Proclamation 4628

December 6, 1978

#### Knoxville International Energy Exposition of 1982

*By the President of the United States of America*

#### A Proclamation

In May 1982, a six-month International Energy Exposition will open in Knoxville, Tennessee, inviting the nations of the world to think anew of man's relationship with the pervasive force of energy which fundamentally shapes the choices people have as to the endurance and enjoyment of life itself. This exposition, whose theme is "Energy Turns the World," will provide a splendid setting in which to explore new technologies to conserve energy, to harness the long-lasting and most renewable sources, and to carry on the search for new sources of energy.

Because of the opportunities which the Exposition offers for a deeper understanding of energy issues and for the stimulation of trade and cultural exchange, this Administration is moving to extend the fullest possible recognition to this event in accordance with Public Law 91-269. On April 26, 1977, I advised the Secretaries of State and Commerce that the Exposition warrants Federal recognition as provided by statute. On April 27, 1977, upon request of the United States, the Bureau of International Expositions officially registered the event as a Special Category exposition by unanimous vote.

22 USC 2801.

Also, in accordance with law, I shall appoint a United States Commissioner General to exercise the responsibility of the United States Government for fulfillment of the Convention of November 22, 1928, Relating to International Expositions, as modified, and to invite the several States of the Union to participate.

NOW, THEREFORE, I, JIMMY CARTER, President of the United States of America, in further recognition of this International Energy Exposition, do hereby authorize and direct the Secretary of State to invite, on my behalf, such foreign countries as he may consider appropriate to participate in this event.

IN WITNESS WHEREOF, I have hereunto set my hand this sixth day of December, in the year of our Lord nineteen hundred and seventy-eight, and of the Independence of the United States of America the two hundred and third.

Proclamation 4629

December 8, 1978

**Imports of Petroleum and Petroleum Products**

*By the President of the United States of America*

**A Proclamation**

The Secretary of Energy has advised me that recent legislation has mandated a change in the treatment accorded residual fuel oil imports under the Emergency Petroleum Allocation Act of 1973, (Section 307 of Public Law 95-465). The congressional intent clearly contemplated simultaneous Presidential action to reduce import fees on residual fuel oil. Therefore, the Secretary recommended that I grant additional fee-exempt licenses under Proclamation No. 3279, as amended.

92 Stat. 1302.

19 USC 1862  
note.

The Secretary also recommended changes in the distribution system for the allocation of fee exempt licenses for imports of residual fuel oil, and changes in the extent to which refunds of license fees may be made for the payment of duties on petroleum and petroleum products.

These changes are consistent with the purposes of Proclamation No. 3279, as amended.

NOW, THEREFORE, I, JIMMY CARTER, President of the United States of America, by the authority vested in me by the Constitution and the laws of the United States, including Section 232 of the Trade Expansion Act of 1962, as amended (19 U.S.C. 1862), do hereby proclaim that:

SECTION 1. Section 3(a)(1)(iii) of Proclamation No. 3279, as amended, is further amended by adding thereto the following:

"Provided, that where the applicable duty on a barrel of crude oil, unfinished oil, or finished product entered on or after Sunday, December 17, 1978, exceeds the amount of the fee paid with respect to that barrel, the reduction shall not exceed the amount of the fee nor may any excess duty be used to reduce the fee on any other barrel."

SEC. 2. Section 4(b)(5) of Proclamation No. 3279, as amended, is further amended by deleting everything after the second sentence.

SEC. 3. Section 4(b) of Proclamation No. 3279, as amended, is further amended by adding thereto a new paragraph (6) as follows:

"(6) With respect to the allocation of imports into District I of residual fuel oil to be used as fuel, the Secretary shall provide until June 30, 1979, for the fair and equitable distribution of such allocation among all persons desiring to import residual fuel oil into District I. For the period beginning July 1, 1979, the Secretary shall provide that the distribution of such allocation shall be based upon a person's actual average calendar day imports in the six calendar months preceding May 1, 1979."

SEC. 4. Section 8 of Proclamation No. 3279, as amended, is further amended by adding at the end thereof the following unnumbered clause:
