

Proclamation 4538

November 11, 1977

Import Fees on Sugar, Sirups, and Molasses

By the President of the United States of America

A Proclamation

1. The Secretary of Agriculture has advised me that he has reason to believe that certain sugars, sirups, and molasses, derived from sugar cane or sugar beets, classified under items 155.20 and 155.30, of the Tariff Schedules of the United States (TSUS) (19 U.S.C. 1202), are being, or are practically certain to be, imported into the United States under such conditions and in such quantities as to render or tend to render ineffective, or to materially interfere with, the price support operations now being conducted by the Department of Agriculture for sugar cane and sugar beets, or to reduce substantially the amount of any product being processed in the United States from domestic sugar beets and sugar cane.

2. I agree that there is reason for such belief by the Secretary of Agriculture. Therefore, I am requesting the United States International Trade Commission to make an immediate investigation with respect to this matter pursuant to section 22 of the Agricultural Adjustment Act, as amended (7 U.S.C. 624), and to report its findings and recommendations to me as soon as possible.

3. The Secretary of Agriculture has also determined and reported to me, with regard to such sugars, sirups, and molasses, that a condition exists which requires emergency treatment, and that the import fees hereinafter proclaimed should be imposed without awaiting the report and recommendations of the United States International Trade Commission.

4. I find and declare that the imposition of import fees hereinafter proclaimed, without awaiting the recommendations of the United States International Trade Commission with respect to such action, is necessary in order that the entry, or withdrawal from warehouse, for consumption of certain sugars, sirups, and molasses, described below by value, use and physical description, and classified under TSUS items 155.20 and 155.30, will not render or tend to render ineffective, or materially interfere with, the price support operations now being conducted by the Department of Agriculture for sugar cane or sugar beets, or reduce substantially the amount of any product processed in the United States from domestic sugar beets or sugar cane.

NOW, THEREFORE, I, JIMMY CARTER, President of the United States of America, acting under the authority vested in me by the Constitution and Statutes of the United States of America, including section 22 of the Agricultural Adjustment Act, as amended, do hereby proclaim that Part 3 of the Appendix to the TSUS is amended as follows:
