POLICY STATEMENT ON UNITED STATES ARMS SALES TO ISRAEL

Sec. 26. In accordance with the historic special relationship between the United States and Israel and previous agreements and continuing understandings, the Congress joins with the President in reaffirming that a policy of restraint in United States arms transfers, including arms sales ceilings, shall not impair Israel's deterrent strength or undermine the military balance in the Middle East.
SEC. 27. The President shall undertake a review of all regulations relating to arms control for the purpose of defining and categorizing lethal and non-lethal products and establishing the appropriate level of control for each category.

SEC. 28. (a) (1) It is the sense of the Congress that the President should take all effective measures to assure that the Republic of Korea is cooperating fully with the investigation (including any resulting prosecutions) being conducted by the Department of Justice with respect to allegations of improper activity in the United States by agents of the Republic of Korea.

(2) Accordingly, the President is requested to report to the Congress, within ninety days after the date of enactment of this Act and once during each ninety-day period thereafter while such investigation (including any resulting prosecutions) is underway, with respect to the extent to which the Republic of Korea is cooperating with such investigation.

(b) It is the further sense of the Congress that the President should take all effective measures to assure that the Republic of Korea is cooperating fully with the investigations being conducted by committees of Congress.
