AN ACT

December 23, 1971
[S. 1828]

To amend the Public Health Service Act so as to strengthen the National Cancer Institute and the National Institutes of Health in order more effectively to carry out the national effort against cancer.

The National
Cancer Act of
1971.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SHORT TITLE

SECTION 1. This Act may be cited as "The National Cancer Act of 1971".

FINDINGS AND DECLARATION OF PURPOSE

SEC. 2. (a) The Congress finds and declares—

- (1) that the incidence of cancer is increasing and cancer is the disease which is the major health concern of Americans today;
- (2) that new scientific leads, if comprehensively and energetically pursued, offer the promise of a more effective means of cancer prevention and control.
