Public Law 98-93
98th Congress

Joint Resolution

Designating "National Cystic Fibrosis Week".

Sept. 20, 1983
[S.J. Res. 131]

Whereas cystic fibrosis is the number one genetic killer of children in America, and about thirty thousand children and young adults in this country have cystic fibrosis; and

Whereas public knowledge about cystic fibrosis contributes to early detection and treatment of the disease and to improved understanding about the symptoms of cystic fibrosis; and

Whereas increased national awareness of cystic fibrosis and of the young people whose lives are affected by the disease stimulates public concern and increased attention to research seeking control and cure: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the week of September 18 through 24, 1983, is designated as "National Cystic Fibrosis Week", and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe that week with appropriate ceremonies and activities.

National Cystic Fibrosis Week.
