### TITLE I—FINDINGS AND DECLARATION OF PURPOSE

#### FINDINGS

SEC. 101. (a) The Congress hereby finds that—

42 USC 5601.

(1) juveniles account for almost half the arrests for serious crimes in the United States today;

(2) understaffed, overcrowded juvenile courts, probation services, and correctional facilities are not able to provide individualized justice or effective help;

(3) present juvenile courts, foster and protective care programs, and shelter facilities are inadequate to meet the needs of the countless, abandoned, and dependent children, who, because of this failure to provide effective services, may become delinquents;

(4) existing programs have not adequately responded to the particular problems of the increasing numbers of young people who are addicted to or who abuse drugs, particularly nonopiate or polydrug abusers;
