72 Stat. 833;
81 Stat. 642.

ADMINISTRATIVE OPERATIONS FUND

Funds available to General Services Administration for administrative operations, in support of program activities, shall be expended and accounted for, as a whole, through a single fund: *Provided*, That costs and obligations for such administrative operations for the respective program activities shall be accounted for in accordance with systems approved by the General Accounting Office: *Provided further*, That the total amount deposited into said account for the current fiscal year from funds made available to General Services Administration in this Act shall not exceed \$13,800,000: *Provided further*, That amounts deposited into said account for administrative operations for each program shall not exceed the amounts included in the respective program appropriations for such purposes.

GENERAL PROVISIONS

The appropriate appropriation or fund available to the General Services Administration shall be credited with (1) cost of operation, protection, maintenance, upkeep, repair, and improvement, included as part of rentals received from Government corporations pursuant to law (40 U.S.C. 129); (2) reimbursements for services performed in respect to bonds and other obligations under the jurisdiction of the General Services Administration, issued by public authorities, States, or other public bodies, and such services in respect to such bonds or obligations as the Administrator deems necessary and in the public interest may, upon the request and at the expense of the issuing agencies, be provided from the appropriate foregoing appropriation; and (3) appropriations or funds available to other agencies, and transferred to the General Services Administration, in connection with property transferred to the General Services Administration pursuant to the Act of July 2, 1948 (50 U.S.C. 451ff), and such appropriations or funds may be so transferred, with the approval of the Bureau of the Budget.

Appropriations to the General Services Administration under the heading "Construction, Public Buildings Projects" shall be available, subject to the provisions of the Public Buildings Act of 1959 for (1) acquisition of buildings and sites thereof by purchase, condemnation, or otherwise, including prepayment of purchase contracts, (2) extension or conversion of Government-owned buildings, and (3) construction of new buildings, in addition to those set forth under that appropriation: *Provided*, That nothing herein shall authorize an expenditure of funds for acquisition, extension or conversion, or construction without the approval of the Committees on Appropriations of the Senate and House of Representatives.

Funds available to the General Services Administration shall be available for the hire of passenger motor vehicles.

No part of any money appropriated by this or any other Act for any agency of the executive branch of the Government shall be used during the current fiscal year for the purchase within the continental limits of the United States of any typewriting machines except in accordance
