SEC. 202. Section 431(c) (42 U.S.C. 289a(c)) is repealed.

SEC. 203. (a) The heading of section 434 is amended to read as follows:

"NATIONAL INSTITUTE OF ARTHRITIS, DIABETES, AND DIGESTIVE AND KIDNEY DISEASES".

(b) Subsection (a) of section 434 (42 U.S.C. 289c-1(a)) is amended—

(1) by striking out "National Institute of Arthritis, Metabolism, and Digestive Diseases" and inserting in lieu thereof "National Institute of Arthritis, Diabetes, and Digestive and Kidney Diseases";

(2) by striking out "National Arthritis, Metabolism, and Digestive Diseases Advisory Council" and inserting in lieu thereof "National Arthritis, Diabetes, and Digestive and Kidney Diseases Advisory Council"; and

(3) by striking out the last sentence.

(c) Section 434 is amended by striking out subsections (b) through (e) and inserting in lieu thereof the following:

"(b) In the National Institute of Arthritis, Diabetes, and Digestive and Kidney Diseases (hereinafter referred to in this section as the 'Institute') there shall be an Associate Director for Arthritis and Musculoskeletal and Skin Diseases, an Associate Director for Diabetes, Endocrinology, and Metabolic Diseases, an Associate Director for Digestive Diseases, and an Associate Director for Kidney, Urologic, and Hematologic Diseases who, under the supervision of the Director of the Institute, shall be responsible for—

"(1) developing a coordinated plan (including recommendations for expenditures) for each of the national research institutes within the National Institutes of Health with respect to research and training concerning the diseases for which the positions of the Associate Directors were created;

"(2) assessing the adequacy of management approaches for the activities within such institutes concerning such diseases and developing improved approaches if needed;

"(3) monitoring and reviewing expenditures by such institutes concerning such diseases; and

"(4) identifying research opportunities concerning such diseases and recommending ways to utilize such opportunities.

The Director of the Institute shall transmit to the Director of the National Institutes of Health the plans, recommendations, and reviews of the Associate Directors under paragraphs (1) through (4) together with such comments and recommendations as the Director of the Institute determines appropriate.

"(c) There are established within the Advisory Council of the Institute a subcommittee on diabetes and endocrine and metabolic diseases, a subcommittee on arthritis and musculoskeletal and skin diseases, a subcommittee on digestive diseases, and a subcommittee on kidney, urologic, and hematologic diseases. The subcommittees shall be composed of members of the Advisory Council who are outstanding in the diagnosis, prevention, and treatment of the diseases for which the subcommittees are established and members of the Advisory Council who are leaders in the fields of education and public affairs. The subcommittees are authorized to review applications made to the Director for grants for research and training

"(2) There is authorized to be appropriated to carry out this subsection \$2,000,000 for the fiscal year ending September 30, 1981; \$2,000,000 for the fiscal year ending September 30, 1982; and \$2,000,000 for the fiscal year ending September 30, 1983."

Ante, p. 3185.

(f) Subsection (d) of section 435 (as so redesignated) is amended (1) by striking out "this section" and inserting in lieu thereof "this section (other than subsection (c))", (2) by striking out "and" after "1979", and (3) by inserting before the period a comma and the following: "\$14,000,000 for the fiscal year ending September 30, 1981, \$17,000,000 for the fiscal year ending September 30, 1982, and \$20,000,000 for the fiscal year ending September 30, 1983".

Repeals.

SEC. 205. Sections 436, 437, and 440A (42 U.S.C. 289c-3, 289c-4, and 289c-8) are repealed, and the following section is inserted after section 435:

"INTERAGENCY COORDINATING COMMITTEES

42 USC 289c-3.

"SEC. 436. (a) For the purpose of—

"(1) better coordinating the research activities of all the national research institutes relating to arthritis, diabetes mellitus, and digestive diseases; and

"(2) coordinating those aspects of all Federal health programs and activities relating to such diseases to assure the adequacy and technical soundness of such programs and activities and to provide for the full communication and exchange of information necessary to maintain adequate coordination of such programs and activities,

Establishment.

the Secretary shall establish an Arthritis Interagency Coordinating Committee, a Diabetes Mellitus Interagency Coordinating Committee, and a Digestive Diseases Interagency Coordinating Committee (hereinafter in this section individually referred to as a 'Committee').

Membership.

"(b) Each Committee shall be composed of the Directors (or their designees) of each of the national research institutes and divisions involved in research regarding the diseases with respect to which the Committee is established, the Associate Director of the National Institute of Arthritis, Diabetes, and Digestive and Kidney Diseases for the diseases for which the Committee is established, the chief medical director (or the director's designee) of the Veterans' Administration, and a medical officer designated by the Department of Defense, and shall include representation from all other Federal departments and agencies whose programs involve health functions or responsibilities relevant to such diseases, as determined by the Secretary. Each Committee shall be chaired by the Director of the National Institutes of Health (or the Director's designee). Each Committee shall meet at the call of the chairman, but not less often than four times a year.

Report.

"(c) Each Committee shall prepare an annual report for—

"(1) the Secretary,

"(2) the Director of the National Institutes of Health, and

Supra.

"(3) the Advisory Board established under section 437 for the disease for which the Committee was established, detailing the work of the Committee in the fiscal year for which the report was prepared in carrying out the coordinating activities

described in paragraphs (1) and (2) of subsection (a). Such report shall be submitted not later than the sixtieth day after the end of each fiscal year.”

SEC. 206. Sections 436A and 440 (42 U.S.C. 289c-3a and 289c-7) are repealed, and the following new section is inserted after the section added by section 205 of this title:

Repeals.

“DIABETES, ARTHRITIS, AND DIGESTIVE DISEASES ADVISORY BOARDS

“SEC. 437. (a) The Secretary shall establish the National Arthritis Advisory Board, the National Diabetes Advisory Board, and the National Digestive Diseases Advisory Board (hereinafter in this section individually referred to as an ‘Advisory Board’).

Establishment.
42 USC 289c-4.

“(b) Each Advisory Board shall be composed of eighteen appointed members and nonvoting, ex officio members as follows:

“(1) The Secretary shall appoint—

“(A) twelve members from individuals who are scientists, physicians, and other health professionals, who are not officers or employees of the United States, and who represent the specialties and disciplines relevant to the diseases with respect to which the Advisory Board is established; and

“(B) six members from the general public who are knowledgeable with respect to such diseases, including at least one member who is a person who suffers from the disease and one member who is a parent of a person who suffers from the disease.

Of the appointed members, at least five shall by virtue of training or experience be knowledgeable in health education, nursing, data systems, public information, or community program development.

“(2) The following shall be ex officio members of each Advisory Board: The Assistant Secretary for Health, the Director of the National Institutes of Health, the Director of the National Institute of Arthritis, Diabetes, and Digestive and Kidney Diseases, the Director of the Center for Disease Control, the chief medical director of the Veterans’ Administration, a medical officer designated by the Department of Defense (or the designees of such ex officio members), the Associate Director of the National Institute of Arthritis, Diabetes, and Digestive and Kidney Diseases for the diseases for which the Board is established, and such other officers and employees of the United States as the Secretary deems necessary for the Advisory Board to carry out its functions. In the case of the National Diabetes Advisory Board, the following shall also be ex officio members: The Director of the National Heart, Lung, and Blood Institute, the Director of the National Eye Institute, the Director of the National Institute of Child Health and Human Development, the Administrator of the Health Resources Administration, and the Administrator of the Health Services Administration (or their designees of such ex officio members).

“(c) Members of an Advisory Board who are officers or employees of the Federal Government shall serve as members of the Advisory Board without compensation in addition to that received in their regular public employment. Other members of the Board shall receive compensation at rates not to exceed the daily equivalent of the annual rate in effect for grade GS-18 of the General Schedule for each day (including traveltime) they are engaged in the performance of their duties as members of the Board.

Compensation.

5 USC 5332 note.

"(d) The term of office of an appointed member of an Advisory Board is three years, except that no term of office may extend beyond the expiration of the Advisory Board. Any member appointed to fill a vacancy for an unexpired term shall be appointed for the remainder of such term. A member may serve after the expiration of the member's term until a successor has taken office. If a vacancy occurs in an Advisory Board, the Secretary shall make an appointment to fill the vacancy not later than ninety days from the date the vacancy occurs. In the case of the National Diabetes Advisory Board and the National Arthritis Advisory Board, six of the members of each such Advisory Board whose terms expired on September 30, 1980, shall be reappointed for a term of three years.

"(e) The members of each Advisory Board shall select a chairman from among the appointed members.

"(f) The Secretary shall, after consultation with and consideration of the recommendations of an Advisory Board, provide the Advisory Board with an executive director and one other professional staff member. In addition, the Secretary shall, after consultation with and consideration of the recommendations of the Advisory Board, provide the Advisory Board with such additional professional staff members, such clerical staff members, and (through contracts or other arrangements) with such administrative support services and facilities, such information, and such services of consultants, as the Secretary determines are necessary for the Advisory Board to carry out its functions.

Meetings.

"(g) Each Advisory Board shall meet at the call of the chairman or upon request of the Director of the National Institute for Arthritis, Diabetes, and Digestive and Kidney Diseases, but not less often than four times a year.

"(h) Each Advisory Board shall—

Ante, p. 3185.

"(1) review and evaluate the implementation of the plan referred to in section 434(e) regarding the diseases with respect to which the Advisory Board was established;

"(2) periodically update the plan referred to in paragraph (1) to ensure its continuing relevance;

"(3) for the purpose of assuring the most effective use and organization of resources respecting such diseases, advise and make recommendations to Congress, the Secretary, the Director of the National Institutes of Health, the Director of the National Institute for Arthritis, Diabetes, and Digestive and Kidney Diseases, and the heads of other appropriate Federal agencies for the implementation of such plan; and

"(4) maintain liaison with other advisory bodies related to Federal agencies involved in the implementation of such plan, the Coordinating Committee for such diseases, and with key non-Federal entities involved in activities affecting the control of such diseases.

"(i) In carrying out its functions, the Advisory Board may establish subcommittees, convene workshops and conferences, and collect data. Such subcommittees may be composed of Advisory Board members and nonmember consultants with expertise in the particular area addressed by such subcommittees. The subcommittees may hold such meetings as are necessary to enable them to carry out their activities.

Report.

"(j) Each Advisory Board shall submit to the Secretary and Congress an annual report which—

"(1) describes the Advisory Board's activities in the fiscal year for which the report is made;

"(2) describes and evaluates the progress made during such year in research, treatment, education, and training with respect to the diseases with respect to which the Advisory Board was established;

"(3) summarizes and analyzes expenditures made by the Federal Government for activities respecting such diseases in the fiscal year for which the report is made; and

"(4) contains the Advisory Board's recommendations, if any, for changes in the plan referred to in subsection (h)(1).

"(k) For each Advisory Board there is authorized to be appropriated \$300,000 for the fiscal year ending September 30, 1981; \$300,000 for the fiscal year ending September 30, 1982; and \$300,000 for the fiscal year ending September 30, 1983.

Appropriation
authorization.

"(l) Each Advisory Board shall expire on September 30, 1983."

SEC. 207. (a) Subsection (a) of section 438 (42 U.S.C. 289c-5a(a)) is amended by striking out ", acting through the Assistant Secretary for Health,".

42 USC 289c-5.

(b) Subsection (b) of such section is amended (1) by striking out "and" at the end of paragraph (4), (2) by striking out the period at the end of paragraph (5) and inserting in lieu thereof "; and", and (3) by adding after paragraph (5) the following:

"(6) projects for the investigation into the epidemiology of all forms and aspects of arthritis, including investigations into the social, environmental, behavioral, nutritional, and genetic determinants and influences involved in the epidemiology of arthritis."

(c) Paragraphs (2) and (3) of subsection (d) of such section are each amended by inserting before the period a comma and the following: "and for each of the next 3 fiscal years".

TITLE III—HEALTH PLANNING AMENDMENTS

SEC. 301. The second sentence of section 1501(b)(1) (42 U.S.C. 300k-1(b)(1)) is amended by striking out "in" and inserting in lieu thereof "including those in".

SEC. 302. Effective with respect to fiscal years beginning after September 30, 1981, section 1516(d)(3) (42 U.S.C. 300l-5(d)(3)) is amended to read as follows:

"(3) Notwithstanding subsection (c)(1), if the total of the amounts appropriated under paragraph (1) for any fiscal year (reduced by the amount to be retained by the Secretary for use under paragraph (2)) is less than the amount required to make grants to each health systems agency designated under section 1515(c) in the amount prescribed for such agency by subsection (c)(1), the Secretary shall make a pro rata reduction in the amount of the grant to each such agency as follows:

42 USC 300l-4.

Grant, pro-rata reduction.

"(A) The Secretary shall compute the amount of the grant each such agency would be entitled to receive under such subsection if the dollar limit prescribed by subparagraph (A)(ii) of such subsection did not apply.

"(B) The Secretary shall reduce on a pro rata basis the amount of the grant to each such agency computed under subparagraph (A) of this paragraph so that the total amount of such grants equals the total of the amounts appropriated for such fiscal year (as so reduced), except that—

"(i) the amount of the grant to any such agency may not exceed \$3,750,000,

"(ii) to the extent of available appropriations, no such agency shall receive a grant in an amount less than the amount prescribed by subparagraph (C) of subsection (c)(1) for such fiscal year, and

"(iii) if the total of the appropriations for the fiscal year ending September 30, 1982, for such grants—

"(I) is equal to or greater than the total of the appropriations for such grants for the preceding fiscal year, no such agency shall receive a grant in an amount less than the amount of the grant it received in such preceding fiscal year unless the population of the area for which it is designated has decreased, unless the level of non-Federal funds on which its grant is computed had decreased, or unless the amount available for its grant is decreased because of an increase in the minimum grant prescribed by subsection (c)(1)(C), or

"(II) is less than the total of the appropriations for such grants for the preceding fiscal year, no such agency shall receive a grant in an amount greater than the amount of the grant it received in such preceding fiscal year unless the population of the area for which it is designated has increased, unless the level of non-Federal funds on which its grant is computed has increased, or unless the amount of its grant is increased under subsection (c)(1)(C)."
