Public Law 89-689

AN ACT

Making appropriations for certain civil functions administered by the Department of Defense, the Panama Canal, certain agencies of the Department of the Interior, the Atomic Energy Commission, the Atlantic-Pacific Interoceanic Canal Study Commission, the Delaware River Basin Commission, the Saint Lawrence Seaway Development Corporation, the Tennessee Valley Authority, and the Water Resources Council, for the fiscal year ending June 30, 1967, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the fiscal year ending June 30, 1967, for certain civil functions administered by the Department of Defense, the Panama Canal, certain agencies of the Department of the Interior, the Atomic Energy Commission, the Atlantic-Pacific Interoceanic Canal Study Commission, the Delaware River Basin Commission, the Saint Lawrence Seaway Development Corporation, the Tennessee Valley Authority, and the Water Resources Council, and for other purposes, namely:

TITLE I—DEPARTMENT OF DEFENSE—CIVIL

DEPARTMENT OF THE ARMY

CEMETERIAL EXPENSES

SALARIES AND EXPENSES

For necessary cemeterial expenses as authorized by law, including maintenance, operation, and improvement of national cemeteries, and purchase of headstones and markers for unmarked graves; purchase of three passenger motor vehicles for replacement only; maintenance of that portion of Congressional Cemetery to which the United States has title, Confederate burial places under the jurisdiction of the Department of the Army, and graves used by the Army in commercial cemeteries; $15,000,000: Provided, That this appropriation shall not be used to repair more than a single approach road to any national cemetery: Provided further, That this appropriation shall not be obligated for construction of a superintendent's lodge or family quarters at a cost per unit in excess of $17,000, but such limitation may be increased by such additional amounts as may be required to provide office space, public comfort rooms, or space for the storage of Government property within the same structure: Provided further, That reimbursement shall be made to the applicable military appropriation for the pay and allowances of any military personnel performing services primarily for the purposes of this appropriation.

CORPS OF ENGINEERS—CIVIL

The following appropriations shall be expended under the direction of the Secretary of the Army and the supervision of the Chief of Engineers for authorized civil functions of the Department of the Army pertaining to rivers and harbors, flood control, beach erosion, and related purposes:
GENERAL INVESTIGATIONS

For expenses necessary for the collection and study of basic information pertaining to river and harbor, flood control, shore protection, and related projects, and when authorized by law, surveys and studies of projects prior to authorization for construction, $32,450,000, to remain available until expended: Provided, That $441,000 of this appropriation shall be transferred to the Bureau of Sport Fisheries and Wildlife for studies, investigations, and reports thereon as required by the Fish and Wildlife Coordination Act of 1958 (72 Stat. 563-565) to provide that wildlife conservation shall receive equal consideration and be coordinated with other features of water-resource development programs of the Department of the Army.

CONSTRUCTION, GENERAL

For the prosecution of river and harbor, flood control, shore protection, and related projects authorized by law; and detailed studies, and plans and specifications, or projects (including those for development with participation or under consideration for participation by States, local governments, or private groups) authorized or made eligible for selection by law (but such studies shall not constitute a commitment of the Government to construction); $967,460,000, to remain available until expended: Provided, That no part of this appropriation shall be used for projects not authorized by law or which are authorized by law limiting the amount to be appropriated therefor, except as may be within the limits of the amount now or hereafter authorized to be appropriated: Provided further, That the Chief of Engineers shall, in lieu of altering the existing obsolescent bridge, provide a new four-lane high-level bridge as a replacement for the United States Highway Numbered 64 bridge immediately west of Fort Smith, Arkansas: Provided further, That at the discretion of the Chief of Engineers, funds appropriated for the Robert S. Kerr Lock and Dam, Oklahoma, may be used to provide appropriate navigational clearances for bridges crossing the Sans Bois Creek which are to be relocated under the existing project: Provided further, That the Lost Creek Project in Oregon and the Wynoochee Project in Washington shall not be operated for irrigation purposes until such time as the Secretary of the Interior makes the necessary arrangements with non-Federal interests to recover the costs, in accordance with Federal Reclamation Law, which are allocated to the irrigation purpose: Provided further, That appropriations under this head shall be available to the Chief of Engineers for the purposes authorized by section 6 of the Flood Control Act of 1946; provided further that the authority contained therein is extended to include the Libby Dam and Reservoir project in Montana: Provided further, That $550,000 of this appropriation shall be transferred to the Bureau of Sport Fisheries and Wildlife for studies, investigations, and reports thereon as required by the Fish and Wildlife Coordination Act of 1958 (72 Stat. 563-565) to provide that wildlife conservation shall receive equal consideration and be coordinated with other features of water-resource development programs of the Department of the Army.

OPERATION AND MAINTENANCE, GENERAL

For expenses necessary for the preservation, operation, maintenance, and care of existing river and harbor, flood control, and related works, including such sums as may be necessary for the maintenance of harbor channels provided by a State, municipality or other public agency, out-
side of harbor lines, and serving essential needs of general commerce and navigation; financing the United States share of the cost of pumping water from Lake Okeechobee to the Everglades National Park; financing the United States share of the cost of operation and maintenance of the remedial works in the Niagara River; activities of the California Debris Commission; administration of laws pertaining to preservation of navigable waters; surveys and charting of northern and northwestern lakes and connecting waters; clearing and straightening channels; and removal of obstructions to navigation; $179,000,000, to remain available until expended.

FLOOD CONTROL AND COASTAL EMERGENCIES

For expenses necessary for emergency flood control, hurricane and shore protection activities, as authorized by section 5 of the Flood Control Act approved August 18, 1941, as amended, $7,000,000, to remain available until expended.

GENERAL EXPENSES

For expenses necessary for general administration and related functions in the Office of the Chief of Engineers and offices of the Division Engineers; activities of the Board of Engineers for Rivers and Harbors and the Coastal Engineering Research Center; commercial statistics; and miscellaneous investigations; $17,550,000.

FLOOD CONTROL, MISSISSIPPI RIVER AND TRIBUTARIES

For expenses necessary for prosecuting work of flood control, and rescue work, repair, restoration, or maintenance of flood control projects threatened or destroyed by flood, as authorized by law (33 U.S.C. 702a, 702g-1), $87,135,000, to remain available until expended, of which $75,000 shall be available for the planning of road crossings of the Panola-Quitman Floodway at Crowder and Paducah Wells, Mississippi.

ADMINISTRATIVE PROVISIONS

Appropriations in this title shall be available for expenses of attendance by military personnel at meetings in the manner authorized by section 19 (b) of the Act of July 7, 1958 (72 Stat. 336), uniforms, or allowances therefor, as authorized by the Act of September 1, 1954, as amended (5 U.S.C. 2131), and for printing, either during a recess or session of Congress, of survey reports authorized by law, and such survey reports as may be printed during a recess of Congress shall be printed, with illustrations, as documents of the next succeeding session of Congress; and during the current fiscal year the revolving fund, Corps of Engineers, shall be available for purchase (not to exceed one hundred and ninety-seven, of which one hundred and sixty-eight shall be for replacement only) and hire of passenger motor vehicles: Provided, That the total capital of said fund shall not exceed $149,000,000.
For operating expenses necessary for the Canal Zone Government, including operation of the Postal Service of the Canal Zone; hire of passenger motor vehicles; uniforms or allowances therefor, as authorized by the Act of September 1, 1954, as amended (5 U.S.C. 2131); expenses incident to conducting hearings on the Isthmus; expenses of special training of employees of the Canal Zone Government as authorized by law (5 U.S.C. 2301 et seq.); contingencies of the Governor; residence for the Governor; medical aid and support of the insane and of lepers and aid and support of indigent persons legally within the Canal Zone, including expenses of their deportation when practicable; maintaining and altering facilities of other Government agencies in the Canal Zone for Canal Zone Government use; and payments of not to exceed $50 in any one case to persons within the Government service who shall furnish blood for transfusions, $33,404,000.

For acquisition of land and land under water and acquisition, construction, and replacement of improvements, facilities, structures, and equipment, as authorized by law (2 C.Z. Code, Sec. 2; 2 C.Z. Code, Sec. 371), including the purchase of not to exceed ten passenger motor vehicles for replacement only, of which eight are for police-type use without regard to the general purchase price limitation for the current fiscal year; improving facilities of other Government agencies in the Canal Zone for Canal Zone Government use; and expenses incident to the retirement of such assets; $2,000,000, to remain available until expended: Provided, That notwithstanding the limitation under this head in the Second Supplemental Appropriation Act, 1961, appropriations for “capital outlay” may be used for expenses related to the construction of quarters of non-U.S. citizen employees at a unit cost not exceeding $16,500.

The Panama Canal Company is hereby authorized to make such expenditures within the limits of funds and borrowing authority available to it and in accordance with law, and to make such contracts and commitments without regard to fiscal year limitations as provided by section 104 of the Government Corporation Control Act, as amended (31 U.S.C. 849), as may be necessary in carrying out the programs set forth in the budget for the current fiscal year for such corporation, including maintaining and improving facilities of other Government agencies in the Canal Zone for Panama Canal Company use.

Not to exceed $12,000,000 of the funds available to the Panama Canal Company shall be available during the current fiscal year for general and administrative expenses of the Company, including operation of tourist vessels and guide services, which shall be computed...
on an accrual basis. Funds available to the Panama Canal Company for operating expenses shall be available for the purchase of not to exceed eighteen passenger motor vehicles for replacement only, including five light sedans at not to exceed $2,000, and for uniforms or allowances therefor, as authorized by the Act of September 1, 1954, as amended (5 U.S.C. 2131).

**GENERAL PROVISIONS—THE PANAMA CANAL**

The Governor of the Canal Zone is authorized to employ services as authorized by section 15 of the Act of August 2, 1946 (5 U.S.C. 55a), in an amount not exceeding $30,000: Provided, That the rates for individuals shall not exceed $100 per diem.

Funds appropriated for operating expenses of the Canal Zone Government may be apportioned notwithstanding section 3679 of the Revised Statutes, as amended (31 U.S.C. 665), to the extent necessary to permit payment of such pay increases for officers or employees as may be authorized by administrative action pursuant to law which are not in excess of statutory increases granted for the same period in corresponding rates of compensation for other employees of the Government in comparable positions.

**TITLE II—DEPARTMENT OF THE INTERIOR**

**BUREAU OF RECLAMATION**

For carrying out the functions of the Bureau of Reclamation as provided in the Federal reclamation laws (Act of June 17, 1902, 32 Stat. 388, and Acts amendatory thereof or supplementary thereto) and other Acts applicable to that Bureau, as follows:

**GENERAL INVESTIGATIONS**

For engineering and economic investigations of proposed Federal reclamation projects and studies of water conservation and development plans and activities preliminary to the reconstruction, rehabilitation and betterment, financial adjustment, or extension of existing projects, including not to exceed $450,000 for investigations of projects in Alaska, to remain available until expended, $15,075,000, of which $13,473,000 shall be derived from the reclamation fund and $500,000 shall be derived from the Colorado River development fund: Provided, That none of this appropriation shall be used for more than one-half of the cost of an investigation requested by a State, municipality, or other interest: Provided further, That not to exceed $35,000 of this appropriation shall be available for payment to the Salt River Pima-Maricopa and Ft. McDowell Indian tribes for economic studies in connection with the potential construction of Orme Dam on the Salt River in Arizona: Provided further, That $425,000 of this appropriation shall be transferred to the Bureau of Sport Fisheries and Wildlife for studies, investigations, and reports thereon as required by the Fish and Wildlife Coordination Act of 1958 (72 Stat. 563-565) to provide that wildlife conservation shall receive equal consideration and be coordinated with other features of water-resource development programs of the Bureau of Reclamation.

**CONSTRUCTION AND REHABILITATION**

For construction and rehabilitation of authorized reclamation projects or parts thereof (including power transmission facilities) and for
other related activities, as authorized by law, to remain available until expended, $192,875,000, of which $98,000,000 shall be derived from the reclamation fund: Provided, That no part of this appropriation shall be used to initiate the construction of transmission facilities within those areas covered by power wheeling service contracts which include provision for service to Federal establishments and preferred customers, except those transmission facilities for which construction funds have been heretofore appropriated, those facilities which are necessary to carry out the terms of such contracts or those facilities for which the Secretary of the Interior finds the wheeling agency is unable or unwilling to provide for the integration of Federal projects or for service to a Federal establishment or preferred customer: Provided further, That the final point of discharge for the interceptor drain for the San Luis unit shall not be determined until (1) completion of a pollution study by the Department of Health, Education, and Welfare, (2) development of a plan to minimize any detrimental effect of the San Luis drainage waters on San Francisco Bay, and (3) agreement is reached by the Secretary with the State of California, subject to the approval of the President, limiting the Federal share of the costs of the drain to Antioch to not more than 60 per centum thereof, and if found necessary to extend the drain beyond Antioch, the Federal share of such extension shall be determined on the basis of an equitable apportionment of the additional costs between the Federal Government and the non-Federal entities who are to use the facilities: Provided further, That no funds shall be made available under this appropriation for the construction in Contra Costa County, California, of any portion of the interceptor drain in connection with the San Luis unit which terminates at any point east of Port Chicago except for piers and abutments at a crossing site of the drain over the intake channel of the pumping plant for the California aqueduct.

OPERATION AND MAINTENANCE

For operation and maintenance of reclamation projects or parts thereof and other facilities, as authorized by law; and for a soil and moisture conservation program on lands under the jurisdiction of the Bureau of Reclamation, pursuant to law, $41,000,000, of which $29,416,000 shall be derived from the reclamation fund and $2,128,000 shall be derived from the Colorado River Dam fund: Provided, That funds advanced by water users for operation and maintenance of reclamation projects or parts thereof shall be deposited to the credit of this appropriation and may be expended for the same objects and in the same manner as sums appropriated herein may be expended, and the unexpended balances of such advances shall be credited to the appropriation for the next succeeding fiscal year.

LOAN PROGRAM

For loans to irrigation districts and other public agencies for construction of distribution systems on authorized Federal reclamation projects, and for loans and grants to non-Federal agencies for construction of projects, as authorized by the Acts of July 4, 1955, as amended (43 U.S.C. 421a-421d), and August 6, 1956 (43 U.S.C. 422a-422k), as amended (71 Stat. 48), including expenses necessary for carrying out the program, $12,995,000, to remain available until expended: Provided, That any contract under the Act of July 4, 1955 (69 Stat. 244), as amended, not yet executed by the Secretary, which calls for the making of loans beyond the fiscal year in which the
contract is entered into shall be made only on the same conditions as those prescribed in section 12 of the Act of August 4, 1939 (53 Stat. 1187, 1197).

UPPER COLORADO RIVER STORAGE PROJECT

For the Upper Colorado River Storage Project, as authorized by the Act of April 11, 1956 (43 U.S.C. 620d), to remain available until expended, $50,198,000, of which $46,398,000 shall be available for the "Upper Colorado River Basin Fund" authorized by section 5 of said Act of April 11, 1956, and $3,800,000 shall be available for construction, operation and maintenance of recreational and fish and wildlife facilities authorized by section 8 thereof, and may be expended by bureaus of the Department through or in cooperation with State or other Federal agencies, and advances to such Federal agencies are hereby authorized: Provided, That no part of the funds herein appropriated shall be available for construction or operation of facilities to prevent waters of Lake Powell from entering any national monument: Provided further, That $148,000 of the funds herein appropriated for the Upper Colorado River Basin Fund shall be available for operation of the Page, Arizona, Accommodation School, and to be nonreimbursable and nonreturnable.

EMERGENCY FUND

For an additional amount for the "Emergency fund", as authorized by the Act of June 26, 1948 (43 U.S.C. 502), to remain available until expended for the purposes specified in said Act, $1,000,000, to be derived from the reclamation fund.

GENERAL ADMINISTRATIVE EXPENSES

For necessary expenses of general administration and related functions in the offices of the Commissioner of Reclamation and in the regional offices of the Bureau of Reclamation, $11,300,000, to be derived from the reclamation fund and to be nonreimbursable pursuant to the Act of April 19, 1945 (43 U.S.C. 377): Provided, That no part of any other appropriation in this Act shall be available for activities or functions budgeted for the current fiscal year as general administrative expenses.

SPECIAL FUNDS

Sums herein referred to as being derived from the reclamation fund, the Colorado River Dam fund, or the Colorado River development fund, are appropriated from the special funds in the Treasury created by the Act of June 17, 1902 (43 U.S.C. 391), the Act of December 21, 1928 (43 U.S.C. 617a), and the Act of July 19, 1940 (43 U.S.C. 618a), respectively. Such sums shall be transferred, upon request of the Secretary, to be merged with and expended under the heads herein specified; and the unexpended balances of sums transferred for expenditure under the heads "Operation and Maintenance" and "General Administrative Expenses" shall revert and be credited to the special fund from which derived.

ADMINISTRATIVE PROVISIONS

Appropriations to the Bureau of Reclamation shall be available for purchase of not to exceed forty-one passenger motor vehicles for replacement only; purchase of one aircraft; payment of claims for dam-
age to or loss of property, personal injury, or death arising out of activities of the Bureau of Reclamation; payment, except as otherwise provided for, of compensation and expense of persons on the rolls of the Bureau of Reclamation appointed as authorized by law to represent the United States in the negotiation and administration of interstate compacts without reimbursement or return under the reclamation laws; rewards for information or evidence concerning violations of law involving property under the jurisdiction of the Bureau of Reclamation; performance of the functions specified under the head “Operation and Maintenance Administration”, Bureau of Reclamation, in the Interior Department Appropriation Act, 1945; preparation and dissemination of useful information including recordings, photographs, and photographic prints; and studies of recreational uses of reservoir areas, and investigation and recovery of archeological and paleontological remains in such areas in the same manner as provided for in the Act of August 21, 1935 (16 U.S.C. 461–467): Provided, That no part of any appropriation made herein shall be available pursuant to the Act of April 19, 1945 (43 U.S.C. 377), for expenses other than those incurred on behalf of specific reclamation projects except “General Administrative Expenses” and amounts provided for reconnaissance, basin surveys, and general engineering and research under the head “General Investigations”.

Allotments to the Missouri River Basin project from the appropriation under the head “Construction and Rehabilitation” shall be available additionally for said project for those functions of the Bureau of Reclamation provided for under the head “General Investigations” (but this authorization shall not preclude use of the appropriation under said head within that area), and for the continuation of investigations by agencies of the Department on a general plan for the development of the Missouri River Basin. Such allotments may be expended through or in cooperation with State and other Federal agencies, and advances to such agencies are hereby authorized.

Sums appropriated herein which are expended in the performance of reimbursable functions of the Bureau of Reclamation shall be returnable to the extent and in the manner provided by law.

No part of any appropriation for the Bureau of Reclamation, contained in this Act or in any prior Act, which represents amounts earned under the terms of a contract but remaining unpaid, shall be obligated for any other purpose, regardless of when such amounts are to be paid: Provided, That the incurring of any obligation prohibited by this paragraph shall be deemed a violation of section 3679 of the Revised Statutes, as amended (31 U.S.C. 665).

No funds appropriated to the Bureau of Reclamation for operation and maintenance, except those derived from advances by water users, shall be used for the particular benefits of lands (a) within the boundaries of an irrigation district, (b) of any member of a water users’ organization, or (c) of any individual when such district, organization, or individual is in arrears for more than twelve months in the payment of charges due under a contract entered into with the United States pursuant to laws administered by the Bureau of Reclamation.

Not to exceed $225,000 may be expended from the appropriation “Construction and rehabilitation” for work by force account on any one project or Missouri River Basin unit and then only when such work is unsuitable for contract or no acceptable bid has been received and, other than otherwise provided in this paragraph or as may be necessary to meet local emergencies, not to exceed 12 per centum of the construction allotment for any project from the appropriation “Construction and rehabilitation” contained in this Act shall be available
for construction work by force account: Provided, That this paragraph shall not apply to work performed under the Rehabilitation and Betterment Act of 1949 (63 Stat. 724).

Any appropriations made heretofore or hereafter to the Bureau of Reclamation which are expended in connection with national disaster relief under Public Law 81-875 as administered by the Office of Emergency Planning shall be reimbursed in full by that Office to the account for which the funds were originally appropriated.

Bonnerville Power Administration

Construction

For construction and acquisition of transmission lines, substations, and appurtenant facilities, as authorized by law, and purchase of three aircraft, of which two shall be for replacement only, $109,000,000, to remain available until expended: Provided, That the Bonneville Power Administration shall not supply power directly, or indirectly through any preference customer, to any phosphorous electric furnace plant in southern Idaho, Utah, or Wyoming.

Operation and Maintenance

For necessary expenses of operation and maintenance of the Bonneville transmission system and of marketing electric power and energy, $17,010,000.

Administrative Provisions

Appropriations of the Bonneville Power Administration shall be available to carry out all the duties imposed upon the Administrator pursuant to law. Appropriations made herein to the Bonneville Power Administration shall be available in one fund, except that the appropriation herein made for operation and maintenance shall be available only for the service of the current fiscal year.

Other than as may be necessary to meet local emergencies, not to exceed 12 per centum of the appropriation for construction herein made for the Bonneville Power Administration shall be available for construction work by force account or on a hired-labor basis.

Southeastern Power Administration

Operation and Maintenance

For necessary expenses of operation and maintenance of power transmission facilities and of marketing electric power and energy pursuant to the provisions of section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the southeastern power area, including purchase of one passenger motor vehicle for replacement only, $1,000,000.

Southwestern Power Administration

Construction

For construction and acquisition of transmission lines, substations, and appurtenant facilities, and for administrative expenses connected therewith, in carrying out the provisions of section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the southwestern power area, $3,950,000, to remain available until expended.
OPERATION AND MAINTENANCE

For necessary expenses of operation and maintenance of power transmission facilities and of marketing electric power and energy pursuant to the provisions of section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the southwestern power area, including purchase of not to exceed five passenger motor vehicles, for replacement only, $2,115,000.

CONTINUING FUND

Not to exceed $3,700,000 shall be available during the current fiscal year from the continuing fund for all costs in connection with the purchase of electric power and energy, and rentals for the use of transmission facilities.

GENERAL PROVISIONS—DEPARTMENT OF THE INTERIOR

SEC. 201. Appropriations in this title shall be available for expenditure or transfer (within each bureau or office), with the approval of the Secretary, for the emergency reconstruction, replacement or repair of aircraft, buildings, utilities, or other facilities or equipment damaged or destroyed by fire, flood, storm, or other unavoidable causes: Provided, That no funds shall be made available under this authority until funds specifically made available to the Department of the Interior for emergencies shall have been exhausted.

SEC. 202. The Secretary may authorize the expenditure or transfer (within each bureau or office) of any appropriation in this title, in addition to the amounts included in the budget programs of the several agencies, for the suppression or emergency prevention of forest or range fires on or threatening lands under jurisdiction of the Department of the Interior.

SEC. 203. Appropriations in this title shall be available for operation of warehouses, garages, shops, and similar facilities, wherever consolidation of activities will contribute to efficiency or economy, and said appropriations shall be reimbursed for services rendered to any other activity in the same manner as authorized by the Act of June 30, 1932 (31 U.S.C. 686): Provided, That reimbursements for costs of supplies, materials, and equipment, and for services rendered may be credited to the appropriation current at the time such reimbursements are received.

SEC. 204. No part of any funds made available by this Act to the Southwestern Power Administration may be made available to any other agency, bureau, or office for any purposes other than for services rendered pursuant to law to the Southwestern Power Administration.

TITLE III—ATOMIC ENERGY COMMISSION

ATOMIC ENERGY COMMISSION

OPERATING EXPENSES

For necessary operating expenses of the Commission in carrying out the purposes of the Atomic Energy Act of 1954, as amended, including the employment of aliens; services authorized by section 15 of the Act of August 2, 1946 (5 U.S.C. 55a); hire, maintenance and operation of aircraft; publication and dissemination of atomic information; purchase, repair and cleaning of uniforms; official entertainment expenses (not to exceed $30,000); reimbursement of the General Services Administration for security guard services; hire of pas-
senger motor vehicles; $1,923,000,000 and any moneys (except sums received from disposal of property under the Atomic Energy Community Act of 1955, as amended, (42 U.S.C. 2301)) received by the Commission, notwithstanding the provisions of section 3617 of the Revised Statutes (31 U.S.C. 484), to remain available until expended: Provided, That of such amount $100,000 may be expended for objects of a confidential nature and in any such case the certificate of the Commission as to the amount of the expenditure and that it is deemed inadvisable to specify the nature thereof shall be deemed a sufficient voucher for the sum therein expressed to have been expended: Provided further, That from this appropriation transfers of sums may be made to other agencies of the Government for the performance of the work for which this appropriation is made, and in such cases the sums so transferred may be merged with the appropriation to which transferred: Provided further, That no part of this appropriation shall be used in connection with the payment of a fixed fee to any contractor or firm of contractors engaged under a cost-plus-a-fixed-fee contract or contracts at any installation of the Commission, where that fee for community management is at a rate in excess of $90,000 per annum, or for the operation of a transportation system where that fee is at a rate in excess of $45,000 per annum.

PLANT AND CAPITAL EQUIPMENT

For expenses of the Commission, as authorized by law, in connection with the purchase and construction of plant and the acquisition of capital equipment and other expenses incidental thereto necessary in carrying out the purposes of the Atomic Energy Act of 1954, as amended, including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion; purchase of not to exceed four hundred and fifty-one, for replacement only, of which six for police-type use may exceed by $300 each the general purchase price limitation for the current fiscal year, and hire of passenger motor vehicles; and purchase of one aircraft; $276,030,000, to remain available until expended.

GENERAL PROVISIONS

Any appropriation available to the Atomic Energy Commission may initially be used subject to limitations in this Act during the current fiscal year to finance the procurement of materials, services, or other costs which are a part of work or activities for which funds have been provided in any other appropriation available to the Commission: Provided, That appropriate transfers or adjustments between such appropriations shall subsequently be made for such costs on the basis of actual application determined in accordance with generally accepted accounting principles.

Not to exceed 5 per centum of appropriations made available for the current fiscal year for “Operating expenses” and “Plant and capital equipment” may be transferred between such appropriations, but neither such appropriation, except as otherwise provided herein, shall be increased by more than 5 per centum by any such transfers, and any such transfers shall be reported promptly to the Appropriations Committees of the House and Senate.

No part of any appropriation herein shall be used to confer a fellowship on any person who advocates or who is a member of an organization or party that advocates the overthrow of the Government of the United States by force or violence or with respect to whom the Commission finds, upon investigation and report by the Civil Service Co-
mission on the character, associations, and loyalty of whom, that reasonable grounds exist for belief that such person is disloyal to the Government of the United States: Provided, That any person who advocates or who is a member of an organization or party that advocates the overthrow of the Government of the United States by force or violence and accepts employment or a fellowship the salary, wages, stipend, grant, or expenses for which are paid from any appropriation contained herein shall be guilty of a felony, and, upon conviction, shall be fined not more than $1,000 or imprisoned for not more than one year, or both: Provided further, That the above penal clause shall be in addition to, and not in substitution for, any other provisions of existing law.

TITLE IV—INDEPENDENT OFFICES

Atlantic-Pacific Inter-oceanic Canal Study Commission

Salaries and Expenses

For expenses necessary for an investigation and study, including surveys, to determine the feasibility of, and the most suitable site for construction of a sea-level canal connecting the Atlantic and Pacific Oceans: not to exceed $1,000 for official reception and representation expenses, $4,000,000, to remain available until expended: Provided, That the unobligated balances of appropriations to the Inter-oceanic Canal Commission for “Salaries and expenses,” shall be merged with this appropriation.

Delaware River Basin Commission

Salaries and Expenses

For expenses necessary to carry out the functions of the United States member of the Delaware River Basin Commission, as authorized by law (75 Stat. 716), $45,000.

Contribution to Delaware River Basin Commission

For payment of the United States share of the current expenses of the Delaware River Basin Commission, as authorized by law (75 Stat. 706, 707), $115,000.

Saint Lawrence Seaway Development Corporation

The Saint Lawrence Seaway Development Corporation is hereby authorized to make such expenditures, within the limits of funds and borrowing authority available to such Corporation, and in accord with law, and to make such contracts and commitments without regard to fiscal year limitations as provided by section 104 of the Government Corporation Control Act, as amended, as may be necessary in carrying out the programs set forth in the budget for the current fiscal year for such Corporation, except as hereinafter provided.

Limitation on Administrative Expenses, Saint Lawrence Seaway Development Corporation

Not to exceed $515,000 shall be available for administrative expenses which shall be computed on an accrual basis, including not to
exceed $4,000 for official entertainment expenses to be expended upon the approval or authority of the Administrator, hire of passenger motor vehicles, uniforms or allowances therefor for operation and maintenance personnel, as authorized by law (5 U.S.C. 2131), and services as authorized by section 15 of the Act of August 2, 1946 (5 U.S.C. 55a), at rates for individuals not to exceed $100 per day: Provided, That not to exceed $5,000 may be expended for services of individuals employed at rates in excess of $50 per day.

TENNESSEE VALLEY AUTHORITY
PAYMENT TO TENNESSEE VALLEY AUTHORITY FUND

For the purpose of carrying out the provisions of the Tennessee Valley Authority Act of 1933, as amended (16 U.S.C., ch. 12A), including purchase of two aircraft, of which one shall be for replacement only, hire, maintenance, and operation of aircraft, and purchase (not to exceed two hundred and forty of which two hundred shall be for replacement only) and hire of passenger motor vehicles, $63,700,000, to remain available until expended.

TITLE V—GENERAL PROVISIONS

DEPARTMENTS, AGENCIES, AND CORPORATIONS

Sec. 501. Unless otherwise specifically provided, the maximum amount allowable during the current fiscal year in accordance with section 16 of the Act of August 2, 1946 (5 U.S.C. 78), for the purchase of any passenger motor vehicle (exclusive of buses and ambulances), is hereby fixed at $1,500 except station wagons for which the maximum shall be $1,950.

Sec. 502. Unless otherwise specified and during the current fiscal year, no part of any appropriation contained in this or any other Act shall be used to pay the compensation of any officer or employee of the Government of the United States (including any agency the majority of the stock of which is owned by the Government of the United States) whose post of duty is in continental United States unless such person (1) is a citizen of the United States, (2) is a person in the service of the United States on the date of enactment of this Act, who, being eligible for citizenship, had filed a declaration
of intention to become a citizen of the United States prior to such
date, (3) is a person who owes allegiance to the United States, or
(4) is an alien from Poland or the Baltic countries lawfully admitted
to the United States for permanent residence: Provided, That for
the purpose of this section, an affidavit signed by any such person
shall be considered prima facie evidence that the requirements of
this section with respect to his status have been complied with: Provi­
ded further, That any person making a false affidavit shall be guilty
of a felony, and, upon conviction, shall be fined not more than
$4,000 or imprisoned for not more than one year, or both: Provided
further, That the above penal clause shall be in addition to, and
not in substitution for, any other provisions of existing law: Provided
further, That any payment made to any officer or employee
contrary to the provisions of this section shall be recoverable in ac­
tion by the Federal Government. This section shall not apply to
citizens of the Republic of the Philippines or to nationals of those
countries allied with the United States in the current defense effort,
or to temporary employment of translators, or to temporary employ­
ment in the field service (not to exceed sixty days) as a result of
emergencies.

Sec. 503. Appropriations of the executive departments and inde­
dependent establishments for the current fiscal year, available for ex­
penses of travel or for the expenses of the activity concerned, are here­
by made available for quarter allowances and cost-of-living allow­
ancesses, in accordance with title II of the Act of September 6, 1960 (74
Stat. 793).

Sec. 504. No part of any appropriation for the current fiscal year
contained in this or any other Act shall be paid to any person for the
filling of any position for which he or she has been nominated after
the Senate has voted not to approve the nomination of said person.

Sec. 505. No part of any appropriation contained in this or any
other Act for the current fiscal year shall be used to pay in excess of
$4 per volume for the current and future volumes of the United States
Code, Annotated, and such volumes shall be purchased on condition
and with the understanding that latest published cumulative annual
pocket parts issued prior to the date of purchase shall be furnished
free of charge, or in excess of $4.25 per volume for the current or fu­
ture volumes of the Lifetime Federal Digest, or in excess of $6.50 per
volume for the current or future volumes of the Modern Federal
Practice Digest.

Sec. 506. Funds made available by this or any other Act for ad­
ministrative expenses in the current fiscal year of the corporations and
agencies subject to the Government Corporation Control Act, as
amended (31 U.S.C. 841), shall be available, in addition to objects for
which such funds are otherwise available, for rent in the District of
Columbia; services in accordance with section 15 of the Act of August
2, 1946 (5 U.S.C. 55a); and the objects specified under this head, all
the provisions of which shall be applicable to the expenditure of such
funds unless otherwise specified in the Act by which they are made
available: Provided, That in the event any functions budgeted as ad­
mministrative expenses are subsequently transferred to or paid from
other funds, the limitations on administrative expenses shall be cor­
respondingly reduced.

Sec. 507. Pursuant to section 1415 of the Act of July 15, 1952 (66
Stat. 662), foreign credits (including currencies) owed to or owned by
the United States may be used by Federal agencies for any purpose
for which appropriations are made for the current fiscal year (includ­
ing the carrying out of Acts requiring or authorizing the use of such
