the center of the channel of said East Fork of Russian River to the point of beginning, lying in the northwest corner of said lot 149 of the Yokayo Rancho, containing approximately 100 acres.

Appraised value.

The appraised value of such land and improvements, which is hereby determined to be $54,000, shall be transferred from the appropriation available to the Corps of Engineers for the construction of the Coyote Valley Dam of the Russian River Basin project, California, to the Secretary of the Interior for distribution among the Indians who have assignments on the land. Such sum shall be distributed by paying to each assignee the appraised value of the land assigned to him and the appraised value of the improvements thereon. The remainder of the sum, representing the value of the unassigned portion of the land, shall be distributed equally among the assignees. The payment or distribution of the proceeds from any sale or condemnation pursuant to this Act shall not be subject to any lien, except for debts owed to the United States or to Indian organizations indebted to the United States, and shall not be taxable.

SEC. 2. All reimbursable indebtedness charged by the United States against the land described above or the improvements thereon is hereby canceled.
