JOINT RESOLUTION

June 29, 1960
[H. J. Res. 696]

To provide for the designation of the month of September 1960, as "National Wool Month".

Whereas from its humble beginning in the homes and on the farms of the colonists in the early 1600's, the American wool growing and textile industry has become an integral part of our national economy and one of our great industries with millions of citizens directly, or indirectly, dependent upon it, and representing more than \$5,000,000,000 a year in the retail value of its products; and

Whereas its nationwide scope is evidenced in that over three thousand of the three thousand and sixty-eight counties in the United States are involved in one or more wool production or textile operations, with wool grown in every State of the Union, including Alaska and Hawaii; and

Whereas this great industry has been and is now facing severe competition from various sources, and is fighting in every way to preserve wool growing and wool manufacturing in the United States, it is most fitting that national recognition and support be given the wool industry: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the President is authorized and requested to issue a proclamation designating the month of September 1960 as "National Wool Month", and calling upon the people of the United States to observe such month with appropriate activities and ceremonies.
