TITLE I—TRIBALLY CONTROLLED COMMUNITY COLLEGES

PURPOSE

Sec. 101. It is the purpose of this title to provide grants for the operation and improvement of tribally controlled community colleges to insure continued and expanded educational opportunities for Indian students.
25 USC 1803. SEC. 102. (a) The Secretary is authorized to make grants pursuant to this title to tribally controlled community colleges to aid in the post-secondary education of Indian students.

(b) Grants made pursuant to this title shall go into the general operating funds of the institution to defray the expense of activities related to education programs for Indian students. Funds provided pursuant to this title shall not be used in connection with religious worship or sectarian instruction.

25 USC 1804. SEC. 103. To be eligible for assistance under this title, a tribally controlled community college must be one which—

(1) is governed by a board of directors or board of trustees a majority of which are Indians;

(2) demonstrates adherence to stated goals, a philosophy, or a plan of operation which is directed to meet the needs of Indians; and

(3) if in operation for more than one year, has students a majority of whom are Indians.

25 USC 1805. SEC. 104. The Secretary shall provide, upon request, technical assistance to tribally controlled community colleges either directly or through contract. In the awarding of contracts for technical assistance, preference shall be given to an organization designated by the tribally controlled community college to be assisted. No authority to enter into contracts provided by this section shall be effective except to the extent authorized in advance by appropriations Acts.

25 USC 1806. SEC. 105. (a) The Secretary is authorized to enter into an agreement with the Assistant Secretary of Education of the Department of Health, Education, and Welfare to assist the Bureau of Indian Affairs in developing plans, procedures, and criteria for conducting the feasibility studies required by this section. Such agreement shall provide for continuing technical assistance in the conduct of such studies.

(b) The Secretary, within thirty days after a request by any Indian tribe, shall initiate a feasibility study to determine whether there is justification to encourage and maintain a tribally controlled community college, and, upon a positive determination, shall aid in the preparation of grant applications and related budgets which will insure successful operation of such an institution.

(c) Funds to carry out the purposes of this section for any fiscal year may be drawn from either—

(1) general administrative appropriations to the Secretary made after the date of enactment of this Act for such fiscal year; or

(2) not more than 10 per centum of the funds appropriated to carry out section 108 for such fiscal year.
SEC. 106. (a) Grants shall be made under this title only in response to applications by tribally controlled community colleges. Such applications shall be submitted at such time, in such manner, and will contain or be accompanied by such information as the Secretary may reasonably require pursuant to regulations. The Secretary shall not consider any grant application unless a feasibility study has been conducted under section 105 and it has been found that the applying community college will service a reasonable student population.

(b) The Secretary shall consult with the Assistant Secretary of Education of the Department of Health, Education, and Welfare to determine the reasonable number of students required to support a tribally controlled community college. Consideration shall be given to such factors as tribal and cultural differences, isolation, the presence of alternate education sources, and proposed curriculum.

(c) Priority in grants shall be given to institutions which are operating on the date of enactment of this Act and which have a history of service to the Indian people. In the first year for which funds are appropriated to carry out this section, the number of grants shall be limited to not less than eight nor more than fifteen.

(d) In making grants pursuant to this section, the Secretary shall, to the extent practicable, consult with national Indian organizations and with tribal governments chartering the institutions being considered.

(e) The Secretary shall report to Congress on January 15 of each year the current status of tribally controlled community colleges and his recommendations for needed action.

AMOUNT OF GRANTS

SEC. 107. (a) Except as provided in section 110, the Secretary shall, for each academic year, grant to each tribally controlled community college having an application approved by him, an amount equal to $4,000 for each full-time equivalent Indian student in attendance at such college during such academic year, as determined by the Secretary in accordance with such regulations as he may prescribe, except that no grant shall exceed the total annual cost of the education program provided by such college.

(b) The Secretary shall make payments, pursuant to grants under this title, in advance installments of not less than 40 per centum of the funds available for allotment, based on anticipated or actual numbers of full-time equivalent Indian students or such other factors as determined by the Secretary. Adjustments for overpayments and underpayments shall be applied to the remainder of such funds and such remainder shall be delivered no later than July 1 of each year.

(c) (1) Each institution receiving payments under this title shall annually provide to the Secretary an accurate and detailed accounting of its operating and maintenance expenses and such other information concerning costs as the Secretary may request.

(2) The Secretary shall, in consultation with the National Center for Education Statistics, establish a data collection system for the purpose of obtaining accurate information with respect to the needs and costs of operation and maintenance of tribally controlled community colleges. The Secretary shall report annually to the Congress on such needs.
EFFECT ON OTHER PROGRAMS

25 USC 1809. Sec. 108. Except as specifically provided in this title, eligibility for assistance under this title shall not, by itself, preclude the eligibility of any tribally controlled college to receive Federal financial assistance under any program authorized under the Higher Education Act of 1965 or any other applicable program for the benefit of institutions of higher education, community colleges, or postsecondary educational institutions.

APPROPRIATIONS AUTHORIZED

25 USC 1810. Sec. 109. (a) (1) There are authorized to be appropriated, for carrying out section 106, $25,000,000 for each of the fiscal years beginning October 1, 1979, and October 1, 1980, and $30,000,000 for the fiscal year beginning October 1, 1981.

(2) There are authorized to be appropriated $3,200,000 for each of such three fiscal years, for the provision of technical assistance pursuant to section 104.

(b) Unless otherwise provided in appropriations Acts, funds appropriated pursuant to this section shall remain available until expended.

(c) Nothing in this title shall be deemed to authorize appropriations for the fiscal year beginning October 1, 1978.

GRANT ADJUSTMENTS

25 USC 1811. Sec. 110. (a) If the sums appropriated for any fiscal year for grants under this title are not sufficient to pay in full the total amounts which approved grant applicants are eligible to receive under this title for that fiscal year, the amounts which such applicants are eligible to receive under this title for such fiscal year shall be ratably reduced. In case additional funds become available for making such payments for the same fiscal year, such reduced amounts shall be increased on the same basis as they were reduced. Sums appropriated in excess of the amount necessary to pay in full such total eligible amounts shall be allocated by ratably increasing such total eligible amounts.

(b) In any fiscal year in which the amounts for which grant recipients are eligible to receive have been reduced under the first sentence of subsection (a) of this section, and in which additional funds have not been made available to pay in full the total of such amounts under the second sentence of such subsection, each grantee shall report to the Secretary any unused portion of received funds ninety days prior to the grant expiration date. The amounts so reported by any grant recipient shall be made available for reallocation to eligible grantees on a basis proportionate to the amount which is unfunded as a result of the ratable reduction, but no grant recipient shall receive, as a result of such reallocation, more than the amount provided for under section 106(a) of this title.

REPORT ON CURRENT FACILITIES

25 USC 1812. Report to Congress. Sec. 111. The Secretary shall, not later than ninety days after the date of enactment of this Act, prepare and submit a report to the Congress containing a survey of existing and planned physical facilities of tribally controlled community colleges, including in his report a survey of Bureau of Indian Affairs existing and planned facilities which may be used for tribally controlled community colleges without disruption of current Bureau programs.
STUDY OF FACILITIES NEEDS

Sec. 112. The Secretary shall conduct a detailed survey and study of the academic facilities needs of tribally controlled community colleges and shall report to the Congress not later than November 1, 1979, the results of such survey and study. Such report shall include any recommendations or views submitted by the governing body of any such college and by the governing body of the tribe, and shall include detailed recommendations by the Secretary as to the number, type, and cost of academic facilities which are required, ranking each such required facility by relative need.

MISCELLANEOUS PROVISIONS

Sec. 113. (a) The Navajo Tribe shall not be eligible to participate under the provisions of this title.

(b) (1) The Secretary shall not provide any funds to any institution which denies admission to any Indian student because such individual is not a member of a specific Indian tribe, or which denies admission to any Indian student because such individual is a member of a specific tribe.

(2) The Secretary shall take steps to recover any unexpended and unobligated funds provided under this title held by an institution determined to be in violation of paragraph (1).

and underpayments shall be applied to the remainder of such funds
and such remainder shall be delivered no later than July 1 of each year.

“(c) The Secretary of the Interior is authorized and directed to
establish by rule procedures to insure that all funds appropriated under
this Act are properly identified for grants to the Navajo Community
