insured under Veterans' Group Life Insurance who again becomes insured under Servicemen's Group Life Insurance may within sixty days after becoming so insured convert any or all of his Veterans' Group Life Insurance to an individual policy of insurance under subsection (e) of this section. However, if such a person dies within the sixty-day period and before converting his Veterans' Group Life Insurance, Veterans' Group Life Insurance will be payable only if he is insured for less than \$20,000 under Servicemen's Group Life Insurance, and then only in an amount which when added to the amount of Servicemen's Group Life Insurance payable shall not exceed \$20,000.

In any case in which a member or former member who was mentally incompetent on the date he first became insured under Veterans' Group Life Insurance dies within one year of such date, such insurance shall be deemed not to have lapsed for nonpayment of premiums and to have been in force on the date of death. Where insurance is in force under the preceding sentence, any unpaid premiums may be deducted from the proceeds of the insurance. However, any designation of beneficiary or beneficiaries for Servicemen's Group Life Insurance filed with a uniformed service until changed, shall be considered a designation of beneficiary or beneficiaries for Veterans' Group Life Insurance, but not for more than sixty days after the effective date of the insured's Veterans' Group Insurance, unless at the end of such sixty-day period, the insured is incompetent in which event such designation may continue in force until the disability is removed but not for more than five years after the effective date of the insured's Veterans' Group Life Insurance. Except as indicated above in incompetent cases, after such sixty-day period, any designation of beneficiary or beneficiaries for Veterans' Group Life Insurance to be effective must be by a writing signed by the insured and received by the administrative office established under section 766(b) of this title.

“(e) An insured under Veterans’ Group Life Insurance shall have the right to convert such insurance to an individual policy of life insurance upon written application for conversion made to the participating company he selects and payment of the required premiums. The individual policy will be issued without medical examination on a plan then currently written by such company which does not provide for the payment of any sum less than the face value thereof or for the payment of an additional amount as premiums in the event the insured performs active duty, active duty for training, or inactive duty training. The individual policy will be effective the day after the insured’s Veterans’ Group Life Insurance terminates by expiration of the five-year term period, except in a case where the insured is eligible to convert at an earlier date by reason of again having become insured under Servicemen’s Group Life Insurance, in which event the effective date of the individual policy may not be later than the sixty-first day after he again became so insured. Upon request to the administrative office established under section 766(b) of this title, an insured under Veterans’ Group Life Insurance shall be furnished a list of life insurance companies participating in the program established under this subchapter.
