(c) (1) Section 302(a) of the Clean Air Act is amended to read as follows:

"(a) The term ‘Administrator’ means the Administrator of the Environmental Protection Agency.”

(2) The Clean Air Act is amended by striking out “Secretary” wherever it appears (except in reference to the Secretary of a department other than the Department of Health, Education, and Welfare) and inserting in lieu thereof “Administrator”; by striking out “Secretary of Health, Education, and Welfare” wherever it appears, and inserting in lieu thereof “Administrator”; and by striking out “Department of Health, Education, and Welfare” wherever it appears, and inserting in lieu thereof “Environmental Protection Agency”.

SAVINGS PROVISIONS

SEC. 16. (a) (1) Any implementation plan adopted by any State and submitted to the Secretary of Health, Education, and Welfare, or to the Administrator pursuant to the Clean Air Act prior to enactment of this Act may be approved under section 110 of the Clean Air Act (as amended by this Act) and shall remain in effect, unless the Administrator determines that such implementation plan, or any portion thereof, is not consistent with the applicable requirements of the Clean Air Act (as amended by this Act) and will not provide for the attainment of national primary ambient air quality standards in the time required by such Act. If the Administrator so determines, he shall, within 90 days after promulgation of any national ambient air quality standards pursuant to section 109(a) of the Clean Air Act, notify the State and specify in what respects changes are needed to meet the additional requirements of such Act, including requirements to implement national secondary ambient air quality standards. If such changes are not adopted by the State after public hearings and within six months after such notification, the Administrator shall promulgate such changes pursuant to section 110(c) of such Act.

(2) The amendments made by section 4(b) shall not be construed as repealing or modifying the powers of the Administrator with respect to any conference convened under section 108(d) of the Clean Air Act before the date of enactment of this Act.

(b) Regulations or standards issued under title II of the Clean Air Act prior to the enactment of this Act shall continue in effect until revised by the Administrator consistent with the purposes of such Act.

Approved December 31, 1970.

Public Law 91-605

AN ACT

To authorize appropriations for the construction of certain highways in accordance with title 23 of the United States Code, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

TITLE I

SHORT TITLE

Sec. 101. This title may be cited as the “Federal-Aid Highway Act of 1970”. 
REVISION OF AUTHORIZATION OF APPROPRIATIONS FOR INTERSTATE SYSTEM

SEC. 102. Subsection (b) of section 108 of the Federal-Aid Highway Act of 1956, as amended, is amended by striking out “and the additional sum of $2,225,000,000 for the fiscal year ending June 30, 1974” and inserting in lieu thereof the following: “the additional sum of $4,000,000,000 for the fiscal year ending June 30, 1974, the additional sum of $4,000,000,000 for the fiscal year ending June 30, 1975, and the additional sum of $4,000,000,000 for the fiscal year ending June 30, 1976”.

AUTHORIZATION OF USE OF COST ESTIMATE FOR APPORTIONMENT OF INTERSTATE FUNDS

SEC. 103. The Secretary of Transportation is authorized to make the apportionment for the fiscal years ending June 30, 1972, and June 30, 1973, of the sums authorized to be appropriated for such years for expenditures on the National System of Interstate and Defense Highways, using the apportionment factors contained in revised table 5, House Document Numbered 91-317.

EXTENSION OF TIME FOR COMPLETION OF SYSTEM

SEC. 104. (a) The second paragraph of section 101(b) of title 23, United States Code, is amended by striking out “eighteen years” and inserting in lieu thereof “twenty years” and by striking out “June 30, 1974” and inserting in lieu thereof “June 30, 1976”.

(b) (1) The introductory phrase and the second and third sentences of section 104(b) (5) of title 23, United States Code, are amended by striking out “1974” each place it appears and inserting in lieu thereof at each such place “1976”.

(2) Such section 104(b) (5) is further amended by striking out the two sentences preceding the last sentence and inserting in lieu thereof the following: “The Secretary shall make a revised estimate of the cost of completing the then designated Interstate System after taking into account all previous apportionments made under this section, in the same manner as stated above, and transmit the same to the Senate and the House of Representatives on April 20, 1970. Upon the approval by the Congress, the Secretary shall use the Federal share of such approved estimate in making apportionments for the fiscal years ending June 30, 1972, and June 30, 1973. The Secretary shall make a revised estimate of the cost of completing the then designated Interstate System after taking into account all previous apportionments made under this section, in the same manner as stated above, and transmit the same to the Senate and the House of Representatives within ten days subsequent to January 2, 1972. Upon the approval by the Congress, the Secretary shall use the Federal share of such approved estimate in making apportionments for the fiscal year ending June 30, 1976.”
SEC. 105. (a) For the purpose of carrying out the provisions of title 23, United States Code, the following sums are hereby authorized to be appropriated:

(1) For the Federal-aid primary system and the Federal-aid secondary system and for their extension within urban areas, out of the Highway Trust Fund, $1,100,000,000 for the fiscal year ending June 30, 1972, and $1,100,000,000 for the fiscal year ending June 30, 1973. The sums authorized in this paragraph for each fiscal year shall be available for expenditure as follows:

(A) 45 per centum for projects on the Federal-aid primary highway system;
(B) 30 per centum for projects on the Federal-aid secondary highway system; and
(C) 25 per centum for projects on extensions of the Federal-aid primary and Federal-aid secondary highway systems in urban areas.

(2) For the Federal-aid primary system and the Federal-aid secondary system, exclusive of their extensions in urban areas, out of the Highway Trust Fund, $125,000,000 for the fiscal year ending June 30, 1972, and $125,000,000 for the fiscal year ending June 30, 1973, such sums to be in addition to the sums authorized in paragraph (1) of this subsection. The sums authorized in this paragraph for each fiscal year shall be available for expenditure as follows:

(A) 60 per centum for projects on the Federal-aid primary highway system; and
(B) 40 per centum for projects on the Federal-aid secondary system.

(3) For the Federal-aid urban system, out of the Highway Trust Fund, $100,000,000 for the fiscal year ending June 30, 1972, and $100,000,000 for the fiscal year ending June 30, 1973.

(4) For traffic operation projects in urban areas as authorized in section 135 of title 23, United States Code, out of the Highway Trust Fund, $100,000,000 for the fiscal year ending June 30, 1972, and $100,000,000 for the fiscal year ending June 30, 1973.

(5) For forest highways, out of the Highway Trust Fund, $33,000,000 for the fiscal year ending June 30, 1972, and $33,000,000 for the fiscal year ending June 30, 1973.

(6) For public lands highways, out of the Highway Trust Fund, $16,000,000 for the fiscal year ending June 30, 1972, and $16,000,000 for the fiscal year ending June 30, 1973.

(7) For forest development roads and trails, $170,000,000 for the fiscal year ending June 30, 1972, and $170,000,000 for the fiscal year ending June 30, 1973.

(8) For public lands development roads and trails, $5,000,000 for the fiscal year ending June 30, 1972, and $10,000,000 for the fiscal year ending June 30, 1973.
(9) For park roads and trails, $30,000,000 for the fiscal year ending June 30, 1973.

(10) For parkways, $20,000,000 for the fiscal year ending June 30, 1972, and $20,000,000 for the fiscal year ending June 30, 1973.

(11) For Indian reservation roads and bridges, $30,000,000 for the fiscal year ending June 30, 1972, and $30,000,000 for the fiscal year ending June 30, 1973.

(12) For carrying out section 319(b) of title 23, United States Code (relating to landscaping and scenic enhancement), $1,500,000 for fiscal year ending June 30, 1972, and $10,000,000 for fiscal year ending June 30, 1973.

(13) For necessary administrative expenses in carrying out section 131, section 136 and section 319(b) of title 23, United States Code, $1,500,000 for the fiscal year ending June 30, 1971, $1,500,000 for the fiscal year ending June 30, 1972, and $3,000,000 for the fiscal year ending June 30, 1973.

(14) Nothing in the first eleven paragraphs of this section shall be construed to authorize the appropriation of any sums to carry out section 131, 136, 319(b), or chapter 4 of title 23, United States Code.

(b) (1) No State shall receive less than one-half of 1 per centum of the total apportionment for each of the fiscal years 1972 and 1973 under paragraph (5) of subsection (b) of section 104 of title 23, United States Code. In addition, to all other authorizations for the Interstate System for the two fiscal years ending June 30, 1972, and June 30, 1973, there is authorized to be appropriated out of the Highway Trust Fund not to exceed $55,000,000 for each such fiscal year for such System. Such authorization shall be apportioned to each of the States receiving apportionments under section 103 of this Act of less than one-half of 1 per centum for each such fiscal year, so as to ensure that each such State will receive for each such fiscal year an amount equal to one-half of 1 per centum of the total apportionment for each such fiscal year under section 103 of this Act, as required by the first sentence of this paragraph.

(2) By January 1, 1972, the Secretary shall report to Congress on his recommendation for the apportionment of funds and matching requirements for work on Federal-aid highways in States which have completed, or are nearing completion, of construction on Interstate System mileage located in their State, and for all States after completion of the Interstate System.

FEDERAL-AID URBAN SYSTEM

Sec. 106. (a) Subsection (a) of section 101 of title 23, United States Code, is amended as follows:

(1) After the definition of the term “Secretary” add the following new paragraph:

“The term ‘urbanized area’ means an area so designated by the Bureau of the Census.”

(2) After the definition of the term “Federal-aid secondary system” add the following new paragraph:

“The term ‘Federal-aid urban system’ means the Federal-aid highway system described in subsection (d) of section 103 of this title.”

(3) The definition of the term “Interstate System” is amended to read as follows:

“The term ‘Interstate System’ means the National System of Interstate and Defense Highways described in subsection (e) of section 103 of this title.”

(b) (1) Subsections (d) and (e) of section 103 of title 23, United States Code, are relettered (e) and (f), respectively, including all ref-
erences thereto, and section 103 is further amended by adding immediately after subsection (c) the following subsection (d):

"(d) The Federal-aid urban system shall be established in each urbanized area. The system shall be so located as to serve the major centers of activity, and designed taking into consideration the highest traffic volume corridors, and the longest trips within such area and shall be selected so as to best serve the goals and objectives of the community as determined by the responsible local officials of such urbanized area based upon the planning process required pursuant to the provisions of section 134 of this title. No route on the Federal-aid urban system shall also be a route on any other Federal-aid system. Each route of the system shall connect with another route on a Federal-aid system. Routes on the Federal-aid urban system shall be selected by the appropriate local officials and the State highway departments in cooperation with each other subject to the approval of the Secretary as provided in subsection (f) of this section. The provisions of chapters 1, 3, and 5 of this title that are applicable to Federal-aid primary highways shall apply to the Federal-aid urban system except as determined by the Secretary to be inconsistent with this subsection."

(2) Relettered subsection (f) of section 103 of title 23, United States Code, is amended by inserting after "the Federal-aid secondary system," the following: "the Federal-aid urban system."

(3) Subsection (a) of section 103 of title 23, United States Code, is amended to read as follows:

"(a) For the purposes of this title, the four Federal-aid systems, the primary system, the urban system, the secondary system, and the Interstate System, are established and continued pursuant to the provisions of this section."

(c) (1) Section 104 of title 23, United States Code, is amended by adding at the end thereof the following:

"(f) Not to exceed 50 per centum of the amounts apportioned in accordance with paragraph (3) of subsection (b) of this section may be expended for projects on the Federal-aid urban system."

(2) Subsection (b) of section 104 of title 23, United States Code, is amended by adding at the end thereof the following new paragraph:

"(d) In approving programs for projects on the Federal-aid urban system, the Secretary shall require that such projects be selected by the appropriate local officials and the State highway department in cooperation with each other."

(e) Subsection (b) of section 106 of title 23, United States Code, is amended to read as follows:

"(b) In addition to the approval required under subsection (a) of this section, proposed specifications for projects for construction on (1) the Federal-aid secondary system, except in States where all public roads and highways are under the control and supervision of the State highway department, and (2) the Federal-aid urban system, shall be determined by the State highway department and the appropriate local road officials in cooperation with each other."
(f) Subsection (a) of section 120 of title 23, United States Code, is amended by striking out “and the Federal-aid secondary system” and inserting in lieu thereof a comma and the following: “the Federal-aid secondary system, and the Federal-aid urban system”.

(g) Subsection (b) of section 135 of title 23, United States Code, is amended by inserting after “urban areas” the following: “and on the Federal-aid urban system”.

PROHIBITION OF IMPOUNDMENT OF APPORTIONMENTS AND DIVERSION OF FUNDS

SEC. 107. Subsections (c) and (d) of section 101 of title 23, United States Code, are amended to read as follows:

“(c) It is the sense of Congress that under existing law no part of any sums authorized to be appropriated for expenditure upon any Federal-aid system which has been apportioned pursuant to the provisions of this title shall be impounded or withheld from obligation, for purposes and projects as provided in this title, by any officer or employee in the executive branch of the Federal Government, except such specific sums as may be determined by the Secretary of the Treasury, after consultation with the Secretary of Transportation, are necessary to be withheld from obligation for specific periods of time to assure that sufficient amounts will be available in the Highway Trust Fund to defray the expenditures which will be required to be made from such fund.

“(d) No funds authorized to be appropriated from the Highway Trust Fund shall be expended by or on behalf of any Federal department, agency, or instrumentality other than the Federal Highway Administration unless funds for such expenditure are identified and included as a line item in an appropriation Act and are to meet obligations of the United States heretofore or hereafter incurred under this title attributable to the construction of Federal-aid highways or highway planning, research, or development, or as otherwise specifically authorized to be appropriated from the Highway Trust Fund by Federal-aid highway legislation.”

INCREASED FEDERAL SHARE

SEC. 108. (a) Section 120 of title 23, United States Code, is amended by striking out “50 per centum” each place it appears and inserting in lieu thereof at each such place the following: “70 per centum”.

(b) The amendments made by subsection (a) of this section shall take effect with respect to authorizations for appropriations for fiscal years beginning after June 30, 1973.

EMERGENCY RELIEF

SEC. 109. (a) The first sentence of subsection (a) of section 125 of title 23, United States Code, is amended to read as follows: “An emergency fund is authorized for expenditure by the Secretary, subject to the provisions of this section and section 120 of this title, for (1) the repair or reconstruction of highways, roads, and trails which he shall find have suffered serious damage as the result of (A) natural disaster over a wide area such as by floods, hurricanes, tidal waves, earthquakes, severe storms, or landslides, or (B) catastrophic failures from any cause, in any part of the United States, and (2) the repair or reconstruction of bridges which have been permanently closed to all vehicular traffic by the State after December 31, 1967, and prior to December 31, 1970, because of imminent danger of collapse due to structural deficiencies or physical deterioration.”
(b) Section 120(f) of title 23, United States Code, is amended by adding before the last sentence thereof the following new sentence: "As used in this section with respect to bridges and in section 144 of this title, 'a comparable facility' shall mean a facility which meets the current geometric and construction standards required for the types and volume of traffic which such facility will carry over its design life."

**TRAINING PROGRAMS**

Sec. 110. Section 140 of title 23, United States Code, is amended by inserting "(a)" immediately before "Prior" and by adding at the end thereof the following new subsection:

"(b) The Secretary, in cooperation with any other department or agency of the Government, State agency, authority, association, institution, corporation (profit or nonprofit), or any other organization or person, is authorized to develop, conduct, and administer highway construction training, including skill improvement programs. Whenever an apportionment is made under subsections 104 (b)(1), (b)(2), (b) (3), (b) (5), and (b) (6) of this title of the sums authorized to be appropriated for expenditure upon the Federal-aid primary and secondary systems, and their extensions within urban areas, the Interstate System, and the Federal-aid urban system for the fiscal years 1972 and 1973 the Secretary shall deduct such sums as he may deem necessary not to exceed $5,000,000 per fiscal year, for administering the provisions of this subsection to be financed from the appropriation for the Federal-aid systems. Such sums so deducted shall remain available until expended. The provisions of section 8709 of the Revised Statutes, as amended (41 U.S.C. 5), shall not be applicable to contracts and agreements made under the authority herein granted to the Secretary."

**URBAN HIGHWAY PUBLIC TRANSPORTATION**

Sec. 111. (a) Chapter 1 of title 23, United States Code, is amended by adding at the end thereof the following new section as follows:

"§ 142. Urban highway public transportation

"(a) To encourage the development, improvement, and use of public mass transportation systems operating motor vehicles on highways, other than on rails, for the transportation of passengers (hereinafter in this section referred to as 'buses') within urbanized areas so as to increase the traffic capacity of the Federal-aid systems, sums apportioned in accordance with paragraphs (3), (5), and (6) of subsection (b) of section 104 of this title shall be available to finance the Federal share of the costs of projects for the construction of exclusive or preferential bus lanes, highway traffic control devices, bus passenger loading areas and facilities, including shelters, and fringe and transportation corridor parking facilities to serve bus and other public mass transportation passengers.

"(b) The establishment of routes and schedules of such public mass transportation systems shall be based upon a continuing comprehensive transportation planning process carried on in accordance with section 134 of title 23, United States Code.

"(c) For all purposes of this title, a project authorized by subsection (a) of this section shall be deemed to be a highway project, and, except as provided in subsection (d) of this section, the Federal share payable on account of such project shall be that provided in section 120 of this title."
"(d) No project authorized by this section, other than a project for fringe or transportation corridor parking facilities, shall be approved unless—

"(1) such project (A) will avoid the construction of a highway project under this title which increases automobile traffic capacity, (B) will provide a capacity for the movement of persons at least equal to that which would be provided by the avoided highway project, and (C) will not exceed in the amount of the Federal share, the Federal share of the cost of the avoided highway project; or

"(2) no other feasible or prudent highway project can provide the additional capacity for the movement of persons by motor vehicles on highways (other than on rails) provided by this project.

"(e) No project authorized by this section shall be approved unless the Secretary of Transportation has received assurances satisfactory to him from the State that public mass transportation systems will have adequate capability to fully utilize the proposed project."

(b) The analysis of chapter 1 of title 23, United States Code, is amended by adding at the end thereof the following:

"142. Urban highway public transportation."

**TERRITORIAL HIGHWAY PROGRAM**

72 Stat. 906; 76 Stat. 1147.

Sec. 112. (a) Chapter 2 of title 23, United States Code, is amended by adding at the end thereof the following new section:

"§ 215. Territorial highway program

"(a) Recognizing the mutual benefits that will accrue to the Virgin Islands, Guam, and American Samoa, and to the United States from the improvement of highways in such territories of the United States, the Secretary is authorized to assist each such territorial government in a program for the construction and improvement of a system of arterial highways, and necessary interisland connectors designated by the Governor of such territory and approved by the Secretary. Federal financial assistance shall be granted under this subsection to such territories upon the basis of a Federal contribution of 70 per centum of the cost of any project.

"(b) In order to establish a long-range highway development program, the Secretary is authorized to provide technical assistance for the establishment of an appropriate agency to administer on a continuing basis highway planning, design, construction and maintenance operations, the development of a system of arterial and collector highways, including necessary interisland connectors, and the establishment of advance acquisition of right-of-way and relocation assistance programs.

"(c) No part of the appropriations authorized under this section shall be available for obligation or expenditure with respect to any territory until the Governor enters into an agreement with the Secretary providing that the government of such territory (1) will design and construct a system of arterial and collector highways, including necessary interisland connectors, built in accordance with standards approved by the Secretary; (2) will not impose any toll, or permit any such toll to be charged, for use by vehicles or persons of any portion of the facilities constructed or operated under the provisions of this section; (3) will provide for the maintenance of such facilities in a condition to adequately serve the needs of present and future traffic; (4) will implement standards for traffic operations and uniform traffic control devices which are approved by the Secretary."
“(d)(1) Three per centum of the sums authorized to be appropriated for each fiscal year for carrying out subsection (a) of this section shall be available for expenditure only for engineering and economic surveys and investigations, for the planning of future highway programs and the financing thereof, for studies of the economy, safety, and convenience of highway usage and the desirable regulation and equitable taxation thereof, and for research and development, necessary in connection with the planning, design, and maintenance of the highway system, and the regulation and taxation of their use.

“(2) In addition to the percentage provided in paragraph (1) of the subsection, not to exceed 2 per centum of sums authorized to be appropriated for each fiscal year for carrying out subsection (a) of this section may be expended upon request of the Governor and with the approval of the Secretary for the purposes enumerated in paragraph (1) of this subsection.

“(e) None of the funds authorized to be appropriated for carrying out this section shall be obligated or expended for maintenance of the highway system.

“(f) The provisions of chapters 1 and 5 of this title that are applicable to Federal-aid primary highway funds, other than provisions relating to the apportionment formula and provisions limiting the expenditure of such funds to the Federal-aid systems, shall apply to the funds authorized to be appropriated to carry out this section, except as determined by the Secretary to be inconsistent with this section.”

(b) The analysis of chapter 2 of title 23, United States Code, is amended by adding at the end thereof the following:

“215. Territories highway development program.”

(c) There are hereby authorized to be appropriated for carrying out subsection (a) of section 215 of title 23, United States Code, out of any sums in the Treasury not otherwise appropriated—

(1) not to exceed $2,000,000 per fiscal year for the Virgin Islands, for the fiscal years ending June 30, 1971, June 30, 1972, and June 30, 1973.

(2) not to exceed $2,000,000 per fiscal year for Guam for the fiscal years ending June 30, 1971, June 30, 1972, and June 30, 1973.

(3) not to exceed $500,000 per fiscal year for American Samoa for the fiscal years ending June 30, 1971, June 30, 1972, and June 30, 1973.

(d) Sums authorized to be appropriated for the fiscal year ending June 30, 1971, shall be available for obligation immediately upon enactment of this section in the same manner and to the same extent as if such sums were apportioned under chapter 1 of title 23, United States Code. Sums authorized to be appropriated for the fiscal year ending June 30, 1972, and the fiscal year ending June 30, 1973, shall be available for obligation at the beginning of the fiscal year for which authorized in the same manner and to the same extent as if such sums were apportioned under chapter 1 of title 23, United States Code.
highway shall be known as the "Darien Gap Highway". Funds authorized by this section shall be obligated and expended subject to the same terms, conditions, and requirements with respect to the Darien Gap Highway as are funds authorized for the Inter-American Highway by subsection (a) of section 212 of this title.

(b) The construction authorized by this section shall be under the administration of the Secretary, who shall consult with the appropriate officials of the Department of State with respect to matters involving the foreign relations of this Government, and such negotiations with the Governments of the Republic of Panama and Colombia as may be required to carry out the purposes of this section shall be conducted through, or authorized by, the Department of State.

(c) The provisions of this section shall not create nor authorize the creation of any obligations on the part of the Government of the United States with respect to any expenditures for highway survey or construction heretofore or hereafter undertaken in Panama or Colombia, other than the expenditures authorized by the provision of this section.

(d) Appropriations made pursuant to any authorization for the Darien Gap Highway shall be available for expenditure by the Secretary for necessary administrative and engineering expenses in connection with the Darien Gap Highway program.

(e) For the purposes of this section the term "construction" does not include any costs of rights-of-way, relocation assistance, or the elimination of hazards of railway grade crossings.

(b) The analysis of chapter 2 of title 23, United States Code, is hereby amended by adding at the end thereof the following:

216. Darien Gap Highway.

(c) There is hereby authorized to be appropriated not to exceed $100,000,000, to remain available until expended to enable the Secretary of Transportation to carry out section 216 of title 23, United States Code.

ADMINISTRATION

Sec. 114. (a) Subsection (a) of section 303 of title 23, United States Code, is amended to read as follows:

(a) (1) In addition to the Administrator of the Federal Highway Administration authorized by section 3(e) of the Department of Transportation Act, there shall be a Deputy Federal Highway Administrator appointed by the Secretary of Transportation, with the approval of the President. The Deputy Federal Highway Administrator shall perform such duties as the Federal Highway Administrator shall prescribe. There shall also be an Assistant Federal Highway Administrator who shall be the chief engineer of the Administration and shall be appointed, with the approval of the President, by the Secretary of Transportation under the classified civil service and who shall perform such functions, powers, and duties as the Federal Highway Administrator shall prescribe.

(2) The Administrator of the Federal Highway Administration shall be compensated at the annual rate of basic pay of level II of the Executive Schedule in section 5313 of title 5, United States Code. The Deputy Federal Highway Administrator shall be compensated at the annual rate of basic pay of level IV of the Executive Schedule in section 5315 of title 5, United States Code. The Assistant Federal Highway Administrator shall be compensated at the annual rate of basic pay of level V of the Executive Schedule in section 5316 of title 5, United States Code."
(b) All provisions of law enacted before the date of enactment of this Act which are inconsistent with the amendment made by subsection (a) of this section are hereby repealed to the extent of such inconsistency.

c) The President may authorize any person who immediately before the date of enactment of this Act held the office of Director of Public Roads to act as Deputy Administrator of the Federal Highway Administration created by the amendment made by subsection (a) of this section until the first Deputy Administrator is appointed in accordance with such amendment. The President may authorize any person acting as Deputy Administrator in accordance with this subsection to receive compensation at the rate authorized for the Office of Deputy Administrator. Such compensation, if authorized, shall be in lieu of, and not in addition to, any other compensation from the United States to which such person may be entitled.

TRAINING AND RESEARCH FELLOWSHIPS

Sec. 115. (a) Chapter 3 of title 23 of the United States Code is amended by adding at the end thereof the following new section:

“§ 321. National Highway Institute

“(a) The Secretary is authorized and directed to establish and operate in the Federal Highway Administration a National Highway Institute hereafter referred to as the ‘Institute’. The Institute shall develop and administer, in cooperation with the State highway departments, training programs of instruction for Federal Highway Administration and State and local highway department employees engaged or to be engaged in Federal-aid highway work. Such programs may include, but not be limited to, courses in modern developments, techniques, and procedures, relating to highway planning, environmental factors, acquisition of rights-of-way, engineering, construction, maintenance, contract administration, and inspection. The Secretary shall administer all authority vested in him by this title or by any other provision of law for the development and conduct of educational and training programs relating to highways through the Institute. Sums authorized to be deducted for administrative purposes by subsection (a) of section 104 of this title shall be available for carrying out this subsection.

“(b) Not to exceed one-half of 1 per centum of all funds apportioned for any fiscal year beginning after June 30, 1970, to any State under paragraphs (1), (2), (3), and (6) of section 104(b) of this title shall be available for expenditure by the State highway department, subject to approval by the Secretary, for payment of not to exceed 70 per centum of the cost of tuition and direct educational expenses (but not travel, subsistence, or salaries) in connection with the education and training of State and local highway department employees as provided in this section.

“(c) Education and training of Federal, State, and local highway employees authorized by this section may be provided by the Secretary, or, in the case where such education and training is to be paid for under subsection (b) of this section, by the State, subject to the approval of the Secretary, through grants and contracts with public and private agencies, institutions, and individuals.”

(b) The analysis of chapter 3 of title 23 of the United States Code is amended by adding at the end thereof:

c) Section 307(a) of title 23 of the United States Code is amended by inserting immediately after the period at the end of the third sentence thereof the following new sentence: “The Secretary is also
authorized, acting independently or in cooperation with other Federal departments, agencies, or instrumentalities, to make grants for research fellowships for any purpose for which research is otherwise authorized by this section."

BRIDGES ON FEDERAL DAMS

Sec. 116. (a) Section 320(d) of title 23 of the United States Code is amended by striking out "$13,000,000" and inserting in lieu thereof "$16,761,000".

(b) All sums appropriated under authority of the increased authorization of $3,761,000 established by the amendment made by subsection (a) of this section shall be available for expenditure only in connection with the construction of a bridge across Markland Dam on the Ohio River near Markland, Indiana, and Warsaw, Kentucky. No such sums shall be appropriated until all applicable requirements of section 320 of title 23 of the United States Code have been complied with by the appropriate Federal agency, the Secretary of Transportation, and the States of Kentucky and Indiana.

CONSTRUCTION OF REPLACEMENT HOUSING

Sec. 117. (a) Sections 510 and 511 of title 23, United States Code including all references thereto are hereby renumbered as sections 511 and 512 respectively.

(b) Chapter 5 of title 23, United States Code, is amended by inserting immediately after section 509 the following new section:

"§ 510. Construction of replacement housing

(a) The Secretary may approve as a part of the cost of construction of any project on any Federal-aid system the cost of (A) constructing new housing, (B) acquiring existing housing, (C) rehabilitating existing housing, and (D) relocating existing housing, as replacement housing for individuals and families where a proposed project on the Federal-aid system cannot proceed to actual construction because replacement housing is not available and cannot otherwise be made available as required by section 502 of this title. For the purposes of this subsection the term 'housing' includes all appurtenances thereto.

(b) State highway departments shall, wherever practicable, utilize the services of State or local governmental housing agencies in carrying out this section.

(c) The analysis of chapter 5 of title 23, United States Code, is amended by adding after "509. Relocation assistance programs on Federal highway projects." the following:

"510. Construction of replacement housing."

(d) The definition of the term ‘construction’ in section 101(a) of title 23, United States Code, is amended to read as follows:

"The term 'construction' means the supervising, inspecting, actual building, and all expenses incidental to the construction or reconstruction of a highway, including locating, surveying, and mapping (including the establishment of temporary and permanent geodetic markers in accordance with specifications of the Coast and Geodetic Survey in the Department of Commerce), acquisition of rights-of-way, relocation assistance, elimination of hazards of railway grade crossings, acquisition of replacement housing sites, and acquisition, and rehabilitation, relocation, and construction of replacement housing."
BRIDGE ALTERATION PROGRESS PAYMENTS

SEC. 118. Section 7 of the Act of June 21, 1940 (54 Stat. 497), as amended (33 U.S.C. 517) is amended as follows:

(1) In the first sentence strike all after “Following” to and including “Chief of Engineers” and insert in lieu thereof “service of the order requiring alteration of the bridge, the Secretary of Transportation”.

(2) In the second sentence insert “of Transportation” between “Secretary” and “may”.

(3) In the third sentence strike out the last word and insert in lieu thereof “Transportation”.

ALASKA HIGHWAY

SEC. 119. (a) The President, acting through the Secretaries of State and Transportation, is authorized to undertake negotiations with the Government of Canada for the purpose of entering into a suitable agreement authorizing paving and reconstructing the Alaska Highway from Dawson Creek, Canada (including a connecting highway to Haines, Alaska), to the Alaska border, including, but not limited to, necessary highway realignment.

(b) The President shall report to Congress not later than one year after the date of enactment of this section the results of his negotiations under this section.

EFFECTIVE DATE OF RELOCATION PROVISIONS

SEC. 120. Section 37 of the Federal-Aid Highway Act of 1968 is amended to read as follows:

“EFFECTIVE DATE

“SEC. 37. (a) Except as otherwise provided in subsection (b) of this section, this Act and the amendments made by this Act shall take effect on the date of its enactment, except that until July 1, 1970, sections 502, 505, 506, 507, and 508 of title 23, United States Code, as added by this Act, shall be applicable to a State only to the extent that such State is able under its laws to comply with such sections. Except as otherwise provided in subsection (b) of this section, after July 1, 1970, such sections shall be completely applicable to all States. Section 133 of title 23, United States Code, shall not apply to any State if sections 502, 505, 506, 507, and 508 of title 23, United States Code, are applicable in that State, and effective July 1, 1970, such section 133 is repealed, except as otherwise provided in subsection (b) of this section.

“(b) In the case of any State (1) which is required to amend its constitution to comply with sections 502, 505, 506, 507, and 508 of title 23, United States Code, and (2) which cannot submit the required constitutional amendment for ratification prior to July 1, 1970, the date of July 1, 1970, contained in subsection (a) of this section shall be extended to July 1, 1972.”

FUTURE FEDERAL-AID HIGHWAY PROGRAM

SEC. 121. (a) The Secretary of Transportation shall develop and include in the report of Congress required to be submitted in January 1972, by section 3 of the Act of August 28, 1965 (79 Stat. 578; Public Law 89-139), specific recommendations for the functional realinement of the Federal-aid systems. These recommendations shall be based on the functional classification study made in cooperation

(b) As a part of the future highway needs report to be submitted to Congress in January 1972, the Secretary shall also make recommendations to the Congress for a continuing Federal-aid highway program for the period 1976 to 1990. The needs estimates to be used in developing such programs shall be in conformance with the functional classification studies referred to in subsection (a) of this section and the recommendations for the functional realignment required by such subsection.

(c) The recommendations required by subsections (a) and (b) of this section shall be determined on the basis of studies now being conducted by the Secretary in cooperation with the State highway departments and local governments, and, in urban areas of more than fifty thousand population, utilizing the cooperative continuing comprehensive transportation planning process conducted in accordance with section 134 of title 23, United States Code. The highway needs estimates prepared by the States in connection with this report to Congress shall be submitted to Congress by the Secretary, together with his recommendations.

(d) As a part of the future highway needs report to be submitted to Congress in January 1972, the Secretary shall report to Congress the Federal-aid urban system as designated, and the cost of its construction.

HIGHWAY BEAUTIFICATION AUTHORIZATIONS

SEC. 122. (a) Section 131(m) of title 23, United States Code, is amended to read as follows:

"(m) There is authorized to be appropriated to carry out the provisions of this section, out of any money in the Treasury not otherwise appropriated, not to exceed $20,000,000 for the fiscal year ending June 30, 1966, not to exceed $20,000,000 for the fiscal year ending June 30, 1967, not to exceed $2,000,000 for the fiscal year ending June 30, 1970, not to exceed $27,000,000 for the fiscal year ending June 30, 1971, not to exceed $30,500,000 for the fiscal year ending June 30, 1972, and not to exceed $50,000,000 for the fiscal year ending June 30, 1973. The provisions of this chapter relating to the obligation, period of availability and expenditure of Federal-aid primary highway funds shall apply to the funds authorized to be appropriated to carry out this section after June 30, 1967."

(b) Section 136(m) of title 23, United States Code, is amended to read as follows:

"(m) There is authorized to be appropriated to carry out this section, out of any money in the Treasury not otherwise appropriated, not to exceed $20,000,000 for the fiscal year ending June 30, 1966, not to exceed $20,000,000 for the fiscal year ending June 30, 1967, not to exceed $3,000,000 for the fiscal year ending June 30, 1970, not to exceed $3,000,000 for the fiscal year ending June 30, 1971, not to exceed $3,000,000 for the fiscal year ending June 30, 1972, and not to exceed $3,000,000 for the fiscal year ending June 30, 1973. The provisions of this chapter relating to the obligation, period of availability, and expenditure of Federal-aid primary highway funds shall apply to the funds authorized to be appropriated to carry out this section after June 30, 1967."
SEC. 123. (a) There is hereby established a commission to be known as the Commission on Highway Beautification, hereinafter referred to as the "Commission".

(b) The Commission shall be comprised of eleven members as follows:

(1) two majority and two minority members of the Senate Committee on Public Works to be appointed by the President of the Senate;

(2) two majority and two minority members of the House Committee on Public Works to be appointed by the Speaker of the House of Representatives;

(3) three persons to be appointed by the President of the United States from among persons who are not officers or employees of the United States.

(c) The Chairman shall be elected from among the members of the Commission by a majority vote of such members. Any vacancy which may occur on the Commission shall not affect its powers or functions but shall be filled in the same manner in which the original appointment was made.

(d) The organization meeting of the Commission shall be held at such time and place as may be specified in a call issued jointly by the senior member appointed by the President of the Senate and the senior member appointed by the Speaker of the House of Representatives.

(e) Six members of the Commission shall constitute a quorum, but a smaller number, as determined by the Commission, may conduct hearings.

(f) Members of Congress who are members of the Commission shall serve without compensation in addition to that received for their services as Members of Congress; but they shall be reimbursed for travel, subsistence, and other necessary expenses incurred by them in the performance of the duties vested in the Commission.

(g) Members of the Commission who are not Members of Congress or officers or employees in the executive branch shall each receive $100 per diem when engaged in the actual performance of duties vested in the Commission, plus reimbursement for travel, subsistence, and other necessary expenses incurred by them in the performance of such duties.

(h) The Commission shall (1) study existing statutes and regulations governing the control of outdoor advertising and junkyards in areas adjacent to the Federal-aid highway system; (2) review the policies and practices of the Federal and State agencies charged with administrative jurisdiction over such highways insofar as such policies and practices relate to governing the control of outdoor advertising and junkyards; (3) compile data necessary to understand and determine the requirements for such control which may now exist or are likely to exist within the foreseeable future; (4) study problems relating to the control of on-premise outdoor advertising signs, promotional signs, directional signs, and signs providing information that is essential to the motoring public; (5) study methods of financing and possible sources of Federal funds, including use of the Highway Trust Fund, to carry out a highway beautification program; and (6) recommend such modifications or additions to existing laws, regulations, policies, practices, and demonstration programs as will, in the judgment of the Commission, achieve a workable and effective highway beautification program and best serve the public interest.

(i) The Commission shall, not later than one year after the funding of this section submit to the President and the Congress its final Report, termination.
Records, deposit in Archives.

It shall cease to exist six months after submission of said report. All records and papers of the Commission shall thereupon be delivered to the Administrator of General Services for deposit in the Archives of the United States.

The Chairman of the Commission shall request the head of each Federal department or independent agency which has an interest in or responsibility with respect to the control of outdoor advertising and of junkyards to appoint, and the head of such department or agency shall appoint, a liaison officer who shall work closely with the Commission and its staff in matters pertaining to this section.

In carrying out its duties the Commission shall seek the advice of various groups interested in the problems relating to the control of outdoor advertising and junkyards including, but not limited to, State and local governments, public and private organizations working in the fields of environmental protection and conservation, communications media, commercial advertising interests, industry, education, and labor.

The Commission or, on authorization of the Commission, any committee of two or more members may, for the purpose of carrying out the provisions of this section, hold such hearings and sit and act at such times and places as the Commission or such authorized committee may deem advisable. Subpenas for the attendance and testimony of witnesses or the production of written or other matter may be issued only on the authority of the Commission and shall be served by anyone designated by the Chairman of the Commission.

The Commission is authorized to secure from any department, agency, or individual instrumentality of the executive branch of the Government any information it deems necessary to carry out its functions under this section and each such department, agency, and instrumentality is authorized and directed to furnish such information to the Commission upon request made by the Chairman.

There are hereby authorized to be appropriated such sums, but not more than $200,000, as may be necessary to carry out the provisions of this section and such moneys as may be appropriated shall be available to the Commission until expended.

The Commission is authorized to appoint and fix the compensation of a staff director, and such additional personnel as may be necessary to enable it to carry out its functions. The Director and personnel may be appointed without regard to provisions of title 5, United States Code, covering appointments in the competitive service, and may be paid without regard to the provisions of chapter 51 and subchapter III of chapter 53 of such title relating to classification and General Schedule pay rates. Any Federal employees subject to the civil service laws and regulations who may be employed by the Commission shall retain civil service status without interruption or loss of status or privilege. In no event shall the staff director or any other employee receive as compensation an amount in excess of the maximum rate for GS-18 of the General Schedule under section 5332 of title 5, United States Code. In addition, the Commission is authorized to obtain the services of experts and consultants in accordance with section 3109 of title 5, United States Code, but at rates not to exceed $100 per diem for individuals.

The Commission is authorized to enter into contracts or agreements for studies and surveys with public and private organizations and, if necessary, to transfer funds to Federal agencies from sums appropriated pursuant to this section to carry out such of its duties as the Commission determines can best be carried out in that manner.
ELIMINATION OF SEGMENTS OF INTERSTATE SYSTEM NOT TO BE CONSTRUCTED

SEC. 124. Section 103 of title 23, United States Code, is amended by adding at the end thereof the following new subsection:

"(g) The Secretary, on July 1, 1973, shall remove from designation as a part of the Interstate System every segment of such System for which a State has not established a schedule for the expenditure of funds for completion of construction of such segment within the period of availability of funds authorized to be appropriated for completion of the Interstate System, and with respect to which the State has not provided the Secretary with assurances satisfactory to him that such schedule will be met. Nothing in the preceding sentence shall be construed to prohibit the substitution prior to July 1, 1973, of alternative segments of the Interstate System which will meet the requirements of this title. Any segment of the Interstate System with respect to which a State has not submitted plans, specifications, and estimates for approval by the Secretary by July 1, 1975, shall be removed from designation as a part of the Interstate System. No segment of the Interstate System removed under authority of the preceding sentence shall thereafter be designated as a part of the Interstate System."

URBAN AREA TRAFFIC OPERATIONS IMPROVEMENT PROGRAMS

SEC. 125. Subsection (b) of section 135 of title 23, United States Code, is amended by striking out "if such project" and all that follows down through and including the period at the end of such subsection and inserting in lieu thereof a period and the following: "If such project is located in an urban area of more than fifty thousand population, such project shall be based on a continuing comprehensive transportation planning process carried on in accordance with section 134 of this title."

AUTHORITY FOR DEMONSTRATION PROJECTS

SEC. 126. Subsection (c) (3) of section 307 of title 23, United States Code, is amended by striking out the period at the end thereof and inserting in lieu thereof a comma and the following: "including demonstration projects in connection with such purposes."

ECONOMIC GROWTH CENTER DEVELOPMENT HIGHWAYS

SEC. 127. (a) Chapter 1 of title 23, United States Code, is further amended by adding after section 142 thereof a new section as follows:

"§143. Economic growth center development highways

"(a) In order to demonstrate the role that highways can play to promote the desirable development of the Nation's natural resources, to revitalize and diversify the economy of rural areas and smaller communities, to enhance and disperse industrial growth, to encourage more balanced population patterns, to check, and, where possible, to reverse current migratory trends from rural areas and smaller communities, and to improve living conditions and the quality of the environment, the Secretary is authorized to make grants to States for demonstration projects for the construction, reconstruction, and improvement of development highways on the Federal-aid primary system to serve and promote the development of economic growth centers and surrounding areas, encourage the location of business and industry in rural areas, facilitate the mobility of labor in sparsely populated areas, and provide rural citizens with improved highways"

to such public and private services as health care, recreation, employment, education, and cultural activities, or otherwise encourage the social and economic development of rural communities, and for planning, surveys, and investigations in connection therewith.

"(b) Each Governor may transmit to the Secretary his recommendations for (1) the selection of economic growth centers within the State, (2) priorities for the construction of development highways on the Federal-aid primary system to serve such centers, and (3) such other information as may be required by the Secretary, for his consideration in approving the selection of economic growth centers for demonstration projects.

"(c) Upon the application of the State highway department of any State in which an economic growth center approved by the Secretary as eligible for a demonstration project is located, the Secretary is authorized to pay up to 100 per centum of the cost of engineering and economic surveys or other investigations necessary for the planning and design of development highways on the Federal-aid primary system needed to provide appropriate access to such growth center, including publicly owned airport facilities and public ports for water transportation which may be established to serve it, in order to carry out the purposes of this section.

"(d) Except as otherwise provided in this section, all of the provisions of this title applicable to Federal-aid primary highways except those which the Secretary determines are inconsistent with this section shall apply to development highways and to funds authorized to carry out this section. For the purposes of sections 105, 106, and 118 of this title, funds authorized to carry out this section shall be deemed to be apportioned on January 1 next preceding the commencement of the fiscal year for which authorized. No State shall receive in any fiscal year more than 15 per centum of the funds authorized to carry out this section for such fiscal year.

"(e) The Federal share of the cost of any project for construction, reconstruction, or improvement of a development highway under this section shall be increased by not to exceed an additional 20 per centum of the cost of such project, except that in no case shall the Federal share exceed 95 per centum of the cost of such project.

"(f) (1) Except in the case of a project subject to paragraph (2) of this subsection, no project shall be approved by the Secretary under this section until he has determined that such project will promote the aims and purposes set forth in subsection (a) of this section and that the economic growth center to be benefited will meet such criteria as he, after consultation with the Secretary of Commerce, deems necessary, including, but not limited to, the following: (1) growth centers shall be geographically and economically capable of contributing significantly to the development of the area, and (2) growth centers shall have a population not in excess of one hundred thousand according to the latest available Federal census. In approving projects the Secretary shall give preference to those areas offering the most potential for future economic growth.

"(2) In the case of a project proposed to be conducted within the Appalachian region as defined in section 408 of the Appalachian Regional Development Act of 1965, no project shall be approved by the Secretary under this section until he shall have consulted with the Federal Cochairman of the Appalachian Regional Commission. In the case of a project proposed to be conducted within an economic development region as defined in title V of the Public Works and Economic Development Act of 1965, no project shall be approved by the Secretary under this section until he shall have consulted with the Federal Cochairman for such region and the Secretary of Com-
merce. In consultation with the appropriate official, the Secretary shall establish criteria for the selection of growth centers eligible for assistance under this section such that the aims and purposes set forth in subsection (a) of this section will be promoted. Such criteria shall include, but not be limited to, the following: (1) growth centers shall be geographically and economically capable of contributing significantly to the development of the area, (2) growth centers shall have a population not in excess of one hundred thousand persons according to the latest available Federal census, and (3) the selection of such growth centers within the Appalachian region and the economic development regions shall take into account the purposes of the Appalachian Regional Development Act of 1965 and the Public Works and Economic Development Act of 1965. In approving projects the Secretary shall give preference to those areas offering the most potential for future economic growth and he shall make arrangements for close coordination throughout the development and implementation of the project with the Federal Cochairman of the Appalachian Regional Commission, or with the appropriate Federal Cochairman of an economic development region, and the Secretary of Commerce, as the case may be.

“(g) There is authorized to be appropriated out of the Highway Trust Fund not to exceed $50,000,000 for the fiscal year ending June 30, 1972, and not to exceed $50,000,000 for the fiscal year ending June 30, 1973.”

(b) The analysis of chapter 1 of title 23, United States Code, is amended by adding at the end thereof the following:

“143. Economic growth center development highways.”

FEDERAL SHARE OF ENGINEERING COSTS

Sec. 128. Section 120 of title 23, United States Code, is amended by adding at the end thereof the following new subsection:

“(h) At the request of any State, the Secretary may from time to time enter into agreements with such State to reimburse the State for the Federal share of the costs of preliminary and construction engineering at an agreed percentage of actual construction costs for each project, in lieu of the actual engineering costs for such project. The Secretary shall annually review each such agreement to insure that such percentage reasonably represents the engineering costs actually incurred by such State.”

DISTRICT OF COLUMBIA

Sec. 129. (a) In the case of the following routes on the Interstate System in the District of Columbia authorized for construction by section 23 of the Federal-aid Highway Act of 1968, the government of the District of Columbia and the Secretary of Transportation shall restudy such projects and report to Congress not later than 12 months after the date of enactment of this subsection their recommendations with respect to such projects, including any alternative routes or plans:

(1) East Leg of the Inner Loop, beginning at Bladensburg Road, I-295 (section C4.1 to C6),

(2) North Central and Northeast Freeways, I-95 (section C7 to C13) and I-70S (section C1 to C2).

(b) The government of the District of Columbia and the Secretary of Transportation shall study the project for the North Leg of the Inner Loop from point A3.3 on I-66 to point C7 on I-95, as designated in the “1968 Estimate of the Cost of Completion of the National System of Interstate and Defense Highways in the District of

Annual review.

82 Stat. 827.
D.C. Code 7–348 O–72–26 (Pt. 2)
Columbia”, and shall report to Congress not later than 12 months after
the date of enactment of this subsection their recommendations with
respect to such project including any recommended alternative routes
or plans.

**INDIAN RESERVATION ROADS AND BRIDGES**

**SEC. 130.** The definition of the term “Indian reservation roads and
bridges” in section 101(a) of title 23, United States Code, is amended
to read as follows:

“The term ‘Indian reservation roads and bridges’ means roads and
bridges that are located within or provide access to an Indian reserva­
on or Indian trust land or restricted Indian land which is not subject
to fee title alienation without the approval of the Federal Govern­
on which Indians reside whom the Secretary of the Interior has
determined to be eligible for services generally available to Indians
under Federal laws specifically applicable to Indians.”

**RICHMOND-PETERSBURG TURNPIKE**

**SEC. 131.** The Secretary of Transportation is authorized to amend
any agreement heretofore entered into under the provisions of section
129(d) of title 23, United States Code, in order to permit the con­
tinuation of tolls on the existing Richmond-Petersburg Turnpike to
finance the construction within the existing termini of such turnpike
of two lanes thereon in addition to the lanes in existence on the date
of enactment of this section necessary to meet traffic and highway
safety requirements. Any amended agreement entered into for such
purposes shall provide assurances that the existing turnpike (includ­
ing the additional lanes) shall become free to the public upon the
collection of tolls sufficient to liquidate all construction costs, and the
costs of maintenance, operation, and debt service during the period
of toll collections to liquidate such construction costs, but in no event
shall tolls be collected after date of maturity of those bonds outstand­
on the date of enactment of this section issued for construction
of such turnpike having the latest maturity date.

**AIRPORT AND WATERPORT ACCESS**

**SEC. 132.** Section 105 of title 23, United States Code, is amended by
adding at the end thereof the following new subsection:

“(g) In preparing programs to submit in accordance with sub­
section (a) of this section, the State highway departments shall give
consideration to projects providing direct and convenient public
access to public airports and public ports for water transportation,
and in approving such programs the Secretary shall give considera­
tion to such projects.”

**FEDERAL PARTICIPATION IN THE IMPROVEMENT OF TOLL ROADS**

**SEC. 133.** Section 129 of title 23, United States Code, is amended by
redesignating subsection (e) as subsection (f), including any refer­
ence thereto, and by inserting immediately before such redesignated
subsection (f) the following:

“(e) Notwithstanding the provisions of subsection (b) of this
section, the Secretary may permit Federal participation in the recon­
struction and improvement of any toll road providing for only two
lanes of traffic, which is designated part of the Interstate System
on the date of enactment of this subsection as he may find necessary
to bring such two lane toll road to the geometric and construction
standards for the Interstate System in order to provide for the safe
use of such highway as part of the Interstate System and to facilitate
the removal of tolls therefrom. Federal participation in such recon-
struction and improvement shall be on the same basis and in the
same manner as in the construction of free Interstate System highways
under this chapter. No Federal participation shall be permitted
pursuant to this subsection except on two lane toll roads which were
designated as a part of the Interstate System on or before June 30,
1968. Before Federal participation under this subsection, the State
highway department and the toll road authority involved shall enter
into an agreement with the Secretary which shall provide that—
“(1) no indebtedness which is to be liquidated by the collection
of tolls (in addition to indebtedness in existence on date of
enactment in this subsection) shall be incurred after the date of
enactment of this subsection;
“(2) all tolls received from the operation of the toll road, less
the actual cost of such operation and maintenance, shall be applied
to the repayment of only those bonds outstanding on the date
of enactment of this subsection constituting a valid lien against
such toll road and its maintenance and operation and debt service
during the period of toll collection;
“(3) the toll road shall become free to the public upon collection
of tolls sufficient to liquidate all such bonds.”

FRINGE AND CORRIDOR PARKING FACILITIES

Sec. 134. (a) Section 137 of title 23, United States Code, is amended to
read as follows:

“§ 137. Fringe and corridor parking facilities
“(a) The Secretary may approve as a project on the Federal-aid
urban system the acquisition of land adjacent to the right-of-way
outside a central business district, as defined by the Secretary, and
the construction of publicly owned parking facilities thereon or with-
in such right-of-way, including the use of the air space above and
below the established grade line of the highway pavement, to serve
an urban area of fifty thousand population or more. Such parking
facility shall be located and designed in conjunction with existing or
planned public transportation facilities. In the event fees are charged
for the use of any such facility, the rate thereof shall not be in excess
of that required for maintenance and operation (including compen-
sation to any person for operating such facility).
“(b) The Secretary shall not approve any project under this sec-
tion until—
“(1) he has determined that the State, or the political sub-
division thereof, where such project is to be located, or any
agency or instrumentality of such State or political subdivision,
has the authority and capability of constructing, maintaining,
and operating the facility;
“(2) he has entered into an agreement governing the financing,
maintenance, and operation of the parking facility with such
State, political subdivision, agency, or instrumentality, including
necessary requirements to insure that adequate public transporta-
tion services will be available to persons using such facility; and
“(3) he has approved design standards for constructing such
facility developed in cooperation with the State highway
department.
“(c) The term ‘parking facilities’ for purposes of this section shall
include access roads, buildings, structures, equipment, improvements,
and interests in lands.
“(d) Nothing in this section, or in any rule or regulation issued under this section, or in any agreement required by this section, shall prohibit (1) any State, political subdivision, or agency or instrumentality thereof, from contracting with any person to operate any parking facility constructed under this section, or (2) any such person from so operating such facility.

“(e) The Secretary shall not approve any project under this section unless he determines that it is based on a continuing comprehensive transportation planning process carried on in accordance with section 134 of this title.”

(b) The analysis of chapter 1 of such title is amended by striking out the matter relating to section 137 and inserting in lieu thereof the following:

“137. Fringe and corridor parking facilities.”

(c) Section 11 of the Federal-Aid Highway Act of 1968 is hereby repealed.

PUBLIC HEARINGS

SEC. 135. (a) Subsection (a) of section 128 of title 23, United States Code, is amended by adding at the end thereof the following new sentence: “Such certification shall be accompanied by a report which indicates the consideration given to the economic, social, environmental, and other effects of the plan or highway location or design and various alternatives which were raised during the hearing or which were otherwise considered.”

(b) Subsection (b) of such section 128 is amended by striking out the period at the end thereof and inserting in lieu thereof the following: “and report.”

ECONOMIC, SOCIAL, ENVIRONMENTAL, AND OTHER IMPACT

SEC. 136. (a) Section 109(g) of title 23, United States Code, is amended to read as follows:

“(g) The Secretary shall issue within 30 days after the day of enactment of the Federal-Aid Highway Act of 1970 guidelines for minimizing possible soil erosion from highway construction. Such guidelines shall apply to all proposed projects with respect to which plans, specifications, and estimates are approved by the Secretary after the issuance of such guidelines.”

(b) Such section 109 is further amended by adding at the end thereof the following:

“(h) Not later than July 1, 1972, the Secretary, after consultation with appropriate Federal and State officials, shall submit to Congress, and not later than 90 days after such submission, promulgate guidelines designed to assure that possible adverse economic, social, and environmental effects relating to any proposed project on any Federal-aid system have been fully considered in developing such project, and that the final decisions on the project are made in the best overall public interest, taking into consideration the need for fast, safe and efficient transportation, public services, and the costs of eliminating or minimizing such adverse effects and the following:

“(1) air, noise, and water pollution;
“(2) destruction or disruption of man-made and natural resources, aesthetic values, community cohesion and the availability of public facilities and services;
“(3) adverse employment effects, and tax and property value losses;
“(4) injurious displacement of people, businesses and farms;
"(5) disruption of desirable community and regional growth. Such guidelines shall apply to all proposed projects with respect to which plans, specifications, and estimates are approved by the Secretary after the issuance of such guidelines.

(i) The Secretary, after consultation with appropriate Federal, State, and local officials, shall develop and promulgate standards for highway noise levels compatible with different land uses and after July 1, 1972, shall not approve plans and specifications for any proposed project on any Federal-aid system for which location approval has not yet been secured unless he determines that such plans and specifications include adequate measures to implement the appropriate noise level standards.

(j) The Secretary, after consultation with the Administrator of the Environmental Protection Agency, shall develop and promulgate guidelines to assure that highways constructed pursuant to this title are consistent with any approved plan for the implementation of any ambient air quality standard for any air quality control region designated pursuant to the Clean Air Act, as amended.

(c) Subsection (b) of section 307 of title 23, United States Code, is amended by adding the following sentence: "The highway research program herein authorized shall also include studies to identify and measure, quantitatively and qualitatively, those factors which relate to economic, social, environmental, and other impacts of highway projects."

INTEREST PAYMENTS FOR REPLACEMENT HOUSING

Sec. 137. Section 506 of title 23, United States Code is amended by redesignating subsection (b) as subsection (c) and inserting a new subsection (b) as follows:

(b) (1) In addition to the amounts otherwise authorized by this title, the State agency shall make an interest payment to compensate such owner for any increased rate of interest which such owner is required to pay for financing such replacement dwelling.

(2) This interest payment shall be computed and allowed only if there was an existing mortgage against the dwelling transferred to the State and such mortgage was a valid lien on said premises for at least one year prior to the institution of negotiations for the acquisition of such property, and if the mortgage for the replacement dwelling bears a higher rate of interest than the interest rate on the mortgage of the transferred dwelling; but, in no event shall such interest on the replacement dwelling be greater than the maximum interest allowable under State law.

(3) The value of the interest payment shall be the difference in the interest rate existing on the balance of any mortgage on a transferred dwelling and the interest rate on the mortgage of the replacement dwelling for the remainder of the term of any such mortgage on such transferred dwelling reduced to discounted present value.

(4) The discount rate as above provided shall be the maximum rate of interest permitted to be paid on savings deposits by any savings bank within the State pursuant to the rules and regulations of the Federal Deposit Insurance Corporation."

ALASKAN ASSISTANCE

Sec. 138. (a) Subsection (b) of section 7 of the Federal Aid Highway Act of 1966 is amended to read as follows:

(b) There is hereby authorized to be appropriated for construction of Federal-aid highways of the State of Alaska, out of the High-
way Trust Fund and in addition to funds otherwise made available to the State of Alaska under title 23, United States Code, $20,000,000 for each of the fiscal years ending June 30, 1972 and June 30, 1973.”

(b) Any right-of-way for roads, roadways, highways, tramways, trails, bridges, and appurtenant structures reserved by section 321(d) of title 48, United States Code (61 Stat. 418, 1947), not utilized by the United States or by the State or territory of Alaska prior to the date of enactment hereof, shall be and hereby is vacated and relinquished by the United States to the end and intent that such reservation shall merge with the fee and be forever extinguished.

FERRY BOATS

Sec. 139. Section 129 of title 23, United States Code, is amended by adding at the end thereof the following:

“(f) Notwithstanding section 301 of this title, the Secretary may permit Federal participation under this title in the construction of ferry boats, whether toll or free, subject to the following conditions:

“(1) It is not feasible to build a bridge, tunnel, combination thereof, or other normal highway structure in lieu of the use of such ferry.

“(2) The operation of the ferry shall be on a route which has been approved under section 103 (b) or (c) of this title as a part of one of the Federal-aid systems within the State and has not been designated as a route on the Interstate System.

“(3) Such ferry shall be publicly owned and operated.

“(4) The operating authority and the amount of fares charged for passage on such ferry shall be under the control of the State, and all revenues derived therefrom shall be applied to actual and necessary costs of operation, maintenance, and repair.

“(5) Such ferry shall be operated only within the State or between adjoining States, and no part of its operation shall be in any foreign or international waters.

“(6) No such ferry shall be sold, leased, or otherwise disposed of without the approval of the Secretary. The Federal share of any proceeds from such a disposition shall be credited to the unprogramed balance of Federal-aid highway funds of the same class last apportioned to such State. Any amount so credited shall be in addition to all other funds then apportioned to such State and available for expenditure in accordance with the provisions of this title.”

FUTURE ADDITIONS TO INTERSTATE SYSTEM

Sec. 140. The existing language of section 139 of title 23, United States Code, shall be designated as subsection (a) and a new subsection (b) added as follows:

“(b) Whenever the Secretary determines that a highway on the Federal-aid primary system would be a logical addition or connection to the Interstate System and would qualify for designation as a route on that system in the same manner as set forth in paragraph 1 of subsection (d) of section 103 of this title, he may upon the affirmative recommendation of the State or States involved designate such highway as a future part of the Interstate System. Such designation shall be made only upon the written agreement of the State or States involved that such highway will be constructed to meet all the standards of a highway on the Interstate System within twelve years of the date of the agreement between the Secretary and the State or States involved. The mileage of any highway designated as a future part of
the Interstate System under this subsection shall not be charged against the limitations established by the first sentence of section 108 (d) of this title. The designation of a highway as a future part of the Interstate System under this subsection shall create no Federal financial responsibility with respect to such highway except that Federal-aid highway funds otherwise available to the State or States involved for the construction of Federal-aid primary system highways may be used for the reconstruction of a highway designated as a route on the Interstate System under this subsection. In the event that the State or States involved have not substantially completed the construction of any highway designated under this subsection within the time provided for in the agreement between the Secretary and State or States involved, the Secretary shall remove the designation of such highway as a future part of the Interstate System. Removal of such designation as result of failure to comply with the agreement provided for in this subsection shall in no way prohibit the Secretary from designating such route as part of the Interstate System pursuant to subsection (a) of this section or under any other provision of law providing for addition to the Interstate System. No law, rule, regulation, map, document, or other record of the United States, or of any State or political subdivision thereof, shall refer to any highway under this section, nor shall any such highway be signed or marked, as a highway on the Interstate System until such time as such highway is constructed to the geometric and construction standards for the Interstate System and has been designated as a part of the Interstate System.”

**DEFINITIONS**

Sec. 141. Section 101 (a) of title 23, United States Code, is amended as follows:

(1) The definition of the term “forest highway” is amended by striking out the period at the end thereof and inserting in lieu thereof a comma and the following: “and which is on a Federal-aid system.”

(2) The definition of the term “public lands highways” is amended by striking out “means” and inserting in lieu thereof “means those” and by striking out the period at the end of such definition and inserting in lieu thereof a comma and the following: “which are on the Federal-aid systems.”

**COST REDUCTION**

Sec. 142. Section 106 of title 23, United States Code, is amended by adding at the end thereof the following new subsection:

“(d) In such cases as the Secretary determines advisable, plans, specifications, and estimates for proposed projects on any Federal-aid system shall be accompanied by a value engineering or other cost reduction analysis.”

**URBAN TRANSPORTATION PLANNING**

Sec. 143. (a) Section 134 of title 23, United States Code, is amended by inserting “(a)” at the beginning of the first paragraph thereof and by adding at the end thereof the following:

“No highway project may be constructed in any urban area of fifty thousand population or more unless the responsible public officials of such urban area in which the project is located have been consulted and their views considered with respect to the corridor, the location and the design of the project.”
Critical transportation regions.

Appropriation.

Report to Congress.

STUDY OF RELATIONSHIP OF HIGHWAY CONSTRUCTION TO PUBLIC TRANSPORTATION SERVICES

SEC. 144. The Secretary is authorized and directed to undertake a study and analysis of the use of existing highway facilities for highway public transportation service, the need for additional highway facilities or the adjustment of existing facilities to accommodate such service, and the appropriate funding of such additional highway facilities and to report to the Congress his findings and recommendations not later than January 1, 1972.

SAINT CLAIR RIVER BRIDGE

SEC. 145. The amount of Federal Aid Highway funds paid to the State of Michigan for the construction of the bridge and approaches thereto over the Saint Clair River at Port Huron, Michigan, shall, prior to the collection of any tolls thereon be repaid to the Treasurer of the United States. The amount to be repaid shall be deposited to the credit of the appropriation for "Federal Aid Highways (Trust Fund)". Such repayment shall be credited to the unprogrammed balance of Federal Aid Highway funds of the same class last apportioned to the State of Michigan. The amount so credited shall be in addition to all other funds then apportioned to said State and shall be available for expenditure in accordance with the provisions of title 23, United States Code, as amended.

(2) Upon the repayment by the State of Michigan of the Federal-Aid Highway funds received for such bridge project, the bridge and its approaches shall be free of all restrictions with respect to the imposition and collection of tolls or other charges thereon or for the use thereof, contained in (A) title 23, United States Code, or in any regulation or agreement thereunder, and (B) subsection (d) of section 17 of the Act entitled "An Act to authorize the construction of certain bridges and to extend the times for commencing and/or completing the construction of other bridges over the navigable waters of
the United States, and for other purposes”, approved August 30, 1935, as amended (49 Stat. 1051), or in any regulation or agreement thereunder. Tolls or charges imposed and collected on such bridge or for the use thereof shall not exceed the amount necessary for the proper maintenance, repair, and operation of the bridge and its approaches under economical management.

**Baltimore-Washington Parkway**

Sec. 146. (a) There is authorized to be appropriated to the Secretary of Transportation, out of the Highway Trust Fund, not to exceed $65,000,000 for reconstructing to six lanes the section of the Baltimore-Washington Parkway in the State of Maryland under the jurisdiction of the Secretary of the Interior to the geometric and construction standards for the National System of Interstate and Defense Highways.

(b) No funds authorized by this section shall be expended until the Secretary of Transportation, the Secretary of the Interior, and the State highway department of the State of Maryland shall enter into an agreement that—

1. upon completion of reconstruction the Secretary of the Interior will convey without monetary consideration such section of such parkway to the State of Maryland, and

2. the State of Maryland shall put such section of the Parkway on the Federal-aid primary system prior to expenditure of funds authorized by this section, and for such purpose the mileage limitation on such system in such State imposed by section 103(b) of title 23, United States Code, is hereby waived, and such State shall thereafter retain such section on such system.

Sec. 147. The amendments made by sections 117, 120, and 137 of this Act shall not take effect if before the effective date of this Act the Uniform Relocation Assistance and Land Acquisition Policies Act of 1970 has been enacted into law.

**Title II**

**Short Title**

Sec. 201. This title may be cited as the “Highway Safety Act of 1970”.

**Highway Safety**

Sec. 202. (a) Section 201 of the Highway Safety Act of 1966 (80 Stat. 735) is amended to read as follows:

“Sec. 201. (a) There is hereby established within the Department of Transportation a National Highway Traffic Safety Administration (hereafter in this section referred to as the ‘Administration’). The Administration shall be headed by an Administrator who shall be appointed by the President, by and with the advice and consent of the Senate, and shall be compensated at the annual rate of basic pay of level III of the Executive Schedule in section 5314 of title 5, United States Code. There shall be a Deputy Administrator of the National Highway Traffic Safety Administration who shall be appointed by the Secretary of Transportation, with the approval of the President, and who shall be compensated at the annual rate of basic pay of level V of the Executive Schedule in section 5316 of title 5, United States Code. The Administrator shall perform such duties as are delegated to him by the Secretary. On all matters pertaining to the design, construction, maintenance, and operation of highways, the Administrator shall consult with the Federal Highway Administrator.”
1740  PUBLIC LAW 91-605—DEC. 31, 1970  [84 STAT.

“(b)(1) The Secretary shall carry out through the Federal Highway Administration those provisions of the Highway Safety Act of 1966 (including chapter 4 of title 23, United States Code) for highway safety programs, research, and development relating to highway design, construction and maintenance, traffic control devices, identification and surveillance of accident locations, and highway-related aspects of pedestrian safety.

“(2) The Secretary shall carry out, through the Administration, all other provisions of such Act (including chapter 4 of title 23, United States Code) for highway safety programs, research and development not specifically referred to in paragraph (1) of this subsection.

“(c) The Secretary is authorized to carry out the provisions of the National Traffic and Motor Vehicle Safety Act of 1966 (80 Stat. 718) through the Administration and Administrator authorized by this section.

“(d) All provisions of law enacted before the date of enactment of the Highway Safety Act of 1970 which are inconsistent with this section as amended by such Act of 1970 are hereby repealed to the extent of such inconsistency.”

(b) The President may authorize any person who immediately before the date of enactment of this Act held the office of Director of the National Highway Safety Bureau to act as Administrator of the National Highway Traffic Safety Administration created by the amendment made by subsection (a) of this section until the first Administrator is appointed in accordance with such amendment. The President may authorize any person serving as Acting Administrator in accordance with this subsection to receive compensation at the rate authorized for the office of Administrator. Such compensation, if authorized, shall be in lieu of, and not in addition to, any other compensation from the United States to which such person may be entitled.

(c) Subsection (c) of section 402 of title 23, United States Code, is amended by striking out beginning in the second sentence thereof “as Congress, by law enacted hereafter,” and all that follows down through and including the period at the end of the third sentence thereof and inserting in lieu thereof the following: “75 per centum in the ratio which the population of each State bears to the total population of all the States, as shown by the latest available Federal census, and 25 per centum in the ratio which the public road mileage in each State bears to the total public road mileage in all States. For the purposes of this subsection, a ‘public road’ means any road under the jurisdiction of and maintained by a public authority and open to public travel. The annual apportionment to each State shall not be less than one-third of 1 per centum of the total apportionment.”

(d) The first sentence of subsection (d) of section 402 of title 23, United States Code, is amended by striking out the period at the end thereof and inserting in lieu thereof a comma and the following: “and except that the aggregate of all expenditures made during any fiscal year by a State and its political subdivisions (exclusive of Federal funds) for carrying out the State highway safety program shall be available for the purpose of crediting such State during such fiscal year for the non-Federal share of the cost of any project under this section without regard to whether such expenditures were actually made in connection with such project.”

(e) Section 402 of title 23, United States Code, is amended by adding at the end thereof the following new subsection:

“(h) Except in the case of those State safety program elements with respect to which uniform standards have been promulgated by the Secretary before December 31, 1970, the Secretary shall not promulgate any other uniform safety standard under this section unless
at least 90 days prior to the effective date of such standard he shall have submitted such standard to Congress."

(f) The following sums are hereby authorized to be appropriated:

(1) For carrying out section 402 of title 23, United States Code (relating to highway safety programs) by the National Highway Traffic Safety Administration, $75,000,000 for the fiscal year ending June 30, 1972, and $100,000,000 for the fiscal year ending June 30, 1973, except that two-thirds of all funds authorized and expended under authority of this paragraph for such section 402 in any fiscal year shall be appropriated out of the Highway Trust Fund.

(2) For carrying out section 403 of title 23, United States Code (relating to highway safety research and development), by the National Highway Traffic Safety Administration, $70,000,000 for the fiscal year ending June 30, 1972, and $115,000,000 for the fiscal year ending June 30, 1973, except that two-thirds of all funds authorized and expended under authority of this paragraph for such section 403 in any fiscal year shall be appropriated out of the Highway Trust Fund.

(3) For carrying out section 402 of title 23, United States Code (relating to highway safety programs), by the Federal Highway Administration for each of the fiscal years ending June 30, 1972, and June 30, 1973, $30,000,000 per fiscal year, except that two-thirds of all funds authorized and expended under authority of this paragraph for such section 402 in any fiscal year shall be appropriated out of the Highway Trust Fund.

(4) For carrying out sections 307(a) and 403 of title 23, United States Code (relating to highway safety research and development), by the Federal Highway Administration, for each of the fiscal years ending June 30, 1972, and June 30, 1973, not to exceed $10,000,000 per fiscal year, except that two-thirds of all funds authorized and expended under authority of this paragraph for such sections 307(a) and 403 in any fiscal year shall be appropriated out of the Highway Trust Fund.

(5) Paragraph (10) of section 5 of the Federal-Aid Highway Act of 1968 (relating to authorizations for carrying out section 402 of title 23, United States Code), is hereby repealed.

**HIGHWAY SAFETY PROGRAMS**

Sec. 203. (a) Section 402(b)(1)(A) of title 23, United States Code, is amended by striking out the period at the end thereof and inserting in lieu thereof the following: "through a State agency which shall have adequate powers, and be suitably equipped and organized to carry out, to the satisfaction of the Secretary, such program."

(b) The amendment made by subsection (a) of this section shall take effect December 31, 1971.

**BRIDGE RECONSTRUCTION AND REPLACEMENT**

Sec. 204. (a) Chapter 1 of title 23, United States Code, is amended by adding at the end thereof a new section as follows:

"§ 144. Special bridge replacement program

(a) Congress hereby finds and declares it to be in the vital interest of the Nation that a special bridge replacement program be established to enable the several States to replace bridges over waterways or other topographical barriers when the States and the Secretary finds that the bridge is significantly important and is unsafe because of structural deficiencies, physical deterioration, or functional obsolescence."
"(b) The Secretary in consultation with the States shall (1) inventory all bridges located on any of the Federal-aid systems over waterways and other topographical barriers of the United States; (2) classify them according to their serviceability, safety, and essentiality for public use; and (3) based on that classification, assign each a priority for replacement.

"(c) Whenever any State or States make application to the Secretary for assistance in replacing a bridge which the priority system, established under subsection (b) of this section, shows to be eligible, the Secretary may approve Federal participation in the reconstruction of a comparable facility. In approving projects under this section, the Secretary shall give consideration to those projects which will remove from service bridges which are most in danger of failure and give consideration to the economy of the area involved. Approval of projects and allocation of funds under this section shall be without regard to allocation or apportionment formulas otherwise established under this title.

"(d) The Federal share payable on account of any bridge replacement under this section shall not exceed 75 per centum of the cost thereof.

"(e) For the purpose of carrying out the provisions of this section, there are hereby authorized to be appropriated out of the Highway Trust Fund, $100,000,000 for the fiscal year ending June 30, 1972; and $150,000,000 for the fiscal year ending June 30, 1973, to be available until expended. Such funds shall be available for obligation at the beginning of the fiscal year for which authorized in the same manner and to the same extent as if such funds were apportioned under this chapter.

"(f) Notwithstanding any other provisions of law the General Bridge Act of 1946 (33 U.S.C. 525–533) shall apply to bridges authorized to be reconstructed and bridges constructed to replace unsafe bridges under this section.

"(g) The Secretary shall report annually on projects approved under this section with any recommendations he may have for further improvement in the special bridge replacement program authorized in accordance with this section."

"(h) The analysis of chapter 1 of title 23, United States Code, is amended by adding at the end thereof the following:

"144. Special bridge replacement program."

RAIL CROSSINGS

Sec. 205. (a) Chapter 3 of title 23, United States Code, is further amended by adding after section 321 the following new section:

"§ 322. Demonstration project—rail crossings

"(a) The Secretary shall carry out a demonstration project for the elimination of all public ground-level rail-highway crossings along the route of the high-speed ground transportation demonstration projects between Washington, District of Columbia, and Boston, Massachusetts, conducted under authority of the Act entitled 'An Act to authorize the Secretary of Commerce to undertake research and development in high-speed ground transportation, and for other purposes', approved September 30, 1965 (49 U.S.C. 1631 et seq.).

"(b) The Secretary shall carry out a demonstration project for the elimination or protection of certain public ground-level rail-highway crossings in, or in the vicinity of, Greenwood, South Carolina.

"(c) If the highway involved is on any Federal-aid system, the Federal share of the cost of such work shall be 90 per centum and the railroad's share of such cost shall be 10 per centum."
“(2) If the highway involved is not on any Federal-aid system, the Federal share of the cost of such work shall be 80 per centum and the railroad’s share of such cost shall be 10 per centum and the remaining 10 per centum of such cost shall be paid by the State in which such crossing is located.

“(d) Before paying any part of the cost of the demonstration projects authorized by this section, the Secretary shall enter into such agreements with the States and railroads involved to insure that all non-Federal costs will be provided as required by this section.

“(e) The Secretary, in cooperation with State highway departments, shall conduct a full and complete investigation and study of the problem of providing increased highway safety at public and private ground-level rail-highway crossings on a nationwide basis through the elimination of such crossings or otherwise, including specifically high-speed rail operations in all parts of the country, and report to Congress his recommendations resulting from such investigation and study not later than July 1, 1972, including an estimate of the cost of such a program. Funds authorized to carry out section 307 of this title are authorized to be used to carry out the investigation and study required by this subsection.

“(f) There is authorized to be appropriated not to exceed $9,000,000 from the Highway Trust Fund to carry out paragraph (1) of subsection (c) of this section. There is authorized to be appropriated out of the general fund not to exceed $22,000,000 to carry out paragraph (2) of subsection (c) of this section.”

(b) The analysis of chapter 3 of title 23, United States Code, is amended by adding at the end thereof:

“322. Demonstration project—rail crossings.”

**TITLE III—EXTENSION OF HIGHWAY TRUST FUND AND CERTAIN RELATED PROVISIONS**

**SEC. 301. HIGHWAY TRUST FUND.**
