Public Law 89-441

June 3, 1966
[S. 265]

AN ACT

To authorize conveyance of certain lands to the State of Utah based upon fair market value.

Great Salt Lake, Utah.
Relicted lands, conveyance.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Interior shall within six months of the date of the passage of this Act complete the public land survey around the Great Salt Lake in the State of Utah by closing the meander line of that Lake, following as accurately as possible the mean high water mark of the Great Salt Lake used in fixing the meander line on either side of the unsurveyed area.

SEC. 2. Subject to the other provisions of this Act, the Secretary of the Interior shall by quitclaim deed convey to the State of Utah all right, title, and interest of the United States in lands including brines and minerals in solution in the brines or precipitated or extracted therefrom, lying below the meander line of the Great Salt Lake in such State, as duly surveyed heretofore or in accordance with section 1 of this Act, whether such lands now are or in the future may become uncovered by the recession of the waters of said lake: *Provided, however*, That the provisions of this Act shall not affect (1) any valid existing rights or interests, if any, of any person, partnership, association, corporation, or other nongovernmental entity, in or to any of the lands within and below said meander line, or (2) any lands within the Bear River Migratory Bird Refuge and the Weber Basin Federal reclamation project. Such conveyance shall be made when the survey required by section 1 has been completed and the agreement required by section 6 has been made.

U.S. mineral rights.

SEC. 3. The conveyance authorized by this Act shall contain an express reservation to the United States of all minerals, except brines and minerals in solution in the brines, or precipitated or extracted therefrom in whatever Federal lands there may be below the meander line of Great Salt Lake, together with the right to prospect for, mine, and remove the same. The minerals thus reserved shall thereupon be withdrawn from appropriation under the public land laws of the United States, including the mining laws, but said minerals, in the discretion of the Secretary of the Interior, may be disposed of under any of the provisions of the mineral leasing laws that he deems appropriate: *Provided*, That any such lease shall not be inconsistent, as
