“(1) his spouse;

“(2) his unmarried child (including any of the following categories of children if such child is in fact dependent on the member: a stepchild; an adopted child; or an illegitimate child whose alleged member-father has been judicially decreed to be the father of the child or judicially ordered to contribute to the child’s support, or whose parentage has been admitted in writing by the member) who either—

“(B) is incapable of self-support because of a mental or physical incapacity, and in fact dependent on the member for over one-half of his support; and

“(3) his parent (including a stepparent or parent by adoption, and any person, including a former stepparent, who has stood in loco parentis to the member at any time for a continuous period of at least five years before the member became 21 years of age) who is in fact dependent on the member for over one-half of his support; however, the dependency of such a parent is determined on the basis of an affidavit submitted by the parent, and any other evidence required under regulations prescribed by the Secretary concerned, and he is not considered a dependent of the member claiming the dependence unless—

“(A) the member has provided over one-half of his support for the period prescribed by the Secretary concerned; or

“(B) due to changed circumstances arising after the member enters on active duty, he becomes in fact dependent on the member for over one-half of his support.

For the purposes of this section, the relationship between a stepparent and his stepchild is terminated by the stepparent’s divorce from the parent by blood.”

§ 402a. Supplemental subsistence allowance for low-income members with dependents

(a) SUPPLEMENTAL ALLOWANCE REQUIRED.—(1) The Secretary concerned shall increase the basic

allowance for subsistence to which a member of the armed forces described in subsection (b) is otherwise entitled under section 402 of this title by an amount (in this section referred to as the “supplemental subsistence allowance”) designed to remove the member’s household from eligibility for benefits under the food stamp program.

(2) The supplemental subsistence allowance may not exceed \$500 per month. In establishing the amount of the supplemental subsistence allowance to be paid an eligible member under this paragraph, the Secretary shall take into consideration the amount of the basic allowance for housing that the member receives under section 403 of this title or would otherwise receive under such section, in the case of a member who is not entitled to that allowance as a result of assignment to quarters of the United States or a housing facility under the jurisdiction of a uniformed service.

(3) In the case of a member described in subsection (b) who establishes to the satisfaction of the Secretary concerned that the allotment of the member’s household under the food stamp program, calculated in the absence of the supplemental subsistence allowance, would exceed the amount established by the Secretary concerned under paragraph (2), the amount of the supplemental subsistence allowance for the member shall be equal to the lesser of the following:

- (A) The value of that allotment.
- (B) \$500.

(b) MEMBERS ENTITLED TO ALLOWANCE.—(1) Subject to subsection (d), a member of the armed forces with dependents is entitled to receive the supplemental subsistence allowance if the Secretary concerned determines that the member’s income, together with the income of the rest of the member’s household (if any), is within the highest income standard of eligibility, as then in effect under section 5(c) of the Food Stamp Act of 1977 (7 U.S.C. 2014(c)) and without regard to paragraph (1) of such section, for participation in the food stamp program.

(2) In determining whether a member meets the eligibility criteria under paragraph (1), the Secretary concerned shall take into consideration the amount of the basic allowance for housing that the member receives under section 403 of this title or would otherwise receive under such section, in the case of a member who is not entitled to that allowance as a result of assignment to quarters of the United States or a housing facility under the jurisdiction of a uniformed service.

(3) In determining whether a member meets the eligibility criteria under paragraph (1), the Secretary concerned shall not take into consideration—

- (A) the amount of the supplemental subsistence allowance that is payable under this section;
- (B) the amount of any special pay that is payable to the member under section 310 of this title, relating to duty subject to hostile fire or imminent danger; or
- (C) the amount of any family separation allowance that is payable to the member under section 427 of this title.

(c) APPLICATION FOR ALLOWANCE.—To request the supplemental subsistence allowance, a member shall submit an application to the Secretary concerned in such form and containing such information as the Secretary concerned may prescribe. A member applying for the supplemental subsistence allowance shall furnish such evidence regarding the member’s satisfaction of the eligibility criteria under subsection (b) as the Secretary concerned may require.

(d) EFFECTIVE PERIOD.—The entitlement of a member to receive the supplemental subsistence allowance terminates upon the occurrence of any of the following events, even though the member continues to meet the eligibility criteria described in subsection (b):

- (1) Payment of the supplemental subsistence allowance for 12 consecutive months.
- (2) Promotion of the member to a higher grade.
- (3) Transfer of the member in a permanent change of station.

(e) REAPPLICATION.—Upon the termination of the effective period of the supplemental subsistence allowance for a member, or in anticipation of the imminent termination of the allowance, a member may reapply for the allowance under subsection (c), and the Secretary concerned shall approve the application and resume payment of the allowance to the member, if the member continues to meet, or once again meets, the eligibility criteria described in subsection (b).

(f) REPORTING REQUIREMENT.—Not later than March 1 of each year after 2001, the Secretary of Defense shall submit to Congress a report specifying the number of members of the armed forces who received, at any time during the preceding year, the supplemental subsistence allowance. In preparing the report, the Secretary of Defense shall consult with the Secretary of Homeland Security, with respect to the Coast Guard.

(g) ELIGIBILITY FOR OTHER FEDERAL ASSISTANCE.—(1) A child or spouse of a member of the armed forces receiving the supplemental subsistence allowance under this section who, except on account of the receipt of such allowance, would be eligible to receive a benefit described in paragraph (2) shall be considered to be eligible for that benefit notwithstanding the receipt of such allowance.

(2) The benefits referred to in paragraph (1) are as follows:

- (A) Assistance provided under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.).

- (D) Assistance under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858 et seq.).

(3) A household that includes a member of the armed forces receiving the supplemental subsistence allowance under this section and that, except on account of the receipt of such allowance, would be eligible to receive a benefit under the

Low-Income Home Energy Assistance Act of 1981 (42 U.S.C. 8621 et seq.) shall be considered to be eligible for that benefit notwithstanding the receipt of such allowance.

§ 403. Basic allowance for housing

(a) GENERAL ENTITLEMENT.—(1) Except as otherwise provided by law, a member of a uniformed service who is entitled to basic pay is entitled to a basic allowance for housing at the monthly rates prescribed under this section or another provision of law with regard to the applicable component of the basic allowance for housing. The amount of the basic allowance for housing for a member will vary according to the pay grade in which the member is assigned or distributed for basic pay purposes, the dependency status of the member, and the geographic location of the member. The basic allowance for housing may be paid in advance.

(2) A member of a uniformed service with dependents is not entitled to a basic allowance for housing as a member with dependents unless the member makes a certification to the Secretary

concerned indicating the status of each dependent of the member. The certification shall be made in accordance with regulations prescribed by the Secretary of Defense.

(b) BASIC ALLOWANCE FOR HOUSING INSIDE THE UNITED STATES.—(1) The Secretary of Defense shall prescribe the rates of the basic allowance for housing that are applicable for the various military housing areas in the United States. The rates for an area shall be based on the costs of adequate housing determined for the area under paragraph (2).

(2) The Secretary of Defense shall determine the costs of adequate housing in a military housing area in the United States for all members of the uniformed services entitled to a basic allowance for housing in that area. The Secretary shall base the determination upon the costs of adequate housing for civilians with comparable income levels in the same area. After June 30, 2001, the Secretary may not differentiate between members with dependents in pay grades E-1 through E-4 in determining what constitutes adequate housing for members.

(3) The total amount that may be paid for a fiscal year for the basic allowance for housing under this subsection may not be less than the product of—

(A) the total amount authorized to be paid for such allowance for the preceding fiscal year; and

(B) a fraction—

(i) the numerator of which is the index of the national average monthly cost of housing for June of the preceding fiscal year; and

(ii) the denominator of which is the index of the national average monthly cost of housing for June of the second preceding fiscal year.

(4) An adjustment in the rates of the basic allowance for housing under this subsection as a result of the Secretary's redetermination of housing costs in an area shall take effect on the same date as the effective date of the next increase in basic pay under section 1009 of this title or other provision of law.

(5) On and after July 1, 2001, the Secretary of Defense shall establish a single monthly rate for members of the uniformed services with dependents in pay grades E-1 through E-4 in the same military housing area. The rate shall be consistent with the rates paid to members in pay grades other than pay grades E-1 through E-4 and shall be based on the following:

(A) The average cost of a two-bedroom apartment in that military housing area.

(B) One-half of the difference between the average cost of a two-bedroom townhouse in that area and the amount determined in subparagraph (A).

(6) So long as a member of a uniformed service retains uninterrupted eligibility to receive a basic allowance for housing within an area of the United States, the monthly amount of the allowance for the member may not be reduced as a result of changes in housing costs in the area or the promotion of the member.

(7)(A) Under the authority of this paragraph, the Secretary of Defense may prescribe a tem-

porary increase in the rates of basic allowance for housing otherwise prescribed for a military housing area or a portion of a military housing area if the military housing area or portion thereof—

(i) is located in an area covered by a declaration by the President under section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170) that a major disaster exists; or

(ii) contains one or more military installations that are experiencing a sudden increase in the number of members of the armed forces assigned to the installation.

(B) The Secretary of Defense shall base the amount of the increase to be made in the rates of basic allowance for housing for an area on a determination by the Secretary of the amount by which the costs of adequate housing for civilians have increased in the area by reason of the disaster or the influx of military personnel, except that the increase may not exceed the amount equal to 20 percent of the rate of basic allowance for housing otherwise prescribed for the area.

(C) A member may be paid a basic allowance for housing at a rate increased under this paragraph only if the member certifies to the Secretary concerned that the member has incurred increased housing costs in the area by reason of the disaster or the influx of military personnel.

(D) Subject to subparagraph (E), an increase in the rates of basic allowance for housing in an area under this paragraph shall remain in effect until the effective date of the first adjustment in rates of basic allowance for housing made for the area pursuant to a redetermination of housing costs in the area under this subsection that occurs after the date of the increase under this paragraph.

(E) An increase in the rates of basic allowance for housing for an area may not be prescribed under this paragraph or continue after December 31, 2008.

(c) BASIC ALLOWANCE FOR HOUSING OUTSIDE THE UNITED STATES.—(1) The Secretary of Defense may prescribe an overseas basic allowance for housing for a member of a uniformed service who is on duty outside of the United States. The Secretary shall establish the basic allowance for housing under this subsection on the basis of housing costs in the overseas area in which the member is assigned.

(2) So long as a member of a uniformed service retains uninterrupted eligibility to receive a basic allowance for housing in an overseas area and the actual monthly cost of housing for the member is not reduced, the monthly amount of the allowance in an area outside the United States may not be reduced as a result of changes in housing costs in the area or the promotion of the member. The monthly amount of the allowance may be adjusted to reflect changes in currency rates.

(3)(A) In the case of a member of the uniformed services authorized to receive an allowance under paragraph (1), the Secretary concerned may make a lump-sum payment to the member for required deposits and advance rent, and for expenses relating thereto, that are—

- (i) incurred by the member in occupying private housing outside of the United States; and
- (ii) authorized or approved under regulations prescribed by the Secretary concerned.

(B) Expenses for which a member may be reimbursed under this paragraph may include losses relating to housing that are sustained by the member as a result of fluctuations in the relative value of the currencies of the United States and the foreign country in which the housing is located.

(C) The Secretary concerned shall recoup the full amount of any deposit or advance rent payments made by the Secretary under subparagraph (A), including any gain resulting from currency fluctuations between the time of payment and the time of recoupment.

(d) BASIC ALLOWANCE FOR HOUSING WHEN DEPENDENTS DO NOT ACCOMPANY MEMBER.—(1) A member of a uniformed service with dependents who is on permanent duty at a location described in paragraph (2) may be paid a family separation basic allowance for housing under this subsection at a monthly rate equal to the rate of the basic allowance for housing established under subsection (b) or the overseas basic allowance for housing established under subsection (c), whichever applies to that location, for members in the same grade at that location without dependents.

(2) A permanent duty location referred to in paragraph (1) is a location—

(A) to which the movement of the member's dependents is not authorized at the expense of the United States under section 406 of this title, and the member's dependents do not reside at or near the location; and

(B) at which quarters of the United States are not available for assignment to the member.

(3) If a member with dependents is assigned to duty in an area that is different from the area in which the member's dependents reside, the member is entitled to a basic allowance for housing as provided in subsection (b) or (c), whichever applies to the member, subject to the following:

(A) If the member's assignment to duty in that area, or the circumstances of that assignment, require the member's dependents to reside in a different area, as determined by the Secretary concerned, the amount of the basic allowance for housing for the member shall be based on the area in which the dependents reside or the member's last duty station, whichever the Secretary concerned determines to be most equitable.

(B) If the member's assignment to duty in that area is under the conditions of a low-cost or no-cost permanent change of station or permanent change of assignment, the amount of the basic allowance for housing for the member shall be based on the member's last duty station if the Secretary concerned determines that it would be inequitable to base the allowance on the cost of housing in the area to which the member is reassigned.

(C) If the member is reassigned for a permanent change of station or permanent change of

assignment from a duty station in the United States to another duty station in the United States for a period of not more than one year for the purpose of participating in professional military education or training classes, the amount of the basic allowance for housing for the member may be based on whichever of the following areas the Secretary concerned determines will provide the more equitable basis for the allowance:

(i) The area of the duty station to which the member is reassigned.

(ii) The area in which the dependents reside, but only if the dependents reside in that area when the member departs for the duty station to which the member is reassigned and only for the period during which the dependents reside in that area.

(iii) The area of the former duty station of the member, if different than the area in which the dependents reside.

(4) A family separation basic allowance for housing paid to a member under this subsection is in addition to any other allowance or per diem that the member receives under this title. A member may receive a basic allowance for housing under both paragraphs (1) and (3).

(e) EFFECT OF ASSIGNMENT TO QUARTERS.—(1) Except as otherwise provided by law, a member of a uniformed service who is assigned to quarters of the United States or a housing facility under the jurisdiction of a uniformed service appropriate to the grade, rank, or rating of the member and adequate for the member and dependents of the member, if with dependents, is not entitled to a basic allowance for housing.

(2) A member without dependents who is in a pay grade above pay grade E-6 and who is assigned to quarters in the United States or a housing facility under the jurisdiction of a uniformed service, appropriate to the grade or rank of the member and adequate for the member, may elect not to occupy those quarters and instead to receive the basic allowance for housing prescribed for the member's pay grade by this section.

(3) A member without dependents who is in pay grade E-6 and who is assigned to quarters of the United States that do not meet the minimum adequacy standards established by the Secretary of Defense for members in such pay grade, or to a housing facility under the jurisdiction of a uniformed service that does not meet such standards, may elect not to occupy such quarters or facility and instead to receive the basic allowance for housing prescribed for the member's pay grade under this section.

(4) The Secretary concerned may deny the right to make an election under paragraph (2) or (3) if the Secretary determines that the exercise of such an election would adversely affect a training mission, military discipline, or military readiness.

(5) A member with dependents who is assigned to quarters of the United States or a housing facility under the jurisdiction of a uniformed service may be paid the basic allowance for housing if, because of orders of competent authority, the dependents are prevented from occupying those quarters.

(f) INELIGIBILITY DURING INITIAL FIELD DUTY OR SEA DUTY.—(1) A member of a uniformed service without dependents who makes a permanent change of station for assignment to a unit conducting field operations is not entitled to a basic allowance for housing while on that initial field duty unless the commanding officer of the member certifies that the member was necessarily required to procure quarters at the member's expense.

(2)(A) Except as provided in subparagraphs (B) and (C), a member of a uniformed service without dependents who is in a pay grade below pay grade E-6 is not entitled to a basic allowance for housing while the member is on sea duty.

(B) Under regulations prescribed by the Secretary concerned, the Secretary may authorize the payment of a basic allowance for housing to a member of a uniformed service without dependents who is serving in pay grade E-4 or E-5 and is assigned to sea duty. In prescribing regulations under this subparagraph, the Secretary concerned shall consider the availability of quarters for members serving in pay grades E-4 and E-5.

(C) Notwithstanding section 421 of this title, two members of the uniformed services in a pay grade below pay grade E-6 who are married to each other, have no other dependents, and are simultaneously assigned to sea duty are each entitled to a basic allowance for housing during the period of such simultaneous sea duty. The amount of the allowance payable to a member under the preceding sentence shall be based on the without dependents rate for the pay grade of the member.

(3) The Secretary of Defense, and the Secretary of Homeland Security with respect to the Coast Guard when it is not operating as a service in the Department of the Navy, shall prescribe regulations defining the terms "field duty" and "sea duty" for purposes of this section.

(g) RESERVE MEMBERS.—(1) A member of a reserve component without dependents who is called or ordered to active duty in support of a contingency operation or for a period of more than 30 days, or a retired member without dependents who is ordered to active duty under section 688(a) of title 10 in support of a contingency operation or for a period of more than 30 days, may not be denied a basic allowance for housing if, because of that call or order, the member is unable to continue to occupy a residence—

(A) which is maintained as the primary residence of the member at the time of the call or order; and

(B) which is owned by the member or for which the member is responsible for rental payments.

(2) The Secretary concerned may provide a basic allowance for housing to a member described in paragraph (1) at a monthly rate equal to the rate of the basic allowance for housing established under subsection (b) or the overseas basic allowance for housing established under subsection (c), whichever applies to the location at which the member is serving, for members in

the same grade at that location without dependents. The member may receive both a basic allowance for housing under paragraph (1) and under this paragraph for the same month, but may not receive the portion of the allowance authorized under section 404 of this title, if any, for lodging expenses if a basic allowance for housing is provided under this paragraph.

(3) Paragraphs (1) and (2) shall not apply if the member is authorized transportation of household goods under section 406 of this title as part of the call or order to active duty described in such paragraph.

(4) The rate of basic allowance for housing to be paid to the following members of a reserve component shall be equal to the rate in effect for similarly situated members of a regular component of the uniformed services:

(A) A member who is called or ordered to active duty for a period of more than 30 days.

(B) A member who is called or ordered to active duty for a period of 30 days or less in support of a contingency operation.

(5) The Secretary of Defense shall establish a rate of basic allowance for housing to be paid to a member of a reserve component while the member serves on active duty under a call or order to active duty specifying a period of 30 days or less, unless the call or order to active duty is in support of a contingency operation.

(h) RENTAL OF PUBLIC QUARTERS.—Notwithstanding any other law (including those restricting the occupancy of housing facilities under the jurisdiction of a department or agency of the United States by members, and their dependents, of the armed forces above specified grades, or by members, and their dependents, of the National Oceanic and Atmospheric Administration and the Public Health Service), a member of a uniformed service, and the dependents of the member, may be accepted as tenants in, and may occupy on a rental basis, any of those housing facilities, other than public quarters constructed or designated for assignment to an occupancy without charge by such a member and the dependents of the member, if any. Such a member may not, because of occupancy under this subsection, be deprived of any money allowance to which the member is otherwise entitled for the rental of quarters.

(i) TEMPORARY HOUSING ALLOWANCE WHILE IN TRAVEL OR LEAVE STATUS.—A member of a uniformed service is entitled to a temporary basic allowance for housing (at a rate determined by the Secretary of Defense) while the member is in a travel or leave status between permanent duty stations, including time granted as delay en route or proceed time, when the member is not assigned to quarters of the United States.

(j) AVIATION CADETS.—The eligibility of an aviation cadet of the Navy, Air Force, Marine Corps, or Coast Guard for a basic allowance for housing shall be determined as if the aviation cadet were a member of the uniformed services in pay grade E-4.

(k) ADMINISTRATION.—(1) The Secretary of Defense shall prescribe regulations for the administration of this section.

(2) The Secretary concerned may make such determinations as may be necessary to admin-

ister this section, including determinations of dependency and relationship. When warranted by the circumstances, the Secretary concerned may reconsider and change or modify any such determination. The authority of the Secretary concerned under this subsection may be delegated. Any determination made under this section with regard to a member of the uniformed services is final and is not subject to review by any accounting officer of the United States or a court, unless there is fraud or gross negligence.

(3) Parking facilities (including utility connections) provided members of the uniformed services for house trailers and mobile homes not owned by the Government shall not be considered to be quarters for the purposes of this section or any other provision of law. Any fees established by the Government for the use of such a facility shall be established in an amount sufficient to cover the cost of maintenance, services, and utilities and to amortize the cost of construction of the facility over the 25-year period beginning with the completion of such construction.

(I) TEMPORARY CONTINUATION OF ALLOWANCE FOR DEPENDENTS OF MEMBERS DYING ON ACTIVE DUTY.—(1) The Secretary of Defense, or the Secretary of Homeland Security in the case of the Coast Guard when not operating as a service in the Navy, may allow the dependents of a member of the armed forces who dies on active duty and whose dependents are occupying family housing provided by the Department of Defense, or by the Department of Homeland Security in the case of the Coast Guard, other than on a rental basis on the date of the member's death to continue to occupy such housing without charge for a period of 365 days.

(2) The Secretary concerned may pay a basic allowance for housing (at the rate that is payable for members of the same grade and dependency status as the deceased member for the area where the dependents are residing) to the dependents of a member of the uniformed services who dies while on active duty and whose dependents—

(A) are not occupying a housing facility under the jurisdiction of a uniformed service on the date of the member's death;

(B) are occupying such housing on a rental basis on such date; or

(C) vacate such housing sooner than 365 days after the date of the member's death.

(3) An allowance may be paid under paragraph (2) to the spouse of the deceased member even though the spouse is also a member of the uniformed services. The allowance paid under such paragraph is in addition to any other pay and allowances to which the spouse is entitled as a member.

(4) The payment of the allowance under paragraph (2) shall terminate 365 days after the date of the member's death.

(m) MEMBERS PAYING CHILD SUPPORT.—(1) A member of a uniformed service with dependents may not be paid a basic allowance for housing at the with dependents rate solely by reason of the payment of child support by the member if—

(A) the member is assigned to a housing facility under the jurisdiction of a uniformed service; or

(B) the member is assigned to sea duty, and elects not to occupy assigned quarters for unaccompanied personnel, unless the member is in a pay grade above E-3.

(2) A member of a uniformed service assigned to quarters of the United States or a housing facility under the jurisdiction of a uniformed service who is not otherwise authorized a basic allowance for housing and who pays child support is entitled to the basic allowance for housing differential, except for months for which the amount payable for the child support is less than the rate of the differential. Payment of a basic allowance for housing differential does not affect any entitlement of the member to a partial allowance for quarters under subsection (n).

(3) The basic allowance for housing differential to which a member is entitled under paragraph (2) is the amount equal to the difference between—

(A) the rate of the basic allowance for quarters (with dependents) for the member's pay grade, as such rate was in effect on December 31, 1997, under this section (as in effect on that date); and

(B) the rate of the basic allowance for quarters (without dependents) for the member's pay grade, as such rate was in effect on December 31, 1997, under this section (as in effect on that date).

(4) Whenever the rates of basic pay for members of the uniformed services are increased, the monthly amount of the basic allowance for housing differential computed under paragraph (3) shall be increased by the average percentage increase in the rates of basic pay. The effective date of the increase shall be the same date as the effective date of the increase in the rates of basic pay.

(5) In the case of two members, who have one or more common dependents (and no others), who are not married to each other, and one of whom pays child support to the other, the amount of the basic allowance for housing paid to each member under this section shall be reduced in accordance with regulations prescribed by the Secretary of Defense. The total amount of the basic allowances for housing paid to the two members may not exceed the sum of the amounts of the allowance to which each member would be otherwise entitled under this section.

(n) PARTIAL ALLOWANCE FOR MEMBERS WITHOUT DEPENDENTS.—(1) A member of a uniformed service without dependents who is not entitled to receive a basic allowance for housing under subsection (b), (c), or (d) is entitled to a partial basic allowance for housing at a rate determined by the Secretary of Defense under paragraph (2).

(2) The rate of the partial basic allowance for housing is the partial rate of the basic allowance for quarters for the member's pay grade as such partial rate was in effect on December 31, 1997, under section 1009(c)(2) of this title (as such section was in effect on such date).

(o) TREATMENT OF LOW-COST AND NO-COST MOVES AS NOT BEING REASSIGNMENTS.—In the case of a member who is assigned to duty at a location or under circumstances that make it necessary for the member to be reassigned under

EFFECTIVE DATE OF REPEAL

Repeal effective Jan. 1, 1998, see section 603(e) of Pub. L. 105-85, set out as an Effective Date of 1997 Amendment note under section 5561 of Title 5, Government Organization and Employees.

§ 403b. Cost-of-living allowance in the continental United States

(a) **PAYMENT AUTHORIZED.**—The Secretary concerned may pay a cost-of-living allowance to the eligible members of a uniformed service under the jurisdiction of the Secretary.

(b) **ELIGIBLE MEMBERS.**—The following members are eligible to receive a cost-of-living allowance under this section:

(1) A member assigned to a high cost area in the continental United States.

(2) A member assigned to an unaccompanied tour of duty outside the continental United States if the primary dependent of the member resides in a high cost area in the continental United States.

(3) A member assigned to duty in the continental United States if the Secretary of the uniformed service concerned determines that—

(A) the primary dependent of the member must reside in a high cost area in the continental United States by reason of the member's duty location or other circumstances; and

(B) it would be inequitable for the member's eligibility for the allowance to be determined on the basis of the duty location of the member.

(c) **HIGH COST AREA DEFINED.**—An area is a high cost area for a fiscal year for purposes of this section if the uniformed services cost of living for that area for the base period exceeds the average cost of living in the continental United States for such base period by at least the threshold percentage. The Secretary of Defense, in consultation with the other administering Secretaries, shall establish the threshold percentage, except that the threshold percentage may not be less than 8 percent. The administering Secretaries shall prescribe a higher threshold percentage to be applied for a fiscal year when it is necessary to do so in order to ensure that the total amount of the payments of the cost-of-living allowance made to members of the uniformed services under this section for such fiscal year does not exceed the total amount available to all uniformed services for that fiscal year for paying such allowance.

(d) **AMOUNT OF ALLOWANCE.**—The cost-of-living allowance that may be paid to a member for a high cost area for a fiscal year shall be the amount that is equal to the product of—

(1) the amount of the average spendable income determined applicable for the regular military compensation level of such member under subsection (g); and

(2) the percentage equal to the excess of—

(A) the percentage by which the uniformed services cost of living for the member's high cost area for the base period exceeds the average cost of living in the continental United States for such base period, over

(B) the threshold percentage applicable to such fiscal year under subsection (c).

(e) **LIMITATION TO ONE ALLOWANCE.**—If primary dependents of a member reside separately in different high cost areas—

(1) the member may be paid only one cost-of-living allowance under this section; and

(2) the cost-of-living allowance payable to the member shall be the highest of the amounts computed under this section for such high cost areas.

(f) **SERVICE NOT COVERED.**—(1) A cost-of-living allowance may not be paid a member under this section for the days authorized for travel of the member in connection with a permanent change of duty station.

(2) A member of a reserve component is not eligible for a cost-of-living allowance under this section unless the member is on active duty under a call or order to active duty that—

(A) specifies a period of 140 days or more; or

(B) states that the call or order to active duty is in support of a contingency operation.

(g) **AVERAGE SPENDABLE INCOME.**—The Secretary of Defense shall determine, using a methodology and assumptions that the Secretary considers appropriate, the amounts of average spendable income of members of the uniformed services for various ranges of regular military compensation. For purposes of this subsection, spendable income is the total amount of regular military compensation that is available for purchase of goods and services after allocation of amounts for taxes, insurance, housing, gifts and contributions, and savings.

(h) JOINT REGULATIONS.—The Secretary of Defense and the other administering Secretaries shall jointly prescribe regulations to carry out this section.

(i) OTHER DEFINITIONS.—In this section:

(1) The term “primary dependent”, with respect to a member, means—

(A) the member’s spouse; or

(B) in the case of an unmarried member, a dependent described in paragraph (2) or (4) of section 401(a) of this title.

(2) The term “cost of living” means a price index selected by the Secretary of Defense, in consultation with the other administering Secretaries, from among the following indices:

(A) The Consumer Price Index (all items—United States city average) published monthly by the Bureau of Labor Statistics.

(B) Any other index developed in the private sector that the Secretary of Defense, in consultation with the other administering Secretaries, determines is comparable to the Consumer Price Index and is appropriate for use for purposes of this section.

(3) The term “uniformed services cost of living” means the price index selected as described in paragraph (2) and adjusted as the Secretary of Defense, in consultation with the other administering Secretaries, considers appropriate to reflect variations between expenses of members of the uniformed services (as offset by the basic allowance for subsistence) and the corresponding expenses of persons not members of the uniformed services with regard to the following:

(A) Nonhousing costs (including costs of transportation, goods, and services, taking into consideration savings attributable to use of such military facilities as commissary stores and exchange stores).

(B) Average income tax paid.

(C) Cost of health care.

(4) The term “base period”, with respect to a fiscal year, means the 12-month period ending on June 30 of the year in which such fiscal year begins.

(5) The term “administering Secretaries” means the following:

(A) The Secretary of Defense, with respect to the armed forces (other than the Coast Guard when it is not operating as a service in the Navy).

(B) The Secretary of Homeland Security, with respect to the Coast Guard when it is not operating as a service in the Navy.

(C) The Secretary of Commerce, with respect to the National Oceanic and Atmospheric Administration.

[Report submitted by Secretary of Defense on Mar. 31, 1995.]

§ 404. Travel and transportation allowances: general

(a) Except as provided in subsection (f) and under regulations prescribed by the Secretaries concerned, a member of a uniformed service is entitled to travel and transportation allowances for travel performed or to be performed under orders, without regard to the comparative costs of the various modes of transportation—

(1) upon a change of permanent station, or otherwise, or when away from his designated post of duty regardless of the length of time he is away from that post;

(2) upon appointment, call to active duty, enlistment, or induction, from his home or from the place from which called or ordered to active duty to his first station;

(3) upon separation from the service, placement on the temporary disability retired list, release from active duty, or retirement, from his last duty station to his home or the place

from which he was called or ordered to active duty, whether or not he is or will be a member of a uniformed service at the time the travel is or will be performed;

(4) when away from home to perform duty, including duty by a member of the Army National Guard of the United States or the Air National Guard of the United States, as the case may be, in his status as a member of the National Guard, for which he is entitled to, or has waived, pay under this title; and

(5) when not on active duty, if assigned to a Reserve school, and attending a reserve training meeting for the purpose of performing duties as an instructor at such meeting, if such meeting is 100 or more miles from the site at which the member would attend paid drills of the Reserve school to which he is assigned.

(b)(1) The Secretaries concerned may prescribe—

(A) the conditions under which travel and transportation allowances are authorized, including advance payments thereof; and

(B) the allowances for the kinds of travel, but not more than the amounts authorized in this section.

(2) In prescribing such conditions and allowances, the Secretaries concerned shall provide that a member who is performing travel under orders away from his designated post of duty and who is authorized a per diem under clause (2) of subsection (d) shall be paid for the meals portion of that per diem in a cash amount at a rate that is not less than the rate established under section 1011(a) of this title for meals sold to members. The preceding sentence shall not apply with respect to a member on field duty or sea duty (as defined in regulations prescribed under section 403(f)(3) of this title) or a member of a unit with respect to which the Secretary concerned has determined that unit messing is essential to the accomplishment of the unit's training and readiness.

(c)(1) Under uniform regulations prescribed by the Secretaries concerned and as provided in paragraph (2), a member who—

(A) is retired, or is placed on the temporary disability retired list, under chapter 61 of title 10;

(B) is retired with pay under any other law, or, immediately following at least eight years of continuous active duty with no single break therein or more than 90 days, is discharged with separation pay or severance pay or is involuntarily released from active duty with separation pay or readjustment pay; or

(C) is involuntarily separated from active duty during the period beginning on October 1, 1990, and ending on December 31, 2001,

may, not later than one year from the date he is so retired, placed on that list, involuntarily separated, discharged, or released, except as prescribed in regulations by the Secretaries concerned, select his home for the purposes of the travel and transportation allowances authorized by subsection (a).

(2) A member authorized under paragraph (1) to select a home for the purposes of such allowances may select as his home—

(A) any place within the United States;

(B) the place outside the United States from which the member was called or ordered to active duty to his first duty station; or

(C) any other place.

However, if the member selects as his home a place other than a place described in clause (A) or (B) of the preceding sentence, the travel and transportation allowances authorized by subsection (a) may not exceed the allowances which would be payable if the place selected as his home were in the United States (other than Hawaii or Alaska).

(d)(1) The travel and transportation allowances authorized for each kind of travel may not be more than one of the following:

(A) Transportation in kind, reimbursement therefor, or, under regulations prescribed by the Secretaries concerned, when travel by privately owned conveyance is authorized or approved as more advantageous to the Government, a monetary allowance in place of the cost of transportation, at the rates provided in section 5704 of title 5.

(B) Transportation in kind, reimbursement therefor, or a monetary allowance as provided in subparagraph (A), plus a payment in lieu of subsistence as provided in paragraph (2) in an amount sufficient to meet normal and necessary expenses in the area to which travel is performed.

(C) A mileage allowance at a rate per mile prescribed by the Secretaries concerned and based on distances established under subparagraph (A).

(2) Under regulations prescribed by the Secretaries concerned, a member of a uniformed service entitled to travel and transportation allowances under subsection (a) is entitled to any of the following:

(A) A per diem allowance at a rate not to exceed that established by the Secretaries concerned.

(B) Reimbursement for the actual and necessary expenses of official travel not to exceed an amount established by the Secretaries concerned.

(C) A combination of payments described in subparagraphs (A) and (B).

(3) A per diem allowance or maximum amount of reimbursement established for purposes of paragraph (2) shall be established, to the extent feasible, by locality.

(4) For travel consuming less than a full day, the payment prescribed by regulation under paragraph (2) shall be allocated in such manner as the Secretaries concerned prescribe.

(5) Effective January 1, 2003, the per diem rates established under paragraph (2)(A) for travel performed in connection with a change of permanent station or for travel described in paragraph (2) or (3) of subsection (a) shall be equal to the standard per diem rates established in the Federal travel regulation for travel within the continental United States of civilian employees and their dependents, unless the Secretaries concerned determine that a higher rate for members is more appropriate.

(e) A member who is on duty with, or is undergoing training for, the Air Mobility Command,

the Marine Corps Transport Squadrons, the Fleet Tactical Support Squadrons, the Naval Aircraft Ferrying Squadrons, or any other unit determined by the Secretary concerned to be performing duties similar to the duties performed by such command or squadrons, and who is away from his permanent station, may be paid a per diem in lieu of subsistence in an amount not more than the amount to which he would be entitled if he were performing travel in connection with temporary duty without, in either case, the issuance of orders for specific travel.

(f)(1) The travel and transportation allowances authorized under this section for a member who is separated from the service or released from active duty may be paid or provided only for travel actually performed.

(2)(A) Except as provided in subparagraph (B), a member who is separated from the service or released from active duty and who—

(i) on the date of his separation from the service or release from active duty, has not served on active duty for a period of time equal to at least 90 percent of the period of time for which he initially enlisted or otherwise initially agreed to serve; or

(ii) is separated from the service or released from active duty under other than honorable conditions, as determined by the Secretary concerned;

may be provided travel and transportation under this section only by transportation in kind by the least expensive mode of transportation available or by a monetary allowance that does not exceed the cost to the Government of such transportation in kind.

(B) Subparagraph (A) does not apply to a member—

(i) who is retired, or is placed on the temporary disability retired list, under chapter 61 of title 10;

(ii) who is separated from the service or released from active duty for a medical condition affecting the member, as determined by the Secretary concerned;

(iii) who is separated from the service or released from active duty because the period of time for which the member initially enlisted or otherwise initially agreed to serve has been reduced by the Secretary concerned and is separated or released under honorable conditions;

(iv) who is discharged under section 1173 of title 10; or

(v) who is involuntarily separated from active duty during the period beginning on October 1, 1990, and ending on December 31, 2001.

(3) For purposes of entitlement to per diem in place of subsistence under subsection (d)(2), a member shall not be considered under subsection (a)(1) to be performing travel under orders away from his designated post of duty if such member—

(A) is an enlisted member serving his first tour of active duty;

(B) has not actually reported to a permanent duty station pursuant to orders directing such assignment; and

(C) is not actually traveling between stations pursuant to orders directing a change of station.

(g)(1) Subject to paragraph (2), a member of the armed forces accompanying a Member of Congress or a congressional employee on official travel may be authorized reimbursement for actual travel and transportation expenses incurred for such travel.

(2) The reimbursement authorized in paragraph (1) may be paid—

(A) at a rate that does not exceed the rate approved for official congressional travel; and

(B) only when the travel of the member is directed or approved by the Secretary of Defense or the Secretary concerned.

(3) In this subsection:

(A) The term “Member of Congress” means a member of the Senate or the House of Representatives, a Delegate to the House of Representatives, and the Resident Commissioner from Puerto Rico.

(B) The term “congressional employee” means an employee of a Member of Congress or an employee of Congress.

(h) Under uniform regulations prescribed by the Secretaries concerned, a member of a uniformed service entitled to travel and transportation allowances under subsection (a) is entitled to reimbursement for parking fees, ferry fares, and bridge, road, and tunnel tolls actually incurred incident to such travel.

(i)(1) In the case of a member of a reserve component performing active duty for training or inactive-duty training who is not otherwise entitled to travel and transportation allowances in connection with such duty under subsection (a), the Secretary concerned may reimburse the member for housing service charge expenses incurred by the member in occupying transient government housing during the performance of such duty. If transient government housing is unavailable or inadequate, the Secretary concerned may provide the member with lodging in kind in the same manner as members entitled to such allowances under subsection (a).

(2) Any payment or other benefit under this subsection shall be provided in accordance with regulations prescribed by the Secretaries concerned.

(3) The Secretary may pay service charge expenses under paragraph (1) and expenses of providing lodging in kind under such paragraph out of funds appropriated for operation and maintenance for the reserve component concerned. Use of Government charge cards is authorized for payment of these expenses.

(4) Decisions regarding the availability or adequacy of government housing at a military installation under paragraph (1) shall be made by the installation commander.

(j) In this section, the term “involuntarily separated” has the meaning given that term in section 1141 of title 10.

(a) Under regulations prescribed by the Secretaries concerned, when dependents of members of the uniformed services are authorized or ordered to depart by competent authority, they may be authorized such allowances as the Secretary concerned determines necessary to offset the expenses incident to the departure. Allowances authorized by this section are in addition to those authorized by any other section of this title. Such allowances may be paid in advance. For the purposes of this section, a dependent “authorized or ordered to depart by competent authority” includes—

(1) a dependent who is present at or in the vicinity of the member’s duty station when the departure of dependents is authorized or ordered by competent authority and who actually moved to an authorized safe haven designated by that authority, whether such safe haven is at or in the vicinity of the member’s duty station or elsewhere;

(2) a dependent who resides at or in the vicinity of a former duty station of the member following the assignment of the member elsewhere or who resides at or in the vicinity of a duty station (other than the duty station of the member) incident to orders in connection with an unaccompanied tour of duty of the member, if a departure of dependents is authorized or ordered by competent authority from the duty station at which or in the vicinity of which the dependent resides and the dependent actually moves to an authorized safe haven designated by that authority;

(3) a dependent who established a household at or in the vicinity of the member’s duty station but who is temporarily absent therefrom for any reason when departure of dependents is authorized or ordered by competent authority; and

(4) a dependent who was authorized to join the member and who departed from his former place of residence incident to joining the member but who, as a result of the departure of dependents, is diverted to a safe haven designated by competent authority or is authorized to travel to a place the dependent may designate, even though he was in the United States when the departure was authorized or ordered.

(b)(1) Under regulations prescribed by the Secretaries concerned, each member whose dependents are covered by subsection (a) is entitled to have one motor vehicle that is owned by the member (or a dependent of the member) and is for the personal use of the member or his dependents, transported at the expense of the United States to a designated place for the use of the dependents. When the dependents are permitted to rejoin the member, the vehicle may be transported at the expense of the United States to his permanent duty station.

(2) If a motor vehicle of a member (or a dependent of the member) that is transported at the expense of the United States under paragraph (1) does not arrive at the authorized destination of the vehicle by the designated delivery date, the Secretary concerned shall reimburse the member for expenses incurred after that date to rent a motor vehicle for the dependent’s use. The amount reimbursed may not exceed \$30 per day, and the rental period for which reimbursement may be provided expires after 7 days or on the date on which the delayed vehicle arrives at the authorized destination (whichever occurs first).

EFFECTIVE DATE

Section 2 of Pub. L. 89-26, as amended by Pub. L. 89-608, § 1, Sept. 30, 1966, 80 Stat. 851; Pub. L. 92-176, Dec. 2, 1971, 85 Stat. 494, provided that: “This Act [enacting this section and amending sections 407, 411, and 1006 of this title] becomes effective on February 1, 1965.”

§ 406. Travel and transportation allowances: dependents; baggage and household effects

(a)(1) Except as provided in paragraph (2), a member of a uniformed service who is ordered to make a change of permanent station is entitled to transportation in kind, reimbursement therefor, or a monetary allowance in place of the cost of transportation, plus a per diem, for the member's dependents at rates prescribed by the Secretaries concerned, but not more than the rate authorized under section 404(d) of this title. The Secretary concerned may also reimburse the member for mandatory pet quarantine fees for household pets, but not to exceed \$550 per change of station, when the member incurs the fees incident to such change of station.

(2)(A) Except as provided in subparagraph (B), a member who—

(i) is separated from the service or released from active duty; and

(ii) on the date of his separation from the service or release from active duty, has not served on active duty for a period of time equal to at least 90 percent of the period of time for which he initially enlisted or otherwise initially agreed to serve,

may be provided transportation under this subsection for his dependents only by transportation in kind by the least expensive mode of transportation available or by a monetary allowance that does not exceed the cost to the Government of such transportation in kind.

(B) Subparagraph (A) does not apply to a member—

(i) who is retired, or is placed on the temporary disability retired list, under chapter 61 of title 10;

(ii) who is separated from the service or released from active duty for a medical condition affecting the member, as determined by the Secretary concerned;

(iii) who is separated from the service or released from active duty because the period of time for which the member initially enlisted or otherwise initially agreed to serve has been reduced by the Secretary concerned and is separated or released under honorable conditions;

(iv) who is discharged under section 1173 of title 10; or

(v) who is involuntarily separated from active duty during the period beginning on October 1, 1990, and ending on December 31, 2001.

(3) The allowances authorized under this subsection may be paid in advance.

(4) In this section, the term “involuntarily separated” has the meaning given that term in section 1141 of title 10.

(b)(1)(A) Except as provided in paragraph (2), in connection with a change of temporary or permanent station, a member is entitled to transportation (including packing, crating, drayage, temporary storage, and unpacking) of baggage and household effects within the weight allowances listed in subparagraph (C), without regard to the comparative costs of the various modes of transportation. Temporary storage in excess of 180 days may be authorized. Alternatively, the member may be paid reimbursement or a monetary allowance under subparagraph (F).

(B) Subject to uniform regulations prescribed by the Secretaries concerned, in the case of a permanent change of station in which the Secretary concerned has authorized transportation of a motor vehicle under section 2634 of title 10 (except when such transportation is authorized from the old duty station to the new duty station), the member is entitled to a monetary allowance for transportation of that motor vehicle—

(i) from the old duty station to—

(I) the customary port of embarkation which is nearest the old duty station if delivery of the motor vehicle to the port of embarkation is not made in conjunction with the member's travel to the member's port of embarkation; or

(II) the customary port of embarkation which is nearest to the member's port of embarkation if delivery of the motor vehicle to the port of embarkation is made in conjunction with the member's travel to the member's port of embarkation;

whichever is most cost-effective for the Government considering all operational, travel, and transportation requirements incident to such change of station; and

(ii) from the customary port of debarkation which has been designated by the Government as most cost-effective for the Government considering all operational, travel, and transportation requirements incident to such change of station to the new duty station.

Such monetary allowance shall be established at a rate per mile that does not exceed the rate established under section 404(d)(1) of this title. If clause (i)(I) applies to the transportation by the member of a motor vehicle from the old duty station, the monetary allowance under this subparagraph shall also cover return travel to the

old duty station by the member or other person transporting the vehicle. In the case of transportation described in clause (ii), the monetary allowance shall also cover travel from the new duty station to the port of debarkation to pick up the vehicle. In the case of the transportation of a motor vehicle arranged by the member under section 2634(h) of title 10, the Secretary concerned may pay the member, upon presentation of proof of shipment, a monetary allowance in lieu of transportation, as established under section 404(d)(1) of this title.

(C) Under regulations prescribed by the Secretary of Defense, the weight allowance in pounds to which a member is entitled under subparagraph (A) is determined in accordance with the following table:

Pay Grade	Without Dependents	With Dependents
O-10 to O-6	18,000	18,000
O-5	16,000	17,500
O-4	14,000	17,000
O-3	13,000	14,500
O-2	12,500	13,500
O-1	10,000	12,000
W-5	16,000	17,500
W-4	14,000	17,000
W-3	13,000	14,500
W-2	12,500	13,500
W-1	10,000	12,000
E-9	13,000	15,000
E-8	12,000	14,000
E-7	11,000	13,000
E-6	8,000	11,000
E-5	7,000	9,000
E-4	7,000	8,000
E-3	5,000	8,000
E-2	5,000	8,000
E-1	5,000	8,000

(D) In connection with the change of temporary or permanent station of a member in a pay grade below pay grade O-6, the Secretary concerned may authorize a higher weight allowance than the weight allowance determined under subparagraph (C) for the member if the Secretary concerned determines that the application of the weight allowance determined under such subparagraph would result in significant hardship to the member or the dependents of the member. An increase in weight allowance under this subparagraph may not result in a weight allowance exceeding the weight allowance specified in subparagraph (C) for pay grades O-6 to O-10, unless the additional weight allowance in excess of such maximum is intended to permit the shipping of consumables that cannot be reasonably obtained at the new station of the member. The Secretary of Defense shall prescribe regulations to carry out this subparagraph.

(E) Under regulations prescribed by the Secretary of Defense, or the Secretary of Homeland Security for the Coast Guard when it is not operating as a service in the Navy, cadets at the United States Military Academy, the United States Air Force Academy, and the United States Coast Guard Academy, and midshipmen at the United States Naval Academy shall be entitled, in connection with temporary or permanent station change, to transportation of bag-

gage and household effects as provided in subparagraph (A). The weight allowance for cadets and midshipmen is 350 pounds.

(F) A member entitled to transportation of baggage and household effects under subparagraph (A) may, as an alternative to the provision of transportation, be paid reimbursement or, at the member's request, a monetary allowance in advance for the cost of transportation of the baggage and household effects. The monetary allowance may be paid only if the amount of the allowance does not exceed the cost that would be incurred by the Government under subparagraph (A) for the transportation of the baggage and household effects. Appropriations available to the Department of Defense, the Department of Homeland Security, and the Department of Health and Human Services for providing transportation of baggage or household effects of members of the uniformed services shall be available to pay a reimbursement or monetary allowance under this subparagraph. The Secretary concerned may prescribe the manner in which the risk of liability for damage, destruction, or loss of baggage or household effects arranged, packed, crated, or loaded by a member is allocated among the member, the United States, and any contractor when a reimbursement or monetary allowance is elected under this subparagraph.

(G) Under regulations prescribed by the Secretary of Defense, the Secretary concerned may pay a member a share (determined pursuant to such regulations) of the savings resulting to the United States when the total weights of the member's baggage and household effects shipped and stored under subparagraph (A) are less than the average weights of the baggage and household effects that are shipped and stored, respectively, by other members in the same grade and with the same dependents status as the member in connection with changes of station that are comparable to the member's change of station. The total savings shall be equal to the difference between the cost of shipping and cost of storing such average weights of baggage and household effects, respectively, and the corresponding costs associated with the weights of the member's baggage and household effects. For the administration of this subparagraph, the Secretary of Defense shall annually determine the average weights of baggage and household effects shipped and stored in connection with a change of temporary or permanent station.

(2) The transportation and allowances authorized under paragraph (1) may be paid or provided to a member upon his separation from the service or release from active duty only if the member applies for the transportation and allowances not later than 180 days after the date of his separation or release from active duty. If a member to whom this paragraph applies has been authorized nontemporary storage under subsection (d), the 180-day period shall not begin until such authorization for nontemporary storage expires. This paragraph does not apply to a member to whom subsection (g)(1) applies.

(c) The allowances and transportation authorized by subsections (a) and (b) are in addition to those authorized by sections 403(c), 404, and 405 of this title and are—

- (1) subject to such conditions and limitations;
- (2) for such grades, ranks, and ratings; and
- (3) to and from such places;

prescribed by the Secretaries concerned. Transportation of the household effects of a member may not be made by commercial air carrier at an estimated over-all cost that is more than the estimated over-all cost of the transportation thereof by other means, unless an appropriate transportation officer has certified in writing to his commanding officer that those household effects to be so transported are necessary for use in carrying out assigned duties, or are necessary to prevent undue hardship and other means of transportation will not fill those needs. However, not more than 1,000 pounds of unaccompanied baggage may be transported by commercial air carrier, without regard to the preceding sentence, under regulations prescribed under the authority of the Secretary of Defense.

(d) The nontemporary storage of baggage and household effects may be authorized in facilities of the United States, or in commercial facilities when it is considered to be more economical to the United States. However, the weight of baggage and household effects stored, plus the weight of the baggage and household effects transported, in connection with a change of station may not be more than the maximum weight limitations in regulations prescribed by the Secretaries concerned when it is not otherwise fixed by law. In the event a member's baggage and household effects exceed such maximum weight limitation, the Secretary concerned, if requested to do so by the member, may pay the costs for the nontemporary storage of that excess weight and collect the amount paid from the member's pay and allowances, or collect the amount in such other manner as the Secretary concerned determines appropriate. The nontemporary storage of baggage and household effects may not be authorized for a period longer than one year from the date the member concerned is separated from the service, retired, placed on the temporary disability retired list, discharged, or released from active duty, except as prescribed in regulations by the Secretaries concerned for a member who, on that date, or at any time during the one-year period following that date, is confined in a hospital, or is in its vicinity, undergoing medical treatment; or in the case of a member who—

(1) is retired, or is placed on the temporary disability retired list, under chapter 61 of title 10; or

(2) is retired with pay under any other law, or, immediately following at least eight years of continuous active duty with no single break therein of more than 90 days, is discharged with separation pay or severance pay or is involuntarily released from active duty with separation pay or readjustment pay.

Except in the case of a member who, on the date of his separation, discharge, or release, or at any time during the one-year period following that date, is confined in a hospital, or is in its vicinity, undergoing medical treatment, the cost of the storage, for the period that exceeds one year, shall be paid by the member.

(e) When orders directing a change of permanent station for the member concerned have not been issued, or when they have been issued but cannot be used as authority for the transportation of his dependents, baggage, and household effects, the Secretaries concerned may authorize the movement of the dependents, baggage, and household effects and prescribe transportation in kind, reimbursement therefor, or a monetary allowance in place thereof (as the case may be), plus a per diem, as authorized under subsection (a) or (b). This subsection may be used only under unusual or emergency circumstances, including those in which—

(1) the member is performing duty at a place designated by the Secretary concerned as being within a zone from which dependents should be evacuated;

(2) orders which direct the member's travel in connection with temporary duty do not provide for return to the permanent station or do not specify or imply any limit to the period of absence from his permanent station; or

(3) the member is serving on permanent duty at a station outside the United States, in Hawaii or Alaska, or on sea duty.

(f)(1) Under regulations prescribed by the Secretary concerned, transportation for dependents, baggage, and household effects of a member, plus a per diem for the member's dependents, is authorized if the member dies while entitled to basic pay under chapter 3 of this title.

(2) The Secretary concerned shall give the dependents of a member described in paragraph (1) a period of not less than three years, beginning on the date of the death of the member, during which to select a home for the purposes of the travel and transportation allowances authorized by this section.

(g)(1) Under uniform regulations prescribed by the Secretaries concerned, a member who—

(A) is retired, or is placed on the temporary disability retired list, under chapter 61 of title 10;

(B) is retired with pay under any other law, or, immediately following at least eight years of continuous active duty with no single break therein of more than 90 days, is discharged with separation pay or severance pay or is involuntarily released from active duty with separation pay or readjustment pay; or

(C) is involuntarily separated from active duty during the period beginning on October 1, 1990, and ending on December 31, 2001,

is, not later than one year from the date he is so retired, placed on that list, involuntarily separated, discharged, or released, except as prescribed in regulations by the Secretaries concerned, entitled to transportation for his dependents, baggage, and household effects to the home selected under section 404(c) of this title, and to a per diem for his dependents. In addition, baggage and household effects may be shipped to a location other than the home selected by the member.

(2) If baggage and household effects of a member are shipped to a place selected by a member as his home under section 404(c) of this title that is not a place described in clause (A) or (B)

of section 404(c)(2) of this title or to a location other than the home selected by the member, or if transportation is provided for a member's dependents to a place selected by the member as his home under section 404(c) of this title that is not a place described in clause (A) or (B) of section 404(c)(2) of this title, and the costs of that shipment or transportation are in excess of those that would have been incurred if the shipment had been made or the transportation had been provided to a location in the United States (other than Alaska or Hawaii), the member shall pay that excess cost.

(3) If a member authorized to select a home under section 404(c) of this title accrues that right or any entitlement under this subsection but dies before the member exercises the right or entitlement, that right or entitlement accrues to and may be exercised by the surviving dependents at any time before the end of the three-year period beginning on the date on which the member accrued that right or entitlement. If there are no surviving dependents, the baggage and household effects of the deceased member may be shipped to the home of the person legally entitled to such baggage and effects. However, if baggage and household effects are shipped under circumstances described in paragraph (2) in which the member would have been required to pay the excess costs of that shipment, the surviving dependents or the person legally entitled to the baggage and household effects, as the case may be, shall pay that excess cost.

(h)(1) If the Secretary concerned determines that it is in the best interests of a member described in paragraph (2) or the member's dependents and the United States, the Secretary may, when orders directing a change of permanent station for the member concerned have not been issued, or when they have been issued but cannot be used as authority for the transportation of the member's dependents, baggage, and household effects—

(A) authorize the movement of the member's dependents, baggage, and household effects at the station to an appropriate location in the United States or its possessions or, if the dependents are foreign nationals, to the country of the dependents' origin and prescribe transportation in kind, reimbursement therefor, or a monetary allowance in place thereof, as the case may be, plus a per diem, as authorized under subsection (a) or (b); and

(B) in the case of a member described in paragraph (2)(A), authorize the transportation of one motor vehicle, which is owned or leased by the member (or a dependent of the member) and is for the personal use of a dependent of the member, to that location by means of transportation authorized under section 2634 of title 10 or authorize the storage of the motor vehicle pursuant to subsection (b) of such section.

If the member's baggage and household effects are in nontemporary storage under subsection (d), the Secretary concerned may authorize their movement to the location concerned and prescribe transportation in kind or reimburse-

ment therefor, as authorized under subsection (b). For the purposes of this section, a member's unmarried child for whom the member received transportation in kind to his station outside the United States or in Hawaii or Alaska, reimbursement therefor, or a monetary allowance in place thereof and who, by reason of age or graduation from (or cessation of enrollment in) an institution of higher education, would otherwise cease to be a dependent of the member while the member was serving at that station shall still be considered as a dependent of the member.

(2) A member referred to in paragraph (1) is a member who—

(A) is serving at a station outside the United States or in Hawaii or Alaska;

(B) receives an administrative discharge under other than honorable conditions; or

(C) is sentenced by a court-martial—

(i) to be confined for a period of more than 30 days,

(ii) to receive a dishonorable or bad-conduct discharge, or

(iii) to be dismissed from a uniformed service.

(3) If a motor vehicle of a member (or a dependent of the member) that is transported at the expense of the United States under this subsection does not arrive at the authorized destination of the vehicle by the designated delivery date, the Secretary concerned shall reimburse the member for expenses incurred after that date to rent a motor vehicle for the dependent's use. The amount reimbursed may not exceed \$30 per day, and the rental period for which reimbursement may be provided expires after 7 days or on the date on which the delayed vehicle arrives at the authorized destination (whichever occurs first).

(4)(A) If a determination described in subparagraph (B) is made with respect to a dependent of a member described in that subparagraph and a request described in subparagraph (C) is made by or on behalf of that dependent, the Secretary may provide a benefit authorized for a member under paragraph (1) or (3) to that dependent in lieu of providing such benefit to the member.

(B) A determination described in this subparagraph is a determination by the commanding officer of a member that—

(i) the member has committed a dependent-abuse offense against a dependent of the member;

(ii) a safety plan and counseling have been provided to that dependent;

(iii) the safety of the dependent is at risk; and

(iv) the relocation of the dependent is advisable.

(C) A request described in this subparagraph is a request by the spouse of a member, or by the parent of a dependent child in the case of a dependent child of a member, for relocation.

(D) Transportation may be provided under this paragraph for household effects or a motor vehicle only if a written agreement of the member, or an order of a court of competent jurisdiction, gives possession of the effects or vehicle to the spouse or dependent of the member concerned.

(E) In this paragraph, the term “dependent-abuse offense” means an offense described in section 1059(c) of title 10.

(i) A member traveling under orders who is relieved from a duty station is entitled to transportation for his dependents, baggage, and household effects, plus a per diem for the member’s dependents, regardless of the time the dependents, baggage, or household effects arrive at their destination. Appropriations of the Department of Defense available for travel or transportation that are current when the member is relieved may be used to pay for the transportation.

(j) Under uniform regulations prescribed by the Secretaries concerned, a member with dependents who is ordered to make an overseas permanent change of station and who, in anticipation of his dependents accompanying him overseas, ships baggage and household effects to that overseas station, may be authorized a return shipment of the baggage and household effects if, after the shipment, the member’s dependents are unable to accompany him overseas and the Secretary concerned determines that such inability was unexpected and uncontrollable.

(k) For the purposes of this section, the residence of a dependent of a member who is a student not living with the member while at school shall be considered to be the permanent duty station of the member or the designated residence of dependents of the member if the member’s dependents are not authorized to reside with the member.

(l) No carrier, port agent, warehouseman, freight forwarder, or other person involved in the transportation of property may have any lien on, or hold, impound, or otherwise interfere with, the movement of baggage and household goods being transported under this section.

The words “of an armed force” are inserted, since the source section, as originally enacted, did not apply to the Public Health Service or the Coast and Geodetic Survey. (See section 243 of the Armed Forces Reserve Act of 1952 (66 Stat. 492).) The words “of the Army, or the Air Force, without specification of component” are inserted to reflect the definition of “reserve component” in section 102(k) of the source statute. That definition is executed throughout this revised title. For that reason, the words “but not as a member of the Army without specification of component or the Air Force without specification of component, in section 255(a)(2) of existing title 37”, are omitted, and since those categories are excluded by the words “member of a reserve component”. The words “of a reserve component”, in section 255(a)(3) of existing title 37, are omitted, since the Ready Reserve cannot be in anything other than a reserve component.

In subsection (b), the words “heretofore or hereafter” are omitted as surplusage.

In subsection (c), the words “An officer” are substituted for the words “any individual”, since the revised section applies only to officers.

In subsection (d), the words “who is in pay grade O-1, O-2, or O-3” are substituted for the words “is receiving the pay of the junior assistant, assistant, or senior assistant grade” to reflect current terminology. (See chapter 3 of this revised title.) The last sentence is substituted for section 214 (words following semicolon) of title 14.

In subsection (e), the words “as a temporary officer” are inserted for clarity. The words “5596 or” are substituted for section 302(f) of the Act of August 7, 1947, cited above.

Section, Pub. L. 87-649, Sept. 7, 1962, 76 Stat. 480, provided for payment to persons confined in a naval confinement facility under sentence of a court-martial of not more than \$3 a month for necessary expenses, such payments to be made from appropriations for pay of Navy or Marine Corps.

§ 427. Family separation allowance

(a) ENTITLEMENT TO ALLOWANCE.—(1) In addition to any allowance or per diem to which he otherwise may be entitled under this title a member of a uniformed service with dependents is entitled to a monthly allowance equal to \$250 if—

(A) the movement of his dependents to his permanent station or a place near that station is not authorized at the expense of the United States under section 406 of this title and his dependents do not reside at or near that station;

(B) he is on duty on board a ship away from the home port of the ship for a continuous period of more than 30 days; or

(C) he is on temporary duty away from his permanent station for a continuous period of more than 30 days and his dependents do not reside at or near his temporary duty station.

(2) A member who becomes entitled to an allowance under this subsection by virtue of duty prescribed in subparagraph (B) or (C) of paragraph (1) for a continuous period of more than 30 days is entitled to the allowance effective as of the earlier of—

(A) the first day of that period; or

(B) the first day the member ceased being entitled to a previous allowance under this subsection by reason of the end of duty prescribed in such subparagraphs, if the member ceased being entitled to the previous allowance within 30 days before the first day of that period.

(b) ENTITLEMENT WHEN NO RESIDENCE OR HOUSEHOLD MAINTAINED FOR DEPENDENTS.—An allowance is payable under subsection (a) even though the member does not maintain for his primary dependents who would otherwise normally reside with him, a residence or household, subject to his management and control, which he is likely to share with them as a common household when his duty assignment permits.

(c) EFFECT OF ELECTION TO SERVE UNACCOMPANIED TOUR OF DUTY.—(1) Except as provided in paragraph (2) or (3), a member who elects to serve a tour of duty unaccompanied by his dependents at a permanent station to which the movement of his dependents is authorized at the expense of the United States under section 406 of this title is not entitled to an allowance under subsection (a)(1)(A).

(2) The prohibition in the first sentence of paragraph (1) does not apply to a member who elects to serve an unaccompanied tour of duty because a dependent cannot accompany the member to or at that permanent station for certified medical reasons.

(3) The Secretary concerned may waive paragraph (1) in situations in which it would be inequitable to deny the allowance to the member because of unusual family or operational circumstances.

(d) ENTITLEMENT WHILE SPOUSE ENTITLED TO BASIC PAY.—A member married to another member of the uniformed services becomes entitled, regardless of any other dependency status, to an allowance under subsection (a) by virtue of duty prescribed in subparagraph (A), (B), or (C) of paragraph (1) of such subsection if the members were residing together immediately before being separated by reasons of execution of military orders. Section 421 of this title does not apply to bar the entitlement to an allowance under this section. However, not more than one monthly allowance may be paid with respect to a married couple under this section.
