(b)(1) The basic measure of performance for adult training programs under title II is the increase in employment and earnings and the reductions in welfare dependency resulting from participation in the program. In order to determine whether these basic measures are achieved, the Secretary shall prescribe standards on the basis of appropriate factors which may include (A) placement in unsubsidized employment, (B) retention in unsubsidized employment, (C) the increase in earnings, including hourly wages, and (D) reduction in the number of individuals and families receiving cash welfare payments and the amounts of such payments.

(2) At least once every two years, the State shall prepare or have prepared an independent financial and compliance audit of each recipient of funds under titles II and III of this Act. Under criteria established by the Director of the Office of Management and Budget, and upon application by the Governor, the Secretary may exempt designated recipients from all or part of the requirements of this

Any exemption under this section may be withdrawn by the Secretary in consultation with the Director of the Office of Management and Budget.

Repayment of funds.

(e)(1) Each recipient shall be liable to repay such amounts, from funds other than funds received under this Act, upon a determination that the misexpenditure of funds was due to willful disregard of the requirements of this Act, gross negligence, or failure to observe accepted standards of administration. (D) taken prompt and appropriate corrective action upon becoming aware of any evidence of a violation of this Act or the regulations under this Act by such subgrantee.

(3) If the Secretary determines that the recipient has demonstrated substantial compliance with the requirements of paragraph (2), the Secretary may waive the imposition of sanctions authorized by this section upon such recipient. The Secretary is authorized to impose any sanction consistent with the provisions of this Act and any applicable Federal or State law directly against any subgrantee for violation of this Act or the regulations under this Act.

(f) In emergency situations, if the Secretary determines it is necessary to protect the integrity of the funds or ensure the proper operation of the program, the Secretary may immediately terminate or suspend financial assistance, in whole or in part, if the recipient is given prompt notice and the opportunity for a subsequent hearing within 30 days after such termination or suspension. The Secretary shall not delegate any of the functions or authority specified in this subsection, other than to an officer whose appointment was required to be made by and with the advice and consent of the Senate.

(g) If the Secretary determines that any recipient under this Act has discharged or in any other manner discriminated against a participant or against any individual in connection with the administration of the program involved, or against any individual because such individual has filed any complaint or instituted or caused to be instituted any proceeding under or related to this Act, or has testified or is about to testify in any such proceeding or investigation under or related to this Act, or otherwise unlawfully denied to any individual a benefit to which that individual is entitled under the provisions of this Act or the Secretary's regulations, the Secretary shall, within thirty days, take such action or order such corrective measures, as necessary, with respect to the recipient or the aggrieved individual, or both.

A similar hearing may also be requested by any recipient upon whom a corrective action or a sanction has been imposed by the Secretary. Except to the extent provided for in section 167, all other disputes arising under this Act shall be adjudicated under grievance procedures established by the recipient or under applicable law other than this Act.

29 USC 1576.

(b) The decision of the administrative law judge shall constitute final action by the Secretary unless, within 20 days after receipt of the decision of the administrative law judge, a party dissatisfied with the decision or any part thereof has filed exceptions with the Secretary specifically identifying the procedure, fact, law, or policy to which exception is taken. Any exception not specifically urged shall be deemed to have been waived. Thereafter the decision of the administrative law judge shall become the final decision of the Secretary unless the Secretary, within 30 days of such filing, has notified the parties that the case has been accepted for review.

Waiver.

(c) Any case accepted for review by the Secretary shall be decided within one hundred and eighty days of such acceptance. If not so decided, the decision of the administrative law judge shall become the final decision of the Secretary.

STATEMENT OF PURPOSE

29 USC 1691.

SEC. 421. SCREENING AND SELECTION: SPECIAL LIMITATIONS

29 USC 1695.

SEC. 425. (a) No individual shall be selected as an enrollee unless there is reasonable expectation that the individual can participate successfully in group situations and activities, is not likely to engage in behavior that would prevent other enrollees from receiving the benefit of the program or be incompatible with the maintenance of sound discipline and satisfactory relationships between the center to which the individual might be assigned and surrounding communities, and unless the individual manifests a basic understanding of both the rules to which the individual will be subject and of the consequences of failure to observe those rules.

(b) An individual on probation or parole may be selected only if release from the supervision of the probation or parole officials is satisfactory to those officials and the Secretary and does not violate applicable laws or regulations. No individual shall be denied a position in the Job Corps solely on the basis of that individual's contact with the criminal justice system.

ENROLLMENT AND ASSIGNMENT

29 USC 1696.

SEC. 426. (a) No individual may be enrolled in the Job Corps for more than two years, except in any case in which completion of an advanced career program under section 428 would require an individual to participate in excess of two years, or except as the Secretary may authorize in special cases.

Waiver.

(c) After the Secretary has determined that an enrollee is to be assigned to a Job Corps center, the enrollee shall be assigned to the center which is closest to the enrollee's home, except that the Secretary may waive this requirement for good cause, including to ensure an equitable opportunity for youth from various sections of the Nation to participate in the program, to prevent undue delays in assignment, to adequately meet the educational or other needs of an enrollee, and for efficiency and economy in the operation of the program.

JOB CORPS CENTERS

29 USC 1697.

SEC. 427. (a)(1) The Secretary may make agreements with Federal, State, or local agencies, including a State board or agency designated pursuant to section 104(a)(1) of the Vocational Education Act of 1963 which operates or wishes to develop area vocational education school facilities or residential vocational schools (or both) as authorized by such Act, or private organizations for the establishment and operation of Job Corps centers. Job Corps centers may, subject to paragraph (2), be residential or nonresidential in character, or both, and shall be designed and operated so as to provide enrollees, in a well-supervised setting, with education, vocational training, work experience (either in direct program activities or through arrange-

The centers shall also include training centers located in either urban or rural areas which shall provide activities including training and other services for specific types of skilled or semiskilled employment.

(2) In any year, not more than 10 percent of the individuals enrolled in the Job Corps may be nonresidential participants.

(b) To the extent feasible, Job Corps centers shall offer education and vocational training opportunities, together with supportive services, on a nonresidential basis to participants in other programs under this Act. Such opportunities may be offered on a reimbursable basis or through such other arrangements as the Secretary may specify.

To the fullest extent feasible, the required program shall include activities to assist enrollees in choosing realistic career goals, coping with problems they may encounter in home communities, or in adjusting to new communities, and planning and managing their daily affairs in a manner that will best contribute to long-term upward mobility. Center programs shall include required participation in center maintenance work to assist enrollees in increasing their sense of contribution, responsibility, and discipline.

29 USC 1698.

(b) The Secretary may arrange for enrollee education and vocational training through local public or private educational agencies, vocational educational institutions, or technical institutes, whenever such institutions provide training substantially equivalent in cost and quality to that which the Secretary could provide through other means.

(c) To the extent feasible, arrangements for education, both at the center and at other locations, shall provide opportunities for qualified enrollees to obtain the equivalent of a certificate of graduation from high school. The Secretary, with the concurrence of the Secretary of Education, shall develop certificates to be issued to each enrollee who satisfactorily completes service in the Job Corps and which will reflect the enrollee's level of educational attainment.

Certificates of educational attainment.

(d)(1) The Secretary may arrange for programs of advanced career training for selected Corps enrollees in which they may continue to participate for a period not to exceed one year in addition to the period of participation to which Corps enrollees would otherwise be limited.

(3) The Secretary may contract with private for-profit businesses and labor unions to provide intensive training in company-sponsored training programs, combined with internships in work settings.

(4) During the period of participation in advanced career training programs, Corps enrollees shall be eligible for full Job Corps benefits or a monthly stipend equal to the average value of residential support, food, allowances, and other benefits in residential Job Corps centers, except that the total amount for which an enrollee shall be eligible shall be reduced by the amount of any scholarship or other educational grant assistance received by such enrollee.

(5) After an initial period of time, determined to be reasonable by the Secretary, any Job Corps center seeking to enroll new Corps enrollees in any advanced career training program shall demonstrate that such program has achieved a reasonable rate of completion and placement in training-related jobs before such new enrollments may occur.

ALLOWANCES AND SUPPORT

29 USC 1699.

SEC. 429. (a) The Secretary shall provide enrollees with such personal, travel, and leave allowances, and such quarters, subsistence, transportation, equipment, clothing, recreational services, and other expenses as he may deem necessary or appropriate to their needs. For the fiscal year ending September 30, 1983, personal allowances shall be established at a rate not to exceed \$65 per month during the first six months of an enrollee's participation in the program and not to exceed \$110 per month thereafter, except that allowances in excess of \$65 per month, but not exceeding \$110 per month, may be provided from the beginning of an enrollee's participation if it is expected to be of less than six months' duration and the Secretary is authorized to pay personal allowances in excess of the rates specified in this subsection in unusual circumstances as determined by him. Such allowances shall be graduated up to the maximum so as to encourage continued participation in the program, achievement and the best use by the enrollee of the funds so provided and shall be subject to reduction in appropriate cases as a disciplinary measure. To the degree reasonable, enrollees shall be required to meet or contribute to costs associated with their individual comfort and enjoyment from their personal allowances.

(b) The Secretary shall prescribe rules governing the accrual of leave by enrollees. Except in the case of emergency, he shall in no event assume transportation costs connected with leave of any enrollee who has not completed at least six months' service in the Job Corps.

(c) The Secretary may provide each former enrollee upon termination, a readjustment allowance at a rate not to exceed, for the fiscal year ending September 30, 1983, \$110 for each month of satisfactory participation in the Job Corps. No enrollee shall be entitled to a readjustment allowance unless he has remained in the program at least 90 days, except in unusual circumstances as determined by the Secretary. The Secretary may, from time to time, advance to or on behalf of an enrollee such portions of his readjustment allowances as the Secretary deems necessary to meet extraordinary financial obligations incurred by that enrollee. The Secretary is authorized, pursuant to rules or regulations, to reduce the amount of an enrollee's readjustment allowance as a penalty for misconduct during

(d) Such portion of the readjustment allowance as prescribed by the Secretary may be paid monthly during the period of service of the enrollee directly to a spouse or child of an enrollee, or to any other relative who draws substantial support from the enrollee, and any amount so paid shall be supplemented by the payment of an equal amount by the Secretary.

STANDARDS OF CONDUCT

SEC. 430. (a) Within Job Corps centers standards of conduct shall be provided and stringently enforced. If violations are committed by enrollees, dismissal from the Corps or transfers to other locations shall be made if it is determined that their retention in the Corps, or in the particular center, will jeopardize the enforcement of such standards or diminish the opportunities of other enrollees.

29 USC 1700.

(b) To promote the proper moral and disciplinary conditions in the Job Corps, the directors of Job Corps centers shall take appropriate disciplinary measures against enrollees, including dismissal from the Job Corps, subject to expeditious appeal to the Secretary.

These activities shall include the establishment of community advisory councils to provide a mechanism for joint discussion of common problems and for planning programs of mutual interest. Youth shall be represented on the advisory council and separate youth councils may be established composed of enrollees and young people from the communities. The Secretary shall assure that each center is operated with a view to achieving, so far as possible, objectives which shall include—

In placing enrollees in jobs, the Secretary shall utilize the public employment service system to the fullest extent possible.

(c) The Secretary shall determine the status and progress of enrollees scheduled for termination and make every effort to assure that their needs for further education, training, and counseling are met.

(d) The Secretary shall arrange for the readjustment allowance to be paid to former enrollees (who have not already found employment) at the State employment service office nearest the home of any such former enrollee who is returning home, or at the nearest such office where the former enrollee has indicated an intent to reside. If the Secretary uses any other public agency or private organization in lieu of the public employment service system, the Secretary shall arrange for that organization or agency to pay the readjustment allowance.

EXPERIMENTAL AND DEVELOPMENTAL PROJECTS AND COORDINATION WITH OTHER PROGRAMS

29 USC 1703.

SEC. 433. (a)(1) The Secretary is authorized to undertake experimental, research, or demonstration projects to develop or test ways of better using facilities, encouraging a more rapid adjustment of enrollees to community life that will permit a reduction in their period of enrollment, reducing transportation and support costs, or otherwise promoting greater efficiency and effectiveness in the program. These projects shall include one or more projects providing youth with education, training, and other supportive services on a combined residential and nonresidential basis.

In the event that the Secretary of Labor and the Secretary of Defense agree that such pilot projects should be expanded into permanent programs, the Secretary may establish such permanent programs within the Job Corps, if the Secretary of Defense agrees (1) to provide 50 percent of the costs attributable to such permanent programs, and (2) to reimburse the Secretary of Labor for an additional amount if more than 50 percent of the enrollees in such programs become members of the Armed Forces. Such additional amount shall be equal to a percentage of such costs which is the percentage by which more than 50 percent of such enrollees become such members. In addition to the provision of funds, such reimbursement may include the provision of equipment, materials, transportation, technical assistance, or other assistance, as specified by the Secretary.

For purposes of such pilot projects, the term "community-based organizations" may include nonprofit educational foundations organized on a State or local basis.

To qualify under this section, such a training program shall contain—

(1) a description of the jobs in the contractor's work force or in the service delivery area, for which the contractor has determined there is a need for training;

(B) Individuals trained under any program satisfying the requirements of this section may be included by the private industry council in its performance accomplishments and the wage gains of such individuals shall be included in determining the compliance of the job training program of the private industry council with applicable standards.

Successful performance or operation of a training program meeting the criteria set forth in subsection (a) shall create a presumption that the contractor has made a good faith effort to meet its affirmative action obligations to the degree specified by the Director under paragraph (2) of this subsection, but that presumption shall not be applicable to the satisfaction of other affirmative action obligations not directly related to the training and hiring requirements of this section, or other affirmative action obligations not affected by this section.
