Small Business
Export
Expansion Act of
1980.
15 USC 631 note.
15 USC 649 note.

SEC. 111. (a) The Congress finds and declares that—

(1) a strong export policy is essential to the health and well-being of the United States economy;

(2) exports of goods and services account for one out of every six jobs in the manufacturing sector and 10 per centum of the gross national product.

(3) every billion dollars in new exports is estimated to provide forty thousand jobs;

(4) there is increased and fierce competition in international markets to United States goods and services;

(5) small businesses account for no more than 10 per centum of all United States export sales;

(6) Federal Government programs are not sufficiently responsive to the needs of small business for export education and development of overseas marketing opportunities necessary to insure that small businesses realize their potential; and

(7) it is in the national interest to systematically and consistently promote and encourage small business participation in international markets.

(b) It is therefore the purpose of this part to encourage and promote small business exporting by—

(1) providing educational and marketing assistance to small businesses;

(2) insuring better access to export information and assistance for small businesses by upgrading and expanding the export development programs and services of the Department of Commerce and the Small Business Administration; and

(3) promoting the competitive viability of such firms in export trade and encouraging increased tourism in the United States by creating a program to provide limited financial, technical, and management assistance as may be necessary.

SEC. 112. Section 7(a) of the Small Business Act is amended by inserting before the phrase "The foregoing powers shall be subject, however," the following new sentences: "The Administration is further empowered, only to such extent and in such amounts as are provided in appropriation Acts, to make or effect either directly or in cooperation with banks or other lending institutions through agreements to participate on an immediate or deferred basis extensions and revolving lines of credit for export purposes to enable small business concerns to develop foreign markets and for preexport financing: *Provided, however*, That no such extension or revolving line of credit may be made for a period or periods exceeding eighteen months. A bank or participating lending institution may establish the rate of interest on extensions and revolving lines of credit as may be legal and reasonable."

revolving lines of
credit.

15 USC 649 note.

"SEC. 22. (a) There is established within the Administration an Office of International Trade which shall implement the programs pursuant to this section.

"(b) The Office shall promote sales opportunities for small business goods and services abroad. To accomplish this objective the office shall—

"(1) provide small businesses with access to current and complete export information by—

"(A) making available, at the Administration's regional offices through cooperation with the Department of Commerce, export information, including, but not limited to, the worldwide information and trade system and world trade data reports;

"(B) maintaining a current list of financial institutions that finance export operations;

"(C) maintaining a current directory of all Federal, regional, State and private sector programs that provide export information and assistance to small businesses; and

"(D) preparing and publishing such reports as it determines to be necessary concerning market conditions, sources of financing, export promotion programs, and other information pertaining to the needs of small business exporting firms so as to insure that the maximum information is made available to small businesses in a readily usable form;

"(2) encourage through cooperation with the Department of Commerce, greater small business participation in trade fairs, shows, missions, and other domestic and overseas export development activities of the Department of Commerce; and

"(3) facilitate decentralized delivery of export information and assistance to small businesses by assigning full-time export development specialists to each Administration regional office and assigning primary responsibility for export development to one person in each district office. Such specialists shall—

"(A) assist small businesses in obtaining export information and assistance from other Federal departments and agencies;

"(B) maintain a current directory of all programs which provide export information and assistance to small businesses within the region;

"(C) encourage financial institutions to develop and expand programs for export financing;

"(D) provide advice to Administration personnel involved in granting loans, loan guarantees, and extensions and revolving lines of credit, and providing other forms of assistance to small businesses engaged in exports; and

"(E) within one hundred and eighty days of their appointment, participate in training programs designed by the Administrator, in conjunction with the Department of Commerce and other Federal departments and agencies, to study export programs and to examine small businesses' needs for export information and assistance."

(b) The amendment made by subsection (a) shall take effect on October 1, 1980, or the date of enactment of this Act, whichever occurs later.

TITLE II—EQUAL ACCESS TO JUSTICE ACT

Equal Access to
Justice Act.

SEC. 201. This title may be cited as the "Equal Access to Justice Act".

5 USC 504 note.

FINDINGS AND PURPOSE

SEC. 202. (a) The Congress finds that certain individuals, partnerships, corporations, and labor and other organizations may be deterred from seeking review of, or defending against, unreasonable governmental action because of the expense involved in securing the vindication of their rights in civil actions and in administrative proceedings.

5 USC 504 note.

(b) The Congress further finds that because of the greater resources and expertise of the United States the standard for an award of fees against the United States should be different from the standard governing an award against a private litigant, in certain situations.

(c) It is the purpose of this title—

(1) to diminish the deterrent effect of seeking review of, or defending against, governmental action by providing in specified situations an award of attorney fees, expert witness fees, and other costs against the United States; and

(2) to insure the applicability in actions by or against the United States of the common law and statutory exceptions to the "American rule" respecting the award of attorney fees.

AWARD OF FEES AND OTHER EXPENSES IN CERTAIN AGENCY ACTIONS

SEC. 203. (a)(1) Subchapter I of chapter 5 of title 5, United States Code, is amended by adding at the end thereof the following new section:

"§ 504. Costs and fees of parties

5 USC 504.

"(a)(1) An agency that conducts an adversary adjudication shall award, to a prevailing party other than the United States, fees and other expenses incurred by that party in connection with that proceeding, unless the adjudicative officer of the agency finds that the position of the agency as a party to the proceeding was substantially justified or that special circumstances make an award unjust.

"(2) A party seeking an award of fees and other expenses shall, within thirty days of a final disposition in the adversary adjudication, submit to the agency an application which shows that the party is a prevailing party and is eligible to receive an award under this section, and the amount sought, including an itemized statement from any attorney, agent, or expert witness representing or appearing in behalf of the party stating the actual time expended and the rate at which fees and other expenses were computed. The party shall also allege that the position of the agency was not substantially justified.

Application for
fees and
expenses,
submittal.

"(3) The adjudicative officer of the agency may reduce the amount to be awarded, or deny an award, to the extent that the party during the course of the proceedings engaged in conduct which unduly and unreasonably protracted the final resolution of the matter in controversy. The decision of the adjudicative officer of the agency under this section shall be made a part of the record containing the final decision of the agency and shall include written findings and conclusions and the reason or basis therefor.

"(b)(1) For the purposes of this section—

Definitions.

- “(A) ‘fees and other expenses’ includes the reasonable expenses of expert witnesses, the reasonable cost of any study, analysis, engineering report, test, or project which is found by the agency to be necessary for the preparation of the party’s case, and reasonable attorney or agent fees (The amount of fees awarded under this section shall be based upon prevailing market rates for the kind and quality of the services furnished, except that (i) no expert witness shall be compensated at a rate in excess of the highest rate of compensation for expert witnesses paid by the agency involved, and (ii) attorney or agent fees shall not be awarded in excess of \$75 per hour unless the agency determines by regulation that an increase in the cost of living or a special factor, such as the limited availability of qualified attorneys or agents for the proceedings involved, justifies a higher fee.);
- 5 USC 551. “(B) ‘party’ means a party, as defined in section 551(3) of this title, which is an individual, partnership, corporation, association, or public or private organization other than an agency, but excludes (i) any individual whose net worth exceeded \$1,000,000 at the time the adversary adjudication was initiated, and any sole owner of an unincorporated business, or any partnership, corporation, association, or organization whose net worth exceeded \$5,000,000 at the time the adversary adjudication was initiated, except that an organization described in section 501(c)(3) of the Internal Revenue Code of 1954 (26 U.S.C. 501(c)(3)) exempt from taxation under section 501(a) of the Code and a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)), may be a party regardless of the net worth of such organization or cooperative association, and (ii) any sole owner of an unincorporated business, or any partnership, corporation, association, or organization, having more than 500 employees at the time the adversary adjudication was initiated;
- 26 USC 501. “(C) ‘adversary adjudication’ means an adjudication under section 554 of this title in which the position of the United States is represented by counsel or otherwise, but excludes an adjudication for the purpose of establishing or fixing a rate or for the purpose of granting or renewing a license; and
- 5 USC 554. “(D) ‘adjudicative officer’ means the deciding official, without regard to whether the official is designated as an administrative law judge, a hearing officer or examiner, or otherwise, who presided at the adversary adjudication.
- “(2) Except as otherwise provided in paragraph (1), the definitions provided in section 551 of this title apply to this section.
- Applications, uniform procedures. “(c)(1) After consultation with the Chairman of the Administrative Conference of the United States, each agency shall by rule establish uniform procedures for the submission and consideration of applications for an award of fees and other expenses. If a court reviews the underlying decision of the adversary adjudication, an award for fees and other expenses may be made only pursuant to section 2412(d)(3) of title 28, United States Code.
- Fee determination, review. “(2) A party dissatisfied with the fee determination made under subsection (a) may petition for leave to appeal to the court of the United States having jurisdiction to review the merits of the underlying decision of the agency adversary adjudication. If the court denies the petition for leave to appeal, no appeal may be taken from the denial. If the court grants the petition, it may modify the determination only if it finds that the failure to make an award, or the calculation of the amount of the award, was an abuse of discretion.

"(d)(1) Fees and other expenses awarded under this section may be paid by any agency over which the party prevails from any funds made available to the agency, by appropriation or otherwise, for such purpose. If not paid by any agency, the fees and other expenses shall be paid in the same manner as the payment of final judgments is made pursuant to section 2414 of title 28, United States Code.

"(2) There is authorized to be appropriated to each agency for each of the fiscal years 1982, 1983, and 1984, such sums as may be necessary to pay fees and other expenses awarded under this section in such fiscal years.

Appropriation
authorization.

"(e) The Chairman of the Administrative Conference of the United States, after consultation with the Chief Counsel for Advocacy of the Small Business Administration, shall report annually to the Congress on the amount of fees and other expenses awarded during the preceding fiscal year pursuant to this section. The report shall describe the number, nature, and amount of the awards, the claims involved in the controversy, and any other relevant information which may aid the Congress in evaluating the scope and impact of such awards. Each agency shall provide the Chairman with such information as is necessary for the Chairman to comply with the requirements of this subsection."

Report to
Congress.

(2) The table of sections of subchapter I of chapter 5 of title 5, United States Code, is amended by adding at the end thereof the following new item:

"504. Costs and fees of parties."

(b) Section 202 of the Act entitled "An Act to amend the Small Business Act and Small Business Investment Act of 1958 to provide additional assistance under such Acts, to create a pollution control financing program for small business, and for other purposes" approved June 4, 1976 (15 U.S.C. 634b), is amended—

(1) by striking out "and" after the semicolon in paragraph (9);

(2) by striking out the period at the end of paragraph (10) and inserting in lieu thereof a semicolon and "and"; and

(3) by adding at the end thereof the following new paragraph:

"(11) advise, cooperate with, and consult with, the Chairman of the Administrative Conference of the United States with respect to section 504(e) of title 5 of the United States Code."

(c) Effective October 1, 1984, section 504, and the item relating to section 504 in the table of sections, of title 5, United States Code, as added by subsection (a) of this section, are repealed, except that the provisions of such section shall continue to apply through final disposition of any adversary adjudication as defined in subsection (b)(1)(C) of such section, initiated before the date of repeal.
