CONGRESSIONAL FINDINGS

Section 369(b) of Pub. L. 103–382 provided that: “The Congress finds that—

“(1) participation in athletic pursuits plays an important role in teaching young Americans how to work on teams, handle challenges and overcome obstacles;

“(2) participation in athletic pursuits plays an important role in keeping the minds and bodies of young Americans healthy and physically fit;

“(3) there is increasing concern among citizens, educators, and public officials regarding the athletic opportunities for young men and women at institutions of higher education;

“(4) a recent study by the National Collegiate Athletic Association found that in Division I-A institutions, only 20 percent of the average athletic department operations budget of $1,310,000 is spent on women’s athletics; 15 percent of the average recruiting budget of $318,402 is spent on recruiting female athletes; the average scholarship expenses for men is $1,300,000 and $505,246 for women; and an average of 143 grants are awarded to male athletes and 59 to women athletes;

“(5) female college athletes receive less than 18 percent of the athletics recruiting dollars and less than 24 percent of the athletics operating dollar;

“(6) male college athletes receive approximately $179,000,000 more per year in athletic scholarship grants than female college athletes;

“(7) prospective students and prospective student athletes should be aware of the commitments of an institution to providing equitable athletic opportunities for its men and women students; and

“(8) knowledge of an institution’s expenditures for women’s and men’s athletic programs would help prospective students and prospective student athletes make informed judgments about the commitments of a given institution of higher education to providing equitable athletic benefits to its men and women students.”

Section 102 of Pub. L. 101–542 provided that: “The Congress finds that—

“(1) education is fundamental to the development of individual citizens and the progress of the Nation as a whole;

“(2) there is increasing concern among citizens, educators, and public officials regarding the academic performance of students at institutions of higher education;

“(3) a recent study by the National Institute of Independent Colleges and Universities found that just 43 percent of students attending 4-year public colleges and universities and 54 percent of students entering private institutions graduated within 6 years of enrolling;

“(4) the academic performance of student athletes, especially student athletes receiving football and basketball scholarships, has been a source of great concern in recent years;

“(5) more than 10,000 athletic scholarships are provided annually by institutions of higher education;

“(6) prospective students and prospective student athletes should be aware of the educational commitments of an institution of higher education; and

“(7) knowledge of graduation rates would help prospective students and prospective student athletes make an informed judgment about the educational benefits available at a given institution of higher education.”

“(1) the reported incidence of crime, particularly violent crime, on some college campuses has steadily risen in recent years;

“(2) although annual ‘National Campus Violence Surveys’ indicate that roughly 80 percent of campus crimes are committed by a student upon another student and that approximately 95 percent of the campus crimes that are violent are alcohol- or drug-related, there are currently no comprehensive data on campus crimes;

“(3) out of 8,000 postsecondary institutions participating in Federal student aid programs, only 352 col-
leges and universities voluntarily provide crime sta-
tistics directly through the Uniform Crime Report of
the Federal Bureau of Investigation, and other insti-
tutions report data indirectly, through local police
agencies or States, in a manner that does not permit
campus statistics to be separated;

"(d) several State legislatures have adopted or are
considering legislation to require reporting of cam-
pus crime statistics and dissemination of security
practices and procedures, but the bills are not uni-
form in their requirements and standards;

"(e) students and employees of institutions of high-
er education should be aware of the incidence of
crime on campus and policies and procedures to pre-
vent crime or to report occurrences of crime;

"(f) applicants for enrollment at a college or uni-
versity, and their parents, should have access to in-
formation about the crime statistics of that institu-
tion and its security policies and procedures; and

"(g) while many institutions have established crime
preventive measures to increase the safety of cam-
puses, there is a clear need—

(1) to encourage the development on all cam-
puses of security policies and procedures;

(2) for uniformity and consistency in the report-
ing of crimes on campus; and

(3) to encourage the development of policies and
procedures to address sexual assaults and racial
violence on college campuses.

§ 1092a. Combined payment plan
(a) Eligibility for plan
Upon the request of the borrower, a lender de-
scribed in subparagraph (A), (B), or (C) of sec-
tion 1078–3(a)(1) of this title, or an eligible lend-
er as defined in section 719 of the Public Health
Service Act (42 U.S.C. 292o) may, with respect to
a consolidation loan made under section 1078–3
of this title (and section 1087–2(e) of this title as
in effect prior to the enactment of section 1078–3
of this title) and loans guaranteed under part A
of title VII of the Public Health Service Act (42
U.S.C. 292 et seq.), offer a combined payment
plan under which the lender shall submit one
bill to the borrower for the repayment of all
such loans for the monthly or other similar pe-
riod of repayment.

(b) Applicability of other requirements
A lender offering a combined payment plan
shall comply with all provisions of section 1078–3
of this title applicable to loans consolidated or
to be consolidated and shall comply with all pro-
visions of part A of title VII of the Public
Health Service Act (42 U.S.C. 292 et seq.) appli-
cable to loans under that subpart which are
made part of the combined payment plan, except
that a lender offering a combined payment plan
under this section may offer consolidation loans
pursuant to section 1078–3(b)(1)(A) of this title if
such lender holds any outstanding loan of a bor-
rower which is selected for inclusion in a com-
bined payment plan.

(c) Lender eligibility
Such lender may offer a combined payment
plan only if—

1 See References in Text note below.

(1) the lender holds an outstanding loan of
that borrower which is selected by the bor-
rower for incorporation into a combined pay-
ment plan pursuant to this section (including
loans which are selected by the borrower for
consolidation under this section); or

(2) the borrower certifies that the borrower
has sought and has been unable to obtain a
combined payment plan from the holders of
the outstanding loans of that borrower.

(d) Borrower selection of competing offers
In the case of multiple offers by lenders to ad-
minister a combined payment plan for a bor-
rower, the borrower shall select from among
them the lender to administer the combined
payment plan including its loan consolidation
component.

(e) Effect of plan
Upon selection of a lender to administer the
combined payment plan, the lender may reissue
any loan under part A of title VII of the Public
Health Service Act (42 U.S.C. 292 et seq.) sele-
ted by the borrower for incorporation in the
combined payment plan which is not held by
such lender and the proceeds of such reissued
loan shall be paid by the lender to the holder or
holders of the loans so selected to discharge the
liability on such loans, if—

(1) the lender selected to administer the
combined payment plan has determined to its
satisfaction, in accordance with reasonable and
prudent business practices, for each loan
being reissued (A) that the loan is a legal,
valid, and binding obligation of the borrower;
(B) that each such loan was made and serviced
in compliance with applicable laws and regula-
tions; and (C) the insurance on such loan is in
full force and effect; and

(2) the loan being reissued was not in default
(as defined in section 707(e)(3) of the Public
Health Service Act [42 U.S.C. 292f(e)(3)]) at the
time the request for a combined payment plan
is made.

(f) Notes and insurance certificates
(1) Each loan reissued under subsection (e) of
this section shall be evidenced by a note exe-
cuted by the borrower. The Secretary of Health
and Human Services shall insure such loan
under a certificate of comprehensive insurance
with no insurance limit, but any such certificate
shall only be issued to an authorized holder of
loans insured under part A of title VII of the
Public Health Service Act (42 U.S.C. 292 et seq.)
(including the Student Loan Marketing Associa-
tion). Such certificates shall provide that all
loans reissued under this section shall be fully
insured against loss of principal and interest.
Any insurance issued with respect to loans re-
issued under this section shall be excluded from
the limitation on maximum insurance authority
set forth in section 710 of the Public Health
Service Act [42 U.S.C. 292]. Notwithstanding the
provisions of section 729(a) of the Public
Health Service Act, the reissued loan shall be made in
an amount, including outstanding principal,
capitalized interest, accrued unpaid interest not
yet capitalized, and authorized late charges. The
proceeds of such loan will be paid by the
lender to the holder of the original loan being
reissued and the borrower’s obligation to that
holder on that loan shall be discharged.

(2) Except as otherwise specifically provided
for under the provisions of this section, the
terms of any reissued loan shall be the same as
the terms of the original loan. The maximum re-
