TITLE VIII—GENERAL PROVISIONS

USE OF RENEWABLE FORMS OF ENERGY

SEC. 801. (a)(1) Chapter 141 of title 10, United States Code, is amended by adding after section 2394, as added by section 6(a)(1) of
the Military Construction Codification Act (Public Law 97–214; 96 Stat. 171), the following new section:

10 USC 2394a.

"§ 2394a. Procurement of energy systems powered by renewable forms of energy

(a) In procuring energy systems the Secretary of a military department shall procure systems that use solar energy or other renewable forms of energy whenever the Secretary determines that such procurement is possible and will be cost effective, reliable, and otherwise suited to supplying the energy needs of the military department under his jurisdiction.

(b)(1) The Secretary of Defense shall from time to time study uses for solar energy and other renewable forms of energy to determine what uses of such forms of energy may be cost effective and reliable in supplying the energy needs of the Department of Defense. The Secretary of Defense, based upon the results of such studies, shall from time to time issue policy guidelines to be followed by the Secretaries of the military departments in carrying out subsection (a) and section 2857 of this title.

(2) The Secretary of Defense shall submit to the Committees on Armed Services of the Senate and House of Representatives not less often than every two years a report on the studies conducted pursuant to paragraph (1). Each such report shall include any findings of the Secretary with respect to the use of solar energy and other renewable forms of energy in supplying the energy needs of the Department of Defense and any recommendations of the Secretary for changes in law that may be appropriate in light of such studies.

(c)(1) For the purposes of this section, an energy system using solar energy or other renewable forms of energy shall be considered to be cost effective if the difference between (A) the original investment cost of the energy system using such a form of energy, and (B) the original investment cost of the energy system not using such a form of energy can be recovered over the expected life of the system.

(2) A determination under paragraph (1) of whether a cost-differential can be recovered over the expected life of a system shall be made using accepted life-cycle costing procedures and shall include—

(A) the use of all capital expenses and all operating and maintenance expenses associated with the energy system using solar energy or other renewable forms of energy, and not using such a form of energy, over the expected life of the system or during a period of 25 years, whichever is shorter;

(B) the use of fossil fuel costs (and a rate of cost growth for fossil fuel costs) as determined by the Secretary of Defense; and

(C) the use of a discount rate of 7 percent per year for all expenses of the energy system.

(3) For the purpose of any life-cycle cost analysis under this subsection, the original investment cost of the energy system using solar energy or other renewable forms of energy shall be reduced by 10 percent to reflect an allowance for an investment cost credit.

(2) The table of sections at the beginning of such chapter is amended by adding after the item relating to section 2394, as added by section 6(aX2) of the Military Construction Codification Act (Public Law 97–214; 96 Stat. 172), the following new item:

"2394a. Procurement of energy systems using renewable forms of energy."
(3) The first report under section 2394a(b)(2) of title 10, United States Code, as added by paragraph (1), shall be submitted not later than two years after the date of the enactment of this Act.

(b)(1) Section 2857 of title 10, United States Code, is amended—

(A) in subsection (a)—

(i) by striking out “solar energy systems” and inserting in lieu thereof “energy systems using solar energy or other renewable forms of energy”; and

(ii) by striking out “solar energy would” and inserting in lieu thereof “such form of energy would”;

(B) in subsection (b)—

(i) by striking out “solar energy systems” in paragraphs (1) and (2) and inserting in lieu thereof “energy systems using solar energy or other renewable forms of energy”; and

(ii) by striking out “a solar energy has” in paragraph (1) and inserting in lieu thereof “such form of energy has”;

(C) in subsection (c)(1)—

(i) by striking out “a solar energy system” the first place it appears and inserting in lieu thereof “an energy system using solar energy or other renewable forms of energy”; and

(ii) by striking out “a solar energy system” the second and third places it appears and inserting in lieu thereof “such a system”;

(D) in subsection (c)(2)(A), by striking out “a solar energy system” and inserting in lieu thereof “an energy system using solar energy or other renewable forms of energy”; 

(E) in subsection (c)(3), by striking out “solar energy system” and inserting in lieu thereof “energy system using solar energy or other renewable forms of energy”; and

(F) in subsection (d), by striking out “solar heating equipment, solar cooling equipment, or both solar heating and solar cooling equipment, or with a passive solar energy system” and inserting in lieu thereof “heating equipment, cooling equipment, or both heating and cooling equipment using solar energy or other renewable forms of energy or with a passive energy system using solar energy or other renewable forms of energy”.

(2) The heading of such section is amended to read as follows:

“§ 2857. Use of renewable forms of energy in new facilities”.

(3) The item relating to such section in the table of sections at the beginning of chapter 159 of such title is amended to read as follows:

“2857. Use of renewable forms of energy in new facilities.”.

RESTRICTION ON CONSTRUCTION OF SPECIAL CONTINGENCY FACILITIES IN CERTAIN COUNTRIES

Sec. 802. (a) Subject to subsections (b) and (c), none of the funds appropriated pursuant to this Act for the construction of any contingency facility to support the national security interests of the United States in Egypt, Kenya, Oman, or Somalia, on the island of Diego Garcia, or at Lajes Field (Portugal) may be obligated or expended for the construction of such facility unless each contract entered into for the construction of such facility requires that all construction materials (other than cement, cement products, aggre-
gates, and concrete components other than steel) to be used in carrying out the contract will be materials produced, manufactured, or refined in the United States or the host nation.

(b) The provisions of subsection (a) shall not apply (1) if the application of such provisions would violate a formal agreement between the United States and the country that exercises sovereignty over the land on which a facility referred to in such subsection is to be constructed, or (2) in the case of a contract for $5,000,000 or less.

(c) The project manager of a facility referred to in subsection (a) may authorize, in the construction of such facility, a limited use of materials not produced, manufactured, or refined in the United States if the manager determines that the use of such materials is necessary for the orderly and timely construction of such facility. However, the total amount expended for materials not produced, manufactured, or refined in the United States under a contract for the construction of a facility referred to in subsection (a) may not exceed the applicable limit specified in the following table:

**AUTHORIZATION TO USE MONEYS RECEIVED FROM GRAZING AND AGRICULTURAL LEASES**

Sec. 803. Section 2667(d) of title 10, United States Code, is amended—

(1) by striking out “Money” and inserting in lieu thereof “(1) Except as provided in paragraph (2), money”;

(2) by adding at the end thereof the following new paragraph:

“(2) Money rentals received by the United States directly from a lease under this section for agricultural or grazing purposes of lands under the control of the Secretary of a military department (other than lands acquired by the United States for flood control or navigation purposes or any related purpose, including the development of hydroelectric power) may be retained and spent by the Secretary concerned in such amounts as the Secretary considers necessary to cover the administrative expenses of leasing for such purposes and to cover the financing of multiple-land use management programs at any installation under the jurisdiction of the Secretary.”.

**OBLIGATIONS FOR COMMISSARY STORE FACILITY CONSTRUCTION**

Sec. 804. Section 2665 of title 10, United States Code, is amended by adding at the end thereof the following new subsection:
“(c) The Secretary of a military department, with the approval of the Secretary of Defense and the Director of the Office of Management and Budget, may obligate anticipated proceeds from the adjustments or surcharges authorized by subsection (a) for any use specified in subsection (b), without regard to fiscal year limitations, if the Secretary of the military department determines that such obligation is necessary to carry out any use of such adjustments or surcharges specified in subsection (b).”.

CLARIFICATION OF CONSTRUCTION AUTHORITY ON LAND HELD IN OTHER THAN A FEE SIMPLE INTEREST; TECHNICAL AMENDMENTS

SEC. 805. (a)(1) Section 2852(b) of title 10, United States Code, is amended to read as follows:

“(b) Authority to carry out a military construction project or a military family housing project may be exercised on land not owned by the United States—

“(1) before title to the land on which the project is to be carried out is approved under section 355 of the Revised Statutes (40 U.S.C. 255); and

“(2) even though the land will be held in other than a fee simple interest in a case in which the Secretary of the military department concerned determines that the interest to be acquired in the land is sufficient for the purposes of the project.”.

(2) Section 2239(b) of such title is amended to read as follows:

“(b) Authority provided by law to place permanent or temporary improvements on land under section 2233 of this title may be exercised on land not owned by the United States—

“(1) before title to the land on which the improvement is located (or is to be located) is approved under section 355 of the Revised Statutes (40 U.S.C. 255); and

“(2) even though the land will be held in other than a fee simple interest in a case in which the Secretary of the military department concerned determines that the interest to be acquired in the land is sufficient for the purposes of the project.”.

(b)(1) The heading of section 2806 of such title is amended to read as follows:

“§ 2806. Contributions for North Atlantic Treaty Organization Infrastructure”.

(2) The second sentence of section 2828(e)(1) of such title is amended by inserting “the” after “may be waived by”.

(3) Section 2894 of such title is amended—

(A) by striking out “subsection (c)” in subsection (a) and inserting in lieu thereof “subsection (b)”; and

(B) by redesignating subsection (d) as subsection (c).

(4) The item relating to section 2689 in the table of sections at the beginning of chapter 159 of such title is amended to read as follows:

“2689. Development of geothermal energy on military lands.”.

LAND CONVEYANCE, BELL, CALIFORNIA

SEC. 806. (a) The Secretary of the Army (hereinafter in this section referred to as the "Secretary") is authorized to convey to the City of
Buildings and improvements. Bell, California (hereinafter in this section referred to as the “City”), all right, title, and interest of the United States in and to a parcel of land aggregating 7.2 acres, more or less, and more particularly described on a map entitled “Outgrant to California Army National Guard, Bell, California, drawing numbered 247-K-31.1”, dated December 14, 1977, and on file in the Office of the District Engineer, United States Army Engineer District, Los Angeles, California, together with any improvements located on that parcel of land.

(b)(1) In consideration for the conveyance authorized by subsection (a), the City, pursuant to an agreement to be entered into between the City and the Secretary, shall provide to the United States, to the extent of the fair market value (as determined by the Secretary) of the land conveyed by the Secretary under subsection (a), the buildings and other improvements described in paragraph (2), which buildings and improvements shall be the property of the United States.

(2) The buildings and improvements to be provided to the United States are the following:

(A) A National Guard armory.
(B) An organizational maintenance shop.
(C) Modernization of the Government-owned building located in the City designated in Department of the Army records as Building 332.

(3) The design and construction of the National Guard armory and the organizational maintenance shop and the modernization of the building described in paragraph (2)(C) shall be in conformance with plans and specifications approved by the Secretary.

Payment. (c) The City shall pay to the United States, as further consideration for the conveyance authorized by subsection (a), an amount equal to the amount by which the fair market value (as determined by the Secretary) of the property to be conveyed by the Secretary under subsection (a) exceeds the sum of the actual costs (as determined by the Secretary) of the buildings and improvements provided to the United States under subsection (b).

Surveys. (d) The exact acreage and legal descriptions of any property to be conveyed under this section shall be determined by surveys that are satisfactory to the Secretary. The cost of any such survey shall be borne by the City.

Expiration of Secretary's authority. (e) The Secretary may require such additional terms and conditions in carrying out this section as the Secretary considers appropriate to protect the interests of the United States.

(f) The authority of the Secretary under this section expires at the end of the three-year period beginning on the date of the enactment of this Act.

MODIFICATION OF REVERSIONARY INTEREST IN FORMER NAVY LAND AT SAN DIEGO, CALIFORNIA

SEC. 807. The Secretary of the Navy shall, subject to the same conditions as set forth in the first section of Public Law 87-662 (76 Stat. 546), execute such documents as may be necessary in order to provide that a parcel of not more than 30 acres of the property conveyed (subject to a reversionary interest) to the regents of the University of California pursuant to Public Law 87-662 (76 Stat. 546) may, in addition to the use for educational purposes authorized pursuant to section 3 of such Public Law, be used for industrial scientific or technological research purposes, subject to the condition
that if at any time the Secretary of the Navy determines that such parcel is not held for such purposes title to such parcel shall immediately revert to the United States. In the event of any such reversion, title to all improvements made on such parcel during the occupancy of such parcel shall vest in the United States without compensation for such improvements.

LAND CONVEYANCES, EGLIN AIR FORCE BASE, FLORIDA

SEC. 808. (a) Notwithstanding the restoration provisions of the Second Deficiency Appropriation Act, 1940 (54 Stat. 628, 655), the Secretary of the Air Force (hereinafter in this section referred to as the "Secretary") may take appropriate action to quiet title to tracts of land at or adjoining Eglin Air Force Base, Florida, in order to resolve encroachments, resulting from a reliance on inaccurate surveys, by the United States onto private property at or adjacent to such base and by private parties onto property owned by the United States.

(b) In carrying out subsection (a), the Secretary (1) may disclaim on behalf of the United States any intent by the United States to acquire by prescription any property at or in the vicinity of Eglin Air Force Base, (2) may dispose of tracts of land owned by the United States, and (3) may acquire tracts of land by purchase, by donation, or by exchange for tracts of land owned by the United States at or adjacent to Eglin Air Force Base.

(c) Any conveyance by the Secretary under this section may be made, at the discretion of the Secretary, without consideration or by exchange for tracts of land adjoining Eglin Air Force Base in possession of private parties who mistakenly believed that they had acquired title to such tracts.

LAND CONVEYANCE, CLARKE COUNTY, GEORGIA

SEC. 809. (a) The Secretary of the Army (hereinafter in this section referred to as the "Secretary") is authorized to convey to the Clarke County, Georgia, Board of Education all right, title, and interest of the United States in and to a tract of land consisting of approximately 3.88 acres and located in the City of Athens, Georgia, together with any improvements located on the tract of land.

(b) In consideration for the conveyance authorized by subsection (a), the Clarke County, Georgia, Board of Education shall convey to the United States all right, title, and interest of the board in and to a tract of land consisting of approximately 12.5 acres and delineated as the site of the Lyons School on a plat entitled "Plat of land deeded to the Clarke County Board of Education by Clarke County, Ga.", dated December 21, 1953, and annexed to the deed from the Commissioner of roads and revenues of Clarke County, Georgia, to the Clarke County Board of Education, dated January 9, 1954, and recorded in deed book 139, page 368, in the Office of the Clerk of the Superior Court of Clarke County, Georgia, together with any improvements located on the tract of land.

(c)(1) If the fair market value (as determined by the Secretary) of the property to be conveyed by the United States to the Clarke County, Georgia, Board of Education under subsection (a) exceeds the fair market value (as determined by the Secretary) of the property to be conveyed by the board to the United States under
subsection (b), the board shall pay to the United States the amount of the difference.

(2) If the fair market value (as determined by the Secretary) of the property to be conveyed by the Clarke County, Georgia, Board of Education to the United States under subsection (b), exceeds the fair market value (as determined by the Secretary) of the property to be conveyed by the United States to the board under subsection (a), the United States shall pay to the board the amount of the difference, but not more than $300,000.

(3) The authority to make a payment under paragraph (2) shall take effect on October 1, 1982, and is subject to the availability of appropriations for that purpose.

(d)(1) The exact acreages and legal descriptions of any property acquired or conveyed under this section shall be determined by surveys that are satisfactory to the Secretary. The cost of any such survey shall be borne by the Board of Education of Clarke County, Georgia.

(2) The Secretary may require such additional terms and conditions with respect to the acquisition and conveyance authorized by this section as the Secretary considers appropriate to protect the interests of the United States.

LAND CONVEYANCE, HOUSTON COUNTY, GEORGIA

SEC. 810. (a) The Secretary of the Air Force (hereinafter in this section referred to as the “Secretary”) is authorized to convey to the City of Warner Robins, Georgia, and the Board of Commissioners of Houston County, Georgia, all right, title, and interest of the United States in and to a portion (as determined by the Secretary) of tracts of land consisting of a total of approximately 70 acres, together with any improvements located on the land.

(b) In consideration for the conveyance authorized by subsection (a), the City of Warner Robins, Georgia, and the Board of Commissioners of Houston County, Georgia, shall convey to the United States all right, title, and interest of the City and the board in and to four tracts of land consisting of a total of approximately 400 acres and located contiguous to Robins Air Force Base, Georgia, together with any improvements located on the tracts of land.

(c) The City of Warner Robins, Georgia, and the Board of Commissioners of Houston County, Georgia, shall pay to the United States an amount equal to the amount by which the fair market value (as determined by the Secretary) of the property to be conveyed by the United States to the City and the board under subsection (a) exceeds the fair market value (as determined by the Secretary) of the property to be conveyed by the City and the board to the United States under subsection (b).

(d)(1) The exact acreages and legal descriptions of any property acquired or conveyed under this section shall be determined by surveys that are satisfactory to the Secretary. The cost of any such survey shall be borne by the City of Warner Robins, Georgia, and the Board of Commissioners of Houston County, Georgia.

(2) The Secretary may require such additional terms and conditions with respect to the acquisition and conveyance authorized by this section as the Secretary considers appropriate to protect the interests of the United States.
SEC. 811. (a) The Secretary of the Army (hereinafter in this section referred to as the "Secretary") is authorized to convey to the State of Illinois all right, title, and interest of the United States in and to approximately ten acres of land comprising a portion of the National Guard Maintenance Center located in Cook County, Illinois, and presently under license to the State of Illinois for National Guard use. The land authorized to be conveyed is more particularly described as follows: Beginning at a point four hundred feet north of the southwest corner of section 23; thence east of a line parallel to the south line of the southwest quarter of section 23, a distance of four hundred and eighty-two feet (plus or minus) to the existing chain link fence; thence north along the chain link fence eight hundred and forty feet (plus or minus) to the south line of the Illinois Central Railroad property; thence northwesterly and west along the same south property line of the Illinois Central Railroad to the west line of the southwest quarter of section 23; thence south along the west line of the southwest quarter of section 23, nine hundred and twenty feet (plus or minus) to the point of beginning, all lying in the southwest quarter of section 23, township 39 north, range 12 east of the third principal meridian.

(b) In consideration for the conveyance authorized by subsection (a), the State of Illinois shall pay to the United States an amount equal to the appraised fair market value of the land to be conveyed (as determined by the Secretary), less any credit allowed under subsection (c). In addition, such conveyance shall be made subject to such terms, conditions, restrictions, and reservations as the Secretary determines to be necessary to protect the interests of the United States, including the interest of the United States in connection with the continued use by the United States of any property adjacent to or nearby the property conveyed.

(c) In determining the amount to be paid as consideration for the land to be conveyed, the Secretary may give appropriate credit for costs previously incurred by the State of Illinois in improving that land incident to its use under license from the Secretary.

(d) After the determination by the Secretary of the amount to be paid by the State of Illinois as consideration for the land to be conveyed (including the determination of any credit to be allowed under subsection (c)), and before the conveyance is made, the Secretary shall submit a report to the Committees on Armed Services of the Senate and House of Representatives setting forth the facts and circumstances leading to such determination. Such report shall include a detailed statement of the nature, extent, and amount of the costs previously incurred by the State for which the Secretary proposes to allow credit under subsection (c).

(e) The cost of any survey in connection with the conveyance of such property shall be borne by the State of Illinois.

(f) The authority of the Secretary under this section expires at the end of the two-year period beginning on the date of the enactment of this Act.

LAND EXCHANGE, KANSAS CITY, MISSOURI

SEC. 812. (a) The Secretary of the Army (hereinafter in this section referred to as the "Secretary") is authorized to convey to the Kansas City Corporation for Industrial Development of Kansas City, Missouri (hereinafter in this section referred to as the "Corporation"),
all right, title, and interest of the United States in and to a parcel of land, aggregating one and two-tenths acres, more or less, together with improvements thereon, situated in Jackson County, Kansas City, Missouri, and presently used by the United States for Army Reserve purposes and known as the Sergeant Charles R. Long Army Reserve Training Center.

(b) In consideration for the conveyance by the Secretary under subsection (a), the Corporation shall—

(1) convey to the United States all right, title, and interest in and to a parcel of land, aggregating four and one-half acres, more or less, together with improvements thereon, known as the Carlisle School;

(2) repair and rehabilitate the Carlisle School in accordance with specifications approved by the Secretary; and

(3) provide to the United States the cost, as determined by the Secretary, of relocating Federal Government activities from the Sergeant Charles R. Long Army Reserve Training Center to the Carlisle School.

(c) If the sum of the fair market value (as determined by the Secretary) of the property conveyed to the United States under subsection (b)(1) and the cost of the repair and rehabilitation under subsection (b)(2) is less than the fair market value (as determined by the Secretary) of the property of the United States conveyed under subsection (a), the Corporation shall pay to the United States the amount of the difference. Any such payment shall be deposited into the Treasury as miscellaneous receipts.

(d) If the Corporation offers to provide to the United States another facility as consideration for the conveyance under subsection (a) in lieu of conveying the Carlisle School, and the Secretary determines that such facility is equal to or better than the Carlisle School from a functional, rehabilitative, economic, or other aspect, the Secretary may accept such alternative facility as consideration for the conveyance under subsection (a) in lieu of accepting the Carlisle School under subsection (b). Before accepting such facility, the Secretary shall submit a report of the facts concerning the proposed transaction to the Committees on Armed Services of the Senate and House of Representatives as required by section 2662 of title 10, United States Code.

(e) The exact acreages and legal descriptions of the properties to be conveyed under this section shall be determined by surveys which are satisfactory to the Secretary. The cost of any such survey shall be borne by the Corporation.

(f) The Secretary may require such additional terms and conditions in connection with the conveyances authorized by this section as the Secretary considers appropriate to protect the interests of the United States.

LAND EXCHANGE, FORT LEWIS, WASHINGTON

SEC. 813. (a) The Secretary of the Army (hereinafter in this section referred to as the "Secretary") is authorized to convey to the Weyerhaeuser Corporation, Tacoma, Washington, all right, title, and interest of the United States in and to five parcels of land totaling approximately 300 acres located along the western boundary of the Fort Lewis Military Reservation, Pierce County, Washington, together with the improvements on such land. Such conveyance shall include the following easements on behalf of the United States:
(1) A training easement over tract 1-US.
(2) An access easement over tract 4-US.

(b) In consideration for the conveyance authorized by subsection (a), the Weyerhaeuser Corporation—

(1) shall convey, or cause to be conveyed, to the United States all right, title, and interest in and to two parcels of land totaling approximately 290 acres, together with the improvements on such parcels, which are acceptable to the Secretary and the value of which (as determined by the Secretary) is not less than the value of the land conveyed under subsection (a); and

(2) shall pay all costs for the installation of fencing necessitated by the conveyances made pursuant to subsection (a) and this subsection (as determined by the Secretary).

(c) The Secretary may not execute the conveyance authorized by subsection (a) unless the conveyance of the property referred to in subsection (b) is made to the United States without the reservation for the benefit of the Weyerhaeuser Corporation of any easement other than two easements over roads in tract 1-W.

(d) The exact acreages and legal descriptions of the lands to be conveyed under subsections (a) and (b) shall be determined by surveys that are satisfactory to the Secretary. The cost of any such survey shall be borne by the Weyerhaeuser Corporation.

(e) The Secretary may enter into an agreement with the appropriate officials of Pierce County, Washington, under which (1) the existing reversionary interest of Pierce County in the lands to be conveyed by the United States under subsection (a) is extinguished, and (2) the conveyance to the United States under subsection (b) is made subject to a similar reversionary interest in favor of Pierce County in the lands conveyed under such subsection.

(f) The Secretary may require such additional terms and conditions in connection with the conveyances authorized by this section as the Secretary considers appropriate to protect the interests of the United States.

ACTIVITIES TO ALLOW CONSOLIDATION OF CERTAIN FUNCTIONS AT WASHINGTON NAVY YARD, WASHINGTON, DISTRICT OF COLUMBIA

SEC. 814. (a) The Secretary of the Navy (hereinafter in this section referred to as the “Secretary”) may spend funds appropriated to the Department of the Navy for military construction for fiscal years beginning after September 30, 1982, in an amount not to exceed $5,000,000 for projects at the Washington Navy Yard, Washington, District of Columbia, as follows:

(1) Alteration, conversion, and modernization of building numbered 210 at the Washington Navy Yard for use as administrative office space.

(2) Alterations of buildings numbered 142 and 198 for use as public works facilities in support of building numbered 210.

(3) Systems, utilities, and site improvements in support of the projects described in clauses (1) and (2).

(b)(1) The Secretary may dispose of the property owned by the United States at 8621 Georgia Avenue, Silver Spring, Maryland, sometimes known as the Wolfe Building. The disposal of such property shall be made at not less than the fair market value of the property (as determined by the Secretary). The Secretary may use the proceeds from such disposal to reimburse the appropriations.
public law 97-321—oct. 15, 1982

account from which funds are spent for the projects authorized by subsection (a).

(2) The authority of the Secretary under paragraph (1) includes authority to dispose of the property described in such paragraph by sale to private parties or transfer to any Federal, State, or local government agency for cash, on credit, and upon such other terms and conditions as the Secretary determines to be in the public interest.

(c) Any proceeds from the disposal authorized by subsection (b) in excess of the amount necessary for reimbursement under subsection (a), as determined by the Secretary, shall be available to the Secretary for military construction projects authorized for the Navy for fiscal year 1984 and for later fiscal years.

TECHNICAL AMENDMENT OF PRIOR AUTHORITY FOR LAND CONVEYANCE, SOUTH CHARLESTON, WEST VIRGINIA

(1) in subsection (a) by inserting "or the State of West Virginia" after "South Charleston, West Virginia" the first place it appears; and

(2) in subsection (b)(1)(A) by inserting a comma and "or such other alternate sites which may be acceptable to the Secretary" after "South Charleston, West Virginia".
