Obligated service in excess of twelve years will not be used for bonus computation.

"(c) For the purpose of computing the reenlistment bonus in the case of an officer with prior enlisted service who may be entitled to a bonus under subsection (a) of this section, the monthly basic pay of the grade in which he is enlisted, computed in accordance with his years of service computed under section 205 of this title, shall be used instead of the monthly basic pay to which he was entitled at the time of his release from active duty as an officer.
