

fect, a State or a political subdivision of a State may not adopt or enforce a law or regulation related to fuel economy standards or average fuel economy standards for automobiles covered by an average fuel economy standard under this chapter.

(b) **REQUIREMENTS MUST BE IDENTICAL.**—When a requirement under section 32908 of this title is in effect, a State or a political subdivision of a State may adopt or enforce a law or regulation on disclosure of fuel economy or fuel operating costs for an automobile covered by section 32908 only if the law or regulation is identical to that requirement.

(c) **STATE AND POLITICAL SUBDIVISION AUTOMOBILES.**—A State or a political subdivision of a State may prescribe requirements for fuel economy for automobiles obtained for its own use.

In clause (5), the words “of motor vehicles” are added for consistency in this chapter.

Clause (6)(I) is substituted for “rear quarter panels” for clarity and consistency.

In clause (7)(A), the word “completed” is omitted as unnecessary because of the restatement.

In clause (9), the words “after December 31, 1989” are substituted for “on or after the beginning of the 2-year period specified in section 2023(a)(1)(A) of this title” for clarity and consistency.

This corrects a cross-reference in 49:33101(2) by eliminating the reference to 49:33102(c)(1). Section 302(1) of the Anti Car Theft Act of 1992 (Public Law 102-519, 106 Stat. 3394) restated section 602(d)(1)(A) and (B) of the Motor Vehicle Information and Cost Savings Act (Public Law 92-513, 86 Stat. 947) as section 602(d)(1) without making a change in the cross-reference in section 601(6) to section 602(d)(1)(B).

This makes a conforming amendment for consistency with the style of title 49.

**§ 33102. Theft prevention standard for high theft lines**

(a) GENERAL.—(1) The Secretary of Transportation by regulation shall prescribe a vehicle theft prevention standard that conforms to the requirements of this chapter. The standard shall apply to—

(A) covered major parts that manufacturers install in passenger motor vehicles in lines designated under section 33104 of this title as high theft lines; and

(B) major replacement parts for the major parts described in clause (A) of this paragraph.

(2) The standard may apply only to—

(A) major parts that manufacturers install in passenger motor vehicles having a model year designation later than the calendar year in which the standard takes effect; and

(B) major replacement parts manufactured after the standard takes effect.

(b) STANDARD REQUIREMENTS.—The standard shall be practicable and provide relevant objective criteria.

(c) LIMITATIONS ON MAJOR PART AND REPLACEMENT PART STANDARDS.—(1) For a major part installed by the manufacturer of the motor vehicle, the standard may not require a part to have more than one identification.

(2) For a major replacement part, the standard may not require—

(A) identification of a part not designed as a replacement for a major part required to be identified under the standard; or

(B) the inscribing or affixing of identification except a symbol identifying the manufacturer and a common symbol identifying the part as a major replacement part.

(d) RECORDS AND REPORTS.—This chapter does not authorize the Secretary to require a person to keep records or make reports, except as provided in sections 33104(c), 33106(c), 33108(a), and 33112 of this title.

In subsection (a)(2), the text of 15:2022(c)(1)–(3) is omitted as obsolete because the standard has already been prescribed. See 49 C.F.R. part 541.

**§ 33103. Theft prevention standard for other lines**

(a) GENERAL.—Not later than October 25, 1994, the Secretary of Transportation shall prescribe a vehicle theft standard that conforms to the requirements of this chapter for covered major parts that manufacturers install in passenger motor vehicles (except light duty trucks) in not more than 50 percent of the lines not designated under section 33104 of this title as high theft lines.

(b) EXTENSION OF APPLICATION.—(1) Not later than 3 years after the standard is prescribed under subsection (a) of this section and based on the finding of the Attorney General under subsection (c) of this section to apply the standard, the Secretary shall apply that standard to covered major parts and major replacement parts for covered parts that manufacturers install in the lines of passenger motor vehicles (except light duty trucks)—

(A) not designated under section 33104 of this title as high theft lines; and

(B) not covered by the standard prescribed under subsection (a) of this section.

(2) The Secretary shall include as part of the regulatory proceeding under this subsection the finding of, and the record developed by, the Attorney General under subsection (c) of this section.

(c) INITIAL REVIEW OF EFFECTIVENESS.—Before the Secretary begins a regulatory proceeding under subsection (b) of this section, the Attorney General shall make a finding that the Secretary shall apply the standard prescribed under subsection (a) of this section unless the Attorney General finds, based on information collected and analyzed under section 33112 of this title and other information the Attorney General develops after providing notice and an opportunity for a public hearing, that applying the standard prescribed in subsection (a) to the remaining lines of passenger motor vehicles (except light duty trucks) not covered by that standard would not substantially inhibit chop shop operations and motor vehicle thefts. The Attorney General also shall consider and include in the record additional costs, effectiveness, competition, and available alternative factors. The Attorney General shall submit to the Secretary the finding and record on which the finding is based.

(d) LONG RANGE REVIEW OF EFFECTIVENESS.—(1) Not later than December 31, 1999, the Attorney General shall make separate findings, after notice and an opportunity for a public hearing, on the following:

(A) whether the application of the standard under subsection (a) or (b) of this subsection, or both, have been effective in substantially inhibiting the operation of chop shops and motor vehicle theft.

(B) whether the anti-theft devices for which the Secretary has granted exemptions under section 33106 of this title are an effective substitute for parts marking in substantially inhibiting motor vehicle theft.

(2)(A) In making the finding under paragraph (1)(A) of this subsection, the Attorney General shall—

(i) consider the additional cost, competition, and available alternatives;

(ii) base that finding on information collected and analyzed under section 33112 of this title;

(iii) consider the effectiveness, the extent of use, and the extent to which civil and criminal penalties under section 33115(b) of this title and section 2322 of title 18 on chop shops have been effective in substantially inhibiting operation of chop shops and motor vehicle theft;

(iv) base that finding on the 3-year and 5-year reports issued by the Secretary under section 33113 of this title; and

(v) base that finding on other information the Attorney General develops and includes in the public record.

(B) The Attorney General shall submit a finding under paragraph (1)(A) of this subsection promptly to the Secretary. If the Attorney General finds that the application of the standard under subsection (a) or (b) of this section, or both, has not been effective, the Secretary shall issue, not later than 180 days after receiving that finding, an order terminating the standard the Attorney General found was ineffective. The termination is effective for the model year beginning after the order is issued.

(3) In making a finding under paragraph (1)(B) of this subsection, the Secretary shall consider the additional cost, competition, and available alternatives. If the Attorney General finds that the anti-theft devices are an effective substitute, the Secretary shall continue to grant exemptions under section 33106 of this title for the model years after model year 2000 at one of the following levels that the Attorney General decides: at the level authorized before October 25, 1992, or at the level provided in section 33106(b)(2)(C) of this title for model year 2000.

(e) EFFECTIVE DATE OF STANDARD.—A standard prescribed under this section takes effect at least 6 months after the date the standard is prescribed, except that the Secretary may prescribe an earlier effective date if the Secretary—

(1) decides with good cause that the earlier date is in the public interest; and

(2) publishes the reasons for the decision.

(f) NOTIFICATION OF CONGRESS.—The Secretary and the Attorney General shall inform the appropriate legislative committees of Congress with jurisdiction over this part and section 2322 of title 18 of actions taken or planned under this section.

In subsection (b)(1), the words “to apply the standard” are added for clarity. The words “shall apply that standard to covered major parts and major replacement parts for covered parts that manufacturers install in the lines of passenger motor vehicles (except light duty trucks) . . . not designated under section 33104 of this title as high theft lines; and . . . not covered by the standard prescribed under subsection (a) of this section” are substituted for “the Secretary . . . shall designate all the remaining such lines of such passenger motor vehicles (other than light-duty trucks) and apply such standard to such lines in conformance with the requirements of this subchapter” for clarity and because of the restatement.

In subsection (b)(2), the words “The Secretary shall include as part of the regulatory proceeding under this subsection . . . developed by the Attorney General under subsection (c) of this section” are substituted for “shall be a part of the Secretary’s rulemaking record” for clarity.

In subsection (c), the words “Before the Secretary begins a regulatory proceeding under subsection (b) of this section” are substituted for “prior to the Secretary’s initiation and promulgation of a rule” for clarity. The words “applying the standard prescribed in subsection (a) to the remaining lines of passenger motor vehicles (except light duty trucks) not covered by that standard” are substituted for “requiring such additional parts marking for all of the applicable passenger motor vehicles” for clarity and because of the restatement.

In subsection (d)(1)(A), the words “whether the application of the standard under subsection (a) or (b) of this subsection, or both” are substituted for “whether one or both rules promulgated under this subsection” for clarity.

In subsection (d)(2)(A)(iii), the words “civil . . . penalties under section 33115(b) of this title” are substituted for “civil . . . penalties under section 2027(b) of this title” to correct an erroneous cross-reference.

In subsection (d)(3), the words “for the model years after model year 2000” are substituted for “Nothing in this paragraph affects exemptions granted in model year 2000 or earlier to any manufacturer” to eliminate unnecessary words. The words “at one of the following levels that the Attorney General decides” are substituted for “as determined by the Attorney General” for clarity.

In subsection (e), the text of 15:2022(c)(4) (related to the standard under 15:2022(c)(1)) is omitted as obsolete because the standard under 15:2022(c)(1) has already been prescribed. See 49 C.F.R. 541.

### § 33104. Designation of high theft vehicle lines and parts

(a) DESIGNATION, NONAPPLICATION, SELECTION, AND PROCEDURES.—(1) For purposes of the standard under section 33102 of this title, the following are high theft lines:

(A) a passenger motor vehicle line determined under subsection (b) of this section to have had a new passenger motor vehicle theft

rate in the 2-year period covering calendar years 1990 and 1991 greater than the median theft rate for all new passenger motor vehicle thefts in that 2-year period.

(B) a passenger motor vehicle line initially introduced into commerce in the United States after December 31, 1989, that is selected under paragraph (3) of this subsection as likely to have a theft rate greater than the median theft rate referred to in clause (A) of this paragraph.

(C) subject to paragraph (2) of this subsection, a passenger motor vehicle line having (for existing lines) or likely to have (for new lines) a theft rate below the median theft rate referred to in clause (A) of this paragraph, if the major parts in the vehicles are selected under paragraph (3) of this subsection as interchangeable with the majority of the major parts that are subject to the standard and are contained in the motor vehicles of a line described in clause (A) or (B) of this paragraph.

(2) The standard may not apply to any major part of a line described in paragraph (1)(C) of this subsection if all the passenger motor vehicles of lines that are, or are likely to be, below the median theft rate, and that contain parts interchangeable with the major parts of the line involved, account (for existing lines), or the Secretary of Transportation determines they are likely to account (for new lines), for more than 90 percent of the total annual production of all lines of that manufacturer containing those interchangeable parts.

(3) The lines, and the major parts of the passenger motor vehicles in those lines, that are to be subject to the standard may be selected by agreement between the manufacturer and the Secretary. If the manufacturer and the Secretary disagree on the selection, the Secretary shall select the lines and parts, after notice to the manufacturer and opportunity for written comment, and subject to the confidentiality requirements of this chapter.

(4) To the maximum extent practicable, the Secretary shall prescribe reasonable procedures designed to ensure that a selection under paragraph (3) of this subsection is made at least 6 months before the first applicable model year beginning after the selection.

(5) A manufacturer may not be required to comply with the standard under a selection under paragraph (3) of this subsection for a model year beginning earlier than 6 months after the date of the selection.

(6) A passenger motor vehicle line subject on October 25, 1992, to parts marking requirements under sections 602 and 603 of the Motor Vehicle Information and Cost Savings Act (Public Law 92-513, 86 Stat. 947), as added by section 101(a) of the Motor Vehicle Theft Law Enforcement Act of 1984 (Public Law 98-547, 98 Stat. 2756), continues to be subject to the requirements of this section and section 33102 of this title unless the line is exempted under section 33106 of this title.

(b) DETERMINING THEFT RATE FOR PASSENGER VEHICLES.—(1) In this subsection, “new passenger motor vehicle thefts”, when used in reference to a calendar year, means thefts in the United States in that year of passenger motor vehicles with the same model-year designation as that calendar year.

(2) Under subsection (a) of this section, the theft rate for passenger motor vehicles of a line shall be determined by a fraction—

(A) the numerator of which is the number of new passenger motor vehicle thefts for that line during the 2-year period referred to in subsection (a)(1)(A) of this section; and

(B) the denominator of which is the sum of the respective production volumes of all passenger motor vehicles of that line (as reported to the Administrator of the Environmental Protection Agency under chapter 329 of this title) that are of model years 1990 and 1991 and are distributed for sale in commerce in the United States.

(3) Under subsection (a) of this section, the median theft rate for all new passenger motor vehicle thefts during that 2-year period is the theft rate midway between the highest and the lowest theft rates determined under paragraph (2) of this subsection. If there is an even number of theft rates determined under paragraph (2), the median theft rate is the arithmetic average of the 2 adjoining theft rates midway between the highest and the lowest of those theft rates.

(4) In consultation with the Director of the Federal Bureau of Investigation, the Secretary periodically shall obtain from the most reliable source accurate and timely theft and recovery information and publish the information for review and comment. To the greatest extent possible, the Secretary shall use theft information reported by United States Government, State, and local police. After publication and opportunity for comment, the Secretary shall use the theft information to determine the median theft rate under this subsection. The Secretary and the Director shall take any necessary actions to improve the accuracy, reliability, and timeliness of the information, including ensuring that vehicles represented as stolen are really stolen.

(5) The Secretary periodically (but not more often than once every 2 years) may redetermine and prescribe by regulation the median theft rate under this subsection.

(c) PROVIDING INFORMATION.—The Secretary by regulation shall require each manufacturer to provide information necessary to select under subsection (a)(3) of this section the high theft lines and the major parts to be subject to the standard.

(d) APPLICATION.—Except as provided in section 33106 of this title, the Secretary may not make the standard inapplicable to a line that has been subject to the standard.

In subsection (a)(1)(A), the words “the 2-year period covering calendar years 1990 and 1991” are substituted for “the 2 calendar years immediately preceding the year in which the Anti Car Theft Act of 1992 is enacted” because that Act was enacted on October 25, 1992. The substitution also makes it clear that the 2-year period is to be treated as a single period.

In subsection (a)(1)(B), the words “after December 31, 1989,” are substituted for “after the beginning of the 2-year period specified in subparagraph (A)” for consistency with clause (A).

In subsection (a)(6), the word “passenger” is added because the source provisions in the revised chapter apply to passenger motor vehicles.

In subsection (b)(2)(B), the words “Administrator of the” are added for clarity and consistency because of section 1(b) of Reorganization Plan No. 3 of 1970 (eff. Dec. 2, 1970, 84 Stat. 2086). The words “model years 1983 and 1984” are substituted for “the 2 model years having the same model-year designations as the 2 calendar years specified in subsection (a)(1)(A) of this section” because the particular years are now known.

In subsection (b)(4), the words “Immediately upon enactment of this subchapter” are omitted as executed. The words “or sources” are omitted because of 1:1.

Sections 602 and 603 of the Motor Vehicle Information and Cost Savings Act, referred to in subsec. (a)(6), are sections 602 and 603 of Pub. L. 92-513, which were classified to sections 2022 and 2023, respectively, of Title 15, Commerce and Trade, and were repealed and reenacted as sections 33102 to 33104 of this title by Pub. L. 103-272, §1(e), 7(b), July 5, 1994, 108 Stat. 1077, 1379.

#### § 33105. Cost limitations

(a) MAXIMUM MANUFACTURER COSTS.—A standard under section 33102 or 33103 of this title may not impose—

(1) on a manufacturer of motor vehicles, compliance costs of more than \$15 a motor vehicle; or

(2) on a manufacturer of major replacement parts, compliance costs for each part of more than the reasonable amount (but less than \$15) that the Secretary of Transportation specifies in the standard.

(b) COSTS INVOLVED IN ENGINES AND TRANSMISSIONS.—For a manufacturer engaged in identifying engines or transmissions on October 25, 1984, in a way that substantially complies with the standard—

(1) the costs of identifying engines and transmissions may not be considered in calculating the manufacturer’s costs under subsection (a) of this section; and

(2) the manufacturer may not be required under the standard to conform to any identification system for engines and transmissions that imposes greater costs on the manufacturer than are incurred under the identification system used by the manufacturer on October 25, 1984.

(c) COST ADJUSTMENTS.—(1) In this subsection—

(A) “base period” means calendar year 1984.

(B) “price index” means the average over a calendar year of the Consumer Price Index (all items—United States city average) published monthly by the Secretary of Labor.

(2) At the beginning of each calendar year, as necessary data become available from the Bureau of Labor Statistics, the Secretary of Labor shall certify to the Secretary of Transportation and publish in the Federal Register the percentage difference between the price index for the 12 months before the beginning of the calendar year and the price index for the base period. For model years beginning in that calendar year, the amounts specified in subsection (a) of this section shall be adjusted by the percentage difference.

#### § 33106. Exemption for passenger motor vehicles equipped with anti-theft devices

(a) DEFINITIONS.—In this section—

(1) “anti-theft device” means a device to reduce or deter theft that—

(A) is in addition to the theft-deterrent devices required by motor vehicle safety standard numbered 114 in section 571.114 of title 49, Code of Federal Regulations;

(B) the manufacturer believes will be effective in reducing or deterring theft of motor vehicles; and

(C) does not use a signaling device reserved by State law for use on police, emergency, or official vehicles, or on schoolbuses.

(2) “standard equipment” means equipment already installed in a motor vehicle when it is delivered from the manufacturer and not an accessory or other item that the first purchaser customarily has the option to have installed.

(b) GRANTING EXEMPTIONS AND LIMITATIONS.—

(1) A manufacturer may petition the Secretary of Transportation for an exemption from a requirement of a standard prescribed under section 33102 or 33103 of this title for a line of passenger motor vehicles equipped as standard equipment with an anti-theft device that the Secretary decides is likely to be as effective in reducing and deterring motor vehicle theft as compliance with the standard.

(2) The Secretary may grant an exemption—

(A) for model year 1987, for not more than 2 lines of a manufacturer;

(B) for each of the model years 1988–1996, for not more than 2 additional lines of a manufacturer;

(C) for each of the model years 1997–2000, for not more than one additional line of a manufacturer; and

(D) for each of the model years after model year 2000, for the number of lines that the Attorney General decides under section 33103(d)(3) of this title.

(3) An additional exemption granted under paragraph (2)(B) or (C) of this subsection does not affect an exemption previously granted.

(c) PETITIONING PROCEDURE.—A petition must be filed not later than 8 months before the start of production for the first model year covered by the petition. The petition must include—

(1) a detailed description of the device;

(2) the reasons for the manufacturer’s conclusion that the device will be effective in reducing and deterring theft of motor vehicles; and

(3) additional information the Secretary reasonably may require to make the decision described in subsection (b)(1) of this section.

(d) DECISIONS AND APPROVALS.—The Secretary shall make a decision about a petition filed under this section not later than 120 days after the date the petition is filed. A decision approving a petition must be based on substantial evidence. The Secretary may approve a petition in whole or in part. If the Secretary does not make a decision within the 120-day period, the petition shall be deemed to be approved and the manufacturer shall be exempt from the standard for the line covered by the petition for the subsequent model year.

(e) RESCISSIONS.—The Secretary may rescind an exemption if the Secretary decides that the anti-theft device has not been as effective in reducing and deterring motor vehicle theft as compliance with the standard. A rescission may be effective only—

(1) for a model year after the model year in which the rescission occurs; and

(2) at least 6 months after the manufacturer receives written notice of the rescission from the Secretary.

#### EFFECTIVE DATE OF 1994 AMENDMENT

Amendment by Pub. L. 103-429 effective July 5, 1994, see section 9 of Pub. L. 103-429, set out as a note under section 321 of this title.

### § 33107. Voluntary vehicle identification standards

(a) ELECTION TO INSCRIBE OR AFFIX IDENTIFYING MARKS.—The Secretary of Transportation by regulation may prescribe a vehicle theft prevention standard under which a person may elect to inscribe or affix an identifying number or symbol on major parts of a motor vehicle manufactured or owned by the person for purposes of section 511 of title 18 and related provisions. The standard may include provisions for registration of the identification with the Secretary or a person designated by the Secretary.

## § 33110. Verifications involving junk and salvage motor vehicles

(a) DEFINITION.—In this section, “vehicle identification number” means a unique identification number (or derivative of that number) assigned to a passenger motor vehicle by a manufacturer in compliance with applicable regulations.

(b) GENERAL REQUIREMENTS.—(1) If an insurance carrier selling comprehensive motor vehicle insurance coverage obtains possession of and

transfers a junk motor vehicle or a salvage motor vehicle, the carrier shall—

(A) under procedures the Attorney General prescribes by regulation under section 33109 of this title in consultation with the Secretary of Transportation, verify whether the vehicle is reported as stolen; and

(2)(A) This subsection does not prohibit an insurance carrier from transferring a motor vehicle if, within a reasonable period of time during normal business operations (as decided by the Attorney General under section 33109 of this title) using reasonable efforts, the carrier—

(i) has not been informed under the procedures prescribed in section 33109 of this title that the vehicle has not been reported as stolen; or

(ii) has not otherwise established whether the vehicle has been reported as stolen.

(B) When a carrier transfers a motor vehicle for which the carrier has not established whether the vehicle has been reported as stolen, the carrier shall provide written certification to the transferee that the carrier has not established whether the vehicle has been reported as stolen.

(c) REGULATIONS.—In consultation with the Secretary, the Attorney General shall prescribe regulations necessary to ensure that verification performed and provided by an insurance carrier under subsection (b)(1)(B) of this section is uniform, effective, and resistant to fraudulent use.

Section 33110(b) of title 49 is effective not later than 3 months after those regulations are prescribed but not before the date on which the National Stolen Passenger Motor Vehicle Information System established under section 33109 of title 49 is operational.”

### § 33111. Verifications involving motor vehicle major parts

(a) GENERAL REQUIREMENTS.—A person engaged in the business of salvaging, dismantling, recycling, or repairing passenger motor vehicles may not knowingly sell in commerce or transfer or install a major part marked with an identification number without—

(b) NONAPPLICATION.—(1) Subsection (a) of this section does not apply to a person that—

(A) is the manufacturer of the major part;

(B) has purchased the major part directly from the manufacturer; or

(C) has received a verification from an insurance carrier under section 33110 of this title that the motor vehicle from which the major part is derived has not been reported as stolen, or that the carrier has not established whether that vehicle has been stolen.

(2) A person described under paragraph (1)(C) of this subsection that subsequently transfers or sells in commerce the motor vehicle or a major part of the vehicle shall provide the verification received from the carrier to the person to whom the vehicle or part is transferred or sold.

(c) REGULATIONS.—The Attorney General shall prescribe regulations to carry out this section. The regulations shall include regulations prescribed in consultation with the Secretary that are necessary to ensure that a verification a person provides under subsection (a)(2) of this section is uniform, effective, and resistant to fraudulent use.

## EFFECTIVE DATE

Section 4(v) of Pub. L. 103-272 provided that: “Section 33111 of title 49, United States Code, as enacted by section 1 of this Act, is effective on the date on which the National Stolen Passenger Motor Vehicle Information System is established under section 33109 of title 49.”

### § 33112. Insurance reports and information

(a) PURPOSES.—The purposes of this section are—

(1) to prevent or discourage the theft of motor vehicles, particularly those stolen for the removal of certain parts;

(2) to prevent or discourage the sale and distribution in interstate commerce of used parts that are removed from those vehicles; and

(3) to help reduce the cost to consumers of comprehensive insurance coverage for motor vehicles.

(b) DEFINITIONS.—In this section—

(1) “insurer” includes a person (except a governmental authority) having a fleet of at least 20 motor vehicles that are used primarily for rental or lease and are not covered by a theft insurance policy issued by an insurer of passenger motor vehicles.

(2) “motor vehicle” includes a truck, a multipurpose passenger vehicle, and a motorcycle.

(c) ANNUAL INFORMATION REQUIREMENT.—(1) An insurer providing comprehensive coverage for motor vehicles shall provide annually to the Secretary of Transportation information on—

(A) the thefts and recoveries (in any part) of motor vehicles;

(B) the number of vehicles that have been recovered intact;

(C) the rating rules and plans, such as loss information and rating characteristics, used by the insurer to establish premiums for comprehensive coverage, including the basis for the premiums, and premium penalties for motor vehicles considered by the insurer as more likely to be stolen;

(D) the actions taken by the insurer to reduce the premiums, including changing rate levels for comprehensive coverage because of a reduction in thefts of motor vehicles;

(E) the actions taken by the insurer to assist in deterring or reducing thefts of motor vehicles; and

(F) other information the Secretary requires to carry out this chapter and to make the report and findings required by this chapter.

(2) The information on thefts and recoveries shall include an explanation on how the information is obtained, the accuracy and timeliness of the information, and the use made of the information, including the extent and frequency of reporting the information to national, public, and private entities such as the Federal Bureau of Investigation and State and local police.

(d) REPORTS ON REDUCED CLAIMS PAYMENTS.—An insurer shall report promptly in writing to

the Secretary if the insurer, in paying a claim under an adjustment or negotiation between the insurer and the insured for a stolen motor vehicle—

(1) reduces the payment to the insured by the amount of the value, salvage or otherwise, of a recovered part subject to a standard prescribed under section 33102 or 33103 of this title; and

(2) the reduction is not made at the express election of the insured.

(e) **GENERAL EXEMPTIONS.**—The Secretary shall exempt from this section, for one or more years, an insurer that the Secretary decides should be exempted because—

(1) the cost of preparing and providing the information is excessive in relation to the size of the insurer's business; and

(2) the information from that insurer will not contribute significantly to carrying out this chapter.

(f) **SMALL INSURER EXEMPTIONS.**—(1) In this subsection, “small insurer” means an insurer whose premiums for motor vehicle insurance issued directly or through an affiliate, including a pooling arrangement established under State law or regulation for the issuance of motor vehicle insurance, account for—

(A) less than one percent of the total premiums for all forms of motor vehicle insurance issued by insurers in the United States; and

(B) less than 10 percent of the total premiums for all forms of motor vehicle insurance issued by insurers in any State.

(2) The Secretary shall exempt by regulation a small insurer from this section if the Secretary finds that the exemption will not significantly affect the validity or usefulness of the information collected and compiled under this section, nationally or State-by-State. However, the Secretary may not exempt an insurer under this paragraph that is considered an insurer only because of subsection (b)(1) of this section.

(3) Regulations under this subsection shall provide that eligibility as a small insurer shall be based on the most recent calendar year for which adequate information is available, and that, once attained, the eligibility shall continue without further demonstration of eligibility for one or more years, as the Secretary considers appropriate.

(g) **PRESCRIBED FORM.**—Information required by this section shall be provided in the form the Secretary prescribes.

(h) **PERIODIC COMPILATIONS.**—Subject to section 552 of title 5, the Secretary periodically shall compile and publish information obtained by the Secretary under this section, in a form that will be helpful to the public, the police, and Congress.

(i) **CONSULTATION.**—In carrying out this section, the Secretary shall consult with public and private agencies and associations the Secretary considers appropriate.

In subsection (a)(1), the words “which is manufactured on or after the date the standard under section 2022 of this title takes effect under this subchapter for such vehicle or major replacement part” are omitted as obsolete because the standard applies to passenger motor vehicles and major replacement parts starting with the 1987 model year. See 50 Fed. Reg. 43166 (1985).

In subsection (a)(5)(A), the words “of any kind” are omitted as unnecessary because of the definition of “chop shop” in section 33101 of the revised title.

#### § 33115. Civil penalties and enforcement

(a) GENERAL PENALTY AND CIVIL ACTIONS TO COLLECT.—(1) A person that violates section 33114(a)(1)–(4) of this title is liable to the United States Government for a civil penalty of not more than \$1,000 for each violation. The failure of more than one part of a single motor vehicle to conform to an applicable standard under section 33102 or 33103 of this title is only a single violation. The maximum penalty under this subsection for a related series of violations is \$250,000.

(2) The Secretary of Transportation imposes a civil penalty under this subsection. The Secretary may compromise the amount of a penalty.

(3) In determining the amount of a civil penalty or compromise under this subsection, the Secretary shall consider the size of the person’s business and the gravity of the violation.

(4) The Attorney General shall bring a civil action in a United States district court to collect a civil penalty imposed under this subsection.

(5) The Government may deduct the amount of a civil penalty imposed or compromised under this subsection from amounts it owes the person liable for the penalty.

(b) CHOP SHOP PENALTY AND ENFORCEMENT.—(1) A person that violates section 33114(a)(5) of

this title is liable to the Government for a civil penalty of not more than \$100,000 a day for each violation.

(2) As appropriate and in consultation with the Attorney General, the Secretary shall—

(A) bring a civil action for a temporary or permanent injunction to restrain a person violating section 33114(a)(5) of this section;

(B) impose and recover the penalty described in paragraph (1) of this subsection; or

(C) take both the actions described in clauses (A) and (B) of this paragraph.

(c) CIVIL ACTIONS TO ENFORCE.—(1) The Attorney General may bring a civil action in a United States district court to enjoin a violation of this chapter or the sale, offer for sale, introduction or delivery for introduction in interstate commerce, or importation into the United States, of a passenger motor vehicle containing a major part, or of a major replacement part, that is subject to the standard and is determined before the sale of the vehicle or part to a first purchaser not to conform to the standard.

(2)(A) When practicable, the Secretary—

(i) shall notify a person against whom an action under this subsection is planned;

(ii) shall give the person an opportunity to present that person's views; and

(iii) except for a knowing and willful violation, shall give the person a reasonable opportunity to comply.

(B) The failure of the Secretary to comply with subparagraph (A) of this paragraph does not prevent a court from granting appropriate relief.

(d) JURY TRIAL DEMAND.—In a trial for criminal contempt for violating an injunction or restraining order issued under subsection (c) of this section, the violation of which is also a violation of this chapter, the defendant may demand a jury trial. The defendant shall be tried as provided in rule 42(b) of the Federal Rules of Criminal Procedure (18 App. U.S.C.).

(e) VENUE.—A civil action under subsection (a) or (c) of this section may be brought in the judicial district in which the violation occurred or the defendant resides, is found, or transacts business. Process in the action may be served in any other judicial district in which the defendant resides or is found. A subpoena for a witness in the action may be served in any judicial district.

33115(d) .....	15:2028(b)(2).	
33115(e) .....	15:2028(b)(3), (4).	

In subsection (a)(1), the words “section 33114(a)(1)–(4)” are used to correct an erroneous cross-reference in section 611(a)(1) of the Motor Vehicle Information and Cost Savings Act (Public Law 92-513, 86 Stat. 947) to section 607 of that Act. Sections 607 and 611 were redesignated by section 306(a) of the Anti Car Theft Act of 1992 (Public Law 102-519, 106 Stat. 3397). The words “is liable to the United States Government for a civil penalty” are substituted for “may be assessed a civil penalty” for consistency in the revised title and with other titles of the United States Code.

In subsection (a)(2), the word “imposes” is substituted for “assessed” for consistency.

In subsection (a)(3), the words “the appropriateness of such penalty to” are omitted as surplus.

In subsection (a)(5), the words “United States district court” are added for clarity and consistency in the revised title.

In subsection (c)(1), the words “The Attorney General may bring a civil action” are substituted for “Upon petition by the Attorney General” for consistency with rule 2 of the Federal Rules of Civil Procedure (28 App. U.S.C.). The words “on behalf of the United States” are omitted as surplus. The words “shall have jurisdiction” are omitted because of 28:1331. The words “for cause shown and subject to the provisions of rule 65(a) and (b) of the Federal Rules of Civil Procedure” are omitted as surplus because the rules apply in the absence of an exception from them. The word “enjoin” is substituted for “restrain” for consistency in the revised title.

In subsection (d), the words “the defendant may demand a jury trial” are substituted for “trial shall be by the court, or, upon demand of the accused, by a jury” to eliminate unnecessary words and for consistency in the revised title.

#### § 33116. Confidentiality of information

(a) GENERAL.—Information obtained by the Secretary of Transportation under this chapter related to a confidential matter referred to in section 1905 of title 18 may be disclosed only—

(1) to another officer or employee of the United States Government for use in carrying out this chapter; or

(2) in a proceeding under this chapter (except a proceeding under section 33104(a)(3)).

(b) WITHHOLDING INFORMATION FROM CONGRESS.—This section does not authorize information to be withheld from a committee of Congress authorized to have the information.

33116 .....	15:2029.	Oct. 20, 1972, Pub. L. 92-513, 86 Stat. 947, §612; added Oct. 25, 1984, Pub. L. 98-547, §101(a), 98 Stat. 2763; Oct. 25, 1992, Pub. L. 102-519, §306(a), 106 Stat. 3397.

In subsection (a), before clause (1), the words “reported to, or otherwise” and “or the Secretary’s representative” are omitted as surplus. The words “related to a confidential matter referred to” are substituted for “contains or relates to a trade secret or other matter referred to” to eliminate unnecessary words and for

consistency in the revised title. The words “or in section 552(b)(4) of title 5” are omitted as surplus because the language in 18:1905 is broader than the language in 5:552(b)(4) and for consistency with similar provisions in other chapters in this part. The words “shall be considered confidential for the purpose of the applicable section of this subchapter” are omitted as surplus. In clause (1), the words “for use in carrying out” are substituted for “concerned with carrying out” for consistency with similar provisions in other chapters in this part. In clause (2), the words “when relevant” are omitted as surplus. The cross-reference to 15:2023(a)(3) is omitted. The text of 15:2023(a)(3), originally enacted as section 603(a)(3) of the Motor Vehicle Information and Cost Savings Act (Public Law 92-513, 86 Stat. 947), was repealed by section 303(2) of the Anti Car Theft Act of 1992 (Public Law 102-519, 106 Stat. 3396). Section 303(2) also redesignated subsection (a)(4) as subsection (a)(3). However, a corresponding amendment to correct the cross-reference in the source provisions restated in this section was not made.

In subsection (b), the words “authorized to have the information” are added for clarity and consistency with similar provisions in other chapters in this part.

### § 33117. Judicial review

A person that may be adversely affected by a regulation prescribed under this chapter may obtain judicial review of the regulation under section 32909 of this title. A remedy under this section is in addition to any other remedies provided by law.
