"RESEARCH AND DEVELOPMENT PROJECTS

"SEC. 421. The Commissioner may make grants to any public or nonprofit private agency, organization, or institution, and may enter into contracts with any agency, organization, institution, or individual to support research and development related to the purposes of this Act, evaluation of the results of such research and development activities, and collection and dissemination of information concerning research findings, demonstration results, and other materials 42 USC 3035.

developed in connection with activities assisted under this title, and conducting of conferences and other meetings for purposes of exchange of information and other activities related to the purposes of this title.

“DEMONSTRATION PROJECTS

42 USC 3035a.

“SEC. 422. (a) The Commissioner may, after consultation with the State agency in the State involved, make grants to any public agency or nonprofit private organization or enter into contracts with any agency or organization within such State for paying part or all of the cost of developing or operating nationwide, statewide, regional, metropolitan area, county, city, or community model projects which will demonstrate methods to improve or expand supportive services or nutrition services or otherwise promote the well-being of older individuals. The Commissioner shall give special consideration to the funding of rural area agencies on aging to conduct model projects devoted to the special needs of the rural elderly. Such projects shall include alternative health care delivery systems, advocacy and outreach programs, and transportation services.

“(b) In making grants and contracts under this section, the Commissioner shall give special consideration to projects designed to—

“(1) meet the special health care needs of the elderly, including—

“(A) the location of older individuals who are in need of mental health services;

“(B) the provision of, or arrangement for the provision of, medical differential diagnoses of older individuals to distinguish between their need for mental health services and other medical care;

“(C) the specification of the mental health needs of older individuals, and the mental health and support services required to meet such needs; and

“(D) the provision of—

“(i) the mental health and support services specified in clause (C) in the communities; or

“(ii) such services for older individuals in nursing homes and intermediate care facilities, and training of the employees of such homes and facilities in the provision of such services;

“(2) assist in meeting the special housing needs of older individuals by—

“(A) providing financial assistance to such individuals, who own their own homes, necessary to enable them (i) to make the repairs or renovations to their homes, which are necessary for them to meet minimum standards, and (ii) to install security devices, and to make structural modifications or alterations, designed to prevent unlawful entry; and

“(B) studying and demonstrating methods of adapting existing housing, or construction of new housing, to meet the needs of older individuals suffering from physical disabilities;

“(3) provide education and training to older individuals designed to enable them to lead more productive lives by broadening the education, occupational, cultural, or social awareness of such older individuals;

“(4) provide preretirement education information and relevant services (including the training of personnel to carry out such

programs and the conduct of research with respect to the development and operation of such programs) to individuals planning retirement;

"(5) meet the special needs of, and improve the delivery of services to, older individuals who are not receiving adequate services under other provisions of this Act, with emphasis on the needs of low-income, minority, Indian, and limited English-speaking individuals and the rural elderly;

"(6) develop or improve methods of coordinating all available supportive services for the homebound elderly, blind, and disabled by establishing demonstration projects in ten States, in accordance with subsection (c); and

"(7) improve transportation systems for the rural elderly.

"(c) The Commissioner shall consult with the Commissioner of the Rehabilitation Services Administration, the Commissioner of the Social Security Administration, and the Surgeon General of the Public Health Service, to develop procedures for—

"(1) identifying elderly, blind, and disabled individuals who need supportive services;

"(2) compiling a list in each community of all services available to the elderly, blind, and disabled; and

"(3) establishing an information and referral service within the appropriate community agency to—

"(A) inform those in need of the availability of such services; and

"(B) coordinate the delivery of such services to the elderly, blind, and disabled.

The Commissioner shall establish procedures for administering demonstration projects under subsection (b)(6) not later than 6 months after the effective date of this subsection. The Commissioner shall report to the Congress with respect to the results and findings of the demonstration projects conducted under this section at the completion of the projects.

Report to
Congress.

"SPECIAL PROJECTS IN COMPREHENSIVE LONG-TERM CARE

"SEC. 423. (a)(1) The Commissioner may—

42 USC 3035b.

"(A) make grants to selected State agencies, designated under section 305(a)(1), and, in consultation with State agencies, selected area agencies on aging designated under section 305(a)(2)(A), institutions of higher education, and other public agencies and nonprofit private organizations; and

42 USC 3025.

Ante, p. 1597.

"(B) enter into contracts with any agency, organization, or institution (except that such contract authority shall be effective for any fiscal year only to such extent, or in such amounts, as are provided in appropriations Acts);

to support the development of comprehensive, coordinated systems of community long-term care for older individuals, with special emphasis upon services designed to support alternatives to institutional living and the assessment of need, the development of a plan of care, and the referral of individuals, in the delivery of long-term care services, including noninstitutional and institutional services, where appropriate.

"(2) A grant under this section may be made to pay part or all of the estimated cost of the program (including startup cost) for a period of not more than 3 years, except that no funds may be used to pay for direct services which are eligible for reimbursement under title XVIII, title XIX, or title XX of the Social Security Act.

42 USC 1395,
1396, 1397.

“(3) A grant made under this section shall be used for the development of programs which provide a full continuum of services. Such services may include adult day health care; monitoring and evaluation of service effectiveness; supported living in public and private nonprofit housing; family respite services; preventive health services; home health, homemaker, and other rehabilitative and maintenance in-home services; services provided by geriatric health maintenance organizations; and other services which the Commissioner determines are appropriate, and which, at a minimum, provide for identification and assessment of the long-term care needs of older individuals, referral of such individuals to the appropriate services, and follow-up and evaluation of the continued appropriateness of such services with provision for re-referral as appropriate.

“(b)(1) In making grants to States under this section, preference shall be given to applicants which demonstrate that—

“(A) adequate State standards have been developed to ensure the quality of services provided;

“(B) the State has made a commitment to carry out the program assisted under this section with the State agency responsible for the administration of title XIX of the Social Security Act or title XX of the Social Security Act, or both such agencies;

“(C) the State will develop plans to finance the comprehensive program assisted under this section; and

“(D) the State agency has a plan for statewide or designated regions of the State containing provisions designed to maximize access by older individuals to long-term care services.

“(2) In awarding grants to or entering into contracts with agencies and organizations under this section, preference shall be given to applicants that possess the capability to establish community-based long-term care programs and demonstrate that a need exists for the establishment of such programs in the area to be served.

“(3) Agencies and organizations assisted under this section shall establish procedures for evaluating the program assisted under this section, with respect to the benefits accruing to persons receiving assistance, the feasibility of the administrative model used for comprehensive coordination of services including coordination with other local programs, and the comparative costs and quality of services provided, and shall submit such evaluation to the Commissioner on a periodic basis.

“(c) The Secretary shall involve appropriate Federal departments and agencies in carrying out the provisions of this section in order to assure coordination at the Federal level and to avoid duplication and shall include in the annual report to the Congress required by section 207, a report on the impact of grants made, or contracts entered into, on the experiences of grantees and contractors in meeting the requirements of this section, and on the comparative benefits and costs of projects assisted under this section.

“(d) Sums appropriated to carry out this section shall, to the extent feasible, be used to support programs equitably distributed throughout the Nation between urban and rural areas.

“SPECIAL DEMONSTRATION PROJECTS ON LEGAL SERVICES FOR OLDER AMERICANS
