For rehabilitation, protection, and improvement of Federal range lands pursuant to section 401 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1701), sums equal to fifty percent of all monies received during the prior fiscal year under sections 3 and 15 of the Taylor Grazing Act (43 U.S.C. 315, et seq.), but not less than \$10,000,000 (43 U.S.C. 1901), and the amount designated for range improvements from grazing fees and mineral leasing receipts from Bankhead-Jones lands transferred to the Department of the Interior pursuant to law, to remain available until expended.

43 USC 1751.

43 USC 315b, 315m.

43 USC 1901.

RECREATION DEVELOPMENT AND OPERATION OF RECREATION FACILITIES

For recreation management activities and for construction, operation, and maintenance of outdoor recreation facilities, including collection of special recreation use fees, to remain available until expended, \$300,000, to be derived from the special receipt accounts established by section 4(f) of the Land and Water Conservation Fund Act (16 U.S.C. 4601-6a(f)), as amended.

16 USC 4601-6a.

SERVICE CHARGES, DEPOSITS, AND FORFEITURES

For administrative expenses and other costs related to processing application documents and other authorizations for use and disposal of public lands and resources, for monitoring construction, operation, and termination of facilities in conjunction with use authorizations, and for rehabilitation of damaged property, such amounts as may be collected under sections 304(a), 304(b), 305(a), and 504(g) of the Act approved October 21, 1976 (43 U.S.C. 1701); and sections 101 and 203 of Public Law 93-153, to be immediately available until expended.

43 USC 1734, 1735, 1764.
30 USC 185.
43 USC 1652.

MISCELLANEOUS TRUST FUNDS

In addition to amounts authorized to be expended under existing law, there is hereby appropriated such amounts as may be contributed under section 307 of the Act of October 21, 1976 (43 U.S.C. 1701), and such amounts as may be advanced for administrative costs, surveys, appraisals, and costs of making conveyances of omitted lands under section 211(b) of that Act.

43 USC 1737.

43 USC 1721.

ADMINISTRATIVE PROVISIONS

Appropriations for the Bureau of Land Management shall be available for purchase, erection, and dismantlement of temporary structures, insurance on official motor vehicles, aircraft, and boats operated by the Bureau of Land Management in Canada; and alteration and maintenance of necessary buildings and appurtenant facilities to which the United States has title; \$10,000 for payment, at the discretion of the Secretary, for information or evidence concerning violations of laws administered by the United States Bureau of Land Management; miscellaneous and emergency expenses of enforcement activities, authorized or approved by the Secretary and to be accounted for solely on his certificate, not to exceed \$10,000: *Provided*, That appropriations herein made for the Bureau of Land Management expenditures in connection with the revested Oregon and California Railroad and reconveyed Coos Bay Wagon Road grant lands (other than expenditures made under the appropriation "Oregon and California grant lands") shall be reimbursed to the general fund of the Treasury from the 25 per centum referred to in subsection (c), title II, of the Act approved August 28, 1937 (50 Stat. 876), of the special fund designated the "Oregon and California land grant fund" and section 4 of the Act approved May 24, 1939 (53 Stat. 754), of the special fund designated the "Coos Bay Wagon Road grant fund": *Provided further*, That appropriations herein made may be expended on a reimbursable basis for (1) surveys of lands other than those under the jurisdiction of the Bureau of Land Management and (2) protection of lands for the State of Alaska: *Provided further*, That the Secretary of the Interior and Secretary of Agriculture shall (a) review Federal agricultural financial assistance programs to determine to what extent such programs provide opportunities to assist livestock operators adversely affected by reductions in grazing allotments on public rangelands, as defined in the section 3 of the Public Rangelands Improvement Act of 1978 (43 U.S.C. 1902); and (b) submit the results of this review to the Committees on Appropriations of the House of Representatives and the Senate within ninety days of the effective date of this Act, together with details on available programs, opportunities for more effective use of such programs, additional budget requirements needed to augment such programs, and any legislation needed to improve opportunities for assistance: *Provided further*, That the Secretary of the Interior shall develop criteria for extending, on a case-by-case basis, the period allowed for phased livestock reductions on public rangelands administered through the Bureau of Land Management up to five years. Such criteria shall take into account available agricultural assistance programs, the magnitude of projected livestock reductions, alternative pasturage available and ability of such public rangelands to sustain such phasing in of livestock reductions without damage to rangeland productivity: *Provided further*, That an appeal of any reductions in grazing allotments on public rangelands must be taken within 30 days after receipt of a final grazing allotment decision or 90 days after the effective date of this Act in the case of reductions ordered during 1979, whichever occurs later. Reductions of up to 10 per centum in grazing allotments shall become effective when so designated by the Secretary of the Interior. Upon appeal any proposed reduction in excess of 10 per centum shall be suspended pending final action on the appeal, which shall be completed within 2 years after the appeal is filed.

DEPARTMENT OF ENERGY

ALTERNATIVE FUELS PRODUCTION

42 USC 5915
note.

In order to expedite the domestic development and production of alternative fuels and to reduce dependence on foreign supplies of energy resources by establishing such domestic production at maximum levels at the earliest time practicable, there is hereby established in the Treasury of the United States a special fund to be designated the "Energy Security Reserve", to which is appropriated \$19,000,000,000, to remain available until expended: *Provided*, That these funds shall be available for obligation only to stimulate domestic commercial production of alternative fuels and only to the extent provided in advance in appropriations Acts: *Provided further*, That of these funds \$1,500,000,000 shall be available immediately to the Secretary of Energy to carry out the provisions of the Federal Nonnuclear Energy Research and Development Act of 1974, as amended (42 U.S.C. 5901, et seq.), to remain available until expended, for the purchase or production by way of purchase commitments or price guarantees of alternative fuels: *Provided further*, That the Secretary shall immediately begin the contract process for purchases of, or commitments to purchase, or to resell alternative fuels to the extent of appropriations provided herein: *Provided further*, That of these funds an additional \$708,000,000 shall be available immediately to the Secretary of Energy, to remain available until expended, to support preliminary alternative fuels commercialization activities under the Federal Nonnuclear Energy Research and Development Act of 1974, as amended, of which (1) not to exceed \$100,000,000 shall be available for project development feasibility studies, such individual awards not to exceed \$4,000,000: *Provided*, That the Secretary may require repayment of such funds where studies determine that such project proposals have economic or technical feasibility; (2) not

42 USC 5901
note.

to exceed \$100,000,000 shall be available for cooperative agreements with non-Federal entities, such individual agreements not to exceed \$25,000,000 to support commercial scale development of alternative fuels facilities; (3) not to exceed \$500,000,000 shall be available for a reserve to cover any defaults from loan guarantees issued to finance the construction of alternative fuels production facilities as authorized by the Federal Nonnuclear Energy Research and Development Act of 1974, as amended: *Provided*, That the indebtedness guaranteed or committed to be guaranteed under this appropriation shall not exceed the aggregate of \$1,500,000,000; and (4) not to exceed \$8,000,000 shall be available for program management.

42 USC 5901
note.

This Act shall be deemed to satisfy the requirements for congressional action pursuant to sections 7(c) and 19 of said Act with respect to any purchase commitment, price guarantee, or loan guarantee for which funds appropriated hereby are utilized or obligated.

42 USC 5906,
5918.

For the purposes of this appropriation the term "alternative fuels", means gaseous, liquid, or solid fuels and chemical feedstocks derived from coal, shale, tar sands, lignite, peat, biomass, solid waste, unconventional natural gas, and other minerals or organic materials other than crude oil or any derivative thereof.

"Alternative
fuels."

Within ninety days following enactment of this Act, the Secretary of Energy in his sole discretion shall issue a solicitation for applications which shall include criteria for project development feasibility studies described in this account.

Solicitation for
applications.

Loan guarantees for oil shale facilities issued under this appropriation may be used to finance construction of full-sized commercial facilities without regard to the proviso in section 19(b)(1) of said Act requiring the prior demonstration of a modular facility.

In any case in which the Government, under the provisions of this appropriation, accepts delivery of and does not resell any alternative fuels, such fuels shall be used by an appropriate Federal agency. Such Federal agency shall pay into the reserve the market price, as determined by the Secretary, for such fuels from sums appropriated to such Federal agency for the purchase of fuels. The Secretary shall pay the contractor, from sums appropriated herein, the contract price for such fuels.

All amounts received by the Secretary under this appropriation, including fees, any other monies, property, or assets derived by the Secretary from operations under this appropriation shall be deposited in the reserve.

All payments for obligations and appropriate expenses (including reimbursements to other Government accounts), pursuant to operations of the Secretary under this appropriation shall be paid from the reserve subject to appropriations.

For the establishment in the Treasury of the United States of a special fund to be designated the "Solar and Conservation Reserve", \$1,000,000,000 to remain available until expended: *Provided*, That these funds shall be available for obligation only to stimulate solar energy and conservation: *Provided further*, That the withdrawal of said funds shall be subject to the passage of authorizing legislation and only to the extent provided in advance in appropriations Acts.

"Solar and
Conservation
Reserve."

Beginning six months after the date of enactment of this Act, and every six months thereafter, the Secretary is required to submit to the Congress a written report detailing the activities carried out pursuant to this appropriation.

Report to
Congress.
