To amend section 334 (e) of the Agricultural Adjustment Act of 1938, as amended, relating to increased allotments for durum wheat.

Durum wheat. Quotas and allotments. 70 Stat. 50.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 334 (e) of the Agricultural Adjustment Act of 1938, as amended (7 U. S. C. 1334), is amended to read as follows:

"(e) Notwithstanding any other provision of this Act, the Secretary shall increase the farm marketing quotas and acreage allotments for the 1957 crop of wheat for farms located in counties in the States of North Dakota, Minnesota, Montana, South Dakota, and California, designated by the Secretary as counties which (1) are capable of producing durum wheat (class II) and (2) have produced such wheat for commercial food products during one or more of the five years 1952 through 1956. The increase in the wheat acreage allotment for any farm shall be conditioned upon the production of durum wheat (class II) on such increased acreage. The increased allotment shall be determined by adding to the allotment established without regard to this subsection (hereinafter referred to as the 'original allotment') an acreage equal to the acreage by which the original allotment exceeds the 1957 acreage on the farm of classes of wheat other than durum wheat (class II) (hereinafter referred to as 'other wheat'), but such increased allotment shall not exceed the smaller of the cropland on the farm well suited to wheat or the wheat acreage on the farm: *Provided*, That for the purposes of this subsection (1) the original allotment for each farm shall be not less than fifteen acres, and (2) varieties of class II (durum wheat) known as 'Golden Ball' and 'Peliss' shall be regarded as 'other wheat'. Notwithstanding any other provision of this subsection, (1) no acreage allotment shall be increased under this subsection by more than sixty acres, and (2) no acreage allotment shall be increased under this subsection for any farm on which the producer knowingly devotes to the production of other wheat an acreage in excess of the acreage allotment estab-

lished without regard to this subsection (and particularly without regard to clause (1) of the foregoing proviso).

"The increases in wheat acreage allotments authorized by this subsection shall be in addition to the National, State, and county wheat acreage allotments, and the acreage of durum wheat (class II) on such increased allotments shall not be considered in establishing future State, county and farm acreage allotments.

"The provisions of paragraph (6) of Public Law 74, Seventy-seventh Congress (7 U. S. C. 1340 (6)), and section 326 (b) of this Act, relating to the reduction of the storage amount of wheat shall apply to the allotment for the farm established without regard to this subsection and not to the increased allotment under this subsection. 55 Stat. 204; 52 Stat. 51. 7 USC 1326.

"For the purpose of applying section 103 (a) (1) of the Soil Bank Act (relating to participation in the acreage reserve) to any farm receiving an increased allotment under this subsection— 70 Stat. 189. 7 USC 1821.

"(1) the 'farm acreage allotment' shall be the allotment established without regard to this subsection and not the increased allotment under this subsection, and

"(2) each acre planted to durum wheat (class II) shall count as one-half acre of wheat.

For the purposes of this subsection 'wheat acreage on the farm' shall include acreage in the wheat acreage reserve."

AN ACT

Granting the consent and approval of Congress to the Merrimack River Flood Control Compact.

Merrimack River Flood Control Compact.
Consent of Congress.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the consent and approval of Congress is given to the Merrimack River Flood Control Compact between the States of Massachusetts and New Hampshire. Such compact reads as follows:

"*Whereas*, The federal government exercises jurisdiction over the nation's navigable rivers and their tributaries through passage of the flood control act of nineteen hundred and thirty-six and various other acts amendatory thereto; and 49 Stat. 1570.

"*Whereas*, These acts provide for construction by the United States of dams for flood control and, where feasible, in addition to flood control for storage of water to be used for irrigation, recreation, hydroelectric power, or for any of these purposes; and

"*Whereas*, The Merrimack river is an interstate river and control of major floods on it can be obtained only by the construction of dams by the United States under authorization of the above mentioned acts; and

"*Whereas*, The Commonwealth of Massachusetts and the State of New Hampshire recognize that it is in the interest of their general welfare that the United States construct in the Merrimack river valley a comprehensive system of local protection works and dams and reservoirs to control floods and prevent loss of life and property, the disruption of orderly processes and the impairment of commerce between the aforesaid states; and

"*Whereas*, The United States has constructed dikes, flood walls and other local protection works at Nashua in the State of New Hampshire and at Haverhill, Lowell and Fitchburg in the Commonwealth of Massachusetts and dams and reservoirs for the storage of flood waters at Franklin Falls, Peterboro and Webster in the State of New Hampshire, and has prepared designs for dikes and flood walls and other local protection works at Lawrence and North Andover in the Commonwealth of Massachusetts; and

"*Whereas*, The congress has at various times authorized construction by the United States of other dams and reservoirs for the storage of flood waters in the State of New Hampshire and has more recently instructed the Corps of Engineers to determine what additional local protection works and dams and reservoirs are required for a comprehensive system to control floods in the Merrimack river and its tributaries; and

"*Whereas*, It is believed that such a comprehensive flood control system should include dams and reservoirs controlling flood run-off from approximately thirty per cent of the total drainage area of the Merrimack river basin and strategically located in reference to characteristics of tributaries and to damage centers; and

"*Whereas*, Dams and reservoirs to control thirty per cent of flood run-off will be located in the State of New Hampshire and the major benefits from such dams and reservoirs will accrue to the Commonwealth of Massachusetts; and

"*Whereas*, Construction by the United States of additional dams and reservoirs in the State of New Hampshire, to complete such a comprehensive flood control system, will remove from the tax rolls of local governments of the State of New Hampshire such property as is acquired by the United States and may work other hardships against the people of New Hampshire; and

"*Whereas*, It is highly desirable that any flood control dam and reservoir constructed by the United States in the Merrimack river valley have the approval of the State of New Hampshire and the Commonwealth of Massachusetts and that the Commonwealth of Massachusetts benefiting from construction of such dam and reservoir make reimbursement for such loss of taxes and for such hardships; and

"*Whereas*, A comprehensive system for the prevention of destructive floods and for water resources utilization in the Merrimack river valley can best be accomplished by cooperation between the Commonwealth of Massachusetts and the State of New Hampshire and by

and through a common and joint agency of said two states; now, therefore

"The said Commonwealth of Massachusetts and State of New Hampshire do hereby enter into the following compact, to wit:—

"ARTICLE I.

"The principal purposes of this compact are:—(*a*) to promote interstate comity among and between the signatory states; (*b*) to provide adequate storage capacity for impounding the waters of the Merrimack river and its tributaries for the protection of life and property from floods; (*c*) to provide a joint or common agency through which the signatory states, while promoting, protecting, and preserving to each the local interest and sovereignty of the respective signatory states, may more effectively co-operate in accomplishing the object of flood control and water resources utilization in the basin of the Merrimack river and its tributaries.

"ARTICLE II.

"There is hereby created The Merrimack River Valley Flood Control Commission, hereinafter referred to as the commission, which shall consist of six members, three of whom shall be residents of the Commonwealth of Massachusetts, one of whom shall be a resident of the Merrimack Valley, and three of whom shall be residents of the State of New Hampshire.

"The members of the commission shall be chosen by their respective states in such manner and for such term as may be fixed and determined from time to time by the law of each of said states, respectively, by which they are appointed. A member of the commission may be removed or suspended from office as provided by the law of the state from which he shall be appointed, and any vacancy occurring in the commission shall be filled in accordance with the laws of the state wherein such vacancy exists.

"A majority of the members of each state shall constitute a quorum for the transaction of business, the exercise of any powers or the performance of any duties, but no action of the commission shall be binding unless at least two members from each State shall vote in favor thereof.

"The compensation of members of the commission shall be fixed, determined and paid by the state which they respectively represent. All necessary expenses incurred in the performance of their duties shall be paid from the funds of the commission.

"The commission shall elect from its members a chairman, vice-chairman, clerk and treasurer. Such treasurer shall furnish to the commission, at its expense, a bond with corporate surety, to be approved by the commission, in such amount as the commission may determine, conditioned for the faithful performance of his duties.

"The commission shall adopt suitable by-laws and shall make such rules and regulations as it may deem advisable not inconsistent with laws of the United States, of the signatory states or with any rules or regulations lawfully promulgated thereunder.

"The commission shall make an annual report to the governor and legislature of each of the signatory states, setting forth in detail the operations and transactions conducted by it pursuant to this compact.

"The commission shall keep a record of all its meetings and proceedings, contracts and accounts, and shall maintain a suitable office, where its maps, plans, documents, records and accounts shall be kept, subject to public inspection at such times and under such regulations as the commission shall determine.

"ARTICLE III.

"The commission shall constitute a body, both corporate and politic, with full power and authority; (1) to sue and be sued; (2) to have a seal and alter the same at pleasure; (3) to appoint and employ such agents and employees as may be required in the proper performance of the duties hereby commited to it and to fix and determine their qualifications, duties and compensation; (4) to enter into such contracts and agreements and to do and perform any and all other acts, matters and things as may be necessary and essential to the full and complete performance of the powers and duties hereby committed to and imposed upon it and as may be incidental thereto; (5) to have such additional powers and duties as may hereafter be delegated to or imposed upon it from time to time by the action of the legislature of either of said states, concurred in by the legislature of the other state and by the Congress of the United States.

"The commission shall make, or cause to be made, such studies as it may deem necessary, in co-operation with the corps of engineers and other federal agencies, for the development of a comprehensive plan for flood control and for utilization of the water resources of the Merrimack river valley.

"The commission shall not pledge the credit of the signatory states or either of them.

"ARTICLE IV.

"The State of New Hampshire wherein is located the site of each of the following dams and reservoirs agrees to the construction by the United States of each such dam and reservoir in accordance with authorization by the congress:— (1) at West Hopkinton on the Contoocook river, controlling a drainage area of approximately four hundred and twenty-six square miles, and near East Weare, on the north branch of the Piscataquog river, controlling a drainage area of approximately sixty-four square miles; and providing flood control storage for appoximately six inches of run-off over both said drainage areas; and (2) near Loudon on the Soucook river, controlling a drainage area of approximately seventy-seven square miles and providing flood control storage for approximately six inches of run-off over said drainage area.

"ARTICLE V.

"The Commonwealth of Massachusetts agrees to reimburse the State of New Hampshire seventy per cent of the amount of taxes lost to its political subdivisions by reason of acquisition and ownership by the United States of lands, rights or other property therein for the flood control dams and reservoirs at Franklin Falls, Blackwater and West Peterboro and for construction in the future of any flood control dam and reservoir specified in Article IV, and also for any other flood control dam and reservoir hereafter constructed by the United States in the Merrimack river valley.

"Annually, not later than November first of each year the commission shall determine the loss of taxes resulting to political subdivisions of the State of New Hampshire by reason of acquisition and ownership therein by the United States of lands, rights or other property in connection with each flood control dam and reservoir for which provision for tax reimbursement has been made in the preceding paragraph. Such losses of taxes as determined by the commission shall be based on the tax rate then current in each such political subdivision and on the average assessed valuation for a period of five years prior

to the acquisition by the United States of such property; provided, that whenever a political subdivision wherein a flood control dam and reservoir or portion thereof is located shall have made a general revaluation of property subject to the annual municipal taxes of such subdivision, the commission may use such revaluation for the purpose of determining the amount of taxes for which reimbursement shall be made in the paragraph next above. Using the percentage of payment agreed to in said paragraph, the commission shall then compute the sum, if any, due from the Commonwealth of Massachusetts to the State of New Hampshire and shall send notice to the treasurer of the Commonwealth of Massachusetts setting forth in detail the sums, if any, to be paid to the State of New Hampshire in reimbursement of tax losses.

"The Commonwealth of Massachusetts on receipt of formal notification from the commission of the sum which it is to pay in reimbursement for tax losses shall, not later than July first of the following year, make its payment for such tax losses to the State of New Hampshire, except that in case of the first annual payment for tax losses at any dam or reservoir such payment shall be made by the Commonwealth of Massachusetts not later than July first of the year in which the next regular session of its legislature is held.

"Payment by the Commonwealth of Massachusetts of its share of reimbursement for taxes in accordance with formal notification received from the commission shall be a complete and final discharge of all liability of the Commonwealth of Massachusetts to the State of New Hampshire for each flood control dam and reservoir within the State of New Hampshire for the time specified in such formal notification. The State of New Hampshire shall have full responsibility for distributing or expending all such sums received and no agency or political subdivision shall have any claim against the Commonwealth of Massachusetts nor against the commission relative to tax losses covered by such payments.

"Whenever the Commonwealth of Massachusetts and the State of New Hampshire shall agree, through the commission, on a lump sum payment in lieu of annual payments and such lump sum payment has been made and received, the requirement that the commission annually shall determine the tax losses, compute sums due from the Commonwealth of Massachusetts and send notice thereof to the treasurer of the Commonwealth of Massachusetts, shall no longer apply to the aforesaid states with respect to any flood control dam and reservoir for which lump sum payment has been made and received.

"The Commonwealth of Massachusetts agrees to pay the State of New Hampshire its respective share in reimbursement, as determined by the commission under the procedure following, for economic losses and damages occurring by reason of ownership of property by the United States for construction and operation of a flood control dam and reservoir at any site specified in Article IV, and for any other flood control dam and reservoir constructed hereafter by the United States in the Merrimack river valley; provided, however, that no reimbursement shall be made for speculative losses and damages or losses or damages for which the United States is liable.

"On receipt of information from the chief of engineers that request is to be made for funds for the purpose of preparing detailed plans and specifications for any flood control dam and reservoir proposed to be constructed in the Merrimack river valley, including those specified in Article IV, the commission shall make an estimate of the amount of taxes which would be lost to and of economic losses and damages which would occur in political subdivisions of the State

of New Hampshire wherein such dam and reservoir would be located, wholly or in part, by reason of acquisition and ownership by the United States of lands, rights or other property for the construction and operation of such flood control dam and reservoir and shall decide whether the flood control benefits to be derived in the signatory states from such flood control dam and reservoir, both by itself and as a unit of a comprehensive flood control plan, justifies, in the opinion of the commission, the assumption by a signatory state of the obligation to make reimbursement for loss of taxes and for economic losses and damages. Such estimate and decision shall thereafter be reviewed by the commission at five-year intervals until such time as the United States shall have acquired title to the site of such flood control dam, or plans for its construction are abandoned. The commission shall notify the governor, the members of the United States Senate and the members of the United States House of Representatives from each signatory state, and the chief of engineers as to the commission's decision and as to any change in such decision.

"On receipt of information from the chief of engineers that any flood control dam and reservoir is to be constructed, reconstructed, altered or used for any purpose in addition to flood control, including those flood control dams and reservoirs heretofore constructed and those specified in Article IV, the commission shall make a separate estimate of the amount of taxes which would be lost to and of economic losses and damages which would occur in political subdivisions of the signatory state wherein such dam and reservoir would be located, wholly or in part, by reason of acquisition and ownership by the United States of lands, rights or other property for the construction and operation of such dam and reservoir in excess of the estimated amount of taxes which would be lost and of the economic losses and damages which would occur if the dam were constructed and operated for flood control only, and the commission shall decide the extent to which, in its opinion, the signatory states would be justified in making reimbursement for loss of taxes and for economic losses and damages in addition to reimbursement for such dam and reservoir if constructed and used for flood control only. Such estimate and decision shall thereafter be reviewed by the commission at five-year intervals until such time as such dam and reservoir shall be so constructed, reconstructed, altered or used, or plans for such construction, reconstruction, alteration or use are abandoned. The commission shall notify the governor, the members of the United States Senate and the members of the United States House of Representatives from each signatory state as to the commission's decision and as to any change in such decision.

"Within thirty days after acquisition by the United States of the site of any flood control dam the commission shall proceed to make a final determination of economic losses and damages occasioned by such dam and reservoir. The commission shall not include in such determination either speculative losses and damages or losses and damages for which the United States is liable.

"The commission shall compute the share the Commonwealth of Massachusetts shall pay to the State of New Hampshire by multiplying the sum of such losses and damages, as previously determined, by the percentage of flood control benefits which the Commonwealth of Massachusetts receives of the flood control benefits resulting from the dam and reservoir.

"The commission shall send a notice to the treasurer of the Commonwealth of Massachusetts setting forth in detail the sum, if any, the Commonwealth of Massachusetts is to pay to the State of New Hampshire in reimbursement for economic losses and damages and

shall also send such notice to the treasurer of the State of New Hampshire.

"The Commonwealth of Massachusetts on receipt of such formal notification by the commission shall pay its share of such economic losses or damages to the State of New Hampshire. Full payment by the Commonwealth of Massachusetts of the sum specified in such formal notification from the commission as to the amount of economic losses and damages for which the Commonwealth of Massachusetts is to make reimbursement shall be a complete and final discharge of all liability by the Commonwealth of Massachusetts to the State of New Hampshire for economic losses and damages for each flood control dam and reservoir within the said state designated in such formal notification. The State of New Hampshire shall have full responsibility for distributing or expending all such sums received and no agency, political subdivision, private person, partnership, firm, association or corporation shall have any claim against the Commonwealth of Massachusetts nor against the commission relative to such economic losses and damages.

"The State of New Hampshire may, in agreement with the commission and the chief of engineers, acquire title or option to acquire title to any or all lands, rights or other property required for any flood control dam and reservoir within its boundaries and transfer such titles or options to the United States. Whenever the fair cost to said state for such titles or options, as determined by the commission, is greater than the amount received therefor from the United States, the Commonwealth of Massachusetts shall pay its share of such excess cost to said State of New Hampshire, such share to be determined by the commission in accordance with procedure herein contained for determining reimbursement for economic losses and damages.

"Whenever the Commission shall not agree, within a reasonable time or within sixty days after a formal request from the governor of the State of New Hampshire or the Commonwealth of Massachusetts, concerning reimbursement for loss of taxes or for economic losses and damages at any flood control dam and reservoir heretofore or hereafter constructed by the United States in the Merrimack river valley, or concerning the extent, if any, to which reimbursement shall be made for additional loss of taxes and for additional economic losses and damages caused by construction, reconstruction, alteration or use of any such dam for purposes other than flood control, the governor of each signatory state shall designate a person from his state as a member of a board of arbitration, hereinafter called the board, and the members so designated shall choose one additional member who shall be chairman of such board. Whenever the members appointed by the governors to such board shall not agree within sixty days on such additional member of the board, the governors of such signatory states shall jointly designate the additional member. The board shall by majority vote decide the question referred to it and shall do so in accordance with the provisions of this compact concerning such reimbursement. The decision of the board on each question referred to it concerning reimbursement for loss of taxes and for economic losses and damages shall be binding on the commission and on each signatory state, notwithstanding any other provision of this compact.

"ARTICLE VI.

"Nothing contained in this compact shall be construed as a limitation upon the authority of the United States.

"ARTICLE VII.

"The signatory states agree to appropriate for compensation of agents and employees of the commission for office, administrative, travel and other expenses on recommendation of the commission subject to limitations as follows:—The Commonwealth of Massachusetts obligates itself to not more than seventeen thousand five hundred dollars for the first year and to not more than fourteen thousand dollars in any one year thereafter, the State of New Hampshire obligates itself to not more than seven thousand five hundred dollars for the first year and to not more than six thousand dollars in any one year thereafter.

"ARTICLE VIII.

"Should any part of this compact be held to be contrary to the constitution of either signatory state or of the United States, all other parts thereof shall continue to be in full force and effect.

"ARTICLE IX.

"This compact shall become operative and effective when ratified by the Commonwealth of Massachusetts and the State of New Hampshire, and approved by the Congress of the United States. Notice of ratification shall be given by the governor of each state to the governor of the other state and to the President of the United States, and the President of the United States is requested to give notice to the governors of the Commonwealth of Massachusetts and the State of New Hampshire of approval by the Congress of the United States."

Agriculture.
Grazing program.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That notwithstanding any other provision of law, in connection with any major disaster due to drought determined by the President to warrant assistance by the Federal Government under Public Law 875, Eighty-first Congress, as amended, the President is authorized and directed as part of the assistance provided pursuant to such Act to formulate and carry out, through the facilities of the Department of Agriculture, a deferred grazing program, which shall include nonuse or limited use, or any needed combination thereof, in any county affected by such disaster in which the Secretary of Agriculture determines grazing of native rangeland is a substantial factor in agricultural production, and finds that limited or deferred grazing is necessary and appropriate for the reestablishment or conservation of grass for grazing. Such program shall be applicable only to nonfederally owned land which is normally used for grazing. Within thirty days (1) after the date of enactment of this Act, or (2) after any subsequent designation of any such area as a disaster area by the President, the Secretary shall designate the counties in any such area in which this program shall be available, and the program shall remain available in each such county for a period of not more than five years after the date of enactment of this Act.

Payments.

SEC. 2. The program shall provide for payment for deferred grazing to farmers and ranchers at rates equal to the fair rental value of the land for the grazing use withheld under the program, as determined by the Secretary on the basis of the normal grazing capacity of the land during periods of adequate precipitation. No payment shall be made under the program if it is determined that a shift of livestock from the deferred areas to other land results in overgrazing nondeferred areas. Payment to any person for deferred grazing on land in any one county or land in more than one county operated as a single unit shall not exceed $5,000 for any one year.

Conditions.

SEC. 3. The program authorized herein may include such terms and conditions, in addition to those specifically provided for herein, as are determined desirable to effectuate its purposes and to facilitate practical administration. The program authorized herein for any county shall be supplemental to the agricultural conservation program, and not in substitution of, other programs in such county authorized by any other law, except that no payment shall be made concurrently on the same land for deferred grazing under this and any other program.

JOINT RESOLUTION

Requesting the President to designate the third Friday of May of each year as National Defense Transportation Day.

Whereas the United States of America has the greatest transportation system ever developed and maintained anywhere in the world, and it is of the greatest importance that it be so recognized and maintained; and

Whereas the growth and development of all of the areas of the United States, the expansion of our commerce, trade, and cultural relations among the various sections of our country and with the nations of the world, are directly attributable to and their continuance dependent upon the transportation mobility of our people and the products of our farms and factories, serving adequately and effectively all our people; and

Whereas this great transportation system, by land, by sea, and in the air, has been so expansive and comprehensive as to become somewhat commonplace in its acceptability, and the true importance and significance of this great transportation system in the community life and security of all our people, and as a bulwark in support of the Armed Forces in a national emergency or preparedness in the defense of our country, is not given the full recognition to which this national development is entitled; and

Whereas without effective transportation, all logistic effort collapses, and without effective logistics, all defense collapses: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the President of the United States is authorized and requested annually to issue a proclamation designating the third Friday of May of each year as National Defense Transportation Day, and urging the people of the United States, including labor, management, users, and investors, in all communities served by any of the various forms of transportation by land, by sea, and by air, to observe this occasion by appropriate ceremonies which will give full recognition to the importance to each and every community and the people thereof of our transportation system and the maintenance of its facilities in the most modern state of adequacy to serve our needs in times of peace and in national defense.

to prevent the dissemination of any plant pest new to or not theretofore known to be widely prevalent or distributed within and throughout the United States, seize, quarantine, treat, apply other remedial measures to, destroy, or otherwise dispose of, in such manner as he deems appropriate, any product or article of any character whatsoever, or means of conveyance, which is moving into or through the United States, or interstate, and which he has reason to believe is infested or infected by or contains any such plant pest, or which has moved into the United States, or interstate, and which he has reason to believe was infested or infected by or contained any such plant pest at the time of such movement; and any plant pest, product, article, or means of conveyance which is moving into or through the United States, or interstate, or has moved into the United States, or interstate, in violation of this Act or any regulation thereunder: *Provided*, That this paragraph shall not authorize such action with respect to any product, article, means of conveyance, or plant pest subject, at the time of the proposed action, to disposal under the Plant Quarantine Act.

(b) Except as provided in paragraph (c), the Secretary may order the owner of any product, article, means of conveyance, or plant pest subject to disposal under paragraph (a), or his agent, to treat, apply other remedial measures to, destroy, or make other disposal of such product, article, means of conveyance, or plant pest, without cost to the Federal Government and in such manner as the Secretary deems appropriate. The Secretary may apply to the United States district court, or to the United States court of any Territory or possession, for the judicial district in which such person resides or transacts business or in which the product, article, means of conveyance, or plant pest is found, for enforcement of such order by injunction, mandatory or otherwise. SEC. 106. The Secretary may promulgate such regulations requiring inspection of products and articles of any character whatsoever and means of conveyance, specified in the regulations, as a condition of their movement into or through the United States, or interstate, and

Any judge of the United States or of a court of record of any State, Territory or possession, or a United States commissioner, may, within his respective jurisdiction, upon proper oath or affirmation showing probable cause to believe that there are on certain premises any products, articles, means of conveyance, or plant pests regulated or subject to disposal under this Act, issue warrants for the entry of such premises to make any inspections or seizures under this Act. Such warrants may be executed by any authorized employee of the Department of Agriculture.

AGGRAVATION

SEC. 353. A preexisting injury or disease will be considered to have been aggravated by active military, naval, or air service, where there is an increase in disability during active service, unless there is a specific finding that the increase in disability is due to the natural progress of the disease.

CONSIDERATION TO BE ACCORDED TIME, PLACE, AND CIRCUMSTANCES OF SERVICE

SEC. 354. (a) The Administrator is authorized and directed to include in the regulations pertaining to service-connection of disabilities, additional provisions in effect requiring that in each case where a veteran is seeking service-connection for any disability due consideration shall be given to the places, types, and circumstances of his service as shown by his service record, the official history of each organization in which he served, his medical records, and all pertinent medical and lay evidence.

(b) In the case of any veteran who engaged in combat with the enemy in active service with a military, naval, or air organization of the United States during a period of war, campaign, or expedition, the Administrator is authorized and directed to accept as sufficient proof of service connection of any disease or injury alleged to have been incurred in or aggravated by such service satisfactory lay or other evidence of service incurrence or aggravation of such injury or disease, if consistent with the circumstances, conditions, or hardships of such service, notwithstanding the fact that there is no official record of such incurrence or aggravation in such service, and, to that end, shall resolve every reasonable doubt in favor of the veteran. Service connection of such injury or disease may be rebutted by clear and convincing evidence to the contrary. The reasons for granting or denying service connection in each case shall be recorded in full.

AUTHORITY FOR SCHEDULE FOR RATING DISABILITIES

SEC. 355. The Administrator is authorized and directed to adopt and apply a schedule of ratings of reductions in earning capacity from specific injuries or combination of injuries. The ratings shall be based, as far as practicable, upon the average impairments of earning capacity resulting from such injuries in civil occupations. The schedule shall be constructed so as to provide ten grades of disability and no more, upon which payments of compensation shall be based, namely, 10 per centum, 20 per centum, 30 per centum, 40 per centum, 50 per centum, 60 per centum, 70 per centum, 80 per centum, 90 per centum, and total, 100 per centum. The Administrator shall from time to time readjust this schedule of ratings in accordance with experience.

SEC. 356. Any veteran shown to have active tuberculosis which is compensable under this title, who in the judgment of the Administrator has reached a condition of complete arrest, shall be rated as totally disabled for a period of two years following such date of arrest, as 50 per centum disabled for an additional period of four years, and 30 per centum for a further five years. Following far advanced active lesions the permanent rating shall be 30 per centum, and following moderately advanced lesions, the permanent rating, after eleven years, shall be 20 per centum, provided there is continued disability, dyspnea on exertion, impairment of health, and so forth; otherwise the rating shall be zero per centum. The total disability rating herein provided for the two years following a complete arrest may be reduced to 50 per centum for failure to follow prescribed treatment or to submit to examination when requested. This section shall not be construed as requiring a reduction of compensation authorized under any other provision of this title.

COMBINATION OF CERTAIN RATINGS

SEC. 357. The Administrator is authorized and directed to provide for the combination of ratings and to pay compensation at the rates prescribed in part B to those veterans who served during a period of war and during any other time, who have suffered disability in line of duty in each period of service.

(b) Where any veteran is disqualified for pension for any period solely by reason of subsection (a) of this section, the Administrator may apportion and pay to his wife or children the pension which such veteran would receive for that period but for this section.

(c) Where any widow or child of a veteran is disqualified for pension for any period solely by reason of subsection (a) of this section, the Administrator may (1) if the widow is disqualified, pay to the child, or children, the pension which would be payable if there were no such widow or (2) if a child is disqualified, pay to the widow the pension which would be payable if there were no such child.

FUNERAL EXPENSES

SEC. 802. (a) Where a veteran dies who—

(1) was a veteran of any war;

(2) had been discharged from the active military, naval, or air service for a disability incurred or aggravated in line of duty; or

(3) was in receipt of disability compensation;

the Administrator, in his discretion having due regard to the circumstances in each case, may pay a sum not exceeding $150 to such person as he prescribes to cover the burial and funeral expenses of the deceased veteran and the expense of preparing the body and transporting it to the place of burial.

(b) Except as hereafter provided in this subsection, no deduction shall be made from the burial allowance because of the veteran's net assets at the time of his death, or because of any contribution from any source toward the burial and funeral expenses (including transportation) unless the amount of expenses incurred is covered by the amount actually paid therefor by the United States, a State, any agency or political subdivision of the United States or of a State, the employer of the deceased veteran, or a burial association. No claim shall be allowed for more than the difference between the entire amount of the expenses incurred, and the amount paid by any or all of the foregoing. The Administrator shall not deny or reduce the amount of the burial allowance otherwise payable because of a cash contribution made by a burial association to any person other than the person rendering burial and funeral services. The burial allowance or any part thereof shall not be paid in any case where specific provision is otherwise made for payment of expenses of funeral, transportation, and interment under any other Act.

DEATH IN VETERANS' ADMINISTRATION FACILITY

SEC. 803. (a) Where death occurs in a Veterans' Administration facility to which the deceased was properly admitted for hospital or domiciliary care under authority of section 510 or 511 (a) of this Act, the Administrator shall pay the actual cost (not to exceed $150) of the burial and funeral.

(b) In addition to the foregoing, when such a death occurs in the continental United States, the Administrator shall transport the body to the place of burial in the United States, or to the place of burial within Alaska if the deceased was a resident of Alaska who had been

brought to the United States as a beneficiary of the Veterans' Administration for hospital or domiciliary care. Where such a death occurs in a Territory, a Commonwealth, or a possession of the United States, the Administrator shall transport the body to the place of burial within such Territory, Commonwealth, or possession.

(c) Within the limits prescribed in subsection (a), the Administrator may make contracts for burial and funeral services without regard to the laws requiring advertisement for proposals for supplies and services for the Veterans' Administration.

CLAIMS FOR REIMBURSEMENT

SEC. 804. Applications for payments under section 802 must be filed within two years after the burial of the veteran. If a claimant's application is incomplete at the time it is originally submitted, the Administrator shall notify the applicant of the evidence necessary to complete the application. If such evidence is not received within one year from the date of such notification, no allowance may be paid.

PERSONS ELIGIBLE UNDER PRIOR LAW

SEC. 805. The death of any person who had a status which would, under the laws in effect on the day before the effective date of this Act, afford entitlement to the burial benefits and other benefits provided for in this title, but who did not meet the service requirements contained in this title, shall afford entitlement to such benefits notwithstanding the failure of such person to meet such service requirements.

Such checks shall be payable without separate vouchers or receipts except in any case in which the Administrator may consider a voucher necessary for the protection of the Government. Such checks shall be transmitted by mail to the payee thereof at his last-known address, and the envelope or cover thereof may bear an appropriate notice of the prohibition set forth in subsection (b).

(b) Postmasters, delivery clerks, letter carriers, and all other postal employees are prohibited from delivering any mail addressed by the United States and containing any such check to any person whomsoever, if he has died or moved, or in the case of a widow, if the postal employee believes that she has remarried (unless the mail is addressed to her in the name she has acquired by her remarriage). The preceding sentence shall apply in the case of checks in payment of benefits other than pension, compensation, dependency and indemnity compensation, and insurance, only insofar as the Administrator deems it necessary to protect the United States against loss.

(c) Whenever mail is not delivered because of the prohibition of subsection (b), such mail shall be returned forthwith by the post-

master with a statement of the reason for so doing, and if because of death or remarriage, the date thereof, if known. Checks returned under this subsection because of death or remarriage shall be canceled.

(1) Upon the death of a person receiving an apportioned share of benefits payable to a veteran, all or any part of such benefits to the veteran or to any other dependent or dependents of the veteran, as may be determined by the Administrator;

(2) Upon the death of a veteran, to the living person first listed below:

TITLE X—SPECIAL PROVISIONS RELATING TO BENEFITS

NONASSIGNABILITY AND EXEMPT STATUS OF BENEFITS

SEC. 1001. (a) Payments of benefits due or to become due under any law administered by the Veterans' Administration shall not be assignable except to the extent specifically authorized by law, and such payments made to, or on account of, a beneficiary shall be exempt from taxation, shall be exempt from the claim of creditors, and shall not be liable to attachment, levy, or seizure by or under any legal or equitable process whatever, either before or after receipt by the beneficiary. The preceding sentence shall not apply to claims of the United States arising under such laws nor shall the exemption therein contained as to taxation extend to any property purchased in part or wholly out of such payments. The provisions of this section shall not be construed to prohibit the assignment by any person, to whom converted insurance shall be payable under title III of the World War Veterans' Act, 1924, of his interest in such insurance to any other member of the permitted class of beneficiaries or the assignment, otherwise authorized, of insurance under the National Service Life Insurance Act of 1940, or of indemnity under the Servicemen's Indemnity Act of 1951.

43 Stat. 624.
38 USC 511-518.

54 Stat. 1008.
38 USC 818.
70 Stat. 886.

(b) This section shall prohibit the collection by setoff or otherwise out of any benefits payable pursuant to any law administered by the Veterans' Administration and relating to veterans, their estates, or their dependents, of any claim of the United States or any agency thereof against (1) any person other than the indebted beneficiary or his estate; or (2) any beneficiary or his estate except amounts due the United States by such beneficiary or his estate by reason of overpayments or illegal payments made under such laws to such beneficiary or his estate or to his dependents as such. If the benefits referred to in the preceding sentence are insurance payable by reason of yearly renewable term or of United States Government life (converted) insurance or of National Service Life Insurance, issued by the United States, the exemption provided in this section shall not apply to indebtedness existing against the particular insurance contract upon the maturity of which the claim is based, whether such indebtedness is in the form of liens to secure unpaid premiums or loans, or interest on such premiums or loans, or indebtedness arising from overpayments of dividends, refunds, loans, or other insurance benefits.

(c) Notwithstanding subsection (a), payments of benefits under laws administered by the Veterans' Administration shall not be exempt from levy under subchapter D of chapter 64 of the Internal Revenue Code of 1954 (relating to seizure of property for collection of taxes).

68A Stat. 783.

WAIVER OF RECOVERY OF OVERPAYMENTS

SEC. 1002. (a) There shall be no recovery of overpayments of any benefits (except servicemen's indemnity) under any of the laws administered by the Veterans' Administration from any person who, in the judgment of the Administrator, is without fault on his part, and where, in the judgment of the Administrator, such recovery would defeat the purpose of benefits otherwise authorized or would be against equity and good conscience.

(b) No certifying or disbursing officer shall be liable for any amount paid to any person where the recovery of such amount is waived under subsection (a).

CERTAIN BARS TO BENEFITS

SEC. 1003. (a) The discharge or dismissal by reason of the sentence of a general court-martial of any person from the Armed Forces, or the discharge of any such person on the ground that he was a conscientious objector who refused to perform military duty or refused to wear the uniform or otherwise to comply with lawful orders of competent military authority, or as a deserter, or of an officer by the acceptance of his resignation for the good of the service, or (except as provided in subsection (c)) the discharge of any individual during a period of hostilities as an alien, shall bar all rights of such person under laws administered by the Veterans' Administration based upon the period of service from which discharged or dismissed.

(b) Notwithstanding subsection (a), if it is established to the satisfaction of the Administrator that, at the time of the commission of an offense leading to his court-martial, discharge, or resignation, any person was insane, such person shall not be precluded from benefits under laws administered by the Veterans' Administration based upon the period of service from which he was separated.

(c) Subsection (a) shall not apply to any alien whose service was honest and faithful, and who was not discharged on his own application or solicitation as an alien.

(d) This section shall not apply to any war-risk insurance, Government (converted) or national service life insurance policy.

PROHIBITION AGAINST DUPLICATION OF BENEFITS

SEC. 1004. (a) Except to the extent that retirement pay is waived under other laws, not more than one award of pension, compensation, emergency officers', regular, or reserve retirement pay, or initial award of naval pension granted after July 13, 1943, shall be made concurrently to any person based on his own service.

(b) The receipt of pension, compensation, or dependency and indemnity compensation by a widow, child, or parent on account of the death of any person, or receipt by any person of pension or compensation on account of his own service, shall not bar the payment of pension, compensation, or dependency and indemnity compensation on account of the death or disability of any other person.

(c) Pension, compensation, or retirement pay on account of his own service shall not be paid to any person for any period for which he receives active service pay.

WAIVER OF RETIRED PAY

SEC. 1005. Any person who is receiving pay pursuant to any provision of law relating to the retirement of persons in the regular military, naval, or air service, or relating to retirement from any reserve component of the military, naval, or air service for disability, and who would be eligible to receive pension or compensation under the laws administered by the Veterans' Administration if he were not receiving such retired pay, shall be entitled to receive such pension or compensation upon the filing by such person with the department by which such retired pay is paid of a waiver of so much of his retired pay as is equal in amount to such pension or compensation. To prevent duplication of payments, the department with which any such waiver is filed shall notify the Veterans' Administration of the receipt of such waiver, the amount waived, and the effective date of the reduction in retired pay.

RENOUNCEMENT OF RIGHT TO BENEFITS

SEC. 1006. (a) Any person entitled to pension, compensation, or dependency and indemnity compensation under any of the laws administered by the Veterans' Administration may renounce his right thereto. The application renouncing the right shall be in writing over the person's signature. Upon the filing of such an application, payment of such benefits and the right thereto shall be terminated, and such person shall be denied any and all rights thereto from such filing.

(b) Renunciation of rights under subsection (a) or under prior law on this subject shall not preclude any person from filing a new application for pension, compensation, or dependency and indemnity compensation at a later date, but such new application shall be treated as an original application, and no payments shall be made for any period before the date such new application is filed.

APPORTIONMENT OF BENEFITS

SEC. 1007. (a) All or any part of the compensation, pension, or emergency officers retirement pay payable on account of any veteran may—

(1) if the veteran is being furnished hospital treatment, institutional, or domiciliary care by the United States, or any political subdivision thereof, be apportioned on behalf of his wife, children, or dependent parents; and

(2) if the veteran is not living with his wife, or if his children are not in his custody, be apportioned as may be prescribed by the Administrator.

(b) Where any of the children of a deceased veteran are not in the custody of the veteran's widow, the pension, compensation, or dependency and indemnity compensation otherwise payable to the widow may be apportioned as prescribed by the Administrator.

SEC. 1008. (a) When any alien entitled to gratuitous benefits under laws administered by the Veterans' Administration is located in territory of, or under military control of, an enemy of the United States or of any of its allies, any award of such benefits in favor of such alien shall be terminated forthwith.

(b) Any alien whose award is terminated under subsection (a) shall not thereafter be entitled to any such gratuitous benefits except upon the filing of a new claim, accompanied by evidence satisfactory to the Administrator showing that such alien was not guilty of mutiny, treason, sabotage, or rendering assistance to such enemy. Except as provided in section 2106, such gratuitous benefits shall not be paid for any period before the date the new claim is filed.

Post, p. 156.

(c) While such alien is located in territory of, or under military control of, an enemy of the United States or any of its allies, the Administrator, in his discretion, may apportion and pay any part of such benefits to the dependents of such alien. No dependent of such alien shall receive benefits by reason of this subsection in excess of the amount to which he would be entitled if such alien were dead.

TITLE XI—PENAL AND FORFEITURE PROVISIONS

MISAPPROPRIATION BY FIDUCIARIES

SEC. 1101. (a) Whoever, being a guardian, curator, conservator, committee, or person legally vested with the responsibility or care of a claimant or his estate, or any other person having charge and custody in a fiduciary capacity of money heretofore or hereafter paid under any of the laws administered by the Veterans' Administration for the benefit of any minor, incompetent, or other beneficiary, shall lend, borrow, pledge, hypothecate, use, or exchange for other funds or property, except as authorized by law, or embezzle or in any manner misappropriate any such money or property derived therefrom in whole or in part and coming into his control in any manner whatever in the execution of his trust, or under color of his office or service as such fiduciary, shall be fined not more than $2,000 or imprisoned not more than five years, or both.

FRAUDULENT ACCEPTANCE OF PAYMENTS

SEC. 1102. (a) Any person entitled to monetary benefits under any of the laws administered by the Veterans' Administration whose right to payment thereof ceases upon the happening of any contingency, who thereafter fraudulently accepts any such payment, shall be fined not more than $2,000, or imprisoned not more than one year, or both.

(b) Whoever obtains or receives any money or check under any of the laws administered by the Veterans' Administration without being entitled to it, and with intent to defraud the United States or any beneficiary of the United States, shall be fined not more than $2,000, or imprisoned not more than one year, or both.

(b) The Administrator, in his discretion, may apportion and pay any part of benefits forfeited under subsection (a) to the dependents of the person forfeiting such benefits. No dependent of any person shall receive benefits by reason of this subsection in excess of the amount to which he would be entitled if such person were dead.

FURNISHING OF RECORDS

SEC. 1202. (a) Any person desiring a copy of any record, paper, and so forth, in the custody of the Veterans' Administration, which may be disclosed under section 1201, must make written application therefor to the Veterans' Administration, stating specifically:

For the purposes of the laws administered by the Veterans' Administration, the Administrator, and those employees to whom the Administrator may delegate such authority, to the extent of the authority so delegated, shall have the power to issue subpenas for and compel the attendance of witnesses within a radius of one hundred miles from the place of hearing, to require the production of books, papers, documents, and other evidence, to take affidavits, to administer oaths and affirmations, to aid claimants in the preparation and presentation of claims, and to make investigations and examine witnesses upon any matter within the jurisdiction of the Veterans' Administration. TITLE XIII—BOARD OF VETERANS' APPEALS

COMPOSITION OF BOARD OF VETERANS' APPEALS

SEC. 1301. (a) There shall be in the Veterans' Administration a Board of Veterans' Appeals (hereafter in this title referred to as the "Board") under the administrative control and supervision of a chairman directly responsible to the Administrator. The Board shall consist of a Chairman, a Vice Chairman, such number (not more than fifty) of associate members as may be found necessary, and such other professional, administrative, clerical, and stenographic personnel as are necessary in conducting hearings and considering and disposing of appeals properly before the Board.

(b) Members of the Board (including the Chairman and Vice Chairman) shall be appointed by the Administrator with the approval of the President.

ASSIGNMENT OF MEMBERS OF BOARD

SEC. 1302. The Chairman may from time to time divide the Board into sections of three members, assign the members of the Board thereto, and designate the chief thereof. If a section as a result of a vacancy or absence or inability of a member assigned thereto to serve thereon is composed of a number of members less than designated for the section, the Chairman may assign other members to the section or direct the section to proceed with the transaction of business without awaiting any additional assignment of members thereto. A hearing docket shall be maintained and formal recorded hearings shall be held by such associate member or members as the Chairman may designate, the associate member or members being of the section which will make final determination in the claim. A section of the Board shall make a determination on any proceeding instituted before the Board and on any motion in connection therewith assigned to such section by the Chairman and shall make a report of any such determination, which report shall constitute its final disposition of the proceeding.

DETERMINATIONS BY THE BOARD

SEC. 1303. (a) The determination of the section, when unanimously concurred in by the members of the section, shall be the final determination of the Board, except that the Board on its own motion may correct an obvious error in the record, or may upon the basis of additional official information from the service department concerned reach a contrary conclusion.

(b) When there is a disagreement among the members of the section the concurrence of the Chairman with the majority of members of such section shall constitute the final determination of the Board, except that the Board on its own motion may correct an obvious error in the record, or may upon the basis of additional official information from the service department concerned reach a contrary conclusion.

JURISDICTION OF THE BOARD

SEC. 1304. (a) All questions on claims involving benefits under the laws administered by the Veterans' Administration shall be subject to one review on appeal to the Administrator. Final decisions on such appeals shall be made by the Board.

(b) When a claim is disallowed by the Board, it may not thereafter be reopened and allowed, and no claim based upon the same factual basis shall be considered; however, where subsequent to disallowance of a claim, new and material evidence in the form of official reports

from the proper service department is secured, the Board may authorize the reopening of the claim and review of the former decision.

(c) The Board shall be bound in its decisions by the regulations of the Veterans' Administration, instructions of the Administrator, and the precedent opinions of the chief law officer.

APPLICATIONS FOR REVIEW ON APPEAL

SEC. 1305. (a) Except in the case of simultaneously contested claims, applications for review on appeal shall be filed within one year from the date of mailing of notice of the result of initial review or determination. Such applications must be filed with the activity which entered the denial. If such an application is timely filed, a reasonable time thereafter will be allowed, if requested, for the perfection of the appeal and the presentation of additional evidence before final determination or decision is made. Applications postmarked before the expiration of the one-year period will be accepted as timely filed.

(b) If no application for review on appeal is filed in accordance with this title within the one-year period, the action taken on initial review or determination shall become final and the claim will not thereafter be reopened or allowed, except that where subsequent to such disallowance new and material evidence in the form of official reports from the proper service department is secured the Administrator may authorize the reopening of the claim and review of the former decision.

(2) Application for review on appeal may be made within the one-year period prescribed by this section by such officials of the Veterans' Administration as may be designated by the Administrator. TITLE XV—MINORS, INCOMPETENTS, AND OTHER WARDS

COMMITMENT ACTIONS

SEC. 1501. The Administrator may incur necessary court costs and other expenses incident to proceedings for the commitment of mentally incompetent veterans to a Veterans' Administration hospital or domiciliary when necessary for treatment or domiciliary purposes.

PAYMENTS TO AND SUPERVISION OF GUARDIANS

SEC. 1502. (a) Where any payment of benefits under any law administered by the Veterans' Administration is to be made to a minor, other than a person in the active military, naval, or air service, or to a person mentally incompetent, or under other legal disability adjudged by a court of competent jurisdiction, such payment may be made to the person who is constituted guardian, curator, or conservator by the laws of the State of residence of the claimant, or who is otherwise legally vested with the care of the claimant or his estate. Where in the opinion of the Administrator any guardian, curator, conservator, or other person is acting as fiduciary in such a number of cases as to make it impracticable to conserve properly the estates or to supervise the persons of the wards, the Administrator may refuse to make future payments in such cases as he may deem proper. Before receipt of notice by the Veterans' Administration that any such person is under such other legal disability adjudged by some court of competent jurisdiction, payment may be made to such person direct. Where no guardian, curator, or conservator of the person under a legal disability has been appointed under the laws of the State of residence of the claimant, the Administrator shall determine the person who is otherwise legally vested with the care of the claimant or his estate.

(b) Whenever it appears that any guardian, curator, conservator, or other person, in the opinion of the Administrator, is not properly executing or has not properly executed the duties of his trust or has collected or paid, or is attempting to collect or pay, fees, commissions, or allowances that are inequitable or in excess of those allowed by law for the duties performed or expenses incurred, or has failed to make such payments as may be necessary for the benefit of the ward or the dependents of the ward, then the Administrator may appear, by his duly authorized attorney, in the court which has appointed such fiduciary, or in any court having original, concurrent, or appellate jurisdiction over said cause, and make proper presentation of such matters. The Administrator, in his discretion, may suspend payments to any such guardian, curator, conservator, or other person who shall neglect or refuse, after reasonable notice, to render an account to the Administrator from time to time showing the application of such payments for the benefit of such incompetent or minor beneficiary, or who shall neglect or refuse to administer the estate according to law. The Administrator may appear or intervene by his duly authorized attorney in any court as an interested party in any litigation instituted by himself or otherwise, directly affecting money paid to such fiduciary under this section.

(c) Authority is hereby granted for the payment of any court or other expenses incident to any investigation or court proceeding for the appointment of any guardian, curator, conservator, or other person legally vested with the care of the claimant or his estate or the removal of such fiduciary and appointment of another, and of expenses in connection with the administration of such estates by such fiduciaries, or

in connection with any other court proceeding hereby authorized, when such payment is authorized by the Administrator.

(d) All or any part of any benefits the payment of which is suspended or withheld under this section may, in the discretion of the Administrator, be paid temporarily to the person having custody and control of the incompetent or minor beneficiary, to be used solely for the benefit of such beneficiary, or, in the case of an incompetent veteran, may be apportioned to the dependent or dependents, if any, of such veteran. Any part not so paid and any funds of a mentally incompetent or insane veteran not paid to the chief officer of the institution in which such veteran is an inmate nor apportioned to his dependent or dependents may be ordered held in the Treasury to the credit of such beneficiary. All funds so held shall be disbursed under the order and in the discretion of the Administrator for the benefit of such beneficiary or his dependents. Any balance remaining in such fund to the credit of any beneficiary may be paid to him if he recovers and is found competent, or, if a minor, attains majority, or otherwise to his guardian, curator, or conservator, or, in the event of his death, to his personal representative, except as otherwise provided by law; however, payment will not be made to his personal representative if, under the law of his last legal residence, his estate would escheat to the State. Any funds in the hands of a guardian, curator, conservator, or person legally vested with the care of the beneficiary or his estate, derived from benefits payable under laws administered by the Veterans' Administration, which under the law of the State wherein the beneficiary had his last legal residence would escheat to the State, shall escheat to the United States and shall be returned by such guardian, curator, conservator, or person legally vested with the care of the beneficiary or his estate, or by the personal representative of the deceased beneficiary, less legal expenses of any administration necessary to determine that an escheat is in order, to the Veterans' Administration, and shall be deposited to the credit of the applicable current appropriation.

(e) In the case of any incompetent veteran having no guardian, payment of compensation, pension, or retirement pay may be made in the discretion of the Administrator to the wife of such veteran for the use of the veteran and his dependents.

(f) Payment of death benefits to a widow for herself and child or children, if any, may be made directly to such widow, notwithstanding she may be a minor.

HOSPITALIZED VETERANS AND ESTATES OF INCOMPETENT INSTITUTIONALIZED VETERANS

SEC. 1503. (a) (1) Where any veteran having neither wife, child, nor dependent parent is being furnished hospital treatment, institutional or domiciliary care by the Veterans' Administration any pension, compensation, or retirement pay otherwise payable shall continue without reduction until the first day of the seventh calendar month following the month of admission of such veteran for treatment or care. If treatment or care extends beyond that period, the pension, compensation, or retirement pay, if $30 per month or less, shall continue without reduction, but if greater than $30 per month, the pension, compensation, or retirement pay shall not exceed 50 per centum of the amount otherwise payable or $30 per month, whichever is the greater. If such veteran is discharged from such treatment or care upon certification by the officer in charge of the hospital, institution, or home, that maximum benefits have been received or that release is approved, he shall be paid in a lump sum such additional

amount as would equal the total sum by which his pension, compensation, or retirement pay has been reduced under this section. If treatment or care is terminated by the veteran against medical advice or as the result of disciplinary action the amount by which any pension, compensation, or retirement pay is reduced hereunder, shall be paid to him at the expiration of six months after such termination or, in the event of his prior death, as provided in paragraph (2) of this subsection; and the pension, compensation, or retirement pay of any veteran leaving against medical advice or as the result of disciplinary action shall, upon a succeeding readmission for treatment or care, be subject to reduction, as herein provided, from the date of such readmission, but if such subsequent treatment or care is continued until discharge therefrom upon certification, by the officer in charge of the hospital, institution, or home in which treatment or care was furnished, that maximum benefits have been received or that release is approved, the veteran shall be paid in a lump sum such additional amount as would equal the total sum by which his pension, compensation, or retirement pay has been reduced under this section after such readmission.

(2) (A) In the event of the death of any veteran subject to the provisions of this section, while receiving hospital treatment, institutional or domiciliary care, or before payment of any lump sum authorized herein, such lump sum shall be paid in the following order of precedence: First, to the spouse; second, if the decedent left no spouse, or if the spouse is dead at time of settlement, then to the children (without regard to their age or marital status) in equal parts; third, if no spouse or child, then to the father and mother in equal parts; fourth, if either the father or mother is dead, then to the one surviving; fifth, if there is no spouse, child, father, or mother at the time of settlement, then to the brothers and sisters in equal parts. If there are no persons in the classes named to whom payment may be made under this paragraph, no payment shall be made, except there may be paid only so much of the lump sum as may be necessary to reimburse a person who bore the expenses of last sickness or burial, but no part of the lump sum shall be used to reimburse any political subdivision of the United States for expenses incurred in the last sickness or burial of such veteran.

(B) No payment shall be made under this paragraph (2) unless claim therefor is filed with the Veterans' Administration within five years after the death of the veteran, except that if any person so entitled under this paragraph is under legal disability at the time of death of the veteran, such five-year period of limitation shall run from the termination or removal of the legal disability.

(b) (1) Where any veteran having neither wife, child, nor dependent parent is being furnished hospital treatment, institutional or domiciliary care by the Veterans' Administration, and is rated by the Veterans' Administration in accordance with regulations as being incompetent by reason of mental illness, the pension, compensation, or retirement pay of such veteran shall be subject to the provisions of subsection (a) of this section; however, no payment of a lump sum herein authorized shall be made until after the expiration of six months following a finding of competency.

(2) In any case where the estate of such incompetent veteran derived from any source equals or exceeds $1,500, further payments of such benefits (except retired pay, but including emergency officers' retirement pay) shall not be made until the estate is reduced to $500; however, the amount which would be payable but for this subsection shall be paid to the veteran as provided for the lump sum in paragraph (1) of this subsection but in the event of the veteran's death no part thereof shall be payable.

(3) All or any part of the pension, compensation, or retirement pay payable on account of any incompetent veteran who is being furnished hospital treatment, institutional or domiciliary care may, in the discretion of the Administrator, be paid to the chief officer of the institution wherein the veteran is being furnished such treatment or care, to be properly accounted for by such chief officer and to be used for the benefit of the veteran.

(c) Any veteran subject to the provisions of subsection (a) or (b) shall be deemed to be single and without dependents in the absence of satisfactory evidence to the contrary. In no event shall increased compensation, pension, or retirement pay of such veteran be granted for any period more than one year before receipt of satisfactory evidence showing such veteran has a wife, child, or dependent parent.

(d) Notwithstanding any other provision of this section or any other provision of law, no reduction shall be made in the pension, compensation, or retirement pay of any veteran for any part of the period during which he is furnished hospital treatment, or institutional or domiciliary care, for Hansen's disease, by the United States or any political subdivision thereof.

(d) The Administrator may accept gifts or donations for any of the purposes of this section.

(e) The Administrator, subject to the approval of the President, may use as hospitals, domiciliaries, or out-patient dispensary facilities such suitable buildings, structures, and grounds owned by the United States on March 3, 1925, as may be available for such purposes, and the President may by Executive order transfer any such buildings, structures, and grounds to the control and jurisdiction of the Veterans' Administration upon the request of the Administrator.

The Administrator and the Secretary of the Army, the Secretary of the Air Force, and the Secretary of the Navy may enter into agreements and contracts for the mutual use or exchange of use of hospitals and domiciliary facilities, and such supplies, equipment, and material as may be needed to operate such facilities properly, or for the transfer, without reimbursement of appropriations, of facilities, supplies, equipment, or material necessary and proper for authorized care for veterans, except that at no time shall the Administrator enter into any agreement which will result in a permanent reduction of Veterans' Administration hospital and domiciliary beds below the number established or approved on June 22, 1944, plus the estimated number required to meet the load of eligibles under this Act, or in any way subordinate or transfer the operation of the Veterans' Administration to any other agency of the Government.

GARAGES ON HOSPITAL AND DOMICILIARY RESERVATIONS

SEC. 1704. The Administrator may construct and maintain on reservations of Veterans' Administration hospitals and domiciliaries, garages for the accommodation of privately owned automobiles of employees at such hospitals and domiciliaries. Employees using such garages shall make such reimbursement therefor as the Administrator may deem reasonable. Money received from the use of such garages shall be covered into the Treasury of the United States as miscellaneous receipts.

ACCEPTANCE OF CERTAIN PROPERTY

SEC. 1705. The President may accept from any State or other political subdivision, or from any person, any building, structure, equipment, or grounds suitable for the care of the disabled, with due regard to fire or other hazards, state of repair, and all other pertinent considerations. He may designate which agency of the Federal Government shall have the control and management of any property so accepted.

PART B—PROCUREMENT AND SUPPLY

REVOLVING SUPPLY FUND

SEC. 1711. (a) The revolving supply fund established for the operation and maintenance of a supply system for the Veterans' Administration (including procurement of supplies and equipment and personal services) shall be—

(1) available without fiscal year limitations for all expenses necessary for the operation and maintenance of such supply system;

(2) reimbursed from appropriations for the cost of all services, equipment, and supplies furnished, at rates determined by the Administrator on the basis of estimated or actual direct and indirect cost; and

(3) credited with advances from appropriations for activities to which services or supplies are to be furnished, and all other receipts resulting from the operation of the fund, including the

proceeds of disposal of scrap, excess or surplus personal property of the fund, and receipts from carriers and others for loss of or damage to personal property.

At the end of each fiscal year, any net income of the fund, after making provision for prior losses, shall be covered into the Treasury of the United States as miscellaneous receipts.

(b) An adequate system of accounts for the fund shall be maintained on the accrual method, and financial reports prepared on the basis of such accounts. An annual business type budget shall be prepared for operations under the fund.

(c) The Administrator is authorized to capitalize, at fair and reasonable values as determined by him, all supplies and materials and depot stocks of equipment on hand or on order.

AUTHORITY TO PROCURE AND DISPOSE OF PROPERTY

SEC. 1712. (a) The Administrator may lease for a term not exceeding three years lands or buildings, or parts or parcels thereof, belonging to the United States and under his control. The proceeds from such leases, less expenses for maintenance, operation, and repair of buildings leased for living quarters, shall be covered into the Treasury of the United States as miscellaneous receipts.

(b) The Administrator may, for the purpose of extending benefits to veterans and dependents, and to the extent he deems necessary, procure the necessary space for administrative, clinical, medical, and outpatient treatment purposes by lease, purchase, or construction of buildings, or by condemnation or declaration of taking, pursuant to law.

PROCUREMENT OF PROSTHETIC APPLIANCES

SEC. 1713. The Administrator may procure prosthetic appliances and necessary services required in the fitting, supplying, and training and use of prosthetic appliances by purchase, manufacture, contract, or in such other manner as he may determine to be proper, without regard to any other provision of law.

PROPERTY FORMERLY OWNED BY NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS

SEC. 1714. If by reason of any defeasance or conditional clause or clauses contained in any deed of conveyance of property to the National Home for Disabled Volunteer Soldiers, which property is owned by the United States, the full and complete enjoyment and use of such property is threatened, the Attorney General, upon request of the President, shall institute in the United States district court for the district in which the property is located such proceedings as may be proper to extinguish all outstanding adverse interests. The Attorney General may procure and accept on behalf of the United States by gift, purchase, cession, or otherwise absolute title to and complete jurisdiction over all such property.

GRANT OF EASEMENTS IN GOVERNMENT-OWNED LANDS

SEC. 1715. The Administrator, whenever he deems it advantageous to the Government and upon such terms and conditions as he deems advisable, may grant on behalf of the United States to any State, or any agency or political subdivision thereof, or to any public-service company, easements in and rights-of-way over lands belonging to the United States which are under his supervision and control. Such grant may include the use of such easements or rights-of-way by

public utilities to the extent authorized and under the conditions imposed by the laws of such State relating to use of public highways. Such partial, concurrent, or exclusive jurisdiction over the areas covered by such easements or rights-of-way, as the Administrator deems necessary or desirable, is hereby ceded to the State in which the land is located. The Administrator may accept or secure on behalf of the United States from the State in which is situated any land conveyed in exchange for any such easement or right-of-way, such jurisdiction as he may deem necessary or desirable over the land so acquired. Any such easement or right-of-way shall be terminated upon abandonment or nonuse of the same and all right, title, and interest in the land covered thereby shall thereupon revert to the United States or its assignee.

CONTRACTS AND PERSONAL SERVICES

SEC. 1716. The Administrator may, for purposes of all laws administered by the Veterans' Administration, accept uncompensated services, and enter into contracts or agreements with private or public agencies or persons, for such necessary services (including personal services) as he may deem practicable.

TITLE XVIII—ACCEPTANCE OF GIFTS AND BEQUESTS

AUTHORITY TO ACCEPT GIFTS, DEVISES, AND BEQUESTS

SEC. 1801. The Administrator may accept devises, bequests, and gifts, made in any manner, with respect to which the testator or donor shall have indicated his intention that such property shall be for the benefit of groups of persons formerly in the active military, naval, or air service who by virtue of such service alone, or disability suffered therein or therefrom, are or shall be patients or members of any one or more hospitals or homes operated by the United States Government, or has indicated his intention that such property shall be for the benefit of any such hospital or home, or shall be paid or delivered to any official, as such, or any agency in administrative control thereof.

LEGAL PROCEEDINGS

SEC. 1802. For the purpose of acquiring title to and possession of any property which he is by this title authorized to accept, the Administrator may initiate and appear in any appropriate legal proceedings, and take such steps therein or in connection therewith as in his discretion may be desirable and appropriate to reduce said property to possession. He may incur such expenses incident to such proceedings as he deems necessary or appropriate, which shall be paid as are other administrative expenses of the Veterans' Administration. All funds received by devise, bequest, gift, or otherwise, for the purposes contemplated in this title, including net proceeds of sales authorized by this title, shall be deposited with the Treasurer of the United States to the credit of the General Post Fund.

RESTRICTED GIFTS

SEC. 1803. Disbursements from the General Post Fund shall be made on orders by and within the discretion of the Administrator and in the manner prescribed in section 1923; except that (1) if the testator or donor has directed or shall direct that his devise, bequest, or gift be devoted to a particular use authorized by this title, the same, less expenses incurred, or the net proceeds thereof, shall be used or disbursed as directed, except that a precatory direction shall be fulfilled only

insofar as may be proper or practicable; and (2) if the testator or donor shall have indicated his desire that his devise, bequest, or gift shall be for the benefit of persons in hospitals or homes, or other institutions operated by the United States but under the jurisdiction of an official other than the Administrator, the same, less expenses incurred, or the net proceeds thereof which may come into possession of the Administrator shall be disbursed by transfer to the governing authorities of such institution, or otherwise, in such manner as the Administrator may determine, for the benefit of the persons in the institution indicated by the testator or donor, for proper purposes, as nearly as practicable in conformity with such desire of the testator or donor.

DISPOSITION OF PROPERTY

SEC. 1804. If the Administrator receives any property other than moneys as contemplated by this title, he is authorized in his discretion to sell, assign, transfer, and convey the same, or any interest therein claimed by virtue of such devise, bequest, or gift, for such price and upon such terms as he deems advantageous (including consent to partition of realty and compromise of contested claim of title) and his assignment, deed, or other conveyance of any such property, executed in the name and on behalf of the United States, shall be valid to pass to the purchaser thereof such title to said property as the United States, beneficially or as trustee of the General Post Fund, may have by virtue of any such devise, bequest, or gift, and the proceedings incident thereto, subject to the conditions, limitations, and provisions of the instruments so executed by the Administrator.

SAVINGS PROVISION

SEC. 1805. (a) Nothing contained in this title shall be construed to repeal or modify section 4831 of the Revised Statutes of the United States, or any other statute authorizing the acceptance of devises, bequests, or gifts to the United States for their own use and benefit or for any particular purpose specified by the donors or testators. 24 USC 111 note.

(b) Whenever the United States receives property and it appears that it is, or shall have been, the intention of the testator or donor that such devise, bequest, or gift be for the benefit of those persons described in section 1801, or any particular hospital or other institution operated primarily for their benefit, such property or the proceeds thereof shall be credited to the General Post Fund, and shall be used or disbursed in accordance with the provisions of this title.

TITLE XIX—DISPOSITION OF DECEASED VETERANS' PERSONAL PROPERTY

PART A—PROPERTY LEFT ON VETERANS' ADMINISTRATION FACILITY

VESTING OF PROPERTY LEFT BY DECEDENTS

SEC. 1901. (a) Personal property left by any decedent upon premises used as a Veterans' Administration facility, which premises are subject to the exclusive legislative jurisdiction of the United States and are within the exterior boundaries of any State, Territory, Commonwealth, insular possession, or dependency of the United States, shall vest and be disposed of as provided in this part, except that—

(1) if such person died leaving a last will and testament probated under the laws of the place of his domicile or under the laws of the State, Territory, Commonwealth, insular possession, or dependency of the United States within the exterior bound-

aries of which such premises or a part thereof may be, the personal property of such decedent situated upon such premises shall vest in the person or persons entitled thereto under the provisions of such last will and testament; and

(2) if such person died leaving any such property not disposed of by a last will and testament probated in accord with the provisions of paragraph (1) such property shall vest in the persons entitled to take such property by inheritance under and upon the conditions provided by the law of the decedent's domicile. This paragraph shall not apply to property to which the United States is entitled except where such title is divested out of the United States.

(b) Any officer or employee of the United States in possession of any such property may deliver same to the executor (or the administrator with will annexed) who shall have qualified in either jurisdiction as provided in subsection (a) (1); or if none such then to the domiciliary administrator or to any other qualified administrator who shall demand such property. When delivery shall have been made to any such executor or administrator in accordance with this subsection, neither the United States nor any officer or employee thereof shall be liable therefor.

DISPOSITION OF UNCLAIMED PERSONAL PROPERTY

SEC. 1902. (a) Notwithstanding the provisions of section 1901, the Administrator may dispose of the personal property of such decedent left or found upon such premises as hereafter provided in this part.

(b) If any veteran (admitted as a veteran), upon his last admission to, or during his last period of maintenance in, a Veterans' Administration facility, shall have designated in writing a person (natural or corporate) to whom he desires his personal property situated upon such facility to be delivered, upon the death of such veteran the Administrator or employee of the Veterans' Administration authorized by him so to act, may transfer possession of such personal property to the person so designated. If there exists no person so designated by the veteran or if the one so designated declines to receive such property, or if he has failed to request such property within ninety days after the Veterans' Administration mails to such designate a notice of death and of the fact of such designation, a description of the property, and an estimate of transportation cost, which shall be paid by such designate if required under the regulations hereinafter mentioned, or if the Administrator declines to transfer possession to such designate, possession of such property may in the discretion of the Administrator of Veterans' Affairs, or his designated subordinate, be transferred to the following persons in the order and manner herein specified unless the parties otherwise agree as provided in this part, namely, executor or administrator, or if no notice of appointment received, to the spouse, child, grandchild, mother, father, grandmother, grandfather, brother, or sister of the veteran. In case two or more of those named above request the property, only one shall be entitled to possession thereof and in the order hereinbefore set forth, unless they otherwise agree in writing delivered to the Veterans' Administration. If claim is made by two or more such relatives having equal priorities, as hereinabove prescribed, or if there are conflicting claims the Administrator or his designee may in such case select the one to receive such possession, or may make delivery as may be agreed upon by those entitled, or may in his discretion withhold delivery from them and require the qualification of an administrator or executor of the veterans' estate and thereupon make delivery to such.

(c) If the property of any decedent is not so delivered or claimed and accepted the Administrator or his designee may dispose of such property by public or private sale in accordance with the provisions of this part and regulations prescribed by the Administrator.

(d) All sales authorized by this part shall be for cash upon delivery at the premises where sold and without warranty, express or implied. The proceeds of such sales after payment of any expenses incident thereto as may be prescribed by regulations, together with any other moneys left or found on a facility, not disposed of in accordance with this part, shall be credited to the General Post Fund, National Homes, Veterans' Administration, a trust fund provided for in section 20 (45) of the Permanent Appropriation Repeal Act, 1934 (31 U. S. C., sec. 725s). In addition to the purposes for which such fund may be used under the existing law, disbursements may be made therefrom as authorized by the Administrator by regulation or otherwise for the purpose of satisfying any legal liability incurred by any employee in administering the provisions of this part, including any expense incurred in connection therewith. Legal liability shall not exist when delivery or sale shall have been made in accordance with this part.

48 Stat. 1234.

(e) If, notwithstanding such sale, a claim is filed with the Administrator within five years after notice of sale as herein required, by or on behalf of any person or persons who if known would have been entitled to the property under section 1901 or to possession thereof under this section, the Administrator shall determine the person or persons entitled under the provisions of this part and may pay to such person or persons so entitled the proceeds of sale of such property, less expenses. Such payment shall be made out of the said trust fund, and in accord with the provisions of this section or section 1901. Persons under legal disability to sue in their own name may make claim for the proceeds of sale of such property at any time within five years after termination of such legal disability.

(f) Any such property, the sale of which is authorized under this part and which remains unsold, may be used, destroyed, or otherwise disposed of in accordance with regulations promulgated by the Administrator.

NOTICE OF PROVISIONS OF THIS PART

SEC. 1903. All persons having or bringing personal property on the premises of a Veterans' Administration facility shall be given reasonable notice of the provisions of this part. In case of a mentally incompetent person, notice hereof shall be given the guardian or other person having custody or control of such person or, if none, to his nearest relative if known. The admission to or continued maintenance in such facility after reasonable notice of the provisions of this part shall constitute consent to the provisions hereof. The death of any person on any such facility or the leaving of property thereon shall be prima facie evidence of a valid agreement for the disposition of such property in accordance with the provisions of this part.

DISPOSITION OF OTHER UNCLAIMED PROPERTY

SEC. 1904. Any other unclaimed property found on the premises under the control of the Veterans' Administration shall be stored by the officer in charge of such premises and may be sold, used, destroyed, or otherwise disposed of in accordance with regulations promulgated by the Administrator if the owner thereof fails to claim same within ninety days. If undisposed of, the same may be reclaimed by the owner, his personal representative or next of kin, upon payment of

reasonable storage charges prescribed by regulations. If sold, the net proceeds thereof shall be credited to said post fund to be expended as other assets of such funds. The person who was entitled to such property, or his legal representative, or assignee, shall be paid the proceeds of sale thereof, less expenses if claim therefor be made within five years from the date of finding. If the owner shall have died intestate without creditors or next of kin surviving, such proceeds shall not be paid to his legal representative.

SALE OR OTHER DISPOSITION OF PROPERTY

SEC. 1905. Any unclaimed personal property as described in section 1902 of veterans who have heretofore died or who may hereafter die while maintained as such in a Veterans' Administration facility, and also any unclaimed property heretofore or hereafter found or situated in such facility, may be sold, used, destroyed, or otherwise disposed of in accordance with this part, and subject to regulations promulgated by the Administrator pursuant hereto; and the net proceeds of sale thereof shall be credited and be subject to disbursement as provided in this part.

NOTICE OF SALE

SEC. 1906. At least ninety days before any sale pursuant to this part, written or printed notice thereof describing the property to be sold shall be mailed to the owner of the property or, if deceased, to his executor or administrator, or to the nearest kin, if any such appear by the records of the Veterans' Administration. If none such appears from said records, similar notice shall be posted at the facility where the death occurred or property shall have been found (if in existence) and at the place where such property is situated at the time of such notice, and also at the place where probate notices are posted in the county wherein the sale is to be had. The person posting such notice shall make an affidavit setting forth the time and place of such posting and attaching thereto a copy of such notice, and such affidavit shall be prima facie evidence of such posting and admissible in evidence as proof of the same.

PAYMENT OF SMALL SHIPPING CHARGES

Post, p. 472.

SEC. 1907. Upon receipt of a proper claim for such property under the provisions of this part the Administrator is hereby authorized, in his discretion and in accordance with regulations by him promulgated, to pay mailing or shipping charges not to exceed $10 in the case of each deceased veteran as hereinabove defined.

RELINQUISHMENT OF FEDERAL JURISDICTION

SEC. 1908. Subject to the provisions of this part and to the extent necessary to effectuate the purposes of this part, there is hereby relinquished to the respective State, Territory, Commonwealth, insular possession, or dependency of the United States such jurisdiction pertaining to the administration of estates of decedents as may have been ceded to the United States by said State, Territory, Commonwealth, insular possession, or dependency of the United States respecting the Federal reservation on which is situated any Veterans' Administration facility while such facility is operated by the Veterans' Administration; such jurisdiction with respect to any such property on any such reservation to be to the same extent as if such premises had not been ceded to the United States. Nothing in this

section shall be construed to deprive any said State, Territory, Commonwealth, insular possession, or dependency of the United States of any jurisdiction which it now has nor to give any State, Territory, Commonwealth, insular possession, or dependency of the United States authority over any Federal official as such on such premises or otherwise.

DEFINITIONS

SEC. 1909. The term "facility" or "Veterans' Administration facility" as used in this part means those facilities over which the Veterans' Administration has direct and exclusive administrative jurisdiction, including hospitals or other facilities on property owned or leased by the United States while operated by the Veterans' Administration.

FINALITY OF DECISIONS

SEC. 1910. Decisions by the Administrator under this part shall not be reviewable administratively by any other officer of the United States.

PART B—DEATH WHILE INMATE OF VETERANS' ADMINISTRATION FACILITY

VESTING OF PROPERTY LEFT BY DECEDENTS

SEC. 1920. (a) Whenever any veteran (admitted as a veteran) shall die while a member or patient in any facility, or any hospital while being furnished care or treatment therein by the Veterans' Administration, and shall not leave surviving him any spouse, next of kin, or heirs entitled, under the laws of his domicile, to his personal property as to which he dies intestate, all such property, including money and choses in action, owned by him at the time of death and not disposed of by will or otherwise, shall immediately vest in and become the property of the United States as trustee for the sole use and benefit of the General Post Fund (hereafter in this part referred to as the "Fund"), a trust fund prescribed by section 20 (45) of the Permanent Appropriation Repeal Act, 1934 (31 U. S. C., sec. 725s (45)). 48 Stat. 1234.

(b) The provisions of subsection (a) are conditions precedent to the initial, and also to the further furnishing of care or treatment by the Veterans' Administration in a facility or hospital. The acceptance and the continued acceptance of care or treatment by any veteran (admitted as a veteran to a Veterans' Administration facility or hospital) shall constitute an acceptance of the provisions and conditions of this part and have the effect of an assignment, effective at his death, of such assets in accordance with and subject to the provisions of this part and regulations issued in accordance with this part and former provisions of law on this subject.

PRESUMPTION OF CONTRACT FOR DISPOSITION OF PERSONALTY

SEC. 1921. The fact of death of a veteran (admitted as such) in a facility or hospital, while being furnished care or treatment therein by the Veterans' Administration, leaving no spouse, next of kin, or heirs, shall give rise to a conclusive presumption of a valid contract for the disposition in accordance with this part, but subject to its conditions, of all property described in section 1920 owned by said decedent at death and as to which he dies intestate.

SALE OF ASSETS ACCRUING TO THE FUND

SEC. 1922. Any assets heretofore or hereafter accruing to the benefit of the Fund, other than money, but including jewelry and other personal effects, may be sold at the times and places and in the manner prescribed by regulations issued by the Administrator. Upon receipt of the purchase price he is authorized to deliver at the place of sale, said property sold, and upon request to execute and deliver appropriate assignments or other conveyances thereof in the name of the United States, which shall pass to the purchaser such title as decedent had at date of death. The net proceeds after paying any proper sales expenses as determined by the Administrator shall forthwith be paid to the Treasurer of the United States to the credit of the Fund; and may be disbursed as are other moneys in the Fund by the Division of Disbursements, Treasury Department, upon order of said Administrator. Articles of personal adornment which are obviously of sentimental value, shall be retained and not sold or otherwise disposed of until the expiration of five years from the date of death of the veteran, without a claim therefor, unless for sanitary or other proper reasons it is deemed unsafe to retain same, in which event they may be destroyed forthwith. Any other articles coming into possession of the Administrator or his representatives by virtue of this part which, under regulations promulgated by the Administrator, are determined to be unsalable may be destroyed forthwith or at the time prescribed by regulations, or may be used for the purposes for which disbursements might properly be made from the Fund, or if not usable, otherwise disposed of in accordance with regulations.

DISBURSEMENTS FROM THE FUND

SEC. 1923. Disbursements from the Fund shall be made by the Division of Disbursements, Treasury Department, upon the order and within the discretion of the Administrator for the benefit of members and patients while being supplied care or treatment by the Veterans' Administration in any facility or hospital. The authority contained in the preceding sentence is not limited to facilities or hospitals under direct administrative control of the Veterans' Administration. There shall be paid out of the assets of the decedent so far as may be the valid claims of creditors against his estate that would be legally payable therefrom in the absence of this part and without the benefit of any exemption statute, and which may be presented to the Veterans' Administration within one year from the date of death, or within the time, to the person, and in the manner required or permitted by the law of the State wherein administration, if any, is had upon the estate of the deceased veteran; and also the proper expenses and costs of administration, if any. If the decedent's estate is insolvent the distribution to creditors shall be in accordance with the laws of his domicile, and the preferences and priorities prescribed thereby shall govern, subject to any applicable law of the United States.

DISPOSAL OF REMAINING ASSETS

SEC. 1924. The remainder of such assets or their proceeds shall become assets of the United States as trustee for the Fund and disposed of in accordance with this part. If there is administration upon the decedent's estate such assets, other than money, upon claim therefor within the time required by law, shall be delivered by the administrator of the estate to the Administrator or his authorized representative, as upon final distribution; and upon the same claim there shall be paid to the Treasurer of the United States for credit to the Fund

any such money, available for final distribution. In the absence of administration, any money, chose in action, or other property of the deceased veteran held by any person shall be paid or transferred to the Administrator upon demand by him or his duly authorized representative, who shall deliver itemized receipt therefor. Such payment or transfer shall constitute a complete acquittance of the transferor with respect to any claims by any administrator, creditor, or next of kin of such decedent.

COURT ACTIONS

SEC. 1925. If necessary to obtain such assets the Administrator, through his authorized attorneys, may bring and prosecute appropriate actions at law or other legal proceedings, the costs and expenses thereof to be paid as are other administrative expenses of the Veterans' Administration.

FILING OF CLAIMS FOR ASSETS

SEC. 1926. Notwithstanding the crediting to said Fund of the assets, or proceeds thereof, of any decedent, whether upon determination by a court or the Veterans' Administration pursuant to the provisions of section 1920, any person claiming a right to such assets may within five years after the death of the decedent file a claim on behalf of himself and any others claiming with the Administrator. Upon receipt of due proof that any person was at date of death of the veteran entitled to his personal property, or a part thereof, under the laws of the State of domicile of the decedent, the Administrator may pay out of the Fund, but not to exceed the net amount credited thereto from said decedent's estate less any necessary expenses, the amount to which such person, or persons, was or were so entitled, and upon similar claim any assets of the decedent which shall not have been disposed of shall be delivered in kind to the parties legally entitled thereto. If any person so entitled is under legal disability at the date of death of such decedent, such five-year period of limitation shall run from the termination or removal of legal disability. In the event of doubt as to entitlement, the Administrator may cause administration or other appropriate proceedings to be instituted in any court having jurisdiction. In determining questions of fact or law involved in the adjudication of claims made under this section, no judgment, decree, or order entered in any action at law, suit in equity, or other legal proceeding of any character purporting to determine entitlement to said assets or any part thereof, shall be binding upon the United States or the Administrator or determinative of any fact or question involving entitlement to any such property or the proceeds thereof, or any part of the Fund, unless the Administrator has been reasonably served with notice and permitted to become a party to such suit or proceeding if he makes a request therefor within thirty days after such notice. Notice may be served in person or by registered mail upon the Administrator, or upon his authorized attorney in the State wherein the action or proceedings may be pending. Notice may be waived by the Administrator or by his authorized attorney, in which event the finding, judgment, or decree shall have the same effect as if the Administrator were a party and served with notice. Any necessary court costs or expenses if authorized by the Administrator may be paid as are other administrative expenses of the Veterans' Administration.

NOTICE OF PROVISIONS OF PART

SEC. 1927. The Administrator shall prescribe a form of application for hospital treatment and domiciliary care which shall include notice of the provisions of this part.

INVESTMENT OF THE FUND

SEC. 1928. Money in the Fund not required for current disbursements may be invested and reinvested by the Secretary of the Treasury in interest-bearing obligations of the United States or in obligations guaranteed as to both principal and interest by the United States.

(5) employ such persons as are necessary for the establishment, maintenance, and operation of the Service, and to pay the salaries, wages, and expenses of all such employees from the funds of the Service. Personnel necessary for the transaction of the business of the Service at canteens, warehouses, and storage depots shall be appointed, compensated from funds of the Service, and removed by the Administrator without regard to civil-service laws and the Classification Act of 1949. EXTENT OF DUTIES OF SUPPORT

SEC. 4. The defendant shall be presumed to have been present in the responding State during the period for which support is sought until otherwise shown.

REMEDIES OF A STATE FURNISHING SUPPORT OR INSTITUTIONAL CARE

SEC. 5. HOW DUTIES OF SUPPORT ARE ENFORCED; JURISDICTION

SEC. 6. Proceedings to enforce duties of support initiated in the District of Columbia shall be commenced by the filing of a complaint irrespective of the relationship between the plaintiff and defendant. Jurisdiction of all proceedings under this Act shall be vested in the domestic relations branch of the municipal court for the District of Columbia, which branch in exercising the jurisdiction vested in the court by this Act, shall have all of the power and authority which is vested in the court by the Act entitled "An Act to establish a domestic relations branch in the municipal court for the District of Columbia, and for other purposes", approved April 11, 1956 (70 Stat. 111, chapter 204).

D. C. Code 11-758.

CONTENTS OF THE COMPLAINT

SEC. 7. The complaint shall be verified and shall state the name and, so far as known to the plaintiff, the address and circumstances of the defendant and of the dependents for whom the duty of support is sought to be enforced, and all other pertinent facts necessary to enable the court to determine whether a duty of support exists on the part of the defendant. The plaintiff may include in or attach to the complaint any information which may help in locating or identifying the defendant including, but without limitation by enumeration, a photograph of the defendant, a description of any distinguishing marks of his person, other names and aliases by which he has been or is known, the name of his employer, his fingerprints, or social security number.

REPRESENTATION OF PLAINTIFF

SEC. 8. In any instance in which the Corporation Counsel of the District of Columbia is satisfied that a public support burden has been incurred or is threatened, it shall be his duty to represent the plaintiff in any proceedings arising under this Act or a similar reciprocal Act. In all other cases the court may, in its discretion, appoint private counsel to represent the plaintiff: *Provided*, That the plaintiff

may be represented by private counsel in any proceedings under this Act at his own expense.

COMPLAINT ON BEHALF OF A MINOR

SEC. 9. A complaint on behalf of a minor dependent may be brought by any person or agency as next friend of the minor, regardless of whether such person or agency has been appointed guardian of such minor.

DUTY OF COURT WHEN DISTRICT OF COLUMBIA IS INITIATING STATE

SEC. 10. If the court finds that a complaint initiated in the District of Columbia sets forth facts from which it appears that the defendant owes a duty of support, as defined in this Act, and that a court of a responding State may obtain jurisdiction of the defendant, it shall so certify and shall cause to be transmitted to the court in the responding State, three copies of its certificate, three certified copies of the complaint, and three copies of this Act.

COSTS AND FEES

SEC. 11. The complaint, when initiated in the District of Columbia, shall be accompanied by such fees and costs as may be required by the court as well as by the court of the responding State: *Provided*, That the court whether the District of Columbia be the initiating or responding State, may in its discretion direct that payment or prepayment of any part or all fees and costs incurred in the District of Columbia be waived upon the filing of an affidavit representing that the plaintiff is unable to pay the same: *Provided further*, That the court shall direct waiver of payment or prepayment of such fees and costs whenever the plaintiff is a State having a similar provision for waiver of fees, or a political subdivision or agency thereof. Nothing in this section shall be construed to deprive the court of its discretion to assess costs and fees.

JURISDICTION BY ARREST

SEC. 12. When the court has reason to believe that the defendant may flee the jurisdiction of the responding State, it may (a) as the court of the initiating State, request in its certificate that the court of the responding State obtain the body of the defendant by appropriate process if that be permissible under the law of the responding State, or (b) as the court of a responding State, obtain the body of the defendant by any appropriate process.

INFORMATION AGENT

SEC. 13. The Corporation Counsel of the District of Columbia is hereby designated as the reciprocal information agent under this Act and it shall be his duty to transmit a copy of this Act and any subsequent changes therein to the State information agency of every other State which has adopted this or a substantially similar Act, and to maintain a registry of the names and addresses of the courts having jurisdiction of such proceedings in other States.

DUTY OF THE COURT WHEN THE DISTRICT OF COLUMBIA IS RESPONDING STATE

SEC. 14. (a) When the court receives from the court of an initiating State certified copies of a complaint or other proceedings containing the essential allegations of a complaint, under whatever name it may be known, and a certificate similar to that required by section 10

hereof, it shall docket the cause and refer the matter to the Corporation Counsel, or to private counsel, if appropriate, for such further action as may be necessary to obtain jurisdiction of the defendant in order to carry out the provisions of this Act.

(b) If the court is unable to obtain jurisdiction of the defendant due to inaccuracies or inadequacies in the complaint or otherwise, the court shall communicate this fact to the court in the initiating State, and shall hold the case pending receipt of more accurate information or an amended complaint from the court in the initiating State.

ORDER OF SUPPORT

SEC. 15. If the court finds a duty of support as defined by this Act it may order the defendant to pay such amounts under such terms and conditions as the court may deem proper. The court may require the defendant to furnish recognizance in the form of a cash deposit or bond, and may punish a defendant who violates any order of the court to the same extent as is provided by law for contempt in any other suit or proceeding cognizable by the court.

COPIES OF ORDERS TO BE TRANSMITTED TO INITIATING STATE

SEC. 16. The court shall cause to be transmitted to the court of the initiating State a certified copy of all orders of support or for reimbursement therefor entered by it.

ADDITIONAL DUTIES OF THE COURT

SEC. 17. The court shall have the additional duty, which may be carried out by the clerk of the court, to receive payments made pursuant to order of the court by defendants within the District of Columbia or transmitted by the court of a responding State, and to disburse the same in accordance with the order of the court, and upon request of the court of an initiating State shall furnish to that court a certified statement of all payments received and disbursed in a particular case.

TESTIMONY OF SPOUSE

SEC. 18. In all proceedings arising under this Act, husband and wife shall be competent witnesses and may be compelled to testify to any relevant matter, including marriage and parentage.

APPLICATION OF PAYMENTS

SEC. 19. No order of support entered by the Court in any proceeding arising under this Act shall supersede any previous order of support entered in a divorce or separate maintenance action, or any other proceedings, but the amounts for a particular period paid pursuant to either order, when verified, shall be credited against amounts accruing or accrued for the same period under both.

SUPPORT OF ILLEGITIMATE CHILDREN

SEC. 20. The natural father of an illegitimate child shall have the duty to support such child until the age of sixteen years (a) when paternity has been established by judicial process, or (b) when paternity has been directly acknowledged by the putative father under oath.

EFFECT OF PARTICIPATION IN PROCEEDING

SEC. 21. Participation in any proceedings under this Act shall not

confer upon any court jurisdiction of any of the parties thereto in any other proceeding.

APPEALS

SEC. 22. Any party aggrieved by any final or interlocutory order or judgment entered in the court shall have the same right of appeal available in respect to any final or interlocutory order or judgment entered in the civil branch of the municipal court for the District of Columbia.

SEVERABILITY

SEC. 23. If any provision hereof or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

APPROPRIATIONS AUTHORIZED

SEC. 24. Appropriations for expenses necessary for carrying out the purposes of this Act, including additional personal services for the court and for the Office of the Corporation Counsel, are hereby authorized.

REORGANIZATION

SEC. 25. Where any provision of this Act refers to an office or agency abolished under the provisions of Reorganization Plan Numbered 5 of 1952 (66 Stat. 824), such reference shall be deemed to be to the office, agency, or officer now or hereafter exercising the functions of the office or agency so abolished. Restriction on amount.

SEC. 2. The amount of such financial assistance shall not exceed that portion of the reasonable cost of the construction project which is attributable to the Indian health needs, as determined by the Surgeon General: *Provided*, That in determining, for the purposes of this Act, the portion of the cost of the construction project attributable to Indian health needs, the Surgeon General shall take into account only those categories of Indians for which hospital and medical care, including outpatient care and field health services, is being provided by or at the expense of the Public Health Service on the date of enactment of this Act.

(a) require plans and specifications meeting such standards of construction and equipment as he may prescribe, and

(b) obtain such assurances and agreements as in his judgment are equitable in the light of the financial assistance provided under this Act and are necessary to assure the availability of the facility for the provision of hospital and medical care to Indians and to assure that the hospital is operated in compliance with State standards for operation and maintenance of hospitals which receive Federal aid under title VI of the Public Health Service Act (42 U. S. C., ch. 6A, subch. IV).

Payment.

SEC. 4. The Surgeon General shall make payments under section 1 in advance or by way of reimbursement and in such installments consistent with construction progress, as he may determine.

Eligibility for construction aid.

SEC. 5. Neither assistance provided under this Act for meeting part of the cost of construction of a hospital project, nor the giving of any assurance required as a condition of such assistance, shall be construed as affecting in any way the eligibility of such project for aid under title VI of the Public Health Service Act or any other Federal Act authorizing financial aid in the construction of such project, but construction costs met with Federal funds made available under this Act shall not be included in the cost of construction in which the Federal Government shares under such title VI or other Federal Act.

"(2) Any member coming under the provisions of this section who is separated from his department, except for retirement as authorized by this section, shall be refunded the amount of the deductions made

If such officer or member is subsequently reappointed to any department whose members come under this section, he shall be required to redeposit the amount of deductions so refunded to him.

"(3) In order to facilitate the settlement of the accounts of each member coming under the provisions of this section who dies prior to retirement leaving no survivor entitled to receive an annuity under the provisions of this section, the Commissioners shall pay all deductions for retirement made from the salary of such deceased member to the person or persons surviving at the time of death, in the following order of precedence, and such payment shall be a bar to recovery by any other person of amounts so paid:

"Second, if there be no such beneficiary, to the child or children of such deceased member and the descendants of deceased children by representation;

"Fourth, if there be none of the above, to the duly appointed legal representative of the estate of the deceased member, or if there be none to the person or persons determined to be entitled thereto under the laws of the domicile of the deceased member.

"MEDICAL AND HOSPITAL SERVICE

"(e) Whenever any member shall become temporarily disabled by injury received or disease contracted in the performance of duty, to such an extent as to require medical or surgical services, other than such as can be rendered by the Commissioners, or to require hospital treatment, the expense of such medical or surgical services, or hospital treatment, shall be paid by the District of Columbia; but no such expense shall be paid except upon a certificate of the Commissioners setting forth the necessity for such services or treatment and the nature of the injury or disease which rendered the same necessary.

"RETIREMENT FOR DISABILITY NOT INCURRED IN PERFORMANCE OF DUTY

"(f) Whenever any member coming under this section completes five years of police or fire service and is found by the Commissioners to have become disabled due to injury received or disease contracted other than in the performance of duty, which disability precludes further service with his department, such member shall be retired on an annuity computed at the rate of 2 per centum of his basic salary at the time of retirement for each year or portion thereof of his service: *Provided*, That such annuity shall not exceed 70 per centum of his basic salary at time of retirement: *Provided further*, That the annuity of a member retiring under this subsection shall be at least 40 per centum of his basic salary at time of retirement.

"(g) Whenever any member is injured or contracts a disease in the performance of duty or such injury or disease is aggravated by such duty at any time after appointment and such injury or disease or aggravation permanently disables him for the performance of duty,

he shall upon retirement for such disability, receive an annuity computed at the rate of 2 per centum of his basic salary at the time of retirement for each year or portion thereof of his service: *Provided*, That such annuity shall not exceed 70 per centum of his basic salary at the time of retirement, nor shall it be less than 66⅔ per centum of his basic salary at the time of retirement.

"(h) (1) Any member who attains the age of fifty years and completes twenty years of police or fire service may, after giving at least sixty days' written advance notice to his department head stating his intention to retire and stating the date on which he will retire, voluntarily retire from the service and shall be entitled to an annuity computed at the rate of 2 per centum of his basic salary at the time of his retirement for each year of service; except that the rate of 3 per centum of his basic salary at time of retirement shall be used to compute each year's police or fire service in excess of twenty years: *Provided*, That such notice requirement may be waived by the department head when, in his opinion, circumstances justify such waiver: *Provided further*, That whenever the Commissioners or the Chief of the White House Police force, or the Chief of the United States Park Police force, or the Chief of the United States Secret Service division shall determine that there exists an emergency which is likely to endanger the safety of the public and that the public safety cannot be adequately protected except by suspending the retirement provisions of this paragraph (1), then the Commissioners or any of said Chiefs shall be authorized to suspend the retirement provisions of this paragraph (1) in any one or more of the departments under their respective jurisdictions until such time as, in the opinion of the Commissioners or any of said Chiefs, respectively, public safety can be adequately protected without such suspension.

"(2) Any member of the Metropolitan Police force or of the Fire Department of the District of Columbia having reached the age of sixty years shall, in the discretion of the Commissioners, and any member of the White House Police force or of the United States Park Police force or of the United States Secret Service Division to whom this section applies shall, in the discretion of the head of his department, be retired from the service and shall be entitled to receive an annuity as computed in subsection (h), paragraph (1).

"(i) If any member is injured or contracts a disease during his first five years of service in his department which, in the judgment of the Board of Police and Fire Surgeons, disables him from performing further duty in his department, and if the Police and Firemen's Retiring and Relief Board finds that such injury or disease was not incurred in the performance of duty in his department, such member shall, upon the approval of such finding by the head of his department, and without regard for the provisions of any other law or regulation, be separated from the service.

"RECOVERY FROM DISABILITY OR RESTORATION TO EARNING CAPACITY

"(j) (1) If any annuitant retired under subsection (f) or (g), before reaching the age of fifty-five, recovers from his disability or is restored to an earning capacity fairly comparable to the current rate of compensation of the position occupied at the time of retirement, payment of the annuity shall cease (1) upon reemployment in the department from which he was retired, (2) one year from the date of the medical examination showing such recovery, or (3) one year from the date of determination that he is so restored, whichever is earliest. Earning capacity shall be deemed restored if in each of two succeeding calendar years the income of the annuitant from wages or self-employment or both shall be equal to at least 80 per centum of the current rate of compensation of the position occupied immediately prior to retirement. Nothing in this subsection shall preclude such member from having an annuity reestablished if his disability recurs, or when his earning capacity is less than 80 per centum of the rate of compensation of the position occupied immediately prior to retirement for any full year thereafter: *Provided*, That whenever any member is reinstated with his respective department it shall be at the same grade or rank held by the member at the time of his retirement.

"(2) When an annuitant recovers prior to age fifty-five from a disabling condition for which he has been retired, and applies for reinstatement in the department from which he was retired, he shall be reinstated in the same or nearest equivalent grade and salary available as that received at the time of his separation from the service: *Provided*, That such applicant meets the current entrance requirements of such department as to character.

"SURVIVOR ANNUITIES

"(k) (1) In case of the death of any member before retirement, or of any former member after retirement, leaving a widow or dependent widower, such widow or dependent widower shall be entitled to receive an annuity in the greater amount of (1) $1,800, or (2) 30 per centum of such member's basic salary at the time of death, or 30 per centum of the basis upon which the annuity, relief, or retirement compensation being received by such former member at the time of death was computed. Such annuity shall begin on the first day of the month in which the member or former member dies, and such annuity or any right thereto shall terminate upon the survivor's death or remarriage. If such member or former member is survived by a wife or husband, each surviving child shall be entitled to receive an annuity equal to the smallest of (1) 40 per centum of such member's basic salary at the time of death, or 40 per centum of the basis upon which the annuity, relief, or retirement compensation being received by such former member at the time of death was computed, divided by the number of children, (2) $600; or (3) $1,800 divided by the number of children. If such member or former member is not survived by a wife or husband, each surviving child shall be paid an annuity equal to the smallest of (1) 50 per centum of the member's basic salary at the time of death, or 50 per centum of the basis upon which the annuity, relief, or retirement compensation being received by such former member at the time of death was computed, divided by the number of children, (2) $720; or (3) $2,160 divided by the number of children. The annuity of any child under this subsection shall begin

on the first day of the month in which the member or former member dies, and such annuity or any right thereto shall terminate upon (1) his attaining age 18, unless incapable of self-support, (2) his becoming capable of self-support after age 18, (3) his marriage, or (4) his death.

"(2) Upon the death of the surviving wife or husband or termination of the annuity of a child, the annuity of any other child or children shall be recomputed and paid as though such wife, husband, or child had not survived the member or former member.

"(3) Any member retiring under subsection (f), (g), or (h) of this section, may, at the time of such retirement, elect to receive a reduced annuity in lieu of the full annuity, and designate in writing the person to receive an increased annuity after the retired annuitant's death: *Provided*, That the person so designated be the surviving spouse or child of the retiring member. Whenever such an election is made, the annuity of the designee shall be increased by an amount equal to the amount by which the annuity of such retiring member is reduced. The annuity payable to the member making such election shall be reduced by 10 per centum of the annuity computed as provided in subsection (f), (g), or (h). Such increase in annuity payable to the designee shall be reduced by 5 per centum for each full five years the designee is younger than the retiring member, but such total reduction shall not exceed 40 per centum. The increase in annuity payable to the designee pursuant to this paragraph (3) shall be paid in addition to the annuity provided for such designee pursuant to paragraph (1) or (2) of this subsection and shall be subject to the same limitations as to duration and other conditions as the annuity paid pursuant to such paragraphs (1) and (2).

"FUNERAL EXPENSES

"(1) The Commissioners are authorized to pay a sum not exceeding $300 in any one case to defray the funeral expenses of any deceased member dying while in the service thereof.

"DUTIES OF COMMISSIONERS IN RETIREMENT AND ANNUITY MATTERS

"(m) The Commissioners shall consider all cases for the retirement of members and all applications for annuities under this section. In each case of retirement of a member the Commissioners shall certify in writing the physical condition of the member for whom retirement is sought. The Commissioners shall give written notice to any member under consideration by them for retirement to appear before them and to give evidence under oath. The proceedings before the Commissioners involving the retirement of any member, or any application for an annuity under this section, shall be reduced to writing and shall show the date of appointment of such member, his age, his record in the service, and any other information which may be pertinent to the matter of such retirement or annuity. The Commissioners are authorized to administer oaths and affirmations, may require by subpena or otherwise the attendance and testimony of witnesses and the production of documents at any designated place. "PAYMENT OF ANNUITIES

"(n) (1) Each annuity is stated as an annual amount, one-twelfth of which, fixed at the nearest dollar, accrues monthly and is payable on the first business day of the month after it accrues.

"(2) Any person entitled to an annuity under this section may decline to accept all or any part of such annuity by a waiver signed and filed with the Commissioners. Such waiver may be revoked in writing at any time, but no payment of the annuity waived shall be made covering the period during which such waiver was in effect.

"(3) In order to facilitate the settlement of the accounts of each person who, at the time of his death, was receiving or was entitled to receive, an annuity under this section, the Commissioners shall pay all unpaid annuity due such person at the time of death to the person or persons surviving at the date of death, in the following order of precedence, and such payment shall be a bar to recovery by any other person of amounts so paid:

August 21, 1957
[H. R. 8643]

To authorize the construction of certain works of improvement in the Niagara River for power, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) the Federal Power Commission is hereby expressly authorized and directed to issue a license to the Power Authority of the State of New York for the construction and operation of a power project with capacity to utilize all of the United States share of the water of the Niagara River permitted to be used by international agreement.

New York.
Niagara power project.

(b) The Federal Power Commission shall include among the licensing conditions, in addition to those deemed necessary and required under the terms of the Federal Power Act, the following:

Licensing conditions.

41 Stat. 1063; 49 Stat. 863.
16 USC 791a.

(1) In order to assure that at least 50 per centum of the project power shall be available for sale and distribution primarily for the benefit of the people as consumers, particularly domestic and rural consumers, to whom such power shall be made available at the lowest rates reasonably possible and in such manner as to encourage the widest possible use, the licensee in disposing of 50 per centum of the project power shall give preference and priority to public bodies and nonprofit cooperatives within economic transmission distance. In any case in which project power subject to the preference provisions of this paragraph is sold to utility companies organized and administered for profit, the licensee shall make flexible arrangements and contracts providing for the withdrawal upon reasonable notice and fair terms of enough power to meet the reasonably foreseeable needs of the preference customers.

Preference customers.

(2) The licensee shall make a reasonable portion of the project power subject to the preference provisions of paragraph (1) available for use within reasonable economic transmission distance in neighboring States, but this paragraph shall not be construed to require more than 20 per centum of the project power subject to such preference provisions to be made available for use in such States. The licensee shall cooperate with the appropriate agencies in such States to insure compliance with this requirement. In the event of disagreement between the licensee and the power-marketing agencies of any of such States, the Federal Power Commission may, after public hearings, determine and fix the applicable portion of power to be made available and the terms applicable thereto: *Provided*, That if any such State shall have designated a bargaining agency for the procurement of such power on behalf of such State, the licensee shall deal only with such agency in that State. The arrangements made by the licensee for the sale of power to or in such States shall include observance of the preferences in paragraph (1) of this subsection.

Sale to neighboring States.

(3) The licensee shall contract, with the approval of the Governor of the State of New York, pursuant to the procedure established by New York law, to sell to the licensee of Federal Power Commission project 16 for a period ending not later than the final maturity date of the bonds initially issued to finance the project works herein specifically authorized, four hundred and forty-five thousand kilowatts of the remaining project power, which is equivalent to the amount produced by project 16 prior to June 7, 1956, for resale generally to the industries which purchased power produced by project 16 prior to such date, or their successors, in order as nearly as possible to restore low power costs to such industries and for the same general purposes for which power from project 16 was utilized: *Provided*, That the licensee

Project 16.

of project 16 consents to the surrender of its license at the completion of the construction of such project works upon terms agreed to by both licensees and approved by the Federal Power Commission which shall include the following: (a) the licensee of project 16 shall waive and release any claim for compensation or damages from the Power Authority of the State of New York or from the State of New York, except just compensation for tangible property and rights-of-way actually taken, and (b) without limiting the generality of the foregoing, the licensee of project 16 shall waive all claims to compensation or damages based upon loss of or damage to riparian rights, diversionary rights, or other rights relating to the diversion or use of water, whether founded on legislative grant or otherwise.

Transmission lines.

(4) The licensee shall, if available on reasonable terms and conditions, acquire by purchase or other agreement, the ownership or use of, or if unable to do so, construct such transmission lines as may be necessary to make the power and energy generated at the project available in wholesale quantities for sale on fair and reasonable terms and conditions to privately owned companies, to the preference customers enumerated in paragraph (1) of this subsection, and to the neighboring States in accordance with paragraph (2) of this subsection.

Contracts for resale.

(5) In the event project power is sold to any purchaser for resale, contracts for such sale shall include adequate provisions for establishing resale rates, to be approved by the licensee, consistent with paragraphs (1) and (3) of this subsection.

Scenic drive and park.

(6) The licensee, in cooperation with the appropriate agency of the State of New York which is concerned with the development of parks in such State, may construct a scenic drive and park on the American side of the Niagara River, near the Niagara Falls, pursuant to a plan the general outlines of which shall be approved by the Federal Power Commission; and the cost of such drive and park shall be considered a part of the cost of the power project and part of the licensee's net investment in said project: *Provided*, That the maximum part of the cost of such drive and park to be borne by the power project and to be considered a part of the licensee's net investment shall not exceed $15,000,000.

Cost.

Remedial works.

(7) The licensee shall pay to the United States and include in its net investment in the project herein authorized the United States share of the cost of the construction of the remedial works, including engineering and economic investigations, undertaken in accordance with article II of the treaty between the United States of America and Canada concerning uses of the waters of the Niagara River signed February 27, 1950, whenever such remedial works are constructed.

AN ACT

August 28, 1957
[S. 1747]

To provide for the compulsory inspection by the United States Department of Agriculture of poultry and poultry products.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Poultry Products Inspection Act".

Poultry Products Inspection Act.

LEGISLATIVE FINDING

SEC. 2. Wholesome poultry products are an important source of the Nation's total supply of food. Such products are consumed throughout the Nation and substantial quantities thereof move in interstate and foreign commerce. Unwholesome and adulterated poultry products in the channels of interstate or foreign commerce, are injurious to the public welfare, adversely affect the marketing of wholesome poultry products, result in sundry losses to producers, and destroy markets for wholesome poultry products. The marketing of wholesome poultry products is affected with the public interest and directly affects the welfare of the people. All poultry and poultry products which have or are required to have inspection under this Act are either in the current of interstate or foreign commerce or directly affect such commerce. That part that enters directly into the current of interstate or foreign commerce cannot be effectively inspected and regulated without also inspecting and regulating all poultry and poultry products processed or handled in the same establishment.

The great volume of poultry products required as an article of food for the inhabitants of large centers of population may directly affect the movement of poultry and poultry products in interstate commerce. To protect interstate commerce in poultry and poultry products inspected for wholesomeness, from being adversely burdened, obstructed, or affected by uninspected poultry or poultry products, major consuming areas where poultry or poultry products are handled or consumed in such volume as to affect the movement of inspected poultry or poultry products in interstate commerce should be designated by the Secretary pursuant to the provisions of this Act.

DECLARATION OF POLICY

SEC. 3. It is hereby declared to be the policy of Congress to provide for the inspection of poultry and poultry products by the inspection service as herein provided to prevent the movement in interstate or foreign commerce or in a designated major consuming area of poultry products which are unwholesome, adulterated, or otherwise unfit for human food.

DEFINITIONS

SEC. 4. For purposes of this Act—

(h) The term "adulterated" shall apply to poultry and poultry products under one or more of the following circumstances:

(1) If they bear or contain any poisonous or deleterious substance which may render them injurious to health; but, in case the substance is not an added substance, such poultry and poultry products shall not be considered adulterated under this clause if the quantity of such substance in such poultry and poultry products does not ordinarily render them injurious to health.

(2) If they bear or contain any added poisonous or added deleterious substance, unless such substance is permitted in their production or unavoidable under good manufacturing practices as may be determined by rules and regulations hereunder prescribed by the Secretary or other provisions of Federal law limiting or tolerating the quantity of such added substance on or in such poultry and poultry products: *Provided*, That any quantity of such added substance exceeding the limits so fixed shall also be deemed to constitute adulteration.

DESIGNATION

SEC. 5. Upon application by any appropriate State or local official or agency of a substantial portion of any major consuming area or upon application by an appropriate local poultry industry group in such an area, where the Secretary has reason to believe that poultry or poultry products are handled or consumed in such volume as to affect, burden, or obstruct the movement of inspected poultry products in interstate commerce, the Secretary shall conduct a public hearing to ascertain whether or not it will tend to effectuate the purposes of this Act for such area to be subject to the provisions of this Act. If after public hearing the Secretary finds that poultry or poultry products are handled or consumed in such volume as to affect, burden, or obstruct the movement of inspected poultry products in commerce and that the designation of such area will tend to effectuate the purposes of this Act, he shall by order designate such area and prescribe the provisions of this Act which shall be applicable thereto and grant such exemptions therefrom as he determines practicable. Such designation shall not become effective until six months after the notice thereof is published in the Federal Register. On and after the effective date of such designation, all poultry and poultry products processed, sold, received, or delivered in any such area shall be subject to the provisions of this Act.

Publication in F.R.

ANTE MORTEM AND POST MORTEM INSPECTION, REINSPECTION, AND QUARANTINE

SEC. 6. (a) For the purpose of preventing the entry into or flow or movement in commerce or a designated major consuming area of any poultry product which is unwholesome or adulterated, the Secretary shall, where and to the extent considered by him necessary, cause to be made by inspectors ante mortem inspection of poultry in any official establishment processing poultry or poultry products for commerce or in, or for marketing in a designated city or area.

(b) The Secretary, whenever processing operations are being conducted, shall cause to be made by inspectors post mortem inspection of the carcass of each bird processed, and at any time such quarantine, segregation, reinspection as he deems necessary of poultry and poultry products in each official establishment processing such poultry or poultry products for commerce or in, or for marketing in a designated city or area.

(c) All poultry carcasses and parts thereof and poultry products found to be unwholesome or adulterated shall be condemned and shall, if no appeal be taken from such determination of condemnation, be destroyed for human food purposes under the supervision of an inspector: *Provided*, That carcasses, parts, and products, which may by reprocessing be made not unwholesome and not adulterated, need not be so condemned and destroyed if so reprocessed under the supervision of an inspector and thereafter found to be not unwholesome and not adulterated. If an appeal be taken from such determination, the carcasses, parts, or products shall be appropriately marked and segregated pending completion of an appeal inspection, which appeal shall be at the cost of the appellant if the Secretary determines that the appeal is frivolous. If the determination of condemnation is sustained the carcasses, parts, and products shall be destroyed for human food purposes under the supervision of an inspector.

SANITATION, FACILITIES, AND PRACTICES

SEC. 7. (a) Each official establishment slaughtering poultry or processing poultry products for commerce or in or for marketing in a designated major consuming area shall have such premises, facilities, and equipment, and be operated in accordance with such sanitary practices, as are required by regulations promulgated by the Secretary for the purpose of preventing the entry into or flow or movement in commerce or in a designated major consuming area, of poultry products which are unwholesome or adulterated.

(b) The Secretary shall refuse to render inspection to any establishment whose premises, facilities, or equipment, or the operation thereof, fail to meet the requirements of this section.

LABELING

SEC. 8. (a) Each shipping container of any poultry product inspected under the authority of this Act and found to be wholesome and not adulterated, shall at the time such product leaves the official establishment bear, in distinctly legible form, the official inspection mark and the approved plant number of the official establishment in which the contents were processed. Each immediate container of any poultry product inspected under the authority of this Act and found to be wholesome and not adulterated shall at the time such product leaves the official establishment bear, in addition to the official inspection mark, in distinctly legible form, the name of the product, a statement of ingredients if fabricated from two or more ingredients including a declaration as to artificial flavors, colors, or preservatives, if any, the net weight or other appropriate measure of the contents, the name and address of the processor and the approved plant number of the official establishment in which the contents were processed. The name and address of the distributor may be used in lieu of the name and address of the processor if the approved plant number is used to identify the official establishment in which the poultry product was prepared and packed. The Secretary may permit reasonable variations and grant exemptions from the foregoing labeling requirements in any manner not in conflict with the purposes of this Act.

(b) The use of any written, printed or graphic matter upon or accompanying any poultry product inspected or required to be inspected pursuant to the provisions of this Act or the container thereof which is false or misleading in any particular is prohibited. No poultry products inspected or required to be inspected pursuant to the provisions of this Act shall be sold or offered for sale by any person, firm, or corporation under any false or deceptive name; but estab-

lished trade name or names which are usual to such products and which are not false and deceptive and which shall be approved by the Secretary are permitted. If the Secretary has reason to believe that any label in use or prepared for use is false or misleading in any particular, he may direct that the use of the label be withheld unless it is modified in such manner as the Secretary may prescribe so that it will not be false or misleading. If the person using or proposing to use the label does not accept the determination of the Secretary, he may request a hearing, but the use of the label shall, if the Secretary so directs, be withheld pending hearing and final determination by the Secretary. JOINT RESOLUTION

To authorize the designation of October 19, 1957, as National Olympic Day.

Whereas the XVII Olympic Games of the modern era will be held in Rome, Italy, August 25 to September 11, 1960, with Winter Games to be held at Squaw Valley, California, February and March 1960; and

Whereas these games will afford an opportunity of bringing together young men and women representing more than seventy nations, of many races, creeds, and stations in life and possessing various habits and customs, all bound by the universal appeal of friendly athletic competition, governed by rules of sportsmanship and dedicated to the principle that the important thing is for each and every participant to do his very best to win in a manner that will reflect credit upon himself or herself, and the country represented; and

Whereas the peoples of the world in these trying times require above all else occasions for friendship and understanding, and among the most telling things which influence people of other countries are the acts of individuals and not those of governments; and

Whereas experiences afforded by the Olympic Games make a unique contribution to common understanding and mutual respect among all peoples; and

Whereas previous Olympic Games have proved that competitors and spectators alike have been imbued with ideals of friendship, chivalry, and comradeship and impressed with the fact that accomplishment is reward in itself; and

Whereas the United States Olympic Association is presently engaged in assuring maximum support for the teams representing the United States at Rome and Squaw Valley; and

Whereas a day set aside by this Nation for a rededication to the amateur ideal could accomplish great good in encouraging good will for these games: Therefore be it

National Olympic Day, 1957.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the President of the United States is authorized and requested to issue a proclamation designating the 19th of October 1957 as National Olympic Day and urging all citizens of our country to do all in their power to support the XVII Olympic Games and the Winter Games to be held in 1960 and to insure that the United States will be fully and adequately represented in these games.

The dependents and household and personal effects of any person in active service (without regard to pay grade) who is officially reported as dead, injured, missing for a period of thirty days or more, interned in a foreign country, or captured by a hostile force, may be moved (including packing, crating, drayage, temporary storage, and unpacking of household and personal effects) to the official residence of record for any such person or to the residence of his dependent, next of kin, or other person entitled to receive custody of the effects in accordance with regulations issued by the head of the department concerned; or, upon application by such dependent, next of

kin, or other person, or upon the person's application if injured, to such other location as may be determined in advance or subsequently approved by the head of the department concerned or by such person as he may designate. When the head of the department concerned determines that an emergency exists and that such sale would be in the best interests of the Government, he may provide for the disposition of the motor vehicles and other bulky items of such household and personal effects of the person by public or private sale. Prior to any such sale, and if practicable, a reasonable effort shall be made to determine the desires of the interested persons. The net proceeds received from such sale shall be transmitted to the owner or to other persons in accordance with regulations issued by head of the department concerned; but if there be no such persons or if such persons or their addresses are not ascertainable within one year from the date of sale, the net proceeds may be covered into the Treasury as miscellaneous receipts. Claims for net proceeds which are covered into the Treasury under the authority of this section may be filed with the General Accounting Office by the rightful owners, their heirs or next of kin, or their legal representatives at any time prior to the expiration of five years from the date the proceeds are covered into the Treasury; and, if so filed, the General Accounting Office shall allow or disallow the claim. When such claim is allowed it shall be paid from the appropriation for refunding moneys erroneously received and covered. If claims are not filed prior to the expiration of five years from the date the proceeds are covered into the Treasury, they shall be barred from being acted on by the courts or the General Accounting Office. The provisions of this section do not amend or repeal the Federal Tort Claims Act (60 Stat. 842–847), as amended; sections 2575, 2733, 4712, 4713, 6522, 9712, 9713, title 10, United States Code; or section 507, title 14, United States Code. The head of the department concerned is authorized to store the household and personal effects of the person until such time as proper disposition can be made. The cost of such storage and transportation, including packing, crating, drayage, temporary storage, and unpacking of household and personal effects, shall be charged against appropriations currently available. In lieu of transportation authorized by this section for dependents, the head of the department concerned may authorize the payment in money of amounts equal to such commercial transportation costs or a monetary allowance in lieu of transportation as authorized by law for the whole or such part of travel for which transportation in kind is not furnished, when such travel shall have been completed. When the person is in an 'injured' status, the movement of dependents or household and personal effects provided for herein may be authorized only in cases where the anticipated period of hospitalization or treatment will be of prolonged duration. No transportation shall be authorized pursuant to this section upon application by dependents unless a reasonable relationship exists between the condition and circumstances of the dependents and the destination to which transportation is requested. Beginning June 25, 1950, and for the purposes of this section only, the terms 'household and personal effects' and 'household effects' may include, in addition to other authorized weight allowances, not to exceed one privately owned motor vehicle, shipment of which at Government expense is authorized in those cases where the vehicle is located outside the continental limits of the United States or in Alaska."

JOINT RESOLUTION

To authorize establishment of the United States ship Enterprise (CV–6) in the Nation's Capital as a memorial museum.

Whereas the United States ship Enterprise, after twenty years of outstanding service in the United States Navy, has been declared to be obsolete by reason of having outlived its military usefulness; and

Whereas the United States ship Enterprise was known as the "fightingest carrier in the fleet" during World War II, during which time it accumulated eighteen of twenty-two possible combat stars for carriers in the Pacific area; and

Whereas the United States ship Enterprise at one period during World War II was the only aircraft carrier operating in the Pacific; and

Whereas, although reported by the Japanese to be sunk seven times, the United States ship Enterprise succeeded in accounting for nine hundred and eleven Japanese aircraft, seventy-one enemy ships sunk by her pilots, and another one hundred and ninety-two ships damaged or probably sunk; and

Whereas the United States ship Enterprise was called "The Galloping Ghost of the Oahu Coast" by Fleet Admiral William F. Halsey, Junior, and during the early days of World War II symbolized the American resistance against a foe advancing with seemingly overwhelming strength: Now, therefore, be it

USS *Enterprise*. Memorial museum.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That subject to the conditions hereafter prescribed, at such time as the United States ship Enterprise is released by the United States and acquired by the Enterprise Association and its distinguished leader, Fleet Admiral William F. Halsey, United States Navy (retired), it may be berthed at, or in the vicinity of, the Nation's Capital as a memorial museum to be supported and maintained by private funds at no expense to the United States or the Government of the District of Columbia.

Transfer.

SEC. 2. In furtherance of the purposes of this Act, the Secretary of the Navy is authorized to transfer the Enterprise to the Enterprise Association upon conditions (1) that a showing satisfactory to the Secretary of the Navy that the association is in a suitable position financially, or will be in a suitable position financially, to move, repair, renovate, berth, prepare for display, maintain and administer such vessel satisfactorily and in the public interest for purposes of this Act; (2) that a site for berthing the vessel with adequate land approach facilities is approved (a) by the Secretary of the Navy, the National Capital Planning Commission and the Secretary of Commerce and (b) if such site is within or adjacent to areas under their jurisdiction, also by the Secretary of the Interior, the Fine Arts Commission and the Board of Commissioners of the District of Columbia; (3) that the Enterprise will not be operated for profit above necessary operating and maintenance costs.

SEC. 3. If the conditions described in section 2 are not met within 6 months of the date of enactment of this Act, the Secretary of the Navy may dispose of the United States ship Enterprise in accordance with law. Other disposal.

"ARTICLE I. PURPOSES

"The major purposes of this compact are, with respect to the water resources of the Klamath River Basin:

"A. To facilitate and promote the orderly, integrated, and comprehensive development, use, conservation, and control thereof for various purposes, including, among others: the use of water for domestic purposes; the development of lands by irrigation and other means; the protection and enhancement of fish, wildlife, and recreational resources; the use of water for industrial purposes and hydroelectric power production; and the use and control of water for navigation and flood prevention.

"B. To further intergovernmental cooperation and comity with respect to these resources and programs for their use and development and to remove causes of present and future controversies by providing (1) for equitable distribution and use of water among the two States and the Federal Government, (2) for preferential rights to the use of water after the effective date of this compact for the anticipated ultimate requirements for domestic and irrigation purposes in the Upper Klamath River Basin in Oregon and California, and (3) for prescribed relationships between beneficial uses of water as a practicable means of accomplishing such distribution and use.

"ARTICLE II. DEFINITION OF TERMS

"As used in this compact:

"A. 'Klamath River Basin' shall mean the drainage area of the Klamath River and all its tributaries within the States of California and Oregon and all closed basins included in the Upper Klamath River Basin.

"B. 'Upper Klamath River Basin' shall mean the drainage area of the Klamath River and all its tributaries upstream from the boundary between the States of California and Oregon and the closed basins of Butte Valley, Red Rock Valley, Lost River Valley, Swan Lake Valley and Crater Lake, as delineated on the official map of the Upper Klamath River Basin approved on September 6, 1956, by the commissions negotiating this compact and filed with the Secretaries of State of the two states and the General Services Administration of the United States, which map is incorporated by reference and made a part hereof.

"C. 'Commission' shall mean the Klamath River Compact Commission as created by Article IX of this compact.

"D. 'Klamath Project' of the Bureau of Reclamation of the Department of the Interior of the United States shall mean that area as delineated by appropriate legend on the official map incorporated by reference under subdivision B of this article.

"E. 'Person' shall mean any individual or any other entity, public or private, including either state, but excluding the United States.

"F. 'Keno' shall mean a point on the Klamath River at the present needle dam, or any substitute control dam constructed in Section 36, Township 39 South, Range 7 East, Willamette Base and Meridian.

"G. 'Water' or 'waters' shall mean waters appearing on the surface of the ground in streams, lakes or otherwise, regardless of whether such waters at any time were or will become ground water, but shall not include water extracted from underground sources until after such water is used and becomes surface return flow or waste water.

"H. 'Domestic use' shall mean the use of water for human sustenance, sanitation and comfort; for municipal purposes; for livestock watering; for irrigation of family gardens; and for other like purposes.

"I. 'Industrial use' shall mean the use of water in manufacturing operations.

"J. 'Irrigation use' shall mean the use of water for production of agricultural crops, including grain grown for feeding wildfowl.

"ARTICLE III. DISTRIBUTION AND USE OF WATER

"A. There are hereby recognized vested rights to the use of waters originating in the Upper Klamath River Basin validly established and subsisting as of the effective date of this compact under the laws of the state in which the use or diversion is made, including rights to the use of waters for domestic and irrigation uses within the Klamath Project. There are also hereby recognized rights to the use of all waters reasonably required for domestic and irrigation uses which may hereafter be made within the Klamath Project.

"B. Subject to the rights described in subdivision A of this article and excepting the uses of water set forth in subdivision E of Article XI, rights to the use of unappropriated waters originating within the Upper Klamath River Basin for any beneficial use in the Upper Klamath River Basin, by direct diversion or by storage for later use, may be acquired by any person after the effective date of this compact by appropriation under the laws of the state where the use is to be made, as modified by the following provisions of this subdivision B and subdivision C of this article, and may not be acquired in any other way:

"1. In granting permits to appropriate waters under this subdivision B, as among conflicting applications to appropriate when there is insufficient water to satisfy all such applications, each state

shall give preference to applications for a higher use over applications for a lower use in accordance with the following order of uses:

"(a) Domestic use,
"(b) Irrigation use,
"(c) Recreational use, including use for fish and wildlife,
"(d) Industrial use,
"(e) Generation of hydroelectric power,
"(f) Such other uses as are recognized under the laws of the state involved.

These uses are referred to in this compact as uses (a), (b), (c), (d), (e) and (f), respectively. Except as to the superiority of rights to the use of water for use (a) or (b) over the rights to the use of water for use (c), (d), (e) or (f), as governed by subdivision C of this article, upon a permit being granted and a right becoming vested and perfected by use, priority in right to the use of water shall be governed by priority in time within the entire Upper Klamath River Basin regardless of State boundaries. The date of priority of any right to the use of water appropriated for the purposes above enumerated shall be the date of the filing of the application therefor, but such priority shall be dependent on commencement and completion of construction of the necessary works and application of the water to beneficial use with due diligence and within the times specified under the laws of the State where the use is to be made. Each State shall promptly provide the commission and the appropriate official of the other State with complete information as to such applications and as to all actions taken thereon.

"2. Conditions on the use of water under this subdivision B in Oregon shall be:

"(a) That there shall be no diversion of waters from the Upper Klamath River Basin, but this limitation shall not apply to out-of-basin diversions of waters originating within the drainage area of Fourmile Lake.

"(b) That water diverted from Upper Klamath Lake and the Klamath River and its tributaries upstream from Keno, Oregon, for use in Oregon and not consumed therein and appearing as surface return flow and waste water within the Upper Klamath River Basin shall be returned to the Klamath River or its tributaries above Keno, Oregon.

"3. Conditions on the use of water under this subdivision B in California shall be:

"(a) That the waters diverted from the Klamath River within the Upper Klamath River Basin for use in California shall not be taken outside the Upper Klamath River Basin.

"(b) That substantially all of the return flows and waste water finally resulting from such diversions and use appearing as surface waters in the Upper Klamath River Basin shall be made to drain so as to be eventually returned to the Klamath River upstream from Keno, Oregon.

"C. 1. All rights, acquired by appropriation after the effective date of this compact, to use waters originating within the Upper Klamath River Basin for use (a) or (b) in the Upper Klamath River Basin in either state shall be superior to any rights, acquired after the effective date of this compact, to use such waters (i) for any purpose outside the Klamath River Basin by diversion in California or (ii) for use (c), (d), (e) or (f) anywhere in the Klamath River Basin. Such superior rights shall exist regardless of their priority in time and may be exercised with respect to inferior rights without the payment of compensation. But such superior rights to use water for use (b) in California shall be limited to the quantity of water neces-

sary to irrigate 100,000 acres of land, and in Oregon shall be limited to the quantity of water necessary to irrigate 200,000 acres of land.

"2. The provisions of paragraph 1 of this subdivision C shall not prohibit the acquisition and exercise after the effective date of this compact of rights to store waters originating within the Upper Klamath River Basin and to make later use of such stored water for any purpose, as long as the storing of waters for such later use, while being effected, does not interfere with the direct diversion or storage of such waters for use (a) or (b) in the Upper Klamath River Basin.

"ARTICLE IV. HYDROELECTRIC POWER

"It shall be the objective of each state, in the formulation and execution and the granting of authority for the formulation and execution of plans for the distribution and use of the waters of the Klamath River Basin, to provide for the most efficient use of available power head and its economic integration with the distribution of water for other beneficial uses in order to secure the most economical distribution and use of water and lowest power rates which may be reasonable for irrigation and drainage pumping, including pumping from wells.

"ARTICLE V. INTERSTATE DIVERSION AND STORAGE RIGHTS; MEASURING DEVICES

A. Each state hereby grants for the benefit of the other and its designees the right to construct and operate facilities for the measurement, diversion, storage and conveyance of water from the Upper Klamath River Basin in one state for use in the other insofar as the exercise of such right may be necessary to effectuate and comply with the terms of this compact. The location of such facilities shall be subject to approval by the commission.

"(B) Each state or its designee, exercising within the jurisdiction of the other a right granted under subdivision A of this article, shall make provision for the establishment, operation and maintenance of permanent gaging stations at such points on streams or reservoir or conveyance facilities as may be required by the commission for the purpose of ascertaining and recording the volume of diversions by the streams or facilities involved. Said stations shall be equipped with suitable devices for determining the flow of water at all times. All information obtained from such stations shall be compiled in accordance with the standards of the United States Geological Survey, shall be filed with the commission, and shall be available to the public.

"ARTICLE VI. ACQUISITION OF PROPERTY FOR STORAGE AND DIVERSION; IN LIEU TAXES

"A. Subject to approval of the commission, either state shall have the right (1) to acquire such property rights in the other state as are necessary for the diversion, storage, conveyance, measurement and use of water in conformity with this compact, by donation or purchase, or (2) to elect to have the other state acquire such property rights for it by purchase or through the exercise of the power of eminent domain. A state making the latter election shall make a written request therefor and the other state shall expeditiously acquire said property rights either by purchase at a price satisfactory to the requesting state, or, if such purchase cannot be made, then through the exercise of its power of eminent domain, and shall convey said property rights to the requesting state or its designee. All costs

of such acquisition shall be paid by the requesting state. Neither state shall have any greater power to acquire property rights for the other state through the exercise of the power of eminent domain than it would have under its laws to acquire the same property rights for itself.

"B. Should any diversion, storage or conveyance facilities be constructed or acquired in either state for the benefit of the other state, as herein provided, the construction, repair, replacement, maintenance and operation of such facilities shall be subject to the laws of the state in which the facilities are located, except that the proper officials of that state shall permit the storage, release and conveyance of any water to which the other state is entitled under this compact.

"C. Either state having property rights other than water rights in the other state acquired as provided in this article shall pay to each political subdivision of the state in which such property rights are located, each and every year during which such rights are held, a sum of money equivalent to the average annual amount of taxes assessed against those rights during the 10 years preceding the acquisition of such rights in reimbursement for the loss of taxes to such political subdivisions of the state. Payments so made to a political subdivision shall be in lieu of any and all taxes by that subdivision on the property rights for which the payments are made.

"ARTICLE VII. POLLUTION CONTROL

"A. The states recognize that the growth of population and the economy of the Upper Klamath River Basin can result in pollution of the waters of the Upper Klamath River Basin constituting a menace to the health and welfare of, and occasioning economic loss to, people living or having interests in the Klamath River Basin. The states recognize further that protection of the beneficial uses of the waters of the Klamath River Basin requires cooperative action of the two states in pollution abatement and control.

"B. To aid in such pollution abatement and control, the commission shall have the duty and power:

"1. To cooperate with the states or agencies thereof or other entities and with the United States for the purpose of promoting effective laws and the adoption of effective regulations for abatement and control of pollution of the waters of the Klamath River Basin, and from time to time to recommend to the governments reasonable minimum standards for the quality of such waters.

"2. To disseminate to the public by any and all appropriate means information respecting pollution abatement and control in the waters of the Klamath River Basin and on the harmful and uneconomic results of such pollution.

"C. Each state shall have the primary obligation to take appropriate action under its own laws to abate and control interstate pollution, which is defined as the deterioration of the quality of the waters of the Upper Klamath River Basin within the boundaries of such state which materially and adversely affects beneficial uses of waters of the Klamath River Basin in the other state. Upon complaint to the commission by the state water pollution control agency of one state that interstate pollution originating in the other state is not being prevented or abated, the procedure shall be as follows:

"1. The commission shall make an investigation and hold a conference on the alleged interstate pollution with the water pollution control agencies of the two states, after which the commission shall recommend appropriate corrective action.

"2. If appropriate corrective action is not taken within a reasonable time, the commission shall call a hearing, giving reasonable notice in writing thereof to the water pollution control agencies of the two states and to the person or persons which it is believed are causing the alleged interstate pollution. Such hearing shall be held in accordance with rules and regulations of the commission, which shall conform as nearly as practicable with the laws of the two states governing administrative hearings. At the conclusion of such hearing, the commission shall make a finding as to whether interstate pollution exists, and if so, shall issue to any person or persons which the commission finds are causing such interstate pollution an order or orders for correction thereof.

"3. It shall be the duty of the person against whom any such order is issued to comply therewith. Any court of general jurisdiction of the state where such discharge is occurring or the United States District Court for the district where the discharge is occurring shall have jurisdiction, on petition of the commission for enforcement of such order, to compel action by mandamus, injunction, specific performance, or any other appropriate remedy, or on petition of the person against whom the order is issued to review any order. At the conclusion of such enforcement or review proceedings, the court may enter such decree or judgment affirming, reversing, modifying, or remanding such order as in its judgment is proper in the circumstances on the basis of the rules customarily applicable in proceedings for court enforcement or review of administrative actions.

"D. The water pollution control agencies of the two states shall, from time to time, make available to the commission all data relating to the quality of the waters of the Upper Klamath River Basin which they possess as the result of studies, surveys and investigations thereof which they may have made.

"ARTICLE VIII. MISCELLANEOUS

"A. Subject to vested rights as of the effective date of this compact, there shall be no diversion of waters from the basin of Jenny Creek to the extent that such waters are required, as determined by the commission, for use on land within the basin of Jenny Creek.

"B. Each state shall exercise whatever administrative, judicial, legislative or police powers it has that are required to provide any necessary re-regulation or other control over the flow of the Klamath River downstream from any hydroelectric power plant for protection of fish, human life or property from damage caused by fluctuations resulting from the operation of such plant.

"ARTICLE IX. ADMINISTRATION

"A. 1. There is hereby created a commission to administer this compact. The commission shall consist of three members. The representative of the State of California shall be the Department of Water Resources. The representative of the State of Oregon shall be the State Engineer of Oregon who shall serve as ex officio representative of the State Water Resources Board of Oregon. The President is requested to appoint a federal representative who shall be designated and shall serve as provided by the laws of the United States.

"2. The representative of each state shall be entitled to one vote in the commission. The representative of the United States shall serve as chairman of the commission without vote. The compensation and expenses of each representative shall be fixed and paid by the govern-

ment which he represents. Any action by the commission shall be effective only if it be agreed to by both voting members.

"3. The commission shall meet to establish its formal organization within 60 days after the effective date of this compact, such meeting to be at the call of the governors of the two states. The commission shall then adopt its initial set of rules and regulations governing the management of its internal affairs providing for, among other things, the calling and holding of meetings, the adoption of a seal, and the authority and duties of the chairman and executive director. The commission shall establish its office within the Upper Klamath River Basin.

"4. The commission shall appoint an executive director, who shall also act as secretary, to serve at the pleasure of the commission and at such compensation, under such terms and conditions and performing such duties as it may fix. The executive director shall be the custodian of the records of the commission with authority to affix the commission's official seal, and to attest to and certify such records or copies thereof. The commission, without regard to the provisions of the civil service laws of either state, may appoint and discharge such consulting, clerical and other personnel as may be necessary for the performance of the commission's functions, may define their duties, and may fix and pay their compensation. The commission may require the executive director and any of its employes to post official bonds, and the cost thereof shall be paid by the commission.

"5. All records, files and documents of the commission shall be open for public inspection at its office during established office hours.

"6. No member, officer or employe of the commission shall be liable for injury or damage resulting from (a) action taken by such member, officer or employe in good faith and without malice under the apparent authority of this compact, even though such action is later judicially determined to be unauthorized, or (b) the negligent or wrongful act or omission of any other person, employed by the commission and serving under such officer, member or employe, unless such member, officer or employe either failed to exercise due care in the selection, appointment or supervision of such other person, or failed to take all available action to suspend or discharge such other person after knowledge or notice that such other person was inefficient or incompetent to perform the work for which he was employed. No suit may be instituted against a member, officer or employe of the commission for damages alleged to have resulted from the negligent or wrongful act or omission of such member, officer or employe or a subordinate thereof occurring during the performance of his official duties unless, within 90 days after occurrence of the incident, a verified claim for damages is presented in writing and filed with such member, officer or employe and with the commission. In the event of a suit for damages against any member, officer or employe of the commission on account of any act or omission in the performance of his or his subordinates' official duties, the commission shall arrange for the defense of such suit and may pay all expenses therefor on behalf of such member, officer or employe. The commission may at its expense insure its members, officers and employes against liability resulting from their acts or omissions in the performance of their official duties. Nothing in this paragraph shall be construed as imposing any liability upon any member, officer or employe of the commission that he would otherwise not have.

"7. The commission may incur obligations and pay expenses which are necessary for the performance of its functions. But it shall not pledge the credit of any government except by and with the authority of the legislative body thereof given pursuant to and in keeping

with the constitution of such government, nor shall the commission incur any obligations prior to the availability of funds adequate to meet them.

"8. The commission may:

"(a) Borrow, accept or contract for the services of personnel from any government or agency thereof, from any intergovernmental agency, or from any other entity.

"(b) Accept for any of its purposes and functions under this compact any and all donations, gifts, grants of money, equipment, supplies, materials and services from any government or agency thereof or intergovernmental agency or from any other entity.

"(c) Acquire, hold and dispose of real and personal property as may be necessary in the performance of its functions.

"(d) Make such studies, surveys and investigations as are necessary in carrying out the provisions of this compact.

"9. All meetings of the commission for the consideration of and action on any matters coming before the commission, except matters involving the management of internal affairs of the commission and its staff, shall be open to the public. Matters coming within the exception of this paragraph may be considered and acted upon by the commission in executive sessions under such rules and regulations as may be established therefor.

"10. In the case of the failure of the two voting members of the commission to agree on any matter relating to the administration of this compact as provided in paragraph 2 of this subdivision A, the representative from each state shall appoint one person and the two appointed persons shall appoint a third person. The three appointees shall sit as an arbitration forum. The terms of appointment and the compensation of the members of the arbitration forum shall be fixed by the commission. Matters on which the two voting members of the commission have failed to agree shall be decided by a majority vote of the members of the arbitration forum. Each state obligates itself to abide by the decision of the arbitration forum, subject, however, to the right of each state to have the decision reviewed by a court of competent jurisdiction.

"11. The commission shall have the right of access, through its authorized representatives, to all properties in the Klamath River Basin whenever necessary for the purpose of administration of this compact. The commission may obtain a court order to enforce its right of access.

"B. 1. The commission shall submit to the governor or designated officer of each state a budget of its estimated expenditures for such period and at such times as may be required by the laws of that state for presentation to the legislature thereof. The commission shall give adequate advance notice in a reasonable manner of the time, place and subject of such hearings.

"ARTICLE XI. FEDERAL RIGHTS

"Nothing in this compact shall be deemed:

"A. To impair or affect any rights, powers or jurisdiction in the United States, its agencies or those acting by or under its authority, in, over and to the waters of the Klamath River Basin, nor to impair or affect the capacity of the United States, its agencies or those acting by or under its authority in any manner whatsoever, except as otherwise provided by the federal legislation enacted for the implementation of this compact as specified in Article XIII.

"B. To subject any property of the United States, its agencies or instrumentalities, to taxation by either state or any subdivision thereof, unless otherwise provided by Act of Congress.

"C. To subject any works or property of the United States, its agencies, instrumentalities or those acting by or under its authority, used in connection with the control or use of waters which are the subject of this compact, to the laws of any state to an extent other than the extent to which those laws would apply without regard to this com-

"A. Each state and all persons using, claiming or in any manner asserting any right to the use of the waters of the Klamath River Basin under the authority of either state shall be subject to the terms of this compact.

"B. Nothing in this compact shall be construed to limit or prevent either state from instituting or maintaining any action or proceeding, legal or equitable, in any court of competent jurisdiction for the protection of any right under this compact or the enforcement of any of its provisions.

"C. Should a court of competent jurisdiction hold any part of this compact to be contrary to the Constitution of either state or the United States, all other provisions shall continue in full force and effect, unless it is authoritatively and finally determined judicially that the remaining provisions cannot operate for the purposes, or substantially in the manner, intended by the states independently of the portions declared unconstitutional or invalid.

"D. Except as to matters requiring the exercise of discretion by the commission, the provisions of this compact shall be self-executing and shall by operation of law be conditions of the various state permits, licenses or other authorizations relating to the waters of the Klamath River Basin issued after the effective date of this compact.

"E. The physical and other conditions peculiar to the Klamath River Basin constitute the basis for this compact, and neither of the states hereby, nor the Congress of the United States by its consent, considers that this compact establishes any general principle or precedent with respect to any other interstate stream.

"ARTICLE XIII. RATIFICATION

"A. This compact shall become effective when ratified by the legislature of each signatory state, and when consented to by an act of Congress of the United States which will, in substance, meet the provisions hereinafter set forth in this article.

"B. The act of Congress referred to in subdivision A of this article shall provide that the United States or any agency thereof, and any entity acting under any license or other authority granted under the laws of the United States (referred to in this article as 'the United States'), in connection with developments undertaken after the effective date of this compact pursuant to laws of the United States, shall comply with the following requirements:

"1. The United States shall recognize and be bound by the provisions of subdivision A of Article III.

"2. But the exercise of powers and rights by the United States shall be limited under this paragraph 2 only as against rights to the use of water for use (a) or (b) within the Upper Klamath River Basin which are acquired as provided in subdivision B of Article III after the effective date of this compact, but only to the extent that annual depletions in the flow of the Klamath River at Keno resulting from the exercise of such rights to use water for uses (a) and (b) do not exceed 340,000 acre-feet in any one calendar year.

"3. The United States shall be subject to the limitation on diversions of waters from the basin of Jenny Creek as provided in subdivision A of Article VIII.

"4. The United States shall be governed by all the limitations and provisions of paragraph 2 and subparagraph (a) of paragraph 3 of subdivision B of Article III.

"5. The United States, with respect to any irrigation or reclamation development undertaken by the United States in the Upper Klamath River Basin in California, shall provide that substantially all of the return flows and waste water finally resulting from such diversions and use appearing as surface waters in the Upper Klamath River Basin shall be made to drain so as to be eventually returned to the Klamath River upstream from Keno, unless the Secretary of the Interior shall determine that compliance with this requirement would render it less feasible than under an alternate plan of development, in which event such return flows and waste waters shall be returned to the Klamath River at a point above Copco Lake.

"C. Upon enactment of the act of Congress referred to in subdivision A of this article and so long as such act shall be in effect, the United States, when exercising rights to use water pursuant to state law, shall be entitled to all of the same privileges and benefits of this compact as any person exercising similar rights.

"D. Such act of Congress shall not be construed as relieving the United States of any requirement of compliance with state law which may be provided by other federal statutes.

Sale of lands.

SEC. 2. Except for property, disposal of which is authorized under section 6 of this Act, the Secretary of the Interior, hereinafter referred to as the Secretary, is authorized to sell all lands and improvements situated in the town and Grand Coulee areas which was acquired or built by the United States for the construction, operation, and maintenance of Grand Coulee Dam and its appurtenant works and which is not needed for Federal purposes. Such disposals shall be made in accordance with the terms and conditions set forth in section 3 of this Act, but lands to be sold in the Grand Coulee area shall be sold at public sale to the highest responsible bidder.

Terms and conditions.

SEC. 3. (a) All land authorized to be sold under section 2 of this Act which, when offered for sale, is occupied by improvements owned by the United States shall be sold with the improvements in place.

(b) Of the property authorized to be sold under section 2 of this Act, lands in the town area occupied by dwelling units shall be sold in accordance with the following terms and conditions:

(1) First priority to purchase shall be given to the tenant of the United States in the town area who occupies the land and dwelling unit to be sold. The land and dwelling unit shall be offered at the appraised value as established under section 5 less any applicable discounts under this Act. This right of priority shall expire unless a deposit of earnest money in an amount to be fixed by the Secretary is received by him before the expiration of sixty days after the date on which the property has been offered for sale, and the right of priority shall be deemed abandoned unless within an additional one hundred and eighty days the prospective purchaser shall have signed a contract to purchase the property.

Any tenant having a priority under (1) who desires to continue to rent the property occupied by him rather than to purchase it may assign his priority to a person who has entered into a valid contract to lease the property back to him. The Secretary may permit such other assignments of priorities under (1) as he finds to be fair and equitable. Assignments under this paragraph shall be subject to such general rules and regulations as the Secretary may prescribe, including denial, in any instance where the Secretary in his judgment finds it proper, to the assignee concerned, or his successors, assigns, or legal representatives, of any discount in or rebate of the purchase price to which such person or persons would otherwise be entitled under this Act.

(2) Second priority to purchase shall apply to property in the town area not purchased under (1) and shall be given to persons who are tenants of the United States in Federal housing in the town area or who would meet the requirements for eligibility to become such tenants under the most recent regulations of the Bureau of Reclamation for the assignment of persons to Federal housing in the town area. Applicants to purchase shall be placed in order of opportunity to choose pursuant to a public drawing, but spouses of such applicants shall not be entitled to apply. Sales shall be at the appraised value as established under section 5, less applicable discounts under this Act. Selection of dwelling units by successful applicants, to be accompanied by a deposit of earnest money fixed as under (1), shall be concluded within limits of time established by the Secretary, and thereafter the purchase shall be concluded in the same manner as provided under (1). A purchase under (1) or (2) shall render the purchaser and any spouse of such purchaser ineligible thereafter to purchase under either (1) or (2).

(3) Property not sold under (1) or (2) shall be opened to bids from the general public and shall be sold to the highest responsible bidder.

(c) (1) Of the property authorized to be sold under section 2 of this Act, land in the town area occupied by privately owned improvements shall be offered for sale to the owner of such improvements at the appraised value as established under section 5 less applicable discounts under this Act. This preference right shall expire unless a deposit of earnest money in an amount to be fixed by the Secretary is received by the Secretary before the expiration of sixty days after the date on which the property has been offered for sale, and thereafter the purchase shall be concluded in the same manner as provided under subsection (b) (1) of this section.

(2) Land not purchased by the owner of the improvements (except church or hospital improvements) thereon under (1) shall be made available for sale for a period of thirty days to those eligible for purchase under subsection (f) of this section, and thereafter shall be opened to bids from the general public and sold to the highest responsible bidder.

(3) Land with church or hospital improvements thereon which has not been purchased by the owners of the improvements under (1) may be disposed of by advertising and competitive bids, or by negotiated sale or other transfer at such prices and on such other terms and conditions as the Secretary shall determine to be fair and equitable.

(d) (1) Of the property authorized to be sold under section 2 of this Act, land in the town area occupied by improvements owned by the United States other than dwelling units shall be offered to the lessee of the United States in such improvements at the appraised value as established under section 5 less applicable discounts under this Act: *Provided*, That where there is more than one lessee in a given improvement and the Secretary finds it impractical to offer each lessee an interest in the property, the Secretary, pursuant to such standards as he deems appropriate, shall designate an order of priority among such lessees for acceptance of the offer of sale of such property, which shall be sold at the appraised value as established under section 5 less applicable discounts under this Act and pursuant to such other terms and conditions as the Secretary deems proper. Any preference or priority right under this paragraph shall expire unless a deposit of earnest money in an amount to be fixed by the Secretary is received by the Secretary before the expiration of sixty days after the date on which the property has been offered for sale, and thereafter the purchase shall be concluded in the same manner as provided under subsection (b) (1) of this section.

(2) Property referred to in (1) which is not under lease granted by the United States or which has not been purchased under (1) shall be made available for sale for a period of thirty days to those eligible for purchase under subsection (f) of this section and thereafter may be opened to bids from the general public and sold to the highest responsible bidder.

(e) Of the property authorized to be sold under section 2 of this Act, land in the town area which has not been improved or land from which the improvements have been removed shall be sold in accordance with the following terms and conditions.

(1) Residential property in the town area shall be offered for sale to persons who are tenants of the United States in Federal housing in the town area or who would meet the requirements for eligibility to become such tenants under the most recent regulations of the Bureau of Reclamation for the assignment of persons to Federal housing in

the town area. Applicants to purchase shall be placed in order of opportunity to choose pursuant to a public drawing. No application shall be accepted from the spouse of any applicant or from a person, or the spouse of such person, who owns, has owned, or has contracted to buy other residential property in the town area. Sales shall be at the appraised value as established under section 5 less applicable discounts under this Act, and selection and purchase under this priority by successful applicants shall be concluded within limits of time to be established by the Secretary. Residential property which is not sold under the preceding provisions of this subsection shall be open to bids from the general public and shall be sold to the highest responsible bidder.

(2) Property which at the time of sale is zoned for other than residential use, except such as is disposed of under subsection (f) of this section and land with church or hospital improvements thereon, shall be open to bids from the general public and shall be sold to the highest responsible bidder.

(f) Of the property in the town area authorized to be sold under section 2 of this Act, except that which is covered by subsections (b), (c) (3), and (e) (1) of this section, land not purchased by the holders of a priority or preference under this section shall, for thirty days following the period during which holders of a priority or preference could purchase the same, be offered for sale at the appraised value as established under section 5 less applicable discounts under this Act to persons leasing property in the town area from the United States for business or commercal uses. The Secretary may, in his discretion, permit more than one lot to be included in a single purchase, but only if the property to be purchased is compact and contiguous. If two or more applicants to purchase under this subsection desire the same property, their order of opportunity to purchase shall be determined pursuant to a public drawing. A purchase under this subsection shall render the purchaser and any spouse of such purchaser ineligible either to make an additional purchase under this subsection or to purchase the business or commercial property he is renting from the United States.

(g) Any improvement owned by the United States located on lands in the town area subject to being purchased by the holder of a priority or preference right hereunder and not purchased, after being offered for sale, within one year following the expiration of the period within which the priority or preference right can be exercised, may be opened to bids from the general public and may be sold to the highest responsible bidder.

(h) In all public sales of property under this Act to the highest responsible bidder, which shall include all sales of property to be sold in the Grand Coulee area, the Secretary shall reserve the right to reject all bids; and, in the event all bids are less than the appraised value of the property as established under section 5 or in the event no bids are received, the property shall be available for sale to the first taker from the general public at not less than aforesaid appraised value until all such property has been sold.

(i) (1) Whenever the Secretary, on presentation of adequate evidence by a prospective purchaser or purchasers under subsections (b) (1) or (b) (2) of this section, shall determine that financing of purchases on reasonable terms cannot be arranged from other sources, he is authorized to enter into contracts with such purchasers under which the purchaser would not be required to make a downpayment of more than 10 per centum of the appraised value of the property as established under section 5 less applicable discounts under this Act and the remainder of the repayment obligation shall be paid on terms

as to amount, repayment period, installments, and interest rate not more favorable to the purchasers than those which would be available were the purchases to be financed under mortgages eligible for insurance under subsection 223 (a) of the National Housing Act, as herein amended: *Provided*, That the Secretary may increase the interest rate by additional components equal to the premium being charged (and any periodic service charge being authorized by the Federal Housing Commissioner for property of a similar character) under subsection 223 (a) of the National Housing Act, as herein amended, at the effective date of the aforesaid contracts.

69 Stat. 636.
12 USC 1715n.

(2) Whenever the Secretary, on presentation of adequate evidence by a prospective purchaser or purchasers under subsections (c) (1), (d) (1), or (f) of this section, shall determine that financing of purchases on reasonable terms cannot be arranged from other sources, he is authorized to enter into contracts with such purchasers under which the purchaser would not be required to make a down payment of more than 10 per centum of the appraised value of the property as established under section 5, less applicable discounts under this Act. The remainder of the repayment obligation shall be paid with such terms as to amount, repayment period, installments, and interest rate as the Secretary shall determine to be fair and equitable.

(3) The Secretary may assign any installment contract under this section at such times and on such terms and conditions as he deems appropriate. Any such assignment made at a discount shall be defeasible if within sixty days after receipt of notification of such assignment the original obligor of the assigned contract, or his successors, assigns, or legal representative, shall cause to be received by the Secretary a tender of the amount for which such assignment was made, in which event such tender shall be accepted as full payment of the contract.

(j) Except in the case of property sold to the highest responsible bidder under this section or property sold to the first taker from the general public under subsection (h) of this section or by negotiated sale under subsection (c) (3) of this section, persons purchasing property under this section or their successors, assigns, or legal representatives, shall be entitled to a discount in the purchase price at the time they enter into a purchase contract equal to 5 per centum of its appraised value as established under section 5 and, in the event of incorporation of the municipality within four years from the date of this Act, they shall be entitled to an additional discount in the purchase price (or rebate as appropriate) equal to 10 per centum of the aforesaid appraised value.

(k) In establishing rules and regulations governing sales of property in the town area under this section, and in determining the terms and conditions of such sales other than those prescribed in this Act, the Secretary shall consult with the representatives of the Coulee Dam Community as determined by him.

12 USC 1715n.

SEC. 4. Paragraph (3) of subsection 223 (a) of the National Housing Act, as amended, is hereby amended by inserting after the words "Tennessee Valley Authority" the words ", or of any housing under the jurisdiction of the Department of the Interior located within the town area of Coulee Dam, Washington, acquired by the United States for the construction, operation, and maintenance of Grand Coulee Dam and its appurtenant works: *Provided*, That for the purpose of the application of this title to sales by the Secretary of the Interior pursuant to subsections 3 (b) (1) and 3 (b) (2) of the Coulee Dam Community Act of 1957, the selling price of the property involved shall be deemed to be the appraised value".

Appraised values.

SEC. 5. The appraised values referred to in section 3 of this Act shall be determined from time to time for a period of five years after the date of this Act by the Administrator of Housing and Home Finance Agency or his designee at the request of the Secretary. Thereafter, the Secretary may make such reappraisals as he deems necessary. Appraisals or reappraisals in the town area shall be made only after representatives of the Coulee Dam community, as determined by the Secretary, and of the Columbia Basin Commission, or such corresponding organization as may succeed it, have been granted an opportunity to offer advice. All appraisals and reappraisals shall be made on the basis of the properties' fair market value in the locality. In the sale of property to a tenant under subsections 3 (b) (1) and 3 (d) (1) of this Act, the value of structural improvements made at such tenant's own expense shall, to the extent the appraiser or appraisers hereunder determine that such improvements actually enhance the value of the property, be deducted from what would otherwise be the appraised value of the property to be sold; and the difference shall be deemed the appraised value for the purposes of this Act.

Transfer of Federal property, etc.

SEC. 6. The Secretary is authorized to transfer without cost out of the properties in his custody within the town and Grand Coulee areas ownership of—

(a) any Federally owned municipal-type property and facilities together with rights-of-way therefor, equipment, materials, and supplies, in or serving said areas, including but not limited to the sewer, water, fire-alarm, street-lighting, electric feeder lines, and power-distribution systems, and the highways, streets, alleys, sidewalks, parks, and parking areas to the municipality or Grand Coulee if their respective areas are substantially served by such properties. Any such transfer to the municipality, however, will not be made unless the town area or a part thereof is incorporated within four years from the date of this Act;

(b) the school buildings and grounds, athletic fields, tennis courts, and other properties currently used for educational purposes to the appropriate school district; and

(c) highway improvements in and connecting the town and Grand Coulee areas and the bridge across the Columbia River, together with the neceessary rights-of-way therefor to the State of Washington.

Availability of funds.

SEC. 7. (a) There is hereby made available out of the proceeds of sales made pursuant to section 3 of this Act an amount not to exceed $130,000 for expenditure, directly or through the local units of government involved, for work in connection with the disposal of sewage in the immediate vicinity of the town of Coulee Dam and the city of Grand Coulee, including betterment work on the existing open drain along the north side of the highway through the city of Grand Coulee. Of this amount the Secretary shall pay not more than $100,000 to Grand Coulee and not more than $30,000 to the municipality. Except to the extent that any expenditures have been made directly as provided in the preceding sentence, the Secretary shall, upon application, pay to Grand Coulee the amount of $10,000 and to the municipality the amount of $3,000 for engineering surveys and drafting of specifications for proposed construction and/or improvement of sewage disposal and drainage facilities. After final drawings and specifications have been approved by the Secretary and the construction contracts have been entered into, the Secretary shall pay monthly to Grand Coulee and to the municipality additional amounts equivalent to earnings under their contracts as evidenced by construction progress reports certified by their contractors and by Grand Coulee and the

municipality, but not to exceed a total of $90,000 for the former and $27,000 for the latter.

(b) Subject to the provisions of subsection 9 (a) of this Act, the following amounts shall be made available, out of the proceeds of sales made pursuant to section 3 of this Act, to the municipality if incorporated within four years from the date of this Act: (1) On incorporation, $44,000; (2) at the end of one year after incorporation, $21,000; and (3) at the end of two years after incorporation, $15,000.

Such power and energy may be made available directly to the users or indirectly through distributing agencies, for a period of ten years from the date of this Act, and may be at such special rates as the Secretary finds to be proper but at not less than cost.

Property taxes.

SEC. 8. Property sold under any contract deferring transfer of title pending payment of the purchase price upon recordation of such contract in the county records shall be subject to the provisions of the laws of the State of Washington relating to the assessment and collection of property taxes, and to liens for such taxes and to all proceedings for the enforcement thereof, in the same manner and to the same extent as privately owned property. The United States does not assume any obligation for the amounts so assessed or taxed; and any proceedings to enforce them shall be subject to any title then remaining in the United States and to any prior lien reserved to the United States for unpaid installments under sale contracts made hereunder.

Proceeds from sales.

SEC. 9. (a) All proceeds from sales of property (including the assignment of contracts) authorized under section 2 of this Act are hereby appropriated for expenditure by the Secretary for (1) expenses of disposal of Federal property under this Act, including rebates, where appropriate, to vendees of the United States entitled to the discount provided under section 3 of this Act for attainment of early incorporation of the municipality, and (2) for purposes authorized in subsection 7 (a) and (1) of subsection 7 (b) of this Act: *Provided*, That amounts referred to in (2) and (3) of subsection 7 (b) of this Act shall be expended only after specific appropriation has been made by Congress therefor. So much of the aforesaid proceeds as is in excess of amounts which may be necessary for expenditures referred to in this subsection shall be covered into the reclamation fund.

(b) Transfers under this Act of Federal property to non-Federal ownership shall not result in any diminution of the reimbursable costs of the Columbia Basin project except to the extent that any net proceeds from sales of property under this Act are credited to said project.

SEC. 10. Transfers of Federal property under this Act shall not impair rights under leases granted by the United States.

JOINT RESOLUTION

August 31, 1957
[H. J. Res. 404]

Providing for the recognition and endorsement of the second World Metallurgical Congress.

Whereas the growing demand upon the metal resources of the world presents a problem prompting the most serious consideration among nations; and

Whereas a broader acquaintanceship with present day mineral resources and the means for conserving these diminishing resources is essential to the well-being of mankind; and

Whereas our own mineral resources being deficient in several vital minerals, the United States is faced with continued dependence upon overseas and other sources; and

Whereas the outlook for improvement in basic resources is not encouraging, there is need for broad scientific research and wide-scale exploration to effect discovery of new metals and metal resources; and

Whereas the free exchange of scientific information among the world's metallurgists will contribute to the betterment of this deficiency at home and abroad; and

Whereas the United States has a responsibility and an opportunity to provide vigorous leadership in the search for substitutes for critical resources in order to preserve these resources from complete exhaustion; and

Whereas the metal scientist is today accepting this challenge in good spirit and with efficient performance, contributing actively to the mastery of new wonder metals and the peacetime uses of the atom; and

Whereas the economic health of the world will be enhanced if the United States nurtures a friendly attitude toward worldwide scientific and industrial efforts; and

Whereas several hundred distinguished metal scientists from two-score countries throughout the world will visit our shores in October and November of 1957 to participate in deliberations on metal resources and operations: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the Congress hereby extends its official welcome to the overseas metal scientists who will attend the World Metallurgical Congress, November 2 to 8, 1957, under the sponsorship of the American Society for Metals. The President is authorized and requested, by proclamation, or in such manner as he may deem proper, to grant recognition to the World Metallurgical Congress and the American Society for Metals for its instigation and sponsorship of this second world gathering of metal scientists, calling upon officials and agencies of the Government to assist and cooperate with such congress as occasion may warrant.

SEC. 4. The Atomic Energy Act of 1954, as amended, is amended by adding thereto a new section, with the appropriate amendment to the table of contents:

42 USC 2133, 2134, 2235, 2073, 2093, 2111.

"SEC. 170. INDEMNIFICATION AND LIMITATION OF LIABILITY.—

"a. Each license issued under section 103 or 104 and each construction permit issued under section 185 shall, and each license issued under section 53, 63, or 81 may, have as a condition of the license a requirement that the licensee have and maintain financial protection of such type and in such amounts as the Commission

shall require in accordance with subsection 170 b. to cover public liability claims. Whenever such financial protection is required, it shall be a further condition of the license that the licensee execute and maintain an indemnification agreement in accordance with subsection 170 c. The Commission may require, as a further condition of issuing a license, that an applicant waive any immunity from public liability conferred by Federal or State law.

Indemnification agreement.

Waiver.

"b. The amount of financial protection required shall be the amount of liability insurance available from private sources, except that the Commission may establish a lesser amount on the basis of criteria set forth in writing, which it may revise from time to time, taking into consideration such factors as the following: (1) the cost and terms of private insurance, (2) the type, size, and location of the licensed activity and other factors pertaining to the hazard, and (3) the nature and purpose of the licensed activity: *Provided*, That for facilities designed for producing substantial amounts of electricity and having a rated capacity of 100,000 electrical kilowatts or more, the amount of financial protection required shall be the maximum amount available from private sources. Such financial protection may include private insurance, private contractual indemnities, self insurance, other proof of financial responsibility, or a combination of such measures.

Liability insurance.

"c. The Commission shall, with respect to licenses issued between August 30, 1954, and August 1, 1967, for which it requires financial protection, agree to indemnify and hold harmless the licensee and other persons indemnified, as their interest may appear, from public liability arising from nuclear incidents which is in excess of the level of financial protection required of the licensee. The aggregate indemnity for all persons indemnified in connection with each nuclear incident shall not exceed $500,000,000 including the reasonable costs of investigating and settling claims and defending suits for damage. Such a contract of indemnification shall cover public liability arising out of or in connection with the licensed activity.

Aggregate indemnity.

"d. In addition to any other authority the Commission may have, the Commission is authorized until August 1, 1967, to enter into agreements of indemnification with its contractors for the construction or operation of production or utilization facilities or other activities under contracts for the benefit of the United States involving activities under the risk of public liability for a substantial nuclear incident. In such agreements of indemnification the Commission may require its contractor to provide and maintain financial protection of such a type and in such amounts as the Commission shall determine to be appropriate to cover public liability arising out of or in connection with the contractual activity, and shall indemnify the persons indemnified against such claims above the amount of the financial protection required, in the amount of $500,000,000 including the reasonable costs of investigating and settling claims and defending suits for damage in the aggregate for all persons indemnified in connection with such contract and for each nuclear incident. The provisions of this subsection may be applicable to lump sum as well as cost type contracts and to contracts and projects financed in whole or in part by the Commission.

Contracts.

"e. The aggregate liability for a single nuclear incident of persons indemnified, including the reasonable costs of investigating and settling claims and defending suits for damage, shall not exceed the sum of $500,000,000 together with the amount of

Application to U.S. district court.

financial protection required of the licensee or contractor. The Commission or any person indemnified may apply to the appropriate district court of the United States having venue in bankruptcy matters over the location of the nuclear incident, and upon a showing that the public liability from a single nuclear incident will probably exceed the limit of liability imposed by this section, shall be entitled to such orders as may be appropriate for enforcement of the provisions of this section, including an order limiting the liability of the persons indemnified, orders staying the payment of claims and the execution of court judgments, orders apportioning the payments to be made to claimants, orders permitting partial payments to be made before final determination of the total claims, and an order setting aside a part of the funds available for possible latent injuries not discovered until a later time.

Collection of fee.

"f. The Commission is authorized to collect a fee from all persons with whom an indemnification agreement is executed under this section. This fee shall be $30 per year per thousand kilowatts of thermal energy capacity for facilities licensed under section 103. For facilities licensed under section 104, and for construction permits under section 185, the Commission is authorized to reduce the fee set forth above. The Commission shall establish criteria in writing for determination of the fee for facilities licensed under section 104, taking into consideration such factors as (1) the type, size, and location of facility involved, and other factors pertaining to the hazard, and (2) the nature and purpose of the facility. For other licenses, the Commission shall collect such nominal fees as it deems appropriate. No fee under this subsection shall be less than $100 per year.

42 USC 2133, 2134, 2235.

Private insurance organizations.
Use of services.

"g. In administering the provisions of this section, the Commission shall use, to the maximum extent practicable, the facilities and services of private insurance organizations, and the Commission may contract to pay a reasonable compensation for such services. Any contract made under the provisions of this subsection may be made without regard to the provisions of section 3709 of the Revised Statutes, as amended, upon a showing by the Commission that advertising is not reasonably practicable and advance payments may be made.

41 USC 5.

Terms of settlement.

"h. The agreement of indemnification may contain such terms as the Commission deems appropriate to carry out the purposes of this section. Such agreement shall provide that, when the Commission makes a determination that the United States will probably be required to make indemnity payments under this section, the Commission shall collaborate with any person indemnified and may approve the payment of any claim under the agreement of indemnification, appear through the Attorney General on behalf of the person indemnified, take charge of such action, and settle or defend any such action. The Commission shall have final authority on behalf of the United States to settle or approve the settlement of any such claim on a fair and reasonable basis with due regard for the purposes of this Act. Such settlement may include reasonable expenses in connection with the claim incurred by the person indemnified.

Survey of causes.

"i. After any nuclear incident which will probably require payments by the United States under this section, the Commission shall make a survey of the causes and extent of damage which shall forthwith be reported to the Joint Committee, and, except as forbidden by the provisions of chapter 12 of this Act or any other law or Executive order, all final findings shall be

42 USC 2161.

made available to the public, to the parties involved and to the courts. The Commission shall report to the Joint Committee by April 1, 1958, and every year thereafter on the operations under this section.

Report to Congress.

"j. In administering the provisions of this section, the Commission may make contracts in advance of appropriations and incur obligations without regard to section 3679 of the Revised Statutes, as amended.

Contracts in advance of appropriations.
31 USC 665.

SEC. 5. The Atomic Energy Act of 1954, as amended, is amended by adding thereto a new section, making the appropriate amendment to the table of contents, as follows:

The Committee shall review safety studies and facility license applications referred to it and shall make reports thereon, shall advise the Commission with regard to the hazards of proposed or existing reactor facilities and the adequacy of proposed reactor safety standards, and shall perform such other duties as the Commission may request. The members of the Committee shall receive a per diem compensation for each day spent in meetings or conferences, or other work of the Committee, and all members shall receive their necessary traveling or other expenses while engaged in the work of the Committee. The provisions of section 163 shall be applicable to the Committee."

"(v) As used in this Act, the terms 'owner', 'landowner', and 'any one landowner' denote any person, corporation, joint-stock association; the term 'family' denotes a group consisting of either or both husband and wife, together with their children under eighteen years of age, or all of such children if both parents are dead; the term 'their children' includes the issue and lawfully adopted children of either or both husband and wife; and the term 'lands within the project' denotes those lands within the boundaries of the existing Columbia

Basin irrigation districts, or revisions thereof approved by the Secretary, which the Secretary determines may be supplied water from, through, or by means of the project works and are required to be included to provide for sound development and operation of the project. Lands shall be deemed to be held by a family, if held as separate property of husband or wife, or constitute a part or all of their community property, or if they are the property of any or all of their children under eighteen years of age. Lands held in trust for any person shall, for the purpose of this Act, be deemed to be held both by that person and, if the trustee derives any profit or advantage from the trust other than a moderate fixed fee for the management of the same, by the trustee."

The last sentence of this amendment shall not be deemed to affect any irrevocable trust for the benefit of a child under eighteen created prior to this amendment, which would then have been held to be consistent with the provisions and intent of the Columbia Basin Project Act or to excuse any violation or evasion of that Act, or of the rules and regulations issued pursuant to it or of contracts entered into under it, by the creation or purported creation of a trust prior to this amendment, which would then have been held to be inconsistent with said provisions and intent.

(d) Section 4, subsection (b), of said Act is hereby amended by substituting a comma for the period at the end thereof and adding thereto the following: "and each such applicant shall be required to agree that he, his heirs and assigns will not, except with the approval of the Secretary, sell, assign, lease, or otherwise dispose of or contract to sell, assign, lease, or otherwise dispose of his land during a period ending five years from the date of his purchase contract. No application for a farm unit shall be received from any person who, or a member of whose family, then has outstanding another application for a farm unit on the project or to whom a farm unit could not at the time of application lawfully be sold under this Act. No farm unit shall be sold to, and no contract to sell a farm unit shall be entered into with, any person, corporation, joint-stock association, or family which has theretofore purchased or entered into a contract to purchase a farm unit under this Act or which then owns a farm unit within the Columbia Basin Project. The prohibition of the preceding sentence, however, shall not preclude a purchase or contract to purchase by a person, otherwise eligible, whose farm unit has been or is acquired by the United States for exchange purposes under this Act or the Act of August 13, 1953 (67 Stat. 566) or, if he is 18 years of age or older, whose family purchased or entered into a contract to purchase a farm unit at a time when he was under 18 years of age."

To amend chapter 223, title 18, United States Code, to provide for the production of statements and reports of witnesses.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That chapter 223 of title 18, United States Code, is amended by adding a new section 3500 which shall read as follows:

Title 18, U. S. Code, amendments.
62 Stat. 832.

"§ 3500. Demands for production of statements and reports of witnesses

Witnesses.
Statements and reports.

"(a) In any criminal prosecution brought by the United States, no statement or report in the possession of the United States which was made by a Government witness or prospective Government witness (other than the defendant) to an agent of the Government shall be the subject of subpena, discovery, or inspection until said witness has testified on direct examination in the trial of the case.

"(b) After a witness called by the United States has testified on direct examination, the court shall, on motion of the defendant, order the United States to produce any statement (as hereinafter defined) of the witness in the possession of the United States which relates to the subject matter as to which the witness has testified. If the entire contents of any such statement relate to the subject matter of the testimony of the witness, the court shall order it to be delivered directly to the defendant for his examination and use.

"(c) If the United States claims that any statement ordered to be produced under this section contains matter which does not relate to the subject matter of the testimony of the witness, the court shall order the United States to deliver such statement for the inspection of the court in camera. Upon such delivery the court shall excise the portions of such statement which do not relate to the subject matter of the testimony of the witness. With such material excised, the court shall then direct delivery of such statement to the defendant for his use. If, pursuant to such procedure, any portion of such statement is withheld from the defendant and the defendant objects to such withholding, and the trial is continued to an adjudication of the guilt of the defendant, the entire text of such statement shall be preserved by the United States and, in the event the defendant appeals, shall be made available to the appellate court for the purpose of determining the correctness of the ruling of the trial judge. Whenever any statement is delivered to a defendant pursuant to this section, the court in its discretion, upon application of said defendant, may recess proceedings in the trial for such time as it may determine to be reasonably required for the examination of such statement by said defendant and his preparation for its use in the trial.

"(d) If the United States elects not to comply with an order of the court under paragraph (b) or (c) hereof to deliver to the defendant any such statement, or such portion thereof as the court may direct, the court shall strike from the record the testimony of the witness, and the trial shall proceed unless the court in its discretion shall determine that the interests of justice require that a mistrial be declared.

"(e) The term 'statement', as used in subsections (b), (c), and (d) of this section in relation to any witness called by the United States, means—

"Statement".

"(1) a written statement made by said witness and signed or otherwise adopted or approved by him; or

"(2) a stenographic, mechanical, electrical, or other recording, or a transcription thereof, which is a substantially verbatim recital of an oral statement made by said witness to an agent of the Government and recorded contemporaneously with the making of such oral statement."

The analysis of such chapter is amended by adding at the end thereof the following:

To authorize the construction, maintenance, and operation by the Armory Board of the District of Columbia of a stadium in the District of Columbia, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "District of Columbia Stadium Act of 1957".

District of Columbia Stadium Act of 1957.

SEC. 2. In order to provide the people of the District of Columbia with a stadium suitable for holding athletic events and other activities and events of a nature requiring such a facility, the Armory Board (hereinafter referred to as the "Board"), created by section 2 of the Act entitled "An Act to establish a District of Columbia Armory Board, and for other purposes", approved June 4, 1948 (D. C. Code, sec. 2–1702), is hereby authorized to construct, maintain, and operate a stadium (including necessary motor-vehicle parking areas) with a seating capacity of not to exceed fifty thousand, on a site in the District of Columbia determined in accordance with provisions of section 3 of this Act. The cost of constructing such stadium shall not exceed $6,000,000, and such amount shall be deemed to include interest during the construction of the stadium and for 12 months thereafter and all engineering, legal, financial, architectural, and other expenses incident to the construction of the stadium.

62 Stat. 339.

Cost limitation.

SEC. 3. The Secretary of the Interior is authorized and directed to acquire by gift, purchase, condemnation, or otherwise, all real property within the boundaries of the East Capitol Street site, as established in the first paragraph under the heading "(2) East Capitol Street Site" contained in the National Capital Planning Commission report entitled "Preliminary Report on Sites for National Memorial Stadium" dated November 8, 1956, and thereafter, upon the request of the Board, the Secretary of the Interior shall transfer to the Board, all right, title, and interest of the United States in and to all real property within the boundaries of such East Capitol Street site.

Acquisition of property.

SEC. 4. (a) The Board is hereby authorized to provide for the payment of the cost of such stadium, including the land upon which said stadium is located, by an issue or issues of negotiable bonds of the Board, bearing interest, payable semiannually, at the rate of not more than to be approved by the Secretary of the Treasury, the principal and interest of such bonds shall be payable solely from the funds provided in accordance with this Act, and such payments may be further secured by mortgage of the stadium. All such bonds may be registered as to principal alone or both principal and interest, shall be payable as to principal within not to exceed thirty years from the date thereof, shall be in such denominations, shall be executed in such manner, and shall be payable in such medium and at such place or places as the Board may determine, and the face amount thereof shall be so calculated as to produce, at the price of their sale, the cost of the stadium constructed pursuant to this Act, but such cost shall not exceed $6,000,000. The Board may reserve the right to redeem any or all of the bonds before maturity in such manner and at such price or prices not exceeding 105 per centum of the face value and accrued interest as may be fixed by the Board prior to the issuance of the bonds. The Board when it deems advisable may issue refunding bonds to refinance any outstanding bonds at maturity or before maturity when called for redemption, except that such refunding bonds shall mature within not to exceed thirty years from the date thereof, or not to exceed fifty years from the date of enactment of this Act, whichever shall first occur, and shall not exceed in principal amount the principal amount of outstanding bonds replaced by such refunding bonds.

Bonds.

The Board may enter into an agreement with any bank or trust company in the United States as trustee having the power to make such agreement, setting forth the duties of the Board with respect to acquisition, construction, maintenance, operation, repair, and insurance of the stadium, the conservation and application of all funds, the security for the payment of the bonds, safeguarding of money on hand or on deposit, and the rights and remedies of such trustee and the holders of the bonds, restricting the individual right of action on the bondholders as is customary in trust agreements respecting bonds of corporations. Such trust agreement may contain such provisions for protecting and enforcing the rights and remedies of the trustee and the bondholders as may be reasonable and proper.

(b) The bonds may be sold at not less than par. If the proceeds of the bonds shall exceed the cost, the excess shall be placed in the fund created by section 6 for the payment of the principal and interest of such bonds. Prior to the preparation of definitive bonds the Board may, under like restrictions, issue temporary bonds, or may, under like restrictions, issue temporary bonds or interim certificates without coupons, of any denomination whatsoever, exchangeable for definitive bonds when such bonds that have been executed are available for delivery.

Tax exemption.

(c) All bonds, or other obligations, issued by the Board under authority of this Act, shall be exempt both as to principal and interest, from all taxation (except estate and inheritance taxes) now or hereafter imposed by the United States, or by the District of Columbia.

(4) to make such structural and other changes in the stadium as it may deem necessary or desirable for carrying out the purposes of this Act;

(5) to prepare, maintain, light, and operate motor-vehicle parking lots on such land as is provided for that purpose by the Secretary of the Interior under section 3 of this Act;

(6) to operate or contract for the operation of such concessions, including the checking of clothing and the sale of beverages and food as the Board may deem appropriate to the purposes for which the stadium may be rented or leased;

Fund.

SEC. 6. (a) The Board shall place into a fund all receipts derived from the exercise by the Board of the powers granted by this Act. This fund shall be used for operating, maintaining, and repairing the stadium and to pay the principal and interest of bonds issued under authority of section 4 of this Act as they fall due and the redemption or repurchase price of all or any thereof redeemed or repurchased before maturity as provided in section 4 of this Act. All revenues and receipts from the rental or lease of the stadium are hereby pledged to such uses and to the application thereof as hereinafter in this section required. After payment or provision for payment therefrom of all cost of maintenance, repair, and operation and the reservation of an amount of money estimated to be sufficient for the same purpose during the ensuing period of not more than six months, the remainder of receipts received from rental or lease of the stadium shall be placed in a fund to be used to pay the principal and interest of the bonds. An accurate record of the cost of the stadium, the expenditure for maintaining and operating it, and of rentals and lease receipts shall be kept and shall be available for the information of all interested persons.

Statement of cost.

(b) Within a reasonable time after the construction of the stadium, the Board shall file with Congress and the Board of Commissioners of the District of Columbia a sworn itemized statement showing the cost of constructing the stadium, and the amount of bonds, debentures, or other evidences of indebtedness issued in connection with the construction of such stadium.

Operation and maintenance.

SEC. 7. After payment of the bonds and interest or after a sinking fund sufficient for such purpose shall have been provided and shall be held solely for that purpose, but in any event not later than fifty years from the date of enactment of this Act, the Board shall deliver deeds or other suitable instruments of conveyance of the interest of the Board in and to the stadium to the Board of Commissioners of the District of Columbia, for the District of Columbia and the stadium shall thereafter be properly operated, maintained, and repaired by the District of Columbia.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That it is hereby declared to be the policy of Congress, in the interests of the commerce of the United States, the postal service, and the national defense to promote the development of local, feeder, and short-haul air transportation. In furtherance of this policy it is deemed necessary and desirable that provision be made to assist certain air carriers engaged in such air transportation by providing governmental guaranties of loans to enable them to purchase aircraft suitable for such transportation on reasonable terms.

SEC. 2. As used in this Act—

(a) "Board" means the Civil Aeronautics Board.

(b) "Aircraft purchase loan" means any loan, or commitment in connection therewith, made for the purchase of a commercial transport aircraft, including spare parts normally associated therewith.

SEC. 3. (f) Unless the Board finds that the aircraft to be purchased with the guaranteed loan is needed to improve the service and efficiency of operation of the air carrier.

SEC. 5. The Board shall prescribe and collect from the lending institution a reasonable guaranty fee in connection with each loan guaranteed under this Act.

SEC. 6. (a) To permit it to make use of such expert advice and services as it may require in carrying out the provisions of this Act, the Board may use available services and facilities of other agencies and instrumentalities of the Federal Government with their consent and on a reimbursable basis.

This section shall be applicable only to aliens admissible to the United States except for the fact that an immigrant visa is not promptly available for issuance to them because the quota of the quota area to which they are chargeable is oversubscribed. Upon the payment of the required visa fee and the adjustment of status under this Act, the Attorney General shall record the alien's lawful admission for permanent residence as of the date of the order adjusting status. Nothing contained in this section shall be held to repeal, amend or modify any of the provisions of the Act of June 4, 1956 (70 Stat. 241), nor shall any person acquiring exchange visitors status subsequent to the enactment of that Act, and who has not received a waiver pursuant thereto, be eligible for adjustment of status under this section. If neither the Senate nor the House of Representatives passes such a resolution within the time above specified, the Secretary of State shall, if the alien was classifiable as a quota immigrant at the time of his entry, reduce by one the quota of the quota area to which the alien is chargeable under section 202 of the Immigration and Nationality Act for the fiscal year then current or the next following year in which a quota is available. No quota shall be so reduced by more than 50 per centum in any fiscal year. 8 USC 1152.

in the Treasury not otherwise appropriated, to Louis S. Thomas and D. Grace Thomas, both of Deep River, Connecticut, the sums of $1,000 and $6,500, respectively, in full settlement of all their claims against the United States arising out of large expenses and serious injuries sustained by them when the automobile in which they were riding was struck by a Navy station wagon at Middletown, Connecticut, on or about May 9, 1946. The losses and serious injuries complained of and sustained by the said Louis S. Thomas and D. Grace Thomas at said time and place were the direct results of the grossly negligent operation by the Navy personnel of the Navy vehicle, the driver of which was asleep at the wheel. At said time and place the said Louis S. Thomas and D. Grace Thomas were free from any negligence which in any way contributed toward said accident and the resulting injuries therefrom. In actions brought on these claims under the provisions of title 28 of the United States Code relating to tort claims, the United States District Court for the District of Connecticut decided on June 6, 1950, that it is without jurisdiction because the driver of the Navy station wagon was not acting within the scope of his office or employment: *Provided*, That no part of either of the sums appropriated in this Act in excess of 10 per centum thereof shall be paid or delivered to or received by any agent or attorney on account of services rendered in connection with the claim settled by the payment of such sum, and the same shall be unlawful, any contract to the contrary notwithstanding. HUNGARY

Whereas the Hungarian freedom revolution which broke out October 23, 1956, was catastrophic in nature, and subsequent events shocked the conscience of the free peoples of the world; and

Whereas the barbaric action of the Soviet Union in Hungary demonstrates that the Soviet Union is determined to go to any and all lengths to maintain its empire of enslaved peoples by the most brutal forms of armed subjugation and repression; and

Whereas the Special Committee on the Problem of Hungary, created by the General Assembly of the United Nations under its resolution 1132 (XI) adopted at its six hundred and thirty-sixth plenary meeting on January 10, 1957, has established that what took place in Hungary in the latter part of 1956 was a spontaneous national uprising caused by long-standing grievances engendered by the oppressive way of life under Communist rule and by the state of captivity of Hungary under control of the Union of Soviet Socialist Republics; and

Whereas the crisis and foment created by developments in the satellite nations require a continued reevaluation by the United States and the United Nations of strategic policy to meet changing conditions: Now, therefore, be it

U. S. action in United Nations General Assembly.

Resolved by the House of Representatives (the Senate concurring), That it is the sense of the Congress that the President, through the United States representatives to the United Nations at the forthcoming special reconvening of the General Assembly of the United Nations, should take every appropriate action toward the immediate consideration and adoption of the report of the United Nations Special Committee on the Problem of Hungary and toward the immediate consideration of other available information on the brutal action of the

Soviet Union in Hungary. It is further the sense of the Congress that the President, through such United States representatives, should at such reconvened session join actively in seeking the most effective way of dealing with the report of the United Nations Special Committee in order to advance the objectives of the United Nations regarding the situation in Hungary, to prevent further repressive action by the Soviet Union, and to seek all practical redress of the wrong which has been committed in violation of the principles of the United Nations and the elemental requirements of humanity.

SEC. 2. It is the sense of the Congress that the United States should implement policies, through the United Nations or in cooperation with the peoples of the free world, that will work toward the freedom and independence of the captive nations, and will effectively utilize the position of the United States through all proper means, to the end that the Hungarian tragedy shall not be repeated anywhere.

NATIONAL HISTORICAL PUBLICATIONS COMMISSION

Whereas the National Historical Publications Commission is charged by the Congress with responsibility for cooperating with and encouraging "Federal, State, and local agencies and nongovernmental institutions, societies, and individuals" in collecting, preserving, and publishing documents that are important for understanding the history of the United States; and

Whereas the said Commission in the discharge of these responsibilities has recommended a national program to encourage the publication of the basic source materials of American history through the cooperative efforts of both public and private organizations; and

Whereas the President of the United States has approved the national program for the publication of historical documents, as set forth in the Commission's published report to him (and summarized in the Appendix of the Congressional Record for July 22, 1955); and

Whereas the publication of such source materials as letters, diaries, journals, sermons, speeches, reports, and other documents—the firsthand evidence of the initiative, courage, and spiritual qualities of the men and women who have helped to shape our country's destiny—would contribute to a better understanding of the history of the United States in all of its manifold aspects, and would thereby strengthen the defense of our country against its enemies: Therefore be it

Resolved by the Senate (*the House of Representatives concurring*), That it is the sense of the Congress of the United States that the fulfillment of the program recommended by the National Historical Publications Commission in its report entitled "A National Program for the Publication of Historical Documents" would be of lasting benefit to the Government and citizens of the United States; and be it further

Resolved, That the Congress of the United States respectfully urges the governors and legislatures of the several States and the State historical commissions and archival agencies, as well as appropriate libraries, historical societies, colleges and universities, business corporations, foundations, civic and other nonprofit organizations, and individuals to cooperate with the National Historical Publications Commission in the fulfillment of the said program.

MODIFICATION OF RESTRICTIONS ON IMPORTS OF CERTAIN VIRGINIA-TYPE PEANUTS

August 29, 1956
[No. 3152]

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

WHEREAS, pursuant to section 22 of the Agricultural Adjustment Act, as amended (7 U. S. C. 624), I issued Proclamation No. 3019 on June 8, 1953 (67 Stat. c46), limiting to 1,709,000 pounds (aggregate quantity) the imports of peanuts, whether shelled, not shelled, blanched, salted, prepared, or preserved (including roasted peanuts, but not including peanut butter) which may be entered, or withdrawn from warehouse, for consumption in any 12-month period beginning July 1 in any year, which proclamation was amended by Proclamation No. 3025 of June 30, 1953 (67 Stat. c54) and by Proclamation No. 3095 of May 16, 1955 (69 Stat. c32); 62 Stat. 1248.

WHEREAS the said Proclamation No. 3095 amended the said Proclamation No. 3019 so as to establish thereafter as the quota year for peanuts the 12-month period beginning August 1 in any year; 69 Stat. c32; 67 Stat. c46.

WHEREAS the total quantity of such peanuts which may be entered, or withdrawn from warehouse, for consumption under the said Proclamation No. 3019, as amended, during the 12-month period beginning August 1, 1956 has already been entered, or withdrawn from warehouse, for consumption; 67 Stat. c46.

WHEREAS, pursuant to section 22 (d) of the Agricultural Adjustment Act, as amended, the United States Tariff Commission has made a supplemental investigation to determine whether there is a deficit in the domestic supply of Virginia-type peanuts, shelled (not including peanuts blanched, salted, prepared, or preserved), of sizes averaging in representative samples not more than 40 kernels per ounce, such as to require an increase in the quantity of such peanuts which may be permitted to be entered, or withdrawn from warehouse, for consumption during the early part of the quota year beginning August 1, 1956, to meet essential requirements of domestic users of such peanuts, and, if so, what additional quantity or quantities of such peanuts may be permitted to be so entered or withdrawn without materially interfering with or rendering ineffective the program of the Department of Agriculture with respect to peanuts; 7 USC 624.

WHEREAS the United States Tariff Commission has submitted to me a report of its findings and recommendation in connection with the said supplemental investigation; and

WHEREAS, on the basis of said supplemental investigation and report of the Tariff Commission, I find that the domestic supply of

Virginia-type peanuts is not sufficient to meet the essential requirements of domestic users of such peanuts and that such deficit may be permitted to be supplied from peanuts of foreign origin, but only under the conditions and subject to the fee hereinafter proclaimed, without rendering or tending to render ineffective, or materially interfering with, the said program of the Department of Agriculture with respect to peanuts, or reducing substantially the amount of any product processed in the United States from peanuts with respect to which such program is being undertaken:

Peanuts, modification of import restrictions.

NOW, THEREFORE, I, DWIGHT D. EISENHOWER, President of the United States of America, acting under and by virtue of the authority vested in me by the said section 22 of the Agricultural Adjustment Act, as amended, do hereby proclaim that the said Proclamation No. 3019, as amended, is hereby modified so as to permit an unlimited quantity of peanuts of the Virginia type, shelled (not including peanuts blanched, salted, prepared, or preserved), of sizes averaging in representative samples not more than 40 kernels per ounce, to be entered, or withdrawn from warehouse, for consumption during the period beginning on the day following the date of this proclamation and ending at the close of business on 10 September 1956, subject to a fee of 7 cents per pound, but not more than 50 per centum ad valorem: *Provided*, That the said fee shall be in addition to any other duties imposed on the importation of such peanuts.

ALEXANDER HAMILTON BICENTENNIAL

September 17, 1956
[No. 3155]

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

One hundred and sixty-nine years ago today, on Monday, September 17, 1787, the Constitution of the United States was signed by the Founding Fathers, and a crucial nine-month campaign for its adoption was begun. As we celebrate that momentous event, it is fitting that we take notice of Alexander Hamilton, who, at the age of thirty, was recognized as one of the principal architects and leaders of the movement for "a more perfect Union" of the States.

Five years earlier Hamilton's imagination had shown him the noble and magnificent prospect of a great Federal Republic, closely linked in the pursuit of a common interest, tranquil and prosperous at home, and respected abroad. His vision, together with that of other patriots, brought forth the United States of America under the Constitution.

Alexander Hamilton served his country well throughout his life—during the Revolutionary War as aide-de-camp and military secretary to General Washington, as commander of the American columns in the final assault on Yorktown, and, later, as Major General and Senior Officer of the Army; in the Continental Congress, in the Assembly of the State of New York, in the Annapolis Convention of 1786, which led to the momentous meeting in Philadelphia the following year, and in that meeting in 1787 during which the Constitution was framed. During the succeeding months he was untiring in his efforts to secure acceptance of the Constitution by the States, and his subsequent service as first Secretary of the Treasury under the new Government proved him to be one of the boldest and most far-sighted of the founders of our Nation.

The opportunity has now come to our generation to demonstrate our gratitude and our obligation to Alexander Hamilton by a fitting celebration of the two hundredth anniversary of his birth—a happy opportunity for all of us to think afresh of his sincere efforts and inspiring leadership in the work of the men who laid the foundations, raised the structure, and built the sustaining traditions of the Government of the United States.

Alexander Hamilton Bicentennial.

NOW, THEREFORE, I, DWIGHT D. EISENHOWER, President of the United States of America, in accord with the purposes of the Congress, do hereby urge the Governors of the several States, and do call upon all officials and agencies of Federal Government, and upon all citizens, to observe the year commencing January 11, 1957, as the Alexander Hamilton Bicentennial, and to do honor to his memory

during that period with appropriate activities and ceremonies commemorative of his inspiring role in our national life.

And I hereby direct that on January 11, 1957, the anniversary of Alexander Hamilton's birth, the flag of the United States be appropriately displayed on all Government buildings in the United States and all offices of this Government abroad.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

THANKSGIVING DAY, 1956

November 12, 1956
[No. 3163]

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

With the completion of the cycle of winter and summer, seedtime and harvest, we come to the traditional time of thanksgiving, when our minds and hearts turn to Almighty God in grateful acknowledgment of His mercies throughout the year.

Let us be grateful that the foundations of freedom in our Nation grow stronger with each passing year, giving hope to fettered peoples that they may walk as free men unafraid; that the yield of our soil and the production of our factories have been abundant, enriching our lives and enabling us to share our bounty with less fortunate ones in other lands; and that the forces of nature are being harnessed for peaceful purposes, bringing limitless possibilities of comfort and happiness both to ourselves and to future generations.

It is also fitting at this season that we should consider God's providence to us throughout our entire history. Let us remember the Pilgrim Fathers who, fleeing from religious oppression, landed on a bleak, forbidding shore and began to carve out what became this great Republic which it is our happy destiny to love and serve. For their foresight, their courage, and their idealism let us give thanks to the Power which has made and preserved us a Nation.

Humbly aware that we are a people greatly blessed, both materially and spiritually, let us pray this year not only in the spirit of thanksgiving but also as suppliants for God's guidance, to the end that we may follow the course of righteousness and be worthy of His favor.

Thanksgiving Day, 1956.

NOW, THEREFORE, I, DWIGHT D. EISENHOWER, President of the United States of America, in accordance with the joint resolution of Congress approved December 26, 1941, which designates the fourth Thursday in November of each year as Thanksgiving Day, do hereby proclaim Thursday, the twenty-second day of November of this year, as a day of national thanksgiving. On that day let all of us, of whatever creed, foregather in our respective places of worship to give thanks to God and prayerful contemplation to those eternal truths and universal principles of Holy Scripture which have inspired such measure of true greatness as this Nation has achieved. And let us, as the beneficiaries of this greatness, give a good account of our stewardship by helping those in need and by rendering aid, through our religious organizations and by other means, to the ill, the destitute, and the oppressed in foreign lands.

55 Stat. 862.
5 USC 87b.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

Let us on this day study the Universal Declaration of Human Rights proclaimed by the United Nations and the Bill of Rights in the Constitution of the United States, and thereby renew and further fortify our conviction that all men are created equal, and that they are endowed by their Creator with fundamental and inalienable human rights.

Particularly, on this United Nations Human Rights Day, let us take to heart the lessons the Hungarian people have written in their blood and in their sacrifice and in their indomitable will to be free: That those who have once known freedom and the free exercise of human rights value them above life itself; That decent men and women everywhere are stirred to a deep and enduring sympathy for the heroic oppressed, a sympathy that surmounts all barriers of geography and race.

Let us resolve to give generously of our substance that the hardships and suffering of the Hungarian people may be relieved and let us pray that this season of tragedy for them may end in the return of rights and freedom and self-government.

IMPOSING A QUOTA ON BUTTER SUBSTITUTES, INCLUDING BUTTER OIL

April 15, 1957
[No. 3178]

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

WHEREAS, pursuant to section 22 of the Agricultural Adjustment Act, as amended (7 U. S. C. 624), the Secretary of Agriculture advised me that there was reason to believe that butter substitutes, including butter oil, containing 45 per centum or more of butterfat, which are dutiable under paragraph 709 of the Tariff Act of 1930, as amended, are practically certain to be imported into the United States under such conditions and in such quantities as to render or tend to render ineffective, or materially interfere with, the price-support program undertaken by the Department of Agriculture with respect to milk and butterfat, or to reduce substantially the amount of products processed in the United States from domestic milk and butterfat with respect to which such program of the Department of Agriculture is being undertaken; and

62 Stat. 1248.

46 Stat. 632.
19 USC 1001, par. 709.

WHEREAS on November 17, 1956, under the authority of the said section 22, I caused the United States Tariff Commission to make an investigation with respect to this matter; and

7 USC 624.

WHEREAS, in accordance with the said section 22, as implemented by Executive Order No. 7233 of November 23, 1935, the said Tariff Commission has made such investigation and has reported to me its findings and recommendations made in connection therewith; and

WHEREAS, on the basis of the said investigation and report of the Tariff Commission, I find that butter substitutes, including butter oil, containing 45 per centum or more of butterfat and classifiable under paragraph 709 of the Tariff Act of 1930 are practically certain to be imported into the United States under such conditions and in such quantities as to materially interfere with the said price-support program with respect to milk and butterfat, and to reduce substantially the amount of products processed in the United States from domestic milk and butterfat with respect to which said price-support program is being undertaken; and

19 USC 1001, par. 709.

WHEREAS I find and declare that the imposition of the quantitative limitations hereinafter proclaimed is shown by such investigation of the said Tariff Commission to be necessary in order that the entry, or withdrawal from warehouse, for consumption of such butter substitutes, including butter oil, will not materially interfere with the said price-support program or reduce substantially the amount of products processed in the United States from domestic milk and butterfat with respect to which the said price-support program is being undertaken:

NOW, THEREFORE, I, DWIGHT D. EISENHOWER, President of the United States of America, acting under and by virtue of the authority vested in me by the said section 22 of the Agricultural Adjustment Act, do hereby proclaim that the total aggregate quantity of butter substitutes, including butter oil, containing 45 per centum or more of butterfat and classifiable under paragraph 709 of the Tariff Act of 1930, as amended, which shall be permitted to be entered, or withdrawn from warehouse, for consumption during calendar year 1957, shall not exceed 1,800,000 pounds, and that the total aggregate quantity of such articles which shall be permitted to be entered, or withdrawn from warehouse, for consumption during the calendar year 1958 and each subsequent calendar year shall not exceed 1,200,000 pounds. The specified quantities of the named articles which may be entered, or withdrawn from warehouse, for consumption are not proportionately less than 50 per centum of the total quantities of such

Butter substitutes.

WHEREAS, pursuant to the authority vested in me by section 350 of the Tariff Act of 1930, as amended, and by section 7 (c) of the Trade Agreements Extension Act of 1951, as amended, on June 30, 1954, I issued Proclamation No. 3059 (3 CFR, 1954 Supp. 26–27) modifying item 763 of Part I of Schedule XX (original) annexed to the General Agreement on Tariffs and Trade, and on June 29, 1955, I further modified the said item 763 by Proclamation No. 3100 (3 CFR, 1955 Supp. 32–33) so as to provide that not more than 2,500,000 pounds of alsike clover seed described in the said item 763 entered, or withdrawn from warehouse, for consumption during each 12-month period beginning July 1 in the years 1955 and 1956 should be dutiable at 2 cents per pound and that any such seed not subject to the rate of 2 cents per pound should be dutiable at 6 cents per pound; and

69 Stat. c38.

19 USC 1364.

2. WHEREAS section 7 of the Trade Agreements Extension Act of 1951, as amended, provides that the modification of a trade-agreement concession pursuant to such section 7 shall be for such time as is necessary to prevent or remedy serious injury to the domestic industry concerned; and

3. WHEREAS the said further modification of the said item 763 for the period of two years ending June 30, 1957, was made with a view to a later determination of the need for continuing the said further modification beyond June 30, 1957; and

5. WHEREAS, on May 8, 1957, the United States Tariff Commission reported to me that as a result of the investigation made pursuant to my request referred to in the fourth recital of this proclamation the Commission has found that the continuation beyond June 30, 1957, of the modification of the trade-agreement concession on alsike clover seed as set forth in Proclamation No. 3100, referred to in the first recital of this proclamation, will remain necessary in order to prevent serious injury to the domestic industry concerned; and

69 Stat. c38.

19 USC 1351.

7. WHEREAS I find that the further modification of the concession granted in the said General Agreement with respect to alsike clover seed described in the said item 763 to permit the application to such seed of the duty treatment hereinafter proclaimed is necessary to prevent serious injury to the domestic industry producing the like or directly competitive product, and that upon such further modification of the said concession it will be appropriate to carry out the said General Agreement to apply to alsike clover seed the duty treatment hereinafter proclaimed:

WHEREAS the State of Ghana came into existence on March 6, 1957, when the former British West African Colony of the Gold Coast was granted independence by the Government of the United

IMPOSING A QUOTA ON IMPORTS OF RYE, RYE FLOUR, AND RYE MEAL

June 27, 1957
[No. 3189]

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

WHEREAS, pursuant to section 22 of the Agricultural Adjustment Act, as amended (7 U. S. C. 624), the Secretary of Agriculture advised me that there was reason to believe that rye, rye flour, and rye meal are practically certain to be imported into the United States after June 30, 1957, under such conditions and in such quantities as to render or tend to render ineffective, or materially interfere with, the price-support program undertaken by the Department of Agriculture with respect to rye pursuant to sections 301 and 401 of the Agricultural Act of 1949, as amended, or to reduce substantially the amount 50 Stat. 246; 65 Stat. 76; 67 Stat. 472. 63 Stat. 1053, 1054. 7 USC 1447, 1421.

of products processed in the United States from domestic rye with respect to which such program of the Department of Agriculture is being undertaken; and

WHEREAS, on May 11, 1957, I caused the United States Tariff Commission to make an investigation under the said section 22 with respect to this matter; and

7 USC 624.

WHEREAS the said Tariff Commission has made such investigation and has reported to me its findings and recommendations made in connection therewith; and

WHEREAS, on the basis of the said investigation and report of the Tariff Commission, I find that rye, rye flour, and rye meal, in the aggregate, are practically certain to be imported into the United States after June 30, 1957, under such conditions and in such quantities as to interfere materially with and to tend to render ineffective the said price-support program with respect to rye, and to reduce substantially the amount of products processed in the United States from domestic rye with respect to which said price-support program is being undertaken; and

WHEREAS I find and declare that the imposition of the quantitative limitations hereinafter proclaimed is shown by such investigation of the Tariff Commission to be necessary in order that the entry, or withdrawal from warehouse, for consumption after June 30, 1957, of rye, rye flour, and rye meal will not render ineffective, or materially interfere with, the said price-support program:

Rye, rye flour, and rye meal.
Import quota.

NOW, THEREFORE, I, DWIGHT D. EISENHOWER, President of the United States of America, acting under and by virtue of the authority vested in me by the said section 22 of the Agricultural Adjustment Act, as amended, do hereby proclaim that—

(1) the total aggregate quantity of rye, rye flour, and rye meal which may be entered, or withdrawn from warehouse, for consumption in each of the 12-month periods beginning July 1 in 1957 and in 1958 shall not exceed 186,000,000 pounds, of which not more than 15,000 pounds may be in the form of rye flour or rye meal, which permissible total quantities I find and declare to be proportionately not less than 50 per centum of the total quantity of such rye, rye flour, and rye meal entered, or withdrawn from warehouse, for consumption during the representative period July 1, 1950, to June 30, 1953, inclusive, and

(2) during each such 12-month period, of the foregoing permissible total quantity, not more than 182,280,000 pounds shall be imported from Canada and not more than 3,720,000 pounds shall be imported from other foreign countries.

Nonapplicability.

The provisions of this proclamation shall not apply to certified or registered seed rye for use for seeding and crop-improvement purposes, in bags tagged and sealed by an officially recognized seed-certifying agency of the country of production, if—

(a) the individual shipment amounts to 100 bushels (of 56 pounds each) or less, or

(b) the individual shipment amounts to more than 100 bushels (of 56 pounds each) and the written approval of the Secretary of Agriculture or his designated representative is presented at the time of entry, or bond is furnished in a form prescribed by the Commissioner of Customs in an amount equal to the value of the merchandise as set forth in the entry, plus the estimated duty as determined at the time of entry, conditioned upon the production of such written approval within six months from the date of entry.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

DONE at the City of Washington this 27th day of June in the year of our Lord nineteen hundred and fifty-seven, and [SEAL] of the Independence of the United States of America the one hundred and eighty-first.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

1. WHEREAS, pursuant to the authority vested in him by the Constitution and the statutes, including section 350 of the Tariff Act of 1930, as then amended (48 Stat. (pt. 1) 943, ch. 474, 57 Stat. (pt. 1) 125, ch. 118, 59 Stat. (pt. 1) 410, ch. 269), the President on October 30, 1947, entered into a trade agreement with certain foreign countries, which trade agreement consists of the General Agreement on Tariffs and Trade (hereinafter referred to as "the General Agreement"), including a schedule of United States concessions (hereinafter referred to as "Schedule XX (Geneva—1947)"), and the Protocol of Provisional Application of the General Agreement, together with a Final Act (61 Stat. (pts. 5 and 6) A7, A11, and A2051);

69 Stat. 162.
19 USC 1351.

2. WHEREAS by Proclamation No. 2761A of December 16, 1947 (61 Stat. (pt. 2) 1103), the President proclaimed such modifications of existing duties and other import restrictions of the United States of America and such continuance of existing customs or excise treatment of articles imported into the United States of America as were then found to be required or appropriate to carry out the said trade agreement specified in the first recital of this proclamation on and after January 1, 1948, which proclamation has been supplemented by the other proclamations listed in the third recital of Proclamation No. 3140 of June 13, 1956 (3 CFR, 1956 SUPP., p. 24), by the said proclamation of June 13, 1956, by Proclamation No. 3143 of June 25, 1956 (3 CFR, 1956 SUPP., p. 33), by Proclamation No. 3146 of June 29, 1956 (3 CFR, 1956 SUPP., p. 35), by Proclamation No. 3160 of September 28, 1956 (3 CFR, 1956 SUPP., p. 44), and by Proclamation No. 3184 of May 16, 1957 (22 F. R. 3531);

70 Stat. c33, c44, c47.
Ante, pp. c12, c34.

3. WHEREAS I have found as a fact that certain existing duties and other import restrictions of the United States of America and of the Republic of Cuba, both being contracting parties to the General Agreement, are unduly burdening and restricting the foreign trade of the United States of America and that the purposes declared in section 350 of the Tariff Act of 1930, as now amended (48 Stat. (pt. 1) 943, ch. 474, 57 Stat. (pt. 1) 125, ch. 118, 59 Stat. (pt. 1) 410, ch. 269, 63 Stat. (pt 1) 698, ch. 585, 69 Stat. 162, ch. 169), will be promoted by the negotiation between these two Governments of a trade agreement supplementing the General Agreement;

19 USC 1351.

4. WHEREAS, pursuant to section 3 (a) of the Trade Agreements Extension Act of 1951 (65 Stat. 72, ch. 141), I transmitted to the United States Tariff Commission for investigation and report a list of all articles imported into the United States of America to be considered for possible modification of duties and other import restrictions,

19 USC 1360.

imposition of additional import restrictions, or continuance of existing customs or excise treatment in the trade agreement negotiations with the Government of the Republic of Cuba referred to in the third recital of this proclamation, and the Tariff Commission made an investigation in accordance with section 3 of the said Trade Agreements Extension Act and thereafter reported to me its determinations made pursuant to the said section within the time period specified therein;

5. WHEREAS reasonable public notice of the intention to conduct trade agreement negotiations with the Republic of Cuba was given, the views presented by persons interested in such negotiations were received and considered, and information and advice with respect to such negotiations was sought and obtained from the Departments of State, Agriculture, Commerce, and Defense, and from other sources;

6. WHEREAS, the period for the exercise of the authority of the President to enter into foreign trade agreements under the said section 350, as now amended, having been extended by section 2 of the Trade Agreements Extension Act of 1955 (69 Stat. 162, ch. 169) from June 12, 1955, until the close of June 30, 1958, on June 20, 1957, as a result of the findings set forth in the third recital of this proclamation, I entered, through my duly authorized representative, into a trade agreement providing for the application of the relevant provisions of the General Agreement to additional schedules of tariff concessions relating to the United States of America and to the Republic of Cuba, which trade agreement consists of the Eighth Protocol of Supplementary Concessions to the General Agreement on Tariffs and Trade, dated June 20, 1957, including a schedule of United States concessions (hereinafter referred to as "Schedule XX (Havana—1957)"), which trade agreement is authentic in the English and French languages as indicated therein, and a copy of which is annexed to this proclamation;

19 USC 1351.

8 UST pt. 2, p. 1367.

7. WHEREAS the supplementary trade agreement specified in the sixth recital of this proclamation provides that the schedule annexed thereto relating to a negotiating contracting party shall be regarded as a schedule to the General Agreement relating to that contracting party on the thirtieth day following the day on which the protocol shall have been signed by such contracting party or on June 29, 1957, which ever is the earlier, and such protocol was not signed on behalf of the United States prior to May 30, 1957;

8. WHEREAS I find that each modification of existing duties or other import restrictions of the United States of America and each continuance of existing customs or excise treatment of articles imported into the United States of America which is proclaimed in Part I of this proclamation will be required or appropriate, on and after the dates specified in the said Part I, to carry out the trade agreement specified in the sixth recital of this proclamation;

9. WHEREAS, pursuant to the authority vested in him by the Constitution and the statutes, including the said section 350, as then amended, the President on October 30, 1947, entered into an exclusive trade agreement with the Government of the Republic of Cuba (61 Stat. (pt. 4) 3699), which exclusive trade agreement includes certain portions of other documents made a part thereof and provides for the treatment in respect of ordinary customs duties of products of the Republic of Cuba imported into the United States of America;

19 USC 1351.

10. WHEREAS by Proclamation No. 2764 of January 1, 1948 (62 Stat. (pt. 2) 1465), the President proclaimed such modifications of existing duties and other import restrictions of the United States of America and such continuance of existing customs or excise treatment of articles imported into the United States of America as were then found to be required or appropriate to carry out the said exclusive trade agreement specified in the ninth recital of this proclamation

on and after January 1, 1948, which proclamation has been supplemented by the other proclamations listed in the thirteenth recital of the said proclamation of June 13, 1956, by the said proclamation of June 13, 1956, and by the said proclamation of May 16, 1957; 70 Stat. c36. 70 Stat. c33; *Ante*, p. c32.

11. WHEREAS Part II of Schedule XX (Geneva–1947), which was made a part of the exclusive trade agreement specified in the ninth recital of this proclamation, is supplemented by Part II of Schedule XX (Havana—1957), and I find that it is required or appropriate, on and after the dates specified in the said Part II, to carry out the said exclusive trade agreement that the said Part II of Schedule XX (Geneva—1947) be applied as supplemented by the said Part II of Schedule XX (Havana—1957); 61 Stat. pt. 4, p. 3699. 8 UST pt. 2., p. 1367.

12. WHEREAS by the said proclamation of June 13, 1956, the President proclaimed such modifications of existing duties and other import restrictions of the United States and such continuance of existing customs or excise treatment of articles imported into the United States as were then found to be required or appropriate to carry out the Sixth Protocol of Supplementary Concessions to the General Agreement (TIAS 3591), including a schedule of United States concessions (hereinafter referred to as "Schedule XX (Geneva—1956)"); 7 UST pt. 2, pp. 1083, 1330.

13. (pt. 1) 410, ch. 269), the President on October 30, 1947, entered into a trade agreement with certain foreign countries, which trade agreement consists of the General Agreement on Tariffs and Trade (hereinafter referred to as "the General Agreement"), including a Schedule of United States Concessions (hereinafter referred to as "Schedule XX (Geneva—1947)"), and the Protocol of Provisional Application of the General Agreement, together with a Final Act (61 Stat. (pts. 5 and 6) A7, A11, and A2051);

2. WHEREAS by Proclamation No. 2761A of December 16, 1947 (61 Stat. (pt. 2) 1103), the President proclaimed such modifications of existing duties and other import restrictions of the United States of America and such continuance of existing customs or excise treatment of articles imported into the United States of America as were then found to be required or appropriate to carry out the said trade agreement specified in the first recital of this proclamation on and after January 1, 1948, which proclamation has been supplemented by the other proclamations listed in the third recital of Proclamation No. 3140 of June 13, 1956 (3 CFR, 1956 SUPP., p. 24), by the said proclamation of June 13, 1956, by Proclamation No. 3143 of June 25, 1956 (3 CFR, 1956 SUPP., p. 33), by Proclamation No. 3146, of June 29, 1956 (3 CFR, 1956 SUPP., p. 35), by Proclamation No. 3160 of September 28, 1956 (3 CFR, 1956 SUPP., p. 44), by Proclamation No. 3184 of May 16, 1957 (22 F. R. 3531), and by Proclamation No. 3190 of June 28, 1957 (22 F. R. 4705);

70 Stat. c33, c44, c47.

Ante, pp. c34, c45.

3. WHEREAS, acting under and by virtue of the authority vested in him by the said section 350, as now amended (48 Stat. (pt. 1) 943, ch. 474, 57 Stat. (pt. 1) 125, ch. 118, 59 Stat. (pt. 1) 410, ch. 269, 63 Stat. (pt. 1) 698, ch. 585, 69 Stat. 162, ch. 169), and by section 7 (c) of the Trade Agreements Extension Act of 1951 (65 Stat. 74, ch. 141), and in accordance with Article XIX of the General Agreement, the President, by the said proclamation of June 25, 1956, proclaimed the withdrawal of the duty concession granted by the United States with respect to certain products (toweling of flax, hemp, or ramie) described in item 1010 in Part I of Schedule XX (Geneva—1947), effective after the close of business July 25, 1956;

19 USC 1351, 1364.

4. WHEREAS the said Article XIX of the General Agreement provides for consultation with those other contracting parties, having a substantial interest as exporters of products with respect to which action has been taken under that Article, with a view to agreement being reached among all interested contracting parties;

5. WHEREAS I have found as a fact that, under the circumstances recited above, existing duties or other import restrictions of the United States of America, or of the Kingdom of Belgium, the Kingdom of the Netherlands, or the United Kingdom of Great Britain and Northern Ireland, which last three countries are the contracting parties to the General Agreement having a substantial interest as exporters, are unduly burdening and restricting the foreign trade of the United States of America;

19 USC 1360. 6. WHEREAS, pursuant to section 3 (a) of the said Trade Agreements Extension Act of 1951 (65 Stat. 72, ch. 141), I transmitted to the United States Tariff Commission for investigation and report a list of all articles imported into the United States of America to be considered for possible modification of duties and other import restrictions, imposition of additional import restrictions, or continuance of existing customs or excise treatment in the trade agreement negotiations with the governments of the foreign countries referred to in the fifth recital of this proclamation, and the Tariff Commission made an investigation in accordance with section 3 of the said Trade Agreements Extension Act of 1951 and thereafter reported to me its determinations made pursuant to the said section within the time period specified therein;

7. WHEREAS reasonable public notice of the intention to conduct trade agreement negotiations with the foreign countries specified in the fifth recital of this proclamation was given, the views presented by persons interested in such negotiations were received and considered, and information and advice with respect to such negotiations was sought and obtained from the Departments of State, Agriculture, Commerce, and Defense, and from other sources;

19 USC 1351. 8. WHEREAS, the period for the exercise of the authority of the President to enter into foreign trade agreements under the said section 350, as now amended, having been extended by section 2 of the Trade Agreements Extension Act of 1955 (69 Stat. 162, ch. 169) from June 12, 1955, until the close of June 30, 1958, as a result of the findings set forth in the fifth recital of this proclamation and for the purpose of restoring the general level of reciprocal and mutually advantageous concessions in the General Agreement by the addition thereto of further concessions, I entered into the following two trade agreements, each through my duly authorized representative, copies of both of which agreements are annexed to this proclamation: (a) on June 27, 1957, a trade agreement consisting of the Agreement between the Kingdom of Belgium, the Kingdom of the Netherlands, and the United States of America supplementary to the General Agreement,

8 UST pt. 1, p. 933. dated June 27, 1957, including a schedule, which trade agreement is authentic in the English and French languages as indicated therein, and (b) on June 27, 1957, a trade agreement consisting of the Agreement between the United Kingdom of Great Britain and Northern Ireland and the United States of America supplementary to the

8 UST pt. 1, p. 890. General Agreement, dated June 27, 1957, including a schedule, which trade agreement is authentic in the English language;

9. WHEREAS the agreements supplementary to the General Agreement, specified in the eighth recital of this proclamation, both provide that the treatment provided for in the schedules annexed thereto shall be applied by the United States of America on and after June 29, 1957;

10. WHEREAS in the case of any modification of an existing duty proclaimed in this proclamation which reflects a decrease in duty exceeding the limitation specified in subsection (a) (2) (D) or (a) (3) (B) of the said section 350, as now amended, I have made the determinations provided for in subsection (a) (3) (D) of that section that such decreases will simplify the computation of the amount of duty imposed with respect to the articles concerned; and 19 USC 1351.

11. WHEREAS I find that the compensatory modifications provided for in the trade agreements supplementary to the General Agreement, specified in the eighth recital of this proclamation, constitute appropriate action toward maintaining the general level of reciprocal and mutually advantageous concessions in the General Agreement, that the purpose set forth in the said section 350, as now amended, will be promoted by such compensatory modifications of existing duties and other import restrictions and continuance of existing customs or excise treatment as are set forth and provided for in the said supplementary agreements, and that such modifications of existing duties and other import restrictions and such continuance of existing customs or excise treatment of articles as are hereinafter proclaimed in this proclamation will be required or appropriate, on and after the dates hereinafter specified, to carry out the said trade agreements supplementary to the General Agreement:

NOW, THEREFORE, I, DWIGHT D. EISENHOWER, President of the United States of America, acting under and by virtue of the authority vested in me by the Constitution and the statutes, including the said section 350, as now amended, to the end that the General Agreement and the trade agreements supplementary to the General Agreement, specified in the eighth recital of this proclamation may be carried out, do proclaim that such modifications of existing duties and other import restrictions of the United States of America and such continuance of existing customs or excise treatment of articles imported into the United States as are specified and provided for in the said trade agreements, including the schedules annexed thereto, shall, subject to the provisions of the said trade agreements, be applied as though such modifications and continuance were specified and provided for in Part I of Schedule XX (Geneva—1947), as follows: Toweling. Modification of duties and import restrictions. 19 USC 1351.

(1) The rates of duty specified in column A at the right of the respective descriptions of products in the said schedules annexed to the said trade agreements supplementary to the General Agreement, on and after June 29, 1957.

(2) The rates of duty specified in column B at the right of the said respective descriptions of products, on and after the date or dates determined in accordance with the provisions of paragraph 2 of the General Notes at the end of the schedules annexed to the said trade agreements.

IMPOSING IMPORT RESTRICTIONS ON CERTAIN ARTICLES CONTAINING BUTTERFAT

August 7, 1957
[No. 3193]

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

50 Stat. 246; 65 Stat. 76; 67 Stat. 472.

WHEREAS, pursuant to section 22 of the Agricultural Adjustment Act, as amended (7 U. S. C. 624), the Secretary of Agriculture advised me there was reason to believe that certain articles containing butterfat, the butterfat content of which is commercially extractable, or which are capable of being used for any edible purpose for which products containing butterfat are used, are being or are practically certain to be imported into the United States under such conditions and in such quantities as to render or tend to render ineffective, or materially interfere with, the price-support program undertaken by the Department of Agriculture with respect to milk and butterfat, or to reduce substantially the amount of products processed in the United States from domestic milk and butterfat with respect to which such program of the Department of Agriculture is being undertaken;

7 USC 624.

WHEREAS, on May 21, 1957, under the authority of the said section 22, I caused the United States Tariff Commission to make an investigation with respect to this matter;

WHEREAS, in accordance with the said section 22, as implemented by Executive Order No. 7233 of November 23, 1935, the said Tariff Commission has made such investigation and has reported to me its findings and recommendations made in connection therewith;

WHEREAS, on the basis of the said investigation and report of the said Tariff Commission, I find that the articles with respect to which import restrictions are hereinafter proclaimed are being or are practically certain to be imported into the United States under such conditions and in such quantities as to materially interfere with the said price-support program with respect to milk and butterfat, or to reduce substantially the amount of products processed in the United States from domestic milk and butterfat with respect to which said price-support program is being undertaken;

WHEREAS I find and declare that the import restrictions hereinafter proclaimed are shown by such investigation of the said Tariff Commission to be necessary in order that the entry, or withdrawal from warehouse, for consumption of the said articles will not materially interfere with the said price-support program or reduce substantially the amount of products processed in the United States from domestic milk and butterfat with respect to which the said price-support program is being undertaken; and

WHEREAS I find that there is no representative period, within the meaning of the first proviso to subsection (b) of the said section 22, for imports of the said articles: 7 USC 624.

NOW, THEREFORE, I, DWIGHT D. EISENHOWER, President of the United States of America, acting under and by virtue of the authority vested in me by the said section 22, do hereby proclaim that, effective at the close of business August 7, 1957 and thereafter, articles containing 45 percent or more of butterfat or of butterfat and other fat or oil, the butterfat content of which is commercially extractable, or which are capable of being used for any edible purpose for which products containing butterfat are used, shall not be permitted to be entered, or withdrawn from warehouse, for consumption: *Provided*, that this limitation shall not apply to the following articles: Articles containing butterfat. Import restrictions. 7 USC 624.

1. Articles the importation of which is restricted under quotas established pursuant to section 22 of the Agricultural Adjustment Act, as amended.
2. Cheeses the importation of which is not restricted by quotas established pursuant to the said section 22.
3. Evaporated milk and condensed milk.
4. Products imported packaged for distribution in the retail trade and ready for use by the purchaser at retail for an edible purpose or in the preparation of an edible article.
5. Articles containing butterfat and other fat or oil, if the importer establishes to the satisfaction of the collector of customs that the butterfat content thereof is less than 45 percent.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States of America to be affixed.

EXPLANATION

General.

The following tables are designed to serve as a guide to prior laws and other Federal instruments which are patently amended, repealed, referred to, or otherwise cited by the textual provisions of the public laws and Reorganization Plans contained in Volume 71. Beginning with this volume of the United States Statutes at Large, these tables are published as an integral part of each volume. They were initiated as a separate pamphlet accompanying Volume 70, covering the enactments of the 84th Congress, second session.

From time to time the tables will be cumulated and made separately available as a convenience to users. Coverage and arrangement are subject to change with a view to improved usefulness.

The arrangement of the tables is outlined above. There are two basic groups: (1) Tables 1–10 cover amendments, repeals, and other actions directly affecting prior laws and other Federal instruments; and (2) Tables 11–19 cover all citations and other references to prior laws and other Federal instruments.

Details of Arrangement.

Tables 1–9 are limited to cases in which prior laws and other Federal instruments are expressly affected.

Table 10 is a catch-all table designed as a finding aid to relationships which are expressed in general terms. Listed in this table are all public laws in Volume 71 which contain such provisions as "notwithstanding any other provision of law," and "all laws in conflict with this law are hereby repealed."

Tables 11–19 cover all cases in which prior laws or other Federal instruments are mentioned in the text of the public laws and reorganization plan in Volume 71, without regard to the purpose underlying such reference. Hence there is some coincidental duplication of items carried in the first group of tables.

In each of the basic groups the first and largest table is entitled "General Legislation," and contains listings of all laws affected which have not been codified in the Revised Statutes, the Internal Revenue Codes, or in those titles of the United States Code which have been enacted into positive law. Succeeding tables cover these codified provisions, as well as other instruments such as Reorganization Plans, Veterans' Regulations, Executive Orders and Proclamations, and Treaties and International Agreements. The numbering of the tables in the two groups is parallel. Thus Table 2 and Table 12 both relate to the Revised Statutes; Table 7 and Table 17 both relate to Veterans' Regulations.

Table 1 is arranged chronologically. In preparing this table the "basic act" principle has been followed. Under this principle the key listing of amendatory legislation will be found under the basic act affected, rather than under intervening amendments thereto. Furthermore, all laws included are treated as if tables covering prior volumes of the United States Statutes at Large were in existence. Thus, no attempt is made to give an historical picture of a law, and only the latest amendment in the chain will be reflected. Occasionally, in cases of extreme confusion, cross references have been supplied at key points.

Users of Table 1 should, therefore, look under the date or statutes volume and page number of the basic act affected, in order to determine whether changes have been made by the public laws contained in Volume 71. Although a given section of any act may have been added at a later date, the section is carried under the date and statutes citation of the basic act. For this reason the page numbers in the column headed "Statutes volume and page" are the numbers of the page on which each act begins.

All tables are arranged chronologically, except where the existence of a system of codification makes possible a sequential arrangement from the lowest to the highest title or section number. In Tables 1–10 there is a "Comment" column, in which the nature of the affecting action is described. These comments are intended to reflect what is patent in the laws reviewed, and every effort has been made to avoid interpretations.

In Tables 11–19 the "Comment" column is unnecessary, since in each instance the comment would be "Cited" or "Referred to." In these tables, moreover, the number of columns has been held to a minimum in the interest of brevity. Thus Table 11 contains only three columns listing the date and number of the law referred to, and the page number in Volume 71 at which the reference may be found.

Caveat.

All of the tables are editorially compiled and presented solely as guides to the user. Hence they have no evidentiary status or legal effect. They do not cover indirect or implied relationships which may be found through use of the subject index or through research based on the text itself.

The Federal Register Division invites criticisms or suggestions with a view to improving the tables wherever possible.
