AN ACT

For the relief of Michael D. Manemann.

Michael D.
Manemann.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) in accordance with conclusions of the Report of the Review Panel, filed October 10, 1973, pursuant to sections 1492 and 2509 of title 28, United States Code, in Congressional Reference Case Numbered 3-71, before the Chief Commissioner of the Court of Claims, entitled "Michael D. Manemann against The United States," the Secretary is authorized and directed to pay, out of any money in the Treasury not otherwise appropriated, to Michael D. Manemann, a former military dependent, the sum of \$27,000, in full satisfaction of all claims (including those for lost earnings, pain and suffering, and residual disability) of the said Michael D. Manemann against the United States resulting from the actions occurring overseas, of medical personnel of the United States Air Force who, it was found, in 1962 negligently failed to diagnose the existence of tuberculosis, at which time X-rays then taken showed a suspicious condition which should have led to further studies and to treatment which would probably have then obviated the need for surgery which was subsequently undertaken upon the discovery of advanced tuberculosis in 1965.

(b) No part of the amount appropriated in this Act in excess of 10 per centum thereof shall be paid or delivered to or received by any agent or attorney on account of services rendered in connection with this claim, and the same shall be unlawful, any contract to the contrary notwithstanding. Any person violating the provisions of this Act shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not exceeding \$1,000.

Approved December 31, 1974.
