

Section 5(b)(3) of Pub. L. 103-397 provided for the amendment of the table at the end of subsec. (c)(2) of this section during fiscal year 1997.

Section 5(b)(4) of Pub. L. 103-397 provided for the amendment of the table at the end of subsec. (c)(2) of this section during fiscal year 1998.

PAYMENTS MADE PRIOR TO JANUARY 1, 1983

Section 101(3) of Pub. L. 98-63 provided in part that: “The United States shall not be subject to any cause of action or any liability for distribution of payments made prior to January 1, 1983, under the Act of October 20, 1976 (90 Stat. 2662), as amended [Pub. L. 94-565, see 31 U.S.C. 6901 et seq.], or regulations pursuant thereto.”

§ 6904. Additional payments

(a) In addition to payments the Secretary of the Interior makes under section 6902 of this title, the Secretary shall make a payment for each fiscal year to a unit of general local government collecting and distributing real property taxes (including a unit in Alaska outside the boundaries of an organized borough) in which is located an interest in land that—

(1) the United States Government acquires for—

- (A) the National Park System; or
 - (B) the National Forest Wilderness Areas;
- and

(2) was subject to local real property taxes within the 5-year period before the interest is acquired.

(b) The Secretary shall make payments only for the 5 fiscal years after the fiscal year in which the interest in land is acquired. Under guidelines the Secretary prescribes, the unit of general local government receiving the payment from the Secretary shall distribute payments proportionally to units and school districts that lost real property taxes because of the acquisition of the interest. A unit receiving a distribution may use a payment for any governmental purpose.

(c) Each yearly payment by the Secretary under this section is equal to one percent of the fair market value of the interest in land on the date the Government acquires the interest. However, a payment may not be more than the amount of real property taxes levied on the property during the last fiscal year before the fiscal year in which the interest is acquired. A decision on fair market value under this section may not include an increase in the value of an interest because the land is rezoned when the rezoning causes the increase after the date of enactment of a law authorizing the acquisition of an interest under subsection (a) of this section.

(d) The Secretary may prescribe regulations under which payments may be made to units of general local government when subsections (a) and (b) of this section will not carry out the purpose of subsections (a) and (b).

AMENDMENTS

§ 6907. State legislation requiring reallocation or redistribution of payments to smaller units of general purpose government

(a) Notwithstanding any other provision of this chapter, a State may enact legislation

which requires that any payments which would be made to units of general local government pursuant to this chapter be reallocated and redistributed in whole or part to other smaller units of general purpose government which (1) are located within the boundaries of the larger unit of general local government, (2) provide general governmental services and (3) contain entitlement lands within their boundaries. (b) Upon enactment of legislation by a State, described in subsection (a), the Secretary shall make one payment to such State equaling the aggregate amount of payments which he otherwise would have made to units of general local government within such State pursuant to this chapter. It shall be the responsibility of such State to make any further distribution of the payment pursuant to subsection (a). Such redistribution shall be made within 30 days after receipt of such payment. No payment, or portion thereof, made by the Secretary shall be used by any State for the administration of this subsection or subsection (a).

(c) Appropriations made for payments in lieu of taxes for a fiscal year may be used to correct underpayments in the previous fiscal year to achieve equity among all qualified recipients.
