Public Law 89-366

AN ACT

To provide for the establishment of the Cape Lookout National Seashore in the
State of North Carolina, and for other purposes.

Be it enacted by the Senate and House of Representatives of the
United States of America in Congress assembled, That in order to
preserve for public use and enjoyment an area in the State of North
Carolina possessing outstanding natural and recreational values,
there is hereby authorized to be established the Cape Lookout National
Seashore (hereinafter referred to as “seashore”), which shall com­
prise the lands and adjoining marshlands and waters on the outer
banks of Carteret County, North Carolina, between Ocracoke Inlet
and Beaufort Inlet, as generally depicted on the map entitled “Prop­
osed Boundaries—Proposed Cape Lookout National Seashore”, dated

Cape Lookout
National Seashore,
N.C.
Establishment.
April 1964, and numbered NS-CL-7101-B, which is on file in the Office of the National Park Service, Department of the Interior: Provided, however, That such seashore shall not include those lands and interests in lands which are bounded on the north by the southerly boundary of the Cape Lookout lighthouse property, on the east by a line located seven hundred and fifty feet inland from the mean high water line of the Atlantic Ocean, on the south by the northerly boundary of property now owned or leased by the United States Coast Guard and other Federal agencies, and on the west by the easterly boundary of property of the Thomas Gold heirs (as shown on a map prepared by J. G. Hassell in October 1961 and recorded at page 4 of Map Book Numbered 6 in the office of the Register of Deeds, Carteret County, North Carolina) and the waters of Lookout Bight.

Sec. 2. (a) Notwithstanding any other provision of law, Federal property located within the boundaries of the Cape Lookout National Seashore may, with the concurrence of the agency having custody thereof, be transferred to the administrative jurisdiction of the Secretary of the Interior for the purposes of the seashore. Such transfer shall be made without transfer of funds. Non-Federal lands, marshlands, waters, or interests therein located within the authorized seashore may be acquired by the Secretary of the Interior only through donation, except that he may purchase with donated or appropriated funds, or may acquire by exchange, the lands, marshlands, and waters or interests therein comprising the Shackleford Banks. Land donated by the State of North Carolina pursuant to this subsection shall constitute consideration for the transfer by the United States of 1.5 acres of land that is to be used as a site for a public health facility in the village of Hatteras, Dare County, North Carolina.

(b) When acquiring lands by exchange, the Secretary may accept title to any non-Federal property within the boundaries of the seashore and convey to the grantor of such property any federally owned property in the State of North Carolina under his jurisdiction which he classifies as proper for exchange or other disposition. Failing to effectuate an exchange of properties of approximately equal fair market value, the Secretary may accept cash from or pay cash to the grantor in such an exchange in order to equalize the values of the properties exchanged.

(c) Any person who on January 1, 1966, owned property which on July 1, 1963, was developed and used for noncommercial residential purposes may reserve for himself and his assigns, as a condition to the purchase or acquisition by exchange of such property by the Secretary, a right of use and occupancy of the residence and not in excess of three acres of land on which the residence is situated, for noncommercial residential purposes for a term ending at the death of the owner, or the death of his spouse, or the death of either of them, or, in lieu thereof, for a definite term not to exceed twenty-five years: Provided, That the Secretary may exclude from such reserved property any marsh, beach, or waters, together with so much of the land adjoining such marsh, beach, or waters as he deems necessary for public access thereto. The owner shall elect the term of the right to be reserved. The Secretary is authorized to accept donations of property for purposes of the seashore in which a right of use and occupancy for noncommercial residential purposes is reserved for the period stated in this subsection if the land on which the residence is situated and to which the right attaches is not in excess of three acres and there is excluded from the reserved property such marsh, beach, or waters and adjoining land as the Secretary deems necessary for public use and access thereto.
(d) A right of use and occupancy reserved in lands that are donated or otherwise acquired pursuant to this section shall be subject to termination by the Secretary upon his determination that such use and occupancy is being exercised in a manner not consistent with the purposes of this Act and upon tender to the holder of the right of an amount equal to the fair market value of that portion of the right which remains unexpired on the date of termination.

(e) The Secretary of the Interior is authorized to purchase with donated or appropriated funds, or acquire by exchange, not to exceed one hundred acres of lands or interests in lands at or near Beaufort, North Carolina, as an administrative site, and for a landing dock and related facilities that may be used to provide a suitable approach or access to the seashore.

Sec. 3. When title to the lands and interests in lands which under section 2(a) of this Act may be acquired for the purposes of the seashore by donation only is vested in the United States, the Secretary shall declare the establishment of the Cape Lookout National Seashore by publication of notice thereof in the Federal Register. Such notice shall contain a refined description or map of the boundaries of the seashore as the Secretary may find desirable and such exterior boundaries shall encompass, as nearly as possible, the area generally described in section 1 of this Act. Copies of said description or map shall be furnished to the Speaker of the House and the President of the Senate not less than thirty days prior to publication in the Federal Register. Following such establishment, and subject to the limitations and conditions prescribed in this Act, the Secretary may, subject to the provisions of section 2 hereof, acquire the remainder of the lands and interests in lands within the boundaries of the seashore.

Sec. 4. The Secretary shall permit hunting and fishing, including shellfishing, on lands, marshlands, and waters under his jurisdiction within the Cape Lookout National Seashore in accordance with the laws of the State of North Carolina and the United States, to the extent applicable, except that the Secretary may designate zones where, and establish periods when, no hunting or fishing shall be permitted for reasons of public safety, administration, fish or wildlife management, or public use and enjoyment. Except in emergencies, any rules and regulations of the Secretary pursuant to this section shall be put into effect only after consultation with the North Carolina Wildlife Resources Commission and the North Carolina Department of Conservation and Development.

Sec. 5. The Secretary shall administer the Cape Lookout National Seashore for the general purposes of public outdoor recreation, including conservation of natural features contributing to public enjoyment. In the administration of the seashore and the administrative site, the Secretary may utilize such statutory authorities relating to areas administered and supervised by the Secretary through the National Park Service and such statutory authorities otherwise available to him for the conservation and management of natural resources as he deems appropriate to carry out the purposes of this Act.

Sec. 6. The authority of the Chief of Engineers, Department of the Army, to undertake or contribute to shore erosion control or beach protection measures within the Cape Lookout National Seashore shall be exercised in accordance with a plan that is mutually acceptable to the Secretary of the Interior and the Secretary of the Army, and that is consistent with the purposes of this Act.

Sec. 7. There are hereby authorized to be appropriated not to exceed $3,200,000 for the acquisition and development of the seashore in accordance with the purposes of this Act.

Approved March 10, 1966.
