GENERAL PROVISIONS

SEC. 101. Funds appropriated to the Department of Defense for construction in prior years are hereby made available for construction authorized for each such department by the authorizations enacted into law during the second session of the Ninety-seventh Congress.

SEC. 102. None of the funds appropriated in this Act shall be expended for payments under a cost-plus-a-fixed-fee contract for work, where cost estimates exceed $25,000, to be performed within the United States, except Alaska, without the specific approval in writing of the Secretary of Defense setting forth the reasons therefor.

SEC. 103. None of the funds appropriated in this Act shall be used for the construction, replacement, or reactivation of any bakery, laundry, or drycleaning facility in the United States, its territories, or possessions, as to which the Secretary of Defense does not certify, in writing, giving his reasons therefor, that the services to be furnished by such facilities are not obtainable from commercial sources at reasonable rates.

SEC. 104. Funds herein appropriated to the Department of Defense for construction shall be available for hire of passenger motor vehicles.

SEC. 105. Funds appropriated to the Department of Defense for construction may be used for advances to the Federal Highway Administration, Department of Transportation, for the construction of access roads as authorized by section 210 of title 23, United States Code, when projects authorized therein are certified as important to the national defense by the Secretary of Defense.
SEC. 106. None of the funds appropriated in this Act may be used to begin construction of new bases inside the continental United States for which specific appropriations have not been made.

SEC. 107. No part of the funds provided in this Act shall be used for purchase of land or land easements in excess of 100 per centum of the value as determined by the Corps of Engineers or the Naval Facilities Engineering Command, except: (a) where there is a determination of value by a Federal court, or (b) purchases negotiated by the Attorney General or his designee, or (c) where the estimated value is less than $25,000, or (d) as otherwise determined by the Secretary of Defense to be in the public interest.

SEC. 108. None of the funds appropriated in this Act shall be used to (1) acquire land, (2) provide for site preparation, or (3) install utilities for any family housing, except housing for which funds have been made available in annual military construction appropriation Acts.

SEC. 109. None of the funds appropriated in this Act for minor construction may be used to transfer or relocate any activity from one base or installation to another, without prior notification to the Committees on Appropriations.

SEC. 110. None of the funds appropriated or otherwise made available under this Act shall be obligated or expended in connection with any base realignment or closure activity, until all terms, conditions and requirements of the National Environmental Policy Act have been complied with, with respect to each such activity.

SEC. 111. No part of the funds appropriated in this Act may be used for the procurement of steel for any construction project or activity for which American steel producers, fabricators, and manufacturers have been denied the opportunity to compete for such steel procurement.

SEC. 112. No part of the funds appropriated in this Act for dredging in the Indian Ocean may be used for the performance of the work by foreign contractors: Provided, That the low responsive bid of a United States contractor does not exceed the lowest responsive bid of a foreign contractor by greater than 20 per centum.

SEC. 113. No part of the funds appropriated in this Act may be obligated for design of any site-specific facilities for the MX missile system until all terms, conditions, and requirements of the National Environmental Policy Act (42 U.S.C. 4332) are met.

SEC. 114. None of the funds available to the Department of Defense for military construction or family housing during the current fiscal year may be used to pay real property taxes in any foreign nation.

SEC. 115. No part of the funds appropriated in this Act may be used to pay the compensation of an officer of the Government of the United States or to reimburse a contractor for the employment of a person for work in the continental United States by any such person if such person is an alien who has not been lawfully admitted to the United States.

SEC. 116. The expenditure of any appropriation under this Act for any consulting service through procurement contract, pursuant to 5 U.S.C. 3109, shall be limited to those contracts where such expenditures are a matter of public record and available for public inspection, except where otherwise provided under existing law, or under existing Executive order issued pursuant to existing law.

SEC. 117. Notwithstanding any other provision of law, any funds appropriated to a military department or defense agency for the
construction of military projects may be obligated for a military construction project or contract, or for any portion of such a project or contract, at any time before the end of the fourth fiscal year after the fiscal year for which funds for such project were appropriated if the funds obligated for such project (1) are obligated from funds available for military construction projects, and (2) do not exceed the amount appropriated for such projects, plus any amount by which the cost of such project is increased pursuant to law.

Sec. 118. Unexpended balances in the Family Housing Management Account established pursuant to section 501(a) of Public Law 87-554 shall be transferred to the appropriations for Family Housing provided in this Act, as determined by the Secretary of Defense, based on the purposes for which originally appropriated, and shall remain available for obligation for the same period as such funds were available before such transfer is made, except for funds available for debt payment, which shall remain available until September 30, 1983.

Sec. 119. Pursuant to 10 U.S.C. 2394 and section 201 of the Military Construction Authorization Act, 1983, the Navy is authorized (a) to construct and operate a refuse derived fuel-fired electric power generating plant and (b) to contract for fuel supplies at the Norfolk Naval Shipyard (NNSY). Any electric power and fuel supplies produced in excess of the needs of the Navy may be sold: Provided, however, That any proceeds from such sales, adjusted for costs related thereto, shall be credited to the Treasury as miscellaneous receipts.

Sec. 120. None of the funds appropriated in this Act may be obligated or expended in any way for the express purpose of the sale, lease, or rental of any portion of land currently identified as Fort DeRussy, Honolulu, Hawaii.

This Act may be cited as the "Military Construction Appropriation Act, 1983".
