TITLE III—GENERAL PROVISIONS

Sec. 301. During the current fiscal year applicable appropriations to the Department of Transportation shall be available for maintenance and operation of aircraft; hire of passenger motor vehicles and aircraft; purchase of liability insurance for motor vehicles operating in foreign countries on official departmental business; and uniforms, or allowances therefor, as authorized by law (5 U.S.C. 5901-5902).

Sec. 302. None of the funds provided in this Act shall be available for the planning or execution of programs the commitments for which are in excess of $450,000,000 in fiscal year 1982 for grants-in-aid for airport planning, noise compatibility planning and programs, and development.

Sec. 303. None of the funds provided under this Act shall be available for the planning or execution of programs, the obligations for which are in excess of $10,000,000 in fiscal year 1982 for “Highway-related safety grants”.

Sec. 304. None of the funds provided under this Act shall be available for the planning or execution of programs, the total obligations for which are in excess of $92,500,000 in fiscal year 1982 for “State and Community Highway Safety”: Provided, That none of the funds under State and Community Highway Safety shall be used for construction, rehabilitation or remodeling costs or for office furnishings and fixtures for State, local, or private buildings or structures.

Sec. 305. Funds appropriated for the Panama Canal Commission may be apportioned notwithstanding section 3679 of the Revised Statutes, as amended (31 U.S.C. 665), to the extent necessary to permit payment of such pay increases for officers or employees as may be authorized by administrative action pursuant to law which are not in excess of statutory increases granted for the same period in corresponding rates of compensation for other employees of the Government in comparable positions.

Sec. 306. Funds appropriated under this Act for expenditure by the Federal Aviation Administration shall be available (1) except as otherwise authorized by the Act of September 30, 1950 (20 U.S.C. 236-244), for expenses of primary and secondary schooling for dependents of Federal Aviation Administration personnel stationed outside the continental United States at costs for any given area not
in excess of those of the Department of Defense for the same area,
when it is determined by the Secretary that the schools, if any,
available in the locality are unable to provide adequately for the
education of such dependents and (2) for transportation of said
dependents between schools serving the area which they attend
and their places of residence when the Secretary, under such regulations
as may be prescribed, determines that such schools are not accessible
by public means of transportation on a regular basis.

Sec. 307. Appropriations contained in this Act for the Department
of Transportation shall be available for services as authorized by 5
U.S.C. 3109, but at rates for individuals not to exceed the per diem
rate equivalent to the rate for a GS-18.

Sec. 308. None of the funds provided under this Act shall be made
available under section 5 of the Urban Mass Transportation Act of
1964, as amended, to support mass transit facilities, equipment, or
operating expenses unless the applicant for such assistance has given
satisfactory assurances in such manner and forms as the Secretary
may require, and in accordance with such terms and conditions as the
Secretary may prescribe, that the rates charged elderly and handicapped persons during nonpeak hours shall not exceed one-half of the rates generally applicable to other persons at peak hours: Provided,
That the Secretary, in prescribing the terms and conditions for the
provision of such assistance shall (1) permit applicants to continue
the use of preferential fare systems for elderly or handicapped
persons where those systems were in effect on or prior to November
26, 1974, (2) allow applicants a reasonable time to expand the
coverage of operating preferential fare systems as appropriate, (3)
allow applicants to continue to use preferential fare systems incorpo­
rating the offering of a free return ride upon payment of the
generally applicable full fare where any such applicant's existing
fare collection system does not reasonably permit the collection of
half fares, and (4) allow applicants to define the eligibility of "handi­
capped persons" for the purposes of preferential fares in conformity
with other Federal laws and regulations governing eligibility for
benefits for disabled persons.

Sec. 309. None of the funds contained in this Act shall remain
available for obligation beyond the current fiscal year unless
expressly so provided herein.

Sec. 310. (a) Notwithstanding any other provision of law, the total
of all obligations for Federal-aid highways and highway safety
construction programs for fiscal year 1982 shall not exceed
$8,000,000,000. This limitation shall not apply to obligations for
emergency relief under section 125 of title 23, United States Code, or
projects covered under section 147 of the Surface Transportation
Assistance Act of 1978. No obligation constraints shall be placed upon
any ongoing emergency project carried out under section 125 of title
23, United States Code, or section 147 of the Surface Transportation

(b) For fiscal year 1982, the Secretary of Transportation shall
distribute the limitation imposed by subsection (a) by allocation in
the ratio which sums authorized to be appropriated for Federal-aid
highways and highway safety construction which are apportioned to
each State for such fiscal year bears to the total of the sums
authorized to be appropriated for Federal-aid highways and highway
safety construction which are apportioned to all the States for such
card.

(c) During the period October 1 through December 31, 1981, no
State shall obligate more than 35 per centum of the amount distrib-
(d) Notwithstanding subsections (b) and (c), the Secretary shall—
(1) provide all States with authority sufficient to prevent lapses of sums authorized to be appropriated for Federal-aid highways and highway safety construction which have been apportioned to a State, except in those instances in which a State indicates its intention to lapse sums apportioned under section 104(b)(5)(A) of title 23, United States Code;
(2) after August 1, 1982, revise a distribution of the funds made available under subsection (b) if a State will not obligate the amount distributed during that fiscal year and redistribute sufficient amounts to those States able to obligate amounts in addition to those previously distributed during that fiscal year; and
(3) not distribute amounts authorized for administrative expenses, forest highways and $15,000,000 for the Bismarck-Mandan Bridge, $4,000,000 for the Steubenville-Weirton Bridge, and necessary funds required during fiscal year 1982 for the Dickey Road Bridge in East Chicago, Indiana, and the U.S. 12 Bridge over Trail Creek in Michigan City, Indiana.

Sec. 312. None of the funds provided in this Act shall be used for the implementation or execution of programs the obligations of which are in excess of $60,000,000 in fiscal year 1982 for the “Offshore Oil Pollution Compensation Fund”.

Sec. 313. None of the funds appropriated in this Act for the Panama Canal Commission may be expended unless in conformance with the Panama Canal Treaties of 1977 and any law implementing those treaties.

Sec. 314. None of the funds provided in this Act may be used for planning or construction of rail-highway crossings under section 322(a) of title 23, United States Code, or under section 701(a)(5) or section 703(1)(A) of the Railroad Revitalization and Regulatory Reform Act of 1976 at the—
(1) School Street crossing in Groton, Connecticut; and
(2) Broadway Extension crossing in Stonington, Connecticut.

Sec. 315. None of the funds in this Act shall be used for the planning or execution of any program to pay the expenses of, or otherwise compensate, non-Federal parties intervening in regulatory or adjudicatory proceedings funded in this Act.

Sec. 316. None of the funds in this Act shall be used to assist, directly or indirectly, any State in imposing mandatory State inspection fees or sticker requirements on vehicles which are lawfully registered in another State, including vehicles engaged in interstate commercial transportation which are in compliance with Part 396—Inspection and Maintenance of the Federal Motor Carrier Safety Regulations of the U.S. Department of Transportation.

Sec. 317. Except as otherwise provided under existing law or under an existing Executive order issued pursuant to an existing law, the
obligation or expenditure of any appropriation under this Act for contracts for any consulting service shall be limited to contracts which are (1) a matter of public record and available for public inspection, and (2) thereafter included in a publicly available list of all contracts entered into within 24 months prior to the date on which the list is made available to the public and of all contracts on which performance has not been completed by such date. The list required by the preceding sentence shall be updated quarterly and shall include a narrative description of the work to be performed under each such contract.

SEC. 318. (a) For fiscal year 1982 and thereafter, a department or establishment—as defined in section 2 of the Budget and Accounting Act, 1921—shall submit annually to the House and Senate Appropriations Committees, as part of its budget justification, the estimated amount of funds requested for consulting services; the appropriation accounts in which such funds are located; and a brief description of the need for consulting services, including a list of major programs that require consulting services.

(b) For fiscal year 1982 and thereafter, the Inspector General of such department or establishment, or comparable official, or if there is no Inspector General or comparable official, the agency head or the agency head's designee, shall submit to the Congress along with the budget justification an evaluation of the agency's progress to institute effective management controls and improve the accuracy and completeness of the data provided to the Federal Procurement Data System regarding consultant service contractual arrangements.

SEC. 319. None of the funds in this Act shall be used to implement, administer, or enforce any regulation which has been disapproved pursuant to a resolution of disapproval duly adopted in accordance with the applicable law of the United States.

SEC. 320. None of the funds provided in this Act shall be available for the implementation or execution of programs, the obligations for which are in excess of $50,000,000 in fiscal year 1982 for the "Deepwater Port Liability Funds".

SEC. 321. The weeks of June 13 through July 4, 1982, are designated as "National Clean-up and Flag-up America's Highways Weeks", and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe this period with appropriate ceremonies and activities.

SEC. 322. None of the funds provided in the Act to any Department or Agency shall be obligated or expended to provide a personal cook, chauffeur, or other personal servants to any officer or employee of such Department or Agency, excluding those positions from this provision which serve dual roles pertaining to a security or law enforcement function.

SEC. 323. Except for security mission automobiles, none of the funds provided in this Act to any Department or Agency shall be obligated or expended to procure passenger automobiles as defined in 15 U.S.C. 2001 with an EPA estimated miles per gallon average of less than 22 miles per gallon.

SEC. 324. None of the funds appropriated by this Act shall be used to implement, administer, or enforce Order 81-5-27 of the Civil Aeronautics Board or any other order of the Civil Aeronautics Board which prohibits or has the effect of prohibiting any United States air carrier from participating in the International Air Transport Association's North Atlantic Traffic Conference under its existing articles and provisions: Provided, That this limitation may be terminated by
an appropriate resolution adopted by the House Public Works and Transportation Committee or the Senate Commerce Committee.

Sec. 325. Notwithstanding any other provision of law, the Secretary shall, with regard to the Urban Discretionary Grant Program of the Urban Mass Transportation Administration, promptly issue a letter of intent for the Dade County, Florida, Circulator System for $68,642,666, and, in addition, shall promptly issue a letter of intent for nonrail projects in the Portland, Oregon, Metropolitan region for $76,800,000 and also issue a letter of intent for the Southeast Michigan Central Automated Transit System for 110 million 1981 dollars.

Sec. 326. (a) The Act entitled "An Act authorizing the State of Maryland, by and through its State Roads Commission or the successors of said Commission, to construct, maintain, and operate certain bridges across streams, rivers, and navigable waters which are wholly or partly within the State", approved April 7, 1938, and the Act of June 16, 1948 (62 Stat. 463, Public Law 654, 80th Congress), as amended by the Act of November 17, 1967 (81 Stat. 466, Public Law 144, 90th Congress) are hereby repealed.

(b) The State of Maryland, by and through the Maryland Transportation Authority or the successors of such Authority, is authorized, subject to all applicable Federal laws, (1) to continue to collect tolls after the date of enactment of this Act from its existing transportation facilities projects, as defined on the date of enactment of this Act in the laws of the State of Maryland, and (2) to use the revenues from such tolls for transportation projects of the type which the State or the Maryland Transportation Authority is authorized to construct, operate, or maintain under the laws of the State of Maryland as such laws exist on the date of enactment of this Act.

Sec. 327. (a) Notwithstanding section 16 of the Federal Airport Act (as in effect on November 25, 1947), the Secretary of Transportation is authorized, subject to the provisions of section 13 of the Surplus Property Act of 1944 (50 App. U.S.C. 1622(g)), and the provisions of subsection (b) of this section, to grant release from any of the terms, conditions, reservations, and restrictions contained in a deed of conveyance dated November 25, 1947, under which the United States conveyed certain property to the Greater Rockford Airport Authority for airport purposes and in deeds of conveyance dated May 28, 1948, and April 21, 1949, under which the United States conveyed certain property of the city of Liberal, Kansas for airport purposes.

(b) Any release granted by the Secretary of Transportation under subsection (a) shall be subject to the following conditions:

(1) the Greater Rockford Airport Authority or the city of Liberal, Kansas, as the case may be, shall agree that in conveying any interest in the property which the United States conveyed pursuant to the deeds described in subsection (a), the Greater Rockford Airport Authority or the city of Liberal, Kansas, as the case may be, will receive an amount which is equal to the fair market value; and

(2) any such amount so received shall be used for the development, improvement, operation, or maintenance of a public airport.

Sec. 328. (a) Notwithstanding section 13(g) of the Surplus Property Act of 1944 (50 App. U.S.C. 1622(g)) and section 4 of the Act of October 1, 1949 (50 App. U.S.C. 1622(c)), the Secretary of Transportation, if requested, shall, as to the property described in subsection (6), grant a release to the Parish of East Baton Rouge, Louisiana, from all of the terms, conditions, reservations, and restrictions contained in the deed.
of conveyance dated August 13, 1948, under which the United States conveyed certain property to the Parish of East Baton Rouge, Louisiana, for airport purposes. This provision does not apply to the portion of the property, conveyed by that deed, that is not specified in subsection (f).

(b) In place of the terms, conditions, reservations, and restrictions released under subsection (a), the following conditions shall apply:

(1) The City of Baton Rouge and Parish of East Baton Rouge, Louisiana, shall submit all proposals, policies, and plans for further construction, other development, or changed operating practices (including, but not limited to, policies affecting the size and kind of the inmate population), at East Baton Rouge Parish Prison, to the Secretary for review of airport safety and security prior to such construction, other development, or changed operating practices.

(2) The City of Baton Rouge and Parish of East Baton Rouge, Louisiana, shall construct, develop, operate, and maintain the East Baton Rouge Parish Prison in accordance with proposals, policies, and plans submitted to, and approved by, the Secretary with respect to airport safety and security.

(3) The City of Baton Rouge and Parish of East Baton Rouge, Louisiana, shall construct, develop, operate, and maintain the East Baton Rouge Parish Prison in compliance with applicable Federal, State, and local laws.

(4) The City of Baton Rouge and Parish of East Baton Rouge, Louisiana, shall hold the United States harmless for damage or injury to persons or property, in flight or on the ground, caused by any inmate who has escaped from the East Baton Rouge Parish Prison, or caused by any event occurring at the prison.

(c) Within ninety days after the enactment of this provision, the City of Baton Rouge and Parish of East Baton Rouge, Louisiana, shall demonstrate, to the satisfaction of the Secretary, that the current operating conditions at the East Baton Rouge Parish Prison meet acceptable levels of airport safety and security.

(d) Any action determined by the Secretary to be necessary to achieve acceptable levels of airport safety or security at the prison shall be accomplished by the City of Baton Rouge and Parish of East Baton Rouge, Louisiana, as soon as practicable. Such determinations are "orders" for the purpose of judicial review under section 1006 of the Federal Aviation Act of 1958, as amended (49 U.S.C. 1486).

(e) The opinion of the Secretary concerning the airport safety and security implications of any current or proposed conditions involving the prison shall be conclusive as to those matters.

(f) Subsection (a) applies to the following described area:

One certain lot or parcel of ground together with all the buildings and improvements thereon located in the Parish of East Baton Rouge, State of Louisiana and shown by reference to the following two maps:

1. A map entitled "Airport Boundary Maps showing Ryan Airport Property Owned by the Parish of East Baton Rouge, Louisiana, Compiled from Official Records and Maps" prepared by the Department of Public Works in and for the City of Baton Rouge and the Parish of East Baton Rouge and dated October 13, 1978, and signed by Mr. Charles W. Hair, Jr., Engineer (said map being hereinafter referred to as Map numbered 1); and

2. A map entitled "Map Showing Boundary and Topographic Survey of East Baton Rouge Parish Prison Site" dated March 6,
1981, and signed by Mr. Henry K. Schott, Engineer (said map being hereinafter referred to as Map numbered 2).

Said property being more particularly described by starting at point “A” on Map numbered 1; thence proceeding north 00 degrees 27 minutes 37 seconds west a distance of 56.44 feet to a point and corner; thence proceeding east 90 degrees 00 minutes 00 seconds east a distance of 60.08 feet to the point of beginning and corner; thence proceed north 0 degrees 27 minutes 37 seconds west a distance of 549.61 feet to a point and corner; thence proceed north 88 degrees 44 minutes 42 seconds east a distance of 185.66 feet to a point and corner; thence proceed north 1 degree 01 minute 51 seconds west a distance of 222.05 feet to a point and corner; thence proceed north 88 degrees 44 minutes 42 seconds east a distance of 1,120.20 feet to a point and corner; thence proceed south 10 degrees 34 minutes 12 seconds west a distance of 816.23 feet to a point and corner; thence proceed south 89 degrees 24 minutes 21 seconds west a distance of 387.66 feet to a point; thence proceed north 70 degrees 37 minutes 59 seconds west a distance of 186.66 feet to a point; thence proceed south 86 degrees 36 minutes 21 seconds west a distance of 12.28 feet to the point of beginning; all of said measurements being more particularly shown on Map numbered 2.

SEC. 329. As used in section 502(a)(1)(B) of the Rail Passenger Service Act, the term “Amtrak Commuter” shall mean, with respect to the period prior to January 1, 1983, “Conrail”.
