Public Law 91-351

To increase the availability of mortgage credit for the financing of urgently needed housing, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Emergency Home Finance Act of 1970".

TITLE I—REDUCTION OF INTEREST CHARGES FOR MEMBERS OF THE FEDERAL HOME LOAN BANK SYSTEM

Sec. 101. (a) There is authorized to be appropriated not to exceed $250,000,000, without fiscal year limitation, to be used by the Federal Home Loan Bank Board for disbursement to Federal home loan banks for the purpose of adjusting the effective interest charged by such banks on short-term and long-term borrowing to promote an orderly flow of funds into residential construction. The disbursement of sums appropriated hereunder shall be made under such terms and conditions as may be prescribed by the Board to assure that such sums are used to assist in the provision of housing for low- and middle-income families, and that such families share fully in the benefits resulting from the disbursement of such sums. No member of a Federal home loan bank shall use funds the interest charges on which have been adjusted pursuant to the provisions of this section to make any loan, if—

(1) the effective rate of interest on such loan exceeds the effective rate of interest on such funds payable by such member by a percentile amount which is in excess of such amount as the Board determines to be appropriate in furtherance of the purposes of this section; or

(2) the principal obligation of any such loan which is secured by a mortgage on a residential structure exceeds the dollar limitations on the maximum mortgage amount, in effect on the date the mortgage was originated, which would be applicable if the mortgage was insured by the Secretary of Housing and Urban Development under section 203 (b) or 207 of the National Housing Act.

(b) Not more than 20 per centum of the sums appropriated pursuant to subsection (a) shall be disbursed in any one Federal home loan bank district.

TITLE II—AUTHORITY FOR THE FEDERAL NATIONAL MORTGAGE ASSOCIATION TO PROVIDE A SECONDARY MARKET FOR CONVENTIONAL MORTGAGES

Sec. 201. (a) Section 302(b) of the National Housing Act is amended—

(1) by inserting "(1)" immediately following "(b)"; and

(2) by adding at the end thereof the following new paragraph:

"(2) For the purposes set forth in section 301(a), and with the approval of the Secretary of Housing and Urban Development, the corporation is authorized, pursuant to commitments or otherwise, to purchase, service, sell, lend on the security of, or otherwise deal in mortgages which are not insured or guaranteed as provided in paragraph (1) (such mortgages referred to hereinafter as 'conventional mortgages'). No such purchase of a conventional mortgage shall be
made if the outstanding principal balance of the mortgage at the time of purchase exceeds 75 per centum of the value of the property securing the mortgage, unless (A) the seller retains a participation of not less than 10 per centum in the mortgage; (B) for such period and under such circumstances as the corporation may require, the seller agrees to repurchase or replace the mortgage upon demand of the corporation in the event that the mortgage is in default; or (C) that portion of the unpaid principal balance of the mortgage which is in excess of such 75 per centum is guaranteed or insured by a qualified private insurer as determined by the corporation. The corporation shall not issue a commitment to purchase a conventional mortgage prior to the date the mortgage is originated, if such mortgage is eligible for purchase under the preceding sentence only by reason of compliance with the requirements of clause (A) of such sentence. The corporation may purchase a conventional mortgage which was originated more than one year prior to the purchase date only if the seller is currently engaged in mortgage lending or investing activities and if, as a result thereof, the cumulative aggregate of the principal balances of all conventional mortgages purchased by the corporation which were originated more than one year prior to the date of purchase does not exceed 10 per centum of the cumulative aggregate of the principal balances of all conventional mortgages purchased by the corporation. The corporation shall establish limitations governing the maximum principal obligation of conventional mortgages purchased by it which are comparable to the limitations which would be applicable if the mortgage were insured by the Secretary of Housing and Urban Development under section 203 (b) or 207 of the National Housing Act."

(b) Section 5202 of the Revised Statutes (12 U.S.C. 82) is amended by adding at the end thereof the following:

"Eleventh. Liabilities incurred in connection with sales of mortgages, or participations therein, to the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation."

(c) Subscriptions of the respective Federal home loan banks to such stock shall be allocated by the Corporation.

(d) The Corporation may retire at any time all or any part of the stock of the Corporation, or may call for retirement all or any part of the stock of the Corporation by (1) publishing a notice of the call in the Federal Register or providing such notice in such other manner as the Corporation may determine to be appropriate, and (2) depositing with the Treasurer of the United States, for the purpose of such retirement, funds sufficient to effect such retirement. (a)(1) The Corporation is authorized to purchase, and make commitments to purchase, residential mortgages from any Federal home loan bank, the Federal Savings and Loan Insurance Corporation, any member of a Federal home loan bank, or any other financial institution the deposits or accounts of which are insured by an agency of the United States, and to hold and deal with, sell or otherwise dispose of, pursuant to commitments or otherwise, any such mortgage or interest therein. The operations of the Corporation under this section shall be confined so far as practicable to residential mortgages which are deemed by the Corporation to be of such quality, type, and class as to meet generally the purchase standards imposed by private institutional mortgage investors.

(2) No conventional mortgage shall be purchased under this section if the outstanding principal balance of the mortgage at the time of purchase exceeds 75 per centum of the value of the property securing the mortgage, unless (A) the seller retains a participation of not less than 10 per centum in the mortgage; (B) for such period and under such circumstances as the Corporation may require, the seller agrees to repurchase or replace the mortgage upon demand of the Corporation in the event that the mortgage is in default; or (C) that portion of the unpaid principal balance of the mortgage which is in excess of such 75 per centum is guaranteed or insured by a qualified private insurer as determined by the Corporation. The Corporation shall not issue a com-
commitment to purchase a conventional mortgage prior to the date the mortgage is originated, if such mortgage is eligible for purchase under the preceding sentence only by reason of compliance with the requirements of clause (A) of such sentence. The Corporation may purchase a conventional mortgage which was originated more than one year prior to the purchase date only if the seller is currently engaged in mortgage lending or investing activities and if, as a result thereof, the cumulative aggregate of the principal balances of all conventional mortgages purchased by the Corporation which were originated more than one year prior to the date of purchase does not exceed 10 per centum of the cumulative aggregate of the principal balances of all conventional mortgages purchased by the Corporation. The Corporation shall establish limitations governing the maximum principal obligation of conventional mortgages purchased by it which are comparable to the limitations which would be applicable if the mortgage were insured by the Secretary of Housing and Urban Development under section 205(b) or 207 of the National Housing Act.

(3) The sale or other disposition by the Corporation of a mortgage under this section may be with or without recourse, and shall be upon such terms and conditions relating to resale, repurchase, guaranty, substitution, replacement, or otherwise as the Corporation may prescribe.

(b) Notwithstanding any other law, authority to enter into and to perform and carry out any transactions or matter referred to in this section is conferred on any Federal home loan bank, the Federal Savings and Loan Insurance Corporation, any Federal savings and loan association, any Federal home loan bank member, and any other financial institution the deposits or accounts of which are insured by an agency of the United States to the extent that Congress has the power to confer such authority.

(b) The Corporation may, by regulation or by writing executed by the Corporation, establish prohibitions or restrictions upon the creation of indebtedness or obligations of the Corporation or of liens or charges upon property of the Corporation, including after-acquired property, and create liens and charges, which may be floating liens or charges, upon all or any part or parts of the property of the Corporation, including after-acquired property. Such prohibitions, restrictions, liens, and charges shall have such effect, including without limitation on the generality of the foregoing such rank and priority, as may be provided by regulations of the Corporation or by writings executed by the Corporation, and shall create causes of action which may be enforced by action in the United States District Court for the District of Columbia or in the United States district court for any judicial district in which any of the property affected is located. Process in any such action may run to and be served in any judicial
district or any place subject to the jurisdiction of the United States.

(c) The Federal home loan banks shall, to such extent as the Board of Directors may prescribe, guarantee the faithful and timely performance by the Corporation of any obligation or undertaking of the Corporation on or with respect to any security (which term as used in this sentence shall not include the capital stock referred to in section 304 of this title).

(d) The provisions of this section and of any restriction, prohibition, lien, or charge referred to in subsection (b) shall be fully effective notwithstanding any other law, including without limitation on the generality of the foregoing any law of or relating to sovereign immunity or priority.

MISCELLANEOUS PROVISIONS

Sec. 307. (a) All rights and remedies of the Corporation, including without limitation on the generality of the foregoing any rights and remedies of the Corporation on, under, or with respect to any mortgage or any obligation secured thereby, shall be immune from impairment, limitation, or restriction by or under (1) any law (except laws enacted by the Congress expressly in limitation of this sentence) which becomes effective after the acquisition by the Corporation of the subject or property on, under, or with respect to which such right or remedy arises or exists or would so arise or exist in the absence of such law, or (2) any administrative or other action which becomes effective after such acquisition. The Corporation shall be entitled to all immunities and priorities, including without limitation on the generality of the foregoing all immunities and priorities under any such law or action, to which it would be entitled if it were the United States or if it were an unincorporated agency of the United States.

TITLE V—FUNDS FOR FINANCING MIDDLE-INCOME HOUSING

FINDINGS AND PURPOSE

Sec. 501. The Congress finds that—
(1) periodic episodes of monetary stringency and high interest rates make it extremely difficult for families of middle income to obtain mortgage credit at rates which they can afford to pay;
(2) periods of monetary stringency and high interest rates are directly related to the Government’s monetary and fiscal policies;
(3) a disproportionate share of the burden of sustaining these anti-inflationary policies of the Government falls on families of middle income who are buyers or prospective buyers of homes; and
(4) the Government has a responsibility to lessen the disproportionate burden which such families bear as a result of such policies.

It is the purpose of this title to provide, during periods of high mortgage interest rates, a source of mortgage credit for such families which is within their financial means.

MORTGAGE CREDIT FOR MIDDLE-INCOME FAMILIES

Sec. 502. Title II of the National Housing Act is amended by adding a new section 243 as follows:

“HOMEOWNERSHIP FOR MIDDLE-INCOME FAMILIES

Sec. 243. (a) Whenever he determines such action to be necessary in furtherance of the purposes set forth in section 501 of the Emergency Home Finance Act of 1970, the Secretary is authorized to make, and to contract to make, periodic assistance payments on behalf of families of middle income. The assistance shall be accomplished through interest subsidy payments to the Federal National Mortgage
association or the Federal Home Loan Mortgage Corporation (hereinafter referred to as ‘the investor’) with respect to mortgages meeting the special requirements specified in this section and made after the date of enactment of the Emergency Home Finance Act of 1970.

(b) To qualify for assistance payments a middle-income family shall be a mortgagor under a mortgage which is (1) insured under subsection (j) of this section, (2) guaranteed under chapter 37 of title 38, United States Code, or (3) a conventional mortgage meeting the requirements of subsection (j)(3) of this section. In addition to the foregoing requirement, the Secretary may require that the mortgagor have an income, at the time of acquisition of the property, of not more than the median income for the area in which the property is located, as determined by the Secretary, with appropriate adjustments for smaller and larger families.

(c) The interest subsidy payments authorized by this section shall cease when (1) the mortgagor no longer occupies the property which secures the mortgage, (2) the mortgages are no longer held by the investor, or (3) the rate of interest paid by the mortgagor reaches the rate of interest specified on the mortgage.

(d) (1) Interest subsidy payments shall be on mortgages on which the mortgagor makes monthly payments towards principal and interest equal to an amount which would be required if the mortgage bore an effective interest rate of 7 per centum per annum including any discounts or charges in the nature of points or otherwise (but not including premiums, if any, for mortgage insurance) or such higher rate (not to exceed the rate specified in the mortgage), which the mortgagor could pay by applying at least 20 per centum of his income towards homeownership expenses. As used in this subsection, the term ‘monthly homeownership expense’ includes the monthly payment for principal, interest, mortgage insurance premium, insurance, and taxes due under the mortgage.

(2) In addition to the mortgages eligible for assistance under paragraph (1) of this subsection, the Secretary is authorized to make periodic assistance payments on behalf of cooperative members of middle income. Such assistance payments shall be accomplished through interest subsidy payments to the investor with respect to mortgages insured (subsequent to the effective date of this section) under section 213 which are executed by cooperatives, the membership in which is limited to middle-income families. For purposes of this paragraph—

(1) the term ‘mortgagor’, when used in subsection (b) in the case of a mortgage covering a cooperative housing project, means a member of the cooperative;

(2) the term ‘acquisition of the property’, when used in subsection (b), means the family’s application for a dwelling unit; and

(3) in the case of a cooperative mortgagor, subsection (c) shall not apply and the interest subsidy payments shall cease when the mortgage is no longer held by the investor or the cooperative fails to limit membership to families whose incomes at the time of their application for a dwelling unit meets such requirements as are laid down by the Secretary pursuant to subsection (b).

(e) The interest subsidy payments shall be in an amount equal to the difference, as determined by the Secretary, between the total amount of interest per calendar quarter received by the investor on mortgages assisted under this section and purchased by it and the total amount of interest which the investor would have received if the yield on such mortgages was equal to the sum of (1) the average costs (expressed as an annual percentage rate) to it of all borrowed funds outstanding in
the immediately preceding calendar quarter, and (2) such per centum per annum as will provide for administrative and other expenses of the investor and a reasonable economic return, as determined by the Secretary to be necessary and appropriate taking into account the purpose of this section to provide additional mortgage credit at reasonable rates of interest to middle-income families.

(f) Procedures shall be adopted by the Secretary for recertifications of the mortgagor's income at intervals of two years (or at shorter intervals where the Secretary deems it desirable) for the purpose of adjusting the amount of the mortgagor's payments pursuant to subsection (d).

(g) The Secretary shall prescribe such regulations as he deems necessary to assure that the sales price of, or other consideration paid in connection with, the purchase by a homeowner of the property with respect to which assistance payments are to be made is not increased above the appraised value on which the maximum mortgage which the Secretary will insure is computed.

(h) (1) There are authorized to be appropriated such sums as may be necessary to enable the Secretary to make interest subsidy payments under contracts entered into under this section. The aggregate amount of contracts to make such payments shall not exceed amounts approved in appropriation Acts, and payments pursuant to such contracts shall not exceed $105,000,000 during the first year of such contracts prior to July 1, 1971, which amount shall be increased by an additional $105,000,000 during the first year of an additional number of such contracts on July 1 of each of the years 1971 and 1972.

(2) No interest subsidy payments under this section shall be made after June 30, 1973, except pursuant to contracts entered into on or before such date.

(i) In determining the income of any family for the purposes of this section, income from all sources of each member of the family in the household shall be included, except that the Secretary shall exclude income earned by any minor person.

(j) (1) The Secretary is authorized, upon application by the mortgagor, to insure a mortgage executed by a mortgagor who meets the eligibility requirements for assistance payments prescribed by the Secretary under subsection (b). Commitments for the insurance of such mortgages may be issued by the Secretary prior to the date of their execution or disbursement thereon, upon such terms and conditions as the Secretary may prescribe.

(2) To be eligible for insurance under this subsection, a mortgage shall meet the requirements of section 221(d) (2) or 234(c), except as such requirements are modified by this subsection: Provided, however, That in the discretion of the Secretary 25 per centum of the authority conferred by this section and subject to all the terms thereof may be used for mortgages on existing housing.

(3) A mortgage to be insured under this section shall—
