

Public Law 99-141
99th Congress

An Act

Nov. 1, 1985

[H.R. 2959]

Making appropriations for energy and water development for the fiscal year ending September 30, 1986, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the fiscal year ending September 30, 1986, for energy and water development, and for other purposes, namely:

TITLE I

DEPARTMENT OF DEFENSE—CIVIL

DEPARTMENT OF THE ARMY

CORPS OF ENGINEERS—CIVIL

The following appropriations shall be expended under the direction of the Secretary of the Army and the supervision of the Chief of Engineers for authorized civil functions of the Department of the Army pertaining to rivers and harbors, flood control, beach erosion, and related purposes.

GENERAL INVESTIGATIONS

For expenses necessary for the collection and study of basic information pertaining to river and harbor, flood control, shore protection, and related projects, restudy of authorized projects, miscellaneous investigations, and when authorized by law, surveys and detailed studies and plans and specifications of projects prior to construction, \$128,972,000, to remain available until expended.

CONSTRUCTION, GENERAL

For the prosecution of river and harbor, flood control, shore protection, and related projects authorized by laws; and detailed studies, and plans and specifications, of projects (including those for development with participation or under consideration for participation by States, local governments, or private groups) authorized or made eligible for selection by law (but such studies shall not constitute a commitment of the Government to construction), \$795,865,000 to remain available until expended, and in addition, to remain available until expended, for that increment of the project for beach erosion control, Sandy Hook to Barnegat Inlet, New Jersey, \$1,500,000 shall be made available for the Ocean Township to Sandy Hook reach at Sea Bright and Monmouth Beach extending to the vicinity of Long Branch; and in addition, \$6,000,000, to remain available until expended, for the construction of the Yatesville Lake construction project; and in addition, \$95,700,000, to remain avail-

able until expended, for construction of the Red River Waterway, Mississippi River to Shreveport, Louisiana project, of which \$5,700,000 is for construction of Lock and Dam No. 3; and in addition \$18,000,000, to remain available until expended, for construction of the main dam of the Elk Creek Lake, Rogue River Basin, Oregon Project, as authorized by the River and Harbor and Flood Control Act of 1962, Public Law 87-874; and in addition, \$1,880,000, to remain available until expended for construction of the Lorain small boat harbor, Lorain, Ohio, project authorized by section 107 of the Rivers and Harbor Act of 1960, as amended; and in addition, \$400,000 to remain available until expended for remedial, corrective design and construction of project deficiencies in the First Ward Area Front Street Levee in Binghamton, New York.

76 Stat. 1180,
1198.

33 USC 577.

The Corps of Engineers is directed to construct recreation and management facilities at the Ouachita and Black Rivers, Arkansas and Louisiana, in the vicinity of the Felsenthal National Wildlife Refuge at full Federal expense using funds heretofore provided, using the \$3,500,000 provided for such purpose in this Act.

FLOOD CONTROL AND COASTAL EMERGENCIES

For expenses necessary for emergency flood control, hurricane, and shore protection activities, as authorized by section 5 of the Flood Control Act, approved August 18, 1941, as amended, \$25,000,000, to remain available until expended.

33 USC 701n.

FLOOD CONTROL, MISSISSIPPI RIVER AND TRIBUTARIES, ARKANSAS, ILLINOIS, KENTUCKY, LOUISIANA, MISSISSIPPI, MISSOURI, AND TENNESSEE

For expenses necessary for prosecuting work of flood control, and rescue work, repair, restoration, or maintenance of flood control projects threatened or destroyed by flood, as authorized by law (33 U.S.C. 702a, 702g-1), \$314,760,000, to remain available until expended: *Provided*, That not less than \$250,000 shall be available for bank stabilization measures as determined by the Chief of Engineers to be advisable for the control of bank erosion of streams in the Yazoo Basin, including the foothill area, and where necessary such measures shall complement similar works planned and constructed by the Soil Conservation Service and be limited to the areas of responsibility mutually agreeable to the District Engineer and the State Conservationist.

OPERATION AND MAINTENANCE, GENERAL

For expenses necessary for the preservation, operation, maintenance, and care of existing river and harbor, flood control, and related works, including such sums as may be necessary for the maintenance of harbor channels provided by a State, municipality or other public agency, outside of harbor lines, and serving essential needs of general commerce and navigation; administration of laws pertaining to preservation of navigable waters; surveys and charting of northern and northwestern lakes and connecting waters; clearing and straightening channels; and removal of obstructions to navigation, \$1,319,973,000, to remain available until expended, of which \$12,000,000 shall be for construction, operation, and maintenance of outdoor recreation facilities, to be derived from the special account

16 USC 4601-4
note.

established by the Land and Water Conservation Act of 1965, as amended (16 U.S.C. 4601).

Within available funds under this account, advance maintenance of the Charleston Harbor navigation channel may be accomplished to allow for safe movement of vessels.

REVOLVING FUND

For initiation of construction on a dustpan dredge and for the Corps of Engineers Automation Plan, \$7,000,000, to remain available until expended (33 U.S.C. 576).

GENERAL EXPENSES

For expenses necessary for general administration and related functions in the office of the Chief of Engineers and offices of the Division Engineers; activities of the Board of Engineers for Rivers and Harbors and the Coastal Engineering Research Board, \$107,000,000, to remain available until expended.

ADMINISTRATIVE PROVISIONS

Appropriations in this title shall be available for expenses of attendance by military personnel at meetings in the manner authorized by 5 U.S.C. 4110, uniforms, and allowances therefor, as authorized by law (5 U.S.C. 5901-5902), and for printing, either during a recess or session of Congress, of survey reports authorized by law, and such survey reports as may be printed during a recess of Congress shall be printed, with illustrations, as documents of the next succeeding session of Congress; not to exceed \$2,000 for official reception and representation expenses; and during the current fiscal year the revolving fund, Corps of Engineers, shall be available for purchase (not to exceed 175 for replacement only) and hire of passenger motor vehicles.

GENERAL PROVISIONS, CORPS OF ENGINEERS

Prohibition.

SEC. 101. None of the funds appropriated in this title, except as specifically contained herein, shall be used to alter, modify, dismantle, or otherwise change any project which is partially constructed but not funded for construction in this title.

Rivers and
harbors.

SEC. 102. Within available funds appropriated under "Operation and Maintenance, General", the Secretary of the Army may remove obstructions and ease bends at the Jacksonville Harbor navigation channel in the vicinity of Blount Island to allow for the free and safe movement of vessels.

TITLE II

DEPARTMENT OF THE INTERIOR

BUREAU OF RECLAMATION

43 USC 371 note.

For carrying out the functions of the Bureau of Reclamation as provided in the Federal reclamation laws (Act of June 17, 1902, 32 Stat. 388, and Acts amendatory thereof or supplementary thereto) and other Acts applicable to that Bureau as follows:

GENERAL INVESTIGATIONS

For engineering and economic investigations of proposed Federal reclamation projects and studies of water conservation and development plans and activities preliminary to the reconstruction, rehabilitation and betterment, financial adjustment, or extension of existing projects, to remain available until expended, \$34,035,000: *Provided*, That of the total appropriated, the amount for program activities which can be financed by the reclamation fund shall be derived from that fund: *Provided further*, That all costs of an advance planning study of a proposed project shall be considered to be construction costs and to be reimbursable in accordance with the allocation of construction costs if the project is authorized for construction.

CONSTRUCTION PROGRAM

(INCLUDING TRANSFER OF FUNDS)

For construction and rehabilitation of projects and parts thereof (including power transmission facilities for Bureau of Reclamation use) and for other related activities as authorized by law, to remain available until expended, \$521,700,000 of which \$97,412,000 shall be available for transfers to the Upper Colorado River Basin Fund authorized by section 5 of the Act of April 11, 1956 (43 U.S.C. 620d), and \$144,950,000 shall be available for transfers to the Lower Colorado River Basin Development Fund authorized by section 403 of the Act of September 30, 1968 (43 U.S.C. 1543), and \$1,430,000 shall be considered as though advanced to the Colorado River Dam Fund for the Boulder Canyon Project as authorized by the Act of December 21, 1928, as amended: *Provided*, That of the total appropriated, the amount for program activities which can be financed by the reclamation fund shall be derived from that fund: *Provided further*, That transfers to the Upper Colorado River Basin Fund and Lower Colorado River Basin Development Fund may be increased or decreased by transfers within the overall appropriation to this heading: *Provided further*, That the final point of discharge for the interceptor drain for the San Luis Unit shall not be determined until development by the Secretary of the Interior and the State of California of a plan, which shall conform with the water quality standards of the State of California as approved by the Administrator of the Environmental Protection Agency, to minimize any detrimental effect of the San Luis drainage waters: *Provided further*, That no part of the funds herein approved shall be available for construction or operation of facilities to prevent waters of Lake Powell from entering any national monument: *Provided further*, That of the amount herein appropriated, such amounts as may be necessary shall be available to enable the Secretary of the Interior to continue work on rehabilitating the Velarde Community Ditch Project, New Mexico, in accordance with the Federal Reclamation Laws (Act of June 17, 1902, 32 Stat. 388, and Acts amendatory thereof or supplementary thereto) for the purposes of diverting and conveying water to irrigated project lands. The cost of the rehabilitation will be non-reimbursable and constructed features will be turned over to the appropriate entity for operation and maintenance: *Provided further*, That of the amount herein appropriated, such amounts as may be required shall be available to continue improvement activities for the Lower Colorado Regional Complex:

43 USC 617.

43 USC 371 note.

Provided further, That none of the funds made available by this Act for the Bonneville Unit of the Central Utah Project may be obligated or expended for the award of new construction contracts or for land acquisition related to new contracts until a supplemental repayment contract for municipal and industrial water supplies, sufficient to recover all allocable reimbursable costs, plus interest, has been executed between the Secretary and the Central Utah Water Conservancy District and such contract has been submitted to the Congress and 100 days have elapsed: *Provided further*, That \$14,000,000 in unobligated balances of Teton Dam Failure of Payment of Claims funds provided under Public Laws 94-355, dated July 12, 1976, and 94-438, dated September 30, 1976, shall be available for use on projects under this appropriation: *Provided further*, That none of the funds made available by this or any other appropriations Act shall be obligated or expended for construction (including land acquisition) of the Garrison Diversion Unit, North Dakota, unless the Congress has, prior to March 31, 1986, enacted legislation reformulating the Unit: *Provided further*, That this restriction shall not apply to the expenditure of funds pursuant to contracts that have been awarded prior to October 1, 1985: *Provided further*, That of the amount herein appropriated not to exceed \$20,000 shall be available to continue a rehabilitation and betterment program with the Twin Falls Canal Company, Twin Falls County, Idaho, to rehabilitate facilities under the Act of October 7, 1949 (63 Stat. 724), as amended, to be repaid in full by the lands served and under conditions satisfactory to the Secretary of the Interior.

43 USC 377a.
90 Stat. 1415.

OPERATION AND MAINTENANCE

For operation and maintenance of reclamation projects or parts thereof and other facilities, as authorized by law; and for a soil and moisture conservation program on lands under the jurisdiction of the Bureau of Reclamation, pursuant to law, to remain available until expended, \$132,665,000: *Provided*, That of the total appropriated, the amount for program activities which can be financed by the reclamation fund shall be derived from that fund: *Provided further*, That of the total appropriated, such amounts as may be required for replacement work on the Boulder Canyon Project which would require readvances to the Colorado River Dam Fund shall be readvanced to the Colorado River Dam Fund pursuant to section 5 of the Boulder Canyon Project Adjustment Act of July 19, 1940 (43 U.S.C. 618d), and such readvances since October 1, 1984, and in the future shall bear interest at the rate determined pursuant to section 104(a)(5) of Public Law 98-381: *Provided further*, That funds advanced by water users for operation and maintenance of reclamation projects or parts thereof shall be deposited to the credit of this appropriation and may be expended for the same objects and in the same manner as sums appropriated herein may be expended, and such advances shall remain available until expended: *Provided further*, That nonreimbursable funds will be available from revenues for performing examination of existing structures on participating projects of the Colorado River Storage Project.

43 USC 618d
note.

98 Stat. 1335.

LOAN PROGRAM

For loans to irrigation districts and other public agencies for construction of distribution systems on authorized Federal reclama-

tion projects, and for loans and grants to non-Federal agencies for construction of projects, as authorized by the Acts of July 4, 1955, as amended (43 U.S.C. 421a-421d), and August 6, 1956, as amended (43 U.S.C. 422a-422l), including expenses necessary for carrying out the program, \$39,315,000, to remain available until expended: *Provided*, That of the total sums appropriated, the amount for program activities which can be financed by the reclamation fund shall be derived from that fund: *Provided further*, That during fiscal year 1986 and within the resources and authority available, gross obligations for the principal amount of direct loans shall not exceed \$48,315,000: *Provided further*, That any contract under the Act of July 4, 1955 (69 Stat. 244), as amended, not yet executed by the Secretary, which calls for the making of loans beyond the fiscal year in which the contract is entered into shall be made only on the same conditions as those prescribed in section 12 of the Act of August 4, 1939 (53 Stat. 1187, 1197).

43 USC
422a-422l.

43 USC 421a.

43 USC 388.

GENERAL ADMINISTRATIVE EXPENSES

For necessary expenses of general administration and related functions in the office of the Commissioner, the Denver Engineering and Research Center, and offices in the seven regions of the Bureau of Reclamation, \$49,200,000, of which \$4,900,000, shall remain available until expended, the total amount to be derived from the reclamation fund and to be nonreimbursable pursuant to the Act of April 19, 1945 (43 U.S.C. 377): *Provided*, That no part of any other appropriation in this Act shall be available for activities or functions budgeted for the current fiscal year as general administrative expenses.

EMERGENCY FUND

For an additional amount for the "Emergency fund", as authorized by the Act of June 26, 1948 (43 U.S.C. 502), as amended, to remain available until expended for the purposes specified in said Act, \$1,000,000, to be derived from the reclamation fund.

SPECIAL FUNDS

Sums herein referred to as being derived from the reclamation fund, the Colorado River Dam fund, or the Colorado River development fund, are appropriated from the special funds in the Treasury created by the Act of June 17, 1902 (43 U.S.C. 391), and the Act of December 21, 1928 (43 U.S.C. 617a), and the Act of July 19, 1940 (43 U.S.C. 618a), respectively. Such sums shall be transferred, upon request of the Secretary, to be merged with and expended under the heads herein specified; and the unexpended balances of sums transferred for expenditure under the head "General Administrative Expenses" shall revert and be credited to the special fund from which derived.

ADMINISTRATIVE PROVISIONS

Appropriations for the Bureau of Reclamation shall be available for purchase of not to exceed 16 passenger motor vehicles of which 15 shall be for replacement only; purchase of two aircraft, of which one shall be for replacement only; payment of such amounts not to exceed \$6,000,000 as may be necessary for alterations to existing building No. 53 to accommodate the new center computer facilities

at the Denver Federal Center, Lakewood, Colorado; payment of claims for damages to or loss of property, personal injury, or death arising out of activities of the Bureau of Reclamation; payment, except as otherwise provided for, of compensation and expenses of persons on the rolls of the Bureau of Reclamation appointed as authorized by law to represent the United States in the negotiations and administration of interstate compacts without reimbursement or return under the reclamation laws; for service as authorized by section 3109 of title 5, United States Code, in total not to exceed \$500,000; rewards for information or evidence concerning violations of law involving property under the jurisdiction of the Bureau of Reclamation; performance of the functions specified under the head "Operation and Maintenance Administration", Bureau of Reclamation, in the Interior Department Appropriations Act, 1945; preparation and dissemination of useful information including recordings, photographs, and photographic prints; and studies of recreational uses of reservoir areas, and investigation and recovery of archeological and paleontological remains in such areas in the same manner as provided for in the Acts of August 21, 1935 (16 U.S.C. 461-467) and June 27, 1960 (16 U.S.C. 469): *Provided*, That no part of any appropriation made herein shall be available pursuant to the Act of April 19, 1945 (43 U.S.C. 377), for expenses other than those incurred on behalf of specific reclamation projects except "General Administrative Expenses" and amounts provided for plan formulation and advance planning investigations, and general engineering and research under the head "General Investigations".

58 Stat. 487.

Sums appropriated herein which are expended in the performance of reimbursable functions of the Bureau of Reclamation shall be returnable to the extent and in the manner provided by law.

No part of any appropriation for the Bureau of Reclamation, contained in this Act or in any prior Act, which represents amounts earned under the terms of a contract but remaining unpaid, shall be obligated for any other purpose, regardless of when such amounts are to be paid: *Provided*, That the incurring of any obligation prohibited by this paragraph shall be deemed a violation of section 3679 of the Revised Statutes, as amended (31 U.S.C. 1341).

43 USC 377a.

No funds appropriated to the Bureau of Reclamation for operation and maintenance, except those derived from advances by water users, shall be used for the particular benefits of lands (a) within the boundaries of an irrigation district, (b) of any member of a water users' organization, or (c) of any individual when such district, organization, or individual is in arrears for more than twelve months in the payment of charges due under a contract entered into with the United States pursuant to laws administered by the Bureau of Reclamation.

GENERAL PROVISIONS, DEPARTMENT OF THE INTERIOR

Emergency funds.

SEC. 201. Appropriations in this title shall be available for expenditure or transfer (within each bureau or office), with the approval of the Secretary, for the emergency reconstruction, replacement, or repair of aircraft, buildings, utilities, or other facilities or equipment damaged or destroyed by fire, flood, storm, or other unavoidable causes: *Provided*, That no funds shall be made available under this authority until funds specifically made available to the Department of the Interior for emergencies shall have been exhausted.

SEC. 202. The Secretary may authorize the expenditure or transfer (within each bureau or office) of any appropriation in this title, in addition to the amounts included in the budget programs of the several agencies, for the suppression or emergency prevention of forest or range fires on or threatening lands under jurisdiction of the Department of the Interior.

Fire control.

SEC. 203. Appropriations in this title shall be available for operation of warehouses, garages, shops, and similar facilities, wherever consolidation of activities will contribute to efficiency, or economy, and said appropriations shall be reimbursed for services rendered to any other activity in the same manner as authorized by the Act of June 30, 1932 (31 U.S.C. 1535 and 1536): *Provided*, That reimbursements for costs of supplies, materials, equipment, and for services rendered may be credited to the appropriation current at the time such reimbursements are received.

SEC. 204. Appropriations in this title shall be available for hire, maintenance, and operation of aircraft; hire of passenger motor vehicles; purchases of reprints; payment for telephone services in private residences in the field, when authorized under regulations approved by the Secretary; and the payment of dues, when authorized by the Secretary, for library membership in societies or associations which issue publications to members only or at a price to members lower than to subscribers who are not members.

SEC. 205. (a) Within 30 days after enactment of this Act, there shall be established in the Treasury of the United States a working capital fund to assist in the management of certain support activities of the Bureau of Reclamation (hereafter referred to as the "Bureau"), Department of the Interior. The fund shall be available without fiscal year limitation for expenses necessary for furnishing materials, supplies, equipment, work, and services in support of Bureau programs, and, as authorized by law, to agencies of the Federal Government and others. Such expenses may include the acquisition, replacement, and operation of a central computer and related automatic data processing equipment; engineering services; payroll and other management services; acquisition and replacement of equipment and facilities, including the purchase, lease, or rent of motor vehicles and aircraft within any limitations set forth in appropriations made to carry out the functions of the Bureau and such other activities as may be approved by the Director, Office of Management and Budget.

43 USC 1472.

(b) The fund shall be credited with appropriations made for the purpose of providing or increasing capital. There are authorized to be transferred to the fund (at fair and reasonable values at the time of transfer) the inventories, equipment, receivables, and other assets, less the liabilities, related to the functions to be financed by the fund as determined by the Secretary of the Interior.

(c) The fund shall be credited with appropriations and other funds of the Bureau, and other agencies of the Department of the Interior, other Federal agencies, and other sources, for providing materials, supplies, equipment, work, and services as authorized by law. Such payments may be made in advance or upon performance.

(d) Charges to users will be at rates approximately equal to the costs of furnishing the materials, supplies, equipment, facilities, and services (including such items as depreciation of equipment and accrued annual leave).

(e) There are hereby authorized to be appropriated such sums as are necessary to carry out the purposes of this section.

(f) Funds that are not necessary to carry out the activities to be financed by the fund, as determined by the Secretary, shall be covered into miscellaneous receipts of the Treasury.

TITLE III—DEPARTMENT OF ENERGY

ENERGY SUPPLY, RESEARCH AND DEVELOPMENT ACTIVITIES

(INCLUDING TRANSFER OF FUNDS)

For expenses of the Department of Energy activities including the purchase, construction and acquisition of plant and capital equipment and other expenses incidental thereto necessary for energy supply, research and development activities, and other activities in carrying out the purposes of the Department of Energy Organization Act (Public Law 95-91), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion; purchase of passenger motor vehicles (not to exceed 17 for replacement only), \$1,989,671,000, to remain available until expended of which \$200,000,000 shall be derived by transfer from Uranium Supply and Enrichment Activities provided in prior years, and of which \$17,400,000 shall be derived by transfer from Operation and Maintenance, Southeastern Power Administration; and of which \$25,000,000 shall be available only for construction of the Advanced Science Center, the Center for Science and Technology, the Center for Energy and Biomedical Technology, the Energy and Mineral Research Center, and the Demonstration Center for Information Technologies as described in the report accompanying this Act; together with not to exceed \$6,000,000, to be derived from revenues from activities of the Technical Information Services, which shall be credited to this account and used for necessary expenses and shall remain available until expended.

42 USC 7101
note.

URANIUM SUPPLY AND ENRICHMENT ACTIVITIES

For expenses of the Department of Energy in connection with operating expenses; the purchase, construction, and acquisition of plant and capital equipment and other expenses incidental thereto necessary for uranium supply and enrichment activities in carrying out the purposes of the Department of Energy Organization Act (Public Law 95-91), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion; purchase of passenger motor vehicles (not to exceed 34 for replacement only); \$1,612,700,000, to remain available until expended: *Provided*, That revenues received by the Department for the enrichment of uranium and estimated to total \$1,612,700,000 in fiscal year 1986, shall be retained and used for the specific purpose of offsetting costs incurred by the Department in providing uranium enrichment service activities as authorized by section 201 of Public Law 95-238, notwithstanding the provisions of section 3302(b) of 31 U.S.C. 484: *Provided further*, That the sum herein appropriated shall be reduced as uranium enrichment revenues are received during fiscal year 1986 so as to result in a final fiscal year 1986 appropriation estimated at not more than \$0.

42 USC 5821.

GENERAL SCIENCE AND RESEARCH ACTIVITIES

(INCLUDING TRANSFER OF FUNDS)

For expenses of the Department of Energy, activities including the purchase, construction and acquisition of plant and capital equipment and other expenses incidental thereto necessary for general science and research activities in carrying out the purposes of the Department of Energy Organization Act (Public Law 95-91), including the acquisition or condemnation of any real property or facility or for plant or facility acquisition, construction, or expansion; purchase of passenger motor vehicles (not to exceed 13 for replacement only); \$691,400,000, to remain available until expended of which \$6,000,000 shall be derived by transfer from Operation and Maintenance, Southeastern Power Administration.

42 USC 7101
note.

NUCLEAR WASTE DISPOSAL FUND

For nuclear waste disposal activities to carry out the purposes of Public Law 97-425, including the acquisition of real property or facility construction or expansion, \$521,460,000, to remain available until expended, to be derived from the Nuclear Waste Fund. To the extent that balances in the fund are not sufficient to cover amounts available for obligation in the account, the Secretary shall exercise his authority pursuant to section 302(e)(5) to issue obligations to the Secretary of the Treasury.

42 USC 10101
note.

42 USC 10222.

ATOMIC ENERGY DEFENSE ACTIVITIES

For expenses of the Department of Energy activities including the purchase, construction and acquisition of plant and capital equipment and other expenses incidental thereto necessary for atomic energy defense activities in carrying out the purposes of the Department of Energy Organization Act (Public Law 95-91), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion; purchase of passenger motor vehicles (not to exceed 435 of which 274 are for replacement only) including 57 police-type vehicles; and purchase of three aircraft, one of which is for replacement only, \$7,604,615,000, to remain available until expended, of which \$97,325,000 shall be available for verification and control technology.

DEPARTMENTAL ADMINISTRATION

For salaries and expenses of the Department of Energy necessary for Departmental Administration and other activities in carrying out the purposes of the Department of Energy Organization Act (Public Law 95-91), including the hire of passenger motor vehicles and official reception and representation expenses (not to exceed \$35,000); \$410,366,000, all of which is available for fiscal year 1986 and shall remain available until expended, plus such additional amounts as necessary to cover increases in the estimated amount of cost of work for others notwithstanding the provisions of the Anti-Deficiency Act (31 U.S.C. 1511 et seq.): *Provided*, That such increases in cost of work are offset by revenue increases of the same or greater amount, to remain available until expended: *Provided further*, That moneys received by the Department for miscellaneous revenues estimated to total \$244,228,000 in fiscal year 1986 may be retained

42 USC 5821.

and used for operating expenses within this account, and may remain available until expended, as authorized by section 201 of Public Law 95-238, notwithstanding the provisions of section 3302 of title 31, United States Code: *Provided further*, That the sum herein appropriated shall be reduced by the amount of miscellaneous revenues received during fiscal year 1986 so as to result in a final fiscal year 1986 appropriation estimated at not more than \$166,138,000.

POWER MARKETING ADMINISTRATIONS

OPERATION AND MAINTENANCE, ALASKA POWER ADMINISTRATION

For engineering and economic investigations to promote the development and utilization of the water, power, and related resources of Alaska, and for necessary expenses of operation and maintenance of projects in Alaska and of marketing electric power and energy, \$3,281,000, to remain available until expended.

BONNEVILLE POWER ADMINISTRATION FUND

16 USC 838 note.

Expenditures from the Bonneville Power Administration Fund, established pursuant to Public Law 93-454, are approved for Nez Perce Fish Propagation Facility, Yakima Hatchery, Colville Hatchery, Dryden Dam Fish Passage Facilities, and Tumwater Falls Dam Fish Passage Facilities. Expenditures are also approved for: (1) acquisition of one fixed wing aircraft for replacement only and (2) official reception and representation expenses in an amount not to exceed \$2,500.

During fiscal year 1986, and within the resources and authority available, gross obligations for the principal amount of direct loans shall not exceed \$20,000,000.

OPERATION AND MAINTENANCE, SOUTHWESTERN POWER ADMINISTRATION

For necessary expenses of operation and maintenance of power transmission facilities and of marketing electric power and energy, and for construction and acquisition of transmission lines, substations and appurtenant facilities, and for administrative expenses connected therewith, in carrying out the provisions of section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the southwestern power area, \$29,500,000, to remain available until expended.

CONSTRUCTION, REHABILITATION, OPERATION AND MAINTENANCE, WESTERN AREA POWER ADMINISTRATION

(INCLUDING TRANSFER OF FUNDS)

42 USC 7152.

For carrying out the functions authorized by title III, section 302(a)(1)(E) of the Act of August 4, 1977 (Public Law 95-91), and other related activities including conservation and renewable resources programs as authorized, including official reception and representation expenses in an amount not to exceed \$1,500, the purchase of passenger motor vehicles (not to exceed 18 for replacement only), \$196,610,000, to remain available until expended, of which \$189,619,000, shall be derived from the Department of the Interior Reclamation fund: *Provided*, That the Secretary of the

Treasury is authorized to transfer from the Colorado River Dam Fund to the Western Area Power Administration \$890,000, to carry out the power marketing and transmission activities of the Boulder Canyon project as provided in section 104(a)(4) of the Hoover Power Plant Act of 1984 (Public Law 98-381, 98 Stat. 1333).

Notwithstanding provisions of title 5, United States Code, except for section 5308, no funds approved for Western Area Power Administration shall be used to pay the rates of basic pay and premium pay for power system dispatchers unless such rates are based on those prevailing for similar occupations in the electric power industry.

EMERGENCY FUND, WESTERN AREA POWER ADMINISTRATION

The Treasury of the United States shall set up and maintain a continuing fund of \$500,000 out of Western Area Power Administration deposits to the Reclamation Fund. Said continuing fund shall be available to the Western Area Power Administration to assure the continuous operation and maintenance of its power system during unusual or emergency conditions, within the meaning of the Act of June 26, 1948 (43 U.S.C. 502-03): *Provided*, That expenditures from said continuing fund shall be replenished from power revenues of the Project for which funds were expended on an unusual or emergency basis.

43 USC 502 note.

For necessary expenses of the Federal Energy Regulatory Commission to carry out the provisions of the Department of Energy Organization Act (Public Law 95-91), including services as authorized by 5 U.S.C. 3109, including the hire of passenger motor vehicles; official reception and representation expenses (not to exceed \$1,500); \$95,568,000, of which \$3,000,000 shall remain available until expended and be available only for contractual activities: *Provided*, That notwithstanding the provisions of section 3617 of the Revised Statutes (31 U.S.C. 484), revenues from licensing fees, inspection services, and other services and collections estimated at \$66,077,000 in fiscal year 1986 may be retained and used for necessary expenses in this account, and may remain available until expended: *Provided further*, That the sum herein appropriated shall be reduced as revenues are received during fiscal year 1986, so as to result in a final fiscal year 1986 appropriation estimated at not more than \$29,491,000.

42 USC 7101 note.

31 USC 3302.

GEOHERMAL RESOURCES DEVELOPMENT FUND

For carrying out the Loan Guarantee and Interest Assistance Program as authorized by the Geothermal Energy Research, Development and Demonstration Act of 1974, as amended, \$72,000, to remain available until expended: *Provided*, That the indebtedness guaranteed or committed to be guaranteed through funds provided by this or any other appropriation Act shall not exceed the aggregate of \$500,000,000.

30 USC 1101 note.

GENERAL PROVISIONS—DEPARTMENT OF ENERGY

SEC. 301. Appropriations for the Department of Energy under this title for the current fiscal year shall be available for hire of passenger motor vehicles; hire, maintenance and operation of aircraft; purchase, repair and cleaning of uniforms; and reimbursement to the General Services Administration for security guard services. From these appropriations, transfers of sums may be made to other agencies of the United States Government for the performance of work for which this appropriation is made. None of the funds made available to the Department of Energy under this Act shall be used to implement or finance authorized price support or loan guarantee programs unless specific provision is made for such programs in an appropriation Act. The Secretary is authorized to accept lands, buildings, equipment, and other contributions from public and private sources and to prosecute projects in cooperation with other agencies, Federal, State, private, or foreign.

(TRANSFERS OF UNEXPENDED BALANCES)

SEC. 302. Not to exceed 5 per centum of any appropriations made available for the current fiscal year for Department of Energy activities funded in this Act may be transferred between such appropriations, but no such appropriation, except as otherwise provided, shall be increased or decreased by more than 5 per centum by any such transfers, and any such proposed transfers shall be submitted promptly to the Committees on Appropriations of the House and Senate.

(TRANSFERS OF UNEXPENDED BALANCES)

SEC. 303. The unexpended balances of prior appropriations provided for activities covered in this Act may be transferred to appropriation accounts for such activities established pursuant to this title. Balances so transferred may be merged with funds in the applicable established accounts and thereafter may be accounted for as one fund for the same time period as originally enacted.
