Older Americans
Comprehensive
Services Amend-
ments of 1973.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Older Americans Comprehensive Services Amendments of 1973".

TITLE I—DECLARATION OF OBJECTIVES

FINDINGS AND PURPOSES

SEC. 101. The Congress finds that millions of older citizens in this Nation are suffering unnecessary harm from the lack of adequate services. It is therefore the purpose of this Act, in support of the objectives of the Older Americans Act of 1965, to—

(1) make available comprehensive programs which include a full range of health, education, and social services to our older citizens who need them,

(2) give full and special consideration to older citizens with special needs in planning such programs, and, pending the availability of such programs for all older citizens, give priority to the elderly with the greatest economic and social need,

(3) provide comprehensive programs which will assure the coordinated delivery of a full range of essential services to our older citizens, and, where applicable, also furnish meaningful employment opportunities for many individuals, including older persons, young persons, and volunteers from the community, and

(4) insure that the planning and operation of such programs will be undertaken as a partnership of older citizens, community agencies, and State and local governments, with appropriate assistance from the Federal Government.

SEC. 102. Section 101(8) of the Older Americans Act of 1965 is amended by inserting after "services" the following: ", including access to low-cost transportation,".
