Public Law 90-516

AN ACT

To authorize the sale of certain public lands.

Be it enacted by the Senate and House of Representatives of the
United States of America in Congress assembled, That the Secretary
of the Interior is authorized, on his own motion or on application
of an owner of contiguous lands, and upon a finding that it is not
needed for public purposes, to sell at public auction any tract of public
domain not exceeding one hundred and twenty acres that has been
or is now subject to unintentional trespass, as determined by the
Secretary, and that contains some land which has been or can be
put to cultivation but which is insufficient because of climatic, topo­
graphic, ecologic, soil, or other factors to justify a classification
as proper for disposal under the homestead or desert land laws.
Except as provided in section 2 hereof, the tract shall be sold to the
highest bidder. Except as provided in section 2 hereof, no tract shall
be sold for less than its appraised fair market value.

Sec. 2. For a period of thirty days from the day the high bid
is received, any owner of contiguous lands shall have a preference right
to buy the tract at such highest bid price. If two or more contiguous
owners assert the preference right, the Secretary is authorized to
make such division of the land among the applicants as he deems
 equitable.

Sec. 3. If a person who has a preference right under section 2 of
this Act is the purchaser of land sold pursuant to this Act, he shall
not be required to pay for any values he or his predecessors in interest
have added to the land. However, nothing in this Act shall relieve
any person from liability to the United States for unauthorized
use of the land prior to conveyance of title by the United States.

Sec. 4. No person may acquire from the Secretary more than
one hundred and twenty acres of land under the provisions of this
Act.

Sec. 5. The authority granted by this Act shall expire three years
from the date of the passage of the Act, but sales for which applica­
tion has been made in accordance with this Act prior to the ex­
piration of the three years may be consummated and patents may
be issued in connection therewith after the three-year period.
