Public Law 91-439

AN ACT

Making appropriations for public works for water, pollution control, and power development, including the Corps of Engineers—Civil, the Panama Canal, the Federal Water Quality Administration, the Bureau of Reclamation, power agencies of the Department of the Interior, the Tennessee Valley Authority, the Atomic Energy Commission, and related independent agencies and commissions for the fiscal year ending June 30, 1971, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the fiscal year ending June 30, 1971, for public works for water, pollution control, and power development, including the Corps of Engineers—Civil, the Panama Canal, the Federal Water Quality Administration, the Bureau of Reclamation, power agencies of the Department of the Interior, the Tennessee Valley Authority, the Atomic Energy Commission, and related independent agencies and commissions, and for other purposes, namely:

TITLE I—ATOMIC ENERGY COMMISSION

Operating Expenses

For necessary operating expenses of the Commission in carrying out the purposes of the Atomic Energy Act of 1954, as amended, including the employment of aliens; services authorized by 5 U.S.C. 3109; hire, maintenance, and operation of aircraft; publication and dissemination of atomic information; purchase, repair and cleaning of uniforms; official entertainment expenses (not to exceed $30,000); reimbursement of the General Services Administration for security guard services; hire of passenger motor vehicles; $1,929,160,000 and any moneys (except sums received from disposal of property under the Atomic Energy Community Act of 1955, as amended (42 U.S.C. 2301)) received by the Commission, notwithstanding the provisions of section 3617 of the Revised Statutes (31 U.S.C. 484), to remain available until expended: Provided, That of such amount $100,000 may be expended for objects of a confidential nature and in any such case the certificate of the Commission as to the amount of the expenditure and that it is deemed inadvisable to specify the nature thereof shall be deemed a sufficient voucher for the sum therein expressed to have been expended: Provided further, That from this appropriation transfers of sums may be made to other agencies of the Government for the performance of the work for which this appropriation is made, and in such cases the sums so transferred may be merged with the appropriation to which transferred: Provided further, That no part of this appropriation shall be used in connection with the payment of a fixed fee to any contractor or firm of contractors engaged under a cost-plus-a-fixed-fee contract or contracts at any installation of the Commission, where that fee for community management is at a rate in excess of $90,000 per annum, or for the operation of a transportation system where that fee is at a rate in excess of $45,000 per annum.

Plant and Capital Equipment

For expenses of the Commission, as authorized by law, in connection with the purchase and construction of plant and the acquisition of capital equipment and other expenses incidental thereto necessary in carrying out the purposes of the Atomic Energy Act of 1954, as
amended, including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion; purchase of not to exceed five hundred and twenty-two of which five hundred and ten are for replacement only (including seven for police-type use without regard to the general purchase price limitation), and hire of passenger motor vehicles; purchase (one) and hire of aircraft; $353,600,000, to remain available until expended.

GENERAL PROVISIONS

SEC. 101. Not to exceed 5 per centum of appropriations made available for the current fiscal year for "Operating expenses" and "Plant and capital equipment" may be transferred between such appropriations, but neither such appropriation, except as otherwise provided herein, shall be increased by more than 5 per centum by any such transfers, and any such transfers shall be reported promptly to the Appropriations Committees of the House and Senate.

SEC. 102. No part of any appropriation herein shall be used to confer a fellowship on any person who advocates or who is a member of an organization or party that advocates the overthrow of the Government of the United States by force or violence or with respect to whom the Commission finds, upon investigation and report by the Civil Service Commission on the character, associations, and loyalty of whom, that reasonable grounds exist for belief that such person is disloyal to the Government of the United States: Provided, That any person who advocates or who is a member of an organization or party that advocates the overthrow of the Government of the United States by force or violence and accepts employment or a fellowship the salary, wages, stipend, grant, or expenses for which are paid from any appropriation contained herein shall be guilty of a felony, and, upon conviction, shall be fined not more than $1,000 or imprisoned for not more than one year, or both: Provided further, That the above penal clause shall be in addition to, and not in substitution for, any other provisions of existing law.

TITLE II—DEPARTMENT OF DEFENSE—CIVIL

DEPARTMENT OF THE ARMY

CORPS OF ENGINEERS—CIVIL

The following appropriations shall be expended under the direction of the Secretary of the Army and the supervision of the Chief of Engineers for authorized civil functions of the Department of the Army pertaining to rivers and harbors, flood control, beach erosion, and related purposes:

GENERAL INVESTIGATIONS

For expenses necessary for the collection and study of basic information pertaining to river and harbor, flood control, shore protection, and related projects, and when authorized by law, surveys and studies of projects prior to authorization for construction, $39,597,000, to remain available until expended: Provided, That $655,000 of this appropriation shall be transferred to the Bureau of Sport Fisheries and Wildlife for studies, investigations, and reports thereon as required by the Fish and Wildlife Coordination Act of 1958 (72 Stat. 563-565) to provide that wildlife conservation shall receive equal
consideration and be coordinated with other features of water-resource development programs of the Department of the Army.

CONSTRUCTION, GENERAL

For the prosecution of river and harbor, flood control, shore protection, and related projects authorized by law; and detailed studies, and plans and specifications, of projects (including those for development with participation or under consideration for participation by States, local governments, or private groups) authorized or made eligible for selection by law (but such studies shall not constitute a commitment of the Government to construction): $851,256,000, to remain available until expended: Provided, That no part of this appropriation shall be used for projects not authorized by law or which are authorized by law limiting the amount to be appropriated therefor, except as may be within the limits of the amount now or hereafter authorized to be appropriated; Provided further, That in connection with the rehabilitation of the Snake Creek Embankment of the Garrison Dam and Reservoir Project, North Dakota, the Corps of Engineers is authorized to participate with the State of North Dakota to the extent of one-half the cost of widening the present embankment to provide a four-lane right-of-way for U.S. Highway 88 in lieu of the present two-lane highway; Provided further, That funds appropriated for the Robert S. Kerr Lock and Dam, Oklahoma, shall be available to provide a 9-foot deep auxiliary navigation channel and 1,000-foot long turning basin along Sans Bois Creek, with appropriate widths and an overall length of approximately ten miles: Provided further, That the Elk Creek Reservoir Project in Oregon shall not be operated for irrigation purposes until such time as the Secretary of the Interior makes the necessary arrangements with non-Federal interests to recover the costs, in accordance with Federal Reclamation Law, which are allocated to the irrigation purpose: Provided further, That $625,000 of this appropriation shall be transferred to the Bureau of Sport Fisheries and Wildlife for studies, investigations, and reports therefore as required by the Fish and Wildlife Coordination Act of 1958 (72 Stat. 563-565) to provide that wildlife conservation shall receive equal consideration and be coordinated with other features of water-resource development programs of the Department of the Army.

FLOOD CONTROL, MISSISSIPPI RIVER AND TRIBUTARIES

For expenses necessary for prosecuting work of flood control, and rescue work, repair, restoration, or maintenance of flood control projects threatened or destroyed by flood, as authorized by law (33 U.S.C. 702a, 702g-1), $84,000,000, to remain available until expended, including funds for completion of the construction of road crossings of the Panola-Quitman Floodway at Crowder and Paducah Wells, Mississippi: Provided, That not less than $250,000 shall be available for bank stabilization measures as determined by the Chief of Engineers to be advisable for the control of bank erosion of streams in the Yazoo Basin, including the foothill area, and where necessary such measures shall complement similar works planned and constructed by the Soil Conservation Service and be limited to the areas of responsibility mutually agreeable to the District Engineer and the State Conservationist.
OPERATION AND MAINTENANCE, GENERAL

For expenses necessary for the preservation, operation, maintenance, and care of existing river and harbor, flood control, and related works, including such sums as may be necessary for the maintenance of harbor channels provided by a State, municipality or other public agency, outside of harbor lines, and serving essential needs of general commerce and navigation; administration of laws pertaining to preservation of navigable waters; surveys and charting of northern and northwestern lakes and connecting waters; clearing and straightening channels; and removal of obstructions to navigation; $292,600,000, to remain available until expended.

FLOOD CONTROL AND COASTAL EMERGENCIES

For expenses necessary for emergency flood control, hurricane and shore protection activities, as authorized by section 5 of the Flood Control Act, approved August 18, 1941, as amended, $3,000,000, to remain available until expended.

GENERAL EXPENSES

For expenses necessary for general administration and related functions in the Office of the Chief of Engineers and offices of the Division Engineers; activities of the Board of Engineers for Rivers and Harbors and the Coastal Engineering Research Center; commercial statistics; and miscellaneous investigations; $25,480,000.

ADMINISTRATIVE PROVISIONS

Appropriations in this title shall be available for expenses of attendance by military personnel at meetings in the manner authorized by 5 U.S.C. 4110, uniforms, or allowances therefor, as authorized by law (5 U.S.C. 5901-5902), and for printing, either during a recess or session of Congress, of survey reports authorized by law, and such survey reports as may be printed during a recess of Congress shall be printed, with illustrations, as documents of the next succeeding session of Congress; and during the current fiscal year the revolving fund, Corps of Engineers, shall be available for purchase (not to exceed two hundred and three, of which one hundred and ninety-seven shall be for replacement only) and hire of passenger motor vehicles: Provided, That the total capital of said fund shall not exceed $181,000,000.

CEMETERY EXPENSES

For necessary cemetery expenses as authorized by law, including maintenance, operation, and improvement of national cemeteries, and purchase of headstones and markers for unmarked graves; purchase of seven passenger motor vehicles of which two shall be for replacement only; maintenance of that portion of Congressional Cemetery to which the United States has title, Confederate burial places under the jurisdiction of the Department of the Army, and graves used by the Army in commercial cemeteries, to remain available until expended, $181,184,000: Provided, That reimbursement shall be made to the applicable military appropriation for the pay and allowances of any military personnel performing services primarily for the purposes of this appropriation.
For operating expenses necessary for the Canal Zone Government, including operation of the Postal Service of the Canal Zone; hire of passenger motor vehicles; uniforms or allowances therefor, as authorized by law (5 U.S.C. 5901-5902); expenses incident to conducting hearings on the Isthmus; expenses of special training of employees of the Canal Zone Government as authorized by 5 U.S.C. 4101-4118; contingencies of the Governor, residence for the Governor; medical aid and support of the insane and of lepers and aid and support of indigent persons legally within the Canal Zone, including expenses of their deportation when practicable; and maintaining and altering facilities of other Government agencies in the Canal Zone for Canal Zone Government use, $44,129,000.

For acquisition of land and land under water and acquisition, construction, and replacement of improvements, facilities, structures, and equipment, as authorized by law (2 C.Z. Code, Sec. 2; 2 C.Z. Code, Sec. 371), including the purchase of not to exceed sixteen passenger motor vehicles of which fourteen are for replacement only, including thirteen for police-type use which may exceed by $800 each the general purchase price limitation for the current fiscal year; improving facilities of other Government agencies in the Canal Zone for Canal Zone Government use; and expenses incident to the retirement of such assets; $1,500,000, to remain available until expended.

The Panama Canal Company is hereby authorized to make such expenditures within the limits of funds and borrowing authority available to it and in accordance with law, and to make such contracts and commitments without regard to fiscal year limitations as provided by section 104 of the Government Corporation Control Act, as amended (31 U.S.C. 849), as may be necessary in carrying out the programs set forth in the budget for the current fiscal year for such corporation, including maintaining and improving facilities of other Government agencies in the Canal Zone for Panama Canal Company use.

Not to exceed $15,977,000 of the funds available to the Panama Canal Company shall be available during the current fiscal year for general and administrative expenses of the Company, including operation of tourist vessels and guide services, which shall be computed on an accrual basis. Funds available to the Panama Canal Company for operating expenses shall be available for the purchase of not to exceed thirty-seven passenger motor vehicles, of which twenty-five are for replacement only, including twenty-four light sedans at not to exceed $2,150, one medium sedan at not to exceed $3,500 and three station wagons at not to exceed $2,450, and for uniforms or allowances therefor, as authorized by law (5 U.S.C. 5901-5902).
GENERAL PROVISIONS—THE PANAMA CANAL

The Governor of the Canal Zone is authorized to employ services as authorized by 5 U.S.C. 3109, in an amount not exceeding $150,000. Funds appropriated for operating expenses of the Canal Zone Government may be apportioned notwithstanding section 3679 of the Revised Statutes, as amended (31 U.S.C. 665), to the extent necessary to permit payment of such pay increases for officers or employees as may be authorized by administrative action pursuant to law which are not in excess of statutory increases granted for the same period in corresponding rates of compensation for other employees of the Government in comparable positions.

TITLE III—DEPARTMENT OF THE INTERIOR

FEDERAL WATER QUALITY ADMINISTRATION

POLLUTION CONTROL OPERATIONS AND RESEARCH

For expenses necessary to carry out the Federal Water Pollution Control Act, as amended, and other related activities, including $9,400,000 for grants to States and $600,000 for grants to interstate agencies under section 7 of such Act, $98,618,000, to remain available until expended.

CONSTRUCTION GRANTS FOR WASTE TREATMENT WORKS

For grants for construction of waste treatment works pursuant to section 8 of the Federal Water Pollution Control Act, as amended, to remain available until expended, $1,000,000,000: Provided, That not to exceed $200,000,000 of such amount may be available for allocation to States based on eligibility for reimbursement under provisions of section 8(c) of the Act or severe local and basin-wide water pollution problems: Provided further, That sums not obligated at the end of the fiscal year from the amounts allocated to each State shall be reallocated in accordance with the provisions in the Act: Provided further, That funds appropriated for fiscal year 1970 and allocated to States shall not be reallocated in accordance with section 8(c) of the Federal Water Pollution Control Act, as amended, until May 15, 1971.

BUREAU OF RECLAMATION

For carrying out the functions of the Bureau of Reclamation as provided in the Federal reclamation laws (Act of June 17, 1902, 32 Stat. 388, and Acts amendatory thereof or supplementary thereto) and other Acts applicable to that Bureau, as follows:

GENERAL INVESTIGATIONS

For engineering and economic investigations of proposed Federal reclamation projects and studies of water conservation and development plans and activities preliminary to the reconstruction, rehabilitation, and betterment, financial adjustment, or extension of existing projects, to remain available until expended, $19,065,000, of which $17,300,000 shall be derived from the reclamation fund: Provided, That none of this appropriation shall be used for more than one-half of the cost of an investigation requested by a State, municipality, or other interest: Provided further, That $360,000 of this appropriation shall be transferred to the Bureau of Sport Fisheries and Wildlife...
for studies, investigations, and reports thereon as required by the Fish and Wildlife Coordination Act of 1958 (72 Stat. 563-565) to provide that wildlife conservation shall receive equal consideration and be coordinated with other features of water-resource development programs of the Bureau of Reclamation.

CONSTRUCTION AND REHABILITATION

For construction and rehabilitation of authorized reclamation projects or parts thereof (including power transmission facilities) and for other related activities, as authorized by law, to remain available until expended, $186,793,000, of which $115,000,000 shall be derived from the reclamation fund: Provided, That no part of this appropriation shall be used to initiate the construction of transmission facilities within those areas covered by power wheeling service contracts which include provision for service to Federal establishments and preferred customers, except those transmission facilities for which construction funds have been heretofore appropriated, those facilities which are necessary to carry out the terms of such contracts or those facilities for which the Secretary of the Interior finds the wheeling agency is unable or unwilling to provide for the integration of Federal projects or for service to a Federal establishment or preferred customer: Provided further, That the final point of discharge for the interceptor drain for the San Luis unit shall not be determined until development by the Secretary of the Interior and the State of California of a plan, which shall conform with the water quality standards of the State of California as approved by the Secretary of the Interior, to minimize any detrimental effect of the San Luis drainage waters: Provided further, That not to exceed $1,000,000 of this appropriation shall be available for replacement of cast-in-place concrete pipe in the South Gila Unit, Yuma Mesa Division, Gila Project, Arizona, which shall be nonreimbursable: Provided further, That of the amount herein appropriated not to exceed $5,000 for the Westland Irrigation District, Oregon, $5,000 for the Tumalo Irrigation District, Oregon, and $5,000 for the Cascade Irrigation District, Ellensburg, Washington, shall be available to initiate a rehabilitation and betterment program under the Act of October 7, 1949 (63 Stat. 724), as amended, to be repaid in full under conditions satisfactory to the Secretary of the Interior: Provided further, That of the amount herein appropriated not to exceed $140,000 may be used for archeological salvage of the cargo of the steamboat Bertrand in the Missouri River Basin.

UPPER COLORADO RIVER STORAGE PROJECT

For the Upper Colorado River Storage Project, as authorized by the Act of April 11, 1956 (43 U.S.C. 620d), to remain available until expended, $22,375,000, of which $21,230,000 shall be available for the "Upper Colorado River Basin Fund", authorized by section 5 of said Act of April 11, 1956, and $1,145,000 shall be available for construction of recreational and fish and wildlife facilities authorized by section 8 thereof, and may be expended by bureaus of the Department through or in cooperation with State or other Federal agencies, and advances to such Federal agencies are hereby authorized: Provided, That no part of the funds herein approved shall be available for construction or operation of facilities to prevent waters of Lake Powell from entering any national monument.
COLORADO RIVER BASIN PROJECT

For advances to the Lower Colorado River Basin Development Fund, as authorized by section 403 of the Act of September 30, 1968 (82 Stat. 894), for the construction, operation, and maintenance of projects authorized by Title III of said Act, to remain available until expended, $7,695,000, of which $5,748,000 is for liquidation of contract authority provided by section 303(b) of said Act.

OPERATION AND MAINTENANCE

For operation and maintenance of reclamation projects or parts thereof and other facilities, as authorized by law; and for a soil and moisture conservation program on lands under the jurisdiction of the Bureau of Reclamation, pursuant to law, $57,800,000, of which $44,240,000 shall be derived from the reclamation fund and $8,118,000 shall be derived from the Colorado River Dam fund: Provided, That funds advanced by water users for operation and maintenance of reclamation projects or parts thereof shall be deposited to the credit of this appropriation and may be expended for the same objects and in the same manner as sums appropriated herein may be expended, and the unexpended balances of such advances shall be credited to the appropriation for the next succeeding fiscal year.

LOAN PROGRAM

For loans to irrigation districts and other public agencies for construction of distribution systems on authorized Federal reclamation projects, and for loans and grants to non-Federal agencies for construction of projects, as authorized by the Acts of July 4, 1955, as amended (43 U.S.C. 421a—421d), and August 6, 1956 (43 U.S.C. 422a—422k), as amended, including expenses necessary for carrying out the program, $8,550,000, to remain available until expended: Provided, That any contract under the Act of July 4, 1955 (69 Stat. 244), as amended, not yet executed by the Secretary, which calls for the making of loans beyond the fiscal year in which the contract is entered into shall be made only on the same conditions as those prescribed in section 12 of the Act of August 4, 1939 (53 Stat. 1187, 1197).

GENERAL ADMINISTRATIVE EXPENSES

For necessary expenses of general administration and related functions in the offices of the Commissioner of Reclamation and in the regional offices of the Bureau of Reclamation, $13,652,000, to be derived from the reclamation fund and to be nonreimbursable pursuant to the Act of April 19, 1945 (43 U.S.C. 377): Provided, That no part of any other appropriation in this Act shall be available for activities or functions budgeted for the current fiscal year as general administrative expenses.

SPECIAL FUNDS

Sums herein referred to as being derived from the reclamation fund, the Colorado River Dam fund, or the Colorado River development fund, are appropriated from the special funds in the Treasury created by the Act of June 17, 1902 (43 U.S.C. 391), the Act of December 21, 1928 (43 U.S.C. 617a), and the Act of July 10, 1940 (43 U.S.C. 618a), respectively. Such sums shall be transferred, upon
request of the Secretary, to be merged with and expended under the heads herein specified; and the unexpended balances of sums transferred for expenditure under the heads “Operation and Maintenance” and “General Administrative Expenses” shall revert and be credited to the special fund from which derived.

ADMINISTRATIVE PROVISIONS

Appropriations to the Bureau of Reclamation shall be available for purchase of not to exceed thirty-eight passenger motor vehicles for replacement only; payment of claims for damage to or loss of property, personal injury, or death arising out of activities of the Bureau of Reclamation; payment, except as otherwise provided for, of compensation and expenses of persons on the rolls of the Bureau of Reclamation appointed as authorized by law to represent the United States in the negotiations and administration of interstate compacts without reimbursement or return under the reclamation laws; rewards for information or evidence concerning violations of law involving property under the jurisdiction of the Bureau of Reclamation; performance of the functions specified under the head “Operation and Maintenance Administration”, Bureau of Reclamation, in the Interior Department Appropriation Act, 1945; preparation and dissemination of useful information including recordings, photographs, and photographic prints; and studies of recreational uses of reservoir areas, and investigation and recovery of archeological and paleontological remains in such areas in the same manner as provided for in the Act of August 21, 1935 (16 U.S.C. 461-467): Provided, That no part of any appropriation made herein shall be available pursuant to the Act of April 19, 1945 (43 U.S.C. 377), for expenses other than those incurred on behalf of specific reclamation projects except “General Administrative Expenses” and amounts provided for reconnaissance, basin surveys, and general engineering and research under the head “General Investigations”.

Allotments to the Missouri River Basin project from the appropriation under the head “Construction and rehabilitation” shall be available additionally for said project for those functions of the Bureau of Reclamation provided for under the head “General Investigations” (but this authorization shall not preclude use of the appropriation under said head within that area), and for continuation of investigations by agencies of the Department on a general plan for the development of the Missouri River Basin. Such allotments may be expended through or in cooperation with State and other Federal agencies, and advances to such agencies are hereby authorized.

Sums appropriated herein which are expended in the performance of reimbursable functions of the Bureau of Reclamation shall be returnable to the extent and in the manner provided by law: Provided, That net revenues of not to exceed $36,000 arising from the lease of grazing and agricultural lands within the Tule Lake and Lower Klamath Lake Divisions, as determined by the Secretary, may be credited to the cost incurred in the negotiation of contracts for the purpose of transferring responsibility of operation and maintenance of project facilities to the project water users associations, notwithstanding the provisions of section 2(c) of the Act of June 17, 1944, and sections 2(a), 2(b), and 2(c) of the Act of August 1, 1956.

No part of any appropriation for the Bureau of Reclamation, contained in this Act or in any prior Act, which represents amounts earned under the terms of a contract but remaining unpaid, shall be
obligated for any other purpose, regardless of when such amounts are to be paid: Provided. That the incurring of any obligation prohibited by this paragraph shall be deemed a violation of section 3679 of the Revised Statutes, as amended (31 U.S.C. 665).

No funds appropriated to the Bureau of Reclamation for operation and maintenance, except those derived from advances by water users, shall be used for the particular benefits of lands (a) within the boundaries of an irrigation district, (b) of any member of a water users' organization, or (c) of any individual when such district, organization, or individual is in arrears for more than twelve months in the payment of charges due under a contract entered into with the United States pursuant to laws administered by the Bureau of Reclamation.

Not to exceed $225,000 may be expended from the appropriation "Construction and rehabilitation" for work by force account on any one project or Missouri River Basin unit and then only when such work is unsuitable for contract or no acceptable bid has been received and, other than otherwise provided in this paragraph or as may be necessary to meet local emergencies, not to exceed 12 per centum of the construction allotment for any project from the appropriation "Construction and rehabilitation" contained in this Act shall be available for construction work by force account: Provided. That this paragraph shall not apply to work performed under the Rehabilitation and Betterment Act of 1949 (63 Stat. 724).

**Alaska Power Administration**

**General Investigations**

For engineering and economic investigations to promote the development and utilization of the water, power and related resources of Alaska, $600,000, to remain available until expended: Provided. That $68,000 of this appropriation shall be transferred to the Bureau of Sport Fisheries and Wildlife for studies, investigations, and reports thereon, as required by the Fish and Wildlife Coordination Act of 1958 (72 Stat. 563-565).

**Operation and Maintenance**

For necessary expenses of operation and maintenance of projects in Alaska and of marketing electric power and energy, $400,000.

**Bonneville Power Administration**

**Construction**

For construction and acquisition of transmission lines, substations, and appurtenant facilities, as authorized by law, $91,600,000, to remain available until expended: Provided. That not more than $150,000 of the funds appropriated herein shall be available for preliminary engineering required by the Bonneville Power Administration in connection with the proposed agreements relating to three non-federally financed generating plants proposed under the hydro-thermal program to be sponsored jointly or severally by the Washington Public Power Supply System, Seattle City Light, Tacoma City Light, Snohomish County PUD and the Puget Sound Power and Light Company, pursuant to which the Bonneville Power Administration will acquire from preference customers and pay by net billing for generating capability from non-federally financed thermal generating plants in the manner described in the committee report.
OPERATION AND MAINTENANCE

For necessary expenses of operation and maintenance of the Bonneville transmission system and of marketing electric power and energy, $23,600,000.

ADMINISTRATIVE PROVISIONS

Appropriations of the Bonneville Power Administration shall be available to carry out all the duties imposed upon the Administrator pursuant to law. Appropriations made herein to the Bonneville Power Administration shall be available in one fund, except that the appropriation herein made for operation and maintenance shall be available only for the service of the current fiscal year.

Other than as may be necessary to meet local emergencies, not to exceed 12 per centum of the appropriation for construction herein made for the Bonneville Power Administration shall be available for construction work by force account or on a hired-labor basis.

SOUTHEASTERN POWER ADMINISTRATION

OPERATION AND MAINTENANCE

For necessary expenses of operation and maintenance of power transmission facilities and of marketing electric power and energy pursuant to the provisions of section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the southeastern power area, $800,000.

SOUTHWESTERN POWER ADMINISTRATION

CONSTRUCTION

For construction and acquisition of transmission lines, substations, and appurtenant facilities, and for administrative expenses connected therewith, in carrying out the provisions of section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the southwestern power area, $950,000, to remain available until expended.

OPERATION AND MAINTENANCE

For necessary expenses of operation and maintenance of power transmission facilities and of marketing electric power and energy pursuant to the provisions of section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the southwestern power area, including purchase of not to exceed three passenger motor vehicles for replacement only, $5,100,000.

OFFICE OF THE SECRETARY

UNDERGROUND ELECTRIC POWER TRANSMISSION RESEARCH

For necessary expenses of research and development in underground electric power transmission, $750,000, to remain available until expended.

GENERAL PROVISIONS—DEPARTMENT OF THE INTERIOR

Sec. 301. Appropriations in this title shall be available for expenditure or transfer (within each bureau or office), with the approval of the Secretary, for the emergency reconstruction, replacement or repair of aircraft, buildings, utilities, or other facilities or equipment damaged or destroyed by fire, flood, storm, or other unavoidable causes: Provided, That no funds shall be made available under this authority.
until funds specifically made available to the Department of the Interior for emergencies shall have been exhausted.

Sec. 302. The Secretary may authorize the expenditure or transfer (within each bureau or office) of any appropriation in this title, in addition to the amounts included in the budget programs of the several agencies, for the suppression or emergency prevention of forest or range fires on or threatening lands under jurisdiction of the Department of the Interior.

Sec. 303. Appropriations in this title shall be available for operation of warehouses, garages, shops, and similar facilities, wherever consolidation of activities will contribute to efficiency or economy, and said appropriations shall be reimbursed for services rendered to any other activity in the same manner as authorized by the Act of June 30, 1932 (31 U.S.C. 686): Provided, That reimbursements for costs of supplies, materials, and equipment, and for services rendered may be credited to the appropriation current at the time such reimbursements are received.

Sec. 304. No part of any funds made available by this Act to the Southwestern Power Administration may be made available to any other agency, bureau, or office for any purposes other than for services rendered pursuant to law to the Southwestern Power Administration.

WATER RESOURCES PLANNING

For expenses necessary in carrying out the provisions of the Water Resources Planning Act of 1965 (42 U.S.C. 1962-1962d-5), including services as authorized by 5 U.S.C. 3109, but at rates not to exceed $100 per diem for individuals, and hire of passenger motor vehicles, $5,150,000, to remain available until expended, including $725,000 for carrying out the provisions of title I and administering the provisions of titles II, III, and IV of the Act, $825,000 for expenses of river basin commissions under title II of the Act, and $3,600,000 for grants to States under title III of the Act: Provided, That the share of the expenses of any river basin commission borne by the Federal Government pursuant to title II of the Act shall not exceed $250,000 annually for recurring operating expenses, including the salary and expenses of the chairman.

TITLE V—GENERAL PROVISIONS

DEPARTMENTS, AGENCIES, AND CORPORATIONS

Sec. 501. Unless otherwise specifically provided, the maximum amount allowable during the current fiscal year in accordance with section 16 of the Act of August 2, 1946 (60 Stat. 810), for the purchase of any passenger motor vehicle (exclusive of buses and ambulances), is hereby fixed at $1,650 except station wagons for which the maximum shall be $1,950.

Sec. 502. Unless otherwise specified and during the current fiscal year, no part of any appropriation contained in this or any other Act shall be used to pay the compensation of any officer or employee of the Government of the United States (including any agency the majority of the stock of which is owned by the Government of the United States) whose post of duty is in continental United States unless such person (1) is a citizen of the United States, (2) is a person in the service of the United States on the date of enactment of this Act, who, being eligible for citizenship, had filed a declaration of intention to become a citizen of the United States prior to such date, (3) is a person who owes allegiance to the United States, or (4) is an alien from Poland or the Baltic countries lawfully admitted to the United States for permanent residence: Provided, That for the purpose of this section, an affidavit signed by any such person shall be considered prima facie evidence that the requirements of this section with respect to his status have been complied with: Provided further, That any person making a false affidavit shall be guilty of
a felony, and, upon conviction, shall be fined not more than $4,000 or
imprisoned for not more than one year, or both: Provided further,
That the above penal clause shall be in addition to, and not in substitu­
tion for, any other provisions of existing law: Provided further,
That any payment made to any officer or employee contrary to the
provisions of this section shall be recoverable in action by the Federal
Government. This section shall not apply to citizens of the Republic
of the Philippines or to nationals of those countries allied with the
United States in the current defense effort, or to temporary employ­
ment of translators, or to temporary employment in the field service
(not to exceed sixty days) as a result of emergencies.

Sec. 503. Appropriations of the executive departments and inde­
pendent establishments for the current fiscal year, available for ex­
penses of travel or for the expenses of the activity concerned, are
hereby made available for quarters allowances and cost-of-living allow­
ances, in accordance with title II of the Act of September 6, 1960 (74
Stat. 793).

Sec. 504. No part of any appropriation for the current fiscal year
contained in this or any other Act shall be paid to any person for the
filling of any position for which he or she has been nominated after
the Senate has voted not to approve the nomination of said person.

Sec. 505. No part of any appropriation contained in this or any other
Act for the current fiscal year shall be used to pay in excess of $4 per
volume for the current and future volumes of the United States Code,
Annotated, and such volumes shall be purchased on condition and with
the understanding that latest published cumulative annual pocket
parts issued prior to the date of purchase shall be furnished free of
charge, or in excess of $4.25 per volume for the current or future
volumes of the Lifetime Federal Digest, or in excess of $6.50 per volume
for the current or future volumes of the Modern Federal Practice
Digest.

Sec. 506. Funds made available by this or any other Act for admin­
istrative expenses in the current fiscal year of the corporations and
agencies subject to the Government Corporation Control Act, as
amended (31 U.S.C. 741), shall be available, in addition to objects for
which such funds are otherwise available, for rent in the District of
Columbia; services in accordance with 5 U.S.C. 3109; and the objects
specified under this head, all the provisions of which shall be applicable
to the expenditure of such funds unless otherwise specified in the Act
by which they are made available: Provided, That in the event any
functions budgeted as administrative expenses are subsequently trans­
ferred to or paid from other funds, the limitations on administrative
expenses shall be correspondingly reduced.

Sec. 507. Pursuant to section 1415 of the Act of July 15, 1952 (66
Stat. 662), foreign credits (including currencies) owed to or owned
by the United States may be used by Federal agencies for any purpose
for which appropriations are made for the current fiscal year (includ­
ing the carrying out of Acts requiring or authorizing the use of such
credits), only when reimbursement therefor is made to the Treasury
from applicable appropriations of the agency concerned: Provided,
That such credits received as exchange allowances or proceeds of
sales of personal property may be used in whole or part payment for
acquisition of similar items, to the extent and in the manner authorized
by law, without reimbursement to the Treasury.

Sec. 508. No part of any appropriation contained in this or any
other Act, or of the funds available for expenditure by any corporation
or agency, shall be used for publicity or propaganda purposes designed
to support or defeat legislation pending before Congress.
Sec. 509. No part of any appropriation contained in this Act shall remain available for obligation beyond the current fiscal year unless expressly so provided herein.

Sec. 510. No part of any appropriation contained in this or any other Act, shall be available to finance interdepartmental boards, commissions, councils, committees, or similar groups under section 214 of the Independent Offices Appropriation Act, 1946 (31 U.S.C. 691) which do not have prior and specific congressional approval of such method of financial support.

This Act may be cited as the "Public Works for Water, Pollution Control, and Power Development and Atomic Energy Commission Appropriation Act, 1971".

Approved October 7, 1970.
