condition and determination of his entitlement to retirement or separation for physical disability require hospitalization or medical observation that cannot be completed before the date when he would otherwise be required to retire or be separated under this section.

(c) The Secretary concerned may defer, until such date as he prescribes, the retirement under subsection (a) of a warrant officer who is serving on active duty as a commissioned officer and who elects to continue to so serve.

(d) If a warrant officer who also holds a grade above chief warrant officer, W-4, is retired or separated under subsection (a), his commission in the higher grade shall be terminated on the date when he is so retired or separated.
§ 565. Warrant officers: suspension of laws for promotion or mandatory retirement or separation during war or emergency

In time of war, or of emergency declared after May 29, 1954, by Congress or the President, the President may suspend the operation of any provision of law relating to promotion, or mandatory retirement or separation, of permanent regular warrant officers of any armed force.

In addition, to become an officer of the Army National Guard of the United States or the Air National Guard of the United States, he must first be appointed to, and be federally recognized in, the same grade in the Army National Guard or the Air National Guard, as the case may be.

(b) Except as otherwise provided by law, the Secretary concerned shall prescribe physical, mental, moral, professional, and age qualifications for the appointment of persons as Reserves of the armed forces under his jurisdiction. 1. he is, or has made a declaration of intention to become, a citizen of the United States or of a possession thereof; or
2. he has previously served in the armed forces or in the National Security Training Corps.

(c) Women may be appointed as Reserves of the armed forces for service in the Army Reserve, Naval Reserve, Air Force Reserve, Marine Corps Reserve, and Coast Guard Reserve. Women are appointed in grades corresponding to the grades authorized for female officers of the regular component of the armed force concerned. Any female former officer of an armed force may, if otherwise qualified, be appointed as a Reserve of that armed force in the highest grade in which she previously served satisfactorily on active duty (other than for training).

(d) A person who is otherwise qualified, but who has a physical defect that the Secretary concerned determines will not interfere with the performance of the duties to which that person may be as-
signed, may be appointed as a Reserve of any armed force under the jurisdiction of that Secretary.

§ 593. Commissioned officers: appointment, how made; term

(a) Appointments of Reserves in commissioned grades below general officer and flag officer, except commissioned warrant officer, shall be made by the President alone. Appointments of Reserves as general and flag officers shall be made by the President, by and with the advice and consent of the Senate.

(b) Appointments of Reserves in commissioned grades are for an indefinite term and are held during the pleasure of the President.

§ 594. Commissioned officers: original appointment; limitation

(a) No person may be appointed as a Reserve in a commissioned grade above major or lieutenant commander, unless—

(1) he was formerly a commissioned officer of an armed force;

or

(2) such an appointment is recommended by a board of officers convened by the Secretary concerned.

(b) This section does not apply to adjutants general and assistant adjutants general of the several States and Territories, Puerto Rico, the Canal Zone, and the District of Columbia.

§ 595. Officers: appointment upon transfer

(a) A person who would otherwise be required to be transferred to a reserve component under section 651 of this title or under sections 451-473 of title 50, appendix, is entitled, if he is qualified and accepted, to be appointed as an officer of any armed force that he chooses and to participate in the programs authorized for that armed force. However, unless the two Secretaries concerned consent, he may not be appointed as a Reserve of an armed force other than that from which he is transferred. All periods of his participation shall be credited against the total period of service required of him under section 651 of this title or under sections 451-473 of title 50, appendix. However, no period may be credited more than once.

(b) A person covered by subsection (a) shall perform the rest of his required term of service in the armed force in which he is so appointed or in any other armed force in which he is later appointed or enlisted.

(c) This section does not change any term of service under an appointment, enlistment, or agreement, including an agreement made before or at the time when the member entered upon a program authorized by an armed force.

§ 596. Officers: promotion

The Secretary concerned shall establish an adequate and equitable system for promoting officers of the reserve components under his jurisdiction who are in an active status. So far as practicable, each promotion system shall be similar to that for members of the regular component of the armed force concerned. It shall be based on the mobilization requirements of that armed force to provide qualified officers in each grade at ages suitable for their assignments and in the numbers needed for mobilization. Each promotion system shall provide for forced attrition to the extent necessary to maintain vigor-
ous reserve forces, encourage necessary leadership, and provide a steady flow of promotions.

§ 597. Warrant officers: grades; appointment, how made; term

(a) The permanent reserve warrant officer grades in each armed force are those prescribed for regular warrant officers by section 555 (a) of this title.

(b) Reserve chief warrant officers of the Army and the Air Force shall be appointed in those grades, by warrant, by the Secretary concerned. Permanent reserve chief warrant officers of the Navy, Marine Corps, and Coast Guard shall be appointed in those grades, by commission, by the Secretary concerned. Permanent reserve warrant officers, W-1, shall be appointed in those grades, by warrant, by the Secretary concerned.

(c) Appointments as Reserves in permanent warrant officer grades are for an indefinite term and are held during the pleasure of the Secretary concerned.

(a) Within such numbers as the Secretary concerned may prescribe, enlisted Reserves may, with their consent, be selected for training as officer candidates. Enlisted Reserves so selected shall be designated as officer candidates during that training. However, no member of the Army National Guard of the United States or the Air National Guard of the United States may be so selected or designated unless—

1. he is on active duty; or

2. the governor or other appropriate authority of the jurisdiction concerned consents.

(b) The enlistment or term of service of a Reserve who is designated as an officer candidate under this section is extended to include any period, beyond its normal expiration date, during which he is an officer candidate.

(c) While he is on active duty, other than active duty for training without pay, or performing authorized travel to and from that duty, an officer candidate designated under this section is entitled to the pay and allowances of his enlisted grade, but not less than those prescribed for pay grade E-2.

(d) An officer candidate designated under this section may not participate in the program of a reserve officer training corps of any armed force.

§ 651. Members: required service

(a) Each male person who becomes a member of an armed force before his twenty-sixth birthday shall serve in the armed forces for a total of eight years, unless he is sooner discharged because of personal hardship under regulations prescribed by the Secretary of Defense or, if he is a member of the Coast Guard while it is operating under the Department of the Treasury, by the Secretary of the Treasury. For the purpose of computing service under this subsection, a member of an armed force may count service in the National Security Training Corps as if it were service in the armed forces.

(b) Each person covered by subsection (a) who is not a Reserve, and who is qualified, shall, upon his release from active duty, be transferred to a reserve component of his armed force to complete the service required by subsection (a).

(c) A member covered by subsection (a) who is released from active duty shall become a member of an organized unit of his reserve component or of an officers’ training program of his armed force, if the Secretary concerned determines that there is a vacancy that can be filled by that member without undue personal hardship.

§ 672. Reserve components generally

(a) In time of war or of national emergency declared by Congress, or when otherwise authorized by law, an authority designated by the Secretary concerned may, without the consent of the persons affected, order any unit, and any member not assigned to a unit organized to serve as a unit, of a reserve component under the jurisdiction of that Secretary to active duty for the duration of the war or emergency.
and for six months thereafter. However, a member on an inactive status list or in a retired status may not be ordered to active duty under this subsection unless the Secretary concerned, with the approval of the Secretary of Defense in the case of a Secretary of a military department, determines that there are not enough qualified Reserves in an active status or in the inactive Army National Guard or in the inactive Air National Guard in the required category who are readily available.

(b) At any time, an authority designated by the Secretary concerned may, without the consent of the persons affected, order any unit, and any member not assigned to a unit organized to serve as a unit, in an active status in a reserve component under the jurisdiction of that Secretary to active duty for not more than 15 days a year. However, units and members of the Army National Guard of the United States or the Air National Guard of the United States may not be ordered to active duty under this subsection without the consent of the governor of the State or Territory, Puerto Rico, or the Canal Zone, or the commanding general of the District of Columbia National Guard, as the case may be.

(c) So far as practicable, during any expansion of the active armed forces that requires that units and members of the reserve components be ordered to active duty, members of units organized and trained to serve as units who are ordered to that duty without their consent shall be so ordered with their units. However, members of those units may be reassigned after being ordered to active duty.

(d) At any time, an authority designated by the Secretary concerned may order a member of a reserve component under his jurisdiction to active duty, or retain him on active duty, with the consent of that member. However, a member of the Army National Guard of the United States or the Air National Guard of the United States may not be ordered to active duty under this subsection without the consent of the governor or other appropriate authority of the State or Territory, Puerto Rico, the Canal Zone, or the District of Columbia, whichever is concerned.

(e) A reasonable time shall be allowed between the date when a Reserve ordered to active duty (other than for training) is alerted for that duty and the date when he is required to enter upon that duty. Unless the Secretary concerned determines that the military requirements do not allow it, this period shall be at least 30 days.

§ 673. Ready Reserve

(a) In time of national emergency declared by the President after January 1, 1953, or when otherwise authorized by law, an authority designated by the Secretary concerned may, without the consent of the persons concerned, order any unit, and any member not assigned to a unit organized to serve as a unit, in the Ready Reserve under the jurisdiction of that Secretary to active duty for not more than 24 consecutive months. This subsection does not apply unless Congress determines how many members of the reserve components are necessary, in the interest of national security, to be ordered to active duty hereunder.

(b) To achieve fair treatment as between members in the Ready Reserve who are being considered for recall to duty without their consent, consideration shall be given to—
(1) the length and nature of previous service, to assure such sharing of exposure to hazards as the national security and military requirements will reasonably allow;
(2) family responsibilities; and
(3) employment necessary to maintain the national health, safety, or interest.

The Secretary of Defense shall prescribe such policies and procedures as he considers necessary to carry out this subsection. He shall report on those policies and procedures at least once a year to the Committees on Armed Services of the Senate and the House of Representatives.

§ 674. Standby Reserve

(b) In time of emergency—

(1) no unit in the Standby Reserve organized to serve as a unit or any member thereof may be ordered to active duty (other than for training), unless the Secretary concerned, with the approval of the Secretary of Defense in the case of a Secretary of a military department, determines that there are not enough of the required kinds of units in the Ready Reserve that are readily available; and

(2) no other member in the Standby Reserve may be ordered to active duty (other than for training) as an individual without his consent, unless the Secretary concerned, with the approval of the Secretary of Defense in the case of a Secretary of a military department, determines that there are not enough qualified members in the Ready Reserve in the required category who are readily available.

§ 675. Retired Reserve

A member in the Retired Reserve may, if qualified, be ordered to active duty without his consent, but only as provided in section 672 (a) of this title.

§ 676. Retention after becoming qualified for retired pay

Any person who has qualified for retired pay under chapter 67 of this title may, with his consent and by order of the Secretary concerned, be retained on active duty, or in service in a reserve component other than that listed in section 1332 (b) of this title. A member so retained shall be credited with that service for all purposes.

§ 677. Reserve officers: use of in expansion of armed forces

§ 678. Reserves: for organizing, administering, etc., reserve components

(a) A Reserve ordered to active duty under section 672 (d) of this title in connection with organizing, administering, recruiting, instructing, or training the reserve components shall be ordered in his reserve grade. While so serving, he continues to be eligible for promotion as a Reserve, if he is otherwise qualified.

(b) To assure that a Reserve on duty under subsection (a) receives periodic refresher training in the categories for which he is qualified, the Secretary concerned may detail him to duty with any armed force, or otherwise as the Secretary sees fit.

§ 679. Active duty agreements

(a) To provide definite terms of active duty (other than for training) for Reserves with their consent, the Secretary concerned may make a standard written agreement with any member of a reserve component under his jurisdiction requiring the member to serve for a period of active duty (other than for training) of not more than five years. When such an agreement expires, a new one may be made. This subsection does not apply in time of war declared by Congress.

(b) An agreement may not be made under subsection (a) unless the specified period of duty is at least 12 months longer than any period of active duty that the member is otherwise required to perform.

(c) Agreements made under subsection (a) shall be uniform so far as practicable, and are subject to such standards and policies as may be prescribed by the Secretary of Defense for the armed forces under his jurisdiction or by the Secretary of the Treasury for the Coast Guard when the Coast Guard is not operating as a service in the Navy.

(d) If an agreement made under subsection (a) expires during a war or during a national emergency declared by Congress or the President after January 1, 1953, the Reserve concerned may be kept on active duty, without his consent, as otherwise prescribed by law.

§ 680. Active duty agreements: release from duty

(a) Each agreement made under section 679 (a) of this title shall provide that the member may not be released from active duty without his consent during the period of the agreement—

(1) because of a reduction in the actual personnel strength of the armed force concerned, unless the release is in accordance with the recommendation of a board of officers appointed by an authority designated by the Secretary concerned to determine the members to be released from active duty under regulations prescribed by the Secretary; or

(2) for any other reason, without an opportunity to be heard by a board of officers before the release, unless he is (A) dismissed or discharged under the sentence of a court-martial, (B) released because of an unexplained absence without leave for at least three months, or (C) released because he is convicted and sentenced to confinement in a Federal or State penitentiary or correctional institution and the sentence has become final.

(b) A member who is released from active duty without his consent before the end of his agreement made under section 679 (a) of
this title is entitled to an amount computed by multiplying the number of years and fractions of a year of his unexpired period of service under the agreement by the sum of one month's basic pay, special pay, and allowances to which he is entitled on the day of his release. The amount to which a member is entitled under this subsection is in addition to any pay and allowances to which he is otherwise entitled. For the purposes of this subsection, a fraction of a month of 15 days or more is counted as a whole month, and a fraction of a month of less than 15 days is disregarded. This subsection does not apply to a member if he is—

(1) released for a reason described in subsection (a) (2) (A)-(C);
(2) released because of a physical disability resulting from his intentional misconduct or wilful neglect;
(3) eligible for retired pay or severance pay under another provision of law;

(2) the member does not request that a board be convened; or
(3) his release is otherwise authorized by law.
This subsection does not apply to an armed force during a period of demobilization or reduction in strength of that armed force.

§ 682. Reserves: kinds of duty

Notwithstanding any other provision of law, a member of a reserve component who is on active duty other than for training may, under regulations prescribed by the Secretary concerned, be detailed or assigned to any duty authorized by law for members of the regular component of the armed force concerned.

§ 683. Reserves: duty with or without pay

(a) Subject to other provisions of this title, any Reserve may be ordered to active duty or other duty—

(1) with the pay and allowances provided by law; or
(2) with his consent, without pay.
Duty without pay shall be considered for all purposes as if it were duty with pay.
(b) A Reserve who is kept on active duty after his term of service expires is entitled to pay and allowances while on that duty, except as they may be forfeited under the approved sentence of a court-martial.
or by non-judicial punishment by a commanding officer or when he is otherwise in a non-pay status.

§ 686. Reports to Congress

(b) An enlisted member may be ordered into arrest or confinement by any commissioned officer by an order, oral or written, delivered in person or through other persons subject to this chapter. A commanding officer may authorize warrant officers, petty officers, or non-commissioned officers to order enlisted members of his command or subject to his authority into arrest or confinement.

(c) A commissioned officer, a warrant officer, or a civilian subject to this chapter or to trial thereunder may be ordered into arrest or confinement only by a commanding officer to whose authority he is subject, by an order, oral or written, delivered in person or by another commissioned officer. The authority to order such persons into arrest or confinement may not be delegated.

(d) No person may be ordered into arrest or confinement except for probable cause.

(e) Nothing in this article limits the authority of persons authorized to apprehend offenders to secure the custody of an alleged offender until proper authority may be notified.

§ 810. Art. 10. Restraint of persons charged with offenses

Any person subject to this chapter charged with an offense under this chapter shall be ordered into arrest or confinement, as circumstances may require; but when charged only with an offense normally tried by a summary court-martial, he shall not ordinarily be placed in confinement. When any person subject to this chapter is placed in arrest or confinement prior to trial, immediate steps shall be taken to inform him of the specific wrong of which he is accused and to try him or to dismiss the charges and release him.

§ 811. Art. 11. Reports and receiving of prisoners

(a) No provost marshal, commander of a guard, or master at arms may refuse to receive or keep any prisoner committed to his charge by a commissioned officer of the armed forces, when the committing officer furnishes a statement, signed by him, of the offense charged against the prisoner.

(b) Every commander of a guard or master at arms to whose charge a prisoner is committed shall, within twenty-four hours after that commitment or as soon as he is relieved from guard, report to the commanding officer the name of the prisoner, the offense charged against him, and the name of the person who ordered or authorized the commitment.
§ 812. Art. 12. Confinement with enemy prisoners prohibited

No member of the armed forces may be placed in confinement in immediate association with enemy prisoners or other foreign nationals not members of the armed forces.

§ 813. Art. 13. Punishment prohibited before trial

Subject to section 857 of this title (article 57), no person, while being held for trial or the result of trial, may be subjected to punishment or penalty other than arrest or confinement upon the charges pending against him, nor shall the arrest or confinement imposed upon him be any more rigorous than the circumstances require to insure his presence, but he may be subjected to minor punishment during that period for infractions of discipline.

§ 814. Art. 14. Delivery of offenders to civil authorities

(a) Under such regulations as the Secretary concerned may prescribe, a member of the armed forces accused of an offense against civil authority may be delivered, upon request, to the civil authority for trial.

(b) When delivery under this article is made to any civil authority of a person undergoing sentence of a court-martial, the delivery, if followed by conviction in a civil tribunal, interrupts the execution of the sentence of the court-martial, and the offender after having answered to the civil authorities for his offense shall, upon the request of competent military authority, be returned to military custody for the completion of his sentence.

SUBCHAPTER III.—NON-JUDICIAL PUNISHMENT

Sec. Art.
815. 15. Commanding officer's non-judicial punishment.

§ 815. Art. 15. Commanding officer's non-judicial punishment

(a) Under such regulations as the President may prescribe, any commanding officer may, in addition to or in lieu of admonition or reprimand, impose one of the following disciplinary punishments for minor offenses without the intervention of a court-martial—

(1) upon officers of his command—

(A) withholding of privileges for not more than two consecutive weeks;
(B) restriction to certain specified limits, with or without suspension from duty, for not more than two consecutive weeks; or
(C) if imposed by an officer exercising general court-martial jurisdiction, forfeiture of not more than one-half of one month's pay; and

(2) upon other military personnel of his command—

(A) withholding of privileges for not more than two consecutive weeks;
(B) restriction to certain specified limits, with or without suspension from duty, for not more than two consecutive weeks;
(C) extra duties for not more than two consecutive weeks, and not more than two hours per day, holidays included;
(D) reduction to next inferior grade, if the grade from which demoted was established by the command or an equivalent or lower command;
(E) if imposed upon a person attached to or embarked in a vessel, confinement for not more than seven consecutive days; or
(F) if imposed upon a person attached to or embarked in a vessel, confinement on bread and water or diminished rations for not more than three consecutive days.

(b) The Secretary concerned may, by regulation, place limitations on the powers granted by this article with respect to the kind and amount of punishment authorized, the categories of commanding officers authorized to exercise those powers, and the applicability of this article to an accused who demands trial by court-martial.

(c) An officer in charge may, for minor offenses, impose on enlisted members assigned to the unit of which he is in charge, such of the punishments authorized to be imposed by commanding officers as the Secretary concerned may by regulation specifically prescribe, as provided in subsections (a) and (b).

(d) A person punished under this article who considers his punishment unjust or disproportionate to the offense may, through the proper channel, appeal to the next superior authority. The appeal shall be promptly forwarded and decided, but the person punished may in the meantime be required to undergo the punishment adjudged. The officer who imposes the punishment, his successor in command, and superior authority may suspend, set aside, or remit any part or amount of the punishment and restore all rights, privileges, and property affected.

(e) The imposition and enforcement of disciplinary punishment under this article for any act or omission is not a bar to trial by court-martial for a serious crime or offense growing out of the same act or omission, and not properly punishable under this article: but the fact that a disciplinary punishment has been enforced may be shown by the accused upon trial, and when so shown shall be considered in determining the measure of punishment to be adjudged in the event of a finding of guilty.

SUBCHAPTER IV.—COURT-MARTIAL JURISDICTION

Sec. Art.
816. 16. Courts-martial classified.
817. 17. Jurisdiction of courts-martial in general.
818. 18. Jurisdiction of general courts-martial.

§ 816. Art. 16. Courts-martial classified

The three kinds of courts-martial in each of the armed forces are—
(1) general courts-martial, consisting of a law officer and not less than five members;
(2) special courts-martial, consisting of not less than three members; and
(3) summary courts-martial, consisting of one commissioned officer,
§ 817. Art. 17. Jurisdiction of courts-martial in general

(a) Each armed force has court-martial jurisdiction over all persons subject to this chapter. The exercise of jurisdiction by one armed force over personnel of another armed force shall be in accordance with regulations prescribed by the President.

(b) In all cases, departmental review after that by the officer with authority to convene a general court-martial for the command which held the trial, where that review is required under this chapter, shall be carried out by the department that includes the armed force of which the accused is a member.

§ 818. Art. 18. Jurisdiction of general courts-martial

Subject to section 817 of this title (article 17), general courts-martial have jurisdiction to try persons subject to this chapter for any offense made punishable by this chapter and may, under such limitations as the President may prescribe, adjudge any punishment not forbidden by this chapter, including the penalty of death when specifically authorized by this chapter. General courts-martial also have jurisdiction to try any person who by the law of war is subject to trial by a military tribunal and may adjudge any punishment permitted by the law of war.

§ 819. Art. 19. Jurisdiction of special courts-martial

Subject to section 817 of this title (article 17), special courts-martial have jurisdiction to try persons subject to this chapter for any noncapital offense made punishable by this chapter and, under such regulations as the President may prescribe, for capital offenses. Special courts-martial may, under such limitations as the President may prescribe, adjudge any punishment not forbidden by this chapter except death, dishonorable discharge, dismissal, confinement for more than six months, hard labor without confinement for more than three months, forfeiture of pay exceeding two-thirds pay per month, or forfeiture of pay for more than six months. A bad-conduct discharge may not be adjudged unless a complete record of the proceedings and testimony before the court has been made.

§ 820. Art. 20. Jurisdiction of summary courts-martial

Subject to section 817 of this title (article 17), summary courts-martial have jurisdiction to try persons subject to this chapter, except officers, cadets, aviation cadets, and midshipmen, for any noncapital offense made punishable by this chapter. No person with respect to whom summary courts-martial have jurisdiction may be brought to trial before a summary court-martial if he objects thereto, unless under section 815 of this title (article 15) he has been permitted and has elected to refuse punishment under that article. If objection to trial by summary court-martial is made by an accused who has not been permitted to refuse punishment under section 815 of this title (article 15), trial shall be ordered by special or general court-martial, as may be appropriate. Summary courts-martial may, under such limitations as the President may prescribe, adjudge any punishment not forbidden by this chapter except death, dismissal, dishonorable or bad-conduct discharge, confinement for more than one month, hard labor without confinement for more than 45 days, restriction to specified limits for
more than two months, or forfeiture of more than two-thirds of one month’s pay.

§ 821. Art. 21. Jurisdiction of courts-martial not exclusive

The provisions of this chapter conferring jurisdiction upon courts-martial do not deprive military commissions, provost courts, or other military tribunals of concurrent jurisdiction with respect to offenders or offenses that by statute or by the law of war may be tried by military commissions, provost courts, or other military tribunals.

SUBCHAPTER V.—COMPOSITION OF COURTS-MARTIAL

Sec. Art.

(a) Special courts-martial may be convened by—

(2) the commanding officer of a detached company, or other detachment of the Army;

(3) the commanding officer of a detached squadron or other detachment of the Air Force; or

(4) the commanding officer or officer in charge of any other command when empowered by the Secretary concerned.

(b) When only one commissioned officer is present with a command or detachment he shall be the summary court-martial of that command or detachment and shall hear and determine all summary court-martial cases brought before him. Summary courts-martial may, however, be convened in any case by superior competent authority when considered desirable by him.

§ 825. Art. 25. Who may serve on courts-martial

(a) Any commissioned officer on active duty is eligible to serve on all courts-martial for the trial of any person who may lawfully be brought before such courts for trial.

(b) Any warrant officer on active duty is eligible to serve on general and special courts-martial for the trial of any person, other than a commissioned officer, who may lawfully be brought before such courts for trial.

(c) (1) Any enlisted member of an armed force on active duty who is not a member of the same unit as the accused is eligible to serve on general and special courts-martial for the trial of any enlisted member of an armed force who may lawfully be brought before such courts for trial, but he shall serve as a member of a court only if, before the convening of the court, the accused personally has requested in writing that enlisted members serve on it. After such a request, the accused may not be tried by a general or special court-martial the membership of which does not include enlisted members in a number comprising at least one-third of the total membership of the court, unless eligible enlisted members cannot be obtained on account of physical conditions or military exigencies. If such members cannot be obtained, the court may be convened and the trial held without them, but the convening authority shall make a detailed written statement, to be appended to the record, stating why they could not be obtained.
(2) In this article, the word "unit" means any regularly organized body as defined by the Secretary concerned, but in no case may it be a body larger than a company, squadron, ship’s crew, or body corresponding to one of them.

(d) (1) When it can be avoided, no member of an armed force may be tried by a court-martial any member of which is junior to him in rank or grade.

(2) When convening a court-martial, the convening authority shall detail as members thereof such members of the armed forces as, in his opinion, are best qualified for the duty by reason of age, education, training, experience, length of service, and judicial temperament. No member of an armed force is eligible to serve as a member of a general or special court-martial when he is the accuser or a witness for the prosecution or has acted as investigating officer or as counsel in the same case.

§ 826. Art. 26. Law officer of a general court-martial

(a) The authority convening a general court-martial shall detail as law officer thereof a commissioned officer who is a member of the bar of a Federal court or of the highest court of a State and who is certified to be qualified for such duty by the Judge Advocate General of the armed force of which he is a member. No person is eligible to act as law officer in a case if he is the accuser or a witness for the prosecution or has acted as investigating officer or as counsel in the same case.

(b) The law officer may not consult with the members of the court, other than on the form of the findings as provided in section 839 of this title (article 39), except in the presence of the accused, trial counsel, and defense counsel, nor may he vote with the members of the court.

§ 827. Art. 27. Detail of trial counsel and defense counsel

(a) For each general and special court-martial the authority convening the court shall detail trial counsel and defense counsel, and such assistants as he considers appropriate. No person who has acted as investigating officer, law officer, or court member in any case may act later as trial counsel, assistant trial counsel, or, unless expressly requested by the accused, as defense counsel or assistant defense counsel in the same case. No person who has acted for the prosecution may act later in the same case for the defense, nor may any person who has acted for the defense act later in the same case for the prosecution.

(b) Trial counsel or defense counsel detailed for a general court-martial—

(1) must be a judge advocate of the Army or the Air Force, or a law specialist of the Navy or Coast Guard, who is a graduate of an accredited law school or is a member of the bar of a Federal court or of the highest court of a State; or must be a member of the bar of a Federal court or of the highest court of a State; and

(2) must be certified as competent to perform such duties by the Judge Advocate General of the armed force of which he is a member.
(c) In the case of a special court-martial—
   (1) if the trial counsel is qualified to act as counsel before a
general court-martial, the defense counsel detailed by the con­
vening authority must be a person similarly qualified; and
   (2) if the trial counsel is a judge advocate, or a law specialist, or a member of the bar of a Federal court or the highest court of a State, the defense counsel detailed by the convening authority must be one of the foregoing.

§ 828. Art. 28. Detail or employment of reporters and interpreters

Under such regulations as the Secretary concerned may prescribe, the convening authority of a court-martial, military commission, or court of inquiry shall detail or employ qualified court reporters, who shall record the proceedings of and testimony taken before that court or commission. Under like regulations the convening authority of a court-martial, military commission, or court of inquiry may detail or employ interpreters who shall interpret for the court or commission.

§ 829. Art. 29. Absent and additional members

(a) No member of a general or special court-martial may be absent or excused after the accused has been arraigned except for physical disability or as a result of a challenge or by order of the convening authority for good cause.

(b) Whenever a general court-martial is reduced below five members, the trial may not proceed unless the convening authority details new members sufficient in number to provide not less than five members. When the new members have been sworn, the trial may proceed after the recorded testimony of each witness previously examined has been read to the court in the presence of the law officer, the accused, and counsel.

(c) Whenever a special court-martial is reduced below three members, the trial may not proceed unless the convening authority details new members sufficient in number to provide not less than three members. When the new members have been sworn, the trial shall proceed as if no evidence had previously been introduced, unless a verbatim record of the testimony of previously examined witnesses or a stipulation thereof is read to the court in the presence of the accused and counsel.

SUBCHAPTER VI.—PRE-TRIAL PROCEDURE

§ 830. Art. 30. Charges and specifications

(a) Charges and specifications shall be signed by a person subject to this chapter under oath before a commissioned officer of the armed forces authorized to administer oaths and shall state—
   (1) that the signer has personal knowledge of, or has investigated, the matters set forth therein; and
(2) that they are true in fact to the best of his knowledge and belief.

(b) Upon the preferring of charges, the proper authority shall take immediate steps to determine what disposition should be made thereof in the interest of justice and discipline, and the person accused shall be informed of the charges against him as soon as practicable.

§ 831. Art. 31. Compulsory self-incrimination prohibited

(a) No person subject to this chapter may compel any person to incriminate himself or to answer any question the answer to which may tend to incriminate him.

(b) No person subject to this chapter may interrogate, or request any statement from, an accused or a person suspected of an offense without first informing him of the nature of the accusation and advising him that he does not have to make any statement regarding the offense of which he is accused or suspected and that any statement made by him may be used as evidence against him in a trial by court-martial.

(c) No person subject to this chapter may compel any person to make a statement or produce evidence before any military tribunal if the statement or evidence is not material to the issue and may tend to degrade him.

(d) No statement obtained from any person in violation of this article, or through the use of coercion, unlawful influence, or unlawful inducement may be received in evidence against him in a trial by court-martial.

§ 832. Art. 32. Investigation

(a) No charge or specification may be referred to a general court-martial for trial until a thorough and impartial investigation of all the matters set forth therein has been made. This investigation shall include inquiry as to the truth of the matter set forth in the charges, consideration of the form of charges, and a recommendation as to the disposition which should be made of the case in the interest of justice and discipline.

(b) The accused shall be advised of the charges against him and of his right to be represented at that investigation by counsel. Upon his own request he shall be represented by civilian counsel if provided by him, or military counsel of his own selection if such counsel is reasonably available, or by counsel detailed by the officer exercising general court-martial jurisdiction over the command. At that investigation full opportunity shall be given to the accused to cross-examine witnesses against him if they are available and to present anything he may desire in his own behalf, either in defense or mitigation, and the investigating officer shall examine available witnesses requested by the accused. If the charges are forwarded after the investigation, they shall be accompanied by a statement of the substance of the testimony taken on both sides and a copy thereof shall be given to the accused.

(c) If an investigation of the subject matter of an offense has been conducted before the accused is charged with the offense, and if the accused was present at the investigation and afforded the opportunities for representation, cross-examination, and presentation prescribed in subsection (b), no further investigation of that charge is necessary.
under this article unless it is demanded by the accused after he is informed of the charge. A demand for further investigation entitles the accused to recall witnesses for further cross-examination and to offer any new evidence in his own behalf.

(d) The requirements of this article are binding on all persons administering this chapter but failure to follow them does not constitute jurisdictional error.

§ 833. Art. 33. Forwarding of charges

When a person is held for trial by general court-martial the commanding officer shall, within eight days after the accused is ordered into arrest or confinement, if practicable, forward the charges, together with the investigation and allied papers, to the officer exercising general court-martial jurisdiction. If that is not practicable, he shall report in writing to that officer the reasons for delay.

§ 834. Art. 34. Advice of staff judge advocate and reference for trial

(a) Before directing the trial of any charge by general court-martial, the convening authority shall refer it to his staff judge advocate or legal officer for consideration and advice. The convening authority may not refer a charge to a general court-martial for trial unless he has found that the charge alleges an offense under this chapter and is warranted by evidence indicated in the report of investigation.

(b) If the charges or specifications are not formally correct or do not conform to the substance of the evidence contained in the report of the investigating officer, formal corrections, and such changes in the charges and specifications as are needed to make them conform to the evidence, may be made.

§ 835. Art. 35. Service of charges

The trial counsel to whom court-martial charges are referred for trial shall cause to be served upon the accused a copy of the charges upon which trial is to be had. In time of peace no person may, against his objection, be brought to trial before a general court-martial within a period of five days after the service of the charges upon him, or before a special court-martial within a period of three days after the service of the charges upon him.

SUBCHAPTER VII.—TRIAL PROCEDURE
§ 836. Art. 36. President may prescribe rules

(a) The procedure, including modes of proof, in cases before courts-martial, courts of inquiry, military commissions, and other military tribunals may be prescribed by the President by regulations which shall, so far as he considers practicable, apply the principles of law and the rules of evidence generally recognized in the trial of criminal cases in the United States district courts, but which may not be contrary to or inconsistent with this chapter.

(b) All rules and regulations made under this article shall be uniform insofar as practicable and shall be reported to Congress.

§ 837. Art. 37. Unlawfully influencing action of court

No authority convening a general, special, or summary court-martial, nor any other commanding officer, may censure, reprimand, or admonish the court or any member, law officer, or counsel thereof, with respect to the findings or sentence adjudged by the court, or with respect to any other exercise of its or his functions in the conduct of the proceeding. No person subject to this chapter may attempt to coerce or, by any unauthorized means, influence the action of a court-martial or any other military tribunal or any member thereof, in reaching the findings or sentence in any case, or the action of any convening, approving, or reviewing authority with respect to his judicial acts.

§ 838. Art. 38. Duties of trial counsel and defense counsel

(a) The trial counsel of a general or special court-martial shall prosecute in the name of the United States, and shall, under the direction of the court, prepare the record of the proceedings.

(b) The accused has the right to be represented in his defense before a general or special court-martial by civilian counsel if provided by him, or by military counsel of his own selection if reasonably available, or by the defense counsel detailed under section 827 of this title (article 27). Should the accused have counsel of his own selection, the defense counsel, and assistant defense counsel, if any, who were detailed, shall, if the accused so desires, act as his associate counsel; otherwise they shall be excused by the president of the court.

(c) In every court-martial proceeding, the defense counsel may, in the event of conviction, forward for attachment to the record of proceedings a brief of such matters as he feels should be considered in behalf of the accused on review, including any objection to the contents of the record which he considers appropriate.

(d) An assistant trial counsel of a general court-martial may, under the direction of the trial counsel or when he is qualified to be a trial counsel as required by section 827 of this title (article 27), perform any duty imposed by law, regulation, or the custom of the service upon the trial counsel of the court. An assistant trial counsel of a special court-martial may perform any duty of the trial counsel.
(e) An assistant defense counsel of a general or special court-martial may, under the direction of the defense counsel or when he is qualified to be the defense counsel as required by section 827 of this title (article 27), perform any duty imposed by law, regulation, or the custom of the service upon counsel for the accused.

§ 839. Art. 39. Sessions

When a general or special court-martial deliberates or votes, only the members of the court may be present. After a general court-martial has finally voted on the findings, the court may request the law officer and the reporter to appear before the court to put the findings in proper form, and those proceedings shall be on the record. All other proceedings, including any other consultation of the court with counsel or the law officer, shall be made a part of the record and shall be in the presence of the accused, the defense counsel, the trial counsel, and in general court-martial cases, the law officer.

§ 840. Art. 40. Continuances

A court-martial may, for reasonable cause, grant a continuance to any party for such time, and as often, as may appear to be just.

§ 841. Art. 41. Challenges

(a) Members of a general or special court-martial and the law officer of a general court-martial may be challenged by the accused or the trial counsel for cause stated to the court. The court shall determine the relevancy and validity of challenges for cause, and may not receive a challenge to more than one person at a time. Challenges by the trial counsel shall ordinarily be presented and decided before those by the accused are offered.

(b) Each accused and the trial counsel is entitled to one peremptory challenge, but the law officer may not be challenged except for cause.

§ 842. Art. 42. Oaths

(a) The law officer, interpreters, and, in general and special court-martial, members, trial counsel, assistant trial counsel, defense counsel, assistant defense counsel, and reporters shall take an oath in the presence of the accused to perform their duties faithfully.

(b) Each witness before a court-martial shall be examined on oath.

§ 843. Art. 43. Statute of limitations

(a) A person charged with desertion or absence without leave in time of war, or with aiding the enemy, mutiny, or murder, may be tried and punished at any time without limitation.

(b) Except as otherwise provided in this article, a person charged with desertion in time of peace or any of the offenses punishable under sections 919–932 of this title (articles 119–132) is not liable to be tried by court-martial if the offense was committed more than three years before the receipt of sworn charges and specifications by an officer exercising summary court-martial jurisdiction over the command.

(c) Except as otherwise provided in this article, a person charged with any offense is not liable to be tried by court-martial or punished under section 815 of this title (article 15) if the offense was committed more than two years before the receipt of sworn charges and speci-
fications by an officer exercising summary court-martial jurisdiction over the command or before the imposition of punishment under section 815 of this title (article 16).

(d) Periods in which the accused was absent from territory in which the United States has the authority to apprehend him, or in the custody of civil authorities, or in the hands of the enemy, shall be excluded in computing the period of limitation prescribed in this article.

(e) For an offense the trial of which in time of war is certified to the President by the Secretary concerned to be detrimental to the prosecution of the war or inimical to the national security, the period of limitation prescribed in this article is extended to six months after the termination of hostilities as proclaimed by the President or by a joint resolution of Congress.

(f) When the United States is at war, the running of any statute of limitations applicable to any offense under this chapter—

1. involving fraud or attempted fraud against the United States or any agency thereof in any manner, whether by conspiracy or not;
2. committed in connection with the acquisition, care, handling, custody, control, or disposition of any real or personal property of the United States; or
3. committed in connection with the negotiation, procurement, award, performance, payment, interim financing, cancellation, or other termination or settlement, of any contract, subcontract, or purchase order which is connected with or related to the prosecution of the war, or with any disposition of termination inventory by any war contractor or Government agency;

is suspended until three years after the termination of hostilities as proclaimed by the President or by a joint resolution of Congress.

§ 844. Art. 44. Former jeopardy

(a) No person may, without his consent, be tried a second time for the same offense.

(b) No proceeding in which an accused has been found guilty by a court-martial upon any charge or specification is a trial in the sense of this article until the finding of guilty has become final after review of the case has been fully completed.

(c) A proceeding which, after the introduction of evidence but before a finding, is dismissed or terminated by the convening authority or on motion of the prosecution for failure of available evidence or witnesses without any fault of the accused is a trial in the sense of this article.

§ 845. Art. 45. Pleas of the accused

(a) If an accused arraigned before a court-martial makes an irregular pleading, or after a plea of guilty sets up matter inconsistent with the plea, or if it appears that he has entered the plea of guilty improvidently or through lack of understanding of its meaning and effect, or if he fails or refuses to plead, a plea of not guilty shall be entered in the record, and the court shall proceed as though he had pleaded not guilty.

(b) A plea of guilty by the accused may not be received to any charge or specification alleging an offense for which the death penalty may be adjudged.
§ 846. Art. 46. Opportunity to obtain witnesses and other evidence

The trial counsel, the defense counsel, and the court-martial shall have equal opportunity to obtain witnesses and other evidence in accordance with such regulations as the President may prescribe. Process issued in court-martial cases to compel witnesses to appear and testify and to compel the production of other evidence shall be similar to that which courts of the United States having criminal jurisdiction may lawfully issue and shall run to any part of the United States, or the Territories, Commonwealths, and possessions.

§ 847. Art. 47. Refusal to appear or testify

(a) Any person not subject to this chapter who—
   (1) has been duly subpenaed to appear as a witness before a court-martial, military commission, court of inquiry, or any other military court or board, or before any military or civil officer designated to take a deposition to be read in evidence before such a court, commission, or board;
   (2) has been duly paid or tendered the fees and mileage of a witness at the rates allowed to witnesses attending the courts of the United States; and
   (3) willfully neglects or refuses to appear, or refuses to qualify as a witness or to testify or to produce any evidence which that person may have been legally subpenaed to produce;

is guilty of an offense against the United States.

(b) Any person who commits an offense named in subsection (a) shall be tried on information in a United States district court or in a court of original criminal jurisdiction in any of the Territories, Commonwealths, or possessions of the United States, and jurisdiction is conferred upon those courts for that purpose. Upon conviction, such a person shall be punished by a fine of not more than $500, or imprisonment for not more than six months, or both.

(c) The United States attorney or the officer prosecuting for the United States in any such court of original criminal jurisdiction shall, upon the certification of the facts to him by the military court, commission, court of inquiry, or board, file an information against and prosecute any person violating this article.

(d) The fees and mileage of witnesses shall be advanced or paid out of the appropriations for the compensation of witnesses.

§ 848. Art. 48. Contempts

A court-martial, provost court, or military commission may punish for contempt any person who uses any menacing word, sign, or gesture in its presence, or who disturbs its proceedings by any riot or disorder. The punishment may not exceed confinement for 30 days or a fine of $100, or both.

§ 849. Art. 49. Depositions

(a) At any time after charges have been signed as provided in section 830 of this title (article 30), any party may take oral or written depositions unless an authority competent to convene a court-martial for the trial of those charges forbids it for good cause. If a deposition is to be taken before charges are referred for trial, such an
authority may designate commissioned officers to represent the prosecution and the defense and may authorize those officers to take the deposition of any witness.

(b) The party at whose instance a deposition is to be taken shall give to every other party reasonable written notice of the time and place for taking the deposition.

(c) Depositions may be taken before and authenticated by any military or civil officer authorized by the laws of the United States or by the laws of the place where the deposition is taken to administer oaths.

(d) A duly authenticated deposition taken upon reasonable notice to the other parties, so far as otherwise admissible under the rules of evidence, may be read in evidence before any military court or commission in any case not capital, or in any proceeding before a court of inquiry or military board, if it appears—

(1) that the witness resides or is beyond the State, Territory, Commonwealth, or District of Columbia in which the court, commission, or board is ordered to sit, or beyond 100 miles from the place of trial or hearing;

(2) that the witness by reason of death, age, sickness, bodily infirmity, imprisonment, military necessity, nonamenability to process, or other reasonable cause, is unable or refuses to appear and testify in person at the place of trial or hearing; or

(3) that the present whereabouts of the witness is unknown.

(e) Subject to subsection (d), testimony by deposition may be presented by the defense in capital cases.

(f) Subject to subsection (d), a deposition may be read in evidence in any case in which the death penalty is authorized but is not mandatory, whenever the convening authority directs that the case be treated as not capital, and in such a case a sentence of death may not be adjudged by the court-martial.

§ 850. Art. 50. Admissibility of records of courts of inquiry

(a) In any case not capital and not extending to the dismissal of a commissioned officer, the sworn testimony, contained in the duly authenticated record of proceedings of a court of inquiry, of a person whose oral testimony cannot be obtained, may, if otherwise admissible under the rules of evidence, be read in evidence by any party before a court-martial or military commission if the accused was a party before the court of inquiry and if the same issue was involved or if the accused consents to the introduction of such evidence.

(b) Such testimony may be read in evidence only by the defense in capital cases or cases extending to the dismissal of a commissioned officer.

(c) Such testimony may also be read in evidence before a court of inquiry or a military board.

§ 851. Art. 51. Voting and rulings

(a) Voting by members of a general or special court-martial upon questions of challenge, on the findings, and on the sentence shall be by secret written ballot. The junior member of the court shall count the votes. The count shall be checked by the president, who shall forthwith announce the result of the ballot to the members of the court.
(b) The law officer of a general court-martial and the president of a special court-martial shall rule upon interlocutory questions, other than challenge, arising during the proceedings. Any such ruling made by the law officer of a general court-martial upon any interlocutory question other than a motion for a finding of not guilty, or the question of accused's sanity, is final and constitutes the ruling of the court. However, the law officer may change his ruling at any time during the trial. Unless the ruling is final, if any member objects thereto, the court shall be cleared and closed and the question decided by a voice vote as provided in section 852 of this title (article 52), beginning with the junior in rank.

(c) Before a vote is taken on the findings, the law officer of a general court-martial and the president of a special court-martial shall, in the presence of the accused and counsel, instruct the court as to the elements of the offense and charge the court—

(1) that the accused must be presumed to be innocent until his guilt is established by legal and competent evidence beyond reasonable doubt;

(2) that in the case being considered, if there is a reasonable doubt as to the guilt of the accused, the doubt must be resolved in favor of the accused and he must be acquitted;

(3) that, if there is a reasonable doubt as to the degree of guilt, the finding must be in a lower degree as to which there is no reasonable doubt; and

(4) that the burden of proof to establish the guilt of the accused beyond reasonable doubt is upon the United States.

§ 852. Art. 52. Number of votes required

(a) (1) No person may be convicted of an offense for which the death penalty is made mandatory by law, except by the concurrence of all the members of the court-martial present at the time the vote is taken.

(b) (1) No person may be convicted of any other offense, except by the concurrence of two-thirds of the members present at the time the vote is taken.

(b) (2) No person may be sentenced to suffer death, except by the concurrence of all the members of the court-martial present at the time the vote is taken and for an offense in this chapter expressly made punishable by death.

(b) (2) No person may be sentenced to life imprisonment or to confinement for more than ten years, except by the concurrence of three-fourths of the members present at the time the vote is taken.

(c) All other sentences shall be determined by the concurrence of two-thirds of the members present at the time the vote is taken.

(c) All other questions to be decided by the members of a general or special court-martial shall be determined by a majority vote. A tie vote on a challenge disqualifies the member challenged. A tie vote on a motion for a finding of not guilty or on a motion relating to the question of the accused’s sanity is a determination against the accused. A tie vote on any other question is a determination in favor of the accused.
§ 853. Art. 53. Court to announce action

A court-martial shall announce its findings and sentence to the parties as soon as determined.

§ 854. Art. 54. Record of trial

(a) Each general court-martial shall keep a separate record of the proceedings of the trial of each case brought before it, and the record shall be authenticated by the signatures of the president and the law officer. If the record cannot be authenticated by either the president or the law officer, by reason of his death, disability, or absence, it shall be signed by a member in lieu of him. If both the president and the law officer are unavailable for any of those reasons, the record shall be authenticated by two members.

(b) Each special and summary court-martial shall keep a separate record of the proceedings in each case, and the record shall contain the matter and shall be authenticated in the manner required by such regulations as the President may prescribe.

(c) A copy of the record of the proceedings of each general and special court-martial shall be given to the accused as soon as it is authenticated.

SUBCHAPTER VIII.—SENTENCES

§ 855. Art. 55. Cruel and unusual punishments prohibited

Punishment by flogging, or by branding, marking, or tattooing on the body, or any other cruel or unusual punishment, may not be adjudged by any court-martial or inflicted upon any person subject to this chapter. The use of irons, single or double, except for the purpose of safe custody, is prohibited.

§ 856. Art. 56. Maximum limits

The punishment which a court-martial may direct for an offense may not exceed such limits as the President may prescribe for that offense.

§ 857. Art. 57. Effective date of sentences

(a) Whenever a sentence of a court-martial as lawfully adjudged and approved includes a forfeiture of pay or allowances in addition to confinement not suspended, the forfeiture may apply to pay or allowances becoming due on or after the date the sentence is approved by the convening authority. No forfeiture may extend to any pay or allowances accrued before that date.

(b) Any period of confinement included in a sentence of a court-martial begins to run from the date the sentence is adjudged by the court-martial, but periods during which the sentence to confinement is suspended shall be excluded in computing the service of the term of confinement.

(c) All other sentences of courts-martial are effective on the date ordered executed.
§ 858. Art. 58. Execution of confinement

(a) Under such instructions as the Secretary concerned may prescribe, a sentence of confinement adjudged by a court-martial or other military tribunal, whether or not the sentence includes discharge or dismissal, and whether or not the discharge or dismissal has been executed, may be carried into execution by confinement in any place of confinement under the control of any of the armed forces or in any penal or correctional institution under the control of the United States, or which the United States may be allowed to use. Persons so confined in a penal or correctional institution not under the control of one of the armed forces are subject to the same discipline and treatment as persons confined or committed by the courts of the United States or of the State, Territory, District of Columbia, or place in which the institution is situated.

(b) The omission of the words "hard labor" from any sentence of a court-martial adjudging confinement does not deprive the authority executing that sentence of the power to require hard labor as a part of the punishment.

SUBCHAPTER IX.—REVIEW OF COURTS-MARTIAL

Sec. Art.
859. 59. Error of law; lesser included offense.
860. 60. Initial action on the record.

874. 74. Remission and suspension.
875. 75. Restoration.
876. 76. Finality of proceedings, findings, and sentences.

§ 859. Art. 59. Error of law; lesser included offense

(a) A finding or sentence of a court-martial may not be held incorrect on the ground of an error of law unless the error materially prejudices the substantial rights of the accused.

(b) Any reviewing authority with the power to approve or affirm a finding of guilty may approve or affirm, instead, so much of the finding as includes a lesser included offense.

§ 860. Art. 60. Initial action on the record

After a trial by court-martial the record shall be forwarded to the convening authority, and action thereon may be taken by the person who convened the court, a commissioned officer commanding for the time being, a successor in command, or any officer exercising general court-martial jurisdiction.
§ 861. Art. 61. Same—General court-martial records

The convening authority shall refer the record of each general court-martial to his staff judge advocate or legal officer, who shall submit his written opinion thereon to the convening authority. If the final action of the court has resulted in an acquittal of all charges and specifications, the opinion shall be limited to questions of jurisdiction and shall be forwarded with the record to the Judge Advocate General of the armed force of which the accused is a member.

§ 862. Art. 62. Reconsideration and revision

(a) If a specification before a court-martial has been dismissed on motion and the ruling does not amount to a finding of not guilty, the convening authority may return the record to the court for reconsideration of the ruling and any further appropriate action.

(b) Where there is an apparent error or omission in the record or where the record shows improper or inconsistent action by a court-martial with respect to a finding or sentence which can be rectified without material prejudice to the substantial rights of the accused, the convening authority may return the record to the court for appropriate action. In no case, however, may the record be returned—

(1) for reconsideration of a finding of not guilty of any specification, or a ruling which amounts to a finding of not guilty;

(2) for reconsideration of a finding of not guilty of any charge, unless the record shows a finding of guilty under a specification laid under that charge, which sufficiently alleges a violation of some article of this chapter; or

(3) for increasing the severity of the sentence unless the sentence prescribed for the offense is mandatory.

§ 863. Art. 63. Rehearings

(a) If the convening authority disapproves the findings and sentence of a court-martial he may, except where there is lack of sufficient evidence in the record to support the findings, order a rehearing. In such a case he shall state the reasons for disapproval. If he disapproves the findings and sentence and does not order a rehearing, he shall dismiss the charges.

(b) Each rehearing shall take place before a court-martial composed of members not members of the court-martial which first heard the case. Upon a rehearing the accused may not be tried for any offense of which he was found not guilty by the first court-martial, and no sentence in excess of or more severe than the original sentence may be imposed, unless the sentence is based upon a finding of guilty of an offense not considered upon the merits in the original proceedings, or unless the sentence prescribed for the offense is mandatory.

§ 864. Art. 64. Approval by the convening authority

In acting on the findings and sentence of a court-martial, the convening authority may approve only such findings of guilty, and the sentence or such part or amount of the sentence, as he finds correct in law and fact and as he in his discretion determines should be approved. Unless he indicates otherwise, approval of the sentence is approval of the findings and sentence.
§ 865. Art. 65. Disposition of records after review by the convening authority

(a) When the convening authority has taken final action in a general court-martial case, he shall send the entire record, including his action thereon and the opinion or opinions of the staff judge advocate or legal officer, to the appropriate Judge Advocate General.

(b) If the sentence of a special court-martial as approved by the convening authority includes a bad-conduct discharge, whether or not suspended, the record shall be sent to the officer exercising general court-martial jurisdiction over the command to be reviewed in the same manner as a record of trial by general court-martial or directly to the appropriate Judge Advocate General to be reviewed by a board of review. If the sentence as approved by an officer exercising general court-martial jurisdiction includes a bad-conduct discharge, whether or not suspended, the record shall be sent to the appropriate Judge Advocate General to be reviewed by a board of review.

(c) All other special and summary court-martial records shall be reviewed by a judge advocate of the Army or the Air Force, a law specialist of the Navy, or a law specialist or lawyer of the Coast Guard or Department of the Treasury, and shall be transmitted and disposed of as the Secretary concerned may prescribe by regulation.

§ 866. Art. 66. Review by board of review

(a) Each Judge Advocate General shall constitute in his office one or more boards of review, each composed of not less than three commissioned officers or civilians, each of whom must be a member of the bar of a Federal court or of the highest court of a State.

(b) The Judge Advocate General shall refer to a board of review the record in every case of trial by court-martial in which the sentence, as approved, affects a general or flag officer or extends to death, dismissal of a commissioned officer, cadet, or midshipman, dishonorable or bad-conduct discharge, or confinement for one year or more.

(c) In a case referred to it, the board of review may act only with respect to the findings and sentence as approved by the convening authority. It may affirm only such findings of guilty, and the sentence or such part or amount of the sentence, as it finds correct in law and fact and determines, on the basis of the entire record, should be approved. In considering the record, it may weigh the evidence, judge the credibility of witnesses, and determine controverted questions of fact, recognizing that the trial court saw and heard the witnesses.

(d) If the board of review sets aside the findings and sentence, it may, except where the setting aside is based on lack of sufficient evidence in the record to support the findings, order a rehearing. If it sets aside the findings and sentence and does not order a rehearing, it shall order that the charges be dismissed.

(e) The Judge Advocate General shall, unless there is to be further action by the President, the Secretary concerned, or the Court of Military Appeals, instruct the convening authority to take action in accordance with the decision of the board of review. If the board of review has ordered a rehearing but the convening authority finds a rehearing impracticable, he may dismiss the charges.
(f) The Judge Advocates General shall prescribe uniform rules of
procedure for boards of review and shall meet periodically to formu-
late policies and procedure in regard to review of court-martial cases
in the offices of the Judge Advocates General and by boards of review.

§ 867. Art. 67. Review by the Court of Military Appeals

(a) (1) There is a Court of Military Appeals, located for admin-
istrative purposes in the Department of Defense. The Court of Mil-
tary Appeals consists of three judges appointed from civil life by the
President, by and with the advice and consent of the Senate, for a
term of fifteen years. Not more than two of the judges of that court
may be appointed from the same political party, nor is any person
eligible for appointment to the court who is not a member of the bar
of a Federal court or of the highest court of a State. Each judge is
entitled to a salary of $25,500 a year and is eligible for reappointment.
The President shall designate from time to time one of the judges to
act as Chief Judge. The Court of Military Appeals may prescribe
its own rules of procedure and determine the number of judges re-
quired to constitute a quorum. A vacancy in the court does not impair
the right of the remaining judges to exercise the powers of the court.
Upon his certificate, each judge is entitled to be paid by the Secretary
of Defense (1) all necessary traveling expenses, and (2) his reason-
able maintenance expenses, but not more than $15 a day, incurred
while attending court or transacting official business outside the Dis-
trict of Columbia.

(2) The terms of office of the three judges first taking office after
February 28, 1951, expire, as designated by the President at the time
of nomination, one on May 1, 1956, one on May 1, 1961, and one on May
1, 1966. The terms of office of all successors expire 15 years after the
expiration of the terms for which their predecessors were appointed,
but any judge appointed to fill a vacancy occurring before the expira-
tion of the term for which his predecessor was appointed may be
appointed only for the unexpired term of his predecessor.

(3) Judges of the Court of Military Appeals may be removed by
the President, upon notice and hearing, for neglect of duty or mal-
feasance in office, or for mental or physical disability, but for no other
cause.

(4) If a Judge of the Court of Military Appeals is temporarily
unable to perform his duties because of illness or other disability,
the President may designate a judge of a United States Court of
Appeals to fill the office for the period of disability.

(b) The Court of Military Appeals shall review the record in—

(1) all cases in which the sentence, as affirmed by a board of
review, affects a general or flag officer or extends to death;
(2) all cases reviewed by a board of review which the Judge
Advocate General orders sent to the Court of Military Appeals
for review; and
(3) all cases reviewed by a board of review in which, upon
petition of the accused and on good cause shown, the Court of
Military Appeals has granted a review.

(c) The accused has 30 days from the time when he is notified
of the decision of a board of review to petition the Court of Mili-
tary Appeals for review. The court shall act upon such a petition
within 30 days of the receipt thereof.
(d) In any case reviewed by it, the Court of Military Appeals may act only with respect to the findings and sentence as approved by the convening authority and as affirmed or set aside as incorrect in law by the board of review. In a case which the Judge Advocate General orders sent to the Court of Military Appeals, that action need be taken only with respect to the issues raised by him. In a case reviewed upon petition of the accused, that action need be taken only with respect to issues specified in the grant of review. The Court of Military Appeals shall take action only with respect to matters of law.

(e) If the Court of Military Appeals sets aside the findings and sentence, it may, except where the setting aside is based on lack of sufficient evidence in the record to support the findings, order a rehearing. If it sets aside the findings and sentence and does not order a rehearing, it shall order that the charges be dismissed.

(f) After it has acted on a case, the Court of Military Appeals may direct the Judge Advocate General to return the record to the board of review for further review in accordance with the decision of the court. Otherwise, unless there is to be further action by the President or the Secretary concerned, the Judge Advocate General shall instruct the convening authority to take action in accordance with that decision. If the court has ordered a rehearing, but the convening authority finds a rehearing impracticable, he may dismiss the charges.

(g) The Court of Military Appeals and the Judge Advocates General shall meet annually to make a comprehensive survey of the operation of this chapter and report to the Committees on Armed Services of the Senate and of the House of Representatives and to the Secretary of Defense, the Secretaries of the military departments, and the Secretary of the Treasury, the number and status of pending cases and any recommendations relating to uniformity of policies as to sentences, amendments to this chapter, and any other matters considered appropriate.

§ 868. Art. 68. Branch offices

Whenever the President considers such action necessary, he may direct the Judge Advocate General to establish a branch office, under an Assistant Judge Advocate General, with any distant command, and to establish in that branch office one or more boards of review. That Assistant Judge Advocate General and any such board of review may perform for that command, under the general supervision of the Judge Advocate General, the respective duties which the Judge Advocate General and a board of review in his office would otherwise be required to perform in respect of all cases involving sentences not requiring approval by the President.

§ 869. Art. 69. Review in the office of the Judge Advocate General

Every record of trial by general court-martial, in which there has been a finding of guilty and a sentence, the appellate review of which is not otherwise provided for by section 866 of this title (article 66), shall be examined in the office of the Judge Advocate General. If any part of the findings or sentence is found unsupported in law, or if the Judge Advocate General so directs, the record shall be reviewed by a board of review in accordance with section 866 of this title (article 66), but in that event there may be no further review by the
Court of Military Appeals except under section 867 (b) (2) of this title (article 67 (b) (2)).

§ 870. Art. 70. Appellate counsel

(a) The Judge Advocate General shall detail in his office one or more commissioned officers as appellate Government counsel, and one or more commissioned officers as appellate defense counsel, who are qualified under section 827 (b) (1) of this title (article 27 (b) (1)).

(b) Appellate Government counsel shall represent the United States before the board of review or the Court of Military Appeals when directed to do so by the Judge Advocate General.

(c) Appellate defense counsel shall represent the accused before the board of review or the Court of Military Appeals—
   (1) when he is requested to do so by the accused;
   (2) when the United States is represented by counsel; or
   (3) when the Judge Advocate General has sent a case to the Court of Military Appeals.

(d) The accused has the right to be represented before the Court of Military Appeals or the board of review by civilian counsel if provided by him.

(e) Military appellate counsel shall also perform such other functions in connection with the review of court martial cases as the Judge Advocate General directs.

§ 871. Art. 71. Execution of sentence; suspension of sentence

(a) No court-martial sentence extending to death or involving a general or flag officer may be executed until approved by the President. He shall approve the sentence or such part, amount, or commuted form of the sentence as he sees fit, and may suspend the execution of the sentence or any part of the sentence, as approved by him, except a death sentence.

(b) No sentence extending to the dismissal of a commissioned officer (other than a general or flag officer), cadet, or midshipman may be executed until approved by the Secretary concerned, or such Under Secretary or Assistant Secretary as may be designated by him. He shall approve the sentence or such part, amount, or commuted form of the sentence as he sees fit, and may suspend the execution of any part of the sentence as approved by him. In time of war or national emergency he may commute a sentence of dismissal to reduction to any enlisted grade. A person so reduced may be required to serve for the duration of the war or emergency and six months thereafter.

(c) No sentence which includes, unsuspended, a dishonorable or bad-conduct discharge, or confinement for one year or more, may be executed until affirmed by a board of review and, in cases reviewed by it, the Court of Military Appeals.

(d) All other court-martial sentences, unless suspended, may be ordered executed by the convening authority when approved by him. The convening authority may suspend the execution of any sentence, except a death sentence.
§ 872. Art. 72. Vacation of suspension

(a) Before the vacation of the suspension of a special court-martial sentence which as approved includes a bad-conduct discharge, or of any general court-martial sentence, the officer having special court-martial jurisdiction over the probationer shall hold a hearing on the alleged violation of probation. The probationer shall be represented at the hearing by counsel if he so desires.

(b) The record of the hearing and the recommendation of the officer having special court-martial jurisdiction shall be sent for action to the officer exercising general court-martial jurisdiction over the probationer. If he vacates the suspension, any unexecuted part of the sentence, except a dismissal, shall be executed, subject to applicable restrictions in section 871 (c) of this title (article 71 (c)). The vacation of the suspension of a dismissal is not effective until approved by the Secretary concerned.

(c) The suspension of any other sentence may be vacated by any authority competent to convene, for the command in which the accused is serving or assigned, a court of the kind that imposed the sentence.

§ 873. Art. 73. Petition for a new trial

At any time within one year after approval by the convening authority of a court-martial sentence which extends to death, dismissal, dishonorable or bad-conduct discharge, or confinement for one year or more, the accused may petition the Judge Advocate General for a new trial on the ground of newly discovered evidence or fraud on the court. If the accused's case is pending before the board of review or before the Court of Military Appeals, the Judge Advocate General shall refer the petition to the board or court, as the case may be, for action. Otherwise the Judge Advocate General shall act upon the petition.

§ 874. Art. 74. Remission and suspension

(a) The Secretary concerned and, when designated by him, any Under Secretary, Assistant Secretary, Judge Advocate General, or commanding officer may remit or suspend any part or amount of the unexecuted part of any sentence, including all uncollected forfeitures other than a sentence approved by the President.

(b) The Secretary concerned may, for good cause, substitute an administrative form of discharge for a discharge or dismissal executed in accordance with the sentence of a court-martial.

§ 875. Art. 75. Restoration

(a) Under such regulations as the President may prescribe, all rights, privileges, and property affected by an executed part of a court-martial sentence which has been set aside or disapproved, except an executed dismissal or discharge, shall be restored unless a new trial or rehearing is ordered and such executed part is included in a sentence imposed upon the new trial or rehearing.
(b) If a previously executed sentence of dishonorable or bad-conduct discharge is not imposed on a new trial, the Secretary concerned shall substitute therefor a form of discharge authorized for administrative issuance unless the accused is to serve out the remainder of his enlistment.

(c) If a previously executed sentence of dismissal is not imposed on a new trial, the Secretary concerned shall substitute therefor a form of discharge authorized for administrative issue, and the commissioned officer dismissed by that sentence may be reappointed by the President alone to such commissioned grade and with such rank as in the opinion of the President that former officer would have attained had he not been dismissed. The reappointment of such a former officer shall be without regard to the existence of a vacancy and shall affect the promotion status of other officers only insofar as the President may direct. All time between the dismissal and the reappointment shall be considered as actual service for all purposes, including the right to pay and allowances.

§ 876. Art. 76. Finality of proceedings, findings, and sentences

The appellate review of records of trial provided by this chapter, the proceedings, findings, and sentences of courts-martial as approved, reviewed, or affirmed as required by this chapter, and all dismissals and discharges carried into execution under sentences by courts-martial following approval, review, or affirmation as required by this chapter, are final and conclusive. Orders publishing the proceedings of courts-martial and all action taken pursuant to those proceedings are binding upon all departments, courts, agencies, and officers of the United States, subject only to action upon a petition for a new trial as provided in section 873 of this title (article 73) and to action by the Secretary concerned as provided in section 874 of this title (article 74), and the authority of the President.

They shall be explained again after he has completed six months of active duty, and again at the time when he reenlists. Any member of the armed forces who believes himself wronged by his commanding officer, and who, upon due application to that commanding officer, is refused redress, may complain to any superior commissioned officer, who shall forward the complaint to the officer exercising general court-martial jurisdiction over the officer against whom it is made. The officer exercising general court-martial jurisdiction shall examine into the complaint and take proper measures for redressing the wrong complained of; and he shall, as soon as possible, send to the Secretary concerned a true statement of that complaint, with the proceedings had thereon.

§ 939. Art. 139. Redress of injuries to property
(a) Whenever complaint is made to any commanding officer that willful damage has been done to the property of any person or that his property has been wrongfully taken by members of the armed forces, he may, under such regulations as the Secretary concerned may prescribe, convene a board to investigate the complaint. The board shall consist of from one to three commissioned officers and, for the purpose of that investigation, it has power to summon witnesses and examine them upon oath, to receive depositions or other documentary evidence, and to assess the damages sustained against the responsible parties. The assessment of damages made by the board is subject to the approval of the commanding officer, and in the amount approved by him shall be charged against the pay of the offenders. The order of the commanding officer directing charges herein authorized is conclusive on any disbursing officer for the payment by him to the injured parties of the damages so assessed and approved.

(b) If the offenders cannot be ascertained, but the organization or detachment to which they belong is known, charges totaling the amount of damages assessed and approved may be made in such proportion as may be considered just upon the individual members thereof who are shown to have been present at the scene at the time the damages complained of were inflicted, as determined by the approved findings of the board.

CHAPTER 55.—VOTING BY MEMBERS OF ARMED FORCES

§ 1071. Purpose; construction

(a) The purpose of this chapter is to provide ample opportunity
for the persons covered by section 1074 of this title to vote for Federal,
State, and local officials and to use the absentee balloting procedures
of the several States to the greatest extent possible. It shall be con-
strued liberally to carry out this purpose.
(b) Nothing in this chapter restricts the right of any member of
the armed forces, or any other person, to vote according to the law
of the State where he is domiciled.

§ 1072. Definitions

In this chapter:
(1) “Secretary of state” includes any other State official who
under the law of that State is the appropriate official to carry
out functions recommended in this chapter to be performed by
the secretary of state.
(2) “Member of the merchant marine of the United States”
means a person, other than a member of the armed forces—
(A) who is an officer or member of the crew of (i) a vessel
owned by the United States, (ii) a vessel documented under
the laws of the United States, or (iii) a vessel of foreign
registry under charter to, or under the control of, the United
States; or
(B) who is enrolled with the United States for employment or for training for employment, or who is maintained by the United States for emergency relief service, as an officer or other member of a crew of a vessel described in clause (A).

However, "member of the merchant marine of the United States" does not include a person employed, enrolled for employment or for training for employment, or maintained for emergency relief service, on the Great Lakes or the inland waterways.

§ 1073. Right to vote in war-time presidential and congressional elections

(a) Notwithstanding any State law relating to the registration of voters, in time of war each member of the armed forces on active duty who is absent from his domicile, and who but for his absence would be eligible to register and vote at any election under the law of the State where he is domiciled, is entitled to vote for electors for President and Vice President, United States Senators, and Representatives in Congress, as provided in this chapter.

(b) In time of war no member of the armed forces on active duty may be required to pay a poll tax or other tax, or make any other payment, to a State or a political subdivision thereof as a condition of voting in an election for President and Vice President, electors for President and Vice President, United States Senators, or Representatives in Congress.

§ 1074. Enactment of legislation relating to voting in other elections

In addition to conferring the right in section 1073 of this title to vote in time of war, Congress recommends that the several States enact appropriate legislation to enable each of the persons in the following categories who is absent from his domicile to vote by absentee ballot in any primary, special, or general election held in time of war or peace in his election district or precinct, if he is eligible to vote in that election:

(1) Members of the armed forces on active duty.
(2) Members of the merchant marine of the United States.
(3) Civilians officially attached to, and serving outside the United States with, the armed forces.

§ 1075. Post card requests for absentee ballots: printing and transmission

(a) The Secretaries of the Army, Navy, Air Force, Treasury, and Commerce shall each have an adequate number of post card requests for absentee ballots printed for use under this chapter. Whenever practicable and compatible with military and merchant-marine operations, they shall have these requests—

(2) delivered by mail to persons who reside outside the United States for use in any general election held in the United States or during a national emergency;

§ 1076. Use of post cards; waiver of registration; voting by discharged persons

(a) To avoid expense, duplication of effort, and loss of time, it is recommended that, when the post card request for an absentee ballot is executed by a person covered by section 1074 of this title, the State concerned accept it as—

1. an application for an absentee ballot under its absentee voting laws;
2. an application for registration under its election laws; and
3. a source of information to implement its absentee voting laws.

(b) It is further recommended that each State—

1. waive registration for each person covered by section 1074 of this title whose service prevents him from registering; and
2. provide an opportunity to vote in an election for each person who would be eligible to register and vote at that election but for the fact that he was discharged honorably or under honorable conditions from the armed forces too late to register.

§ 1077. Distribution of ballots, envelopes, and voting instructions

(a) In order that action may be taken as soon as possible upon each post card request for an absentee ballot, it is recommended that the secretary of state of the State concerned promptly forward the request to the proper election official.

(b) It is further recommended that, so far as its law permits, each State instruct its election officials to mail promptly to each voter applying by post card under this chapter—

1. a suitable absentee ballot;
2. a self-addressed envelope for the return of the ballot; and
3. instructions for using the ballot and envelope.

§ 1078. Instructions for marking ballots

(a) It is recommended that each State include in its instructions for absentee voting by the persons covered by section 1074 of this title an express instruction that the voter may mark his ballot by pencil, pen, crayon, or any other suitable method of showing his intention. If the laws of a State do not authorize such an instruction, it is recommended that they be amended to do so.

(b) It is further recommended that each State express its voting instructions in simple terms, and not merely by quoting the pertinent statutes.

§ 1079. Establishment of right to vote

(a) It is recommended that each State that makes no provision, either on the envelope or separately, for sending with the absentee ballot a printed form to be used by the voter to establish his right to vote, have a form of oath printed and enclosed with each absentee
ballot that is mailed in response to a post card request provided under section 1075 of this title. A form substantially as follows is suggested as appropriate:

OATH OF ELECTOR FOR VOTING IN THE ELECTION TO BE HELD ON __________, 19________.

I do hereby swear (or affirm) that—

(1) I am a citizen of the United States;
(2) I was born __________;

(5) I have not voted and do not intend to vote in this election at any address other than the above; and that I have not received or offered, do not expect to receive, have not paid, offered, or promised to pay, contributed, offered, or promised to contribute to another to be paid or used, any money or other valuable thing as a compensation or reward for the giving of a vote at this election, and have not made any promise to influence the giving or withholding of any such vote.

(b) It is further recommended that each State authorize officers, noncommissioned officers in the highest four enlisted grades, and petty officers, of the armed forces, and members of the merchant marine of the United States designated by the Secretary of Commerce, to administer the oaths required by its law for application for, and voting by, absentee ballot by the persons covered by section 1074 of this title.

§ 1080. Style and marking of envelope; inserts; return envelope; size and weight of ballots

(a) In order that the envelope in which an absentee ballot and return envelope are mailed to a person covered by section 1074 of this title may be identified by postal officials and other authorities as containing an election ballot, it is recommended that the following be printed in red on the face of the envelope:

   (1) Two parallel horizontal bars, one-quarter inch wide, one-quarter inch apart, and extending across the face, with the top bar one and one-quarter inches from the top.
The words "Official Election Balloting Material—Via Air Mail", or similar language as State law prescribes, between the bars.

The words "Free U. S. Postage, Including Air Mail", in a box in the upper right corner.

An appropriate inscription or blanks for the return address of the sender, in the upper left corner.

(2) It is further recommended—

(1) that the gummed flap of the return envelope for the ballot be separated from the balloting material by waxed paper or other protective insert to minimize the possibility that the balloting material will stick together;

(2) that the voting instructions include a procedure to be followed by the voter if the balloting material does stick together, such as a notation of the facts on the back of the envelope, signed by the voter and the witness;

(3) that so far as possible each return envelope be pre-addressed by the election official, to minimize action necessary by the voter and to assure a legible and proper address; and

(4) that each State reduce as far as possible the size and weight of its envelopes, ballots, and voting instructions, to minimize costs and speed up the transporting of balloting material.

§ 1081. Notification of elections

(a) It is recommended that the secretary of state of each State inform the Secretaries of the Army, Navy, Air Force, Treasury, and Commerce of each primary, general, and special election to be held in that State at which persons covered by section 1074 of this title may vote by absentee ballot. The notification should be sent by registered mail at least 90 days before election day and should contain substantially the following information:

§ 1083. Transmission, delivery, and return of post cards, ballots, etc.

(a) Whenever practicable and compatible with military and merchant-marine operations, the Secretaries of the Army, Navy, Air Force, Treasury, and Commerce, the Postmaster General, and other appropriate authorities shall—

1. cooperate with appropriate State officers and agencies in sending State absentee ballots and envelopes for them to and from the persons covered by section 1074 of this title;

3. safeguard the integrity and secrecy of the ballots cast.

(b) No officer, noncommissioned officer, or petty officer of the armed forces may—

(b) The President may drop from the rolls of any armed force any commissioned officer (1) who has been absent without authority for at least three months, or (2) who is sentenced to confinement in a Federal or State penitentiary or correctional institution after having been found guilty of an offense by a court other than a court-martial or other military court, and whose sentence has become final.

§ 1162. Reserves: discharge

Subject to other provisions of this title, reserve commissioned officers may be discharged at the pleasure of the President. Other Reserves may be discharged under regulations prescribed by the Secretary concerned.

§ 1163. Reserve components: members; limitations on separation

(a) An officer of a reserve component who has at least three years of service as a commissioned officer may not be separated from that component without his consent except under an approved recommendation of a board of officers convened by an authority designated by the Secretary concerned, or by the approved sentence of a court-martial. This subsection does not apply to a separation under subsection (b) of this section or under section 1003 of this title, to a dismissal under section 1161 (a) of this title, or to a transfer under section 3352 or 8352 of this title.

(b) The President or the Secretary concerned may drop from the rolls of the armed force concerned any Reserve (1) who has been absent without authority for at least three months, or (2) who is sentenced to confinement in a Federal or State penitentiary or correctional institution after having been found guilty of an offense by a court other than a court-martial or other military court, and whose sentence has become final.

(2) he consents to a discharge under conditions other than honorable with a waiver of proceedings of a court-martial or a board.

§ 1164. Warrant officers; separation for age

§ 1165. Regular warrant officers: separation during three-year probationary period

The Secretary concerned may terminate the regular appointment of any permanent regular warrant officer at any time within three years after the date when the officer accepted his original permanent appointment as a warrant officer in that component. A warrant officer who is separated under this section is not entitled to severance pay, but may be enlisted under section 515 of this title.

§ 1166. Regular warrant officers: elimination for unfitness or unsatisfactory performance

(a) Under such regulations as the Secretary concerned may prescribe, and subject to the recommendations of a board of officers or a selection board under section 560 of this title, a permanent regular warrant officer who is eligible for retirement under any provision of law shall be retired under that law if his records and reports establish his unfitness or unsatisfactory performance of duty. If he is not eligible for retirement under any provision of law, but since the date when he accepted his original permanent appointment as a regular warrant officer he has had at least three years of active service that could be credited to him under section 311 of title 37, he shall be separated with severance pay computed under section 1167 (b) of this title. However, instead of being paid severance pay he may be enlisted under section 515 of this title. If he does not have three years of such service, he shall be separated under section 1165 of this title.

(b) The Secretary concerned may defer, for not more than four months, the retirement or separation under subsection (a) of any warrant officer if, because of unavoidable circumstances, evaluation

§ 1167. Regular warrant officers: severance pay

(a) The severance pay of a permanent regular warrant officer who is separated under section 564 (a) (3) of this title is computed by multiplying his years of active service that could be credited to him under section 311 of title 37, but not more than 12, by twice the monthly basic pay to which he is entitled at the time of separation.

(b) The severance pay of a permanent regular warrant officer who is separated under section 1166 of this title is computed by multiplying his years of active service that could be credited to him under section 311 of title 37, but not more than 12, by the monthly basic pay to which he is entitled at the time of separation.

(c) For the purposes of this section, a part of the year that is six months or more is counted as a whole year, and a part of a year that is less than six months is disregarded.

(d) The acceptance of severance pay under this section does not deprive a person of any retirement benefits from the United States. However, there shall be deducted from each of his retirement payments so much thereof as is based on the service for which he has received severance pay under this section, until the total deductions equal the amount of the severance pay.

§ 1201. Regulars and members on active duty for more than 30 days: retirement

Upon a determination by the Secretary concerned that a member of a regular component of the armed forces entitled to basic pay, or
any other member of the armed forces entitled to basic pay who has been called or ordered to active duty (other than for training) for a period of more than 30 days, is unfit to perform the duties of his office, grade, rank, or rating because of physical disability incurred while entitled to basic pay, the Secretary may retire the member, with retired pay computed under section 1401 of this title, if the Secretary also determines that—
(1) based upon accepted medical principles, the disability is of a permanent nature;
(2) the disability is not the result of the member’s intentional misconduct or willful neglect, and was not incurred during a period of unauthorized absence; and
(3) either—
(A) the member has at least 20 years of service computed under section 1208 of this title; or
(B) the disability is at least 30 percent under the standard schedule of rating disabilities in use by the Veterans’ Administration at the time of the determination; and either—
(i) the member has at least eight years of service computed under section 1208 of this title;
(ii) the disability is the proximate result of performing active duty; or
(iii) the disability was incurred in line of duty in time of war or national emergency.

§ 1202. Regulars and members on active duty for more than 30 days: temporary disability retired list

Upon a determination by the Secretary concerned that a member of a regular component of the armed forces entitled to basic pay, or any other member of the armed forces entitled to basic pay who has been called or ordered to active duty (other than for training) for a period of more than 30 days, would be qualified for retirement under section 1201 of this title but for the fact that his disability is not determined to be of a permanent nature, the Secretary shall, if he also determines that accepted medical principles indicate that the disability may be of a permanent nature, place the member’s name on the temporary disability retired list, with retired pay computed under section 1401 of this title.

§ 1203. Regulars and members on active duty for more than 30 days: separation

Upon a determination by the Secretary concerned that a member of a regular component of the armed forces entitled to basic pay, or any other member of the armed forces entitled to basic pay who has been called or ordered to active duty (other than for training) for a period of more than 30 days, is unfit to perform the duties of his office, grade, rank, or rating because of physical disability incurred while entitled to basic pay, the member may be separated from his armed force, with severance pay computed under section 1212 of this title, if the Secretary also determines that—
(1) the member has less than 20 years of service computed under section 1208 of this title;
(2) the disability is not the result of the member's intentional misconduct or willful neglect, and was not incurred during a period of unauthorized absence;

(3) based upon accepted medical principles, the disability is or may be of a permanent nature; and

(4) either—

(A) the disability is less than 30 percent under the standard schedule of rating disabilities in use by the Veterans' Administration at the time of the determination, and the disability was (i) the proximate result of performing active duty, or (ii) incurred in line of duty in time of war or national emergency;

(B) the disability is less than 30 percent under the standard schedule of rating disabilities in use by the Veterans' Administration at the time of the determination, and the member has at least eight years of service computed under section 1208 of this title; or

(C) the disability is at least 30 percent under the standard schedule of rating disabilities in use by the Veterans' Administration at the time of the determination, the disability was neither the proximate result of performing active duty nor incurred in line of duty in time of war or national emergency, and the member has less than eight years of service computed under section 1208 of this title on the date when he would otherwise be retired under section 1201 of this title or placed on the temporary disability retired list under section 1202 of this title.

However, if the member is eligible for transfer to the inactive status list under section 1209 of this title, and so elects, he shall be transferred to that list instead of being separated.

§ 1204. Members on active duty for 30 days or less; disability from injury: retirement

Upon a determination by the Secretary concerned that a member of the armed forces not covered by section 1201, 1202, or 1203 of this title is unfit to perform the duties of his office, grade, rank, or rating because of physical disability resulting from an injury, the Secretary may retire the member with retired pay computed under section 1401 of this title, if the Secretary also determines that—

(1) based upon accepted medical principles, the disability is of a permanent nature;

(B) the disability is at least 30 percent under the standard schedule of rating disabilities in use by the Veterans' Administration at the time of the determination.
§ 1205. Members on active duty for 30 days or less; disability from injury: temporary disability retired list

Upon a determination by the Secretary concerned that a member of the armed forces not covered by section 1201, 1202, or 1203 of this title would be qualified for retirement under section 1204 of this title but for the fact that his disability is not determined to be of a permanent nature, the Secretary shall, if he also determines that accepted medical principles indicate that the disability may be of a permanent nature, place the member's name on the temporary disability retired list, with retired pay computed under section 1401 of this title.

§ 1206. Members on active duty for 30 days or less; disability from injury: separation

Upon a determination by the Secretary concerned that a member of the armed forces not covered by section 1201, 1202, or 1203 of this title is unfit to perform the duties of his office, grade, rank, or rating because of physical disability resulting from an injury, the member may be separated from his armed force, with severance pay computed under section 1212 of this title, if the Secretary also determines that—

(1) the member has less than 20 years of service computed under section 1208 of this title;
(2) the disability is not the result of the member's intentional misconduct or willful neglect, and was not incurred during a period of unauthorized absence;
(3) based upon accepted medical principles, the disability is or may be of a permanent nature; and
(4) the disability is less than 30 percent under the standard schedule of rating disabilities in use by the Veterans' Administration at the time of the determination, and was the proximate result of performing active duty or inactive-duty training.

However, if the member is eligible for transfer to the inactive status list under section 1209 of this title, and so elects, he shall be transferred to that list instead of being separated.

§ 1207. Disability from intentional misconduct or willful neglect: separation

Each member of the armed forces who incurs a physical disability that, in the determination of the Secretary concerned, makes him unfit to perform the duties of his office, grade, rank, or rating, and that resulted from his intentional misconduct or willful neglect or was incurred during a period of unauthorized absence, shall be separated from his armed force without entitlement to any benefits under this chapter.

§ 1208. Computation of service

(a) For the purposes of this chapter, a member of a regular component shall be credited with the service described in clause (1) or that described in clause (2), whichever is greater:

(1) The service that he is considered to have for the purpose of separation or mandatory elimination from the active list.
(2) The sum of—
(A) his active service as a member of the armed forces, a nurse, a reserve nurse after February 2, 1901, a contract surgeon, a contract dental surgeon, or an acting dental surgeon;

(B) his active service as a member of the Coast and Geodetic Survey or the Public Health Service; and

(C) his service while participating in exercises or performing duties under sections 502, 503, 504, and 505 of title 32.

(b) A member of the armed forces who is not a member of a regular component shall be credited, for the purposes of this chapter, with the number of years of service that he would count if he were computing his years of service under section 1333 of this title.

§ 1209. Transfer to inactive status list instead of separation

Any member of the armed forces who has at least 20 years of service computed under section 1332 of this title, and who would be qualified for retirement under this chapter but for the fact that his disability is less than 30 percent under the standard schedule of rating disabilities in use by the Veterans' Administration at the time of the determination, may elect, instead of being separated under this chapter, to be transferred to the inactive status list under section 1335 of this title and, if otherwise eligible, to receive retired pay under chapter 71 of this title upon becoming 60 years of age.

§ 1210. Members on temporary disability retired list: periodic physical examination; final determination of status

(a) A physical examination shall be given at least once every 18 months to each member of the armed forces whose name is on the temporary disability retired list to determine whether there has been a change in the disability for which he was temporarily retired. He may be required to submit to those examinations while his name is carried on that list. If a member fails to report for an examination under this subsection, after receipt of proper notification, his disability retired pay may be terminated. However, payments to him shall be resumed if there was just cause for his failure to report. If payments are so resumed, they may be made retroactive for not more than one year.

(b) The Secretary concerned shall make a final determination of the case of each member whose name is on the temporary disability retired list upon the expiration of five years after the date when the member's name was placed on that list. If, at the time of that determination, the physical disability for which the member's name was carried on the temporary disability retired list still exists, it shall be considered to be of a permanent nature.

(c) If, as a result of a periodic examination under subsection (a), or upon a final determination under subsection (b), it is determined that the member's physical disability is of a permanent nature and is at least 90 percent under the standard schedule of rating disabilities in use by the Veterans' Administration at the time of the determination, his name shall be removed from the temporary disability retired list and he shall be retired under section 1201 or 1204 of this title, whichever applies.
(d) If, as a result of a periodic examination under subsection (a), or upon a final determination under subsection (b), it is determined that the member's physical disability is of a permanent nature and is less than 30 percent under the standard schedule of rating disabilities in use by the Veterans' Administration at the time of the determination, and if he has at least 20 years of service computed under section 1208 of this title, his name shall be removed from the temporary disability retired list and he shall be retired under section 1201 or 1204 of this title, whichever applies, with retired pay computed under section 1401 of this title.

(e) If, as a result of a periodic examination under subsection (a), or upon a final determination under subsection (b), it is determined that the member's physical disability is less than 30 percent under the standard schedule of rating disabilities in use by the Veterans' Administration at the time of the determination, and if he has less than 20 years of service computed under section 1208 of this title, his name shall be removed from the temporary disability retired list and he may be separated under section 1203 or 1206 of this title, whichever applies.

(f) If, as a result of a periodic examination under subsection (a), or upon a final determination under subsection (b), it is determined that the member is physically fit to perform the duties of his office, grade, rank, and rating, the Secretary shall treat him as provided in section 1211 of this title.

(g) Any member of the armed forces whose name is on the temporary disability retired list, and who is required to travel to submit to a physical examination under subsection (a), is entitled to the travel and transportation allowances authorized for members in his retired grade traveling in connection with temporary duty while on active duty.

(h) If his name is not sooner removed, the disability retired pay of a member whose name is on the temporary disability retired list terminates upon the expiration of five years after the date when his name was placed on that list.

§ 1211. Members on temporary disability retired list: return to active duty; promotion

(a) With his consent, any member of the Army or the Air Force whose name is on the temporary disability retired list, and who is found to be physically fit to perform the duties of his office, grade, or rank under section 1210 (f) of this title, shall—

(1) if a commissioned officer of a regular component, be recalled to active duty and, as soon as practicable, may be reappointed by the President, by and with the advice and consent of the Senate, to the active list of his regular component in the regular grade held by him when his name was placed on the temporary disability retired list, or in the next higher regular grade;

(2) if a warrant officer of a regular component, be recalled to active duty and, as soon as practicable, be reappointed by the Secretary concerned in the regular grade held by him when his name was placed on the temporary disability retired list, or in the next higher regular warrant grade;

(3) if an enlisted member of a regular component, be reenlisted in the regular grade held by him when his name was placed on
the temporary disability retired list or in the next higher regular enlisted grade;

(4) if a commissioned, warrant, or enlisted Reserve, be reappointed or reenlisted as a Reserve for service in his reserve component in the reserve grade held by him when his name was placed on the temporary disability retired list, or appointed or enlisted in the next higher reserve commissioned, warrant, or enlisted grade, as the case may be;

(5) if a commissioned, warrant, or enlisted member of the Army National Guard of the United States or the Air National Guard of the United States when the disability was incurred, and if he cannot be reappointed or reenlisted as a Reserve for service therein, be appointed or enlisted as a Reserve for service in the Army Reserve or the Air Force Reserve, as the case may be, in a grade corresponding to the reserve grade held by him when his name was placed on the temporary disability retired list, or in the next higher reserve commissioned, warrant, or enlisted grade, as the case may be; and

(6) if a member of the Army, or the Air Force, who has no regular or reserve grade, be reappointed or reenlisted in the Army, or the Air Force, as the case may be, in the temporary grade held by him when his name was placed on the temporary disability retired list, or appointed or enlisted in the next higher temporary grade.

(b) With his consent, any member of the naval service or of the Coast Guard whose name is on the temporary disability retired list, and who is found to be physically fit to perform the duties of his office, grade, rank, or rating under section 1210 (f) of this title, shall—

(1) if he held an appointment in a commissioned grade in a regular component when his name was placed on the temporary disability retired list, be recalled to active duty and, as soon as practicable, may be reappointed by the President, by and with the advice and consent of the Senate, to his regular component in the grade permanently held by him when his name was placed on the temporary disability retired list, or in the next higher grade;

(2) if he held an appointment in the grade of warrant officer, W-1, in a regular component when his name was placed on the temporary disability retired list, be recalled to active duty and, as soon as practicable, be reappointed by the Secretary concerned in his regular component in the grade permanently held by him when his name was placed on the temporary disability retired list, or may be appointed by the President, by and with the advice and consent of the Senate, to the grade of chief warrant officer, W-2;

(3) if he held a permanent enlisted grade in a regular component when his name was placed on the temporary disability retired list, be reenlisted in his regular component in the grade permanently held by him when his name was placed on the temporary disability retired list, or in the next higher enlisted grade;

(4) if he was a member of the Fleet Reserve or the Fleet Marine Corps Reserve when his name was placed on the temporary disability retired list, resume his status in the Fleet Reserve or the Fleet Marine Corps Reserve in the grade held by him when
his name was placed on the temporary disability retired list, or in the next higher enlisted grade; and

(5) if a member of a reserve component, be reappointed or reenlisted in his reserve component in the grade permanently held by him when his name was placed on the temporary disability retired list or, if that permanent grade is not chief petty officer or master sergeant, in the next higher grade in that reserve component.

(c) If a member is appointed, reappointed, enlisted, or reenlisted, or resumes his status in the Fleet Reserve or the Fleet Marine Corps Reserve, under subsection (a) or (b), his status on the temporary disability retired list terminates on the date of his appointment, reappointment, enlistment, reenlistment, or resumption, as the case may be. However, if such a member does not consent to the action proposed under subsection (a) or (b), his status on the temporary disability retired list and his disability retired pay shall be terminated as soon as practicable.

(d) Disability retired pay of a member covered by this section terminates—

(1) on the date when he is recalled to active duty under subsection (a) (1) or (2) or subsection (b) (1), (2), or (3), for an officer of a regular component;

(2) on the date when he resumes his status in the Fleet Reserve or the Fleet Marine Corps Reserve under subsection (b) (5), for a member of the Fleet Reserve or the Fleet Marine Corps Reserve; and

(3) on the date when he is appointed, reappointed, enlisted, or reenlisted, for any other member of the armed forces.

(e) Whenever seniority in grade or years of service is a factor in determining the qualifications of a member of the armed forces for promotion, each member who has been appointed, reappointed, enlisted, or reenlisted, under subsection (a) or (b), shall, when his name is placed on a lineal list, a promotion list, or any similar list, have the seniority in grade and be credited with the years of service authorized by the Secretary concerned. The authorized strength in any regular grade is automatically increased to the minimum extent necessary to give effect to each appointment made in that grade under this section. An authorized strength so increased is increased for no other purpose, and while he holds that grade the officer whose appointment caused the increase is counted for the purpose of determining when other appointments, not under this section, may be made in that grade.

(f) Action under this section shall be taken on a fair and equitable basis, with regard being given to the probable opportunities for advancement and promotion that the member might reasonably have had if his name had not been placed on the temporary disability retired list.

§ 1212. Disability severance pay

(a) Upon separation from his armed force under section 1203 or 1206 of this title, a member is entitled to disability severance pay computed by multiplying (1) his years of service, but not more than 12, computed under section 1208 of this title, by (2) the highest of the following amounts:
(A) Twice the amount of monthly basic pay to which he would be entitled if serving (i) on active duty on the date when he is separated and (ii) in the grade and rank in which he was serving on the date when his name was placed on the temporary disability retired list, or if his name was not carried on that list, on the date when he is separated.

(B) Twice the amount of monthly basic pay to which he would be entitled if serving (i) on active duty on the date when his name was placed on the temporary disability retired list or, if his name was not carried on that list, on the date when he is separated, and (ii) in any temporary grade or rank higher than that described in clause (A), in which he served satisfactorily as determined by the Secretary of the military department or the Secretary of the Treasury, as the case may be, having jurisdiction over the armed force from which he is separated.

(C) Twice the amount of monthly basic pay to which he would be entitled if serving (i) on active duty on the date when his name was placed on the temporary disability retired list or, if his name was not carried on that list, on the date when he is separated, and (ii) in the permanent regular or reserve grade to which he would have been promoted had it not been for the physical disability for which he is separated and which was found to exist as a result of a physical examination for promotion.

(D) Twice the amount of monthly basic pay to which he would be entitled if serving (i) on active duty on the date when his name was placed on the temporary disability retired list or, if his name was not carried on that list, on the date when he is separated, and (ii) in the temporary grade or rank to which he would have been promoted had it not been for the physical disability for which he is separated and which was found to exist as a result of a physical examination for promotion, if his eligibility for promotion was required to be based on cumulative years of service or years in grade.

(b) For the purposes of subsection (a), a part of a year of active service that is six months or more is counted as a whole year, and a part of a year that is less than six months is disregarded.

(c) The amount of disability severance pay received under this section shall be deducted from any compensation for the same disability to which the former member of the armed forces or his dependents become entitled under any law administered by the Veterans Administration. However, no deduction may be made from any death compensation to which his dependents become entitled after his death.

§ 1213. Effect of separation on benefits and claims

Unless a person who has received disability severance pay again becomes a member of an armed force, the Coast and Geodetic Survey, or the Public Health Service, he is not entitled to any payment from the armed force from which he was separated for, or arising out of, his service before separation, under any law administered by one of those services or for it by another of those services. However, this section does not prohibit the payment of money to a person who has received disability severance pay, if the money was due him on the date of his separation or if a claim by him is allowed under any law.
§ 1214. Right to full and fair hearing

No member of the armed forces may be retired or separated for physical disability without a full and fair hearing if he demands it.

§ 1215. Members other than Regulars: applicability of laws

The laws and regulations that entitle any retired member of a regular component of the armed forces to pay, rights, benefits, or privileges extend the same pay, rights, benefits, or privileges to any other member of the armed forces who is not a member of a regular component and who is retired, or to whom retired pay is granted, because of physical disability.

§ 1216. Secretaries: powers, functions, and duties

(a) The Secretary concerned shall prescribe regulations to carry out this chapter within his department.

(b) The Secretary concerned has all powers, functions, and duties incident to the determination under this chapter of—

(1) the fitness for active duty of any member of an armed force under his jurisdiction;

§ 1373. Higher grade for later physical disability: retired officers recalled to active duty

Unless entitled to a higher retired grade under some other provision of law, a member of an armed force whose retired pay is computed under section 1402(d) of this title is entitled, upon his release from active duty, to the grade equivalent to the grade or rank upon which his retired pay is based under that section.

### CHAPTER 71.—COMPUTATION OF RETIRED PAY

Sec.

1401. Computation of retired pay.
1402. Recomputation of retired or retainer pay to reflect later active duty.
1404. Applicability of section 47a of title 5.

#### § 1401. Computation of retired pay

The monthly retired pay of a person entitled thereto under this subtitle is computed according to the following table. For each case covered by a section of this title named in the column headed “For sections”, retired pay is computed by taking, in order, the steps prescribed opposite it in columns 1, 2, 3, and 4, as modified by the applicable footnotes. However, if a person would otherwise be entitled to retired pay computed under more than one pay formula of this table or of any other provision of law, he is entitled to be paid under the applicable formula that is most favorable to him. Section references below are to sections of this title.

(b) A member of an armed force who has been retired other than for physical disability, and who while on active duty incurs a physical disability of at least 30 percent for which he would otherwise be eligible for retired pay under chapter 61 of this title, is entitled, upon his release from active duty, to retired pay under subsection (d).

If, while on active duty after retirement or after his name was placed on the temporary disability retired list, a member covered by this subsection was promoted to a higher grade in which he served satisfactorily, as determined by the Secretary concerned, he is entitled to retired pay based on the monthly basic pay to which he would be entitled if he were on active duty in that higher grade.

§ 1403. Disability retired pay: treatment under title 26

That part of the retired pay of a member of an armed force, computed under formula No. 1 or 2 of section 1401, or under section 1402 (d), of this title on the basis of years of service, which exceeds the retired pay that he would receive if it were computed on the basis of percentage of disability is not considered as a pension, annuity, or similar allowance for personal injury, or sickness, resulting from active service in the armed forces, under section 104 (a) of title 26.

§ 1404. Applicability of section 47a of title 5

The retirement provisions of this title are subject to section 47a of title 5.

CHAPTER 73.—ANNUITIES BASED ON RETIRED OR RETAINER PAY

Sec.
1431. Election of annuity: members of armed forces.
1432. Election of annuity: former members of armed forces.
1433. Mental incompetency of member.
1434. Kinds of annuities that may be elected.
1435. Eligible beneficiaries.
1437. Payment of annuity.
1438. Deposits for amounts not deducted.
1439. Refund of amounts deducted from retired pay.
1440. Annuities not subject to legal process.
1441. Annuities in addition to other payments.
1442. Recovery of annuity erroneously paid.
1443. Board of Actuaries.
1444. Regulations; reports to Congress; determinations.

§ 1431. Election of annuity: members of armed forces

(a) This section applies to all members of the armed forces except—

(1) members whose names are on a retired list or who are in the Retired Reserve;
(2) Reserves on an inactive status list;
(3) members assigned to the inactive National Guard;
(4) cadets at the United States Military Academy, the United States Air Force Academy, or the Coast Guard Academy; and
(5) midshipmen.

(b) To provide an annuity under section 1434 of this title, a person covered by subsection (a) may elect to receive a reduced amount of the retired or retainer pay to which he may become entitled as a result of service in his armed force. The election must be made before he completes 18 years of service for which he is entitled to credit in the computation of his basic pay. However, if, because of military operations, he is missing in action, interned in a neutral country, captured by a hostile force, or beleaguered or besieged, and for that
reason is unable to make the election before completing 18 years of that service, he may make the election within six months after he returns to the jurisdiction of his armed force.

(c) An election made under subsection (b) may be changed or revoked by the elector before his retirement or before he becomes entitled to retired or retainer pay. However, unless made under section 1433, the change or revocation is not effective if he is retired or becomes entitled to retired or retainer pay within five years after the date of the change or revocation. If he revokes the election, he may not change or withdraw the revocation.

(d) A person who was retired or granted retired or retainer pay before November 1, 1953, and who elected within 180 days after that date to receive a reduced amount of that pay to provide an annuity, may not revoke that election.

§ 1432. Election of annuity: former members of armed forces

A person who was a former member of an armed force on November 1, 1953, and who is granted retired or retainer pay after that date, may, at the time he is granted that pay, make an election as provided in section 1431 of this title.

§ 1433. Mental incompetency of member

If a person who would be entitled to make an election under section 1431 or 1432 of this title is determined to be mentally incompetent by medical officers of the armed force concerned or of the Veterans' Administration, or by a court of competent jurisdiction, and for that reason cannot make the election within the prescribed time, the Secretary concerned may make an election for that person upon the request of his spouse or, if there is no spouse, of his children who would be eligible to be made beneficiaries under section 1435 of this title. If the person for whom the Secretary has made an election is later determined to be mentally competent by medical officers of the Veterans' Administration or by a court of competent jurisdiction, he may, within 180 days after that determination, change or revoke that election. However, deductions made from his retired or retainer pay before that date may not be refunded.

§ 1434. Kinds of annuities that may be elected

(a) The annuity that a person is entitled to elect under section 1431 or 1432 of this title may be 50, 25, or 12 1/2 percent, as specified by the elector at the time of the election, of the reduced amount of his retired or retainer pay. He may make the annuity payable—

(1) to, or on behalf of, the surviving spouse, ending when the spouse dies or remarries;

(2) in equal shares to, or on behalf of, the surviving children eligible for the annuity at the time each payment is due, ending when there is no surviving eligible child; or

(3) to, or on behalf of, the surviving spouse, and after the death or remarriage of that spouse, in equal shares to, or on behalf of, the surviving children, ending when there is no surviving eligible child.

(b) A person may elect to provide both the annuity provided in clause (1) of subsection (a) and that provided in clause (2) of sub-
section (a), but the combined amount of the annuities may not be more than 50 percent of his reduced retired or retainer pay.

(c) Any annuity under subsection (a), or any combination of annuities under subsection (b), may provide, at the elector’s option, that no deduction may be made from his retired or retainer pay after the last day of the month in which there is no beneficiary who would be eligible for the annuity if the elector died.

§ 1435. Eligible beneficiaries

Only the following persons are eligible to be made the beneficiaries of, or to receive payments under, an annuity elected under this chapter by a member of the armed forces:

1. The spouse of the member on the date when the member is retired or becomes entitled to retired or retainer pay or, if the member was already retired or entitled to retired or retainer pay on November 1, 1953, the spouse on that date.

2. The children of the member who are—
   (A) unmarried;
   (B) under 18 years of age or incapable of supporting themselves because of a mental defect or physical incapacity existing before their eighteenth birthday;
   (C) legitimate or adopted children of, or stepchildren in fact dependent for their support upon, the member;
   (D) living on the date when the member is retired or becomes entitled to retired or retainer pay or, if the member was already retired or entitled to retired or retainer pay on November 1, 1953, living on that date; and
   (E) born on or before the date prescribed in clause (D).

§ 1436. Computation of reduction in retired pay

The reduction in the retired or retainer pay of any person who elects an annuity under this chapter shall be computed by the armed force concerned as of the date when the person becomes eligible for that pay. It shall be computed under an actuarial equivalent method based on (1) appropriate actuarial tables selected by the Board of Actuaries, and (2) an interest rate of 3 percent a year, or such other rate as the Secretary of the Treasury, after considering the average yield on outstanding marketable long-term obligations of the United States during the preceding six months, may specify by August 1 of any year for the following year. The method and tables shall be those in effect on the date as of which the computation is made.

§ 1437. Payment of annuity

Each annuity payable under this chapter accrues as of the first day of the month in which the person upon whose reduced pay the annuity is based dies. Payments shall be made in equal installments and not later than the fifteenth day of each month following that month. However, no annuity accrues for the month in which entitlement thereto ends.

§ 1438. Deposits for amounts not deducted

If, for any period, a person who has been retired or has become entitled to retired or retainer pay, and who has elected an annuity under this chapter, is not entitled to retired or retainer pay, he must
deposit in the Treasury the amount that would otherwise have been deducted from his pay for that period to provide the annuity.

§ 1439. Refund of amounts deducted from retired pay

If a person whose name is on the temporary disability retired list of an armed force, and who has elected an annuity under this chapter, has his name removed from that list for any reason other than retirement or grant of retired pay, he is entitled to a refund of the difference between the amount by which his retired pay was reduced to provide the annuity and the cost of an amount of term insurance equal to the protection provided for his dependents during the period that he was on that list.

§ 1440. Annuities not subject to legal process

No annuity payable under this chapter is assignable or subject to execution, levy, attachment, garnishment, or other legal process.

§ 1441. Annuities in addition to other payments

An annuity under this chapter is in addition to any pension or other payment to which the beneficiary is entitled under any other provision of law, and may not be considered as income under any law administered by the Veterans' Administration.

§ 1442. Recovery of annuity erroneously paid

In addition to other methods of recovery provided by law, the Secretary concerned may authorize the recovery, by deduction from later payments to a person, of any amount erroneously paid to him under this chapter. However, recovery is not required if, in the judgment of the Secretary concerned and the Comptroller General, there has been no fault by the person to whom the amount was erroneously paid and recovery would be contrary to the purposes of this chapter or against equity and good conscience.

§ 1443. Board of Actuaries

To advise on the administration of this chapter, the President shall convene at least once a year a Board of Actuaries composed of the Government Actuary, the Chief Actuary of the Social Security Administration, and an actuary who is a member of the Society of Actuaries. The compensation of the member from the Society of Actuaries shall be prescribed by the President.

§ 1444. Regulations; reports to Congress; determinations

(a) The President shall prescribe regulations to carry out this chapter. Those regulations shall, so far as practicable, be uniform for the armed forces, the Coast and Geodetic Survey, and the Public Health Service.

(b) The President shall report to Congress annually on the administration of this chapter.

(c) Determinations and certifications of eligibility for, and payments of, annuities and other payments or refunds under this chapter shall be made by the department concerned. However, in the case of a department other than a military department, payments shall be made through the disbursing facilities of the Department of the Treasury.
CHAPTER 75.—DEATH BENEFITS: CARE OF THE DEAD

8. any military prisoner who dies while in his custody.

(b) This section applies to each person covered by subsection (a) (1)–(7) even though he may have been temporarily absent from active duty, with or without leave, at the time of his death, unless he had been dropped from the rolls of his organization before his death.
§ 1482. Expenses incident to death

(a) Incident to the recovery, care, and disposition of the remains of any decedent covered by section 1481 of this title, the Secretary concerned may pay the necessary expenses of—

(b) If an individual pays any expense payable by the United States under this section, the Secretary concerned shall reimburse him or his representative in an amount not larger than that normally incurred by the Secretary in furnishing the supply or service concerned. If reimbursement by the United States is also authorized under another provision of law or regulation, the individual may elect under which provision to be reimbursed.

Transportation of remains under this section may be made to the home of the decedent or to any other place that the Secretary determines to be the appropriate place of interment.

(1) was appointed to a commissioned grade but was unable to accept the appointment because of death in line of duty;

(2) successfully completed the course at an officers’ training school and was recommended for appointment to a commissioned grade by the commanding officer or officer in charge of the school but was unable to accept the appointment because of death in line of duty; or

(3) was officially recommended for appointment or promotion to a commissioned grade and the recommendation for whose
appointment or promotion was approved by the Secretary concerned but was unable to accept the promotion or appointment because of death in line of duty.

(b) A commission issued under subsection (a) shall issue as of the date of the appointment, recommendation, or approval, as the case may be, and the member’s name shall be carried on the records of the military or executive department concerned as if he had served in the grade, and branch if any, in which posthumously commissioned, from the date of the appointment, recommendation, or approval to the date of his death.

§ 1522. Posthumous warrants

(a) The Secretary concerned may issue, or have issued, an appropriate warrant in the name of a member of the armed forces who, after September 8, 1939, was officially recommended for appointment or promotion to a grade other than a commissioned grade but was unable to accept the appointment or promotion because of death in line of duty.

(b) A warrant issued under subsection (a) shall issue as of the date of the recommendation, and the member’s name shall be carried on the records of the military or executive department concerned as if he had served in the grade to which posthumously appointed or promoted from the date of the recommendation to the date of his death.

§ 1523. Posthumous commissions and warrants: effect on pay and allowances

No person is entitled to any bonus, gratuity, pay, or allowance because of a posthumous commission or warrant.

CHAPTER 79.—CORRECTION OF MILITARY RECORDS

Sec.
1551. Correction of name after separation from service under an assumed name.
1552. Correction of military records: claims incident thereto.

§ 1551. Correction of name after separation from service under an assumed name

The Secretary of the military department concerned shall issue a certificate of discharge or an order of acceptance of resignation in the true name of any person who was separated from the Army, Navy, Air Force, or Marine Corps honorably or under honorable conditions after serving under an assumed name during a war with another nation or people, upon application by, or on behalf of, that person, and upon proof of his identity. However, a certificate or order may not be issued under this section if the name was assumed to conceal a crime or to avoid its consequences.

§ 1552. Correction of military records: claims incident thereto

(a) The Secretary of a military department, under procedures established by him and approved by the Secretary of Defense, and acting through boards of civilians of the executive part of that military department, may correct any military record of that department when he considers it necessary to correct an error or remove an injustice. Under procedures prescribed by him, the Secretary of the Treasury may in the same manner correct any military record of the
Coast Guard. Except when procured by fraud, a correction under this section is final and conclusive on all officers of the United States.

(b) No correction may be made under subsection (a) unless the claimant or his heir or legal representative files a request therefor before October 26, 1961, or within three years after he discovers the error or injustice, whichever is later. However, a board established under subsection (a) may excuse a failure to file within three years after discovery if it finds it to be in the interest of justice.

(c) The department concerned may pay, from applicable current appropriations, a claim for the loss of pay, allowances, compensation, emoluments, or other pecuniary benefits, or for the repayment of a fine or forfeiture, if, as a result of correcting a record under this section, the amount is found to be due the claimant on account of his or another's service in the Army, Navy, Air Force, Marine Corps, or Coast Guard, as the case may be. If the claimant is dead, the money shall be paid, upon demand, to his legal representative. However, if no demand for payment is made by a legal representative, the money shall be paid—

1. to the surviving spouse, heir, or beneficiaries, in the order prescribed by the law applicable to that kind of payment;
2. if there is no such law covering order of payment, in the order set forth in section 2771 of this title; or
3. as otherwise prescribed by the law applicable to that kind of payment.

A claimant’s acceptance of a settlement under this section fully satisfies the claim concerned. This section does not authorize the payment of any claim compensated by private law before October 25, 1951.

(d) Applicable current appropriations are available to continue the pay, allowances, compensation, emoluments, and other pecuniary benefits of any person who was paid under subsection (c), and who, because of the correction of his military record, is entitled to those benefits, but for not longer than one year after the date when his record is corrected under this section if he is not reenlisted in, or appointed or reappointed to, the grade to which those payments relate. Without regard to qualifications for reenlistment, or appointment or reappointment, the Secretary concerned may reenlist a person in, or appoint or reappoint him to, the grade to which payments under this section relate.

(e) No payment may be made under this section for a benefit to which the claimant might later become entitled under the laws and regulations administered by the Administrator of Veterans’ Affairs.

(f) The Secretary of Defense for the military departments, and the Secretary of the Treasury for the Coast Guard, shall report to Congress every six months on claims paid under this section during the period covered by the report. The report shall include for each claim the name of the claimant, a brief description of the claim, and a statement of the amount paid.

CHAPTER 81.—CIVILIAN EMPLOYEES

Sec.
1581. Appointment: professional and scientific services.
1582. Professional and scientific services: reports to Congress on appointments.
1583. Employment of certain persons without compensation.
1584. Laws relating to employment of non-citizens: not applicable to research and development activities.
§ 1581. Appointment: professional and scientific services

(a) The Secretary of Defense may establish not more than six civilian positions to carry out research and development relating to the national defense, military medicine, and other activities of the Department of Defense that require the services of specially qualified scientific or professional personnel.

(b) Subject to the Civil Service Commission's approval as to rates, the Secretary may fix the compensation for positions established under subsection (a). However, the compensation may not be less than $10,000 or more than $15,000 a year.

(c) Positions established under subsection (a) are in the classified civil service of the United States. However, if the Civil Service Commission or a person designated by it approves a proposed appointee's qualifications, no competitive examination may be required.

§ 1582. Professional and scientific services: reports to Congress on appointments

The Secretary of Defense shall report to Congress each calendar year on the number of positions established under sections 1581, 4021, 7471, and 9021 of this title during that calendar year. The report shall list the name, rate of compensation, functions, and qualifications of each incumbent. However, the Secretary may omit any item if he considers that a full public report on it would be detrimental to the national security. In such a case, he shall present the information, in executive session, to such committees of the Senate and the House of Representatives as are designated by the presiding officers of those bodies.

§ 1583. Employment of certain persons without compensation

(a) The Secretary of Defense may employ, without compensation, not more than 10 persons of outstanding experience and ability. However, a person so employed may be allowed transportation, and not more than $15 a day instead of subsistence, while away from his home or regular place of business pursuant to employment under this section.

(b) The Secretary may, by regulation, exempt persons employed under subsection (a) from sections 281, 283, 284, 434, and 1914 of title 18 and section 99 of title 5.

§ 1584. Laws relating to employment of non-citizens: not applicable to research and development activities

Laws prohibiting the employment of, or payment of compensation or expenses to, a person who is not a citizen of the United States do not apply to any expert, scientist, technician, or professional person whose employment in connection with the research and development activities of a military department is determined to be necessary by the Secretary of that department.

Sec.

§ 2001. Reserve components

As prescribed by the Secretary concerned, each reserve component except the Army National Guard of the United States and the Air National Guard of the United States shall be divided into training categories according to the kinds and degrees of training, including the number and duration of drills or equivalent duties to be completed in stated periods. The designation of training categories shall be the same for all armed forces and the same within the Ready Reserve and the Standby Reserve.

CHAPTER 131.—PLANNING AND COORDINATION

Sec.
2201. General functions of Secretary of Defense.

§ 2201. General functions of Secretary of Defense

The Secretary of Defense shall, in support of strategic and logistic plans—

1. coordinate appropriate activities relating to industrial matters, including plans of the Department of Defense for procurement, production, and distribution;
2. plan for the military aspects of industrial mobilization;
3. assign procurement responsibilities among the military departments;
4. plan for the standardization of items prescribed by section 2451 (c) (1) of this title;
5. plan for the greatest practicable allocation, on the basis of procurement by a single procurement agency, of the authority to buy technical supplies and common use items used by each of the armed forces;
(6) prepare estimates of potential production, procurement, and personnel for use in evaluating the logistic feasibility of strategic operations;

(7) determine priorities for the segments of the military procurement programs;

(8) supervise subordinate agencies created to consider matters covered by this section;

(9) regroup, combine, or dissolve inter-service agencies operating in the fields of procurement, production, and distribution, so as to promote efficiency and economy;

(10) maintain liaison with other departments and agencies for the proper correlation of military requirements with the civilian economy, particularly with regard to the procurement or disposition of strategic and critical materials and the maintenance of adequate reserves of those materials, and the making of recommendations as to policies in connection therewith; and

(11) assemble and review requirements for material and personnel presented by the Joint Chiefs of Staff and by the production, procurement, and distribution agencies assigned to meet military needs.

§ 2202. Obligation of funds: limitation

Notwithstanding any other provision of law, an officer or agency of the Department of Defense may obligate funds for procuring, producing, warehousing, or distributing supplies, or for related functions of supply management, only under regulations prescribed by the Secretary of Defense. The purpose of this section is to achieve the efficient, economical, and practical operation of an integrated supply system to meet the needs of the military departments without duplicate or overlapping operations or functions.

CHAPTER 133.—FACILITIES FOR RESERVE COMPONENTS

Sec.
2231. Purpose.
2232. Definitions.
2233. Acquisition.
2234. Location and use.
2235. Administration; other use permitted by Secretary.
2236. Contributions to States; other use permitted by States.
2237. Supervision of construction.
2238. Army National Guard of United States; Air National Guard of United States; limitation on relocation of units.

§ 2231. Purpose

The purpose of this chapter is to provide for—

(1) the acquisition, by purchase, lease, transfer, construction, expansion, rehabilitation, or conversion, of facilities necessary for the proper development, training, operation, and maintenance of the reserve components of the armed forces;

(2) the joint use of those facilities by units of two or more of those reserve components, to the greatest practicable extent for efficiency and economy:

(3) the use of those facilities, in time of war or national emergency, by those units and other units of the armed forces, to the greatest practicable extent for efficiency and economy; and
any other use of those facilities by the United States, in time of war or national emergency, to the greatest practicable extent for efficiency and economy.

§ 2232. Definitions
In this chapter:
(1) “State” and “Territory” include political subdivisions and military units thereof and tax-supported agencies therein.
(2) “Facility” includes any (A) interest in land, (B) armory or other structure, and (C) storage or other facility normally needed for the administration and training of any unit of the reserve components of the armed forces.

§ 2233. Acquisition
(a) Subject to sections 2234, 2235, 2236, and 2238 of this title and subsection (c) of this section, and after consulting the Committees on Armed Services of the Senate and the House of Representatives, the Secretary of Defense may—
(1) acquire by purchase, lease, or transfer, and construct, expand, rehabilitate, or convert and equip, such facilities as he determines to be necessary to carry out the purposes of this chapter;
(2) contribute to any State or Territory, Puerto Rico, or the District of Columbia such amounts as he determines to be necessary to expand, rehabilitate, or convert facilities owned by it for use jointly by units of two or more of the reserve components of the armed forces; and
(3) contribute to any State or Territory, Puerto Rico, or the District of Columbia such amounts for the acquisition, construction, expansion, rehabilitation, or conversion by it of additional facilities as he determines to be required by any increase in the strength of the Army National Guard of the United States or the Air National Guard of the United States.
(b) Title to property acquired under subsection (a) (1) vests in the United States.
(c) The Secretary of Defense may delegate any of his authority or functions under this chapter to any department, agency, or officer of the Department of Defense.

§ 2234. Location and use
No expenditure or contribution may be made for a facility under section 2233 of this title, unless the Secretary of Defense determines that—
(1) the number of units of the reserve components of the armed forces located or to be located in the area within which the facility is to be provided is not and will not be larger than the number that can reasonably be expected to be maintained at authorized strength, considering the number of persons living in the area who are qualified for membership in those reserve units; and
(2) the plan under which the facility is to be provided makes provision for the greatest practicable use of the facility jointly by units of two or more of those components.
§ 2235. Administration; other use permitted by Secretary

(a) The Secretary of Defense, after consulting the Committees on Armed Services of the Senate and the House of Representatives on matters of policy, may—

(1) administer, operate, maintain, and equip facilities constructed, expanded, rehabilitated, or converted under section 2233 (a) (1) of this title or otherwise acquired and used for the purposes of this chapter;

(2) permit persons or organizations other than members and units of the armed forces to use those facilities under such leases or other agreements as he considers appropriate; and

(3) cover the payments received under those leases or agreements into the Treasury to the credit of the appropriation from which the cost of maintaining the facility, including its utilities and services, is paid.

(b) The Secretary may not permit any use or disposition to be made of a facility covered by subsection (a) that would interfere with its use—

(1) for administering and training the reserve components of the armed forces; or

(2) in time of war or national emergency, by other units of the armed forces or by the United States for any other purpose.

§ 2236. Contributions to States; other use permitted by States

(a) Contributions under section 2233 of this title are subject to such terms as the Secretary of Defense, after consulting the Committees on Armed Services of the Senate and the House of Representatives, considers necessary for the purposes of this chapter. Except as otherwise agreed when the contribution is made, a facility provided by a contribution under section 2233 (a) (3) of this title may be used jointly by units of two or more reserve components of the armed forces only to the extent that the State or Territory, Puerto Rico, or the District of Columbia, whichever is concerned, considers practicable.

(b) No contribution made for a facility under section 2233 (a) (3) of this title may be more than 75 percent of the cost of the construction to which it is to be applied. For the purpose of computing the cost of construction under this subsection, the amount contributed by the State or Territory, Puerto Rico, or the District of Columbia, whichever is concerned, may not include the cost or market value of any real property that it has contributed.

(c) If a State or Territory, Puerto Rico, or the District of Columbia acquires, constructs, expands, rehabilitates, or converts a facility with amounts contributed under section 2233 of this title, it may—

(1) permit persons or organizations other than members and units of the armed forces to use the facility under such leases or other agreements as it considers appropriate; and

(2) apply amounts received under those leases or agreements to the cost of maintaining the facility.

(d) Except as otherwise agreed when the contribution is made, and except as the agreement is later changed, a State or Territory, Puerto Rico, or the District of Columbia may not permit any use or disposition of the facility that would interfere with its use—

(1) for administering and training the reserve components of the armed forces; or
(2) in time of war or national emergency, by other units of the armed forces or by the United States for any other purpose.

§ 2237. Supervision of construction

Any construction, expansion, rehabilitation, or conversion under this chapter may be performed under the supervision of the Chief of Engineers of the Army or the Chief of the Bureau of Yards and Docks of the Navy.

§ 2238. Army National Guard of United States; Air National Guard of United States: limitation on relocation of units

No unit of the Army National Guard of the United States or the Air National Guard of the United States may be relocated or withdrawn under this chapter until the governor of the State or Territory, or Puerto Rico, or the commanding general of the National Guard of the District of Columbia, as the case may be, has been consulted.

CHAPTER 135.—ENCOURAGEMENT OF AVIATION

Sec.
2271. Design competitions: advertisement; selection of winner.
2272. Design competitions: rejection or purchase of designs; contracts; conditions.
2273. Right of United States to design; right of designer to patent; right to sue United States.
2274. Procurement for experimental purposes.
2275. Contracts; review of decisions.
2276. Inspection and audit of plant and books of contractor; criminal provisions.
2277. Appropriations; availability.
2278. Purchase of sample aircraft.
2279. Aircraft: restrictions on alien employees of contractor.

§ 2271. Design competitions: advertisement; selection of winner

(a) To encourage the development of aviation and to improve the efficiency of aeronautical war material for the Army, Navy, Air Force, and Marine Corps, the Secretary of each military department, before procuring new designs of aircraft, aircraft parts, or aeronautical accessories, shall invite the submission of new designs thereof in competition, as follows.

(b) An invitation for the submission of a design shall be made by advertisement in not less than three leading aeronautical journals for a period of 30 days, and in such other manner as the Secretary of the military department concerned considers advisable. Such an advertisement shall specify a time within which designs and prices may be submitted. This time may not be less than 60 days after the expiration of the 30-day advertising period. Each submission shall be sealed and shall contain the design submitted, a statement of the price for which the design or any part of it would be sold to the United States, and a graduated scale of prices for which the designer is willing to construct all or any part of a designed item. The submission shall be kept sealed until the expiration of the specified time. No design mailed after that time may be considered.

(c) Each advertisement under subsection (b) shall state in general terms the kind of aircraft, aircraft parts, or aeronautical accessories
to be developed and the approximate quantity required. The department concerned shall furnish to each applicant identical detailed information as to the conditions of the competition and the features and characteristics to be developed in the design, listing specifically the measures of merit, expressed in percentages, that are to be applied in determining the merits of the design. These measures of merit apply throughout the competition.

(d) Each design submitted under subsection (b) shall be referred to a board appointed by the Secretary of the military department concerned. The board shall appraise each design as soon as practicable and report the winners to the Secretary. If the Secretary approves the board's report, he shall fix the time and place of a public announcement of the results and notify each competitor. If the Secretary does not approve it, the papers may be returned to the board for revision, or he may choose the winners, as he elects. The decision of the Secretary is final and conclusive. The announcement of the results of the competition shall state the percentages awarded to each feature or characteristic of each of the designs submitted and the price named for each design and each feature thereof, if separable.

(e) If, within 10 days after the announcement of the results of a competition under subsection (d), a competitor makes a reasonable showing in writing to the Secretary of the military department concerned that an error was made in determining the merits of designs submitted and that he was thereby deprived of an award, the Secretary shall at once refer the matter to a board of arbitration for determination. The board of arbitration shall be composed of three skilled aeronautical engineers, one of whom shall be selected by the Secretary, one by the claimant, and the third by the other members. No person may be a member of a board of arbitration if he served on the board of appraisal that judged the competition out of which the arbitration arose. The findings of the board are conclusive if approved by the Secretary. In a competition, three competitors, or less, who have the highest figures of merit may be selected as winners.

§ 2272. Design competitions: rejection or purchase of designs; contracts; conditions

(a) If the Secretary of the military department concerned determines that a winner of a design competition under section 2271 of this title is, or can become within a reasonable time, able and equipped to furnish or construct all or part of any designed item, he may contract with that winner for furnishing or constructing it at a reasonable price, but not more than the price submitted with the design, on terms that he considers most advantageous to the United States. However, if the Secretary determines that the winner will not be able to furnish all or part of any designed item, he may buy the design, or a separable part of it, at a fair and reasonable price, but not more than the price submitted with the design.

(b) If the Secretary of the military department concerned determines that none of the designs submitted in a competition is of sufficient merit to justify procurement of a designed item, he need not accept or pay for them.

(c) If the Secretary of the military department concerned determines that the designs submitted by two or more competitors are of
equal merit, or that features in the designs of one competitor are superior to the corresponding features in the designs of another competitor and that the superior features of one design may be substituted for the inferior features of another, he may divide the contracts for furnishing the item equitably among those competitors that submitted designs of equal merit, or he may combine features of superior excellence of different designs in such manner as he determines to be in the best interest of the United States. Payment may be made accordingly to the several competitors at fair and reasonable prices and the contract for the item may be awarded to the competitor or competitors having the highest figures of merit in the competition.

(d) If the Secretary of the military department concerned cannot contract with a winner in a design competition for furnishing or constructing all or part of a designed item, or if he cannot agree with a winner for the purchase of a design at a reasonable price, he may retain the design and advertise according to law for proposals for furnishing or constructing the item. After all proposals are submitted the Secretary may contract with the lowest responsible bidder for furnishing the item, on terms that he considers in the best interest of the United States. However, the Secretary may reject all bids and advertise for other bids with the same or different specifications.

(e) Each seller of designs and each contractor furnishing or constructing aircraft, aircraft parts, or aeronautical accessories under this section shall, if the Secretary of the military department concerned requests it, release claims against the United States arising out of the sale or contract. The release shall be in the form, and shall contain the terms, prescribed by the Secretary.

(f) No contract may be awarded under this section—

(1) to an individual who is not a citizen of the United States;
(2) to a corporation, unless 75 percent of its capital stock is owned by, and all its directors are, citizens of the United States;
or
(3) to an individual or a corporation that does not have a manufacturing plant within the United States.

However, the Secretary of the military department concerned may contract with any domestic corporation whose stock is listed on a stock exchange, unless he knows that a majority of its stock is owned or controlled by aliens.

§ 2273. Right of United States to design; right of designer to patent; right to sue United States

(a) Any executive or military department of the United States may construct or have constructed according to the winning design, and may use, any aircraft, aircraft part, or aeronautical accessory, after payment is completed under a contract made under section 2272 of this title, or after payment for or purchase of the winning design, or a separable part thereof, for that item under that section. An item so constructed may be sold according to law as condemned material. In neither case may any further compensation be paid to the winner of the competition. However, the winner may apply for a patent on any feature of the designed item that was originated by him, and, if the patent is granted, he has exclusive rights under it against all persons except the United States or its vendee under this subsection.
(b) Any person who believes that—
   (1) a design developed by him after July 2, 1926, relating to
       aircraft or an aircraft component, is being used; or
   (2) an article embodying a design developed by him after
       July 2, 1926, relating to aircraft or an aircraft component, is
       being used or manufactured;
by or for the United States without just compensation to him from the
United States or any other source may, within four years from the
date of that use or manufacture, sue in the Court of Claims to recover
reasonable and entire compensation.

§ 2274. Procurement for experimental purposes

(a) The Secretary of a military department may buy designs, air-
craft, aircraft parts, and aeronautical accessories that he considers
necessary for experimental purposes in the development of the best
kinds of those items for the Army, Navy, Air Force, or Marine Corps,
as the case may be. Purchases under this subsection may be made
abroad or in the United States or the Territories, Commonwealths,
and possessions, with or without competition and by contract or
otherwise.

(b) If, as a result of a purchase under subsection (a), a new or
suitable design considered to be the best kind for the Army, Navy,
Air Force, or Marine Corps, as the case may be, is developed, the Sec-
retary of the military department concerned may contract for pro-
curement of the item in quantity. Contracts under this subsection are
subject to sections 2272 (f) and 2279 of this title but are not subject
to sections 2271 (a)–(d) and 2272 (a) of this title.

§ 2275. Contracts; review of decisions

The Secretary of a military department may award a contract for
aircraft, aircraft parts, or aeronautical accessories under this chapter
to the person whom he finds to be the lowest responsible bidder who
can satisfactorily perform the work to the best advantage of the
United States. Except for review by the President or a Federal court,
or as otherwise provided by the contract, the decision of the Secretary
is not reviewable as to—
   (1) the award of the contract;
   (2) the interpretation of the contract; or
   (3) the application and administration of the contract.

§ 2276. Inspection and audit of plant and books of contractor;
criminal provisions

(a) The manufacturing plant and books of a contractor furnishing
or constructing aircraft, aircraft parts, or aeronautical accessories
for a military department under this chapter, or that part of the plant
which is used for that purpose, are subject at all times to inspection
and audit by a person designated by the head of any executive depart-
ment.

(b) The Secretary of the military department concerned shall keep
for 10 years all audits and reports of inspection made for that depart-
ment under subsection (a). Any committee of Congress may inspect
them.

(c) Whoever, by collusion, understanding, or arrangement, de-
prives or attempts to deprive the United States of the benefit of a
full and free competition under this chapter or of a full and free audit, so far as necessary to disclose the cost of executing the contract, of the books of a person carrying out a contract under this chapter shall be fined not more than $20,000 or imprisoned for not more than five years, or both.

§ 2277. Appropriations; availability

Any appropriation available to a military department for the procurement of aircraft, aircraft parts, or aeronautical accessories may be used by that department to buy designs and pay the costs of arbitration under this chapter.

§ 2278. Purchase of sample aircraft

The Secretary of the Army or the Secretary of the Air Force may buy a sample aircraft from an unsuccessful bidder in a competition held by his department and requiring the submission of sample aircraft. However, not more than one sample aircraft may be bought from each of the first, second, and third of those bidders in order of merit, at prices not more than 75, 60, and 50 percent, respectively, of the cost of developing and manufacturing the sample, as determined by the Secretary of the military department concerned.

§ 2279. Aircraft: restrictions on alien employees of contractor

Unless the Secretary of the military department concerned first consents in writing, an alien employed by a person who contracts under this chapter to furnish or construct aircraft, aircraft parts, or aeronautical accessories for the United States may not have access to the plans or specifications for the contracted items or to the work under construction, and may not participate in the trials under the contract.

CHAPTER 137.—PROCUREMENT GENERALLY

§ 2301. Declaration of policy

It is the policy of Congress that a fair proportion of the purchases and contracts made under this chapter be placed with small business concerns.

§ 2302. Definitions

Force; the Secretary of the Treasury; or the Executive Secretary of the National Advisory Committee for Aeronautics.

(2) "Negotiate" means make without formal advertising.

(3) "Formal advertising" means advertising as prescribed by section 2305 (a) and (b) of this title.

§ 2303. Applicability of chapter

(a) This chapter applies to the purchase, and contract to purchase, by any of the following agencies, for its use or otherwise, of all property named in subsection (b), and all services, for which payment is to be made from appropriated funds:

(1) The Department of the Army.
(2) The Department of the Navy.
(3) The Department of the Air Force.
(4) The Coast Guard.
(5) The National Advisory Committee for Aeronautics.

(b) This chapter does not cover land. It covers all other property including—

(1) public works;
(2) buildings;
(3) facilities;
(4) vessels;
(5) floating equipment;
(6) aircraft;
(7) parts;
(8) accessories;
(9) equipment; and
(10) machine tools.

(c) The provisions of this chapter that apply to the procurement of property apply also to contracts for its installation or alteration.

§ 2304. Purchases and contracts: formal advertising; exceptions

(a) Purchases of and contracts for property or services covered by this chapter shall be made by formal advertising. However, the head of an agency may negotiate such a purchase or contract, if—

(1) it is determined that such action is necessary in the public interest during a national emergency declared by Congress or the President;
(2) the public exigency will not permit the delay incident to advertising;
(3) the aggregate amount involved is not more than $1,000;
(4) the purchase or contract is for personal or professional services;
(5) the purchase or contract is for any service by a university, college, or other educational institution;
(6) the purchase or contract is for property or services to be procured and used outside the United States, its Territories, and its possessions;
(7) the purchase or contract is for medicine or medical supplies;
(8) the purchase or contract is for property for authorized resale;
(9) the purchase or contract is for perishable subsistence supplies;
(10) the purchase or contract is for property or services for which it is impracticable to obtain competition;

(11) the purchase or contract is for property or services that he determines to be for experimental, developmental, or research work, or for making or furnishing property for experiment, test, development, or research;

(12) the purchase or contract is for property or services whose procurement he determines should not be publicly disclosed because of their character, ingredients, or components;

(13) the purchase or contract is for equipment that he determines to be technical equipment whose standardization and the interchangeability of whose parts are necessary in the public interest and whose procurement by negotiation is necessary to assure that standardization and interchangeability;

(14) the purchase or contract is for technical or special property that he determines to require a substantial initial investment or an extended period of preparation for manufacture, and for which he determines that formal advertising and competitive bidding might require duplication of investment or preparation already made or would unduly delay the procurement of that property; or

(15) the purchase or contract is for property or services for which he determines that the bid prices received after formal advertising are unreasonable as to all or part of the requirements, or were not independently reached in open competition, and for which (A) he has notified each responsible bidder of intention to negotiate and given him reasonable opportunity to negotiate; (B) the negotiated price is lower than the lowest rejected bid of any responsible bidder, as determined by the head of the agency; and (C) the negotiated price is the lowest negotiated price offered by any responsible supplier:

(16) he determines that (A) it is in the interest of national defense to have a plant, mine, or other facility, or a producer, manufacturer, or other supplier, available for furnishing property or services in case of a national emergency; or (B) the interest of industrial mobilization in case of such an emergency, or the interest of national defense in maintaining active engineering, research, and development, would otherwise be subserved; or

(17) negotiation of the purchase or contract is otherwise authorized by law.

(b) The data respecting the negotiation of each purchase or contract under clauses (1) and (7)-(17) of subsection (a) shall be kept by the contracting agency for six years after the date of final payment on the contract.

(c) This section does not authorize—

(1) the negotiation of a contract to construct or repair any building, road, sidewalk, sewer main, or similar item, unless— (A) it is made under clauses (1)-(3), (10)-(12), or (15) of subsection (a); or

(B) it is to be performed outside the United States; or

(2) the erection, repair, or furnishing of any public building or public improvement.

(d) Whenever the head of the agency determines it to be practicable, such advance publicity as he considers suitable with regard
to the property involved and other relevant considerations shall be given for a period of at least 15 days before making a purchase of or contract for property, or a service, under clause (7) or (8) of subsection (a) involving more than $10,000.

(e) A report shall be made to Congress, on May 19 and November 19 of each year, of the purchases and contracts made under clauses (11) and (16) of subsection (a) during the period since the date of the last report. The report shall—

1. name each contractor;
2. state the amount of each contract; and
3. describe, with consideration of the national security, the property and services covered by each contract.

(f) For the purposes of the following laws, purchases or contracts negotiated under this section shall be treated as if they were made with formal advertising:

1. Sections 35-45 of title 41.
2. Sections 276a-276a-5 of title 40.
3. Sections 324 and 325a of title 40.

§ 2305. Formal advertisements for bids; time; opening; award; rejection

(a) Whenever formal advertising is required under section 2304 of this title, the advertisement shall be made a sufficient time before the purchase or contract. The specifications and invitations for bids shall permit such free and full competition as is consistent with the procurement of the property and services needed by the agency concerned.

(b) Bids shall be opened publicly at the time and place stated in the advertisement. Awards shall be made with reasonable promptness by giving written notice to the responsible bidder whose bid conforms to the invitation and will be the most advantageous to the United States, price and other factors considered. However, all bids may be rejected if the head of the agency determines that rejection is in the public interest.

(c) If the head of the agency considers that any bid received after formal advertising evidences a violation of the antitrust laws, he shall refer the bid to the Attorney General for appropriate action.

§ 2306. Kinds of contracts

(a) The cost-plus-a-percentage-of-cost system of contracting may not be used. Subject to this limitation and subject to subsections (b)-(e), the head of an agency may, in negotiating contracts under section 2304 of this title, make any kind of contract that he considers will promote the best interests of the United States.

(b) Each contract negotiated under section 2304 of this title shall contain a warranty, determined to be suitable by the head of the agency, that the contractor has employed or retained no person or selling agency to solicit or obtain the contract under an understanding or agreement for a commission, percentage, brokerage, or contingent fee, except a bona fide employee or established commercial or selling agency maintained by him to obtain business. If a contractor breaks such a warranty the United States may annul the contract without liability or may deduct the commission, percentage, brokerage, or contingent fee from the contract price or consideration.
(c) No cost contract, cost-plus-a-fixed-fee contract, or incentive contract may be made under section 2304 of this title, unless the head of the agency determines that such a contract is likely to be less costly to the United States than any other kind of contract or that it is impracticable to obtain property or services of the kind or quality required except under such a contract.

(d) The fee for performing a cost-plus-a-fixed-fee contract for experimental, developmental, or research work may not be more than 15 percent of the estimated cost of the contract, not including the fee. The fee for performing a cost-plus-a-fixed-fee contract for architectural or engineering services for a public work or utility plus the cost of those services to the contractor may not be more than 6 percent of the estimated cost of that work or project, not including fees. The fee for performing any other cost-plus-a-fixed-fee contract may not be more than 10 percent of the estimated cost of the contract, not including the fee. Determinations under this subsection of the estimated costs of a contract or project shall be made by the head of the agency at the time the contract is made.

(e) Each cost contract and each cost-plus-a-fixed-fee contract shall provide for notice to the agency by the contractor before the making, under the prime contract, of—

1. a cost-plus-a-fixed-fee subcontract; or
2. a fixed-price subcontract or purchase order involving more than $25,000 or 5 percent of the estimated cost of the prime contract.

§ 2307. Advance payments

(a) Under terms agreed upon by the parties, the head of an agency may make advance payments in any amount on a negotiated contract, whether or not the contract previously provided for such payments, if—

1. the contractor gives adequate security; and
2. the head of the agency determines that advance payments are in the public interest or the interest of national defense and are necessary for the procurement of the property or services under the contract.

The total amount of advance payments on any contract may not be more than the contract price.

(b) The terms governing advance payments under subsection (a) may provide for a lien in favor of the United States on—

1. the property contracted for;
2. the credit balance in any special account in which the advance payments are deposited; and
3. such of the material and other property acquired for performance of the contract as may be agreed upon by the parties. Upon inclusion of such a provision, a lien is created that is paramount to any other lien.

§ 2308. Assignment and delegation of procurement functions and responsibilities

Subject to section 2311 of this title, to facilitate the procurement of property and services covered by this chapter by each agency named in section 2308 of this title for any other agency, and to facilitate joint procurement by those agencies—
(1) the head of an agency may, within his agency, delegate functions and assign responsibilities relating to procurement;
(2) the heads of two or more agencies may by agreement delegate procurement functions and assign procurement responsibilities from one agency to another of those agencies or to an officer or civilian employee of another of those agencies; and
(3) the heads of two or more agencies may create joint or combined offices to exercise procurement functions and responsibilities.

§ 2309. Allocation of appropriations

(a) Appropriations available for procurement by an agency named in section 2303 of this title may, through administrative allotment, be made available for obligation for procurement by any other agency in amounts authorized by the head of the allotting agency and without transfer of funds on the books of the Department of the Treasury.
(b) A disbursing officer of the allotting agency may make any disbursement chargeable to an allotment under subsection (a) upon a voucher certified by an officer or civilian employee of the procuring agency.

§ 2310. Determinations and decisions

(a) Determinations and decisions required to be made under this chapter by the head of an agency may be made for an individual purchase or contract or for a class of purchases or contracts. Such a determination or decision is final.
(b) Each determination or decision under clauses (11)-(16) of section 2304 (a), section 2306, or section 2307 (a) of this title shall be based on a written finding by the person making the determination or decision. Such a finding is final and shall be kept available in the agency for at least six years after the date of the determination or decision. A copy of the finding shall be submitted to the General Accounting Office with each contract to which it applies.

§ 2311. Delegation

The head of an agency may delegate, subject to his direction, to any other officer or official of that agency, any power under this chapter except the power to make determinations and decisions under clauses (11)-(16) of section 2304 (a), or section 2307 (a) of this title. However, the power to make a determination or decision under section 2304 (a) (11) of this title may be delegated only to a chief officer or official of that agency who is responsible for procurement, and only for contracts requiring the expenditure of not more than $25,000.

§ 2312. Remission of liquidated damages

Upon the recommendation of the head of an agency, the Comptroller General may remit all or part, as he considers just and equitable, of any liquidated damages assessed for delay in performing a contract, made by that agency, that provides for such damages.

§ 2313. Examination of books and records of contractor

(a) An agency named in section 2308 of this title is entitled, through an authorized representative, to inspect the plant and audit the books and records of—
(1) a contractor performing a cost or cost-plus-a-fixed-fee contract made by that agency under this chapter; and
(2) a subcontractor performing any subcontract under a cost or cost-plus-a-fixed-fee contract made by that agency under this chapter.

(b) Each contract negotiated under this chapter shall provide that the Comptroller General and his representatives are entitled, until the expiration of three years after final payment, to examine any books, documents, papers, or records of the contractor, or any of his subcontractors, that directly pertain to, and involve transactions relating to, the contract or subcontract.

§ 2314. Laws inapplicable to agencies named in section 2303 of this title

Sections 5, 6, 6a, and 13 of title 41 do not apply to the procurement of property or services by the agencies named in section 2303 of this title.

CHAPTER 139.—RESEARCH AND DEVELOPMENT

Sec.
2351. Policy, plans, and coordination.
2352. Contracts: limited to five-year terms.
2353. Contracts: acquisition, construction, or furnishing of test facilities and equipment.
2355. Contracts: vouchering procedures.
2357. Contracts: reports to Congress.

§ 2351. Policy, plans, and coordination

The Secretary of Defense shall keep informed on the status of scientific research relating to the national security, and shall make adequate provision for research and development on scientific problems relating to the national security. He shall—

(1) prepare a complete and integrated program of research and development for military purposes;
(2) keep informed on trends in scientific research relating to the national security and the measures necessary to assure continued and increasing progress;
(3) coordinate research and development among the military departments and allocate responsibility for specific programs among those departments;
(4) formulate policy for the Department of Defense on research and development involving agencies outside the Department of Defense; and
(5) consider the interaction of research and development and strategy and instruct the Joint Chiefs of Staff thereon.

§ 2352. Contracts: limited to five-year terms

Subject to availability of appropriations, contracts of a military department for services and the use of facilities for research or development, or both, may be for a term of not more than five years, and may be extended for not more than five additional years.
§ 2353. Contracts: acquisition, construction, or furnishing of test facilities and equipment

(a) A contract of a military department for research or development, or both, may provide for the acquisition or construction by, or furnishing to, the contractor, of research, developmental, or test facilities and equipment that the Secretary of the military department concerned determines to be necessary for the performance of the contract. The facilities and equipment, and specialized housing for them, may be acquired or constructed at the expense of the United States, and may be lent or leased to the contractor with or without reimbursement, or may be sold to him at fair value. This subsection does not authorize new construction or improvements having general utility.

(b) Facilities that would not be readily removable or separable without unreasonable expense or unreasonable loss of value may not be installed or constructed under this section on property not owned by the United States, unless the contract contains—

(1) a provision for reimbursing the United States for the fair value of the facilities at the completion or termination of the contract or within a reasonable time thereafter;

(2) an option in the United States to acquire the underlying land; or

(3) an alternative provision that the Secretary concerned considers to be adequate to protect the interests of the United States in the facilities.

(c) Proceeds of sales or reimbursements under this section shall be paid into the Treasury as miscellaneous receipts, except to the extent otherwise authorized by law with respect to property acquired by the contractor.

§ 2354. Contracts: indemnification provisions

(a) With the approval of the Secretary of the military department concerned, any contract of a military department for research or development, or both, may provide that the United States will indemnify the contractor against either or both of the following, but only to the extent that they arise out of the direct performance of the contract and to the extent not compensated by insurance or otherwise:

(1) Claims (including reasonable expenses of litigation or settlement) by third persons, including employees of the contractor, for death, bodily injury, or loss of or damage to property, from a risk that the contract defines as unusually hazardous.

(2) Loss of or damage to property of the contractor from a risk that the contract defines as unusually hazardous.

(b) A contract, made under subsection (a), that provides for indemnification must also provide for—

(1) notice to the United States of any claim or suit against the contractor for the death, bodily injury, or loss of or damage to property; and

(2) control of or assistance in the defense by the United States, at its election, of that suit or claim.

(c) No payment may be made under subsection (a) unless the Secretary of the department concerned, or an officer or official of his department designated by him, certifies that the amount is just and reasonable.
(d) Upon approval by the Secretary concerned, payments under subsection (a) may be made from—
(1) funds obligated for the performance of the contract concerned;
(2) funds available for research or development, or both, and not otherwise obligated; or
(3) funds appropriated for those payments.

§ 2355. Contracts: vouchering procedures

Notwithstanding any law relating to the expenditure of and accounting for public funds, the Secretary of each military department may, with the approval of the Secretary of Defense and the Comptroller General, prescribe by regulation the extent to which vouchers for funds spent under a contract of his department for research or development, or both, must be itemized, substantiated, or certified before payment.

§ 2356. Contracts: delegations

(a) The Secretary of a military department may delegate any authority under section 1534, 2353, 2354, or 2355 of this title to—
(1) the Under Secretary of his department;
(2) an Assistant Secretary of his department; or
(3) the chief, and one assistant to the chief, of any technical service, bureau, or office.

However, the authority of the Secretary under section 2353 (b) (3) of this title may not be delegated to a person described in clause (3) of this subsection.

(b) Subject to other provisions of law, the power to negotiate and administer contracts for research or development, or both, may be further delegated. In this section “negotiate” means make without the formal advertising prescribed by section 2305 (a) and (b) of this title.

§ 2357. Contracts: reports to Congress

The Secretary of each military department shall report to Congress on contracts for research or development, or both, made during each six-month period ending on January 16 or July 16. The report shall—
(1) list each of those contracts in which the cost to the United States will be more than $50,000; and
(2) contain specific information on each contract described in clause (1), but may omit any information if the Secretary considers that its disclosure would be detrimental to the national security.

CHAPTER 141.—MISCELLANEOUS PROCUREMENT PROVISIONS

Sec.
2382. Aircraft: contract requirements.
2383. Emergency purchases: war material abroad.
2384. Supplies: marking with name of contractor.
2385. Arms and ammunition: immunity from taxation.
2386. Copyrights, patents, designs, etc.; acquisition.
§ 2381. Contracts: regulations for bids

(a) The Secretary of a military department may—
   (1) prescribe regulations for the preparation, submission, and opening of bids for contracts with that department; and
   (2) require that a bid be accompanied by a written guaranty, signed by one or more responsible persons, undertaking that the bidder, if his bid is accepted, will, within the time prescribed by the Secretary or other officer authorized to make the contract, make a contract and furnish a bond with good and sufficient sureties for the performance of the contract.

(b) If a bidder, after being notified of the acceptance of his bid, fails within the time prescribed under subsection (a) (2) to enter into a contract and furnish the prescribed bond, the Secretary concerned or other authorized officer shall—
   (1) contract with another person; and
   (2) charge against the defaulting bidder and his guarantors the difference between the amount specified by the bidder in his bid and the amount for which a contract is made with the other person, this difference being immediately recoverable by the United States for the use of the military department concerned in an action against the bidder and his guarantors, jointly or severally.

(c) Proceedings under this section are subject to regulations under section 486 of title 40, unless exempted therefrom under section 481 (a) of that title.

§ 2382. Aircraft: contract requirements

(a) The Secretary of a military department may not contract for the manufacture of all or part of any complete aircraft, unless the contractor agrees—
   (1) to report under oath to the Secretary, when the contract is completed, as prescribed in subsection (b):
   (2) to pay any excess profit into the Treasury;
   (3) to make no division of any contract or subcontract for the same article for the purpose of evading this section;
   (4) that the books and manufacturing spaces of its plant, affiliates, and divisions may at any time be audited and inspected, respectively, by any person designated by the Secretary of the military department concerned, the Secretary of the Treasury, or an authorized committee of Congress; and
   (5) to make no subcontract unless the subcontractor agrees to the conditions set forth in this subsection.

(b) The report required under subsection (a) (1) shall be in the form prescribed by the Secretary of the military department concerned. It shall state the total contract price, the cost of performing the contract, the net profit or loss, and the percentage of the contract price that is net profit or loss. A copy shall be sent to the Secretary of the Treasury to be considered with the Federal income tax returns of the contractor.

(c) For the purposes of this section, “excess profit” means so much of the profits as the Secretary of the Treasury determines to
be greater than 12 percent of the total contract price for contracts covered by this section and completed by a contractor or subcontractor within the taxable year. The method of computing excess profits shall be determined by the Secretary of the Treasury in agreement with the Secretary of the military department concerned. It shall be made available to the public.

(d) When an excess profit is found owing, the Secretary of the Treasury shall allow credit for any Federal income taxes paid or to be paid on the excess profit. If a contractor or subcontractor has a net loss, or a net profit of less than 12 percent, on the aggregate of contracts or subcontracts covered by this section and completed in a taxable year, the deficiency shall be allowed as a credit against any excess profit for the next succeeding four taxable years.

(e) When paid into the Treasury, an excess profit becomes the property of the United States. The surety under the contract is not liable for its payment.

(f) This section applies to any division of a contract or subcontract covered by this section.

(g) This section does not apply to—

1. a contract or subcontract for scientific equipment for communications, target detection, navigation, or fire control if the Secretary of the military department concerned designates the contract or subcontract for exemption; or

2. a contract or subcontract, or division thereof, if the amount involved is $10,000 or less.

§ 2383. Emergency purchases: war material abroad

The Secretary of a military department may make emergency purchases of war material abroad. Material so purchased shall be admitted free of duty.

§ 2384. Supplies: marking with name of contractor

Each contractor furnishing supplies to a military department shall mark them with his name in the manner directed by the Secretary of that department. No supplies may be received unless so marked.

§ 2385. Arms and ammunition: immunity from taxation

No tax on the sale or transfer of firearms, pistols, revolvers, shells, or cartridges may be imposed on such articles when bought with funds appropriated for a military department.

§ 2386. Copyrights, patents, designs, etc.; acquisition

Funds appropriated for a military department available for making or procuring supplies may be used to acquire any of the following if the acquisition relates to supplies or processes produced or used by or for, or useful to, that department:

1. Copyrights, patents, and applications for patents.

2. Licenses under copyrights, patents, and applications for patents.

3. Designs, processes, and manufacturing data.

4. Releases, before suit is brought, for past infringement of patents.
CHAPTER 143.—PRODUCTION BY MILITARY AGENCIES

Sec. 2421. Plantations and farms: operation, maintenance, and improvement.

§ 2421. Plantations and farms: operation, maintenance, and improvement

(a) Appropriations for the subsistence of members of the Army, Navy, Air Force, or Marine Corps are available for expenditures necessary in the operation, maintenance, and improvement of any plantation or farm, outside the United States and under the jurisdiction of the Army, Navy, Air Force, or Marine Corps, as the case may be, for furnishing fresh fruits and vegetables to the armed forces. However, no land may be acquired under this subsection.

(b) Fruits and vegetables produced under subsection (a) that are over the amount furnished or sold to the armed forces or to civilians serving with the armed forces may be sold only outside the United States.

(c) Of the persons employed by the United States under subsection (a), only nationals of the United States are entitled to the benefits provided by laws relating to the employment, work, compensation, or other benefits of civilian employees of the United States.

(d) A plantation or farm covered by subsection (a) shall be operated, maintained, and improved by a private contractor or lessee, so far as practicable. Before using members of the Army, Navy, Air Force, or Marine Corps, as the case may be, the Secretary concerned must make a reasonable effort to make a contract or lease with a person in civil life for his services for that operation, maintenance, or improvement, on terms advantageous to the United States. A determination by the Secretary as to the reasonableness of effort to make a contract or lease, and as to the advantageous nature of its terms, is final.

CHAPTER 145.—CATALOGING AND STANDARDIZATION

Sec. 2451. Defense supply management.

§ 2451. Defense supply management

(a) The Secretary of Defense shall develop a single catalog system and related program of standardizing supplies for the Department of Defense.

(b) In cataloging, the Secretary shall name, describe, classify, and number each item recurrently used, bought, stocked, or distributed by the Department of Defense, so that only one distinctive combination of letters or numerals, or both, identifies the same item throughout the Department of Defense. Only one identification may be used for each item for all supply functions from purchase to final disposal in the field or other area. The catalog may consist of a number of volumes, sections, or supplements. It shall include all items of supply and, for each item, information needed for supply operations, such as descriptive and performance data, size, weight, cubage, packaging
and packing data, a standard quantitative unit of measurement, and other related data that the Secretary determines to be desirable.

(c) In standardizing supplies the Secretary shall, to the highest degree practicable—

(1) standardize items used throughout the Department of Defense by developing and using single specifications, eliminating overlapping and duplicate specifications, and reducing the number of sizes and kinds of items that are generally similar;

(2) standardize the methods of packing, packaging, and preserving standardized items; and

(3) make efficient use of the services and facilities for inspecting, testing, and accepting those items.

§ 2452. Duties of Secretary of Defense

The Secretary of Defense shall—

(1) develop and maintain the supply catalog, and the standardization program, described in section 2451 of this title;

(2) direct and coordinate progressive use of the supply catalog in all supply functions within the Department of Defense from the determination of requirements through final disposal;

(3) direct, review, and approve—

(A) the naming, description, and pattern of description of all items;

(B) the screening, consolidation, classification, and numbering of descriptions of all items; and

(C) the publication and distribution of the supply catalog;

(4) maintain liaison with industry advisory groups to coordinate the development of the supply catalog and the standardization program with the best practices of industry and to obtain the fullest practicable cooperation and participation of industry in developing the supply catalog and the standardization program;

(5) establish, publish, review, and revise, within the Department of Defense, military specifications, standards, and lists of qualified products, and resolve differences between the military departments, bureaus, and services with respect to them;

(6) assign responsibility for parts of the cataloging and the standardization programs to the military departments, bureaus, and services within the Department of Defense, when practical and consistent with their capacity and interest in those supplies;

(7) establish time schedules for assignments made under clause (6); and

(8) make final decisions in all matters concerned with the cataloging and standardization programs.

§ 2453. Supply catalog: distribution and use

The Secretary of Defense shall distribute the parts of the supply catalog described in section 2451 of this title as they are completed. Existing catalogs shall be replaced according to schedules established by the Secretary. After replacement no other supply catalog may be used within the Department of Defense with respect to the kinds of items covered by that part. All property reports and records shall use the nomenclature, item numbers, and descriptive data of the supply catalog.
§ 2454. Supply catalog: new or obsolete items

(a) After any part of the supply catalog described in section 2451 of this title is distributed, and with respect to the kinds of items covered by that part, only the items listed in it may be procured for recurrent use in the Department of Defense. However, a military department may acquire any new item that is necessary to carry out its mission. As soon as such an item is acquired, it shall be submitted to the Secretary for inclusion in the catalog and the standardization program.

(b) Obsolete items may be deleted from the catalog at any time.

§ 2455. Reports to Congress

(a) The Secretary of Defense shall send to the Committees on Armed Services of the Senate and the House of Representatives, on January 31 and July 31 of each year, a progress report on cataloging under this chapter from each military department. Each report shall cover the six-month period ending with the preceding June 30 or December 31, whichever was later. The report shall contain—

1. the number of sections or parts of the supply catalog that have been published, and their titles;
2. the number of item identification numbers in the catalog that have replaced, for all supply purposes, former item identifications or stock or catalog numbers;
3. the reduction in the number of separate item identifications; and
4. any other information that the Secretary considers will best inform Congress of the status of the cataloging program.

(b) The Secretary shall report to the Committees on Armed Services of the Senate and the House of Representatives, on January 31 and July 31 of each year, on the progress of the standardization program within the military departments. Each report shall cover the six-month period ending with the preceding June 30 or December 31, whichever was later. The report shall contain—

1. the number of separate specifications that have been consolidated into single specifications for use throughout the Department of Defense;
2. the reduction in the number of sizes or kinds of items that are generally similar;
3. the duplications eliminated in services, space, and facilities; and
4. any other information that the Secretary considers will best inform Congress of the progress of the standardization program.

(c) The Secretary may combine the reports required by subsections (a) and (b).

§ 2456. Coordination with General Services Administration

To avoid unnecessary duplication, the Administrator of General Services and the Secretary of Defense shall coordinate the cataloging and standardization activities of the General Services Administration and the Department of Defense.
CHAPTER 147.—UTILITIES AND SERVICES

Sec. 2481. Utilities and services: sale; expansion and extension of systems and facilities.

2482. Commissary stores: private operation.

§ 2481. Utilities and services: sale; expansion and extension of systems and facilities

(a) Under such regulations and for such periods and at such prices as he may prescribe, the Secretary of a military department or his designee may sell or contract to sell to purchasers within or in the immediate vicinity of an activity of the Army, Navy, Air Force, or Marine Corps, as the case may be, any of the following utilities and related services, if it is determined that they are not available from another local source and that the sale is in the interest of national defense or in the public interest:

1. Electric power.
2. Steam.
3. Compressed air.
5. Sewage and garbage disposal.
6. Natural, manufactured, or mixed gas.
7. Ice.
8. Mechanical refrigeration.
9. Telephone service.

(b) Proceeds of sales under subsection (a) shall be credited to the appropriation currently available for the supply of that utility or service.

(c) To meet local needs the Secretary of the military department concerned may make minor expansions and extensions of any distributing system or facility within an activity through which a utility or service is furnished under subsection (a).

§ 2482. Commissary stores: private operation

Private persons may operate commissary stores under such regulations as the Secretary of Defense may approve.

CHAPTER 149.—ISSUE TO ARMED FORCES

that needs it for instruction and practice for the purpose of aiding
the Army, Navy, or Air Force in time of war. The Secretary shall
by regulation require the immediate return, upon request, of equip-

double the value of the property issued under this section, for the
care and safekeeping of that property and for its return when required.

§ 2574. Armament: sale of individual pieces

A piece of armament that can be advantageously replaced, and that is not needed for its historical value, may be sold by the military department having jurisdiction over it for not less than cost, if the Secretary concerned considers that there are adequate sentimental reasons for the sale.

§ 2575. Disposition of unclaimed property

(a) The Secretary of any military department, and the Secretary of the Treasury, under such regulations as they may respectively prescribe, may each by public or private sale or otherwise, dispose of all lost, abandoned, or unclaimed personal property that comes into the custody or control of his department, other than property subject to section 4712, 4713, 6522, 9712, or 9713 of this title or subject to subsection (c) of this section. However, property may not be disposed of until diligent effort has been made to find the owner, his heirs or next of kin, or his legal representative, nor until one year after the date when the property is received at a storage point designated by the Secretary. If the owner, his heirs or next of kin, or his legal representative is determined but not found, the property may not be disposed of until the expiration of 120 days after the date when notice, giving the time and place of the intended sale or other disposition, has been sent by registered mail to that person at his last known address.

(b) The net proceeds from the sale of property under this section shall be covered into the Treasury as miscellaneous receipts. The owner, his heirs or next of kin, or his legal representative may file a claim for those proceeds with the General Accounting Office within five years after the date of the disposal of the property. He may pay all necessary ex-

(d) The Secretary of the Treasury, upon the request of the Secretary of a military department, may retain money, securities, and the proceeds of the sale of securities, in the gift fund of the department concerned, and may invest money and reinvest the proceeds of the sale of securities in that fund in securities of the United States or in securities guaranteed as to principal and interest by the United States. The Secretary of the Treasury may do likewise with respect to the Coast Guard General Gift Fund. The interest and profits accruing from those securities shall be deposited to the credit of the gift fund of the department concerned and may be disbursed as provided in subsection (b).

CHAPTER 157.—TRANSPORTATION

§ 2631. Supplies: preference to United States vessels

Only vessels of the United States or belonging to the United States may be used in the transportation by sea of supplies bought for the Army, Navy, Air Force, or Marine Corps. However, if the President finds that the freight charged by those vessels is excessive or otherwise unreasonable, contracts for transportation may be made as otherwise provided by law. Charges made for the transportation of those supplies by those vessels may not be higher than the charges made for transporting like goods for private persons.

§ 2632. Transportation to and from certain places of employment

(a) Whenever the Secretary of a military department determines that it is necessary for the effective conduct of the affairs of that department, he may, at reasonable rates of fare fixed under regulations to be prescribed by him, provide assured and adequate transportation by motor vehicle or water carrier to and from their places of employment for persons attached to, or employed in, that department, and during a war or during a national emergency declared by Congress or the President, for persons attached to, or employed in, a private plant that is manufacturing material for that department.

(b) Transportation may not be provided under subsection (a) unless the Secretary of the military department concerned, or an officer of the department concerned designated by the Secretary, determines that—

(1) other facilities are inadequate and cannot be made adequate;

(3) the service to be furnished will make proper use of transportation facilities and will supply the most efficient transportation to the persons concerned.
